## Red Cross Secretary's Report

---

### American Red Cross—Center Harbor Branch

Mrs. Bertrice Obert was elected Chairman of the Center Harbor Red Cross at our Annual Meeting in June replacing Mr. Richard Caldwell who resigned as Chairman after serving two years.

The Water Safety Program was not concluded due to unfortunate circumstances but it is hoped that this problem may be overcome before another summer.

Center Harbor has been a branch of the Meredith Red Cross for a great many years, however, Mr. H. F. Ashley, our Area Representative, has informed us that the Meredith Chapter is now a branch of the Laconia Red Cross thus making Center Harbor also a branch of the Laconia Red Cross.

The Red Cross Equipment — 2 beds, 2 wheel chairs, walker and crutches have been in use during the past year and is always available to any one needing it.

The Annual Meeting of the Center Harbor Red Cross is held the last Monday in June at the Nichols Memorial Library at 7:30 P. M. Everyone is welcome.

Respectfully submitted,

CARRIE H. KELLEY

Secretary

# Forest Fire Warden's Report

## PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farm, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control—pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

## 1962 Fire Record

In 1962 we had 1 fire.  
We burned  $\frac{1}{4}$  acres.  
Permits issued.
