The residents of Rindge have come to expect a wide range of services. These services are expected 24 hours a day and 7 days a week. This requires dedication, professionalism and diligence from those that provide these services. Within this Town Report is a page that is dedicated to all of those who perform these services. While an appreciation page is a mere token of thanks to our part-time, full-time and on call Town employees, we must remember that they are the backbone of this town's operation. We all should be reminded not to just nod or wave to these folks but to stop for a minute to personally thank them for all that they do for us.

The following is a list of the past year's accomplishments:

- ▶ Rindge welcomed its new Town Administrator, Joe Byk. Joe's background includes being a selectman and town counsel in Peterborough. He is a welcomed addition to the town staff. Joe has impressed a lot of the residents with his low keyed demeanor and attention to their issues.
- ▶ Rindge and Franklin Pierce University welcomed the new FPU president, Dr. Kim Mooney. Kim has been at the university for many years, she served as their provost and vice-president of student affairs. Kim is the first alumna to become president of Franklin Pierce University. Kim has been very gracious to the residents in town, and while attending Town and Gown meetings has asked what else can FPU do to work in collaboration with the town. Our best wishes to Kim in her new position.
- ▶ The town and FPU have renewed their mutual interest in an intern program. Joe Byk is committed to working with the university to set up a program which will benefit both Franklin Pierce University students and the town.
- ▶ The town has, at least for now, put the Kinder Morgan pipeline project in the rearview mirror. Our residents, citizen activists, petitions to the governor, lobbying our state representatives, town governance opposition and a lack of signed gas contracts all helped in the demise of the project. Their application has been withdrawn and we have been able to resume our normal lives.
- ▶ The town under-went a complete safety review by the NH Dept. of Labor. Because of past diligence of Fire and Highway departments, the town came through this review with only a few minor infractions and very low costs for remedies. The fixes have been made and we thank all of the employees and dept. heads involved for their work
- ► Last year the town added additional money for the re-paving of town roads. It was an excellent time to do so as the costs of paving materials was very low. The town was able to re-pave approximately four miles of road in 2016.
- ▶ The police department submitted a request for computer tablets and SPOTS software at a much lower cost than was previously available. That request was approved and funded through un-expended funds from 2016. These tablets will enable our officers to make their reports on the spot of incidents and in their vehicles. The SPOTS software will provide our officers the ability to retrieve records without the delay of going through the overburdened dispatch system. This is a much faster process and an extremely safer method for our officers.

- ▶ The town switched from the Sunoco Gas Card Program to an Irving Gas Card Program. It has produced some additional savings because of the deal that was negotiated.
- ▶ While not perfect yet, our web-site has had some repairs which has improved its performance significantly. There is a continuing effort to make our site more user and administratively friendly. This is a collaborative effort with the Telecommunication/Technology Committee, town employees and our web-site provider.

In the proposed 2017 budget there were increases due to many reasons. They include increased costs for long and short term disability insurances, workman compensation insurance, health care insurance, retirement contributions, taxes, projects and funding for an 8<sup>th</sup> police officer. It was not without much discussion and some dispute that this budget was presented. While not everyone was totally happy with the final result, all involved made some compromise to achieve a fair budget proposal.

Respectfully submitted,

Bob Hamilton

Chairman, Board of Selectmen

abeit C. Hamilton

Town of Rindge Minutes of Deliberative Session Saturday, January 30, 2016

First Meeting: Saturday, January 30, 2016

Voters on Checklist: 4,186

**Voters Attending Meeting: Approximately 50** Second Meeting: Tuesday, March 09, 2016

Ballots Cast: 1,296

Town Moderator David Tower called the meeting to order at 9am. David introduced Boy Scout Nathan Miller who led the meeting to the Pledge of Allegiance. David then introduced non-resident Department Heads; Town Administrator, Jane Pitt, Police Chief, Todd Muilenberg, Director of Public Works, Michael Cloutier, Recreation Director, Timothy Goodwin. He introduced the Board of Selectmen; Roberta Oeser, Daniel Aho and Chairman, Robert Hamilton. Town Officials; Finance Director, Ellen Smith, Town Clerk, Nancy Martin, Deputy Town Moderator, Charles Eicher, Executive Secretary, Katy Robbins. He introduced the Budget Advisory Committee Members; Chairman, Thomas Coneys, Rick Sirvint (absent), Susan Emerson (absent), Sharon Rasku, Don Cook, Kale Stenersen (absent) and Andrew Alajajian (absent), Supervisors of the Checklist; Ida Mae Harman, Roberta Letourneau and Karla MacLeod.

Board of Sclectmen Chair Bob Hamilton announced that this would be the last year David Tower would be moderating town meeting. He stated David has been moderator since 1972 and has been on the Planning Board and Trustee of Trust Funds throughout the years. He thanked David for his dedicated work throughout the years and presented him with the Town Blanket and an inscribed ice bucket. David explained the rules of the meeting and then recognized Charlie Eicher of the Capital Improvement Plan.

Charlie Eicher of the Capital Improvement Committee, explained Capital Improvement Plan; the plan is for replacement of large cost items to maintain the current level of community services. The CIP stabilizes taxes so there are no large spikes in taxes.

Janc Pitt gave a history of how we got to where are today with the CIP over the past eighteen years, she stated that in 1997 there was \$695,000 saved in the capital reserve fund, she read a statement from 1997 given by the Budget Advisory Committee stating "Rindge needs to continually work on a community based CIP, once the plan is developed and adopted it needs to be revisited and updated annually according to the needs of the town". By the end of the year 2000, we had \$816,000, by the end of 2002, it declined to \$369,000 but we continued to contribute. Between 1997 to 2000, the average contribution was about \$200,000 each year. In 2002 the BAC recommended \$275,000 be set aside annually in order to save for future needs. Janc stated between 2006 to 2008 the "wheels began to come off the bus", the end of 2007 we had a balance of \$133,000, that year the CIP Committee recommended to up the yearly contribution to \$300,000, we were beginning to have to play catch up. In 2008 and 2010 the town did not contribute to the CIP. In 2010 the CIP Committee commented that that the town develop a plan to set aside \$275,000 a year to keep ahead for future needs, but the voters over the years didn't agree. The CIP Committee calculated now we would need to set aside \$400,000 per year to keep up. Jane stated that today we have one-half a million dollars less in our Capital Reserves than we did in 1997. The CIP Committee advised that deferring maintenance of Town facilities and failing to replace essential equipment on a regular basis would result in an unpleasant surprise of expensive projects or acquisitions generating large property tax increases.

Ellen continued the conversation of the Capital Reserve; she said this year we re-invigorated the committee by adding new members with business and management experience, goals have been set and they have met with department heads to develop inventory and set priorities. Now that we have identified our needs, we questioned how we fund it without creating a big spike in the tax rate. One way was to identify other revenue sources; the first comes from the sale of properties taken by tax deed. A number of properties were sold last year generating \$205,000, the second source is grant funding for things such as generators for emergency shelters, the third source is utilizing revolving and special revenue funds. The current plan outlines the needs of the next 15 years; there is no bonding suggested, by having one master document used to develop our warrant we can show how the capital needs, operating budget and sources of revenue affect our town tax rate.

## Articles 1 through 5 are Town Officials and Zoning Articles.

Artiele 6.

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,756,400. Should this article be defeated, the default budget shall be \$3,786,926, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Roberta presented the article; she recognized Ellen to explain the budget. Ellen explained the increases and decreases to the hudget, which included health insurance premiums, Mutual Aid 6% increase, we will have four elections this year and hours have been increased for the Deputy Town Clerk. We have a decrease in heating oil cost, the gas and diesel costs heave decreased as the town has made an agreement with the Sunoco station giving us a 40 to 50 cent less than premium cost. The BOS voted to decrease the percentage of health insurance premiums for newly employed from 90% to 80%.

Tom Concys said the BAC did not approve the budget, they recommended a budget equal to or less than last year. BAC feels that savings could be used for road paving, the \$ 35,000 wage pool is not appropriate, as raises have been given out over the past few years totaling more than that. They do however feel that there should be wage increases in the patrol officer level to help the chief maintain his officers; they felt that after seeing the report of wages of officers in surrounding towns that there should be an increase.

Arwen Mellor suggested that the budget was thought out hetter than the previous budgets and the BAC is acting like a spoiled brat, she feels with a well thought out budget and saving \$30,000; as a tax payer other than saying I don't want that and go to default budget doesn't make any sense.

After more comments from the floor, a motion was made to move the question with a second. A voice vote was taken the question was moved. Craig Clark made a motion to restrict reconsideration with a second, a voice vote was taken, the motion to restrict reconsideration passed. YES – 858 NO - 357

Article 7.

To see if the Town will vote to raise and appropriate the sum of \$74,011 for the purpose of making the last lease payment on the fire truck lease. This lease agreement contains an escape clause.

Dan Aho presented the article; he explained that this is the last of a five-year lease payment, so please vote ves.

YES - 1105 NO - 133

Article 8.

To see if the Town will vote to raise and appropriate the sum of \$18,000 to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established.

Bob Hamilton presented article 8, he stated that the bridge has to be replaced or the bridge will be closed, the BOS strongly recommends a yes vote for this article.

Rick Donovan was recognized to speak, he stated the bridge was red flagged 5 years ago, we need to build up capital, will be working with NH Emergency Management and Fema over 2016 and beyond for a grant which would come up with about 50% of hard cash for this bridge. So putting in this footing and foundation will show our good faith to the NH Emergency Management and Fema.

YES – 1023 NO - 208

Article 9.

To see if the Town will vote to raise and appropriate the sum of \$28,000 to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. This will be a non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2020, whichever is sooner.

Roberta Oeser presented article 9, she stated the State of New Hampshire mandates that we have to reval every 5 years; instead of paying for it all at once; we are saving for it.

YES - 797 NO - 427

Article 10

To see if the Town will vote to add to the purposes of the Public Safety Revolving Fund the purpose of training of first responders.

Dan Aho presented article 10, a yes vote would expand the purpose of the public safety revolving fund for training for our first responders.

Rick Donovan stated that the revolving funds will be utilized to certify all the first responder classes and the classes are open to outside department which pay money to the town, we need a this mechanism to utilize the funds going in and out so the program will be self-funding and no money from the tax payers. YES - 1064 NO - 173

Article 11.

To see if the Town will vote to raise and appropriate the sum of \$65,000 for the purpose of purchasing a used flail boom mower for brush cutting and roadside mowing.

Bob Hamilton presented article 11, the BOS has recommended the article.

Mike Cloutier stated the tractor had been purchased in 1993, it is well beyond its useful life, and the mowing function is decreased due to age, wear and tear. It is not able to sweep and mow at the same time. It has had

frequent breakdowns and the parts are very difficult to find. A new John Deere is \$125,000; this used one only has 1,200 hours on it is in very good shape.

YES - 496 NO - 735

### Article 12.

To see if the Town will vote to raise and appropriate the sum of \$43,632 for the purpose of purchasing a GMC 3/4 ton pick-up truck with plow and equipping the truck with emergency lights to replace the 10 year old pick-up truck/plow, said amount to be offset by trading in the old truck for \$10,000. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 2 opposed.)

Roberta Oescr presented article 12. Jason Paolino of the CIP Committee spoke on the article; he stated the purchase would be to replace the 10-year-old \(^3\)4-ton pickup. The current pickup has 135,000 hard miles on it; it required \(^52,700.00\) in repairs last year in order to pass inspection. The trade-in value is approximately \(^510,000\) due to a diesel motor and the stainless plow, after the \(^510,000\) is used to offset the \(^543,000\) the true cost to taxpayers is \(^534,000.00\).

YES - 751 NO - 473

### Article 13.

To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of replacing and relettering the body of Rescue 1 and authorize the withdrawal of \$25,000 from the Fire Department Equipment Capital Reserve Account created for that purpose

Dan Aho presented article 13. Rick Donovan stated the vehicle is 18 years old; and the body is deteriorating. We could get another 7 to 10 years out of the truck by taking the box body off the truck and replacing it with a fiberglass rescue body with compartments that will extend throughout the body which are easily accessible and we would be able to store more equipment on it. This would give the CIP Committee and us more time to adequately plan for a new rescue vehicle.

Bob Hamilton noted that the \$25,000 would not affect the tax rate.

YES - 990 NO - 254

### Article 14.

To see if the Town will vote to raise and appropriate the sum of \$60,000, and to authorize the total amount to be withdrawn from the Library's Restricted Funds, for the purpose of developing construction plans, specifications and bidding documents for the expansion of the Ingalls Memorial Library.

Bob Hamilton presented article 14, he stated the money is in hand, it has been raised by fund raisers by the trustees they are just looking for permission by the voters to use it. Flo Marsh said it would be used to get plans that are more detailed for the construction of the extension that would take them through the bidding and construction period.

YES - 897 NO - 348

### Article 15.

To see if the Town will vote to establish the Rindge 250 Expendable Trust Fund per RSA 31:19-a, for purpose of honoring the Town's 250th Anniversary and to raise and appropriate \$5,000 to put in the fund, with this amount to come from taxation; further to name the Selectmen as agents to expend from said fund.

Roberta Oeser presented article 15; she stated in 1968, we had our bicentennial parade, and Linda Brummer was the Queen of the bicentennial parade in 1968. Roberta stated it is not a party it is honoring our towns history and it is very important to do this every fifty years so that people around remember it from the last time. It is important to start the fund; other organizations in the area will contribute to the fund.

YES - 678 NO - 559

### Article 16.

To see if the Town will vote to allow the Selectmen to sell at public auction the following vacant parcel of land: a 1.25 acre vacant lot at Cromwell Court (Map 6, Lot 26-3-1).

Dan Aho presented article 16, he stated it is a small parcel of land that is part of a subdivision what is called Cromwell Court, which was taken for taxes, by the town in 2002; this parcel was left out by mistake, in order to sell this parcel at auction a town meeting vote is required.

The proceeds would go into the general fund, which is part of the CIP Plan.

YES - 1120 NO - 151

Al Lefebvre made a motion to restrict reconsideration seconded by Craig Clark; a voice vote was taken the motion to restrict reconsideration passed by voice vote.

### Article 17.

To see if the Town will vote to allow the Selectmen to sell at public auction the following interest in vacant land: a 1/3 interest in a 22 acre parcel of vacant land on Rand Road (Map 2, Lot 15) along with the other 2/3 interest taken for taxes.

Bob Hamilton presented article 17, it is a 22 acre lot, which was owned by 3 people, they each would be billed 1/3 of the taxes, 2 of the 3 people didn't pay the taxes, the land was taken for non-payment of taxes by the town, we own 2/3 of the land. The third person who did pay their taxes offered to donate their portion of the land. The board is looking for permission to sell the donated portion of the land.

YES – 1093 NO - 151

### Article 18.

Shall the Town vote to oppose approval by both Federal and State Regulatory Agencies of the Northeast Energy Direct project proposed by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) for construction and installation of a natural gas pipeline because the proposal is inconsistent with the Town's goal of protecting and preserving its aquifers, drinking water including community and private wells, wetlands, streams, and other bodies of water and the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company, LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project. This Article shall be non-lapsing until rescinded.

Dave Tower read the article, petitioner Maryann Harper presented a power point. She pointed out she was told by the town that the article presented last year had lapsed therefore there is wording in this article stating it is non-lapsing until rescinded. The Rindge Pipeline Awareness Group is working very hard fund raising, trying to get the word out without costing the town any money and she ask for the communities support.

YES - 972 NO -282

Article 19.

Shall the Town vote to deny permission to the Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company), its representatives, contractors, sub-contractors or associates to enter any Town-owned property, including but not limited to Converse Meadow, to perform surveys in furtherance of a pipeline infrastructure project. Any such physical entry onto Town-owned property for such purpose will be considered unauthorized, and treated as trespass and prosecuted as such. This Article shall be non-lapsing until rescinded.

YES - 985 NO - 278

Al Lefebvre made a motion to restrict reconsideration, seconded by Craig Clark a voice vote was taken the motion to restrict reconsideration passed by voice vote.

The meeting concluded at 11:10 am.

Many a & Mart

Respectfully submitted,

Nancy A. S. Martin Rindge Town Clerk

September 19, 2016

To the Board of Selectmen Town of Rindge, New Hampshire

In planning and performing our audit of the basic financial statements of the Town of Rindge, New Hampshire for the year ended December 31, 2015, we considered the Town's internal control structure to determine our audit procedures for the purpose of expressing our opinions on the basic financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of matters that are an opportunity for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding these matters. We previously reported on the Town's internal control structure in our report dated September 19, 2016. This letter does not affect that report or our report on the basic financial statements dated September 19, 2016.

The purpose of this letter is to provide constructive and meaningful recommendations to you.

Vachen Clukan & Company PC

Sincerely,

Vachon Clukay & Company PC

### TAX LIEN REDEMPTION NOTIFICATION

### Observation

During our audit procedures over the tax lien process we noted that the tax collector did not register tax lien redemptions with the register of deeds within the 30-day period required by RSA 80:70.

### **Implication**

The Town is not in compliance with State lew. Per RSA 80:70, when full redemption is made, the tax collector shall within 30 days after redemption notify the register of deeds of the act. Failure to notify the register of deeds in a timely manner may create future problems should property ownership be transferred.

### Recommendation

We recommend that the tax collector review any tax lien redemptions and properly register those completed redemptions with the register of deeds on a monthly basis, in order to be in compliance with State law.

2. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Accessory Dwelling Unit Ordinance and generally described as follows:

To amend the Accessory Dwelling Unit Ordinance by revising the 4<sup>th</sup> bullet under the "Requirements/Limitations" section as follows:

"An ADU shall only be permitted in a principal dwelling unit in which the owner of record of the property will personally reside in either the principal dwelling unit or the ADU; except for bona fide temporary absences."

(The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to bring the Accessory Dwelling Unit Ordinance into compliance with a new State Statute that will take effect on June 1, 2017 (Senate Bill 146).

3. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Accessory Dwelling Unit Ordinance and generally described as follows:

To amend the Accessory Dwelling Unit Ordinance by revising the 9<sup>th</sup> bullet under the "Requirements/Limitations" section as follows:

"The gross living area of an ADU shall not be less than 300 square feet or shall not be greater than 750 square feet for principal dwelling units less than 2,250 square feet or shall not be greater than one third (33.3%) of the total floor area of the principal dwelling for principal dwelling units 2,250 square feet or greater."

(The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to bring the Accessory Dwelling Unit Ordinance into compliance with a new State Statute that will take effect on June 1, 2017 (Senate Bill 146).

4. Are you in favor of the adoption of this Amendment to the Town of Rindge Zoning Map as proposed by the Planning Board and generally described as follows:

To amend the Zoning Map such that all of Map 33 Lot 12-1 lies within the Village Zoning District and all of Map 6 Lot 35-3 lies within the Residential Agricultural Zoning District. Currently, the two parcels are bisected by the Zoning District Line due to a recently approved lot line adjustment between the parcels. This will result in each parcel being entirely within a single Zoning District.

(The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to have each parcel fall entirely within a single Zoning District and for the Zoning District line to follow the property lines.

5. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance and Town of Rindge Impact Fee Ordinance and generally described as follows:

To amend the Zoning Ordinance by repealing the Impact Fee Ordinance in its entirety. The Impact Fee Ordinance was enacted pursuant to RSA 674:21 as an Innovative Land Use Control and adopted on March 8<sup>th</sup>, 2003. Impact Fees will no longer be collected for any occupancy permits obtained on or after January 1<sup>st</sup>, 2017.

(The Planning Board recommends this amendment. Vote: 6-1-0)

This amendment is intended to no longer assess and collect impact fees as an innovative land use control for new development in the Town of Rindge.

6. To see if the Town will authorize the Selectmen to enter into a long-term lease/purchase agreement in the amount of Four Hundred Twenty Five Thousand (\$425,000) Dollars payable over a term of 5 years for a new fire truck for replacement of Engine One and to raise and appropriate the sum of Ninety Three Thousand (\$93,000) Dollars for the first year's payment for that purpose.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 4 in favor, 3 opposed)

(3/5 ballot vote required)

A "yes" vote would authorize the Board of Selectmen to enter into a 5 year lease/purchase agreement to fund the replacement of Engine One in five annual payments, the first payment being approximately \$93,000. The Town will own the fire truck at the end of the lease term. This is a "capital lease" as there is no escape clause requiring an annual appropriation. The lease payment will be in the annual budget for subsequent payments. The approximate interest rate is 2.28% over the five year term of the lease. The proposed appropriation of \$93,000 represents an increase of \$7.20 on the tax bill for a \$200,000 house which is derived by subtracting last year's expired lease payment from the proposed 2017 payment.

7. To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million Eight Hundred Ninety One Thousand and Twenty Three (\$3,891,023) Dollars. Should this article be defeated, the default budget shall be Three Million Seven Hundred Ninety Three Thousand and Seven Hundred and Seventy Five (\$3,793,775) Dollars, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would approve the operating budget of \$3,891,023. A "no" vote would result in a default budget of \$3,793,775.

8. To see if the Town will vote to authorize the Selectmen to enter into a five year lease/purchase for Four Hundred Twenty Five Thousand (\$425,000) Dollars for the purpose of leasing a fire truck for replacement of Engine One, and to raise and appropriate the sum of Ninety Three Thousand (\$93,000) Dollars for the first year's payment for that purpose. The lease agreement contains an escape clause.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.)

(Majority vote required)

This article will be null and void if Article 6 passes.

This is the same truck as Article 6. If Article 6 does not pass by a 3/5 majority, a "yes" vote would authorize Board of Selectmen to enter into a 5 year lease/purchase agreement to fund the -replacement of Engine One the first payment being approximately \$93,000. The Town will own the fire truck at the end of the five year lease term. This is a "lapsing lease" i.e. there is an escape clause requiring an annual appropriation for the each year's lease payment. The approximate interest rate is 2.39% per annum. The proposed appropriation of \$93,000 represents an increase of \$7.20 on the tax bill for a \$200,000 house which is derived by subtracting last year's expired lease payment from the proposed 2017 payment.

9. To see if the Town will vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would deposit \$18,000 into the account established in 2012 for replacement of the Wellington Road Bridge. This bridge is on the State's list of bridges which must be replaced, the cost of which is estimated to be \$730,000. The Town has applied for State Bridge Aid which would cover 80% of the cost, if approved. The Town must save \$146,000 (its 20% portion of the cost) between now and 2020. The Town appropriated \$18,000 into the account in 2012, \$18,000 in 2013 and \$18,000 in 2014 and \$18,000 in 2015 and \$18,000 in 2016. This year's appropriation would bring the total amount in the account to \$108,000. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.

10. To see if the Town will vote to raise and appropriate the sum of Twenty Eight Thousand (\$28,000) Dollars to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. This will be a non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2020, whichever is sooner.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would authorize the deposit of \$28,000 to save for the 2020 Revaluation, which is required by law. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.

### 2017 Town Warrant with Explanations

11. To see if the Town will vote to raise and appropriate the sum of Seventy Five Thousand (\$75,000) Dollars for the purpose of purchasing a used Tractor with Flail Boom Mower for brush cutting and roadside mowing and to authorize withdrawal of Seventy Five Thousand (\$75,000) Dollars from the unassigned fund balance for this purpose.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 4 in favor, 3 opposed.)

- A "yes" vote would authorize the purchase of a used Tractor with Flail Boom Mower for brush cutting and roadside mowing. This will replace the brush cutting function of our 22 year old mower/sweeper. The sweeper function will remain in service. Since the amount of the appropriation will come from the unassigned fund balance, there is no tax impact. This is part of the money the Town raised from the sale of tax deeded properties in 2015.
- 12. To see if the Town will vote to raise and appropriate Five Thousand (\$5,000) Dollars to put in the Rindge 250 Expendable Trust Fund per RSA 31:19-a for purpose of honoring the Town's 250th Anniversary, with this amount to come from taxation.

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 4 in favor, 3 opposed.)

- A "yes" vote would authorize the deposit of \$5,000 to continue saving for the Town's  $250^{th}$  Anniversary in 2018. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.
- 13. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty Five Thousand (\$165,000) Dollars for the purpose of purchasing an International 4900, #8, six-wheel Dump/plow Truck to replace the 2000 six-wheel Dump/plow Truck, and to authorize withdrawal of One Hundred Twenty Five Thousand (\$125,000) Dollars from the unassigned fund balance for this purpose, with the remaining Forty Thousand (\$40,000) Dollars to be raised by taxation.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

- A "yes" vote would authorize the purchase of an-International 4900, #8, 6 Wheel Dump/plow Truck with plow attachments to replace the 2000 6 Wheel Dump/plow Truck which has required extensive repairs. The truck will be equipped with items such as radio and emergency lights. \$125,000 of the appropriation will come from the unassigned fund balance with no tax impact (this is part of the money the Town raised from the sale of tax deeded properties in 2015) and \$40,000 will be taxpayer funded, the proposed appropriation of \$40,000 represents \$15.20 on the tax bill for a \$200,000 house.
- 14. To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand (\$35,000) Dollars for the purpose of purchasing a Fire Prevention vehicle to replace the current 2008 Dodge Fire Prevention vehicle, and authorize the withdrawal of Thirty Five Thousand (\$35,000) Dollars from the Fire Department Equipment Capital Reserve Account created for that purpose.

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.)

A "yes" vote would authorize the purchase of a Fire Prevention and First Response vehicle with multiple uses, including daily inspections, medical call response, night and weekend duty officer functions, trailer pulling, supplies delivery, brush fire assistance/transport, winter storm calls and dry hydrant winter maintenance. The full cost of the vehicle will be funded by a withdrawal from the Fire Department Capital Reserve Fund resulting in no impact on the tax rate for this Article.

15. To see if the Town will vote to raise and appropriate the sum of Eighty Thousand (\$80,000) Dollars for the purpose of purchasing generators for the Recreation Department and the Town Office, said amount to be offset by a FEMA grant or other grants, if awarded. Only those generators which are fully paid for by a grant or grants will be purchased.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would authorize the purchase of two generators, one for the Recreation Department and one the Town office. The Recreation facility on Wellington Road is a designated Emergency Shelter and the Town Office is a designated secondary Emergency Operation Center. Since the generators will only be purchased if there is full grant funding, there is no impact on the tax rate.

16. To see if the Town will vote to approve acceptance of the COPS Grant of One Hundred Twenty Five Thousand (\$125,000) Dollars by the Board of Selectmen, said grant to subsidize the wages and benefits of hiring the 8th police officer for the next 3 years as part of a four year obligation under the Grant.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

A "yes" vote would approve the acceptance of the US Department of Justice COPS grant by the Board of Selectmen to subsidize the wages and benefits of the 8th full time police officer who was hired in January, 2017. As summarized in the table below, the proceeds of the grant would be disbursed over the first three years of the four year grant period, and the Town would fully fund the position in the fourth year of the grant period. If acceptance of the grant is approved, the tax impact on a \$200,000 house will be reduced by \$20.60 for 2017

Federal (May cha	Federal Funding vs. Estimated Local Funding Requirement if Grant Accepted (May change if Officer's Salary & Benefits package of \$57,944/yr changes in future)							
Year Federal Funding Estimated Local Funding								
1	\$54,017	\$3,928						
2	\$41,572	\$16,372						
3	\$29, 411	\$28,533						
4	0	\$57,944						
4-Yr Total	\$125,000 (54% of Est. 4-year cost)	\$106,777 (46% of Est. 4-year cost)						

17. To see if the Town will vote to discontinue completely any portion of the former location of Old Ashburnham Road that lies within the limits of or along the boundaries of Map 4, Lots 17, 3-3, 4, 4-1, 11-1-3, or 15-1 as shown on the 2014 Rindge Tax Map. Said portion of Old Ashburnham Road to be discontinued begins at a point approximately 1,380 feet southerly of the intersection of the southern right-of-way line of NH Route 119 and the eastern right-of-way of the present traveled way of Old Ashburnham Road and continues in a generally southerly direction through

Tax Map 4, Lots 17, 4, 4-1, 11-1-3, and 15-1 to the northern right-of-way line of the present traveled way of Old Ashburnham Road at the intersection of Ferin Road. No portion of the present traveled way of Old Ashburnham Road is intended to be discontinued as part of this article.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

In 1840 the present traveled way of Old Ashburnham Road was laid out from NH Route 119 thence in a generally southerly direction to a point near Ferin Road for the benefit of School District #3 students. At this time the Court of Common Pleas (located at the Cheshire County Superior Court) was required by law to act on behalf of a petitioner's request to layout any road that connected to another town. Said Court of Common Pleas was petitioned to layout the present traveled way of Old Ashburnham Road. Their request was granted. Rindge ancient record books indicate there was some discussion about discontinuing a portion of the former layout of Old Ashburnham Road (Pre 1840). A discontinuance of the former Old Ashburnham Road would have also required a favorable vote by the Court of Common Pleas. Said Court records do not conclusively indicate a discontinuance of the Pre 1840 portion of Old Ashburnham Road. According to the ancient town record books, the Town acted to discontinue the pre 1840 portion of Old Ashburnham Road, but the Court of Common Pleas would have had to approve of the Town's decision to discontinue and there is no record that the Court did so. A "yes" vate would completely abandon the pre 1840 layout of Old Ashburnham Road shown running through Rindge Tax Map 4, Lots 17, 15-1, 11-1-3, 4-1 and 4. All abutting land owners were notified prior to Deliberative Session and no objections were raised

18. To see if the Town will vote to authorize the provisions of RSA 36-A:4-a,I(b) to authorize the Conservation Commission to expend funds for contributions to "qualified organizations" as defined by section 170(h)(3) of the Internal Revenue Code for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the Town will retain no interest in the property. (Not recommended by the Board of Selectmen, 1 in favor, 1 opposed, 1 abstention.)

A "yes" vote authorizes the Rindge Conservation Commission to use money from the Canservation Fund in support of land trusts (Monadnock Conservancy, SPNHF, etc.) seeking to establish conservation easements on privately owned property in the Town of Rindge. Contributions could support purchases of development rights, or could facilitate other aspects of the process of establishing a conservation easement. Because such contributions further the protection of natural resources in the Town of Rindge, they are considered to be a public benefit while having no impact on the town operating budget.

19. Does the Town want the Board of Selectmen to recommend using the Electric Light Trust Fund to offset tax impact by using it to fund, or partially fund the purchase of capital expenditures for needed equipment in future years?

This has no tax impact. The purpose of this article is to make the residents familiar with the Electric Light Trust Fund and the purpose for which it was established circa 1956. The Fund was established for capital expenditures but has not been used for that purpose since established. The Fund has grown to over \$1,000,000 and will enable the Town to fund capital needs over the next few years, if the voters agree with future requests from the Board of Selectmen to expend from this Fund. Withdrawing from the Fund requires a 3/5 majority.

2017 MS-636

2017 Default Budget

### Rindge

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

187 Owners with land in Current Use

256 Parcels in Current Usc

183 Acres receiving 20% Recreation Adjustment

17.84 Acres removed from Current Use in 2016

The Rindge Selectmen established the Rindge Beautification Committee in the early 2000's for the purpose of improving the appearance of the public buildings in Rindge. The areas that are maintained are the Smith Pavilion on the Common, the Police Station, the Recycling Center, Ingalis Memorial Library "Butterfly Garden", the Town office buckets, the front entrance to the Recreation Center and 11 Buckets at Wellington Field. These gardens and flower buckets are planted and maintained from Spring through Fall by a small committee of local women. At this time there are 4-5 women who spend their time, energy and love for gardening caring for these gardens. Volunteers are needed in assisting the Beautification Committee with the many tasks we handle, so all would be welcome to join us in our efforts. Sadly, there are areas at the Town Hall that need desperate attention and overhaul but have been unable to be taken care of due to lack of help.

The RBC has to raise its own funds by requesting donations from local organizations. As stated in the past, 501c tax-deductible contributions may be made to the RBC for the upkeep of Rindge's public gardens. Any and all donations would be welcome to the RBC.

The Rindge Women's Club donated \$200 to cover the cost of the hanging geraniums for the Smith Pavilion and donated some of the perennials/annuals left over from their annual Plant Sale. Larry Cleveland presented the RBC with a check for \$200 from the members of "Save the Town" which was greatly appreciated. The Recreation Department budgets some funds for the upkeep of their building entrance and the buckets set up along the tennis courts and baseball fields. The RBC has purchased 8 new buckets that will replace the rotted ones taken out this past fall. Sunny Slope Farms and Ayotte Farms were generous in giving the RBC discounts on annuals & perennials and they were also generous in giving some leftover flats of annuals to plant. Resident Laurel Cameron added some whimsical accessories to the Butterfly Garden as you may have noticed. Emily Golinsky and some campers from Camp Starfish volunteered a day in July to water and weed the gardens at the library and Recreation Center. Thank you to all who contributed to the Rindge Beautification Committee. All efforts are appreciated.

THANK YOU RBC MEMBERS

The Zoning Board of Adjustment is a quasi-judicial Town board that considers applications for relief of zoning ordinances and considers appeals of administrative decisions. The Board is made up of five regular members and three alternates. Hearings are held the fourth Tuesday of every month as needed.

The Board heard twelve cases this year, of those, five were for Variances and seven were for Special Exceptions.

I would like to thank all the members of the Board, the Clerk and the Planning Board Administrative Assistant for their time and efforts in 2016.

Respectfully submitted,

Range Dening

David G. Drouin

Chair

The Budget Advisory Committee again met a number of times this year. Four of those meetings were joint meetings with the Selectmen and department heads so we could all hear the same budget presentation. One was held with the Capitol Improvement Committee and again when the CIP committee presented its recommendations to the Selectmen. The committee also met a number of other times after joint meetings to discuss information received at the joint meetings.

The budget review process this year was a challenge again for the committee. Budget proposals were received in pieces from the financial director typically just prior to joint meetings. This made reviewing the entire budget and making any recommendation difficult. In the end, the committee's budget recommendation to Selectmen was made without a finalized budget proposal. Lacking a final budget proposal we voted to recommend a budget that was less than \$3,900,000. This figure was approximately \$40,000 lower than the un-adjusted budget numbers available at the time. The Selectmen finalized the ensuing year's budget proposal at \$3,891,023 roughly \$9,000 lower than the committee's recommended target. However, this still represents a budget increase of \$134,623.

The proposed budget has a number of increases contained in it this year. Primarily, the addition of an eighth (8<sup>th</sup>) police officer position. This represents a large portion of the budget increase; roughly \$60,000 dollars. Other increases are the result of escalating fixed costs associated with employee wage and benefits: i.e. increases in town funded retirement contributions, health insurance, workers compensation and wage increases.

Other non-wage and benefit operating costs such as gasoline, repairs and maintenance, building repairs, waste removal, road maintenance etc. are being held to reasonable levels in order to support the services taxpayers are accustomed too.

A lot of effort was expended by the Capitol Improvement Committee this year to educate the Budget Advisory Committee on the requests of the department heads for various equipment needs. At least one or more of the BAC members attended most meetings of the Capitol Improvement committee. There is a desire by the Budget Advisory Committee to ensure town departments have good equipment. However, committee members are not unanimous in supporting the justification of the department heads and the recommendations of the CIP committee.

Looking forward, budget increases can be expected to continue in the wage and benefit areas of the operating budget, which is an area the Budget Committee has been concerned about. While fuel costs remain low, general operating costs should remain reasonably constant if no major changes in operations occur. Also, the 2017 warrant has a number of items that if approved by voters will result in significant increases to future budget proposals. With these items in mind, the Budget Advisory Committee will continue to be challenged further to question, search for alternatives and other options while reviewing future budgets and capitol items.

Thank you to all the Budget Advisory Committee members for their time to review the proposed 2017 operating budget and special warrant articles on the taxpayers' behalf.

Thomas Coneys, Chairman

Members: Thomas Coneys, Don Cook, Sharon Rasku, Andrew Alajajian, Kale Stenersen, Rick Sirvint, Roberta Oeser (Selectman, Ex-Officio)

The Rindge Building Department conducted over 500 compliance inspections in 2016. In 2017 we will continue to update the application process to ensure clarity and user friendliness. We will continue to look at ways to clarify the process for obtaining the necessary permits and documentation for commercial and residential buildings, occupancy and operation permits. This information will hopefully help the permit process go smoothly. In 2017 we will continue to update the town's new website with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued eleven (11) Residential Single Family Dwelling Permits, one (1) with an ADU; five (5) Replacement Single Family Dwelling; two (2) Residential Multi-Family Permits; one (1) Commercial Building; eighty-five (85) Residential Accessory Permits; fourteen (14) Commercial Accessory Permits; two (2) Swimming Pool/Hot Tub; seven (7) Demolition Permits; one hundred thirteen (113) Electrical Permits; eleven (11) Solar Array Systems; forty-two (42) Plumbing Permits; ninety-one (91) Fire Safety Permits; fifty (50) Mechanical Permits; twenty (20) Occupancy Permits (18 single-family dwelling, 0 multi-family units, and 2 commercial).

Plumbing Permits: \$3,905.00

Filling Fees: \$525.14

### REVENUE SUMMARY:

Building Permits: \$27,830.02 Electrical Permits: \$8,625.00

Mechanical Permits: \$3,080.00 Fire Safety: \$4,305.00 Reports: \$77.25 Impact Fees: \$55,824

Fireworks: \$240.00

TO THE REVOLVING FUND:

Restitution: \$9,645.23 Details: \$24,212.86

### PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including Remodeling, Additions, sheds, outbuildings, decks, pools, sundecks, Demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolishing, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

Respectfully Submitted,

Rickard J Donovan

Director of Public and Life Safety

A Capital Improvement Plan (CIP) is a planning and fiscal management tool used to coordinate and finance capital improvements over a multi-year period. The CIP focuses on items such as roadways, buildings, vehicles and pieces of equipment that have long service lives, and large costs of replacement.

The purpose of the CIP is to forecast and match projected revenues and capital needs over a multi-year period. Long range capital planning is an important management tool that strengthens the ability of the Town to meet and finance its capital needs. A properly developed CIP will do the following:

- Coordinate capital needs with the Town's operating budget
- Provide careful financial planning to avoid sudden spikes in the Town's tax rate
- · Identify the most economical means of financing
- Insure that the Town's vehicles, equipment, roadways and buildings are in good, serviceable condition

The Rindge CIP has received varied levels of success over its past twenty years of existence. Between 1997 and 2006, the Town voted for regular contributions to the CIP reserve accounts of over \$200,000 annually. This was a sustainable level of funding to ensure the efficient replacement of Town-owned capital items. For a variety of reasons, from 2007 through 2014 the CIP program received little support. This created a serious back-log in town-owned capital needing replacement, resulting in inefficient and costly maintenance of equipment that was beyond its service life, and an increasing risk to public safety. Since 2015, the CIP Committee has once again regained the support and confidence of the tax payer while actively catching up on the replacement of several long-overdue pieces of equipment.

Although still in the unfortunate position of making up for lost time, the CIP Committee has a well thought-out, long-term plan. The intent of the CIP is to utilize a minimal, yet responsible and stable, level of tax payer funding. This is to ensure our presently owned equipment and infrastructure is replaced before becoming too great of a financial burden for the Town to maintain, or creating an undue risk to public safety.

We are facing a "hump" of abnormally high CIP expenditures (about \$500,000 to \$750,000) this year and next as we continue to catch up, before we settle into a more stable and sustainable stretch. In order to minimize tax rate swings, this year's CIP related warrant articles are designed to offset much of their costs through the use of finite town resources. We propose to utilize \$200,000 dollars raised during the sale of town-owned, tax-deeded property in 2016 to offset the full cost of a used tractor with flail boom mower (Warrant Article 11), and to help offset 75% of the cost of a replacement dump/plow truck (Warrant Article 13). Both are long overdue for replacement. Next year, the CIP plan will again depend on revenues raised during a similar town-owned property sale, scheduled for the spring of 2017.

Although these revenues reduce the tax payer burden, these are single use "wild cards" that allow us to catch-up. Going forward, the CIP Committee is evaluating the responsible usage of the Electric Light Trust Fund. Our goal is to not touch any of the principle in the fund, but rather to benefit from the annual cash flow the Fund could create. Warrant Article 19 is our recommended first step in benefitting from this source of revenue for the Town.

We look forward to continue building on this year's solid working relationship with the Budget Advisory Committee (BAC) and Select Board, with a focus on prudent ways to minimize tax fluctuations to get us "over the

## Capital Improvement Plan Committee

hump" and into sustainable tax rate stability. We will continue to work closely with department heads on subsequent annual budgetary recommendations related to town-owned capital, and to refine the CIP plan accordingly. I encourage all tax-payers to take a minute to review our CIP plan, available in the town office and on the town website.

On behalf of the CIP Committee, I would like to express our gratitude to Ted Covert and Charlie Eicher, whose leadership provided to the Committee was greatly appreciated over the years, and Jane Pitt, who was instrumental in re-vitalizing the CIP in 2015 with the full support of the Select Board. I would also like to thank BAC members Don Cook for his enthusiastic involvement during our visits with department heads over the past year, and Sharon Rasku, who actively serves on the BAC, and acts as a liaison between both committees.

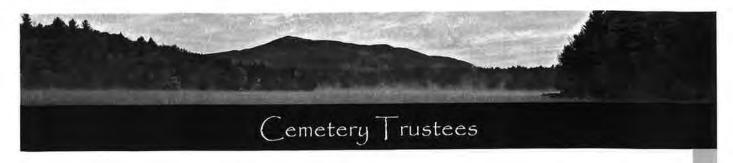

We are very grateful for the efforts of the BAC, as we have taken great strides to work more closely together this year on behalf of the tax payers of Rindge. We have held several joint meetings to discuss Committee findings and the long terms goals of the CIP plan, efforts which have proved very educational for both groups. Finally, thank you to all CIP Committee members for their dedication this past year to ensure town needs are met, while being mindful of keeping Rindge an affordable place to live. Respectfully,

Jason A. Paolino, Chairman

for a. Parlino

CIP Committee Members: Daniel Aho, Joseph Byk (Town Administrator), Craig Clark (Vice Chairman), Richard Isakson, Charles Mathis, Sharon Rasku, Ellen Smith (Finance Director, Committee Secretary), James Qualey (Selectman, Ex-Officio)

The CIP Committee meets the third Tuesday of each month at 5pm. Please join us! We would appreciate hearing your thoughts and suggestions.

With the generosity of the Rindge Athletic Men's Social Club, a new sign has been installed at the entrance of the Hillside Cemetery. This new sign matches the one they provided in 2014 for the Meeting House Cemetery. Thank you, RAMS.

The Cemetery Trustees are pleased to report that Hillside Cemetery will be expanded. Whereas Hillside Cemetery has only a few remaining burial lots for sale in the currently surveyed area, the Cemetery Trustees, Department of Public Works, and the Board of Selectmen undertook the development of an expansion plan for the remaining three acres. That area was surveyed and a plot plan was developed in 2016. Now, over the next several years, the Town will be able to extend the existing avenues and make several hundred burial lots available for sale. This expansion work will be done in phases by the Department of Public Works.

The Cemetery Trustees, as required by New Hampshire, establish cemetery regulations and maintains records, oversees the care of cemeteries, lot sales, and burials. A line item is included in the Rindge DPW Budget for cemeteries. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW Director, Michael Cloutier, serves as Sexton of our cemeteries.

In 2016 there were 6 full burials, and 8 cremation burials. Total revenue from grave openings was \$4700 and went into the Town General Fund.

In 2016 there were 7 full burial lots sold and 4 cremation lots sold. Total revenue from sales was \$3,600; of that \$2125 went into the Perpetual Care Trust Fund and the remaining \$1475 went into the Town General Fund.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their on-going care of Rindge cemeteries.

Respectfully submitted,

Burton Goodrich, Chairperson

Burt Gradich

Cemetery Trustees: Tim Derr Burt Goodrich Ken Raymond Mike Cloutier, Sexton

The Rindge Board of Selectmen is responsible for enforcing town zoning and sign ordinances, land use decisions of the Planning Board with conditions attached, and Board of Adjustment (ZBA) decisions.

The Board has appointed the Code Enforcement Officer to carry out these responsibilities as the need arises.

Generally, people who violate town ordinances are unaware that the ordinances may prohibit or restrict their activities. Do you know the building setbacks in your District? Do you know in what District your property rests? Do you know how far from a stream or the lake shore you may erect a shed or a deck or remove trees? Generally, a telephone call to my office is sufficient to learn the Zoning Ordinance's requirements. Sometimes a visit is needed.

Fortunately, the list of situations I am actively monitoring remains small. Most violations involve unregistered or junk vehicles, truck tires, or a new shed or deck constructed within a setback or without the required Building Permit.

I represent the Board of Selectmen at ZBA hearings, interpreting applicable laws or regulations when asked Some cases call for a Variance from town ordinances and others a Special Exemption for a permitted action, such as constructing an apartment (which we call an Accessory Dwelling Unit, or ADU) which requires approval from the ZBA.

If you need assistance to review a neighborhood situation or have a zoming question, please let me know (my extension is 113) Mondays, Wednesdays, or Fridays during business hours.

Respectively submitted,

David E. Du Vernay

Rindge Code Enforcement Officer

Davenny

The New Hampshire legislature has enacted HB 316 in 2011 which states:

### "I. In this section:

'Involuntary merger' and 'involuntarily merged' mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

'Owner' means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.'

'Voluntary merger' and 'involuntarily merged' mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

The request is submitted to the governing body prior to December 31, 2017.

No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots."

- III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.
- IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.
- V. The restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances."

If you need any assistance in understanding the import of this legislation or its applicability to you, please do not hesitate to inquire of the Town Administrator, Planning Director, or Assessing Clerk.

(This Notice must be posted prior to January 1, 2012 and remain posted until December 31, 2017.)

The Rindge Conservation Commission (RCC) strives to monitor and preserve the natural resources of Rindge. The Commission works with the public, other Town Boards and officials and the NH Dept. of Environmental Services to give advice and make recommendations in an effort to protect environmentally sensitive areas for today and for the future.

### **ACTIVITY HIGHLIGHTS:**

Pursuit of conservation land, easement acquisition and facilitation.

Conservation land and easement holdings management.

Wetland permit application reviews.

Environmental violation investigations and reports.

Promotion of environmental education.

### 2016 Activities:

The Commission conducted a residential well testing program with funding incentives for residents to have their wells tested for common health-related contaminants. We hosted a preliminary meeting to explain the process and value of testing, followed by a post-testing meeting to discuss test results and possible corrective action. We anticipate this program repeating in 2017, look for an announcement on the Town website.

The Commission initiated the preparation of a Natural Resources Inventory for the Town, to summarize the important natural features of the Town to help provide a well-informed basis for future land use decisions. We also engaged consultants to evaluate natural resources potentially impacted by the proposed pipeline including wetland evaluations and acoustic monitoring for bats.

The RCC sponsored the Harris Center Vernal Pool Training at The Meeting House, using the vernal pool at Rindge Memorial School for field work. This was followed by a program to locate, validate and register these precious habitats on public lands and, with permission, on private lands. In the course of these surveys, five Special Concern or Endangered species were identified and reported: Smooth Green Snake, Wood Turtle, Blanding Turtle, Banded Sunfish and a nesting pair of Osprey!

The RCC participated in four annual stewardship surveys of conservation easements conducted by land trusts holding easements in Rindge.

Eagle Scout candidate John Stanway of Troop 308 replaced a dilapidated bridge over a stream in Converse Meadow with a pressure treated lumber bridge, enabling users to cross the stream to the camping platforms without getting wet. Once again this year campers and councilors from the Audubon Camp Wildwood trimmed trails and installed trail markers in Converse Meadow to guide hikers around this Rindge gem of a property.

The Commission continued its partnership with Franklin Pierce University and the Pearly Pond Association in their continued water quality monitoring and soon to start corrective measures of Pearly Pond.

Every year the Audubon Society donates a camp scholarship to the Commission for a Rindge youth to attend the camp. Interested Rindge youth are encouraged to contact the Commission for consideration before May 1, 2017.

The Commission is made up of seven regular members and five alternates, we currently have alternate positions open and encourage anyone interested in serving to contact us. Commission members have over 85 years combined experience and there were over 600 volunteer hours in 2016 between commissioners and associated volunteers.

Property owners who wish to help insure Rindge's natural future and may be interested in conserving their land under easement should contact the Commission to discuss the range of possibilities.

Davil & Denin

David G. Drouin, Chair, RCC, January, 2017

The Economic Development Task Force's Real Estate Inventory Subcommittee's (REIS II) report was submitted to and approved by the Rindge Planning Board in early 2016. It is posted on the EDTF website. Its intent was fully explained in the 2015 Town Annual Report. This second subcommittee was again assisted by Assessment Clerk Dave DuVarney, in addition to valuable input from Interim Planning Director Kirk Stenersen.

The Task Force also completed an exhaustive review and revision of an April 11, 2011, Rindge Economic Development Initiative (REDI) Action Plan begun in September, 2014, and finalized on May 16, 2016. It was subsequently approved at the Rindge Planning Board meeting held on July 19th.

During the May EDTF meeting, a majority of the members indicated the task force has completed its charge and their participation has ended. This information was passed along to the Planning Board and their decision was to suspend EDTF activities.

Any future Task Force created for the same goal of overseeing and promoting economic opportunities, along with implementation of the revised Action Plan, has the potential to be a valuable asset to Rindge and its vision for the future.

There are too many people to thank for their time and dedication for the past several years since its inception, so all that is remaining is to simply respond with a "job well done".

Respectfully submitted,

Bruce Donati

### Emergency Management Department

The Rindge Emergency Management Department was approved for a grant to update the town's Local Emergency Operations Plan (LEOP). We started the project in May and worked on it until it was completed and sent the document to the state for approval in November. The grant is to help offset the cost with labor and materials to complete the update. The award amount of the grant is \$3,000. The Emergency Management Team met with all town department heads to review and update the plan. Now that the plan is submitted to the state for approval, we will schedule a table top exercise to test the plan.

In 2017 the team will file for a grant to update our Hazard Mitigation Plan, which will be updated in 2018. We will also research grants for Emergency Generators for town buildings, as well as for emergency shelters.

The LEOP and the Hazard Mitigation Plan must be updated and filed with FEMA every five (5) years in order to be in compliance with all Federal Grant requests.

I would like to take a moment to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful with many projects completed in 2016 that will enhance our capabilities in emergency situations.

Ron also assisted with many other projects within the fire station and EOC along with assisting with the water system renovation project.

In times of storm events, the Emergency Management Department asks all residents and visitors to respect all road barricades for closed roads and partially closed roads. We experience road barricades being run down or thrown off the roads into the woods or over the shoulder. These barricades are placed to indicate a hazardous condition and are placed for public safety. Your cooperation in this matter would be greatly appreciated.

In 2017 we will continue to implement a town-wide notification system. The department will utilize the Electronic Message Board trailer to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at Rindge Fire Department or Rindge Transfer Station entrance. We will also be working on approval to install a message center at the NH RT 119 & US RT 202 intersection.

I would also encourage all residents to install NH Alerts app on their cell phones and computers. This app allows us to send important information about affected areas of the town in an event, along with "what to do" messages. You can also find a wide range of valuable information regarding preparedness information and notifications at <a href="http://www.readynh.gov/">http://www.readynh.gov/</a>. I encourage all Rindge residents to visit the site and be prepared before an event happens. The team will also work on updating the town's website with important preparedness information and other storm related material. We will also be researching grants for equipment and other needs of the town. If you have any concerns, comments, suggestions, or interest in helping the Emergency Management Team in anyway, please feel free to contact Rick Donovan at 603-899-3324 or Deb Douglas at 899-5181 x109.

Respectfully Submitted,

Rickard J Donovan, Emergency Management Director

The Rindge Energy Commission began 2016 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Assist the school district in reviewing energy performance contract proposals for the district

The Energy Commission did not request warrant article funding for energy projects for 2016 and will not do so in 2017. Instead, the Energy Commission asks the voters to support a bond for an Energy Savings Performance Contract (ESPC) for the Jaffrey-Rindge School District. This project nearly pays for itself in energy cost savings over 20 years and also addresses essential replacement of old boilers, end of life oil storage tanks, and upgrades to heating and control systems which have to be tackled anyway. With the ESPC, JRSD can use the energy savings to help fund these necessary maintenance/infrastructure projects along with LED lighting, advanced controls and building weatherization. Much of the Energy Commission's work this year has been to support the JRSD Energy Committee.

The 2014 major project of installing mini-splits in the Fire Department office areas was expected to save approximately 500 gallons of oil per year and \$500 annually on electric consumption compared with resistive heating. In addition, this project met the RFD and DPW goal of heating the dispatch room. The configuration of the heating systems at the RFD has changed significantly, so while the project saved only 295 gallons of oil in 2016 compared with 2014; it also contributed to saving 1729 gallons of propane compared with 2014.

Use of propane to heat the bays of the Fire Station decreased from 2240 gallons in 2011 to 652.1 gallons in 2016 for a decrease of 1588 gallons or 70%. The Energy Commission, RFD and DPW identified a major heat loss problem from the bays due to an uninsulated crawl space that acted like a chimney to the roof; this issue was addressed in 2016 along with related plumbing issues.

Total energy costs at the Fire Station were down about \$4700 at approximately \$8107 in 2016 versus \$12,851 in 2014 before the heat pumps were installed, bay doors replaced, and the crawl space problem fixed.

### **Total Energy**

The Town of Rindge spent approximately \$18,919 less on energy consumption in 2016 compared with 2011. Rindge expended approximately \$67,954 in energy dollars (excluding transportation, but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2016. In contrast, Rindge spent \$83,076.04 in 2015 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011.

### Heating .

2016 was a warm year with 5453 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Although the Town used 1971 (13.25%) fewer gallons of oil than in 2011, it was a warm year and the savings should have been greater. The Energy Commission has identified a problem with the Meeting House oil

and electricity consumption that cannot be explained by occupancy changes or behaviors. Working with the DPW, the Energy Commission will help identify the cause of the problems and propose projects to address them.

### Electricity

In 2016, Electricity consumption for the town buildings was flat compared with 2011 usage levels. The Wellington Recreation building saw the largest increase of 55% over 2011. For the second year in a row, the Meeting House saw the next largest increase of nearly 40% over 2011 levels. In the case of the Meeting House, the Energy Commission has traced higher electricity usage to a seasonal peak associated with heating the shed for the sprinkler system. The Commission is recommending that the DPW install mini-splits to replace resistive heaters in the shed next year. Reduced fuel consumption at the Wellington Recreation building coupled with much higher electric consumption presents a puzzle that warrants an energy audit to determine the cause. Finally, the Police Department and Town Offices did an amazing job of reducing electricity consumption by over 17% and 26%, respectively!

The Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

The Energy Commission has recommended to the BOS that each department should have budget line items for energy usage in order to ensure that accountability for energy consumption rests with those who have control over building operation. The DPW should continue the excellent job it's been doing with procurement and energy efficiency projects.

Respectfully submitted,

Patricia A Martin, Chair

In 2017 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in a making a difference within their community as a first responder can contact Director of Life and Public Safety Rick Donovan at the Fire Station (899-3324) for details.

During the past year a couple members assisted with improvements to the fire station. Those improvements were designed to bring the station up to code in order to provide a safe, efficient and professional service to our citizens and visitors. Those improvements include renovation of the domestic and reverse osmosis water systems, remodeling the restroom, insulating crawl spaces, converting the electric hot water heater to an on-demand hot water heater, and improvements to the station's parking lot.

The Fire Department provides Fire Prevention and Education Programs at the schools and during public events. The department also offers Fire Safety Programs, Fire Prevention programs, Fire Extinguisher Training, and CPR and First Aid training to local businesses and their employees as well as to Rindge residents. The department also offers free Home Fire Safety Inspections to Rindge residents and performs mandatory annual State Fire Code inspections of town husinesses, public buildings and multi-family dwellings. If you are interested in more information about these programs, please contact us at 603-899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Come see us. The department has an open door policy and Rindge residents are invited to come visit the station during regular business hours to look at the town's emergency apparatus and equipment. Fire prevention materials are also always available.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

### **Mission Statement**

"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and ems trainings, infectious disease training and monitoring, and leadership training.

### FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multifamily dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

### CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Department's CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

Any resident interested in joining the department, please feel free to stop by the station to talk with any of the members. No experience necessary, we will train you.

### 2016 WILDLAND FIRE STATISTICS

(All fires reported as of December 2016)

	HISTORICAL DATA				
YEAR	NUMBER of FIRES	ACRES BURNED			
2016	351	1090			
2015	124	635			
2014	112	72			
2013	182	144			
2012	318	206			

CAUSES OF FIRES REPORTED (These numbers do not include the WMNF)								
Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.*
15	85	35	10	12	2	18	9	148

### REMEMBER, ONLY YOU CAN PREVENT WILDFIRES!

### **Burn Permits**

Permits will only be issued after the state "Daily Fire Danger Class" announcement at 3 PM.

### FIRE STATION

Mon - Fri 3 PM - 6 PM

### **TOWN OFFICES**

Mon. - Thurs. 3 PM - 4:30 PM

There will be no permits issued on Saturday, Sunday or Holidays, so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3PM on the Friday before, depending on the weather forecast. Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <a href="https://nhdflweb.sovsportsnet.net/">https://nhdflweb.sovsportsnet.net/</a> these are available 24hrs a day, weather dependent.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow, no fire permit is required. However, it is asked that you contact the Fire Department before burning.

The permittee will be required to have suppression equipment on site while the burning is being done and the fires will have to be totally extinguished or be constantly attended. Air quality regulations restrict the type of material burned in the open. Stumps, painted or treated lumber, tires, tubes, plastics, foam rubber and shingles are some of the prohibited materials (see Department of Environmental Services, Air Resources Division Open Burning Rules). Per Env-A 1001.05(g) "On-site burning, by the owner of a private, single-family residence occupied by the owner, of untreated wood, provided the material originates on site."

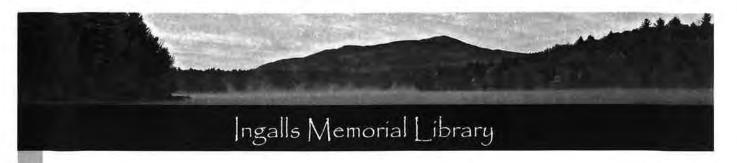

If you ignite a fire without a permit, the Rindge Fire Department will extinguish it at the owner's or responsible party's expense. (RFD Policy: \$250 base fee for UNAUTHORIZED BURNING).

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989. 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring into mid-November. Drought conditions hampered fire suppression efforts and extended the time needed to extinguish fires. Your local fire departments and the Division of Forests & Lands worked tirelessly throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at <a href="www.firewise.org">www.firewise.org</a>. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2017 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting <a href="www.NHfirepermit.com">www.NHfirepermit.com</a>. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or <a href="www.des.nh.gov">www.des.nh.gov</a> for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at <a href="www.nhdfl.org">www.nhdfl.org</a>.

I took over as Director of the Ingalls Memorial Library on November 11, 2016, after working with retiring Diane Gardenour, who held the position for 28 years, for three weeks. The transition went smoothly because of Diane, the staff, the Trustees, the Friends of Ingalls Library and our dedicated volunteers. I would like to thank them all for their help. I would also like to thank the residents of Rindge for welcoming me to their library.

It was a very exciting year for the library. On October 31<sup>st</sup>, the New Hampshire Division of Historical Resources added the Ingalls Memorial Library to the New Hampshire State Register of Historic Places. Many thanks to the 1894 Association for their efforts in making this happen. We are looking forward to a special celebration of this honor during 2017.

The Ingalls Memorial Library is open 35 hours per week: Monday, Wednesday and Friday, 10 - 5; Tuesday and Thursday, 2:30 - 8; and Saturday, 9 - 12. The Library was open 302 days and 1747.5 hours during 2016.

As of December 31st, there were 1962 registered borrowers. Of these, 157 were added during the year. Residents of Rindge, as well as those owning property or attending school in Rindge, are entitled to a free library card.

Registered users have access to the library's collection of 41,588 items. This includes adult, young adult and children's books, audio books and movies, magazines, puzzles, music, and a collection of large print materials. Registered users also have access to museum passes, generously provided by the Friends of Ingalls Library, and downloadable e-books and audiobooks through the New Hampshire State Library.

### Overview of Library Operations

Adult Materials Checked Out in 2016: 27,221	New Acquisition	ns		
Children's Materials Checked out in 2016: 25,905	Adult Books	880	Children's Books	454
Total Materials Checked Out in 2016: 53,126	Adult Media	231	Children's Media	101

Internet Use: 869 patrons used the internet computers at the library. Additional patrons used their own devices to access our free, 24/7 Wi-Fi.

Volunteer Hours: Our volunteers provided 590 hours of service during 2016.

Ingalls Memorial Library does more than provide access to printed, audio-visual and electronic materials. During 2016, Children's Room programs were attended by 2,428 people. Programs offered include Story Times, Lego Club, Pizza and Pages and Snacks & Stories. The Homeschoolers Group also met at the library for activities each month.

The Children's Summer Reading Program had 109 registered readers. Of these, 77 participants logged a total of 82,095 minutes during the eight-week program.

The theme for the Teen and Adult Summer Reading Programs was "Exercise Your Mind – READ". We had 23 registered teens, reading a total of 915.5 hours and 22 registered adults. This was the first year an adult summer reading program was offered.

Other programs held during the year included the very popular Fun Friday program, which was attended by a total of 143 people, a presentation by Rick Sirvint on the Battle of Little Big Horn, a special program about Willa Cather, the Classic Book Group, and the Scrabble Group. The library also hosts a monthly Genealogy program.

I'm looking forward to 2017. I hope to meet even more residents of Rindge as the library continues to offer more programs to the community.

Respectfully Submitted,

Donna Straitiff

The Meeting House built in 1796 is listed on the National Register of Historic Places and continues to look grand and beautiful as it anchors the center of Rindge. As approved by the Board of Selectmen, the Oversight Committee continued the interior beautification during 2016 including painting of ceilings and walls and resurfacing bare wood floors. The on-going work to paint both the exterior and interior of the Meeting House over the past four years is greatly improving its appearance and making it fresh, bright, and attractive for the Town's upcoming 250th anniversary in 2018. The Ralph and Gertrude Ward Trust Fund is generously providing full funding for these improvements to our historic Meeting House.

The parking area of the Meeting House was relined to accommodate general parking, ensure safety, and provide better emergency vehicle access.

Tim Derr, Rindge Historical Society
Burt Goodrich, First Congregational Church
Bob Hamilton, Selectman
Dick Isakson, Member-at-large

The number of development proposals reviewed by the Planning Board was down slightly in 2016 when compared to 2015. The Planning Board reviewed a total of 16 development proposal applications during the 2016 calendar year. Of the 16 applications, there were one Major Site Plan; three Minor Site Plans; one Excavation Permit (Renewal); one Major Subdivision; two Minor Subdivisions; four Technical Subdivisions; three Voluntary Mergers; one Planned Unit Residential Development.

The Planning Board submitted four warrant articles for the Town's consideration at the March 8, 2016 Town Meeting. Article 2 clarified what a quorum is for the Roadway Committee, article 3 clarified by what authority the Accessory Dwelling Unit Ordinance was adopted in March of 2006 and Article 4 clarified what documents are Ordinances and what documents are Regulations as outlined in the Zoning Ordinance. Article 5 was intended to allow for back lots in the Town of Rindge with certain restrictions on lot size and yard setbacks. Articles 2, 3 and 4 all passed and Article 5 did not pass.

The Planning Board Master Plan subcommittee, which consists of 10 members, including the Interim Planning Director, two Planning Board members, one Conservation Commission member, one Franklin Pierce University representative and five citizen members, continued to meet throughout 2016. The subcommittee finished its work to review chapter 1, the Vision Statement and chapter 2, the Land Use chapter of the Master Plan. The proposed amendments to chapters 1 and 2 were brought to the full Planning Board for consideration in 2016 and after the public hearing process the Board voted to adopt the revised chapters of the Master Plan at its meeting on April 5<sup>th</sup>, 2016.

Planning Board members and staff were involved with the meetings of the Economic Development Task Force, which has been suspended until the Planning Board and/or Selectmen decide to start it up again, and the Town Gown Committee during the 2016 calendar year. The Board also worked on a new "Blasting and Heavy Construction Activities Regulation" during 2016. It is anticipated that this new regulation will be brought forward to public hearing early in 2017, after Town Council finishes his review of the document. Members are also working on changes to zoning ordinances, results of which will be presented at the Town Meeting on March 14, 2017.

Kirk Stenersen continues to fill in as the Interim Planning Director on a part time basis and is in the office one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland, the Planning Board secretary, continues to do an excellent job and goes above and beyond her job description to keep the Planning Office working smoothly and efficiently. The Planning office staff will continue the organizing and updating of the electronic and paper files in an effort to further streamline the filing process. It is anticipated that this project will be wrapped up in 2017. The newly setup electronic filing system has been valuable in research on prior and potential applications and has increased the efficiency of the Planning Department. The proposed planning operating budget was once again reduced for 2017, this time around by approximately 18%. The Planning Board intends to continue with the reduced staffing in 2017.

It is anticipated that 2017 will include continued work on revisions to the Master Plan, finalization of Blasting and Heavy Construction Activities Regulation, review of the Site Plan Regulations, continued work with subcommittees to keep ordinances current and election and appointment of Planning Board officers.

Bruce Donati and Charlie Eicher both were re-elected to the Board at the March 8, 2016 Town Meeting. The Planning Board welcomed Bob Hamilton to the Board as the Ex Officio member in March of 2016.

# Rindge Police Department

## Honor~Integrity~Courage~Respect

## 2016 Annual Report

"The courageous are not deterred by fear or adversity. They simply acknowledge its presence and choose to continue." ~TM

This has been a very challenging year for law enforcement officers nationwide. The dangers of our job have claimed the lives of many of our brothers and sisters across the country as violence against law enforcement officers has escalated. Divisiveness, misinformation, and misperceptions have tainted public support in many communities

and complicated efforts to sustain relationships based on mutual respect, trust, and understanding. This, however, has not deterred the men and women of the Rindge Police Department from our primary mission to protect and serve our citizens. Thankfully, it has not deterred the vast majority of our citizens from supporting us. We appreciate the positive relationship we have with our citizens, and we pledge to uphold our core values of Honor, Integrity, Courage, and Respect as we carry out our duties. Together, we will persevere and ensure

that Rindge continues to be a safe and welcoming community for us all.

As in previous years, our staffing allocation posed our biggest obstacle in 2016. It directly impacted our ability to proactively address the needs of the community and placed additional stress on our officers to fill vacant patrol shifts. Officer Mark Griffin was deployed for military duty in March and Part-Time Officer David Blake retired. In addition, a key member of our team, Prosecutor Assistant, Michelle Szalanski, was on Medical Leave for several months. Fortunately, Administrative Assistant, Nick Roy, stepped up to help prepare criminal cases. Officer Max Rocheleau graduated the

academy in December of 2015 and finished field training in February. Part-Time Officer Amanda Swanson was recruited to

Swearing in ceremony for: Officer Rocheleau and Officer Swanson

join our department in February. She quickly became our anchor Part-Time Officer and filled the lion's share of our vacant shifts. Sergeant Dan Anair, Detective Jeff Seppala, Officer Rachel Malynowski, and Officer Tom Horne continued to demonstrate their dedication to our community by working extended hours and filling vacant shifts. Animal Control Officer Larry Harris continued to do what he has done for the last <u>57</u> years...serve the community in any way possible. As I have stated before, each of these people has our sincere thanks and appreciation for going above and beyond the call of duty while we searched for ways to alleviate our staffing concerns.

In an attempt to address our staffing shortage in a cost effective manner, the Rindge Police Department competed for a 2016 Department of Justice COPS Hiring Grant. Despite overwhelming odds, we were awarded \$125,000 over a three year period to offset the salary and benefits of an eighth Police Officer. After a Grant/Staffing Allocation presentation to community members, which drew unanimous support for an eighth Police Officer, The Board of Selectmen authorized a staffing allocation increase. The acceptance of the grant funds will be voted on as a warrant article at the Town Meeting in March. We would like to thank the many citizens who voiced their support at the presentation and our community partners who took the time to provide us with letters of support to enhance our application. Special thanks to:

New Hampshire Governor Maggie Hassan United States Senator Kelly Ayotte New Hampshire Senator Kevin Avard New Hampshire Representative John Hunt New Hampshire Representative Susan Emerson Franklin Pierce University President Andrew Card Jaffrey-Rindge Cooperative School District Rindge Chamber of Commerce Rindge Crime Watch
Jaffrey-Rindge Rotary Club
The First Congregational Church of Rindge
Walmart
Hannaford Supermarket
Market Basket Supermarket
GFA Federal Credit Union
TD Bank

Rindge continues to be a safe place to live and work. Unfortunately, we are seeing the effects of the Heroin and prescription Opiate epidemic that is plaguing New Hampshire. We have witnessed firsthand the physical and emotional damage addiction has on the drug user and their families. To combat this we have partnered with the JR Alive Anti-drug Coalition and Reality Check, a resource referral and recovery support service, to help educate

people in reference to drug abuse prevention, enforcement, and recovery. We have also assisted the State Drug Task Force and have attended training so we can participate in Operation Granite Hammer, the state funded drug enforcement initiative.

Statistically, our calls for service increased again in 2016. This represents a 30.1% increase in calls for service since 2014. Misdemeanor offenses remained fairly level but misdemeanor and felony arrests were down significantly from 2015. This is in part attributed to policy and loss prevention staffing changes at Walmart, reduced calls for service at Franklin Pierce University, changes to the State Drug Lab's policy on drug paraphernalia charging, and legislative changes concerning drug overdose reporting immunity. This also caused a reduction in open prosecution cases. Traffic enforcement increased with an emphasis being put on

### 2016 STATISTICS

warnings to gain compliance with our laws to increase driver and pedestrian safety. The "Speed Trailer" was also utilized at traffic "hotspot" locations to encourage safer driving speeds.

2016 Law Enforcement Torch Run

Community policing efforts remained a priority during The men and women of the Rindge Police Department recognize that our community involvement is far more than just addressing crime as police officers. It involves a sincere interest in the overall welfare and morale of the community. This means that aside from our law enforcement responsibilities, we frequently serve as teachers, mentors, and role models for our Town's children and adults. In 2016 we participated in over twenty community, charitable, and educational events or presentations, both on-duty and off-duty. The Jaffrey-Rindge School District, Franklin Pierce. University, local home-school groups, The Rindge faith-based our Recreation Department, and organizations were our focus. Crime Watch continued to be a valuable partner and helped us raise community

awareness as it relates to crime and personal safety practices.

We would like to thank all the town employees, the department heads, the Board of Selectmen, and most importantly our citizens for your support. It is greatly appreciated.

Respectfully submitted,

Todd A. Muilenberg Chief of Police

Volunteering at "The Welcome Table"

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan. In addition, the state cut the Highway Block Grant by \$27,000 four years ago. This year the Highway Block Grant funding has increased \$14,000.00. The town has added an additional \$50,000.00 to the operating budget for paving. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The Winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the Winter months keeping all town roads safe for our citizens.

The Spring months keep us busy cleaning up from Winter and preparing for Summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks, opening the cemeteries, maintaining lawns, cutting brush and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the Summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Mceting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and roadside mowing.

### Annual Paving

There was also an additional \$50,000.00 added to the road paving budget and the paving per ton was considerably less than expected, due to these factors, we were able to pave an extra mile this year. We have been averaging 3 ½ miles of paving and this year we completed an extra mile for a total of 4 ½ miles of roads completed. With an increase in funds we would be able to complete more miles of much needed road improvements.

### **Dirt Road Maintenance**

Due to the mild winter in 2015/2016 we were able to apply several thousand yards of gravel to several dirt roads.

### **Highway Projects**

- Placing 2500 cubic yards of gravel on dirt roads
- Resurfaced all of Middle Winchendon Rd from Rte. 119 to Rte.202
- Resurfaced 4500 feet of Main Street
- · Resurfaced 7200 feet of Perkins Rd and Thomas Rd
- · Resurfaced Fire Station, Transfer Station and Highway Garage parking lots
- · Reapplied 2 foot gravel shoulders to all newly paved roads
- · Line striped Forristall Road, University Drive, Mountain Road, Main Street
- Continued major ditching on several roads and replaced several culverts

### **Transfer Station**

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the Spring and Fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, NH. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

We have extended our original 5 year contract with Monadnock Disposal for an additional 5 years at no additional increase.

The Recycling Program has recycled 351.00 ton in 2016; in 2015 we recycled 328.19 ton to Monadnock Disposal of Jaffrey, NH. This is a difference of +22.81 ton. Disposal of Demo/Household waste to Monadnock Disposal in 2016 is 795.41 ton. In 2015 we disposed of 784.59 ton. This is a difference of +10.82 from last year. We have seen an increase of citizen use of the facility during the 2016 calendar year. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup keeping Rindge clean. Keep up the good work.

### **Building Maintenance Department**

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues and working with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which includes roads, parking lots and sidewalks for all of the public buildings.

### **Building Maintenance Projects**

- · Recreation building replaced all the light fixtures with LEDs
- Fire Station new propane water heater, new water filtration system, major repair to osmosis water system, re-insulated attic space above bathroom area and replaced 2 overhead doors

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier Sr.

Director of Public Works

Mukall Clonde H-

In 2016, the Recreation Department underwent staffing changes throughout the year. In June, the Department said good bye to Kirsti Hail after four years of service with the extended day program. Karen Chemello filled Hall's position as program coordinator for the extended day program. The sports coordinator position was vacant much of the year. Brittany Rather was hired to fill this position in September and has shown eagerness to learn all about the Recreation Department and the Rindge community. Timothy Goodwin, Recreation Director since September 2014, resigned from his position at the beginning of November and Renee Sangermano was hired to serve as Interim Recreation Director until a permanent director is hired. Sangermano having previously worked at the Rindge Recreation Department from 2013 - 2015, was able to lead the department through the community's annual holiday events and assist in the preparation for basketball and after school ski programs.

The Recreation Department's well established programs continue to have steady participation numbers such as youth basketball, youth softball, youth summer camp, field trips, no school days programs, and youth soccer. The extended day (before and after school) program has seen an increase in participation with an average of 30 participants in the morning program and an average of 40 participants in the after school program.

The community stepped in to provide support during times the sports coordinator position was vacant. Adam and Carrie Patria returned again to be volunteer youth soccer coordinators and to oversee the youth soccer program consisting of 134 players. Thank you Adam and Carrie Patria for all the hours and energy you put into the youth soccer program this year.

The Recreation Committee continues to be a strong support base for the Recreation Department. The Recreation Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many programs and events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. Thank you to the members of the Recreation Committee for your service: Mike DiPasquale (Chairman), Jaime Hennessey (Vicechair), Tom Ciglar (Secretary), Lydia Hatch, David Graham, Jim Qualey (Selectmen's Liaison), and Sue Rennie.

Our Holiday programs were a big hit this year with approximately 400 participants in the Halloween Trunk-or-Treat; over 300 attended the Tree Lighting; approximately 200 attended Breakfast with Santa; and there were 200 meals served to seniors and volunteers for the Senior Citizens' Holiday Dinner. Additional holiday traditions include the annual Easter Egg Hunt at Wellington Field, Memorial Day on the Town Common, Fourth of July celebrations on the Town Common, and Halloween Trunk-or-Treat at Wellington Park. Despite foul weather at some of these events, all events were well attended.

All our holiday events are true community collaborations that are made possible by volunteers, organizations, and business support within the Rindge Community. Thank you to everyone who participated in our events.

Along with these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well. These include, but are not limited to: monthly "Night Out with the Family" events, Denise Mazzola's Everything Dog training classes, and After School Karate class with Elizabeth Kenny, and the Chaos Soccer program.

The Recreation Center is used steadily by such programs as the senior coffee hour, weekly knitting club, extended day program. Members of the community frequently use the space to hold meetings or host personal events such as baby showers and birthday parties.

The following programs were offered:

### Winter

Basketball, Instructional and league options Thursday Night Lights Ski Program Homeschool Physical Education Classes February Vacation Field Trips Safe Sitter class

### Spring:

Instructional Softball
Coed T-Ball
Girls Softball
April Vacation Field Trips
Homeschool Physical Education Classes

### Summer:

Pre-School Day Camp 7 weeks of Day Camp 5 weeks of teen Day British Soccer Camp

### Fall:

Instructional Soccer Homeschool Physical Education Classes Chaos Travel Soccer

The Rindge Recreation Department 15-passenger van is no longer able to be registered and carry passengers. In 2014, residents in the Town of Rindge voted to make this vehicle replacement with \$1,000 taxpayer funds and the \$29,000 remaining funds to be "fundraised." At the end of 2016, \$10,500 has been raised toward the \$29,000. Donations for the purchase of a new, more user-friendly "mini-bus" type vehicle are being collected. Donations will continue to be collected until a van replacement has been found. Please send your donation to the Rindge Recreation Department, 283 Wellington Road, Rindge, NH 03461. Any funds raised above and beyond the purchase and set-up costs for a new van will be held in an account for vehicle operations and maintenance for the new vehicle.

Respectfully Submitted,

Sent Long

Rence Sangermano

Interim Recreation Director

The Roadway and Highway Safety Committee is an advisory body that addresses issues concerning Town roadways, highway safety and related bike, pedestrian and other transportation issues. It meets on an as needed basis. Members this year included Mike Cloutier, Public Works Director; Rick Donovan, Public Safety Director; Charlie Eicher; Todd Muilenberg, Chief of Police; Jane Pitt, Town Administrator; Joe Byk, Town Administrator; Kirk Stenersen, Acting Planning Director; Phil Stenersen.

In 2016 the committee heard, participated in, resolved or provided recommendations to the Board of Selectmen concerning:

School Street parking Fourth St. Class IV road maintenance Town Offices parking Deschenes Road water runoff

Charlie Eicher

Rindge Roadway and Highway Safety Committee

The Safety Committee, also known as the Joint Loss Management Committee, is mandated by New Hampshire Workers' Compensation Laws. This Committee oversees the safety of Town employees and members of the general public who use Town facilities. The committee meets quarterly and is composed of representatives of management and the labor force. Workforce accidents/injuries are investigated by this committee and it makes recommendations for workplace safety improvements to reduce the town's liability and workers' compensation claims.

In April of this year the Town of Rindge was audited by the New Hampshire Department of Labor. The audit covered the Town's Safety plan, activities of the Safety Committee over the last three years and a physical inspection of all Town owned facilities. A few minor violations were discovered. The safety Committee then worked to correct those violations, such as removing and replacing hazardous equipment, constructing new railings and updating Safety Data Sheets for chemicals used in Town buildings. On re-inspection by the Department of Labor in July of 2016, there were no outstanding violations for the Town.

The most major undertaking of the year for the Committee was updating the Town's Safety Manual. A number of revisions or updates were made to outdated material and a complete updated manual was ready in June.

The Safety Committee will continue to monitor the safety of Town employees and Town facilities and we welcome your input and questions.

Respectfully submitted,

Casey Burrage

This summer, the town reconstituted both the Telecom and Technology committees in to a new committee to assist in the management of the town technology needs.

One of the first orders of business was completing the franchise agreement for Argent. The contract will be submitted to the Communications lawyer for review before the end of 2016.

Another major issue is the current website and our provider Mainstay. It is the committees' opinion that we should continue to work with Mainstay to sec if we can resolve some of the major issues such as poor file archiving and slow loading. A meeting with the technical staff will be scheduled to start working on these issues. Additionally, since we have a number of new staff members, a training session has been scheduled for early in January and hopefully a number of committee members will be able to attend.

The committee also looked at the Spaulding Hill contract covering IT services for the town and based upon input from town employees, feels that IT is being professionally and well managed.

Finally, it is with great sadness, the committee would like to recognize Al Lefebvre's resignation from the committee. Al was a faithful member of the original Telecom Committee and spent countless hours working on our agenda. Al, you will be missed.

Thank you,

Craig Clark

The Town of Rindge and Franklin Pierce University work collaboratively together on the Town Gown Committee. The committee consists of representatives from Franklin Pierce University, The Town of Rindge, and members of the Rindge community. The committee meets every month.

The Town Gown Committee's Vision: Rindge is a community of people who live, work and learn together in a positive, synergistic way on a daily basis.

<u>The Town Gown Committee's Mission</u>: The mission of the Rindge-Franklin Pierce University Town Gown Team is to ensure a vibrant working relationship and reliable communication for the betterment of all.

During 2016, the committee collaborated on the following:

- Partners for Success Grant II, including the Street Talk newspaper strip and Meet Your Neighbor ad spot
- Welcoming students back in August (Police, Fire, EMS)
- Commencement (Police, Fire, EMS)
- Numerous training sessions on topics such as alcohol and other drugs, enforcement & prevention (Police, Safety, Fire, EMS, Res. Life, etc.)
- Athletic clinics sponsored by RRD with participation from FP athletes
- Camp Quest
- Trick or Treat
- Relay for Life
- Homecoming Bus Tour
- Painting the Fire Station
- Working on safety inspections for off-campus students
- Active Shooter Workshop (10/17)
- Voter registration and education
- Fire Fighter I class at FP, taught by RFD
- Rindge Fire Department (RFD) Engine 1 is now housed at Franklin Pierce University
- Police Chief meetings with classes and clubs
- 10/19 Premier showing for town and university of movie <u>Hurricane to Climate Change: A Region Responds</u>
- A Franklin Pierce University staff person is on the Rindge Chamber of Commerce Board of Directors
- Franklin Pierce University Student Community Service areas include: Jaffrey head Start, Senior Computer Tutoring, Kitty Rescue and Adoption, Jaffrey After-School Program, Telephone Tales, Boynton Buddies, and Good Shepard Rehabilitation and Nursing Center
- Franklin Pierce students videotaped the homeschool Theater performance
- Franklin Pierce University Education students help with homework time at Rindge Rec. Extended Day Program.
- Franklin Pierce University Rugby players fill eggs for the Town Easter Egg Hunt
- RRD Youth Day at a Franklin Pierce University Softball game
- RRD Extended Day Program students take field trips to Fitzwater Center, to work with Franklin Pierce University students to create THE EDP Times
- · Camp Quest Summer program held on the Franklin Pierce Campus

Respectively submitted,

Joe Byk, Town Administrator

Here are several local resources to help improve economic circumstances:

- ✓ Homeless or Being Evicted: call Southwestern Community Services 352-7512, Shelter From The Storm 532-8222, or Monadnock Area Transitional Shelter 924-5033
- ✓ Fuel & Electric: Southwestern Community Services 352-7512
- ✓ Medical Bills: call your hospital ask about financial grant and medication programs
- ✓ Food & Health Insurance: Dept. Health & Human Services 357-3510
- ✓ Mortgage modification: https://www.makinghomeaffordable.gov/pages
- ✓ Rent & Security Deposits: Southwestern Community Services 352-7512
- ✓ Emergency Rent: NHHFA Emergency Housing Assistance 800-439-7247 x 9283
- ✓ Employment: NH Employment for unemployment benefits 357-1904 and nhworks.org
- ✓ Child Support: Child Support Services 357-3510 (new and enforcement services)
- ✓ Disability: Call Vocational Rehabilitation to find you employment
- ✓ Debt: send monthly payments to heat or fuel supplier, your doctor, and your dentist
- ✓ Savings & Retirement: use this money to pay living expenses until your income increases
- ✓ Paycbeck Deductions: cancel these to increase take home pay
- ✓ Phones: Choose home OR cell, Look at Consumer Cellular www.consumercellular.com
- ✓ Cable & Internet: cancel until income increases \*(internet is free at the library!)
- ✓ Car Loan: Refinance loan to extend the repayment term and lower your monthly payment
- ✓ Car Insurance: find affordable insurance / compare at www.commerceinsurance.com
- ✓ College Debt: put college loans into deferment or forbearance
- ✓ Credit Cards: Consolidate cards with www.grcenpath.com and cut up the rest.
- ✓ PayDay Loans: Do not get one you will end up paying back up to 400% interest!

### 2016 EXPENSES

Contracted Services	\$	18,343.87
Rent & Shelter	\$	15,946.74
