## Burning Regulations

### TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the term of the permit. Burn before 9:00 am and after 5:00 pm. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

## Parking During Snow Storm

A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 pm and 8:00 am or at any time in such manner as to impede snow removal operations.

B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

## Dog Ordinance

A. **RESTRAINT:** All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. **PENALTY:** Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.

# OFFICE OF THE SELECTMEN

P.O. BOX 309

AUBURN, NEW HAMPSHIRE 03032

TEL 483-5052

Dear Friends and Neighbors,

As we continue to travel through this recessionary period, we as a town are quite fortunate to fare better than a number of surrounding communities. Quite simply stated, from our vantage point on the Board of Selectmen, we are pleased to report that the town is in good shape. The credit for this is to be given primarily to the residents of our town, because of your common sense approach to dealing with the issues as they have been presented to you through the years.

It is no secret that Auburn is made up of a class of people with similar wants and needs. Whenever these needs are presented, we have traditionally mobilized ourselves to accomplish what has to be done. This fact is exemplified in our continued volunteer efforts and an active participation in our local government.

For the year ending 1991, we were fortunate to be able to reduce our property taxes with no impact to our services. The major reason for this is due in part to foresight by members of previous administrations, a strong well disciplined capital improvement program and most importantly your vote on issues in prior years. The budget as presented to you today effectively reflects spending levels equal to 1991. It is the position of this board and all of our supporting committees and commissions to hold the line on spending while simultaneously maintaining the same level of services. The capital improvements as identified and planned are also presented to you for your approval or denial today. We certainly are fortunate that our local system of government provides you, the residents of our town, a true final say on our destiny.

In closing, we continue to invite any resident who wishes to participate in town government, to contact our office for an informal interview. A continued active participation by you will assure a continuance of what we have come to expect.

Respectfully submitted,

Louis A. Gamache

Polls will be open at 7:00 am and close at 7:00 pm.

You are also notified to meet on Saturday, March the fourteenth next, at 1:00 pm, at the Auburn Village School to consider the following articles:

**FOURTH:** To see if the town will raise and appropriate the sum of Fifty-Thousand Dollars (\$50,000) for the purpose of creating a building dedicated to the storing and mixing of salt and sand for our highway needs and the storage of the loader. This building will be erected on Town property. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

**FIFTH:** To see if the Town will vote to appropriate the sum of Ten-Thousand Dollars (\$10,000) to be used to create a revocable and expendable Retention Trust Fund in accordance with the provisions of RSA 31:19-a. The purpose of this retention fund is to reimburse each department of the Town that has insurance coverage provided by the New Hampshire Municipal Association (NHMA) Property/Liability Trust for its self insured portion of each covered claim. This would include any covered claim with a value of less than One-Thousand Dollars (\$1,000) which would not be reimbursable by the NHMA Trust due to the Town's One-Thousand Dollars (\$1,000) self insured level.

Claims will be submitted to the Selectmen's Office and the Board of Selectmen will determine the validity of such claims and will determine the amount to be paid in accordance with the provisions set forth in the Town's Insurance Claim Fund.

The monies for the Trust will be appropriated by vote at Town Meeting and principal as well as interest can be expended. (Recommended by the Board of Selectmen) (Amount Included in the Budget) (Recommended by the Budget Committee)

**SIXTH:** To see if the Town will appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the Solid Waste Commission to purchase a wood chipper. (Recommended by the Board of Selectmen)

**SEVENTH:** To see if the Town will vote to authorize the Selectmen to enter into a five (5) year lease/purchase agreement for the purpose of leasing a new fire truck for the Town of Auburn for use by the Auburn Volunteer Fire Department and to raise and appropriate the sum of Thirty-Three Thousand Six Hundred and 00/100 Dollars (\$33,600.00) for the fiscal year 1992-93 lease payment, or to take any other action relative thereto (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

**EIGHTH:** To see if the Town will vote to accept such Trust Funds as may come during the year and Trust Funds as have not been previously accepted.

**NINTH:** To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

**TENTH:** To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

**ELEVENTH:** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

**TWELFTH:** To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.

**THIRTEENTH:** To see if the Town will authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.

**FOURTEENTH:** To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

**FIFTEENTH:** To transact any other business that may legally come before the meeting.

Given under our hands and seals this eighteenth day of February A.D. 1992.

## INDEPENDENT AUDITOR'S ON FINANCIAL PRESENTATION

To the Members of  
the board of Selectmen  
Town of Auburn  
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Town of Auburn as of and for the year ended December 31, 1991, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Assets Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Auburn as of December 31, 1991, and the results of its operations (and cash flows of nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town as of December 31, 1991, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.

## Report of the Librarian Griffin Free Public Library

Circulation 525

Library Hours Wed. & Thu.: 1:00-7:00 pm; Fri.: 3:00-5:00 pm

The past year has seen many changes at the Griffin Free Public Library including the hiring of a new librarian and formation of a Friend's of the Griffin Free Library group with Brenda Selinga as Chairman. The Friends are duly established as a non-profit group. They have raised money through a candy sale and are planning to install shutters and curtains on the library windows.

The existing shelves have been made adjustable so that the books can be better arranged which has created more space in the library. Volunteers from the Friend's of the Griffin Free Library helped to paint the shelves and move many books.

The library has also purchased a small computer and is now able to access the New Hampshire Automated Information Library System (NHAIS), a statewide data base that facilitates interlibrary loan. The computer will also enable the librarian to expedite cataloging the collection.

Thanks are due to the Selectmen, to the Friend's of the Griffin Free Library, the 4-H Girls, the Boy Scouts, and the many volunteers who donated their time, effort and encouragement to help expand our library's services so that we may meet the community's needs.

Respectfully submitted,  
Carrie R. Adamovich

## Report of the Auburn Recreation Commission

The Recreation Commission had a busy year providing different forms of recreation to all ages. Some of the programs offered throughout the year included the Summer Program, a 7-week Soccer Clinic, Senior Trips, an After School Ski Program, and continued improvements to the Recreation Area and Appletree Park.

The Senior Trips were coordinated by Yvonne Crocker. This year the seniors took a spring trip to the Massachusetts Horticultural Flower show in Boston, Massachusetts. After a morning visit at the flower show, the seniors had lunch at Quincy Market. In the fall, the seniors took a foliage boat tour of Lake Winnepesaukee. They, also, enjoyed the scenery around Moultonboro ending with lunch and a tour of Castle In The Clouds.

The Summer Program ran for four weeks beginning July 8th through August 2nd. We had 4 co-directors that supervised arts and crafts, sports, computer games and other miscellaneous activities. The program involved an average of 60 children each week representing grades Readiness through eight. Once again thanks to the generosity of Bill Cooper, we were able to have a swim day at Calef Lake. We, also, sponsored a weekly field trip.

Once again, the residents of Auburn came together during Olde Home Days to enjoy visiting and watching the fireworks display. The Recreation Commission provided funds for prizes, fireworks and entertainment.

The Recreation Commission sponsored a co-ed soccer instructional program run by the YMCA for the children of Auburn. The program began on October 8, 1991 and ran for 7 weeks. The condition of the soccer field has improved due to liming and mowing.

The Lions Club was instrumental in helping the Recreation Commission fund the construction of the Les Emery All Purpose Building. Under the direction of Ray Bolduc, the concrete structure was assembled by many town volunteers. The Industrial Arts Department at Pinkerton Academy prefabricated the upper portion and roof of the building.

The Recreation Commission took an interest in the improvement of Appletree Park. Money was spent to mow the grass and cut back the brush.

We sponsored a "Beautification Day" in September. Donations of flowers and bushes were accepted and planted.

An After School Ski Program at Pat's Peak in Henniker, NH was organized and sponsored by the Recreation Commission. Approximately 50 children and 9 chaperones enjoyed skiing for 5 Wednesdays during January and February.

The Recreation Commission enjoys sponsoring varied activities and programs for the residents of Auburn. We welcome new faces and ideas.

Respectfully submitted,

Amy Sullivan, *Chairman*

# Auburn School District Warrant State of New Hampshire

To the inhabitants of the School District, in the town of Auburn, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Auburn Village School in said District on the thirteenth day of March, 1992, at eight o'clock in the evening to act upon the following subjects:

(1) To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.

(2) To see if the

District will vote to accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific recession of such authority, the School Board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or private source which becomes available during the fiscal year.

(3) To see if the District will vote to raise and appropriate the sum of Five Thousand Five Hundred Fifty Dollars (\$5,550.00) to fund the cost items related to an increase in the reimbursement rate for workshops and conferences, as negotiated in the 1992-93 contract agreement being entered into by the Auburn School Board and the Auburn Education Association for the 1992-93 fiscal year.

(4) To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for School District officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

GIVEN UNDER OUR HANDS AND SEAL AT SAID AUBURN, NEW HAMPSHIRE, THIS 19TH DAY OF FEBRUARY 1992.

SCHOOL BOARD OF AUBURN,  
NEW HAMPSHIRE

# Auburn School District Meeting March 15, 1991

The Auburn School District Meeting was called to order at 8 PM on March 15, 1991 by C. Donald Stritch, Moderator.

**Article 1:** To hear the report of agents, auditors and committees or officer chosen and pass any vote relating thereto.

J. Herbert Tardiff moved Article 1 be adopted as printed in the Warrant. Second by John Wallenbucker. Vote was taken and Article 1 passed.

**Article 2:** To see if the District will vote to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1991-1992 fiscal year provided that such expenditure be made for puposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds.

David Canedy moved that Article 2 be adopted as printed in the Warrant. Second by S. Worster. Vote was taken and Article 2 passed.

**Article 3:** To see if the District will vote to raise and appropriate the sum of Twenty Seven Thousand, Nine Hundred Fifty Four Dollars (\$27,954.00) to fund the cost items related to an increase in teachers' salaries and benefits attributable to the Collective Bargaining Agreement being entered into by the Auburn School Board and the Auburn Education Association for the 1991-92 fiscal year. Such sum of money represents the additional costs attributable to an increase in salaries and benefits over those obligations payable under the prior Collective Bargaining Agreement., (Recommended by Budget Committee).

William Wood moved that Article 3 be adopted as printed in the Warrant. Second by Sue Jenkins. It was asked what percent increase? W. Wood stated 2%. Vote was taken and Article 3 passed.

C. Donald Stritch took a moment before continuing on with Article 4 to let the voters know that David R. Cawley, our Superintendent of Schools, will be retiring after 17 years of service in this position. He was wished well by a round of applause.

**Article 4:** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

Chairman of Budget Committee, Mr. James Headd, made motion to accept the budget figure of \$3,972,887.00. Second by Al Samson. Bruce Mason asked what changed from \$4,036,425 in Town Book. William Wood responded School Board received reduction in charges, retirement and class room aids.

Vote was taken on Article 4 in the amount of \$3,972,887 and the article was adopted.

William Wood concluded the meeting with a tribute to Auburn School Teacher, Georgette Roy, who is retiring after 18 years of service to our school system. A round of applause wished her well.

Bruce Phillips made motion to adjourn meeting. Motion seconded by Paul Sanford.

The 1991 Annual School District Meeting adjourned at 8:29 PM.

Respectfully submitted,

Marcia Trombly  
Auburn School District Clerk

## Principal's Report

Graduation exercises were held on June 18, 1991, with 49 students receiving diplomas. The guest speaker was Miss Melanie Bridges, Miss New Hampshire, 1990. Honor Speakers were Joan Bienvenue, Samantha Brown, and Melissa Koufopoulos. Department Awards went to Kimberly Arndt, Social Studies; Joan Bienvenue, Science; Samantha Brown, English; and Scott Cavanaugh, Mathematics. The Honor Student Awards went to Joan Bienvenue and Scott Cavanaugh; the PTA Most Improved Award went to Sean Norris; the Millie Preston Service Award went to Lawrence 'Chip' McGrath; the Hooksett Rotary Club Award went to Katherine Pinard; the School Board Citizenship Award went to Amy Pineault; the American Legion School Medal Awards went to Kelly Derepentigny and Ryan Snowdale; the A.E.A. Teacher Appreciation Awards went to Sarah Glidden and Kimberly Robinson.

During the past school year, the school teaching staff has completed the first draft of the Language Arts Curriculum and recommended a new reading program to be adopted for the 1991-1992 school year. Vickie Therrien and Linda Houghton have co-chaired the curriculum responsibilities and were instrumental in focusing teachers toward a whole language approach to instruction in Language Arts.

This past year, the Auburn School Board, with the help of the school administration, developed a set of goals for the 1990-1991 school year. The school staff and I implemented the goals successfully. Mini courses were established at the sixth through eighth grade level; grants were written to train teachers to prepare lessons that would meet the learning styles of students and to purchase eight Macintosh LC computers to increase technology education for students.

I want to express my respect for two educators who have served the Auburn School District for many years. Georgette Roy, first grade teacher, retired in June with eighteen years of dedicated service to the students in Auburn. Georgette's lifelong commitment to education has earned her the respect of community members and school personnel. Our Superintendent of Schools for the past eighteen years, David R. Cawley, has also decided to retire. David's leadership and commitment to quality education has been the key in helping me and the Auburn School Board improve the quality of education in Auburn.

I appreciate and am thankful for the many outstanding contributions that the PTA makes to our school. I encourage all parents and teachers to become active members. Special recognition goes to the PTA Officers and committee members for the leadership they have provided to make events they sponsor so successful.

I want to extend my appreciation to the Auburn School Board, the Superintendent of Schools, members of the community, the school staff, the school volunteers, and the Auburn PTA for their efforts and support during the past year.

Respectfully submitted,  
Raymond Bourque, Principal

## Independent Auditor's Report On Financial Presentation

To the Members of the School Board  
Auburn School District  
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1991, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District at June 30, 1991, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1991, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

# Superintendent's Report

AUBURN

After seventeen years as Superintendent of Schools for the Auburn School District this is my final report, as I retired from my position on June 30, 1991.

I would like to take this opportunity to thank the entire community for their educational support over the years. The staff at the Auburn Village School, parents, and citizens of the district have made numerous contributions to the students. The students have been my first priority throughout my career in education, and I consider it a privilege to have known many families for two generations of students. I have made many new friends in the town of Auburn.

As we are all aware there are factors related to a student's complete education which are constantly changing, whether due to new and/or revised federal, state, or local mandates. Inevitably there will be future challenging adjustments to be dealt with. The variety of programs offered today certainly exceeds those available at the onset of my career. We strive to maintain high quality education while considering the financial status of the entire community.

The Auburn School District provided special education services to 82 students. Two students attended pre-school programs, twenty students attended public schools outside the district, including 16 high school students, and three students attended private special education schools. The special education needs of the remaining 57 students were met at the Auburn Village School. Again, the number of special education students educated with their friends and neighbors increased while the total number of students stayed the same. The scope and quality of special education services continue to improve the total educational program at the Auburn Village School.

The Auburn Village School has made tremendous strides in addressing the Elementary Minimum Standards this year. With only one standard of a total of sixty-three remaining to be met, the school is one of only a handful of schools in the state to exhibit such success in addressing these standards. This is a tribute to the efforts made by the school and community to provide for the educational needs of its youth.

This year the school's faculty engaged in a series of in-service training sessions that focused on improving the instructional delivery system. Based upon current research, the faculty was able to develop their expertise in designing additional teaching strategies that, when employed, can help all students learn to their maximum potential.

During this very slow economy, Auburn Village School struggled to maintain a self-supporting School Lunch Program for 1990-91. The Administration has been very creative in providing nutritious meals while keeping the cost at \$1.25 per meal this year.

Drainage improvements were completed in the back parking area of the school as well as improvements to the area around the gas tank in the 1990-91 school year. A small section of the roof was redone and the Auburn Village School sign was installed. These improvements were all long awaited.

My wish for the future of the school would be for each and every student to achieve his/her highest aspirations. Based on past dedication and motivation from parents and teachers, I am confident their goals will be realized.

My sincere appreciation is extended to the Auburn School Board, the Central Office staff, the staff at the Auburn Village School, parents, community citizens, and students who made my lengthy term as Superintendent most rewarding.

Respectfully submitted,

David R. Cawley, *Superintendent of Schools*

# SCHOOL BOARD CHAIRMAN'S REPORT

Another year has passed so quickly! It was a period that was marked with both joys and sadness. After 17 years at Auburn Village School, Mrs. Georgette Roy retired. She was a dedicated teacher, and we all wish her well.

Mrs. Marion Heald, our school nurse, who gave so many of our children both band-aids for their injuries, and hugs for their spirits, passed away after a long illness. Marion was a life-long resident of Auburn and began at the school part time until the school population grew to where we needed a full time nurse. Through the school, the Lionesses and her pre-school program, she at one time or another, touched most of our lives. Reflecting back on last year's Town Report, it was noted that she cared for over 20 students per day and each student over 7 times that year, attending to some diseases and problems that are difficult to pronounce let alone understand.

On the administrative side, Superintendent David Cawley retired. I believe he served the district longer than any superintendent has been with any district in the state. We are pleased that Dr. George Cunningham has joined us in that capacity. After 9 years on the School Board, Bill Wood decided not to run for re-election last year after seeing an entire class enter first grade and then graduate. He has been an inspiration to other board members with his knowledge and enthusiasm.

The administration and staff have been very busy. Principal Ray Bourque and many teachers, with the help of SERESC, completed our technology plan to give us the much needed guidelines for technology implementation for the next few years. Mr. Bourque was successful in obtaining grants which paid for 8 new computers, peripherals, and a library control system. An additional grant through the Drug Free School Program enabled the establishment of an Adventure Based Counselling program involving our guidance counselor teachers, and administration in conjunction with the Daniel Webster Council of the Boy Scouts.

The teachers dedicated many hours to begin implementation of an alternative teaching style known as 4MAT. This program has been quite successful in other schools as well. It addresses the needs of students by introducing into the classroom a teaching approach designed to assist students whose learning abilities vary from traditional styles through hands-on approaches. Full implementation will take a few years. The administration and the teachers completed a revised language arts curriculum. When this curriculum is fully implemented this year, it will provide a program that will integrate all aspects of language including spelling, sentence structure, grammar, reading, etc. A revised discipline policy was implemented at the start of the school year. The emphasis is to bring about a greater awareness to students and parents of actions and consequences within the school environment and on the busses. Guidelines were set regarding participation in other student activities such as dances, sports and other activities for those students that do not meet behavioral or academic standards. This policy was the product of many hours of research and formulation by a group consisting of parents, teachers, and students.

We have been very fortunate that the school population has stabilized. About 5 years ago, when the process of adding to the school began, there was concern that the addition would be only a temporary solution, and further expansion was inevitable. The unfortunate circumstances of the current economy has resulted in very little growth in housing in Auburn. Our in-town enrollment is presently at 527. Next year it is expected to rise to 551. We will graduate 47, and anticipate 71 incoming students. Next year's budget is up 3.8% after a 0.5% reduction last year. Overall, the changes of the last 2 years have been below inflation rates.

The Education Association and the School Board have come to an agreement to continue into the 92-93 school year with essentially the same contract. The entire staffs' efforts this year have been extraordinary. We appreciate the assistance of the PTA and the many other volunteers. Without them, many of the projects would have not been possible, and numerous pieces of equipment would not be available. Thank you all!

David A. Canedy, *Chairman*  
Auburn School Board

# The Auburn Planning Board

Stagnant at best, the economic woes of the nation were best illustrated in the New England region. Taking a futuristic perspective of "prosperity around the corner", the Planning Board continued to review all regulations which apply to zoning and planning procedures throughout the town. A majority of the 1991 warrant articles presented by the Planning Board were approved by the voters with the rezoning of land in the Hooksett/Old Candia and Wellington Road areas from "Residential 1" District to a "Commercial 2" District.

The Planning Board meets in the Auburn Town Hall each Wednesday evening at 7:00 P.M. to conduct Public Hearings, Informative Meetings and Work sessions. Site walks are held at the discretion of the Board. During 1991, the Planning Board found themselves dealing with potentially hazardous environmental issues in the town and conducted site walks of problem areas.

The Planning Board mourned the death of Alternate Member Ray Krohn and accepted with regrets the resignation of long time member Christine McLaughlin. The Planning Board welcomed Mr. Joseph Leverone as an alternate member to the Board.

The Planning Board welcomes the public on Wednesday evenings and notes Friday morning office hours from 9:00 A.M. until 11:30 A.M.

# REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

All dues-paying members of the Southern New Hampshire Planning Commission are offered a wide range of services, resources and technical assistance by a professional planning staff who, from time-to-time, are assisted by specialized consultants on an as-needed basis. Under the direction of your representatives, the staff develops and carries out planning programs that require a regional perspective, as well as those which pertain more directly to your community.

Local planning assistance requests are generally received from your Planning Board and/or the Board of Selectmen. With the concurrence of the Commission, certain general studies are conducted, notifications made and training workshops held that are considered essential for all member municipalities.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Provided testimonies to House and Senate committees in support of HB 391 dealing with impact fees. The Planning Board was notified of the final outcome.
2. Co-sponsored the Municipal Law Lecture meetings. The town officials were invited to attend those meetings.
3. Conducted a six-hour training workshop for the planning board members. Representatives from the Auburn Planning and Zoning boards were invited to that workshop.
4. Using the GIS ARC/INFO, a computerized base map for the town, drawn in the scale of 1" = 2000', is in the final stages of preparation.
5. Provided a Suggested Schedule for 1991-1992 Zoning and Building Code Amendments to be voted upon at the March town meeting.
6. Provided the town with a large-scale map drawn in the scale of 1" = 1,000'.

Auburn's Representatives to the Commission are:

Mr. Frank Edelmann  
Mr. Charles Worster  
Mr. Donald Marzloff – Alternate

Executive Committee Member: Mr. Frank Edelmann

# Building Inspector Report 1991

Even with the downturn in the economy, 1991 proved to be a very active year.

A total of one hundred twenty-two building permits were issued. Thirteen new single family homes, two new commercial buildings with six commercial renovations.

This year total revenue generated from building permits was nine thousand seven hundred twenty-three dollars and fifty-eight cents (\$9,723.58).

I would like to thank all the contractors and homeowners, I had the opportunity to meet, for their co-operation.

# VNA Town Report

Visiting Nurse Association of Manchester & Southern New Hampshire, Inc.,

The Visiting Nurse Association has been providing the residents of Auburn with a full range of home health services since 1965. The VNA Board of Trustees and staff take this opportunity to reaffirm their commitment to excellence in health care, and to the provision of services designed to ensure that being cared for at home is safe, comfortable and convenient.

The VNA Child Care Center provides a safe, secure environment for 192 children ages six weeks to 12 years. Projections show there will be a 20 percent increase in the number of children under age 14 in the next 10 years in the State of New Hampshire. As a result, the need for appropriate and affordable child care will continue to rise. In response to this growing need, the VNA launched its capital campaign in October to expand the VNA Child Care Center by adding a 7,500 square foot addition. Ground breaking for the new addition will take place early in 1992, with completion of the building scheduled for Spring.

The VNA's programs have continued to thrive and expand. VNA home care and community health services are provided through its affiliates.

VNA Home Health & Hospice Services, Inc. is Medicare and Medicaid certified, provides intravenous and enteral therapies, skilled nursing care; physical, occupational and health aides; Hospice care for the terminally ill; and long term care for the elderly and the handicapped. Medical equipment, such as beds and wheelchairs is also available. Payment for service includes health insurance, and private payment. Fees are explained to our patients at the first visit to the home and for those unable to pay the usual fees, adjustments are made on an individual basis.

VNA Personal Services, Inc. provides private duty nurses, home health aides, homemakers, companions, personal care assistants and child care in the home.

VNA Community Services, Inc. provides free Immunization Clinics for all age groups monthly and Free Blood Pressure screening clinics. Watch your local paper for date and place. Foot Care clinics are held monthly at our 194 Concord Street office by appointment and blood pressure checks are done weekdays from 1:30-4:00 p.m. Occupational Health programs are provided to business and industry on site. Parent-Child Health Services include the Teenage Pregnancy Program, the Parent-Baby (ad) Venture Program for children at risk of abuse and neglect, the Child Care Connection for child care providers, and the Training Program concerned with preventing drug and alcohol use among adolescents in high schools.

VNA Child Care Center provides a full-range of state-licensed child care, tailored to each child's needs. Programs include Infant/Toddler (ages 6 weeks to 36 months); Preschool (ages 3-5); and Kindergarten (age 5). The center also provides Extended Care, which is a before and after-school program for children grades 1 through 6, and special full-day programs during some holidays, school conference days, and school vacations. The summer session provides creative, fun programming for children ages 3 to 11. As needed, VNA also offers families a continuum of coordinated health and social ser-

vices, both directly from the VNA and through working arrangements with other community resources.

Town appropriates, grants, United Way allocation and donations are a vital part of the funds that help defray the cost of unpaid services. A representative(s) of the Town of Auburn serving on the VNA Board of Trustees is Dr. Robert N. Lord.

Sincerely,

Sarah Hubbard  
President

# Auburn Police Department

The Auburn Police Department had a very busy and productive year in 1991. Our department gained valuable experience in hiring retired State Police Sergeant Donald Eaton who has over 20 years of experience. We have also hired Officer Gary Bartis as a special officer, who comes to us with 12 years on the Bedford Police Department. Special Officer Jeffrey Harrington joined the department in November. Shaun Mulholland left to take a full-time position with the Raymond Police Department. Linda Young, Wayne Grasso and Donna Boyd-Robertson left for personal reasons.

Our current roster is as follows:

Chief Edward Picard (FT)  
Donald Eaton (PT)  
R. Paul Sanford (FT)  
David Flight (FT)  
Michele Simard (FT)  
Gary Richard (PT)  
Michael McGillen (PT)  
Thomas Wickey (PT)  
Gary Bartis (PT)  
Jeffrey Harrington (PT)

Clerical staff:

Paula Page (FT)  
Marie Libby (PT)

To better serve the Town of Auburn our officers have attended classes offered by Police Standards and Training. We at the Auburn Police Department believe that a well-trained police department is naturally a more efficient and professional police department.

The Auburn Police had a successful year in solving burglaries in Town. In February, Officer Sanford along with State Police solved six burglaries. Status of people involved is pending in Superior Court. Both of these cases and many others were solved with the help of you, the people of Auburn. You saw something that didn't look quite right and called us. To all of you who made that call we thank you. We encourage each and everyone of you to get involved.

The department continues to offer house checks for all residents for whatever reason needed, vacations, funerals, etc. Simply call our non-emergency number 483-2134 during normal business hours and we will take all the information.

Our department recently received a video grant for the purchase of video equipment. The department is offering all residents the opportunity to have their valuables filmed on a video and marked with an engraver for easier identification. Contact us for more information. Auburn received two DWI grants in 1991, which brought over \$3000.00 back into the general fund and resulted in 45 DWI arrests.

Last but by no means least, Auburn Police along with Manchester, State Police and the Sheriff Department apprehended a suspect in Auburn who was later charged with kidnapping, armed robbery and possession of a controlled drug. Again, this was all made possible because of the help we received from people in Town. This case is scheduled for trial in February of 1992.

All in all, Auburn Police had a very busy and productive year. We will continue to strive to make our department the best possible and to serve the town of Auburn in a most professional manner.

Respectfully submitted,  
Edward Picard, *Chief*

# Report of the Auburn Volunteer Fire Department

There were 189 emergency calls in 1991. The fire calls included 22 for arcing wires, 14 structure fires, 10 grass/brush fires, 3 vehicle fires, 1 refuse fire, 1 fire outside a structure, 3 smoke investigations, 4 alarm activations, 4 mutual aid calls and 5 system malfunctions. Rescue calls included 97 medical emergencies and 2 water evacuations. The remainder calls consisted of 10 service calls, 6 good intent calls, 1 lock out and 6 miscellaneous calls.

It was a busy year for the Auburn Volunteer Fire Department. In January, the department spent donated money to purchase audio-visual aids to be used for training. Items purchased included a VCR, television and stand, a 35 mm projector, an overhead projector, 7 practice radio/headsets and 2 flip chart stands. Much use was made of this equipment throughout the year at the many training session including the Firefighters I course, the EMT refresher, CPR class, the Commercial Driver License course and the Incident Command System classes.

The Women's Auxiliary donated \$2,000. to the fire department to remodel the upstairs of Central Station. Volunteer firemen re-sheet rocked and painted the walls and ceiling. New lights were installed too, making the upstairs a more pleasant place for meetings and training.

The "Firefighter of the Year" Award was initiated in 1991 and the first recipient was honored at the Town Meeting. The purpose of this award is for the firemen to recognize a fellow member who goes "above and beyond" the call.

The Firefighter I course started in March and continued through July. A lot of work was put into this course by both instructors and students. Eight firemen also attended the National Fire Academy's New Hampshire/Vermont weekend and returned with valuable techniques and information to share with the firefighters back home.

In April, the tanker that was being rebuilt and painted in 1990 was put into service providing the department with 3500 extra gallons of water at the fire scene.

The May Letter resulted in town residents generously donating \$2500. to the fire department. The money will be used to obtain equipment and gear not budgeted with town money. The protective clothing budgeted by the town was ordered after the committee spent much time and effort determining which gear would best suit the needs of the fire department. Serious planning allowed two thirds of the firemen to receive new protective clothing when originally only one half would be done.

Olde Home Days weekend was extremely hot but enjoyed by all who attended. Besides the gaming tables, firemen hosted a parade, had an informational poster-board, took blood pressures, gave fire extinguisher demonstrations and played softball. The surprise water spray provided relief for many from the heat.

Hurricane Bob arrived August 19th. Many firemen manned the fire stations to respond to the many wires down/arcing wires calls. Power was out in town and roads were strewn with debris and low areas threatened by flooding. However, these dedicated people left their homes to protect the townspeople. In the event of fire, medical emergency and flooding, these firemen were ready to respond immediately. The school was also opened for evacuated people and monitored by the fire department personnel.

The new fire clothing arrived in September and was assigned.

October brought Fire Prevention Week. The usual Open House was well attended. There was food and balloons, fire equipment and rescue demonstrations and the public even got a chance to "hands on" the booster line.

Five survivairs and ten air bottles were purchased from Hooksett Fire Department. This transaction provided Auburn with inexpensive

additional breathing apparatus. More survivairs are necessary since most fire calls mandate the use of this gear for fire personnel safety.

The new ice rescue suit and rope arrived in December, in time for immediate use. And this year, the fire department purchased Christmas lights and displayed them at both stations.

All apparatus and equipment, buildings and grounds are maintained by the firemen. Smooth operation of departmental matters and policies are conducted by the fire department officers. The firemen are dedicated, qualified and well trained volunteers.

When reporting an emergency, remain calm, speak clearly and remain on the telephone until the dispatcher has all the necessary information. Remembering to follow this advice can make a difference for rapid response to your emergency.

Martin Sullivan, Chief  
AVFD

# Report of the Town Forest Fire Warden

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Robert D. Nelson, Chief, Forest Protection

Martin Sullivan, Your Local Forest Fire Warden

## Report of the Solid Waste Commission

With the help of the Auburn Village School students, the Solid Waste Commission (SWC) has a new logo. We will begin using the new logo on all of our informational material. So start looking for "Reduce your Use--Recycle."

Thanks to the cooperation and support of the Town's residents and businesses, Auburn was able to continue its aggressive recycling program in 1991. The following materials were collected at the facility and recycled:

Newspaper	Scrap Metals
Cardboard-corrugated	Tires
Glass	Motor Oil
Cans: Aluminum, Tin	Plastic Jugs, Soda Bottles

In addition to the above, organic materials (manure, hay and lawn clippings) were collected in a compost pile. They were made available "free for the taking" to residents. Recycling efforts will continue in 1992, and, hopefully, become even more efficient.

The SWC is sponsoring a Warrant Article at the 1992 Town meeting for a wood chipper. The chipper will greatly reduce the amount of yard waste burned outdoors at the facility. It will also provide free bark mulch and wood chips to town residents.

Please remember that source recycling (separation of refuse at your home or business) is mandatory in Auburn. Facility attendants may refuse to accept your trash if it is not properly separated. Glass, metals or explosive materials that find their way into the incinerator cause severe damage which requires expensive repairs. Proper recycling prevents these repairs and saves tax dollars. The SWC requests that you use clear plastic bags to collect your refuse.

The SWC and facility attendants work together to contain expenses whenever possible. These efforts result in reduced waste management costs to the Town. The facility's loading dock is a good example of this effort. It was constructed by the attendants using old telephone poles provided at no cost to the Town. Ingenuity has allowed the facility to operate within its 1991 budget.

The proposed 1992 budget totaled approximately \$86,000, which was about 15% less than the 1991 total. However, stricter ash handling procedures enacted by the State, to which Auburn must adhere, will add \$20,000 to the budget. Once again, the more materials recycled, the less will be burned and, subsequently, less ash will be produced. Reducing ash will reduce Auburn's handling costs for it.

Many residents mistakenly believe that recycling provides a generous source of revenue to the Town. For example, aluminum beverage cans are regularly recycled at a profit. In a weak economy, recycling is, at best, a break-even venture. Although some materials may have value, the cost of handling, storage, and shipping often offset any profit made in a sale. The SWC Recycling Commissioner works closely with the facility attendants to minimize any costs to Auburn. Metal cans (so-called tin cans) do have a minimal scrap value and are "swapped" to a vendor who provides the Town with a no-charge container and shipping. The end result is zero cash outlay. More importantly, the cans, which wreak havoc with the incinerator, are diverted from the waste stream and recycled responsibly.

Likewise, newspaper and cardboard are recycled with a similar arrangement. Profits made in the sale of baled cardboard reduce costs for disposing of the newspaper. Any net revenues earned from recycling operations are deposited in the Town's General Fund. Again, these revenues and trade-offs minimize costs to Auburn and, at the same time, materials are recycled responsibly.

The SWC sponsored a "Clothing Collection Day" which was very successful. Not only do we recycle what we cannot use anymore, but the ultimate goodwill gesture of "helping your neighbor" is accomplished. Another collection day will be held in the spring.

The ideas and cooperation of Auburn's residents and businesses are solicited and needed by the SWC. Meetings are held at the Town Hall on the first and third Tuesdays of each month beginning at 7:30 p.m. All are welcome. The SWC communicates to the Town with monthly entries in the "The Village Crier," visits to the school or public hearings. If your group would like a visit by the SWC, please let us know.

Recycling and responsible waste management benefit everyone. Thank you for your cooperation and support.

## Road Department

The Road Department Budget shows no increase for 1992. The Town cut road projects to provide money for a salt storage shed. This \$50,000 capital expenditure will provide a safe environment for sand and salt and allow the town to buy in quantity. The road improvement plan for 1992 is to upgrade and pave Raymond Road Extension between the Village School and Eaton Hill.

The Road Agent was not involved in the 1991 Griffin Bridge or Lover's Lane projects. The Selectment rejected the Road Agent's \$19,000 bid to upgrade Lover's Lane.\* Instead, they spent \$26,000 and left it without a black top. The Town is asking to pave Lover's Lane this year.

We need a bunch of street signs again this year and there is money in the budget for them. If you know the location of any "missing" town signs Auburn will accept them, with thanks and no questions asked. If you are replacing your mailbox, please keep it four feet off the blacktop. The life expectancy of a sander today is six to eight years. At the end of 1991, we replaced the Town sander for \$8,500.

I have been Road Agent since 1979 and enjoy working with the people of Auburn and maintaining the roads. Hopefully, everyone will cooperate in 1992.

\*Statement is not accurate. See Board of Selectmen's minutes.

Respectfully submitted,

Joe Stacy  
*Road Agent*
