**ANNUAL REPORT of the SUPERINTENDENT
OF SCHOOLS**

To the School Board and Citizens of the New Hampton
School District:

I herewith submit my third annual report as your
Superintendent of Schools:

Personnel Changes

Mr. Giles Low, Jr. was employed as principal and teacher of grades 6, 7 and 8 replacing Mr. Edmund Sullivan, who left New Hampton to accept a position in the North Adams Teachers College Training School. Mr. Low is a graduate of Plymouth Teachers College and has taken graduate work at Keene Teachers College and the University of New Hampshire. Mr. Low has taught at Epping, and Warren, N.H.

Mrs. Eleanor Hall was employed to teach grades 4 and 5. Mrs. Hall replaces Mrs. Dorothy Eckels. Mrs. Hall is a graduate of Keene Teachers College. She has had several years of experience teaching at Jefferson, and Whitefield, N.H.

At the annual School Meeting last year, it was voted to appropriate funds to employ a half-time assistant to the principal. Mrs. Nancy Lamb was employed to fill this position. She works during the morning hours, during which time the principal is free for the handling of bookkeeping of the School Lunch Program, pupil conferences, health problems, and supervision of teachers. Mrs. Lamb is a graduate of Clark University and attended the New England Conservatory of Music. Mrs. Lamb has taught in Rutland, and Auburn, Mass.

Mrs. Ida Serrine continues as teacher of grades 1 and 2. Mrs. Doris Tatham continues as teacher of grade 3.

Mrs. Beatrice Nordholm continues as Music Supervisor. Mrs. Helen Bellavance continues as School Nurse.

School Budget

The School Board's estimate for the 1957 - 58 school year is \$66,809.46. The estimated expenditures for the current year are \$59,529.46.

Teachers' Salaries

Teachers' salaries continue to increase. The beginning teachers from Keene and Plymouth Teachers Colleges this year were getting salaries of \$3,000. Beginning teachers for September 1957 are now asking for \$3,200. In order to keep experienced teachers in our system, we must continue to give sizeable increases.

Tuition Rates

The following 1957 - 58 tuition rates have been established:

	High School	Jr. High	Elementary
Bristol	\$ 330		\$ 210
Ashland	320		220
Laconia	350	\$ 315	220

Enrollment

The enrollment for the New Hampton Community School is 101. The census figures indicate that we will probably have entering classes of approximately 20 for the next few years. By this time next year, the district may well be planning to build an additional room or two, to better accommodate the increased enrollment.

I wish to express my appreciation to the School Board, and school staff, and the people of New Hampton, for their co-operation and support during the last school year.

Respectfully submitted,

RICHARD A. MARTIN

January 21, 1957

Superintendent of Schools

In accordance with the laws of the State of New Hampshire, Laws of 1953, Chapter 243, Section 5 "Reports: Each Superintendent of a Supervisory Union shall annually prepare a report showing the total salary paid to the superintendent; which report shall show in detail the amount derived from the per capita and the amount paid directly by each school district in the union." I submit the following report:

Total salary paid for the period 7/1/55 to 6/30/56 was: \$ 7,600.00
Of this amount, the amount from per capita tax was: 2,500.00

The districts in the Union paid: \$ 5,100.00

The share which each district paid is as follows:

Franklin	\$ 3,835.20
Hill	219.81
New Hampton	530.40
Sanbornton	514.59

\$ 5,100.00

Total salary to be paid for period 7/1/56 to 6/30/57: \$ 8,000.00
Of this amount, the amount from per capita tax is: 2,500.00

The districts in the Union will pay: \$ 5,500.00

The share which each district will pay is as follows:

Franklin	\$ 4,122.80
Hill	235.95
New Hampton	581.35
Sanbornton	559.90
	<hr/>
	\$ 5,500.00

NEW HAMPTON COMMUNITY SCHOOL
PRINCIPAL'S REPORT

The expected enrollment for the year 1957 - 58 is 103, or an increase of two students. However, if this year has been any indication, it would be well to expect added students during the year as new families take residence in the town.

Perhaps the school's greatest advancement this year has been the addition of a part-time teacher. In so doing, the school has enabled the principal to spend more time than has previously been possible in dealing with the many problems, routine and otherwise, that make up the administrative program. Attempting a full day of teaching and the usual complement of administrative tasks is almost an impossibility. As a usual rule one or the other must suffer. Since the student is of primary importance, the daily classroom activity receives the emphasis of the teaching-principal's time, leaving an unfortunately inadequate period for the amount of attention demanded by an efficient administrative and supervisory program. With a new staff member to relieve him of a certain amount of classroom duties, as has been the case this year, a satisfactory amount of time has been provided for office work and supervision.

The science program has been found sadly lacking or non-existent. In this scientific age, such a course should have major emphasis in our curriculum. A study is now being made to determine how we can best improve this area of learning. One almost feels, in looking at the school day, that there is all too much to be achieved in so short a time. The school does not, at present, appear to hold the scholastic achievement that seems possible. Several years of intensive effort in all areas of study should bring it to a higher scholastic standing.

The overheating problem that has bothered the school since its construction, is still evident. Jacketing the hot water pipes with asbestos undoubtedly would correct building temperatures and lower fuel consumption.

I would like to take this opportunity to thank the P.T.A., the Gordon Nash Library, and the many individuals whose interest has contributed so much to the school's well being.

Respectfully submitted,

GILES LOW, JR., Principal
