SELECTMEN'S REPORT

This has been a dramatic year for Henniker's selectmen. Spring brought a 100-year flood, summer the tearing-up of Main St., autumn a startling proposal to locate a commercial landfill in the northwest corner of the town. There were other challenges, none simple.

The flood in April showed us why our lower river lands are technically a flood plain and how things look when the Hopkinton Dam reservoir really fills up. Our bridges held, but the Ramsdell Rd. bridge approaches and structure were damaged so badly that the bridge was closed. Voters will decide at Town Meeting if repairs should be made and what load weight should be provided for.

Reconstruction of the central stretch of Main St. was completed as part of the Community Development Block Grant. Storm drains were re-laid, paving was replaced entirely, new sidewalks and granite curbing were added. Utility poles were removed from the south side and streetlights of modified Victorian design were installed. Steps now lead from the street level down through graded terraces to a paved and lighted parking lot on the riverfront. Together with the town and our public works staff, local businesses and New England College have contributed time, energy, enthusiasm, and funds to this impressive project. Final landscaping will be completed in the spring, with grass, shrubs, several trees, railings, park benches and trash containers. The town is grateful for the initiative of the Henniker Civic Association in getting all this started three years ago.

Revaluation of taxable real estate, under way for the past two years, was finally completed in late fall. The second 1987 tax bills were adjusted for the new assessment figures. The valuation of the town as a whole quadrupled, rising from \$36,314,741 to \$147,692,106, as of April 1, 1987. However, we were recently amazed to learn that the state now considers our equalized valuation percentage figure to be only 93% rather than 100%.

Trash in several forms has occupied our attention. (This will continue until some revolutionary circumstance changes utterly the way our society gets rid of our garbage.) Scrap metal at the landfill was separated, baled, and sold in a cooperative arrangement with other towns. A contract was signed with an engineering firm to recommend a site and to design the transfer station we will need in 1989 when the cooperative trash-to-energy incinerator now under construction in Penacook starts operation. Rules for the landfill were updated after a study of regulations in neighboring towns. Plans for final closure of our landfill must be made, together with future arrangements for the stump dump, demolition debris, tires, and sludge. We cooperated with other towns on a regional hazardous waste collection day, which we hope will become an annual event.

A comprehensive zoning revision was enacted by a special town-wide ballot vote in June, as was an interim growth ordinance limiting the scope of subdivision proposals for the following twelve months. Committees have been working with consultants to update and complete the town's master plan and to prepare for a capital improvements plan. Both of these must be in place as a basis for any future growth regulation proposals.

The town's professional staff was enhanced by the appointment of a public works director to oversee operation of the highway and sewer departments

and the landfill, and to advise on long-range planning for equipment, road improvement, transfer station, insurance and liability concerns, and other technical management. The police department has two more officers.

A major value of the capital improvements plan will be its focus on scheduling major town expenditures over a sequence of years, in the same way the town has funded our recent five-year road improvement plan. A new road plan should be developed for the next five years, with the difference that this should be based on a study and order of priority for gravel roads as well as paved roads. Further, all such plans should be adjusted annually to anticipate realistically each of the five years to follow.

Certain immediate problems need early scheduling in long-range capital planning: transfer station, landfill closure, new quarters for police or fire department or both, sewage treatment plant expansion for sludge, more town hall office and storage space.

Specific plans should be made in 1988 to relocate the fire department on a site and in a building where all equipment can be kept under cover, squad cars can be parked safely during a fire emergency, and where access to local streets can be quick and safe. Comparable plans should be made for the police department. The sewage treatment plant will need an addition to house new equipment for sludge de-watering.

Likewise, offices and administrative spaces in the town hall are severely cramped. Assuming that the district court will continue to share the building, we recommend that designs and cost estimates for converting the second floor be prepared in 1988 for 1989 Town Meeting vote and construction.

The proposal by Vincent Barletta, Henniker Environmental Associates, to construct a large commercial landfill in Henniker will be the subject of a zoning ballot sometime in 1988. The decision by the voters will influence all our planning projections and cannot be anticipated as this report is written. The town has employed professional legal counsel and engineering consultants (at HEA's expense) to evaluate this proposal and to advise us all regarding short-term and long-term consequences of such an installation, information essential to an informed vote.

Though not in the jurisdiction of the selectmen, we recognize the opening of the John Stark High School last September to be a major event in the town's history. We compliment the John Stark building committee, school board, staff, teachers, students, and the voters of both Weare and Henniker on a bright beginning.

Henniker Board of Selectmen*

STATE OF NEW HAMPSHIRE

TOWN WARRANT 1988

TOWN OF HENNIKER

To the inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (LS)

You are hereby notified to meet at Cogswell Memorial School Auditorium in Henniker on Tuesday the eighth of March, next, at ten of the clock in the morning to act upon the following:

1. To choose all necessary Town Officers for the Ensuring Year.

THE POLLS WILL BE OPEN FROM 10:00 AM to 7:00 PM FOR VOTING
TOWN MEETING WILL CONVENE AT 8:00 PM

You are hereby notified to meet at Cogswell Memorial School Auditorium in said Henniker on Tuesday, the eighth day of March, following voting for Town and School officers to act upon the following:

2. To see if the Town will vote to raise and appropriate the sum of eight hundred thousand dollars (\$800,000) for the purchase of land, site development, construction, and original equipping of a new Police/Fire/Rescue Building, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than eight hundred thousand dollars (\$800,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; or to take any other action in relation thereto. ($\frac{2}{3}$ ballot vote required.)

3. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds, and other Committees.

4. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

6. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

7. To see what sum of money the Town will vote to raise and appropriate for the salary and expenses of a part-time code enforcement officer to assist with the enforcement of existing zoning ordinances and other regulations, and to implement the BOCA or other building code if and when adopted by future vote of the Town.

8. To see what sum of money the Town will vote to raise and appropriate for the repair of highways and bridges and repair or purchase of machinery.

9. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Sanitary Landfill.

10. To see what sum of money the Town will vote to raise and appropriate for the Rescue Squad.

11. To see what sum of money the Town will vote to raise and appropriate for the Tucker Free Library.

12. To see what sum of money the Town will vote to raise and appropriate to support the Henniker Athletic and Recreation Programs.

13. To see what sum of money the Town will vote to raise and appropriate to support White Birch Community Center in administering the Henniker Youth Services and Senior Citizen programs.

14. To see what sum of money the Town will vote to raise and appropriate for 1988 road improvement projects.

15. To see what sum of money the Town will vote to raise and appropriate for a new police cruiser.

16. To see what sum of money the Town will vote to raise and appropriate for the purchase of a new highway truck.

17. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose in the amount of the balance of such fund, including both principal and interest, or take any other action thereon:

Appropriation:	Highway Truck	Amount: \$61,000.00
----------------	---------------	---------------------

18. To see what sum of money the Town will vote to raise and appropriate to rehabilitate Bridge #095/100 on Western Avenue over the Contoocook River.

19. To see what sum of money the Town will vote to raise and appropriate for repairs and renovations to the Tucker Free Library building.

20. To see what sum of money the Town will vote to raise and appropriate to contribute to a local or regional Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides and the like.

21. To see what sum of money the Town will vote to raise and appropriate for preparations of designs and specifications for renovations of the Town Hall.

22. To see what sum of money the Town will vote to raise and appropriate for converting the existing inefficient street lights in the town to the new high pressure sodium (or equivalent) lighting fixtures.

23. To see what sum of money the Town will vote to raise and appropriate for the reconstruction and repair of the approaches and structure of the Ramsdell Road bridge over the Contoocook River.

24. To see what sum of money the Town will vote to raise and appropriate for the purchase and installation of chain link fence and the regrading of the outfield at the Town Hall athletic baseball field. (By request).

25. To see what sum of money the Town will vote to raise and appropriate for the care and maintenance of the Henniker cemeteries. (By request).

26. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of an ambulance for the Rescue Squad, and to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in this fund.

27. To see if the Town will vote to repeal the vote under Article 14 of the 1946 Town Meeting Warrant, whereby forty percent (40%) of the income from the Straw Fund was annually set aside to be used for emergency purposes or added to the principal until needed. The effect of a vote to repeal would be that the entire annual income would become available to the Town as revenue to offset taxes, as was anticipated by the original Straw bequest in 1935.

28. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a fire truck, and further to deposit the balance and the entire accumulated interest of the 40% Straw Fund in said Fire Truck Capital Reserve Fund.

29. To see if the Town will vote to appropriate the sum of seven thousand dollars (\$7000) from the accumulated income of the John Proctor and Proctor Family Fund for the purpose of replacing the street lights and standards on the Edna Dean Proctor stone bridge.

30. To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for the purchase, installation, and housing of belt press de-watering equipment at the Charles E. Damour Water Pollution Control Facility, said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than one hundred thousand dollars (\$100,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Selectmen to collect thirty percent (30%) of the combined amount of principal and interest expenses from annual sewer assessments. ($\frac{2}{3}$ ballot vote required.)

31. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of Cogswell Spring Water Works. This sum is to be funded by water assessments.

32. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of the Wastewater Treatment Plan (the Charles E. Damour Water Pollution Control Facility). This sum is to be funded by sewer assessments.

33. To see if the Town will vote under the authority of RSA 31:39 to adopt the Town of Henniker Landfill Regulations as revised and recommended by the Health Officer and the Board of Selectmen as of Dec. 8, 1987.

34. To see if the Town will vote, pursuant to RSA 674:5, to authorize the Planning Board to prepare, and from time to time amend, a recommended program of municipal capital improvements projected over a period of at least six years, which may include any current and future capital projects. The sole purpose and effect of the capital improvements program shall be to advise and aid the Board of Selectmen and the voters of the Town in their preparation and consideration of annual budgets.

35. To see if the Town, in accordance with RSA 674:43, having adopted a town-wide zoning ordinance in 1986, will authorize the Planning Board, which first adopted subdivision regulations in 1970, to review and approve or disapprove site plans for the development of tracts, or the change or expansion of use of tracts, for non-residential uses or for multi-family dwelling units, which are defined as any structures containing more than two dwelling units, whether or not such development includes a subdivision or resubdivision of the site. This resolution shall take effect upon passage and the Town Clerk shall file a certificate of notice with the Merrimack County Register of Deeds showing that the Planning Board has been so authorized, and the date of approval by the Town of the authorization.

36. To see if the Town will authorize the Selectmen to establish a Conservation Fund as provided in RSA 36-A:5, and further to accept private donations of land, interest in land, or money to be deposited into the Conservation Fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land, and other costs associated therewith for permanent conservation use under the NH Land Conservation Investment Program (LCIP), RSA 221-A, or other state and federal programs; furthermore, to authorize the Selectmen to apply for and accept LCIP state matching funds for the purposes of acquiring the fee or lesser interest in conservation land. Said donated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Board of Selectmen.

37. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

38. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the state, federal or another governmental unit or private source which becomes available during the fiscal year, in accordance with the procedures set forth in RSA 31:95-b.

39. To see if the Town will vote to authorize the Selectmen to accept a conveyance of the easements relating to the Downtown Beautification Project, or to take any other action in respect thereto.

40. To see if the Town will authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale. The Selectmen shall consult with and receive the agreement of the Planning Board and Conservation Commission before selling any piece of land.

41. To see if the Town will vote to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. (By petition.)

42. To see if the Town will reject the concept of a large commercial dump proposed by Henniker Environmental Associates of Boston and to be located off Route 114 near the Bradford town line, because of possible damage to the environment and the nuisance of heavy truck traffic. (By petition.)

43. To transact any other business that may properly come before this meeting.

Given under our hands and seal this 22nd day of February in the year of our Lord, Nineteen Hundred and Eighty-Eight.

A true record of all amounts of money raised and/or appropriated at Town Meeting, March 10, 1987.

*Attest: Janet Murdough
Henniker Town Clerk*

**RECORD OF AFFIRMATIVE VOTES
AT ANNUAL TOWN MEETING 1987
MARCH 10, 1987**

Article 2: VOTED, that the Town accept the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees subject to the usual and customary audits, with the following corrections:

Page 23: (Schedule of Town Property) Schools, Lands and Buildings, Equipment should read: \$549,000.00. All Lands and Buildings acquired through Tax Collector's deeds: this figure is the total of all the lots \$17,590.00.

Page 28: (Town Treasurer's Report) Received from Selectmen: Police Dept. share of debt: \$2,315.00.

Page 30: (Invested Funds) Federal Entitlements: \$38,083.00.

Page 15: Item 46. Municipal Sewer Department is Article 21 in Warrant and the third column (for 1987) should read \$130,855.00. Item 47 is Article 20 in the Warrant. Item 48, Insurance, is included in Article 3 in the Warrant.

Page 59: Under number 1, this action was taken on March 10, 1987. The Meeting is on March 18, 1987.

Article 3: VOTED, that the Town raise and appropriate the sum of three hundred thirty-three thousand eight hundred forty dollars and no cents (\$333,840.00) to defray Town Charges for the ensuing year, divided as follows:

Town Officers Salaries	\$32,107.00
Town Office Expenses	82,493.00
Elections & Registrations	2,000.00
General Government Buildings	19,920.00
Reappraisal of Property	9,000.00
Planning & Zoning	13,700.00
Legal Expenses	12,500.00
Advertising & Regional Association	755.00
Property Tax Map	1,860.00
Community Action Program	2,728.00
Hydrant Rental	2,000.00
Civil Defense	500.00
Communications	20,876.00
Street Lighting	13,000.00
Sidewalk Maintenance	4,000.00
Visiting Nurse Association	4,500.00
Animal Control	2,000.00
General Assistance	17,250.00
Old Age Assistance	3,750.00
Patriotic Purposes	950.00
Conservation Commission	500.00
Interest on Tax Anticipation Notes	9,000.00
Band Concerts	1,200.00
Insurance	77,251.00

and that the Town Officers be paid at the following rates: Ballot Clerks, Fence Viewers, Health Officer, Selectmen, Supervisors of the Checklist, Surveyors of Wood and Lumber, and Moderator at \$4.00 per hour; Treasurer at \$1,500.00 per year; Tax Collector, Sewer and Water Assessments Collector at an annual salary of \$12,000.00 and Town Clerk at \$3,225.00 per year; and

that the funds appropriated for the Henniker Athletic & Recreational Programs be earmarked for the support of summer swimming, Peewee League Baseball and other Henniker Children's Town Teams and that payments be made through the Selectmen of Henniker and by the Town Treasurer.

Article 4: VOTED, that the Town adopt for the Henniker Police full time employees the State Law Enforcement Labor Grade Schedules with the placement of officers as follows:

Henniker Department Chief	= Trooper Sgt.	= Grade 21
Full Time/Officer	= State Trooper	= Grade 17
Full Time Trainee	= Trooper Trainee	= Grade 13

Article 5: VOTED, that the Town raise and appropriate the sum of one hundred seventy-seven thousand two hundred dollars and no cents (\$177,200.00) for the maintenance of the Police Department.

Article 6: VOTED, that the Town raise and appropriate the sum of twenty-eight thousand dollars and no cents (\$28,000.00) for the maintenance of the Fire Department.

Article 7: VOTED, that the Town raise and appropriate the sum of two hundred twenty-two thousand three hundred forty-two dollars and no cents (\$222,342.00) for the repair of highways and bridges and repair or purchase of machinery; that seventy-two thousand one hundred seventeen dollars and no cents (\$72,117.00) come from the Highway Block Grant and that one hundred fifty thousand two hundred twenty-five dollars and no cents (\$150,225.00) be for Highway Expenses.

Article 8: VOTED, that the Town raise and appropriate the sum of seventy-six thousand four hundred dollars and no cents (\$76,400.00) for the maintenance of the Sanitary Landfill.

Article 9: VOTED, that the Town raise and appropriate the sum of thirteen thousand nine hundred and fifty dollars and no cents (\$13,950.00) for the Rescue Squad.

Article 10: VOTED, that the Town raise and appropriate the sum of ten thousand dollars and no cents (\$10,000.00) for the support of the Tucker Free Library.

Article 11: VOTED, that the Town raise and appropriate the sum of eleven thousand two hundred dollars and no cents (\$11,200.00) to support the Henniker Athletic and Recreation Programs.

Article 12: VOTED, that the Town raise and appropriate the sum of two thousand five hundred dollars and no cents (\$2,500.00) to support the White Birch Community Center in administering the Henniker Youth Services and Senior Citizen Programs.

Article 13: VOTED, that the Town raise and appropriate the sum of one hundred eighteen thousand dollars and no cents (\$118,000.00) for the fifth phase of a five-year Road Improvement Project.

Article 14: VOTED, that the Town authorize the Selectmen to withdraw twenty-five thousand dollars and no cents (\$25,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the fifth phase of the Road Improvement Project.

Article 15: VOTED, that the Town raise and appropriate the sum of twelve thousand four hundred dollars and no cents (\$12,400.00) for the purchase of a new Police Cruiser.

Article 16: VOTED, that the Town authorize the Selectmen to withdraw twelve thousand four hundred dollars and no cents (\$12,400.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for purchase of a new police cruiser.

Article 17: VOTED, that the Town raise and appropriate the sum of ten thousand dollars (\$10,000.00) for repairs and renovations to the Tucker Free Library building.

Article 18: VOTED, that the Town raise and appropriate the sum of fifteen thousand dollars and no cents (\$15,000.00) for the purpose of hiring professional planning consultants to review and revise the Town's land use regulations and ordinances.

Article 19: VOTED, that the Town raise and appropriate the sum of two thousand dollars and no cents (\$2,000.00) to contribute to a local or regional Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides and the like.

Article 20: VOTED, that the Town raise and appropriate the sum of fifty-five thousand two hundred dollars and no cents (\$55,200.00) for the operating expenses of Cogswell Spring Water Works. This sum is to be funded by water assessments.

Article 21: VOTED, that the Town raise and appropriate the sum of one hundred thirty thousand eight hundred fifty-five dollars and no cents (\$130,855.00) for the operating expenses of the Wastewater Treatment Plant. This sum to be funded by sewer assessments.

Article 22: VOTED, that the Town instruct its representatives to the General Court to take all necessary measures to ensure that no low level radioactive waste from the Seabrook nuclear plant, or, as amended, any other, shall be stored or disposed of within the Town of Henniker unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

Article 23: VOTED, that the Town authorize the Selectmen to borrow money in anticipation of taxes.

Article 24: VOTED, that the Town authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

Article 25: VOTED, that the Town authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale. The Selectmen to consult with and receive the agreement of the Planning Board and Conservation Committee before selling any piece of land.

Article 26: VOTED, that the Town authorize the Selectmen to accept a street to be known as Shore Drive when the street meets Town specifications.

Article 27: VOTED, that the Town authorize the Selectmen to accept a street to be known as Checkerberry Lane when the street meets Town specifications.

Article 28: VOTED, to reject that the Town authorize the Selectmen to sell and convey by deed at Public Auction or by sealed bid the title to the George Naughton Land, Lot Number 483.

Article 29: VICTOR KJELLMAN: Felt that the Planning Board needs help: site review committee; Selectmen must have more follow-up out in the field.

SPENCER BENNETT: MOVED, that the Town indicate a consensus, if any, on the following questions:

1. Are we interested in limiting growth through a Capital Improvement Program? VOTE: Yes, unanimous.
2. What part should new Condos play in Henniker? SMALL
3. Is Henniker interested in improving our Zoning Ordinance? VOTE: Yes, unanimous.
4. Does Henniker feel that growth has impacted the traffic in the Proctor Square intersection? VOTE: Yes.
5. Are the Henniker taxpayers interested in attracting quality businesses to Henniker? VOTE: Yes.

NANCY FOLEY-SIPPEL: VOTED, that the Selectmen continue long range planning for road improvement in the Town of Henniker. They should undertake another, as amended, multi-year plan for road improvement.

JUDITH NORTHUP-BENNETT: Inquired where we were in our swimming program.

CHARLES SULLIVAN: Brought up the subject of a moratorium— Moderator stated it couldn't be done at this meeting now.

VICTOR KJELLMAN: Brought up the subject of a Hydroelectric power plant on the Contoocook River.

THE FOLLOWING QUESTION APPEARED ON THE MARCH 10, 1987 BALLOT. IT PASSED BY A VOTE OF 181 YES 55 NO.

Are you in favor of the adoption of the amendment to the existing Zoning Ordinance as proposed by the Planning Board? (The amendment would delete the present Article X and replace it with a new article providing for the appointment of alternate members to the Zoning Board of Adjustment, the appeal procedure of the Board, and criteria for special exceptions.)

A true copy attest:

*Janet Murdough, Town Clerk
Henniker, New Hampshire*

TRUSTEES OF THE TUCKER FREE LIBRARY — 1987

It may come as a shock to our patrons who consider Tucker Free Library as one of the best town libraries of our size (which it is) to learn that we are not quite keeping up with state standards in a couple of areas.

This situation has come about gradually in the last few years, partly because of the increase in the cost of expenses and also because of increases in patronage and library services. Basically the library has attempted to maintain an operation more than twice as large as before without spending much more money. We need to expand our hours which means more staff. We also need to increase our book budget.

One result of this policy was neglect of the building itself because of insufficient money to maintain it properly. Last year the Town funded a program to solve this problem. We have established a long range program for building maintenance. This year we had a new roof put on and some much-needed painting and window work done.

The Town of Henniker and its people have always given enthusiastic support to its Library, so we feel it is up to us to explain what we need and why.

A library good enough for Henniker needs:

- A good building, which we have, one in which the town can take pride. Before long it will be as handsome as it was when new,
- A skilled and dedicated staff, which we have,
- Sufficient operating expenses to run the operation properly, and meet state standards for the number of hours open per week,
- A book budget large enough to meet the needs of the increasing number of people of all ages who depend on us for this service.

The Trustees would like to take this opportunity to offer thanks for all that individuals and groups are doing for the library. Without their generosity we would be much farther behind than we are.

Respectfully Submitted,
The Trustees of Tucker Free Library

IN MEMORIAM
NORMA CURRIER
1912 - 1987

The trustees, staff, and patrons of the Tucker Free Library all felt a deep sense of loss at the death last summer of our splendid volunteer, Norma Currier. We appreciated Norma for all the things she did for the library and for the wonderful person that she was. We will miss her.

TUCKER FREE LIBRARY ANNUAL REPORT 1987

At a time when many institutions are bemoaning the fact that they are losing readers, usage of the Tucker Free Library continues to grow. It is especially encouraging to note that in this world, where books compete with videos and television, many of our newest patrons are young children. Hopefully, they are beginning a reading habit that will endure for a lifetime.

Throughout the year numerous programs were presented including films, author book talks and poetry discussions. The childrens' summer programs were very well attended. The two story hour groups had an enrollment of 103 children. 78 youngsters participated in the two reading programs and read a total of 963 books. The library staff was gratified to see such enthusiasm.

This year saw the beginning of our long range library capital improvement plan. With the \$10,000 the town appropriated for the purpose, the roof was completely resingled, extensive interior painting was done, broken windows were replaced and electrical problems were resolved. Our childrens room was completely redecorated with volunteer labor and money was donated toward the cost of carpeting the stack room and office. We are delighted with the improved appearance of these areas and are eager to continue the program of repair and renovation to one of the most beautiful buildings in the town.

The Friends of the Tucker Free Library worked diligently to raise money during Old Home Days and at their annual sale in October. Besides providing the financial backing for the childrens' summer programs, they also managed, after many years of saving, to purchase a new movie projector for the library. We appreciate their continuous support.

The library continues to benefit from its long established trust funds including the town trust funds, Willis Cogswell Trust, Francis L. Childs Trust and the James W. Doon Memorial. The recently established Marjorie B. Bennett Fund received a generous contribution and this coming year the library will begin making book purchases with which to establish an important collection in her memory. The Sanborn Conner Brown Fund also was the recipient of a generous donation which allowed us to continue improving the reference section. This fund has been instrumental in establishing an adequate number of reference sources for the library. The Scott J. Berry Memorial allowed us to expand our collection of art, woodwork and motor repair books.

In the course of the year, the library received several "in memoriam" books, gifts which we are always honored to receive.

The Tucker Free Library would like to publicly acknowledge with gratitude the support, gifts and help which we constantly receive from the community.

Special thanks go to the Henniker Fire Department, Rescue Squad, Police Department and New England College Radio Station who all participated in events and donated the proceeds to the library.

Respectfully submitted,

Peggy Ward

ANIMAL CONTROL

At this time I would like to thank the Police Dept. for their support and encouragement since I was appointed Animal Control Officer in September of 1987.

I have had many inquiries as to the (Leash Law). In the town of Henniker we have a DOG CONTROL LAW which states;

It shall be unlawful for any dog to RUN AT LARGE except when ACCOMPANIED by the owner, when used for hunting, herding or supervised competitions.

ACCOMPANIED: means that the owner MUST be able to see or hear where the dog is hunting or herding.

AT LARGE: means off the owners premises and not under the control of the owner.

This law is for the safety of both your children and your animals. I have the majority of my calls concerning large dogs chasing small children while walking down so called quiet neighborhoods.

Thankfully we have not had any serious injuries.

I am here to help. If any questions or complaints please call:

Diane E. Earnshaw
464-3624

if no answer call Henniker Police.

**1987 SUMMARY OF SERVICES
 PROVIDED TO HENNIKER RESIDENTS
 BY THE KEARSARGE VALLEY AREA CENTER
 BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM**

<u>Services</u>	<u>Units of Service</u>	<u># Of Households/Persons</u>	<u>Value</u>
CONGREGATE MEALS — All senior citizens are welcome to our congregate meal site for nutritious hot meals, social/recreational activities, and field trips. Value — \$4.13 per meal.	178 meals	11 people	\$ 735.14
MEALS-ON-WHEELS — Provides the delivery of nutritionally balanced hot meals to elderly home-bound residents five days a week. Value — \$4.24 per meal.	929 meals	8 people	3,938.96
SENIOR COMPANION PROGRAM — Provides friendly visiting and respite services for homebound elderly. Income eligible seniors (60+) serve as companions. Value to companions include mileage, weekly stipend (\$3.48 per unit). Value to visitees is compared to similar private services (\$4.50 per unit/hour).	Volunteers: 960 hours Visitees 651 hours	1 person 7 people	3,340.80 2,929.50
FUEL ASSISTANCE — Income-eligible households, particularly the elderly, are assisted with energy costs during the heating season. The average assistance per household is \$499.68.	38 households	38 households	18,987.65
WEATHERIZATION — Improves the energy efficiency of income eligible households through the application of caulking, weatherstripping, insulation and roof	4 households	4 households	2,562.26 (materials)

and furnace repair/replacement. Value includes materials and labor costs. \$801.44 average support costs.

PERSONAL EMERGENCY RESPONSE SYSTEM — Provides automated emergency response equipment to income eligible elderly, disabled and medically at-risk individuals who are physically or socially isolated. Value based on cost for similar private service. \$20.00 per month.

WOMEN, INFANTS AND CHILDREN — Provides for specific foods to supplement the daily diet of pregnant or nursing women as well as children under 5. Participants receive medical and nutritional screening, counseling and education. Value includes monetary value of vouchers and clinical services. \$31.00 per unit.

RURAL TRANSPORTATION — Provides regularly scheduled transportation to and from towns in Belknap and Merrimack Counties to medical and professional facilities, shopping centers and congregate meal sites. Value — \$2.43 per ride.

USDA COMMODITY FOODS — Distribution of Federal Surplus Foods to income eligible people through scheduled mass distributions.

Value of Cheese — \$6.63/5 lb. block
 Value of Butter — \$1.44/1 lb. block
 Value of Dry Milk — \$3.83/4 lb. box
 Value of Rice — \$.29/2 lb. bag
 Value of Corn Meal — \$.57/5 lb. bag
 Value of Flour — \$.55/5 lb. bag

TOTAL:		<u>\$53,389.98</u>

CENTRAL NEW HAMPSHIRE, REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission (CNHRPC) is an association of municipalities in central New Hampshire. Eighteen municipalities are within Merrimack County and two are within Hillsborough County. Merrimack County and twelve towns are currently member of the Commission.

The purpose of a regional planning commission is to prepare a coordinated plan for the development of a region. RSA 36:45-53 lays out the purpose, formation, powers and duties, organization, finances, and relationship with communities of a regional planning commission. RPC's are an extension of local government, are operated by member municipalities, and are advisory to them.

Reactivated in 1986, the CNHRPC has offices at the Merrimack County Nursing Home. An Executive Director, two planners and a secretary-bookkeeper are currently employed by the Commission. The staff provides support and technical assistance to the Commission and member communities.

Recent and current projects include the regional transportation plan, regional septage action plan and regional housing and community development plan. The Commission is also producing models and outlines for zoning ordinances, subdivision regulations, site plan review regulations, capital improvements plans, and master plans.

Local projects include four master plans, subdivision and site regulation and zoning ordinance revision, grant writing, graphics and mapping assistance, subdivision and site plan review, development impact analysis, water resource management and protection planning, capital improvements planning, and circuit rider planner assistance.

In the year ending November 30, 1987, CNHRPC activities in the town of Henniker included:

- assistance in updating the master plan, revising the land use regulations, and producing a capital improvements plan
- beginning a project to assist Henniker in developing a Water Resource Management and Protection Plan
- reviewing and commenting on proposed revisions to the zoning ordinance
- attendance at a joint meeting of the Planning Board and Board of Selectmen to discuss a variety of planning and zoning issues.

Bill Klubben, Executive Director

COMMUNITY BAND

The Community Band continues to bring pleasure to old and young alike. The summer 1987 concerts continued to draw a large audience consisting of town people, visitors, summer people, and participants of the New England College Elderhostel program. The children were very visible as they marched to the music, helped the conductor to conduct, and frolicked on the green.

The town appropriated \$1,500 for eight concerts given during June, July, and August. There were usually 25-30 band members participating in the concerts.

Our thanks to all who helped to make the 1987 season so successful.

Angela Robinson
Music Director of the
Community Band

1987 ANNUAL REPORT OF THE CONCORD REGIONAL SOLID WASTE / RESOURCE RECOVERY COOPERATIVE

The past year was a hectic and progressive one for the Concord Regional Solid Waste/Resource Recovery Cooperative (CRSW/RRC) as the project to construct a waste-to-energy incinerator to serve the 27 communities in the Cooperative made significant progress.

Early in the year, the \$48-million financing package for the construction of the state-of-the-art facility was completed and secured after lengthy discussions and negotiations with bond counsels, financial advisers, industry officials, community leaders, legal counsel, state officials and others.

With the financing in hand, Wheelabrator Environmental Systems began construction of the incinerator facility on the 23.8 acre site in Penacook in August 1987. At the present time it is anticipated the facility will be operational by late summer of 1989.

The Cooperative also decided, after three years of operations, to hire a full-time project director to monitor the construction of the facility, to coordinate location and permitting of an ash disposal landfill, handle administrative responsibilities and accounting and to serve as a day-to-day contact for member communities, state and federal agencies and other interested parties. After a multi-state search for a project director, the Cooperative hired Ronald H. Ford of Concord, former Director of Public Works for the City of Concord.

At the present time the CRSW/RRC is joining with Wheelabrator Environmental Systems and the New Hampshire/Vermont Solid Waste District to contract the University of New Hampshire to conduct a scientific study of the affect of leacheate from landfills. The results of this study will help our Cooperative to better plan its ash disposal landfill for the protection of our residents in the generations to come.

While 1987 was a busy year for the Cooperative, 1988 promises to be even busier as the Cooperative prepares to continue its efforts to insure the facility is constructed in a timely manner and our member communities are prepared to begin delivering their solid waste to the facility for incineration.

Together, we have all come along way in addressing a critical problem facing the State as a whole and our communities specifically. Continued cooperation and hard work by our member communities will enable us to bring this project to fruition and successful operation.

Henniker's representitives to the Cooperative are:

Lois Brown, Joint Board Member
George Sanborn, Alternate

Respectfully submitted:

William G. Herman, Chairman

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Henniker: Home Care, Hospice, and Health Promotion.

Home Care Services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and paraprofessional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice Services provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical and emotional needs.

Health Promotion Services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health services are provided at congregate housing sites. Professional and paraprofessional hourly home services are provided on a private fee-for-service basis. Emphasis is on promoting healthy children, families, and individuals through early intervention and health teaching.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Henniker may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to the Concord Regional Visiting Nurse Association (224-4093) between the hours of 8:00am-7:00pm seven days a week is all that is necessary to start services or make inquiries. Hospice staff is on call (224-4093) 7:00 pm-8:00am.

Federal regulations specify that a charge is applicable to all visits. Fees are scaled for a person without a health plan who is unable to pay the full charge. However, for fee scaling, federal regulations require that a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or for which no fee is collectible.

This Agency is certified as a Medicare/Medicaid Provider, is licensed by the State of NH, and is a member agency of the United Way of Merrimack County.

Total visits made during the year October 1, 1986 through September 30, 1987:

	No. of Clients	Visits
Home Care	75	683
Health Promotion	11	20

Six Blood Pressure Clinics and six Senior Health Clinics were held.

CONSERVATION COMMISSION

The Henniker Conservation Commission has made excellent progress in 1987 towards drafting a wetlands ordinance for the town. Thanks to the diligent efforts of Commissioner Bill Hall and work contributed by non-member volunteer Mike French our soils map is near completion. The Commission is beginning to draft the wording of the ordinance this month.

I would like to welcome new Commissioners Craig Blouin and Zoe French to our group and am glad they are willing to contribute their time and knowledge to our efforts.

During the coming year we look forward to the completion and town approval of an ever-so-important wetlands ordinance as well as new projects to protect and enhance our Town's natural resources.

I want to thank Commissioners Ralph Luce, Julia Houk, Bill Hall, Zoe French and Craig Blouin for all their work this past year.

Pattianne Fuchs
Chairman
Henniker Conservation Commission

REPORT ON DOWNTOWN HENNIKER REVITALIZATION PROJECT

November 24, 1987 marked the culmination of a two year effort in Henniker to revitalize and beautify the downtown business district. With the ribbon-cutting ceremony that evening, to officially turn on the new street lamps — all contributed by individuals and local businesses — the first phase of the project was completed.

Through the efforts of the Henniker Civic Association, a \$300,000 Community Development Block Grant was awarded to the Town of Henniker in the fall of 1986. Matched with town and private funds, donations of local materials and equipment, property easements, and labor from local business people, we were able to accomplish the following: installation of a new storm sewer system, widening of Main Street, new sidewalks with brick and granite curbs, enlargement of riverfront parking and walkway area, off-street truck loading area, establishment of common accessway between Main Street and the riverfront, relocation and burial of overhead utility lines, and installation of new 19th century-style street lamps. Additional fund-raising efforts by New England College students resulted in the installation of park benches throughout the improved area and money for additional landscaping and planting of trees in the spring of 1988.

The Henniker Civic Association believes that this type of effort on behalf of the town is without precedent. Although we were given money from the state government and some from the town this project could not have been successfully completed without the generosity, understanding, cooperation, consultation and sacrifice of many people and businesses.

We hope to have your continued support for future projects for the betterment of the Town of Henniker.

Respectfully:

Henniker Civic Association

HENNIKER FIRE DEPARTMENT

The Henniker Fire Department responded to 129 calls in 1987. These calls were as follows: 21 chimney fires, 20 false alarms, 20 mutual aid calls from other towns, 19 automobile accidents, 7 structure fires, 6 fires at the landfill, 5 calls for wires down, 3 automobile fires, 3 gas problems, 2 brush fires, 1 bomb threat, 22 other calls. This year for the third year in a row the Henniker Fire Department had the fastest response time of any of the 18 fire departments in the Capital Area Mutual Aid Compact. The average response time of 1.9 minutes is a record that the thirty-five officers and fire fighters are very proud of.

This fall, the department completed and placed in service a new tank truck. The members of the department volunteered time and talent to refurbish and rebuild the old highway truck into a fine piece of fire fighting apparatus.

Respectfully submitted.

Ben Ayer, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call you Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact you Board of Selectmen for timber tax forms.

Forest Fire Statistics — 1987

Number Fires Statewide			403
Acres Burned Statewide			189
Cost of Suppression			\$44,682
District Fires	10 Acres Burned	No. of Fires	38
Henniker	0 Acres Burned	No. of Fires	0

OLD HOME DAYS

Because planning for the 1987 Old Home Days began so late, we had no marching band for the Parade. But, with considerable effort by some key people, Old Home Days 1987 was a success. Reports of earnings from non-profit groups were very good. The Henniker Rotary Club is the overseeing agent and it guarantees financing for Old Home Days. Fortunately the Rotary raised enough to cover expenses so we have a small surplus to start next year. In addition to the Rotary, I thank the following: Carol Crocker, Ron Tanenbaum, Kleo Grattam, Judith Davidson, Margaret Henning, Carolyn West, Jocilyn Sanders, the Henniker Road Crew, Police Chief Tom Hassler, Robert Douglas, and special thanks to New England College and Eliza Leadbeater.

There should be a permanent Old Home Days Committee with members serving 2 years only; the first year to work and the second year to advise. The committee should hold its first meeting immediately following Old Home Days to choose a chairman. This committee should consist of at least one representative from each of the non-profit groups that plan to participate. A band should be engaged in January of the following year and meetings for planning should start no later than March of that same year.

John Echternach
Chairman of
Old Home Days 1987

PLANNING BOARD

ANNUAL REPORT FOR THE YEAR 1987

If 1986 proved to be the year of great awakening for the Planning Board, then 1987 was the year for action. Growth was here. The first steps to handle the growth were already laid out. Now it was time to meet the challenge.

The Planning Board, the townspeople, an army of dedicated volunteers, town officials and staff, professional consultants, all would be called upon. The problems brought on by growth were complex and sophisticated ones. The days of simplicity were passed. Working things out among neighbors gave way to applicants represented by counsel. The Planning Board responded.

Strictly scheduled hearings, accepting only complete applications, efficient filing procedures, as well as more time dedicated for planning were needed. A part-time secretary was hired. Planning Board raised its fees from \$15 to \$150 for an application with an additional \$50 per lot created in a subdivision. Consultants with legal and professional expertise were hired to review town regulations and ordinances once written by ourselves for ourselves.

March saw the passage of two zoning amendments providing the Zoning Board of Adjustment with the power to appoint alternates, and establishing a set of comprehensive standards for Special Exception cases. The Board accepted a draft of major revisions to the Town's zoning ordinance from the Zoning Revision Committee. After professional review the Zoning Amendment was presented the people of Henniker at public hearings, revised with their input, put to a vote at Special Town Meeting in June and overwhelmingly endorsed.

The Board continued to move ahead. Time was needed to review and update the Master Plan. Land use regulations that would come under scrutiny needed review and revision. Time was needed. At that same Special Town Meeting in June, the people of Henniker voted in an Interim Growth Ordinance that would limit all subdivisions to a four lot maximum. Dwelling units allowed on a single lot were limited to four. The limitation would last one year. To start its action of review and revision, the Flood Plain Ordinance was updated by amendment at this same meeting.

The Central New Hampshire Regional Commission was chosen to review the current Master Plan. Further they were hired to update the Master Plan, review other land use regulations, and provide for permanent growth control. The effort required community input and relied heavily on volunteer effort. Henniker responded. The Land Use Committee examined every parcel, recorded its use, and cross checked them by lot number and tax record, producing a detailed map and inventory. The Goals and Objective Committee developed a survey to be filled in by every Henniker citizen and land owner. The large number of responses were painstakingly tabulated, analyzed and included in the resulting statement of Henniker's goals and objectives. The Facilities Committee gathered data important for developing a Capital Improvements Plan.

The Planning Board used its work sessions to make some revisions to the Subdivision Regulations, examine a comprehensive report on gravel excavation sites and their compliance with our regulations, and to discuss future land uses. With the time allowed by the Interim Growth Ordinance just

about used up, the Planning Board has many issues to face. Henniker needs some permanent method to control growth. The work on the Master Plan Update must be completed. The vast effects of gravel excavations need to be managed. Cluster Housing policies and regulations need be established. And most importantly, the rural character of Henniker must be preserved.

The following subdivisions were approved:

Marilyn & John Savage	2 lots	Lot 705	College Hill Rd.
Timber Ridge (Phase 3,4,5)	35 lots	Lot 554	Old W. Hopkinton Rd.
Walter Meade	2 lots	Lot 151	Western Ave.
TARA Land Associates	7 lots	Lot 359K	Old Hillsboro Rd.
Anderson & Neuwirth	2 lots	Lot 559B1	
Plummer Hill Acres	4 lots	Lot 611B	College Hill Rd.

The following boundary line adjustments were approved:

Robert French	Lot 295	French Rd.
Laurette & Robert Roy	Lot 154K	Juniper Ridge

Mobile Home applications conditionally approved:

Eural & Martha Bickford

Michael A. Sklader, Secretary

HENNIKER RESCUE SQUAD 1987 ANNUAL REPORT

The Henniker Rescue Squad responded to 210 emergency calls in 1987 as a team of trained volunteers, dedicated to providing quality emergency medical care to the citizens of Henniker.

The emergency calls involved responding to meet the emergency needs of others at hours that sacrifice sleep, enjoyment of personal time for family and friends, as well as their own paychecks by responding when others are working. These sacrifices are endured because the members realize the value and need for an enthusiastic and trained team to respond to the emergency needs of the town.

There are the rewards, however, of knowing that you are part of a group that is helping its neighbors; the reward of accomplishing a needed job; and the reward of being part of a group that prides itself as a team.

This team is in need of some good volunteers that can be trained to help — especially during the weekday hours when coverage is stretched.

The work is hard, the hours terrible, and the pay all in the mind. — Call any member if you feel you qualify.

Members of the 1987 Henniker Rescue Squad are:

George Patterson, Asst. Chief, Elizabeth Lundberg, Sec., Steven Randall, Treasurer, William Damour, Training Officer, Debra Belanger, William Belanger, Raymond Boivin, David Currier, Varyl French, Gary Guzouskas, Jean Hooker, Patricia Luoma, Shelagh Mannix, Heather Musket, Hilda Weiss, Richard Weiss, and Catherine McComish.

The continuous support of the townspeople is sincerely appreciated.

Respectfully submitted,

James K. Crane, Chief

WHITE BIRCH COMMUNITY CENTER

Last summer White Birch Community Center had a tremendous growth of youth participation in Summer and Fall 1987 Programs. The Summer Camp had 86 Camper spaces filled representing 69 different children in Pre-School through fourth grades.

Outdoor Adventure weeks for youth in fifth grade and up included 10 days of activities and trips throughout New Hampshire. An average of 10 youngsters participated in each trip representing 28 different people. In 1988, the program will be similar with the majority of programs held during the summer and several held in the other seasons.

The 1987 Halloween Party had the highest attendance ever, estimated over 200 people. In order to meet the demand next year White Birch will need to find a larger site. In addition to the Halloween Party, White Birch also sponsors a Children's Fair. In the 1988 Fiscal Year, we would like to add a Spring activity for youth and several smaller activities for youth and teens.

The 1987 Swim program served 22 children. We feel moving the Swim program from August back to July in 1988 will boost enrollment back up to 60 children.

The future goal of the youth programs is to serve a greater variety of ages, more children, with more programs spread out over the whole year.

The White Birch Community Center will be reorganizing the Senior Citizen Program in 1987, 1988 to be more efficient, include more activities, and service more Senior Citizens. In 1987 White Birch purchased a bulk mailing permit in order to send information to the 200+ Seniors on our mailing list. Our goal is to continue with local trips, special events and the Collette Tour packages, while providing a more consistent series of luncheons, afternoon and evening events, and summer activities. Because of this reorganization, and the support of our *Volunteer Senior Citizen Coordinator*, we do not anticipate a substantial increase in expenses for 1988. Instead, we are moving toward using our resources more efficiently.

The State of New Hampshire
HENNIKER SCHOOL DISTRICT
SCHOOL WARRANT

To the inhabitants of the school district in the town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell Memorial Middle School Gymnasium on the 8th day of March, 1988, to act upon the following subjects:

1. To choose by nonpartisan ballot, the following school district officers with the polls open at 10:00 a.m. and closing at 7:00 p.m.
 - A. (1) One School Board Member — 1 year term
 - B. (2) Two School Board Members — 3 year terms
 - C. (1) One Moderator — 3 year term
 - D. (1) One Treasurer — 1 year term
 - E. (1) One Clerk — 1 year term

Given under our hands at said Henniker this 25 day of Jan, 1988.

State of New Hampshire
HENNIKER SCHOOL DISTRICT
SCHOOL WARRANT

To the inhabitants of the school district in the town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell Memorial Middle School Gymnasium on the 1st day of March, 1988, at 7:00 p.m. to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen, or to take any other action in relation thereto.
2. To determine and appoint the salaries of the school board and fix compensation for any other officers or agents of the district or to take any other action in relation thereto.
3. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, or to take any other action in relation thereto.
4. To see if the district will vote to raise and appropriate the sum of \$5,000 (five thousand dollars) to be added to the capital reserve fund, as established in March, 1983, pursuant to RSA 35:1-b, to meet the expenses of educating educationally handicapped children and to designate the school board as agents to expend from the fund without further action of the district, or to take any other action in relation thereto.
5. To see if the district will vote to establish a capital reserve fund pursuant to the provisions of RSA 35:1 for the purpose of building and equipping a two room addition (multipurpose room and a kitchen) and to raise and appropriate the sum of \$50,000 (fifty thousand dollars) as an initial deposit into the fund, or to take any other action in relation thereto.
6. To see if the district will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) for the purpose of upgrading and equipping the Cogswell athletic field, or to take any other action in relation thereto.
7. To see what sum the district will vote to raise and appropriate for the purpose of: (a) conducting a certified inspection for possible asbestos in accordance with the Asbestos Hazard Emergency Response Act of 1986; (b) installing prescribed sprinklers in accordance with the Fire Marshals recommendation, and (c) connecting the disposal lines from the Tucker Free Library classroom directly to the line in the parking lot, or to take any other action in relation thereto.

8. To see if the district will vote to accept gifts of labor, services, materials or other assets, including cash, given to the district for the purpose of assisting in the school building program and to apply the same to the reduction of the costs of the district in said school building program, or to take any other action in relation thereto.

9. To see if the district will vote to authorize the school board to apply for, accept and expend without further action of the school district meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purposes for which the school district can appropriate money.
- b. The school board must hold a public hearing on the action taken.
- c. It shall not require the expenditure of additional school district funds.

This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto.

10. To choose agents and committees in relation to any subject in this warrant.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Henniker this 15th day of February, 1988.

Note: This is a draft of the proposed warrant submitted for printing purposes prior to the actual deadline for completion of the warrant. Please consult officially posted warrants for the finalized version.

AUDITORS' OPINION

Henniker School Board Henniker, New Hampshire School District

We have examined the general purpose financial statements of the Henniker, New Hampshire School District for the year ended June 30, 1987, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The general purpose financial statements referred to above do not include the financial statements of the general fixed asset account group which should be included to conform with generally accepted accounting principles. The amount which should be recorded in the general fixed asset account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the second paragraph, the financial statements referred to above present fairly the financial position of the Henniker, New Hampshire School District at June 30, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial statements listed in the table of contents and presented as supplemental schedules are not a required part of the general purpose financial statements of the Henniker, New Hampshire School District. The information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

HENNIKER SCHOOL DISTRICT ANNUAL MEETING

March 18, 1987

Cogswell Memorial High School Gymnasium

The meeting was brought to order by School Moderator Robert Howard at 7:10 P.M. Mr. Howard's first order of business was the reading of the warrant.

Article 1. Jolene Schillinger moved that the district vote to approve the reports of agents, auditors, committees and officers chosen; as printed in the Annual Report.

Bill Carr questioned why his motion to last years Warrant Article #12, "to have the District report each new budget in the Annual Town Report with a column for the previous year's audited expenses against the previous year's budget, with a separate break down for each level of education i.e. Elementary, Jr. High, High School" was not put forward. Ron Rosenbleeth explained that the printing of such information in the Annual Report would have been cost prohibitive, but the Board has this information available to any one who wishes to see it.

Bill Hatt pointed out that there was a error in the Annual Report pertaining to the date of the School Warrant election. This error was acknowledged by the Board.

George Sanborn questioned why there was no reflection in the report as to how much rebate we would be getting from materials sold to John Stark Regional High School. It was explained by the Board that a total evaluation has not been finished as of yet.

A standing vote was required.

Vote count: YES 36 NO 21

Article 1 VOTED as read.

Article 2. Ron Rosenbleeth moved that the District vote to raise and appropriate an operating budget of \$1,614,789 (one million, six hundred fourteen thousand, seven hundred eighty-nine dollars) with a special education settlement of \$31,060 (thirty one thousand, sixty dollars) for a total of \$1,645,849 (one million, six hundred forty-five thousand, eight hundred forty-nine dollars) for the support of schools, for the payment of statutory obligations of the District.

Blythe Damour moved "to amend this article by reducing the figure \$1,645,849 by \$3500 plus the appropriate amount of the employer's share of withholding so that each school board member will be paid the sum of \$300. for 1987." Duly seconded.

A standing vote was required for this amended motion.

Vote count: YES 26 NO 32

Mrs. Damour's amended motion failed.

Wayne Colby moved "to amend the requested amount of the operating budget, \$1,614,789, by \$66,000 to \$1,548,789." Duly seconded.

Vote taken, amended motion failed.

George Sanborn moved to amend the motion "that the present amount before us be reduced by \$31,060." Duly seconded.

Vote taken. Mr. Sanborn's amended motion VOTED in the affirmative.

Bill Damour moved "that any action upon Article 2 be postponed until September 1 or sooner upon the call of the school board." Duly seconded.

Vote taken, motion failed.

Blythe Damour moved "that we amend the article to increase the budget by \$60,000." Duly seconded.

Vote taken, amended motion failed.

Article 2 VOTED as amended.

Article 3. VOTED to change the term of the school district moderator from one (1) year to three (3) years pursuant to the provisions of RSA 671:6a, effective for the term beginning 1988.

Article 4. Mary Twombly moved that the district vote to raise and appropriate the sum of \$5,000 (five thousand dollars) to be deposited in the capital reserve fund to meet the expenses of educating educationally handicapped children. Seconded by Bob Konze.

Mrs. Twombly moved to amend the article to read "that the district vote to raise and appropriate the sum of \$5,000 to be deposited in a special capital reserve fund pursuant to the provisions of RSA 35 for the purpose of meeting expenses of educating educationally handicapped children." Motion duly seconded.

Article 4 VOTED as amended.

Article 5. Bob Konze moved that the district vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to repair and paint the soffit trim on the Cogswell Memorial School and to weatherize the shop windows on the Cogswell Memorial School.

Victor Kjellman moved to amend the motion to increase the requested amount by \$1000 (one thousand dollars), to clean up under the gymnasium floor. Duly seconded.

A standing vote was required.

Vote count: YES 20 NO 20

Mr. Kjellman withdrew his motion.

George Sanborn moved to amend the article to read "that district appropriate the sum of \$10,000 to repair and paint the soffit trim on the Cogswell Memorial School and weatherize the shop windows there of, the money to come from the Cogswell Maintenance Trust Fund." Motion duly seconded.

Article 5 VOTED as amended.

Article 6. VOTED to raise and appropriate the sum of \$4,000 (four thousand dollars) to repair the sills in the West Annex.

Article 7. Bob Konze moved that the district vote to raise and appropriate the sum of \$5,000 (five thousand dollars) to replace the doors in the east wing and in the gymnasium of Cogswell Memorial School. Duly seconded.

George Sanborn moved to amend the article to read "that the district appropriate the sum of \$5,000 to replace the doors in the east wing and in the gymnasium of Cogswell Memorial School, the money to come from the Cogswell Maintenance Trust Fund." Motion duly seconded.

Article 7 VOTED as amended.

Article 8. VOTED to raise and appropriate the sum of \$3,000 (three thousand dollars) to purchase a riding mower/snow blower.

Article 9. VOTED to accept gifts of labor, services, materials or other assets including cash given to the district for the purpose of assisting in the school building program and to apply the same to the reduction of the costs of the district in said school building program.

Article 10. VOTED to authorize the school board to apply for, accept and expend, without further action of the school district meeting, money from

any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purpose for which the school district can appropriate money.
- b. The school board must hold a public hearing in connection with any purposed expenditure of funds.
- c. It shall not require the expenditure of additional school district funds. This action is taken pursuant to the authority of RSA 198:20-b.

Article 11. No motion was made to choose agents and committees in relation to any subject in this warrant.

Article 12. VOTED to transact any other business that may legally come before said meeting.

#1 A motion was made by Bill Carr "to have the district report each new budget in the Annual Town Report with a column for the previous year's *audited* expenses against the previous year's approved budget, with a separate breakdown for *each level* of education i.e. Elementary, Pre-School, Jr. High & High." Duly seconded.

Voted in the affirmative.

#2 A motion was made by Wayne Colby "that the 'so-called' long form of the proposed annual budget be available for distribution, at the S.A.U. office, at least 10 days before the annual District meeting." Duly seconded.

Voted in the affirmative.

The meeting adjourned at 11:00 P.M.

A true attest,

Mary-Beth Lally
School District Clerk

**MINUTES
SPECIAL SCHOOL DISTRICT MEETING
HENNIKER SCHOOL DISTRICT
THURSDAY, DECEMBER 3, 1987**

The meeting was opened by the Moderator, Robert R. Howard, III, at 7:03p.m. After presentation of general rules of order, the introductory paragraph of the Warrant was read followed by the first article. A motion was made by Jolene Schillinger and seconded:

That the District receive the report of the factfinder pursuant to RSA 273-A and that the individual issues be discussed and voted on under Articles II, III, and IV following.

After second there was discussion and the vote was carried by voice vote.

Article II was read by the Moderator, and it was moved and seconded:

That the District reject the recommendations of the factfinder dealing with the economic matters within the contract and the District vote to raise and appropriate the sum of Seventy-five Thousand Dollars (\$75,000.00) to provide additional funds for the School Board to fund increased salary costs and related expenses, increased costs of health insurance, life insurance and tuition reimbursement subject to the renegotiation of the contract acceptable to the Henniker Teachers Association.

There was considerable discussion and a request for secret ballot. The results announced at 9:45 p.m.: Yes — 66; No — 99. It was then moved and seconded:

To appropriate the following monies under Article II: A. \$100,018.00; B. \$696.00; C. \$462.00; D. \$750.00; E. \$5,000.00; F. \$150.00; G. \$75.00; for a total of \$107,151.00.

Robert Konze moved to amend by the deletion of Items E, F and G. After discussion a standing vote indicated the motion to amend failed. The motion to raise \$107,151.00 then passed by voice vote.

Article III was read by the Moderator and it was moved and seconded;

That the District reject the factfinder's recommendations as described in Article III and that the matters be referred back to the School Board and teachers for further negotiation.

After discussion, there was a motion to amend by substituting the following:

To amend the motion to read to see if the District will vote to reject the provisions of the factfinder's recommendations and to take no action on the particular issues.

It was subsequently moved to postpone indefinitely any action under this Article. A vote on the motion to postpone was taken, voice vote too close to call, standing vote carried at 48 to 47, on recount, the nos carried 45 to

49 and the motion to indefinitely postpone failed. The motion to amend was then voted on and failed by voice vote. The original motion to reject the factfinder's report failed by voice vote and a motion was made to "approve in its entirety Article III, letters A, B, C, D, E, F, G and H." After a successful motion to end discussion, the motion carried by voice vote.

Article IV was read by the Moderator and it was moved that the issues described in Article IV be referred back to the School Board. It was moved and seconded to amend the original motion, to read "To approve in its entirety the wording of Article IV." The motion to amend carried and the amended motion adopted by voice vote.

Moderator read Article V and it was moved and seconded:

That the District raise and appropriate the sum of Thirty-seven Thousand Seven Hundred Fifty-six Dollars (\$37,756.00) for the purpose of meeting unanticipated transportation costs required of the District for the 1987-88 school year.

After discussion, the motion carried by voice vote.

Article VI concerning other business was read by the Moderator and it was moved and seconded and voted to adjourn at 11:00p.m.

Respectfully submitted,
Lynn Richardson, Secretary

NOTE: Lynn Richardson was unanimously appointed secretary by the School Board and Moderator, to serve in the stead of the duly elected secretary who had resigned. The oath of office was taken and filed with the Supervisory Union.

REPORT FROM THE SUPERINTENDENT OF SCHOOLS

By a vote of the New Hampshire State Board of Education, School Administrative Unit #24 was realigned and, effective July 1, 1987, now encompasses the school districts of Hopkinton, Henniker, Weare, John Stark and Stoddard.

If one word were chosen to describe the districts in SAU #24 that word would probably be "growing." The greatest increases this year occurred in the student populations in Weare Elementary School with a 9.2% increase and in Henniker Elementary School with a 9% increase. The impact of this growth is being felt in our physical facilities which are currently being utilized at maximum. Hopkinton is currently in the midst of a building expansion program at Harold Martin Elementary School. This building project will provide Hopkinton students with additional classroom space and the greatly needed facilities for special services. In March the voters of Weare will have the opportunity to vote on a building plan to provide elementary classrooms for Weare students. Currently all classrooms in Weare, including six portable classrooms, are fully utilized. There will not be adequate classroom space to accommodate the number of students projected for fall of 1988. If growth projections for the small town of Stoddard are realized space will also be needed there.

The single most significant event of the 1987/88 school year was the opening of John Stark Regional High School. The programs at John Stark will offer many excellent learning opportunities for the students in grades 9-12 from Henniker and Weare. This school exists today due to the untiring efforts of the Cooperative School Planning Board, the John Stark School Board and the townspeople in Henniker and Weare. An outgrowth of the opening of John Stark is the development of middle school programs in Weare and Henniker. Hopkinton is also moving toward a middle school program for the intermediate grades.

All of our schools have been involved in the State Wellness Program. Our goal is to have healthy employees who are then more productive employees and who offer a positive role model for our students. In addition, all of our schools are involved in efforts to offer more opportunities to students in the area of gifted and talented/enrichment programming. Teachers in Henniker and Hopkinton have been participating in the 4 MAT learning styles teacher training workshops in conjunction with the Franklin Pierce Law Center. Henniker, Hopkinton and John Stark staff members have had the opportunity to become involved in the very successful Governor's Initiative Program for Computers.

The cost of public education continues to increase. We are sensitive to the impact that these increases have on the local taxpayers. We will continue to strive to provide quality education which is also cost effective. We appreciate the support that you have given to your schools and hope that you will continue to do so.

Respectfully submitted,

*(Dr.) Cynthia E. Mowles
Superintendent of Schools*

HENNIKER SCHOOL DISTRICT PRINCIPAL'S MESSAGE

The Henniker School District has undergone a major program change for the 1987-88 school year. We are organized into a kindergarten through grade four primary program with a new grade five through eight middle school program, housed in the Cogswell Memorial Building. Although our high school students are no longer in our buildings, we have almost 90% of the number of students served last school year.

Our middle school program is designed to better meet the needs of the early adolescent learner. To do this we have further subdivided the middle school into two "teams" with three or four teachers per team. These teams provide instruction in English, math, reading, science and social studies. A team of specialists teaches art, music, health, physical education, industrial arts and life skills.

A comprehensive revision of the school's curriculum has been underway since last summer. This work reflects the changes in our program at the middle level. Areas revised this past year include English, reading and science as well as the health curriculum. More work will be done in these areas as we refine our program. Complete revision is needed in math, social studies and the fine arts. Since no programs existed in the life skills and industrial arts for the fifth and sixth grade, these were written this past summer.

We are currently finalizing plans to use the information from the California Achievement Testing Program to make adjustments to our teaching and to plan future changes in our curriculum. We are also meeting on a regular basis with the administrators and staff from John Stark and Weare Schools to better coordinate the three programs as they develop.

Students and staff at both the elementary and middle school are excited about the many positive changes in our school. We look forward to the continued application of high standards for our schools and the unfailing support of the community.

Respectfully submitted,
James T. Cournoyer, Principal

SCHOOL NURSE'S ANNUAL REPORT 1987-1988

The school nurse has a vital role in the educational system, providing for the health care of students in grades preschool through eight.

In my first year as school nurse in Henniker, I have functioned in the role of health care provider for injured and ill students, counsellor for those with various emotional, social, and personal problems, and educator in providing information to students which will assist them in preventing illness and achieving an optimal level of health. I have also been available as a reference person for teachers, assisting at times with classes involving health care issues.

At the onset of the school year, and at intervals during the year, pediculosis (lice) screening is done, and parents of infested children are advised as to how to treat this problem.

In October, the New Hampshire Public Health Services Screening Program once again came to the Henniker Congregational Church, and with the assistance of Debra Nitschke-Shaw and several of her New England College students, eighty-two children received preschool vision and hearing screening.

Preventative health screenings continuing on an annual basis for all students are vision and hearing testing, and recording of height and weight. In the spring, students grades 5 through 8 will once again be screened for scoliosis, an abnormal curvature of the spine, and referrals will be made for all appropriate students. In addition to these scheduled screenings, any student who is referred by a parent or member of the professional staff for a health-related problem is screened when the need arises.

Preventative medicine is an important aspect of health provision, and as the year continues, I hope to work toward formalizing programs for students on such topics as nutrition, hand-washing and prevention of spread of disease, and dental health.

Through wellness education, health screening, and early diagnosis and treatment of illness, I hope to assist students in maintaining their optimal level of health, thus reducing health barriers which may interfere with achievement of their educational goals.

Respectfully submitted,

Debra L. Farrell, R.N.

HENNIKER SCHOOL DISTRICT SCHOOL BOARD REPORT

The past year has been one of great change for the Henniker School District. Our high school students and faculty moved to the new facility at John Stark Regional High School. Although we miss their energy and talents, we are very proud of the opportunities available to all of them at the new high school.

Within our own facilities there have been many exciting changes. The Cogswell Memorial building now contains the middle school program for grades five through eight. The move to this facility has allowed for the increase of educational opportunities for these students in the areas of science, home economics, industrial arts and computers.

We have expanded our special education programs in order to meet the educational needs of this very special group of students. Because their classrooms are in Henniker, all of our students and teachers benefit from the mainstreaming and interactions which are now possible.

The growth rate of our schools over the past few years has been about ten percent per year. If this continues, our student population will double in a little over seven years. This increase in students is a concern for the school system. It appears we may have only a few years to plan for the changes this growth will necessitate.

As always, it is a pleasure to report to you the honors won by our students and programs during the past year. Your continued interest and enthusiastic support is very much appreciated.

- A new middle school was planned, developed and began operation in the Cogswell Memorial School building for grades 5-8 in September. This took many hours of preparation by all staff involved. Opening day was very smooth thanks to their efforts.
- Elementary program was rated as 1A, the top rating awarded (only 14% received this rating).
- Revised and began implementation of comprehensive health curriculum.
- Participated and provided leadership in the 4MAT system of learning at the regional level.
- Participated in the Governor's Initiative Program for Computers for Teachers, an innovative program for training teachers in using today's technology to improve instruction.
- Revised curriculum for the middle school in English, Reading, Science, Home Economics/Life Skills and Industrial Arts in grades 5-8.
- Took an active role in the State Wellness Program.
- Participated in the Heart Fund Project at the junior high level.
- Produced an outstanding Young Authors' Night at the elementary school.
- Two excellent concerts were put on by the music department.
- Dramatic productions at the elementary school and middle school, and a professional acting company provided enrichment.

- Began a successful instrumental program for elementary school students.
- Participated in the Artists in the Schools Program with Dance and Movement workshops in October.
- Held another successful Activity Day for the elementary school with PATH.
- Junior high math team was runner up in the CVML competition.
- Participated in the Granite State Challenge Program on channel 11.
- Hosted a successful Alumni Career Day for students to hear past graduates speak about their experiences at Cogswell Memorial School.
- High school ski team placed third in alpine at NHIAA Division V Championships at Gunstock Mountain.
- Michelle Pashko and Ryan Schneider were named Outstanding Senior Girl and Senior Boy by WMUR-TV.
- Henniker faculty and students held a successful Final Day Ceremony for the closing of the high school.
- Final graduation exercise saw Peter Soukas perform along with Lorna Ekkens of the music staff and her husband Ken.
- Final edition of Cascade was dedicated to the people of the Town of Henniker.

Respectfully submitted,
*Jolene U. Schillinger, Chairperson
Henniker School Board*

HENNIKER SCHOOL BOARD ELECTION

March 10, 1987

Cogswell Memorial High School Auditorium

The polls were open from 10:00 AM to 6:00 PM for voting. The voters' checklist was used and supervisors were present in the balloting. Town Moderator William Damour declared the polls closed at 7:00 PM. The votes were tallied and the results announced by Mr. Damour:

For Moderator for One Year—
Robert R. Howard III 243 votes
For School Board for Three Years—
Debra Nitschke-Shaw 225 votes
For Treasurer for One Year—
Shirrill Cofrin 28 votes
For Clerk for One Year—
Mary-Beth Lally 21 votes

The offices of Treasurer and Clerk were decided by write-in votes due to the fact that no one declared candidacy for either position.

Of the 1400 ballots printed, 281 were cast, 4 of which were absentee ballots.

A true record, attest:

Mary-Beth Lally
Clerk of the Henniker School District
