Rockingham County Officials working together ended the year 1959 with a cash balance of \$68,212.76 and by keeping within the total amount of their 1959 appropriations by \$859.53.

We wish to thank all of the County Officers and all of the members of our vast organization both at the County Home and Hospital and throughout the County for their fine cooperation during the year 1959.

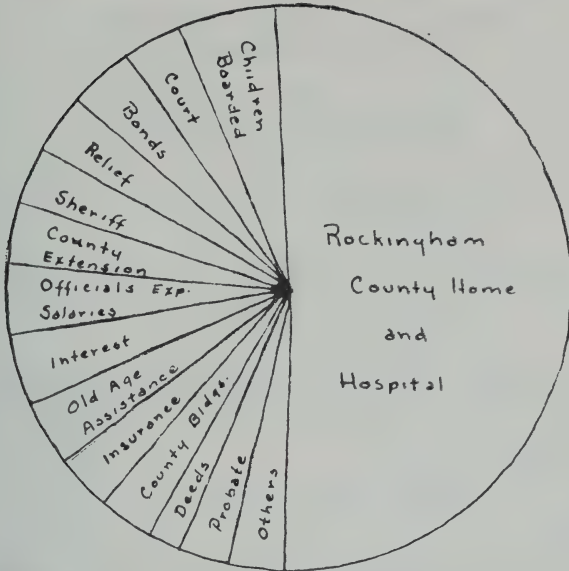

We wish to welcome Mrs. Miriam Dodge, our new Supervisor of Nurses to our staff and also Mrs. James Hellen our Occupational Therapist, working for the N. H. Welfare Council.

We meet every Wed. at the Rockingham County Home and every Friday at the Records Building in Exeter. It is your money we are spending; come in and meet with us.

ROCKINGHAM COUNTY ATTORNEY'S REPORT

During the past few years there has been a gradual increase in the volume of criminal activity in Rockingham County. The steadily increasing population seems to account for it. The most prevalent felonies continue to be breaking, entry and larceny in unoccupied buildings, and check passing.

Rockingham County has been fortunate in having relatively few crimes of violence over the years. In 1959, however, there were four armed robberies involving seven defendants. All the participants were apprehended and have been either sentenced or are awaiting trial.

I want to thank all the police officers for their cooperation and commend them for careful attention to their work for which they are all too frequently underpaid.

LINDSEY R. BRIGHAM,

County Attorney

SHERIFF'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:
Gentlemen:

At the conclusion of my first year of serving the county as Sheriff, it is my pleasure to submit this report.

There has been no major crime committed within the county during the past year. The number of breaking and entering cases has increased slightly over that of the previous year but the majority of these have been solved.

A new system for processing prisoners at the County Farm has been put into practice with the full cooperation of the County Commissioners and the Superintendent. By use of this new method plus the fact that the majority waive Grand Jury indictment and are presented to the Court within an average of two to three weeks, thereby keeping at a minimum the number of prisoners confined at Hillsborough County Jail pending court action, the cost of board and care for the prisoners at Hillsborough County Jail this year was reduced to \$3,325.43, with \$6,000.00 allocated for this purpose in the budget. Thus making a saving of \$2,674.57, which saving was accomplished in spite of an increase in the daily rate from \$1.75 to \$3.00 per prisoner. Without the use of the new system and at the current rate of board, the cost of board and care would well have run in excess of \$10,000.00.

The placing into operation of the new cruiser should sharply reduce the cost of transporting prisoners, as well as providing a departmental car instantly ready for use in emergencies.

A Central Bureau of Criminal Identification has been established at the Exeter office which should greatly facilitate matters in the apprehension of law offenders.

The Exeter office is now open five days a week from 8:30 to 5:00 p.m., making more readily available the services of myself and my department to all those within the county who have need of them.

May I at this time extend to County Attorney Lindsey R. Brigham, and to all the law enforcement agencies who have aided me and my department in the performance of our duties throughout the past year, my most sincere thanks. Also at this time I would like to express to my Deputies my appreciation for their assistance and services, and I do now submit a list of the Deputies, active and special, for the forthcoming year of 1960.

CHAPLAIN'S REPORT

To the Honorable Board of
Commissioners of Rockingham County :

During 1959, as Chaplain of the Rockingham County Home, I have maintained the nucleus of my ministry here in the form of a worship service every other Sunday. We have been fortunate to have several visiting laymen over the course of the year, some of whom participated in the services, much to the delight of their audiences. Through December, Rev. Hewitt from Manchester brought comfort and encouragement to many by conducting one service between mine, and joining with me in a special Christmas service. Attendance at all services has been generally good, although some who were in regular attendance last year have not been well enough to worship with us this year. These people I have tried to give special attention in private visitation.

I feel that one of my most valuable ministries this year has been in regular visitation of those who are of sound mind, but of dying body. I have tried to help several, regularly, as they faced death, and knew it, and it was rewarding to me to see their appreciation. As it happened, those of whom I speak were consecrated Christians, and their unwavering faith was a bulwark and inspiration to my own.

I shall try to continue the ministry outlined above, with the promise of even more help in the future. It is encouraging to note the interest of ministers and laymen all over southern New Hampshire, and my hearty thanks to them, as well as to Mr. and Mrs. Hilton, and all members of the staff, for their help and co-operation.

Although we did not enjoy the use of new hymn books during 1959, the means to obtain them has been made available, and we eagerly anticipate their arrival in 1960.

Respectfully submitted,

GUY M. JUDKINS, Chaplain

CHAPLAIN'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:

Throughout the year 1959, it has been my privilege and my obligation to fulfill the duties of the Catholic Chaplain at the Rockingham County Home and Hospital. The men and women at both the Home and the Hospital were given the consolations and the reassurance of receiving the Sacraments of the Catholic Faith.

May I extend my sincere gratitude to one and all for the kind cooperation given me in the accomplishment of my office.

Sincerely,

REVEREND ARMAND PROVOST,

Catholic Chaplain
