## Red Cross Secretary's Report

---

### American Red Cross—Center Harbor Branch

The annual meeting of the Center Harbor Red Cross was held June 24, 1963 with Mrs. Margaret Anderson, Executive Secretary of the Laconia Chapter, of which we are now a member, as our guest.

The Water Safety Program was resumed under the direction of Peter Howell, a summer resident, as Life Guard and Swimming Instructor. He proved a very competent instructor and was very well liked by both parents and children.

Aid was given to a family whose home was destroyed by fire.

The hospital bed, wheel chair and crutches have been in great demand during the year. We are fortunate that the Red Cross has this equipment available for emergencies and we feel that we are well equipped for such a small town.

The Red Cross Drive was more successful this year and we hope to attain a higher goal for 1964.

# Forest Fire Warden's Report

## PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire service kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience—a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump—it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.
