## Annual Reports

for the Town of  
**BENNINGTON**  
New Hampshire

## A TRIBUTE

Yankee ingenuity and creativity personify Gladys E. Newhall.

A native of Bennington, she has devoted her life to family, community, country, and especially children.

A graduate of local schools, Gladys continued her chosen field of nursing, serving as an Army nurse and retiring after many years service.

Public service as a school nurse, a Town Selectman, and ConVal School Board member are a few of her community contributions.

We especially gratefully acknowledge her gift of land for our new ballfield. Children for many years will benefit from her generosity. Her charity truly began at home.

Thanks, Gladys!!

## DEDICATION

*This Town Report is  
dedicated to the men  
and women serving in  
the Persian Gulf as  
they fulfill their  
commitments to pre-  
serve freedom for  
others. We offer them  
our full support and  
pray for their speedy  
and safe return.*

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Fire Station on Tuesday, the 12th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. Do you approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said official ballot, and the second session on a date set by the selectmen for transaction of other business. (Ballot question)
3. Are you in favor of the adoption of amendments to the existing Zoning Ordinance as proposed by the Planning Board relative to the definitions of frontage and setback? (Ballot questions). (The proposed amendments are printed in their entirety in the Town Report.)

You are hereby notified to meet at the Antrim Gym in said Town of Antrim on Saturday, the 16th day of March, 1991 at ten o'clock in the forenoon to act upon the following subjects:

4. Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence. (Ballot question)(Selectmen)
5. To see if the Town will vote to have all town warrant articles voted on by secret ballot? (By petition-Bennington Voice Association)
6. Shall we adopt the provisions of RSA 31:95-c to restrict revenues from contributions (voluntary or involuntary) for the reclamation of the Bennington Tri-Town Landfill facility to expenditures for the purpose of reclamation of the Landfill facility? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Bennington Tri-Town Landfill facility reclamation fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Selectmen)

7. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes. (Selectmen)
8. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by an individual or individuals, or take any action relating thereto. (Selectmen)
9. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manners as determined by the Selectmen as justice may require. (Selectmen)
10. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and expend and to do all other things necessary to obtain such Federal, State, or other assistance (financial or otherwise) or take any other action relating thereto. (Selectmen)
11. To see if the Town will vote to adopt amendments to the By-Laws of the Bennington Fire Department as recommended by the Fire Department. (The proposed amendments are printed in their entirety in the Town Report.)
12. To see if the Town will vote (1) to raise and appropriate the sum of forty thousand dollars (\$40,000.00) to be placed in the Landfill Capital Reserve Fund; and (2) to authorize the withdrawal therefrom of funds as necessary not to exceed fifty thousand dollars (\$50,000.00). (Selectmen)
13. To see if the Town will vote (1) to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purchase of Highway Heavy Equipment in accordance with the Capital Improvement Plan; (2) to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in the fund; and (3) to name the Selectmen as agents to carry out the object of this article. (Selectmen/Road Agent)
14. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be placed in the 1999 Fire Truck Capital Reserve Fund. (Selectmen/Fire Chief)
15. To see if the Town will vote (1) to raise and appropriate the sum of forty thousand dollars (\$40,000) to hire a professional appraisal firm, approved by the Department of Revenue Administration, to conduct a complete revaluation of the real estate in the Town to be completed in the tax year 1992; and (2) authorize the withdrawal of thirteen thousand, five hundred thirty two dollars (\$13,532) from the Capital Reserve Fund created for that purpose. The balance of twenty-six thousand, four hundred and sixty-eight dollars (\$26,468) to come from general taxation. (Selectmen)
16. To see if the Town will vote to raise and appropriate the sum of thirteen thousand, five hundred dollars (\$13,500) to be placed in the Revaluation Capital Reserve Fund. (Selectmen)

17. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to purchase fire fighting equipment. (Selectmen/Fire Chief)
18. To see if the Town will vote to raise and appropriate the sum of one thousand two hundred thirty six dollars (\$1,236) to contribute to a local (or regional if appropriate) Household Hazardous Waste Collection Program. This annual program provides for the proper disposal of hazardous household products such as dry cell batteries, pesticides, kitchen/bathroom cleaners, paint thinners, antifreeze, and the like. (Selectmen)
19. To see if the Town will vote to raise and appropriate the sum of four thousand eight hundred dollars (\$4,800) for the Contoocook Housing Trust, to support its goals of creating and maintaining affordable housing for low and moderate income families, or take any other action thereto. (Selectmen)
20. To see if the Town will vote to raise and appropriate the sum of one hundred dollars (\$100.00) for support of the Grand Monadnock Arts Council, or to take any action relating thereto. (Selectmen)
21. To see what sum the Town will vote to raise and appropriate to pay the normal operating cost of the Town (as set forth in the posted Town budget), or take any other action in relation there to. Said sum is exclusive of special articles 12 - 19. (Selectmen)
22. To see if the Town will vote to abolish the office of the Administrative Assistant. (By Petition-Bennington Voice Association)
23. To see if the Town will eliminate the Assistant Administrative Office. (By Petition-The Concerned Citizen Taxpayers Association.)
24. To see if the Town will vote to reduce the pay of the Administrative Assistant from \$24,000.00 to \$12,000.00. (By Petition-Bennington Voice Association.)
25. To see if the Town will reduce the salary of the Town Clerk from \$9,442.00 to \$6,511.00. (By Petition-Bennington Voice Association.)
26. To see if the Town will vote to change the office of the Police Chief of Bennington, N.H. from an appointed one to an elected one. (By Petition-Bennington Voice Association.)
27. To see if the Town will vote to reduce the pay of police officers of Bennington, N.H. from \$22,000.00 to \$11,000.00. (By Petition-Bennington Voice Association.)
28. To see if the Town will vote to reduce its Police Department to 1 Chief - 1 Part-time Police Officer. (By Petition-The Concerned Citizen Taxpayers Association.)
29. To see if the Town will eliminate the position of Police Administrator. (By Petition-Bennington Voice Association.)
30. To see if the Town will vote the election of its Road Agent - Budget Committee - Janitor, and Police. (By Petition-The Concerned Citizen Taxpayers Association.)

31. To see if the Town will approve requiring that the Selectmen must appoint the runner-up from the most recent election in cases of a vacancy on the Board of Selectmen. (By Petition-Bennington Voice Association.)
32. To see if the Town will vote that anyone holding an elected or appointed office on any Town Board be restricted to serving on only one Board at a time. (By Petition-Bennington Voice Association.)
33. To see if the Town will approve the limiting of spending by placing a cap on all future increases of not more than 1% (one percent). (By Petition-Bennington Voice Association.)
34. To see if the Town will require Town Meeting approval, or special Town Meeting approval, in urgent cases, of all expenditures of \$1,000.00 or more, including Lease/Purchase arrangements of \$1,000.00 or more. (By Petition-Bennington Voice Association.)
35. To hear reports of committees and act thereon.

Given under our hands and seal this 20th day of February, in the year of our Lord nineteen hundred and ninety-one.

## REPORT OF SELECTMEN

This has been another exceptionally busy year for the Town and its various Boards and Departments.

There have been many positive beginnings and accomplishments along with a fair share of frustrations. This Board is truly thankful for the efforts and dedication of all Board and Department members as well as employees. We are also especially appreciative of the broad range of support and approval shown by the large majority of the townspeople. This support makes it possible for those involved in the daily operation of the Town to continue to function.

The Board recognizes the tax burden placed on the residents is overpowering, especially for the elderly. To diminish this burden, the Board will request a change to the adjusted elderly exemption. The major change will be that applicants may now exclude the value of their home to qualify for the exemption. The Town budget this year will decrease by 1%. Major areas in the budget that will experience increases are: Welfare 50%, Police Department 20%, Insurance 19%, and fuel and electricity in all departments. To minimize these increases, we have cut the budget of Town administration by 13% and legal by 15%. The Board and Town employees continue to strive to provide the services required by the residents in the most frugal way.

The total amount to be appropriated this year, including proposed warrant articles, will decrease from last year.

The Board will be requesting an appropriation of \$26,468 and the withdrawal of \$13,532 from Capital Reserve for a professional revaluation. The need for a revaluation is quite evident. This will correct any present inequities and provide the town with professional and accurate valuation of all properties.

The new Youth Ballpark is now completed. The work accomplished by several dedicated volunteers has been exceptional. The Town is proud to provide the youth of Bennington with one of the finest recreational facilities in the area. We especially wish to thank Gladys Newhall for the gift of land which made the park possible.

The members of the Fire Department and other volunteers who worked on the construction of the new bay for the rescue truck, are to be congratulated for their fine work. The Board thanks all who donated their time or materials for this endeavor.

Congratulations to Frank Taylor for achieving the rank of Eagle Scout. Frank is the first resident of Bennington to have earned such a distinction.

The Edward French Scholarship this year was awarded to Tonia Wilson who is attending Springfield College, Springfield, Massachusetts.

The Post Office situation posed a definite challenge to our Town this year. While the present outcome did not meet everyone's expectations, the Board is still working to have Bennington placed on the list for a new Post Office in 1995. We would like to thank Senator Warren Rudman and his staff, as well as, Senator Bob Smith and his office for their present and continuing support in this matter.

The Landfill and future trash disposal are of utmost concern for the Board. The State has accepted the Town's proposal to continue present operations until the Fall of 1992. Closure construction is scheduled to begin in the Spring of 1993. This will give the Town adequate time to implement further recycling and develop a new Solid Waste Disposal alternative. The Board will be requesting \$40,000 to be placed in the Landfill Capital Reserve Fund.

Bennington moves into 1991 with two major problems still unresolved. They are the bankruptcy of Trailside Development, Inc. and their uncollected taxes and the inequity of the Conval School District apportionment formula. The Board has been frustrated, but continues to pursue all avenues to bring about a positive outcome for these problems. The year 1991 must be one for the Town to make an affirmative move forward on both problems.

This year the continuing surreptitious attacks on Town officials and employees will hopefully cease. While the vast majority of residents display a genuine concern for the Town and take a rational approach to its problems, it is imperative that all Bennington residents take a stand to protect the stability of the Town Government.

Your opportunity to "stand up and be counted" will be your presence and participation at the March 1991 Town Meeting!

TOWN OF BENNINGTON, NEW HAMPSHIRE  
MINUTES OF MARCH 15 ,1990 ANNUAL TOWN MEETING

- ARTICLE 1. The town officers elected for the year ensuing as per the town clerk's ballot records.
- ARTICLE 2. The adoption of the amendment to the existing Zoning Ordinance as proposed by the Planning Board relative to a Growth Management Ordinance was favorably voted into effect by ballot vote.  
163 YES 135 NO
- ARTICLE 3. The adoption of the provisions of RSA 72:28,V and VI for an optional veteran's exemption and/or expanded qualifying war service for veterans seeking exemption from \$50.00 (fifty dollars) to \$100.00 (one hundred dollars) was favorably voted into effect by ballot vote:  
257 YES 44 NO
- ARTICLE 4. The adoption of the provision of RSA 72:35, IV for an optional property tax exemption on residential property tax exemption on residential property for a service-connected total disability from \$700.00 (seven hundred dollars) to \$1,400.00 (one thousand four hundred dollars) was favorably voted into effect by ballot vote:  
237 YES 61 NO
- ARTICLE 5. By voice vote, the Town unanimously voted to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.
- ARTICLE 6. By voice vote, the Town unanimously voted to accept legacies and gifts to the Town in trust or otherwise by an individual or individuals, or take any other action relating thereto.

At this time seating capacity of Town Hall was reached and so that no registered voter was denied the opportunity to participate in the voting process, Selectmen James Sweeney made the motion "To recess this Town Meeting until Thursday March 22, 1990 at 7:00 p.m. at the Antrim Middle School Gym." The motion was seconded and passed.

The Moderator reconvened the meeting at 7:10 p.m. on Thursday evening March 22,1990 by rereading the Rules of Conduct voted on and accepted at the March 15,1990 recessed meeting.

There were 174 registered voters present.

The meeting began with the reading of Article 7.

- Article 7. By voice vote the Town unanimously voted to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manners as determined by the Selectmen as justice may require.

- Article 8. By voice vote the Town unanimously voted to apply for negotiate for, contract for, accept and expend and do all other things necessary to obtain such Federal, State, or other assistance (financial or otherwise) or take any other action relating thereto.
- Article 9. A motion was made and seconded to amend the article to read: To see if the Town will vote to lease a backhoe for one year at the cost of eleven thousand ,five hundred sixty eight dollars (\$11,568.00). By voice vote the amendment was defeated.
- By standing head count the Town voted 88 YES to 71 NO to (1) raise and appropriate the sum of forty thousand dollars (\$40,000.00) to purchase a backhoe for public works projects; and (2) to authorize the withdrawal of such sums from the Capital Reserve Fund.
- Article 10. Upon the presentation of the article by the Moderator the Selectmen made a motion and it was seconded to amend the article to read:  
To see if the Town would (1) raise and appropriate the sum of thirty thousand dollars (\$30,000.00) to reconstruct 528 ft. of Old Coach Road (Blanchard Road); resurface 1320 ft. of Durgin Road (paved portion); resurface 500 ft. of Old Lakin Road (Upper Cemetery Road) and (2) to authorize the withdrawal of such sum from the Capital Reserve Fund. By standing vote the Town defeated the amended article. A motion was made and seconded to reconsider article 10. The motion for reconsideration was defeated by standing vote.
- Article 11. A motion was made and seconded to amend the article to read: To see if the Town will vote (1) to raise and appropriate the sum of twenty-five thousand dollars (\$25,000.00) to be placed in the Landfill Capital Reserve Fund; and (2) to authorize the withdrawal therefrom of funds as necessary for the preliminary and final capping of the Landfill and purchase of transfer station equipment not to exceed fifty thousand dollars (\$50,000.00). By voice vote, the amended article was unanimously accepted.
- Article 12. By voice vote the Town unanimously voted to (1) establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purchase of a replacement fire truck in the year 1999; (2) to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be placed in this fund and (3) to name the Selectmen as agents to carry out the object of this article.

Article 13. By voice vote the Town unanimously voted to (1) raise and appropriate the sum of ten thousand dollars (\$10,000.00) to purchase corrosion control equipment for the Town's water system; and (2) to authorize the withdrawal of such sums from the Capital Reserve Fund.

Article 14. A motion was made and seconded to amend the article to read; To see if the Town will vote (1) to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the funding of a complete revaluation of the real estate in the Town in 1993 and (2) to raise and appropriate the sum of thirteen thousand three hundred and thirty three dollars (\$13,333.00) to be placed in this fund and, (3) to name the Selectmen as agents to carry out the object of this Article. By voice vote the Town unanimously voted to adopt the amended article.

Article 15. By voice vote the Town unanimously voted to increase water rents by twenty-five percent (25%) over the existing rate schedule . Copies of the present rate schedule are available at the Town Hall.

Article 16. By voice, the Town unanimously voted to raise and appropriate the sum of four thousand dollars (\$4,000.00) to purchase fire fighting equipment.

Article 17. Upon the presentation of the article by the Moderator the selectmen made a motion and it was seconded to amend the article to read as follows; To see if the Town will vote (1) to accept a gift from Gladys Newhall of a 4.6 acre tract of land on the western side of Bible Hill Road for use as a recreational facility for the young residents of the Town - subject to certain restrictive covenants: (2) to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to construct playing fields on said tract of land; (3) to establish a board consisting of three (3) persons to be appointed by the Selectmen and Scott Liljeberg to manage the property and its use: or (4) to take any other action in relation thereto. By voice vote the Town unanimously voted to accept the amended article.

Article 18. By voice vote the Town unanimously voted to raise and appropriate the sum of three thousand two hundred dollars (\$3,200.00) to paint the front and left side of the Town Hall building.

Article 19. An amendment to this article was proposed by the Selectmen and an additional amendment was proposed and accepted by a 97 YES to 60 NO head count. The accepted amended article reads as follows; To see if the Town will vote to (1) increase the commercial garbage haulers annual permit from twenty-five dollars (\$25.00) to two hundred and fifty dollars (\$250.00); and (2) adopt the following amendments to the ordinance for the use of the Tri-Town sanitary landfill facility;

AMENDMENT 1. Section 1:B is amended by deleting the second paragraph in its entirety and inserting the following in its place:

The landfill will not be open on the following holidays; New Year's Day, Washington's Birthday, Fast Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

AMENDMENT 2. Section 8 is amended by deleting the same in its entirety and inserting the following in its place:

8. Designated Areas

The Landfill facility includes several designated areas for special wastes. The proper separation of the following materials is mandatory; tires, batteries, used motor oil, construction and demolition materials, brush, scrap metal, aluminum cans and glass bottles.

The fees of disposing of tires and white goods shall be set and regulated by the Bennington Board of Selectmen. A public hearing will be held prior to fee changes.

ARTICLE 20. By voice vote and also a requested standing vote, the Town unanimously voted not to raise and appropriate the sum of seventeen thousand dollars (\$17,000.00) for the construction of a recycling processing/storage building, contingent upon the approval of a matching recycling grant of ten thousand dollars (\$10,000.00) from the Office of State Planning.

ARTICLE 21. By voice vote the Town unanimously voted to raise and appropriate the sum of nine hundred and fifty nine dollars (\$959.00) to contribute to a local (or regional if appropriate) Household Hazardous Waste Collection Program. This annual program provides for the proper disposal of hazardous household products such as pesticides, kitchen/bathroom cleaners, paint thinners, antifreeze, and the like.

ARTICLE 22. By voice vote the Town unanimously voted to raise and appropriate the sum of one hundred dollars(\$100.00) for support of the Grand Monadnock Arts Council, or to take any action relating thereto.

ARTICLE 23. A motion was made and seconded to amend the article to read; The Town will raise and appropriate the sum of six hundred, forty one thousand dollars (\$641,000.00) to pay the normal operating cost of the Town. A secret ballot was requested resulting in a vote of 53 YES and 101 NO. The amendment was unanimously defeated.

Another motion was made and seconded to amend the article to read; The Town will raise and appropriate the sum of seven hundred, sixty one thousand, three hundred eleven dollars (\$761,311.00) to pay the normal operating cost of the Town. Said sum is exclusive of special articles 9-22. By standing count 130 YES and 2 NO the amendment passed.

By voice vote the Town unanimously voted to raise and appropriate the sum of seven hundred, sixty one thousand three hundred and eleven dollars (\$761,311.00) to pay the normal operating cost of the Town. Said sum is exclusive of special articles 9-22.

A motion was then made to have Article 23 reconsidered. A voice vote was taken to reconsider Article 23. It was defeated.

ARTICLE 24. In a standing vote the Town unanimously voted to support the following position: We the citizens of Bennington, New Hampshire, would like to keep the U.S. Post Office on Main Street, in the center of the village district, to maintain the integrity of our traditional New England Community.

ARTICLE 25. A secret ballot was requested to see if the Town will vote to abolish the office of the Administrative Assistant. By a vote of 43 YES, and 108 NO the Town unanimously voted not to abolish the office of Administrative Assistant.

ARTICLE 26. This article, To see if the Town will vote to reduce the pay of the Administrative Assistant by one half, was unanimously voted by voice vote, to be tabled.

ARTICLE 27. A secret ballot was requested to see if the Town would vote to change the office of Police Chief of Bennington N. H. from an appointed one to an elected one. The request was honored by the Moderator however, by voice vote the floor overrode his ruling and tabled the article.

ARTICLE 28. A secret ballot was requested to see if the Town would vote to reduce the pay of police officers of Bennington N.H. by one half. The request was honored by the Moderator, however, by voice vote the floor overrode his ruling and tabled the article.

- ARTICLE 29. By voice vote the Town unanimously voted to table the Article which read- To see if the Town will vote that the Monadnock Paper Mill be required to use the Tri-Town Landfill on the same schedule as private citizens. Also, that they be required to pay the same fees as commercial haulers will be charged, and not have unlimited access and private gate keys to the landfill.
- ARTICLE 30. By voice vote the Town unanimously voted to table the Article which read- To see if the Town will vote that in order to keep the fire lane open, and for other safety reasons, there will no longer be allowed the parking of any vehicles in the triangle in the public way opposite the Pierce School, next to the Bennington Garage.
- ARTICLE 31. By voice vote the Town unanimously voted to table the Article which read- To see if the Town will vote that the Town of Bennington have one hundred percent (100%) property assessment.
- ARTICLE 32. By voice vote the Town unanimously voted to table the Article which read- To see if the Town will vote to hire a professional assessing firm to evaluate all property in the Town.
- ARTICLE 33. By voice vote the Town unanimously voted to have this article stricken stating that it was illegal as written. The responsibilities of the Selectmen are stated in State statues which cannot be overridden. The article read- To see if the Town will require town meeting approval or special Town meeting approval, in urgent cases, of all expenditures of one thousand dollars (\$1,000.00) or more, including lease/purchase arrangements of one thousand dollars (\$1,000.00) or more.
- ARTICLE 34. By voice vote, the Town unanimously voted to have this article stricken stating State law requires a Selectmen to sit on the Planning Board as ex-officio. The article read- To see if the Town will vote that anyone holding an elected or appointed office on any Town Board be restricted to serving on only one Board at a time.
- ARTICLE 35. By voice vote, the Town unanimously voted to have this article stricken stating that it was not a legal article- in that it was already addressed in ARTICLE 3. The article read; To see if the Town will vote that the Veteran's abatement be changed from \$50.00 (fifty dollars) to \$100.00 (one hundred dollars) per year.

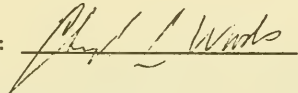

ARTICLE 36. By voice vote the Town unanimously voted to have this article stricken stating RSA 669:63 (the selectmen shall appoint persons to fill the remaining time in a vacancy of position- State law supersedes this article. The article read: To see if the Town will approve requiring that the Selectmen must appoint the runner-up from the most recent election in cases of a vacancy on the Board of Selectmen.

ARTICLE 37. By voice vote, the Town unanimously voted to designate and proclaim April 22,1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment".

ARTICLE 38. There were no reports of committees to act on.

In other Town business, a discussion was held on the feasibility of holding next year's Town meeting at the Antrim Middle School, if need be. By all present, it was felt to be an appropriate site.

Board of Selectmen  
Town of Bennington

Dear Members of the Board:

We expect to complete our audit of the Town's 1990 Financial Statements by February 22, 1991. Unless we encounter circumstances beyond our control the reports should be available in early March.

Very truly yours,

*Vachon, Clukay & Co., PC*

Board of Selectmen  
Town of Bennington, New Hampshire

We have compiled the financial statements of the Town of Bennington, New Hampshire for the year ended December 31, 1990 included in the accompanying Form MS-5, in accordance with standards established by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form MS-5, is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from generally accepted accounting principles. Accordingly, these financial statements are not designed for those who are not informed about such differences.

**GENERAL INSTRUCTIONS**

Three copies of this report are sent to each city. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When made out, one copy should be returned to the Department of Revenue Administration and one copy should be placed on file among the city records. The third copy is for use in preparing the annual printed report for the voters.

**WHEN TO FILE: (R.S.A. 21-J)**

1. For cities/towns reporting on a calendar year basis, this report must be filed on or before April 1, 1991.
2. For cities/towns reporting on an optional fiscal year basis (fiscal year ending June 30, 1991), this report must be filed on or before September 1, 1991.

**WHERE TO FILE**

Selectmen of Bennington

Date August 22, 1990

(Please Sign in Ink)

**REPORTS REQUIRED AND PENALTY.** RSA 21-J:34, as amended provides for certification of valuations, appropriations, estimated revenues and such other information as the Dept. of Revenue Administration may require upon blanks prescribed for that purpose. If the certifications are not made to the Dept. of Revenue Administration on or before September first, unless the time is extended by the Dept. of Revenue Administration, the town for which the selectmen act shall pay to the state for its use the sum of five dollars for each day's delay in making certifications. (RSA 21-J:36)

**PROPERTY TAX WARRANT.** RSA 76:11 as amended provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the Dept. of Revenue Administration. The collector shall within thirty days after receipt of the warrant from the selectmen send out the tax bills, unless for good cause the time is extended by the Dept. of Revenue Administration.

Return the completed Summary Inventory form, together with the Statement of Appropriations and Taxes Assessed, to the Dept. of Revenue Administration, P.O. Box 457, Concord, N.H. 03302-0457. Do not compute taxes until approval of the rate is received.

**PENALTY: FAILURE TO FILE BY SEPTEMBER 1, 1990 MAY RESULT IN \$5.00 PER DAY PENALTY FOR EACH DAY'S DELAY. (RSA 21-J:36)**

**NOTE: DO NOT FAIL TO COMPLETE INFORMATION ON PAGE 4 OF THIS REPORT.**

## CONVAL SCHOOL BOARD

A final report on the bond-supported Middle School Building program: both schools have been completed on schedule and significantly under budget! The latest accounting shows the total expended was 1 - 1/2 MILLION DOLLARS less than the total authorized by district voters two years ago! I hope you've had a chance to visit both schools. Students, teachers and administrators who use the facilities for meetings, sports, etc. agree both schools are great facilities which will serve the district for a long time to come.

Paying for them, of course, is not very pleasant regardless of the necessity of the construction work. Yet, I hope you will all remember the current fiscal year represents the stiffest bond payment. As the Board stated, annual payments will now steadily decrease. Next year the principal and interest payments will be \$300,000 less than this year. That equals approximately 2% of the Conval budget.

School districts across the country are facing severe budget cuts because of taxes generally unfair to both middle and lower income households, a situation compounded by the recession. Obviously, Conval has the same problem. Last year we had to cut hundreds of thousands of dollars, and must do so again this year to present a budget that has any chance of voter acceptance. Unfortunately, those cuts do not represent "fat". On the contrary, the quality of education has been very seriously impacted. As we approach the turn of the century in an increasingly complex world, one in which international competition is getting stronger and stronger, our children will not be well prepared for the demanding rigorous life ahead of them.

What are some solutions? The most popular local cry is "change the formula!" First, though, let's look at what happens if this occurs. Some feel a change in the formula would realize great savings. However, the figure is more like \$200,000 or \$2.40 per thousand on the tax rate, which translates into 3-4% less taxes. The real problem is New Hampshire's system of paying for education.

The ConVal School Board has inserted an article on the District Meeting warrant asking voters to adopt a resolution telling the state they support an income tax aimed at reducing the property tax. It's believed an income tax is fairer and easier to administer than a sales tax.

As I announced a year ago, I am not a candidate for reelection. My reasons have to do with the fact I have been overcommitted to various town related activities and need to cut back for both personal and business reasons. I have, however, greatly enjoyed the last three years. I will deeply miss being a member of the Conval Board. I thank you for giving me this opportunity.

Frank Cordelle  
Bennington Representative

WATER & SEWER DEPARTMENT

The year 1990 was no different from the previous years during which we have been privileged to serve you. We dealt with various leaks and equipment failures, all of which ran into expense. We did, therefore, completely exhaust our budget.

We spent the entire year obtaining and installing the equipment necessary for introducing the corrosion control chemicals into our water system and making the necessary modifications to the pump house. As of the preparation of this report, only the conversion from electric to gas heat and the purchase and installation of the control and alarm system remain to be done. The complete cost of getting the corrosion control system on line would now appear to exceed our \$10,000 estimate by approximately \$1,000.00. We have included that amount in our 1991 budget request.

Now that corrosion control is mandated for all municipal water systems, we find that suppliers of the chemicals have drastically increased their prices. Inasmuch as we still have no firm idea of the increase in labor needed to operate and monitor corrosion control, we must again estimate the total additional cost to the Bennington system of operating the corrosion control. Our estimate of that increase is \$15,000.00.

Due to normal wage increases for their employees and the always escalating cost of "fringe" benefits, the Antrim Commissioners felt it was necessary to increase the hourly fee charged us for the use of their employees on the Bennington system. We expect a further increase in 1991. We have, therefore, submitted a request for increases in our respective budgets as follows:

Sewer - from \$12,000 in 1990 to \$17,000 in 1991  
Water - from \$33,000 in 1990 to \$48,000 in 1991

During 1990 we again concentrated on the collection of overdue sewer and water rents. We feel the total amount due the Town, as printed, will attest to the success of our efforts. Our policy of treating all delinquents in the same manner when terminating water service when demand for payment was not met, drew some adverse publicity. We maintain that the majority of our customers, who pay their rents in a timely manner, suffer no inconveniences. We also remind all residents they are welcome to attend our monthly meetings if they have questions regarding our collection policies or about any other facet of the water and sewer system operations. These meetings are held at the Town Hall at 7:00 p.m. on the last Tuesday of each month. Appointments are preferred but are not mandatory. They enable us to schedule the agenda and avoid making residents wait to discuss their particular problem.

Roy Johnson  
John French  
Tim Hogue

G.E.P. DODGE LIBRARY

This was a year of growth for Bennington's Town Library. We had an increase of patrons registered, an increase of circulation and an increase of inter-library loans.

We have worked hard to satisfy all of our patrons' needs with limited resources, and feel we have been successful. Although we have not been able to meet everyone's desires, we have come very close and have had many of our deficits filled with generous donations of books, periodicals, newspapers and labor from faithful patrons.

One of Bennington's greatest assets are the many residents in town who generously donate their time and talents for the betterment of their community. This has been evident in the library in the form of volunteers for our Sunday hours, help at the book sale, fabulous quantities of baked goods at our bake sale, and gifts of new books, subscriptions and newspapers to the library. Our many volunteers have given us two extra open hours a week, providing residents with weekend hours.

A new phenomenon of our times is the commuters and their need for audio cassettes. These individuals have found that time passes quickly if they can listen to a good book on tape. This idea is not restricted to the commuter. Families on long car trips have found audio-cassettes soothing and helpful in quelling sibling squabbles, and patrons working on projects and crafts have found that the audio-cassettes are helpful in occupying their minds while their hands are busy. They have become so popular and requested with such frequency, the ones we have collected do not sit on the shelves for long. Our cassettes are varied: self-help, philosophy, old radio shows, mystery, suspense, classics, romance, poetry and foreign languages.

This coming year the library will be offering video cassettes as well. Through the Nubanusit Library Cooperative, small libraries in the area who otherwise could not afford to purchase video cassettes for their patrons, will have access to them.

To comply with State and Federal regulations, our Town Library has had to begin a move in the direction of providing handicap access to the stacks, and handicap accessible facilities. Our building is an attractive feature of our town, and we do not want to disturb its architectural continuity. For advice on how we could fulfill our obligation without serious costs, we consulted with the State Library. The State Librarian responsible for helping small libraries with limited funds and resources met with the Library Trustees and provided them with advice and guidance for financial aid, and procedures for acquiring that aid. At her recommendation we consulted with an architect whose work primarily has been in making libraries and other historic buildings fit gracefully into the twentieth century codes and requirements. Another of her recommendations was to have a State Fire Marshall check over our building and see if our proposals for the handicap ramp and parking areas were feasible and if our current fire alarm system and exits were up to code. We passed on all accounts.

One of the many duties of the State Library is to make sure that all the libraries are up to date and providing their patrons with the latest and best information possible. It is also expected that all libraries have safe and workable environments, currently trained librarians, and accurate shelving and cataloging. Recent visits by State Librarians have made us all proud.

This year we have not been able to have as many programs as desired. There have been fewer of them, but the programs we have had were of good quality, and were all well attended.

Fifty three students signed up and participated in our summer reading program, this year entitled CAMP LIBRARY. Campers read books and wrote book reports, then "climbed" a large diagram of a Totem Pole as a symbol of their accomplishments. Many of the campers made it to the top of the pole several times.

Every Monday from 9:30 to 10:00 a.m. there is a reading time for children ages five and under, and every Thursday at 4:00 p.m. children ages 7 to 11 have a reading time. The afternoon readings are from chapter books, and therefore require consistent attendance. Pierce School and Small Beginnings School attend reading hours throughout the week. It is rewarding to watch the students grow in their abilities and choose challenging and satisfying reading materials. After school many of them return to collect information for various school projects and reports.

We have been fortunate to have had, for two years, a Friends of the Library group. The group this year was chaired by Debi Belcher. The Friends group meets once a year in March, at which time programs are chosen and officers elected.

I want to extend a very special thank you to the following people. Without them the library would never be able to provide the services presently available to this community. Christine Tarrion, our assistant librarian and volunteer coordinator; Helena Ayers our substitute; Richard Elliot, our everything person; all of our various after school helpers, our generous group of Friends and volunteers, and last, but not least, our three Library Trustees; Elaine Barrett, David Glynn and Joseph MacGregor. Everyone of these people have been tireless and devoted to providing the absolute best of their talents and energies to the G.E.P. Dodge Library in Bennington, New Hampshire.

Leslie MacGregor, Librarian

HIGHWAY DEPARTMENT

This department has had a very challenging year. As you know, the Highway Department has assumed the physical operation of the landfill. I hope that you are satisfied with the improvements that have been made. Please feel free to call me and express your concerns, comments and suggestions. They are always welcome. We are striving to improve the operation there to make it as easy as we can for you people, the public.

The Highway Department has again this year worked more toward its goal of a complete maintenance program. Due to the town's economy, I have tried to think in terms of no Highway Capital Improvements. I feel that in time we can repair most of our deteriorated roads within the regular budget. It will take longer to accomplish, but for now it is the better way to go.

The one ton (small truck) was due to be replaced this year, but due to the concern of ever rising taxes, we are going to put off the replacement as long as it is economically feasible. To save as much money as possible, I have spent a great deal of time repairing and servicing the equipment myself and therefore have attempted to eliminate the cost of outside repair work.

We have come a long way this year and continue to work toward making the department as cost efficient as possible, now and for the future. Again, please do call me with your opinions.

Dale Quinn  
Road Agent

## POLICE DEPARTMENT REPORT

Our yearly report normally reflects programs and incidents throughout the period that effect the community and the Department.

While it would be tempting to address the disruptive action of a few residents throughout the year, their attempts...while obviously more publicized...do not really reflect an accurate picture of our community in 1990.

There were however, a number of changes or programs, instituted or continued, we hope will continue to enhance life in Bennington.

The D.A.R.E. program, planned in 1989, began in Pierce School this year under instructor Gary Gagnon of the Antrim Police Department. We had little doubt this excellent program concerning drug awareness would be well received, but even we were surprised with the enthusiasm and interest shown by the students. Specifically configured for each age group, the children became so involved in the program that, in many cases, it became a topic for discussion for them even at home.

Our Keene dispatch system, due to emergency power problems during storms and bad weather, moved its tower from the top of Crotched Mountain to the Monadnock Community Hospital in Peterboro. While this solved their problem, it created one for us. Suddenly, we lost the ability to communicate with dispatch in large areas of the community.

The solution...changing dispatch service to the Town of Hillsboro system...not only regained our ability to communicate from all areas of Town, but allowed the Department to implement Police Emergency 911 service to the community. No longer is it necessary to remember a long distance number in an emergency when the stress of the situation is an obvious factor. As an added bonus, utilizing a local dispatch service, eliminates the expense of a toll call for those who need information or non-emergency assistance.

As in previous years, the Department continues in its attempt to provide the best possible service to the community. It would be impossible for the officers of this Department to adequately thank those who have shown their support during this year. Please accept our simple "Thank You" and our assurance that each of us will continue to serve the community to the best of our ability.

D.E. Mancini

TOWN of BENNINGTON  
Fire Department

Proposed Amendments to the By-Laws of the Bennington Fire Department.

Section 1 Officers

- No.1: Delete:..."27 men"  
Insert:..."32 firefighter and rescue personnel..."
- No.2: Delete:..."The Chief shall be held..."  
Insert:..."The Chief and/or designated personnel shall be held..."
- No.3: Delete:..."The Chief shall be responsible..."  
Insert:..."The Chief and/or designated personnel shall be responsible..."
- No.4: Delete:..."The Chief shall see that..."  
Insert:..."The Chief and/or designated personnel shall see that..."

Section 2 Membership

- No.1: Delete:..."The membership of the Company shall consist of such persons as accepted by the members of the Company. All members must be residents of the town of Bennington and be at least 18 years of age."  
Insert:..."The membership of the Company shall consist of such persons as accepted by the members of the Company, and be at least 18 years of age..."
- No.2: Delete:..."upon the recommendation of the Chief and by a vote of the members..."  
Insert:..."upon the recommendation of the Chiefs and by a majority vote of the members..."
- No.3: Insert:..."A member may be allowed by a vote of membership and Chiefs to be designated rescue personnel only."
- No.4: Insert:..."All members shall attend all monthly meetings. Any member missing three consecutive meetings shall receive a department letter requesting a response. Member must respond on or before the next monthly meeting. If no response, member will receive a second letter requesting resignation and department equipment..."

Section 3 Equipment

- No.2: Delete:..."shall be made by the Chief and after approval by the Selectmen, shall be purchased in such a manner as may be designated by the Selectmen..."  
Insert:..."shall be made by the Chiefs and a committee consisting of membership and after approval by the Selectmen..."

- No.5: Delete:... "No apparatus shall be hired out or permitted to leave the Town..."  
Insert:... "No apparatus shall be hired out without permission from the Chiefs to leave the Town..."
- No.6: Insert:... "No apparatus shall be permitted to leave Town other than mutual aid calls without the consent from the Chiefs."

#### Section 4 Company Officers

- No.1: Delete:... "The company shall elect by written ballot a Captain, First Lieutenant, Second Lieutenant, and a Secretary-Treasurer at their April meeting..."  
Insert:... "The company shall elect by written ballot a Captain, First Lieutenant, Second Lieutenant, Secretary-Treasurer, Rescue Captain, and Training Officer at their April Meeting..."
- No.2: Delete:... "orders of his superior officers..."  
Insert:... "orders of his/her superior officers..."
- No.3: Delete:... "to make out pay sheets and pay the men..."  
Insert:... "to make out pay sheets and pay the membership..."
- No.4: Insert:... "The duties of the First Lieutenant are to replace the Captain in his/her absence."
- No.5: Insert:... "The duties of the Second Lieutenant are to replace the First Lieutenant in his/her absence."
- No.6: Insert:... "The duties of the Rescue Captain are to oversee all rescue operations with the consent of the Chiefs."
- No.7: Insert:... "The duties of the Training Officer are to oversee all departmental training with the consent of the Chiefs."

#### Section 5 General

- No.1: Delete:... "prescribed by the Chief and it shall be his duty..."  
Insert:... "prescribed by the Chiefs and it shall be his/her duty..."
- No.2: Delete:... "The wages to be paid the firemen..."  
Insert:... "The wages to be paid the membership..."
- No.3: Insert:... "General membership will be responsibility of the officer in charge."
- No.4: Insert:... "Drivers will be responsible for apparatus, tools, and equipment on the apparatus."

- No.5: Insert:..."A member requesting a leave of absence shall turn in all department property immediately upon request and will not participate in any department activities or business for the time requested. At the end of leave of absence, member will be fully reinstated as a firefighter. Member may request in writing or in person, to return before the end of leave of absence. This must be passed by vote of membership."
- No.6: Insert:..."Hall rental will be limited to 75 persons. Fees are as follows: no charge to members; nonmember firefighters, \$75.00 and general public, \$150.00 subject to the approval by Chiefs."
- No.7: Insert:..."All members shall be responsible for issued gear and equipment."

#### FIRE DEPARTMENT

The Bennington Fire Department responded to a total of 105 calls for the year - which included 49 rescue calls in town, 10 rescue calls in Antrim, 31 fire calls in town, and 15 calls for mutual aid.

The four thousand dollar appropriation provided protective gear for five firefighters and additional helmets to meet State requirements.

Training for the year has included Advanced First Aid Recertification for rescue squad members, Firefighter I Certification for two firefighters, and Breathing Apparatus Training for five firefighters.

The new bay addition has been completed. The upstairs was completed to include bathroom facilities and storage area. The entire interior received a new coat of paint. All labor and materials were donated. The members of the Fire Department would like to thank all who so generously donated to the building fund. It is through such generosity the Fire Department is able to properly maintain the fire station without any additional tax dollars.

The Fire Department would like to thank the community for its continued support.

Donald Taylor, Chief  
Larry Seneschal, First Asst.  
Bruce Hall, Second Asst.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

RECREATION COMMITTEE REPORT

Governor Gregg recognized two of our members this fall as Outstanding Citizens. Special congratulations to Scott Liljeberg and Tom Crowell, who deserve this honor.

The soccer program is back and thanks to the efforts of our coaches, Steve Osinski and staff, hopefully will operate like the baseball program.

Special thanks to Michelle Cote who has served as our Beach Life Guard for the past three years. We wish her success as she continues her post graduate college endeavors.

The Haunted Hayride was again a great success and we are proud that Bennington is among the few towns who provide such a "Chilling" event.

The Christmas program was held at Great Brook Gym in Antrim to accommodate newborn through fourth graders and families.

Recreation Committee

YOUTH FIELD

As many of you know, the Town of Bennington has been fortunate to have a tract of land donated for the purpose of creating a Youth Field. After the acceptance of this gift, the Town appropriated the sum of \$20,000.00 for improvements to this land. This money was spent for landscaping, fence and materials as listed below:

Altan Construction Company	\$6,424.00
Mann & Russell Plumbing/Heating	710.52
Cheshire Fence Company	9,848.00
Our Town Landscaping, Inc.	1,295.00
Peterborough Agway	237.83
John H. Lyman & Sons, Inc.	1,250.00

As a result of many volunteers donating endless hours of time, this land has been transformed into two playing fields for baseball, soccer, and many other youth activities.

Also, through generous donations from many area businesses, we were able to purchase playground equipment.

We would like to give a special thanks to those who donated their equipment and time to the construction of three buildings; from the concrete, building materials, to building the buildings, to the final step of the painting of the buildings,

The Youth Field Committee extends to thanks to the Recreation Committee and to all who have assisted us with this project.

In closing, we would like to express our sincere appreciation to Gladys Newhall who, through her generosity, has made the creation of this Youth Field possible.

Youth Field Committee

## PLANNING BOARD

The past year has been a relatively slow one for the Planning Board, at least in terms of processing subdivisions, site-plan reviews, etc. Obviously, this is a reflection of the recessed economy. It is, therefore, impossible to assess the impact of the growth management ordinance the town passed a year ago. Simply stated, it has long been realized that residential housing has a major impact on taxes. For example, a new "affordable" single family home might add \$2,500 to the tax rates. If a couple purchasing that house has even one school age child, the bill from Conval to educate that child will be approximately \$5,000.

It would be advantageous to attract clean industry to Bennington. The Board should investigate ways to attract new business to our town.

One area of significant progress in 1990 was to bring our gravel ordinance in line with new state statutes. We now provide the town with an increased measure of protection for our land in terms of erosion, water resource and wildlife habitat protection, and the preservation of the rural esthetic values throughout our town.

A future area of concern is protecting the town's water resources. Everyone needs to be concerned with the possibility of contamination to the town well and the aquifer recharge areas which serve to supply us with clean water. The Planning Board chose to look into the area of wetlands protection, since this can be accomplished without any significant expense to the town. There are benefits associated with wetlands: flood control, wildlife habitat, and the beauty of the land. Most of the research and drafting of the proposal has already been completed and will likely be presented to the town in a public hearing later in 1991.

The Planning Board has reduced its budget to approximately half of what it was last year. This is seen as an interim measure reflecting the current economy and the fact we do not anticipate any costly new projects in the coming year. It is anticipated some of the funds will have to be restored next year, as the economy improves.

Frank Cordelle, Chair  
Bennington Planning Board

## RECYCLING COMMITTEE

What a superb year. This past year recycling has proven to be one of our Town's greatest achievements. Of course it required hardwork, time, volunteer help and your support, but the earth certainly deserves it. How can you explain this success in recycling? Two Words- "People Care".

Over the past year the Antrim/Bennington recycling committee recognized this caring attitude toward recycling and put it into a positive direction. The following list represents some of the tasks we have accomplished on behalf of recycling:

1. Restructured our aluminum can recycling into a major recycling campaign.
2. Implemented a new tin can recycling program.
3. Implemented mandatory recycling on July 1, 1990 as a result of your vote on March 22, 1990.
4. Designed, built and erected recycling signs at the landfill with no cost to the Town.
5. Designed and printed a recycling pamphlet. This pamphlet contains information on how to recycle in the tri-town district. Again at no cost to the Town.
6. Implemented a yard waste composting program.
7. Helped plan and execute Earth Day 1990.
8. Worked with ConVal administration to encourage recycling programs in our local schools and to emphasize the use of recycled and reusable supplies.

However, of all these accomplishments, mandatory recycling was the most substantial contribution. Mandatory recycling includes recycling of all aluminum products, glass bottles and jars, wet cell batteries, white goods and appliances, cast iron metals, scrap metals, and rubber tires. Recycling of these goods not only saves valuable landfill space and heightens awareness of our environment but also generates revenue for our Towns. This revenue in turn offsets the high cost of operating a landfill. The results of our past year in recycling are as follows:

Aluminum cans - One of the most successful recycled goods to date, generated revenues of \$2,869.26, over 200,000 cans with an energy savings of 95%.

Aluminum Metals - These metals being a very recyclable commodity, we generated revenues of \$3,000.00 (8,000lbs.). Recycling aluminum metals saves 95% in air pollution and raw material exploitation.

Glass - Since the completion of our concrete bins in 1989 to increase our marketability of glass. We have realized a decent starting revenue of \$73.03 (21,400lbs.) of white glass. In environmental terms, we have saved 25-32% in energy to make new glass.

Newspaper - Last year we recycled 144,000 lbs. of newspaper. As a result, our towns saved 1200 trees from being needlessly destroyed.

Wet Cell Batteries - Surprising but true, we generated revenues of \$1,200.00, 250 batteries. Environmentally, we have saved 5,000 lbs. of poison from being dumped into our landfill.

Tin Cans - Although this program was started in the latter part of this year, we have had amazing response and expect to generate revenues beginning next year. Recycling tin cans will save 74% in energy conservation.

Tires - We recycled 10,000 tires last year, saving 75% in energy conservation.

White Goods and Scrap Metals - Steel is the most recycled item in the world. We contributed to this by recycling 348,000 lbs. of scrap metal which generated revenues of \$ 4,125.68. Recycling steel goods reduces water and air pollution by 70%.

An impressive list and we owe it all to your voluntary cooperation.

Goals for this year are similar in nature but with some additional programs. Our education and publicity campaigns will be further increased. We shall increase our voluntary recycling programs to include plastics. This spring a voluntary plastic recycling program shall begin and we know you will all participate. Prerecycling (the act of recycling waste before you buy) will be highly emphasized in the future through our education and publicity campaigns. And let's not forget Household Hazardous Waste Day. This vital program is the backbone of recycling. It ensures that poisons like pesticides, paints, asbestos and household batteries will never enter our landfill and pollute our ground water.

In March 1990, Elaine Barrett resigned after nine years of service and in May, Evelyn Perry resigned as chairperson and member of the committee after over ten years of service. Both women had been dedicated members and had succeeded in keeping recycling going at the landfill long before it was a popular concept.

In closing, we would like to thank all townspeople of Antrim and Bennington for participating in the recycling programs and hope you will continue to do so. Have another good year and keep recycling and prerecycling.

Kenneth Mazur

## ZONING ORDINANCE AMENDMENTS

Amendment #1: Amend the Bennington Zoning Ordinance Article XVI: 6. Frontage by replacing it with the following:

6. Frontage: the length of a lot bordering an approved public roadway. Where a lot borders on more than one public roadway, the frontage shall be on that roadway on which the lot has the greatest length.

Amendment #2: Amend the Bennington Zoning Ordinance Article XVI: 13. Set back, by replacing it with the following:

13. Front Setback: The distance from the right-of-way line of a street(s) and the front line of a building or any projection thereof.

Side Setback: The distance between the extreme edge of a building or any projection thereof and the side boundary lines.

Rear Setback: The distance between the extreme edge of a building or any projection thereof and the rear boundary line.

It is the intent of this ordinance that side and rear setbacks be treated equally. Furthermore, if a lot is not four-sided or is otherwise irregularly shaped in any way, all setbacks, exclusive of the front, shall be treated identically.

## ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment heard three (3) cases in 1990:

1. A Special Exception was granted for a professional office in the Rural/Agricultural Zone;
2. A request for a Variance was dismissed by the Board when the applicant found a solution to a setback problem by moving the location of a proposed residence on the same lot;
3. The final case was an application for several variances in order to construct a house on an undersized lot with several setback problems. After extensive hearings and evidence, the Board denied the request for a Variance. The applicant has since appealed the Board's decision to the Hillsborough County Superior Court.

I would like to personally thank all of the regular Board members and the alternate members for their unselfish public service.

John J. Cronin, III, Chairman

## CONSERVATION COMMISSION

The Bennington Conservation Commission enjoyed an active year with several highlights including:

Earth Day 1990 was recognized by Pierce School students who wrote essays, made posters and a large banner which hung over the front door. Roadside trash cleanup, working together with the Girl Scouts, was delivered to the landfill where there was a presentation on recycling. Finally, we participated in regional household hazardous waste collection days on April 28th and May 12th.

We sponsored a local student to the N.H. Youth Conservation Camp for a week in June. Maive Nevins won a contest on "conservation concerns of Bennington" with an outstanding essay. She spent a week at the youth camp in Windsor with programs in forestry, wildlife, water, soils and recreation. We were very proud to have Maive representing our town.

We completed a preliminary Bennington Conservation Plan on water resources including wetlands, forestry, agriculture, wildlife, scenic, historical and recreational areas. We have also started working on a Natural Resource Inventory along with detailed maps.

On an administrative basis we have been involved with several local wetlands projects with concerns for dredge and fill in conformance with N.H. Wetlands Board regulations.

We are very pleased Bruce Edes has joined our committee as he contributes a great deal of knowledge, experience and good judgment.

Finally, we would like to encourage everyone in our town to participate in conserving, protecting and managing Bennington's natural and historic resources. Our quality of life and enjoyment of our beautiful town and region are important to all. Please join us at our monthly meetings, usually the second Wednesday of the month, or contact any of the members to share ideas and suggestions.

Dennis McKenney  
Terry Schnare

REPORT OF THE  
BENNINGTON-ANTRIM-FRANCESTOWN  
SOLID WASTE DISTRICT

Many towns and cities in New Hampshire will be faced with closing their unlined landfills in the 1990s. Bennington will be one of them. In 1990, the Selectmen were told by the Department of Environmental Services that closure of the Bennington Landfill must begin immediately. In an effort to meet the State's request and allow for time to raise sufficient funds, Bennington negotiated a three-year plan to complete this project.

What this plan means to the towns of Bennington, Antrim, and Frankestown is that sufficient money beginning in 1991 needs to be set aside by each Town to meet the joint obligation of paying for the closure construction in 1993. In addition, plans for a new solid waste disposal alternative must be chosen and implemented by the fall of 1992 when the gates of the landfill will be closed.

Last year, the Solid Waste District appointed a seven member task force to research what disposal alternatives are available to the District. The task force identified three options: a lined landfill, an incinerator, and a transfer station, all of which would have an active mandatory recycling program. Their findings are as follows:

1. A lined landfill has several more disadvantages than advantages due to the lack of long-term data on risks and quality control. The costs for capital outlay for a 6 acre facility (max. capacity-66,000 tons/20 yrs.) would be \$897,854 and have an annual operating budget of \$293,928 or \$124.63/ton.
2. An incinerator, similar to the size of the Town of Wilton's small incinerator, would cost \$580,000 for capital outlay and \$182,000 per year to run.
3. A transfer station, for just Bennington and Antrim, would cost \$109,200 to install and \$70,000 to operate annually. Tipping and trucking fees, based on estimate of 1564 tons of waste/year, could run more than \$85,000 for the first year.

Based on their report, the Town of Bennington sees the transfer station option as the primary alternative at this present time due to costs. If the District decides to move ahead with this project, plans and permits must be obtained by January 1992. Construction would then commence after the 1992 Town meetings in order to have the station ready to accept waste when the gates close by the fall of 1992. Many questions and issues still remain to be answered this coming year.

Our recycling program met with great success in 1990 with the removal of over 274 tons of recyclable materials that generated over \$7600 in revenue. This was done due to the hard work of the Landfill employees and members of the Recycling Committee who are very dedicated to this effort. As more residents become dedicated to this effort, a tremendous savings will be seen once we begin hauling our waste to another disposal site.

Respectfully Submitted,  
Lorraine A. Mazur  
Administrative Assistant

#### HEALTH & WELFARE DEPARTMENT

The year 1990 was busy and expensive. Rent and fuel accounted for most of the general assistance expended. Many of the recipients have been hit with job layoffs. Some, but not all, are eligible for unemployment benefits. For those that are eligible, there is a six to eight week wait for the first check.

The fuel assistance program has been very helpful. However, the government was late releasing funds in 1990 and those eligible had to come to the Town for aid in October and November. Rents are inflated and some landlords don't seem to be screening tenants' ability to pay.

We are mandated by State statutes to provide food, shelter and utilities to those unable to pay for same. Therefore, I must ask for a substantial increase in the Health & Welfare budget for 1991.

The Health Department has been fairly quiet and cost us very little. North Bennington does have a few septic problems that are in the process of being resolved by property owners.

Barbara Huntley  
Overseer of Public Welfare/  
Health Officer

BENNINGTON HISTORICAL SOCIETY  
The Town - 1990

The year 1990 was a difficult one for Bennington, the State, and the Nation. As we came to the end of 1990, the possibility of war in the Near East appeared to be more and more certain.

In Bennington, and in the State, it was a year of recession aggravated by the collapse of the real estate boom of the mid-1980's and, for Bennington, the bankruptcy of the Crotched Mountain Ski Area. The combination of the large increase in school costs allocated to the town, the loss of taxable property because of the bankruptcy of the ski area, and the "freeze" on the asset value of some of the uncollected prior years' taxes while the ski area was in bankruptcy, resulted in a 26% increase in the 1990 tax rate. This obviously makes for a very heavy burden for many townspeople and is the cause of great concern.

These concerns caused the Selectmen to schedule a series of open hearings in December and into early 1991 on the real estate tax problems, the need for professional revaluation of the town, the problems of the police department, the expected landfill closing costs, and the 1991 budget. Very obviously the town faces some extremely difficult fiscal problems, as do many towns in New Hampshire.

The 1990 census data is now available and it confirms the exceptionally large growth of population which we have all seen happening. The population count was 1,236 which, incidentally, was the State Planning Office's projection for the year 2000.

For the one hundred years from 1850 to 1950 the population increased from 541 to 593; in 1970, the census was 639 and, in 1980 it was 890. So - in the past twenty years the Town's population has practically doubled and, in the last ten years, has increased 39%, with all the problems that go with it.

When 1989 closed, it appeared Bennington would have a new Post Office at the junction of Routes 31 and 202, but the negotiations between the landowner and the Postal Service fell through and the project was shelved. From there on, the postal situation deteriorated quickly.

It was a sad day, historically speaking, when the postal authorities, with less than 24 hours notice to the townspeople, deemed it necessary to transfer our mail service to Antrim. Although we enjoy many joint projects and services with the Town of Antrim, the loss of our post office, we view, as the loss of our community's identity. However, we will look forward to the future, and 1995 when we are slated to once again negotiate with the postal authorities for a new post office to be built on a convenient, mutually agreed upon, site.

Meanwhile, we are pleased to learn that a contract for a transfer station has been awarded the Bennington Country Store owned by Terry & Aileen Schnare, and others will enjoy the country pleasure of rural delivery - to our knowledge, the first time in Bennington's history.

Other and happier changes occurred in the Town during the year. Gladys Newhall generously donated a tract of land to the town to be used as a ballfield and during the year it was prepared for that purpose. Bennington's "Field of Dreams" will commemorate the Newhall family name for years to come. Very appropriately, the Bennington Little League team continued their winning ways by again capturing the Crotched Mountain Little League Championship.

The firemen added a bay to the fire station for their additional equipment without cost to the Town. The Antrim Middle School expansion was completed.

After a record cold winter of 1989-90 and a wet mild summer, the year closed on a long and very mild fall with no snow to amount to anything before December 31st.

#### -THE HISTORICAL SOCIETY-

Our Bennington Historical Society newsletter to all Bennington taxpayers was extremely well received, with many favorable comments on the work we've accomplished over the past six years, as well as adding thirty new members to our ranks. It seems that many people, even though they no longer live in Bennington, still have strong ties with the community and like to receive "hometown" news. So, we plan to send another newsletter next summer to try and keep the momentum rolling through our Sesquicentennial Celebration in the summer of 1992! We are confident that all organizations and townspeople will join forces to make this an event that will go down in history.

In conjunction with our 150th Anniversary, the Society commissioned local artisan, Chris Salmon-Baker, and Society member, David Sysyn, to design and produce Commemorate Paperweights in cobalt blue, depicting Bennington's historic railroad bridge spanning the Contoocook River. These are available at the Library, or through a Society member.

This year's fund raisers included a Country Ham & Bean Supper and Mini-Auction in August; in September David Glynn hosted an open house tour to celebrate the 200th Anniversary of his 1790 Cape Cod home, and our Annual Fall Foliage Turkey Dinner in October.

The Society continues to make progress in accumulating funds for the project of a small building to house historical artifacts. As of the year end in 1990, the Society has \$17,000 set aside for this project. We appreciate the support of the community and we will continue to strive toward its completion.

This past year the Society held several especially interesting programs. We were fortunate to have Eric Tenney of Antrim speak on his research of the Civil War and the part our men from Bennington and Antrim played in the war. Fritz Wetherbee of Peterborough entertained us with stories he developed for New Hampshire Crossroads on Channel 11 television. John Scott of Peterborough related some of his experiences as host of the Yankee Traveler segment of the evening news on WBZ-TV Channel 4, and showed tapes of some of his programs.

William L. Taylor, Professor of History at Plymouth State College, gave a talk on "The Tie That Binds" -- A History of Railroads in New Hampshire. Mr. Taylor was delighted to discover that he was speaking in Bennington's former railroad station, which is now our V.F.W. Hall.

Mr. Allen V. Koop with the Department of History at Colby-Sawyer College and author of the book entitled Stark Decency spoke on Stark, New Hampshire's German Prisoner of War Camp during World War II.

Most meetings are held at the V.F.W. Hall, and the public is always welcome to join us.

Over the years, we have been proud to establish an Honorary Member Group. Recognized for their efforts and to make Bennington a better place to live, they include: Georgietta Bryer, Ruth Cody, Erving LeCain and Margaret Sawyer. This year Gladys Newhall was voted to the ranks of Honorary Lifetime Member and recognized for her many lifetime accomplishments and her commitment to volunteer work in the Town of Bennington. Her gift of land to the Town for a ballfield will be her special memorial.

Join us in working for a better Bennington.

Bennington Historical Society

#### Pierce School PTO

It has been a memorable year for Pierce School. The Dare Program was instituted and special thanks is extended to Sgt. Gary Gagnon of the Antrim Police Department and the Bennington Police Department for their time and efforts.

In June we held a special celebration to honor Mrs. Young, who retired after many years of teaching. The students and PTO presented her with a framed sketch of Pierce School, a tackle box and best wishes for a very happy retirement.

During the rest of the year we supported bike riding for fun and pledges, watched as the playground equipment was enjoyed, baked many cakes and breads and decorated the fire station for our annual Christmas Buffet.

We thank those who continue to support the PTO and the students of Pierce School.

Sharon Hall, Pres.

BROWN & KNIGHT V.F.W.

Thank you, once again Bennington for your continued support in helping to make it possible for the VFW to hold Memorial Day services.

With the participation of the Conval High School band, the Pierce School and our local Boy & Girl Scouts, we were able to observe the holiday as we are all accustomed.

We must inform you, however, we must set aside tradition and change our observance from May 30th to the Federal Holiday date.

The money you gave us this past year was used in the following manner:

Flag & Grave Markers	\$265.40
Band & Buglers	175.00
Wreaths	60.00
Lunch & Refreshments for Participants	81.70
	-----
Total	\$582.10

As you may have noticed, we are no longer leaving the grave flags out during the winter. By the time we replaced them in the spring, we found that many of them were in very bad shape or had fallen from their staffs. We felt this was rather disrespectful to the flag so we have decided to take them down in the fall and replace them in time for Memorial Day.

Your support has been greatly appreciated by all.

Peter Martel  
VFW Post 8268

CAPITAL IMPROVEMENTS COMMITTEE REPORT

A number of changes to the Town's Capital Improvements Plan were proposed at this year's annual CIP Committee meeting. For the next five years, (1991-1995) the committee and Selectmen have reduced the program down to include a police cruiser, one-ton highway truck, dump truck, and a replacement box for the Rescue truck. The Road Improvement Program will not begin until 1993.

The Landfill Closure and construction of a new transfer station are the primary capital projects facing the Town for the next three years. The Committee is recommending a contribution of \$40,000 in 1991 and 1992.

The Selectmen will be proposing a smaller contribution of \$25,000 to the Capital Improvement Fund that will meet anticipated expenditures in 1992. After 1992, efforts must begin to build the fund in order to meet needs in 1993-1995.

TOWN OF BENNINGTON  
CAPITAL IMPROVEMENT PROGRAM  
PROJECTED EXPENDITURES  
1991-1995

<u>Dept &amp; Item</u>	<u>1991</u>	<u>1992</u>	<u>1993</u>	<u>1994</u>	<u>1995</u>	<u>Dept. Total</u>
<u>Police</u>						
Cruiser		15,000			15,000	30,000
<u>Fire</u>			10,000			10,000
Rescue Box						
<u>Highway</u>						
Road						
Improvement		30,000	30,000	30,000	30,000	
One Ton						
Dump truck				60,000		
<u>Landfill</u>						
Preclosure	20,000					180,000
Transfer Station		20,000				
Final Closure			100,000			140,000
Total Annual						
CIP Expenditure	20,000	65,000	140,000	90,000	45,000	360,000

Capital Reserve Fund - Projected 1995 Balance:

Estimated CIP & Landfill Capital Reserve Fund Balances 12-31-90	90,000
Add annual contributions for five years:	
Landfill at 40,000/year (2 years)	80,000
Roads/Police/Fire at 25,000/year 1991-1992	50,000

## BENNINGTON'S FIRST EAGLE SCOUT

Frank Taylor, a member of Antrim Troop 2, earned Boy Scout's highest rank - Eagle Scout. Less than two percent of all Boy Scouts in the USA earn this award. Frank is the first Scout from Bennington to earn the right to be called an Eagle. This honor was bestowed upon him May 13, 1990.

His scouting career began as a Cub at the age of 8. He went on to become a Webelo, and to earn Cub Scout's highest honor - Arrow of Light. He became a Boy Scout in June of 1983. He was voted into the Order of the Arrow by his fellow Scouts and has held various leadership positions. He earned 26 merit badges and attended summer camp each year since becoming a scout. Much of the money was earned through the annual hike-a-thon, where Frank raised the most money at district level five times.

He has been a member of the "top six" Scouts each year since he joined; has been on a 50-mile hike every year since 1984, and, as a requirement for the Four Thousand Footer Club, has climbed all but six of the 48 listed 4,000-foot peaks in the White Mountains.

Frank's Eagle service project, was to conceive, plan, execute, and provide the leadership to both scouts and adults, for the revitalization of the Bennington Trail ascending Crotched Mountain.

He continues to be active in scouting as an Assistant Scout Master for Antrim Troop 2.
