TOWN OF LYMAN

Town Meeting Warrant

To the Inhabitants of the Town of Lyman, in the County of Grafton, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 8th day of March, 1983, polls to open at one o'clock in the afternoon and will not be closed before six o'clock in the afternoon in said Town Hall, to act on Article 1, the remaining articles to be considered at seven-thirty o'clock in the evening.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of Thirty-eight Thousand Two Hundred Twenty Dollars (\$38,220.00) as may be necessary to defray Town charges for the ensuing year. All items marked by an asterisk in the budget are covered by this Article.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Four Thousand Eight Hundred Dollars (\$4,800.00) to defray the Town's share of the cost of the Lisbon Dump.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for Town Cemeteries.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to transfer fifty percent (50%) of any 1982 annual net budget surplus funds to the Capital Reserve Fund established for the purchase of highway equipment.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.00) as compensation for the Tax Collector.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to sell and dispose of any real estate acquired by tax deed, by Advertised Sealed Bid only.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to borrow monies from time to time for current indebtedness of the Town for the ensuing year in anticipation of taxes to be collected for the year 1983 and paid therefrom.

ARTICLE 9. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from State, Federal or other governmental unit or private source which becomes available during the year in accordance with the procedures set forth in R.S.A. 31:95-b.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Two Hundred Ninety-nine Dollars (\$299.00) to defray the Town's share of operation expenses of the North Country Council.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) to defray the Town's share of operation expenses of the New Hampshire Municipal Association.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Three Hundred Fifty-one Dollars and Ninety-one Cents (\$80,351.91) to maintain highways, equipment and Town share of T.R.A. All items marked by a cross in the budget are covered by this Article.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the following purposes: Police Chief, Nine Hundred Fifty Dollars (\$950.00); Dog Police, Fifty Dollars (\$50.00); mileage and expenses not to exceed One Thousand Dollars (\$1,000.00).

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum not exceeding Thirty-four Thousand Dollars (\$34,000.00) for the purchase of a new Highway truck and to authorize the withdrawal of Nine Thousand Dollars (\$9,000.00) of that sum from the Federal Revenue Sharing Fund, said Nine Thousand Dollars (\$9,000.00) to be used as a down payment.

ARTICLE 15. If the foregoing Article 14 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of Twenty-five Thousand Dollars (\$25,000.00) so raised and appropriated and for the purpose in accordance with the provisions of the Municipal Finance Act or any other enabling authority, delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notices providing for the sale thereof.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to purchase the land, building and contents known as the Lyman Grange Hall and presently owned by Lyman Grange #237. The only stipulation being that if Lyman Grange should reorganize or resume meeting in the future, that it, at the discretion of the Selectmen, would be able to lease space in the building where it could hold these meetings. It is the hope of the Grange that the building would remain Town property for use by the residents of Lyman as a community building and Town Hall Annex.

ARTICLE 17. If the foregoing Article 16 is passed, to see if the Town will vote to raise and appropriate the sum not exceeding Four Thousand Dollars (\$4,000.00) to repair the foundation of the Grange Hall.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of One Thousand Eight Hundred Ninety Dollars (\$1,890.00) for the Health Department: Health Officer and Overseer of the Poor, Sixty Dollars (\$60.00); North Country Home Health Agency, Four Hundred Ninety Dollars (\$490.00); White Mountain Mental Health, Four Hundred Twenty Dollars (\$420.00); Littleton Hospital Association, Five Hundred Dollars (\$500.00); Ross Ambulance, Four Hundred Twenty Dollars (\$420.00). All items marked by a dash in the budget are covered by this Article.

ARTICLE 19. To see if the Town will vote to authorize the Tax Collector to receive part payments of real estate taxes in any year in the sum of Ten Dollars (\$10.00) or a multiple of ten, pursuant to the provisions of R.S.A. 80:52-a.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Three Hundred Twelve Dollars (\$312.00) for the purpose of authorizing the Selectmen to contract for tax billing services and maintenance of other fiscal records as required by R.S.A. 8-C:11.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to establish a Cash Reserve Fund to be used for the eventual purchase of a Town truck.

ARTICLE 22. To see if the Town will vote to approve the obtaining of the services of public accountants for the annual audit of the Town's accounts.

ARTICLE 23. To hear the reports of agents, auditors, committees and officers heretofore chosen, and pass any vote relating thereto.

ARTICLE 24. To see if the Town will vote to go on record in support of immediate action by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Lyman and to the health and welfare of the people of Lyman.

ARTICLE 25. To transact any other business that may legally come before the meeting.

Given under our hands and seal this _____ day of February, 1983.

TRANSMITTAL

Board of Selectmen
Town Office
Lyman, New Hampshire 03585

Members of the Board:

I have examined the financial statements of the various funds and account groups of the Town of Lyman for the year ended December 31, 1982 and have issued my report thereon, dated February 23, 1983. As part of my examination, I reviewed and tested the Town's system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of this evaluation is to establish a basis for reliance when determining the nature, timing and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements. My study and evaluation disclosed no weaknesses that I consider to be material.

Publication Requirement

The provisions of R.S.A. 71-A:1 require that only this letter be published in the next annual report of the Town.

I recommend that you also publish the accompanying financial statements, footnote disclosures and auditor's opinion in their entirety in your next report. If you decide to publish the accompanying financial statements, you must include both footnote disclosures and our auditor's opinion as part of the Town report. In addition, the auditor's report may not be published without the accompanying financial statements and footnotes.

I extend my thanks to the officials of the Town of Lyman for their assistance during the course of my audit.

AUDITOR'S OPINION

Board of Selectmen
Town Office
Lyman, New Hampshire 03585

Dear Board Members:

I have examined the combined financial statements of the Town of Lyman, New Hampshire as of and for the year ended December 31, 1982 as listed in the table of contents. My examination was made in accordance with generally accepted auditing standards and included such test of the accounting records as I considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above do not include financial statements of the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles.

In my opinion, except for the effects of the omission of the financial statements described above results in an incomplete presentation as explained in the preceding paragraph, these combined financial statements referred to above present fairly the financial position of the Town of Lyman, New Hampshire at December 31, 1982 and the results of its operations and changes in financial position of its proprietary and similar trust fund types for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Lyman conform to generally accepted accounting principles for local government units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (material and supplies) are considered expenditures at the time of purchase.
- b. Prepaid expenses are not normally recorded.
- c. Interest on long-term debt which is recorded as an expenditures when due.

General Fixed Assets

Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditures. Funds used to acquire general fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Taxes Collected For Others

The Town collects taxes for the Lisbon Regional School District and Grafton County which are remitted to them as required by law. These funds are accounted for as agency funds.

Inter-Fund Transactions

During the course of normal operations, the Town has transactions between funds including expenditures and transfers of resources to provide services. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

NOTES TO FINANCIAL STATEMENTS
(Continued)

1. Property Taxes

Annually, the Town establishes an amount for abatements, discounts and refunds of property tax revenues known as overlay. All abatements, discounts and refunds are charged to overlay.

As prescribed by law, the Tax Collector sells at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two year redemption period, the property is tax-deeded to the lien holder.

2. PURPOSE OF FUNDS AND ACCOUNT GROUPS:

The Town reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the Town and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes or local law. The Town accounts for the Revenue Sharing Fund and the Public Library Fund as Special Revenue Funds.

B. Fiduciary Funds

Trust and Agency Funds - these funds are used to account for assets held by Town in a fiduciary capacity for various purposes and taxes collected for other governmental units. Receipts and expenditures of each fund are governed by statutes or local law.

PLANNING BOARD

Quarterly meetings of the Planning Board are held on the second Tuesday of the third month of each quarter at 7:00 p.m. at the Lyman Town Hall. The Board also convenes upon request for preliminary review of subdivision plans and to conduct public hearings to consider subdivision plans. These meetings are usually scheduled on Tuesdays at 7:00 P.M. at the Town Hall. All Planning Board meetings are open to the public.

In addition to its quarterly meetings, during 1982 the Board reviewed 4 minor and 1 major subdivisions.

The Planning Board requests \$100.00 for its operation for the coming year. Any of this money that is not used will be turned back to the Town.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS

In our continued effort to communicate more directly with the taxpaying citizens of Grafton County, we take this opportunity to reach you through your annual town/city report.

Budgeting becomes more complex each year due to variables and unfunded state mandates. Until authority accompanies funding, our local governments will have little control over spiralling taxes. Counties encounter funding problems similar to towns/cities. We are continually absorbing more costs of state/federal programs. This year local governments picked up a 25% increase in their share of the OAA/APTD/ICF grants. Child placement costs are increasing dramatically with the private foster homes rapidly being replaced by more expensive group homes, some costing \$25,000 to \$40,000 per year compared to private home rates of \$2,400 to \$3,600 per year.

Our new sewage system, tied in with Woodsville Precinct's treatment plant, was complete and operational in February 1982.

Many dollars are being saved in energy accounts through conservation measures. Fuel costs were reduced by 20% and electric costs by 8% in fiscal year ending June 30, 1982, saving \$41,800.

Finishing the second superior courtroom will cost approximately \$169,500. Bonding is approved and the project should be completed this spring.

The Jail & House of Correction had another busy year. Average census was 38. We continue to get inmates with mental or emotional problems requiring additional staff and medical treatment and higher medication costs. No change is foreseen in the admission pattern due to the continuing discharge policy of NH State Hospital. Pending legislation requiring more severe sentencing for some crimes will increase duration of stay and census, proportionately increasing the burden on correctional staff.

The County Farm is a productive asset to the County through participation in Extension and Conservation Service programs and by creating meaningful work for House of Correction inmates. Volume of milk remains constant although the revenue dropped slightly due to decrease in federal parity. Quality of the Holstein herd is excellent. Revenue from livestock sales grossed \$25,092 last fiscal year, and produce grossed \$40,016 for the Farm.

The Commissioners meet Mondays at 9:30 a.m. at the Courthouse, 1:30 p.m. at the Nursing Home. Meetings are open to the public.

Respectfully submitted,

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest fire prevention, our business, your business, good business. This slogan has been the motto of the New Hampshire Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the state/towns and our entire citizenry can this record be maintained.

Municipal
Association

December 16, 1982

Dear Member:

Last month you received the special issue of *New Hampshire Town & City* that contained the 1981-82 annual report of your Association and the results of the summer membership survey. This report of the stewardship of NHMA represents an achievement of which all members can be proud; another year since 1941 of service to municipalities and action on their behalf.

1982 was a most productive year in terms of new and up-dated manuals and the scope of training activities. It was a year of some significant policy success in the special session of the legislature in spite of the financial situation facing the state. The work program laid out for 1983 promises another outstanding year in non-legislative activities including several new training programs and manuals while at the same time representing municipal interests in a most difficult regular legislative session. Your continued support is vital to making 1983 a success.

In preparing the budget for 1983, your Executive Committee was particularly aware of the financial pressures on communities and held the dues increase to a base minimum, under 6% overall though changes in valuation and population may cause individual member dues to differ in a percentage sense. To accomplish this, we considered the highest priority expressed by members in the summer survey for a financial management capacity on staff. It was not felt that 1983 was the appropriate time to seek new dues to initiate this service. An effort will be made in 1983, however, to seek other, non-dues sources of funding to meet this priority with continuation based on user fees.

1983 will see NHMA's personnel services program fully transferred to user fees and your use of that service for collective bargaining, customized personnel training, recruitment, pay and classification studies, establishment of personnel systems and testing is encouraged. NHMA will also be combining several issues of *Town & City* in 1983 to publish 10 times per year rather than 12 to effect savings.

As municipal officials, your Executive Committee believes that the level of service offered by NHMA is a value in this economy and merits the modest increase in dues needed to sustain them. If you would like to arrange to have Executive Committee members visit with you to discuss NHMA membership, please contact our Executive Director, toll-free, at 1-800-852-3358 to arrange a mutually-convenient date. For towns, RSA 31:8-a authorizes expenditure of NHMA dues from town office expenses.

Sincerely,

Maurice L. Arel, President

NORTH COUNTRY COUNCIL REPORT

In 1982 in the Town of Lyman, North Country Council assisted the Town in reviewing specific subdivision proposals.

In addition to providing specific assistance to your town, the Council works on activities that benefit several towns and the entire North Country. In **economic development**, the Council has provided direct local assistance to several communities in their local development programs and has continued to seek approval from the Economic Development Administration for a revolving loan fund to assist small and medium-sized businesses in eight communities. As a member of the Small Business Development Program for Northern New Hampshire, NCC has provided information to prospective businesses on the available training and financial programs. The Economic Development Committee has met on issues such as trends in the wood products industry, the future of the North Country railroad system and small business development and financing.

One of the major efforts for towns is **community planning**. The Council staff met throughout the year with numerous planning boards, selectmen, and master plan committees to discuss community issues and provide solutions such as zoning, subdivision regulations, site plan review, sign, parking, septic system and mobile home regulations, recreation planning, business and traffic surveys, and more. The Council organized a subdivision workshop in the spring for planning board members, coordinated the Municipal Law Lectures in the fall, and provided information to towns on HUD's Small Cities Community Development Block Grant and Urban Development Action Grant programs. In an effort to maintain essential planning assistance to our towns given somewhat smaller budget, our Community Planning Committee established a clear policy on membership services. This is described in a brochure we recently mailed to you entitled "North Country Council, Inc: What's In It For Your Town?"

In **transportation**, the Council's Transportation Committee assisted the NH Department of Public Works and Highways with the Annual Highway Action Plan Meeting. This meeting is usually very productive as it is the major way that the public can participate in identifying and supporting needed highway improvements. NCC is assisting the state, the new rail operator, and rail users in marketing the Concord-to-Lincoln rail line to make the line more economically viable and eventually self-sufficient. In the Mt. Washington Valley, NCC surveyed businesses to determine the potential for utilizing a truck/rail terminal. We are also following the proposed New England rail reorganization and its impact on our region. The Council continues to work with the Whitefield Regional Airport in an on-going effort to secure commuter air service.

The Council is providing planning recommendations and some technical assistance to towns in anticipation of the **solid waste** district planning scheduled to occur in late 1983 and 1984. We had a voice in amending the state's solid waste law to make it more flexible in local situations. Sharing of ideas and coordination in this field is aided by staff member Fred Moody's position as a director of the NH Resource Recovery Association.

To assist town governments with administrative and financial tasks (e.g., tax billing, accounting, etc.), NCC has acquired a mini-computer with programs to accomplish these functions. At this time, we developed our tax billing services and look forward to offering additional services in the future.

The Council has also conducted historic buildings inventory in a few towns and will be serving as a clearinghouse on historic preservation planning and activities.

The Council closely followed the proceedings for the Quebec Hydro powerline in 1982 and presented our position before the Site Evaluation Committee in March. We recommended construction of the line in Vermont which provided the most economical, direct, and least environmentally-damaging route. As of early 1983, it appears the powerline will follow the Vermont route and will come into NH in Littleton. NCC also testified before the NH House and Senate in support of the Pontook hydroelectric facility in Dummer.

For the last year and a half, the Council has published NEWS FOR SELECTMEN, an informative report on local, regional, state and federal activities and trends. The Council is active on the state and national level through the NH Association of Regional Planning Commissions and the National Association of Regional Councils. We were very fortunate to have our former President and Jackson representative Oliver Nelson serve as the Chairman of the National Advisory Committee on Rural Development. This past summer, the Committee prepared a rural development strategy. The Council set up one of two in-state meetings to solicit views from the public on rural needs and practical solutions.

As in the past, the Council's major emphasis will continue to be technical assistance and information on matters of concern to local governments. The Council staff is always available to meet with local officials to discuss projects and needs of the towns.

On behalf of the Council and its Board of Directors, we thank you for your support during the past year and hope that the Town will continue to use the services of NCC during 1983. Please feel free to contact either one of us or the Council staff in Franconia at 823-8108 or 823-5566.

Respectfully submitted,

George Godfrey

Board of Selectmen

Dear Selectmen:

On behalf of the North Country Council, I want to thank you for your Town's membership service fee. We trust that your Town has received the kind of services from North Country Council that can assist your town deal with some of its problems. As a former Selectman, and currently a local official, I believe membership in the Council, now more than ever, will be of substantial benefit to your Town.

During the last year and one-half, the Council has trimmed its staff to a core of four professionals, a level we believe is necessary to serve our large region. Our local membership dues are very important to our budget as they provide a third of the total, with the balance coming from limited federal and state sources and special contracts. This year the region-wide request was increased by 10% to \$66,000. As you know from the past, this request is distributed among 50 towns in our region based on the most recent equalized assessed valuation and population figures. Even though fluctuations in these two factors may cause individual assessment to increase by more than 10%, we have made sure individual assessments did not increase more than 10%.

The 1983 membership fee for your Town is \$299.00. I request that your Town include this amount in the Town budget or as a warrant article. In a recent package, we included a listing of membership services available to your Town. For special projects requiring a large commitment of staff time, a municipality or private agency can contract with NCC for services. In the last year, five towns, two local development corporations, three state agencies, and a statewide private group contracted with NCC for special services.

We will send you a report on our activities in the next few weeks. Please call if you have any questions on the request or enclosed material. Again, thank you for your assistance and support over the years.

Sincerely,

Frederick W. King

Gentlemen:

It appears that annual budget time is rapidly approaching, and at this time I would like to submit our request for continued funding, at the same level, for the coming year.

Although the economy has shown no improvement, and costs are certainly escalating, I feel that I can hold our request to the same figure as last year by increasing the "user fee" to accomodate the increase in costs.

I would hope that our Service has been acceptable, and worthy of your support now and in the future. If you have any questions, please don't hesitate to give me a call.

Very truly,

Thomas C. Ross,
Manager

NORTH COUNTRY HOME HEALTH AGENCY

North Country Home Health Agency provides care in the home for those who are ill, and also provides public health activities for prevention and intervention of disease.

In-home services include nursing care, physical therapy, speech therapy and Home-maker/Home Health Aide service which enables people to remain independent in their own homes. A hospice program, using trained volunteers, is available for care of the terminally ill at home.

The Family Assistant Program is designed to help parents strengthen child-rearing skills and cope with family-related problems.

Prevention services include all clinics listed below, visits to newborns and health promotion visits to assess physical problems and home situations. There is no charge for any of the preventive services.

North Country Home Health Agency serves 15 towns from its main office at 60 High Street, Littleton, and satellite offices in Lincoln and Woodsville.

Gentlemen:

North Country Home Health Agency is requesting \$490 for home care and public health services to residents of Lyman for 1983.

This amount is based on \$1.75 per capita, with 1980 census figures from the Office on State Planning. This is the same request as last year.

A complete summary of our services will be forwarded to you later in the month when final figures for 1982 are complete.

Mr. Keith Booth, Chairman
Lyman Board of Selectmen
Town of Lyman
Lyman, New Hampshire 03585

Dear Chairman Booth:

I am writing on behalf of the Littleton Hospital Association to seek 1983 town appropriations in the amount of \$ 500. to support the Littleton Hospital. Funds received will be applied toward our 1983 building program for a new dietary department and patient rooms.

Funds appropriated by your town in support of this request will permit us to continue our commitment toward a continuation of our 24 hour-a-day emergency services as well as our inpatient and outpatient medical care for your residents. Local town appropriations will provide a substantial portion of the hospital's 1983 building program.

The members of the hospital team deeply appreciate the support and concern which you and your townspeople have rendered to the Littleton Hospital in the past.

Littleton Hospital is pleased to state that no resident of your community has ever been denied the medical services of this hospital because of their inability to pay for their care.

Please advise me of any further information or action which you may wish or require the hospital to provide or take to successfully complete this request.

Enclosed is a copy of our most recent Annual Report.

Sincerely yours,

LeRoy Deabler
