ANNUAL REPORTS 1982

DANVILLE, NEW HAMPSHIRE

The Rock Rimmon Fire Tower, featured on front cover, was erected in 1928 in Danville. Located at 42 55 43 latitude, 71 05 43 longitude, and 350 feet ground elevation, the tower stands 56 feet high.

Watchmen who have manned the Tower include George E. Shaw, 1928-31 and 1933-41; H. Henry Knowles, 1932; A. A. Hathaway, 1942-47; and John A. Burnett, 1948.

Closed by the State of New Hampshire in the fall of 1981, the Tower is currently leased to the Town of Danville, operated by the non-profit Rock Rimmon Fire Watch Association, and manned by volunteer fire control personnel from towns in the view area of the Tower.

CLYDE

In appreciation for almost thirty years service to the Town of Danville's Police Department, we would like to dedicate the 1982 Town Report to our Police Chief -- Clyde E. Goldthwaite.

Elected as a Police Officer in March of 1953, and as Police Chief in 1967, Clyde will have completed 30 years in the Department this coming March.

What can we say about this super person who always seems to have the "other person's" best interest at heart? Guess we just can't say anything else, but that Clyde is a good friend indeed --- and these days a good friend is hard to find!

PAUL COLLINS
Bldg. Insp.

A total of \$1,288.30 was collected by Paul for the above building permits. The Building Inspector and his assistant had agreed to accept only \$100.00 each for their work during the year, and therefore we would like to thank Paul for this generous donation of over \$1,000.00 to the general fund.

At the same time, we would like to thank Paul for the repair work done, at great savings to the Town, on the Town Hall roof.

And, again this year, we would like to express our appreciation to all the members of the Danville Baptist Church for their most generous donation of \$1,200.00 to the General Fund.

PLANNING BOARD

Planning Board members during 1982 considered several subdivisions brought before them. Two were approved, one was denied and referred to the Board of Adjustment. Members also referred a request of a zoning change to that Board, which subsequently was approved.

Seven zoning ordinance articles were placed on the 1982 Town Warrant which were approved by a vote of the townspeople. The Board enacted a gravel regulation this year, putting the Town in line with the State requirements regarding gravel excavation sites.

Recodification of the Zoning Ordinance took a great deal of time and work by each Board member and other Town Officials. The newly-proposed ordinance will be available for the townspeople's consideration, and will be voted upon at the Annual Town Meeting.

The recodification process was necessary to strengthen and clarify the present ordinance so that problems the Town has previously faced, hopefully, will not re-occur.

All Planning Board meetings are open to the public, and participation and input of residents is most welcome.

FOREST FIRE WARDEN AND FOREST RANGER REPORT

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N. H. Division of Forest and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

COLBY MEMORIAL LIBRARY 382-6733

We are pleased that many newcomers have registered for cards this year. The second grade visited in what we hope will become an annual event.

There have been many changes within the State Library system this year. With the removal of the District Office to Concord, the bookmobile service was replaced by a less frequent van delivery. As a result we have made greater use of Inter-library loan within the Merri-Hill-Rock Co-operative to secure items for our patrons which we do not own. Area Forums were established within the Library De-

velopment Program to promote greater cooperation among public, school and institutional libraries.

Preschool Story Hours were presented twice a month by Sharon Lobley and Brenda Bean. Several mothers helped with craft workshops.

We wish to thank the small but dedicated group of Friends who have volunteered Saturday hours during the school year and helped the librarian with many and sundry tasks. The proceeds of their annual Christmas Sale were used to purchase a filmstrip and slide projector. New members are always welcome to the meetings at 9 am on the first Wednesday of each month.

HOURS: Mon. and Tues. 3:30-8:30 pm, Wed. 9am-Noon, Thurs. 6:30-8:30 pm, Sat. 10am-Noon.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc. is a non-profit community health service that provides health care to individuals and families in their home, in the office, or in clinics. One of its most important functions is PREVENTATIVE MEDICINE. Its services are offered to promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is governed by a Board of Directors made up of people appointed by the Selectmen in each town.

The areas of services provided are home care, maternal and child health, adult health screening, and flu clinics. There is no charge for the services of the Well Child Clinic, the Blood Pressure Clinic, or the Flu Clinic.

This year the town population increased sufficiently to require two representatives to the Board. Cliff Brown has filled the second position. Information may be obtained by calling the Exeter Area Visiting Nurse Association Monday through Friday, 8:00 a.m. to 4:00 p.m. Please feel free to call your town representatives in the evening.

DANVILLE POLICE DEPARTMENT

ROBERT A. SEARS

Memories

A memorial usually begins with such statements as a loving husband, a devoted father and a good citizen - and Robert A. Sears, "Bob" was certainly all of these, but I want to write some memories from my association with him in the Danville Police Department.

Thirty years ago-1953-Bob and I were elected to serve on the Police Department for the first time. Bob served as Chief, and for the next 11 years we served together along with various others.

Bob was a strict but fair person and a firm warning from him was enough in most cases. He kept informed of all phases of law enforcement and conducted thorough investigations of any incident. In those early years, to receive a "talking to" from Chief Sears was very embarrassing. To go to Plaistow Court was worse. A youth, suspected of being involved in vandalism was questioned, did not consider lying to a policeman, and if involved, was taken to his parents where he would nearly always receive severe punishment.

Paper work was not a big requirement, such as it is now, so close communication was necessary and the Chief was responsible for having the knowledge and information necessary to carry on the department. Each officer worked closely with him.

Bob held regular target practice sessions so any officer would be fully able to handle his gun should it be necessary.

In 1953 the total budget was \$100 for the year and by 1960 had increased to \$300., but this had to cover any supplies needed as well as pay for officers. Much of our time was donated and Bob never complained, but was happy to give the community any time he felt necessary.

In those days much was left to the judgement of the police officer. As Chief, Bob had to have the ability to make the right decision on how to handle all problems.

My memories of working with him over the years are many, and I'll always be grateful for the opportunity to have served so long with Chief Robert A. Sears.

POLICE DEPARTMENT REPORT - 1982

This year, as in every year, the calls this department has handled have been many and varied with a number of these related to dogs and other animals.

A police department is a law enforcement agency and enforcing the law is the business of the department. However, we feel it better to devote time to preventing crime or other problems. This has been our aim during recent years and we are most thankful for the cooperation of our citizens. Our budget does not allow for full time patrol, so we rely on calls reporting any suspicious activity as well as devoted officers who are ever watchful as they go about town on their personal business. This is the same as free patrol time.

Last year we reported the names of five of us, on our department, who had received State Certification. This year we are pleased to report three more officers who have received their certification -----Bruce Antognoni, Bradford Greeley and Richard O'Brien. We are fortunate to have these qualified officers on our department. However, our true assets are only those officers with other qualifications and in a "call" department such as ours, those who freely make themselves available to respond to a call at any time.

Our department has made every effort to provide the best possible protection for the people and property of the Town of Danville, for the least

possible cost, and we want to thank all our citizens who have been so helpful and understanding during the past year.

RECREATION COMMISSION

The Recreation Commission sponsored a Heart Beat Bounce, in which a number of young people bounced basketballs as long as they could, or up to one hour.

This year Mr. Donald Woodworth, teacher at the Timberlane Jr. High School, was our summer Director with Jane Chase and Hydie and Tami Gersbach assisting him. The Cart & Crafts, games and sports were held at the Elementary School on Tuesdays. Every Wednesday was field trip day. The trips were as follows: Odiorne State Park in Rye; Pawtuckaway State Park, Kingston State Park; a hike to rock-rimmon Tower; and a Rope Course in Peabody, Mass. Thursday was tennis and fun day. This year there were 80 children in the summer program.

We co-sponsored a bus trip to the Exeter Haunted House for older children for Hallowe'en.

A Fun Horse Show was held in November, and we hope to make this an annual event.

ANOTHER THANK-YOU

In December the Town of Danville was presented with a Minolta "101" copier through the generosity of Bill Bartlett of the Bartlett Insurance Agency, Inc., Kingston.

We would like to express our thanks to Bill for thinking of us, and we are certainly grateful for this donation.
