TOWN WARRANT

THE STATE OF NEW HAMPSHIRE (Tentative)

To the Inhabitants of the Town of Sanbornton in the County of Belknap, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the tenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray the Town Charges for the ensuing year and make appropriations for the same.
3. To see what action the Town will take upon the Budget as recommended by the Budget Committee.
4. To see if the Town will vote to authorize the Selectmen to hire such sums and amounts of money as may be necessary to defray Town Charges in anticipation of Taxes.
5. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
6. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000) for Maintenance Highways and Bridges: Six Thousand Dollars (\$6,000) to be allotted to Summer Maintenance, Eight Thousand Dollars (\$8,000) for Winter Maintenance.
7. To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Dollars (\$1,400) for the purpose of oiling black top roads?
8. To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy-Five Dollars (\$175) for General Highway expenses.
9. To see if the Town will vote to accept, raise, and appropriate the sum of Nine Hundred Fourteen Dollars and twenty-two Cents (\$914.22) for Town Rural Aid. (TRA).

10. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) for permanent improvement.
11. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) for the purpose of making a payment on the Grader Note.
12. To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety Dollars (\$190) for the Sanbornton Fire Department. To be used for Equipment and materials.
13. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700) for the Winnisquam Fire Department for the purpose of maintenance and operation of the Department.
14. To see if the Town will authorize the Selectmen to investigate and purchase a piece of land suitable for a Town Dump, and authorize the opening of same. The 1952 appropriation of \$600 is available for said purpose without further appropriation.
15. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50) for Old Home Day. By request.
16. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Dollars (\$25) for Memorial Day. By request.
17. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150) for Band Concerts. By request other than by Band Members.
18. To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty Dollars (\$250) and make same available for the Library Trustee.
19. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100) for the Laconia Hospital. By request.
20. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50) for the Franklin Hospital. By request.

21. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars for the eradication of White Pine Blister under the supervision of the State Forester. By request of State.
22. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty-One Dollars (\$151), on one-hundredth of one percent of the town's valuation, for the Lakes Region Association. By request.
23. To transact any other business that may legally come before said meeting.
Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-three.

ELLWOOD V. BENNETT,
NATHAN T. MORSE, SR.
HOWARD W. SANBORN,
Selectmen of Sanbornton

UNSOLICITED COMMENT ON THE EFFORTS OF THE SMELT PATROL

It might be of interest to know that when the revaluation was being taken on the Winnisquam Shore property last summer, many of the property owners were in camp and with two exceptions, they were very pleased with the effort the Town made to have the Patrol; particularly were they pleased that after the season closed, the men of the patrol came into the area and cleaned up the empty bottles, etc., around the camps. One man who owns property on the lake front wrote March 19, 1952 that

"Regardless of how some of the townspeople feel, we believe the Smelt Patrol should continue under the Selectmen's supervision."

A second letter received Jan. 12, 1953 is as follows:

"I feel I should give further expression of the appreciation I feel as well of others I have spoken to concerning the Smelter Patrol."

"It is indeed gratifying to know that though a taxpayer but not a voter our friends and neighbors are interested in looking after our interests.

"There is no need to relate the hazard at times the personal contact with the so-called 'sportsmen'. The splendid work done by Mr. Harper, Mr. Brooks and others of the patrol, who under circumstances, considering the length of the territory and small number of men available, is one of the most commendable acts of the town.

"I hope it will be continued and this year right up to the last night. We had a very difficult week when the Patrol was taken off the last week."

These letters are available if anyone cares to read them personally.

The Town of Meredith approved of our efforts to the extent of reimbursing us the sum of \$100 instead of the appropriated \$75.

REPORT OF THE FIRE CHIEF

With the money made available to us we have purchased much needed tools for fighting forest fires. Cement, insulation, a door, and heating equipment for the fire house have also been purchased and we are reserving enough money to heat the building for the remainder of the Winter.

We can report that through the generosity of the firemen in giving of their time and materials, we have been able to install a cement foundation, apply siding to two outer walls, put in an insulated ceiling, install an overhead door, and insulate two inner walls.

Aside from time consumed in drills the firemen have contributed over 660 man hours plus the use of trucks, tractors, and other equipment.

We have responded to all calls received during the past year amounting to six local calls and one out of town call.

We are asking the Voters for a small appropriation to enable us to finish our fire house, buy some small pieces of equipment and purchase oil to heat the building next Winter.

Respectfully submitted,

GEORGE S. CURRIER,

Fire Chief

Reim. freight	1.80	
		<hr/>
		\$68.80
		<hr/>
		147.95
		20,422.07

T.R.A. Appropriation was turned over to State for application.

The Budget Committee and final Public Hearing voted to raise \$175.00 for General Highway Expenses. Through error that item was omitted from the Warrant, so that sum could not be included in the amount raised. Therefore the General Highway Expenses had to be taken up in the surplus amounts left in various other Departments. When the omission was realized, it was too late to do anything about it.

The following letter is printed with the permission of the Lake Winnisquam Drive Association:

"At the annual meeting of the Lake Winnisquam Drive Association, held July 13, 1952, it was unanimously and enthusiastically voted to express to you, and to all responsible, our deep appreciation for the fine manner in which Black Brook Road is being maintained during the current season. Several 'old time' members expressed their conviction that the road had never been in better shape. We all are grateful for your interest and effort."

(Signed) Sincerely yours,
FREDERICK H. ARTERTON,
Secretary

THE WINNISQUAM FIRE DEPT., INC.

to

The Town of Sanbornton, N. H.

The Winnisquam Fire Dept. Inc., takes great pleasure to report that on Sept. 15, 1952 the new Engine No. 1 was put in service.

This Engine is built up on a GMC chassis with 145 h.p. motor purchased of Walter Woodward, Laconia GMC dealer.

The pump, body, tank, and all equipment was purchased of the Farrar Co., Woodsville, Mass.

The cost of the complete truck and equipment to the W. F. D. \$12,500.00.

Since this truck has been put in service the Board of Fire Underwriters have given our Dept. a much better rating than in the past and in consequence the Fire Insurance rates have been materially reduced up to two miles from our station.

**REPORT OF THE SANBORNTON
PUBLIC LIBRARY**

For the Year Ending December 31, 1952

Again we wish to express our appreciation to Mrs. Nathan T. Morse, Jr., for her very efficient work as librarian. The library is open on Wednesday afternoon from one to five o'clock, and the librarian is always willing to make special arrangements for those who find it impossible to visit the library at this time.

During the year 1952 the library has loaned 3,348 books. Of these 239 were fiction, 227 non-fiction, 2,731 children and youth, and 151 magazines. We note that the number of books loaned to children is almost double that of the previous year, a very healthy sign. On the library shelves are many excellent books for adult reading, and this group would find it most valuable to them to take advantage of this service.

We are grateful for all the gifts of books and magazines which have been received. The largest gift, and one most appreciated by the young people, was from Mrs. Frederick G. Long, more than forty children's books from her library.

On Wednesday afternoons during the months of July and August, a story hour was conducted for the children, with Mrs. Morse, Mrs. Coombs and Mrs. Bodwell as readers.

**ANNUAL REPORT OF THE
SUPERINTENDENT OF SCHOOLS**

To the School Board and Citizens
of Sanbornton School District:

I herewith submit my third annual report as your Superintendent of Schools:

Another year has passed since my last report to you. Many changes have occurred during this period. Many adjustments have had to be made. Events have occurred that affect each and everyone of us. One thing which is becoming more and more apparent on the nationwide scene is the increasing number of school children and the need for additional monies to carry on their education. The public schools of America have been called the "one source of hope for the preservation of Democracy." Yet we are spending less each year of the national income to see that the source is

maintained. National figures show that schools are receiving less and less of the dollar than they have received in the past.

You in Sanbornton have provided generously for your pupils during the past two years. The greater portion of your tax dollar has gone to support your school. This is in line with the action that other communities of your size have taken in New Hampshire. In larger communities where the cost of items such as police, garbage collection, public works, etc., are a factor we find a smaller percentage of the tax dollar going for schools. You may look with a great deal of pride to your school and feel a sense of pride for providing for them. The school is serving your community well and your children are being taught effectively and efficiently.

The Sanbornton Central school opened in September with the same staff as last year, namely: Mrs. S. Katherine French, Principal and teacher of grades 5 and 6; Mrs. Eugenia S. Carroll, grades 7 and 8; Mrs. Annette Larson, grades 3 and 4; and Mrs. Anne P. Abbott grades 1 and 2. It was with extreme regret that the Board accepted the resignation of Mrs. Anne P. Abbott in November. Mrs. Abbott had given faithful and excellent service to the children in the Primary room. It is a difficult loss to the teaching profession to lose people of Mrs. Abbott's caliber. We were most fortunate, however, in being able to find an excellent replacement. Mrs. Beatrice B. Pelletier, a teacher with many years of service in the Tilton-Northfield schools was appointed to fill the vacancy caused by Mrs. Abbott's resignation. Mrs. Estelle C. Watts continues as the Music Supervisor and Miss Marion C. Moynihan is again serving you as your school nurse.

The School Lunch program has been an important part in the Central School. It has provided excellent meals for the children and has given the school the opportunity to teach proper attitudes at the table. Mrs. Lucinda Patterson, who has given the district excellent service, opened the year and continued to give to the children her usual high standard of school lunch meals. It was with regret that we accepted her resignation as the school lunch director. Here again, however, we were most fortunate in finding a replacement. Mrs. Esther A. Reynolds, with experience in a lunch

program in Brookline, New Hampshire, was appointed to fill the vacancy and has continued to give us excellent meals.

During the year it was a joy to see the reformation take place at the rear of the school building. The money which you so generously provided at the last annual meeting has been wisely, judiciously, and most effectively spent. The results are bound to be much more convincing when the area becomes grassed over. The reality of a playground worthy of the school is closer at hand because of your most generous support. I am sure that the future will, with the help of all of us, bring this area to its intended use.

The budget this year will reflect more than anything else the increasing cost of high schools for the district. Tuition fees have increased and the number of pupils who attend high school is growing. The increase in the enrollment of the Sanbornton Central School has necessitated the increase in transportation costs. The number of pupils from the Bay and Winnisquam area is growing hence the need for an additional vehicle. We have tried to hold the line in the other categories of the budget and in doing so we will be providing the minimum for our children.

I would like to call your attention to the need for considerable thought in the direction of the Cooperative High School for this area. Enrollments are increasing in the high schools and it is entirely possible that the day will come when Laconia, Tilton, and Franklin may say they can no longer take your children as tuition paying pupils. Should this occur Sanbornton would be in the position of not having a school to which her children could go to high school. Your Board, with your consent, appointed a committee to look into the feasibility of this plan. I hope that they will have a solution which the community will accept and foster. It seems the only way in which a district can be assured of a place to which their children may go for secondary school education.

We have made progress during the past year. The school is in a position to give the pupils a well rounded program and excellent preparation for high school. You can be proud of the accomplishments of your pupils. You can look with pride at your plant and feel that you have played an important part in making your school what it is today.

In closing this report I wish to express my appreciation to the School Board, teachers, Parent-Teacher Association and the many citizens of Sanbornton who have been so helpful in the work of the school. Without your help these things would not have been possible. I hope that we may continue to work for the education of the children in this same friendly spirit for many years to come.

Respectfully submitted,

FRED W. SNELL,

January 2, 1953

Superintendent of Schools

SCHOOL NURSE REPORT

To the Superintendent of Schools:

Good health is essential to effective living and is an important goal of education. The responsibility for the health of the child rests primarily with the parents or guardians who have the obligation of providing adequate medical and dental care as well as home conditions conducive to good health. This is an obligation which gradually becomes the child's as he matures. The family physician and dentist serve as the health advisers to the family and cooperate with the school and health department in providing the necessary services. The school assumes the obligation of working with the parents and others to provide conditions and educational services conducive to good health.

I am happy to report that such concerted effort and mutual cooperation for the betterment of the health of the pupils of the Sanbornton School has characterized our health program during the past year.

Any health program, particularly a school health program, must place major emphasis on the early diagnosis and prevention of incipient illness. This results, not only in more effective therapy, but, also may be the chief factor in the detecting of conditions which are unfavorable to the vigorous growth and development of the child. It is in this respect that physical examinations, made periodically, play such an important role in the health program of the school. In keeping with this, physical inspections of forty-five pupils

were made by the school nurse. All of the children were weighed twice during the year. In addition, through the efforts of the Sanbornton Parent-Teacher Association, a complete physical examination was given to sixty-three pupils by Doctor Everett Orbeton of Laconia, New Hampshire.

During the past few years more precise instruments have been devised for the detection of impairments in vision and audition. The importance of these is reflected in the effect that poor eyesight and defective hearing have, not only on the academic, but also on the personal and social adjustment of the school child. In order to detect and institute remedial corrections in the areas of sight and hearing all of the pupils, 108 in number, were checked with the Massachusetts Vision Test and the Maico Pureton Audiometer. In several cases retests were given.

Tuberculosis, once the scourge of communicable diseases in the United States still remains a threat even though now under better control. This has in no small part been due to the better precautions and more scientific methods of detection. Significant here has been the Tuberculin Patch Test, a skin test for diagnosis. During February a Tuberculin Patch Test clinic was held. Seventy-one children were tested. It is gratifying to report that all of the children showed a negative reaction to the test.

Diphtheria remains a constant threat to the school child and precautionary measures are always in order. In keeping with this, Toxoid clinics were held during April and May. Seventeen children attended both clinics.

Diagnosis is of value only when there is follow up in therapy. Cooperation between the home and the school is essential here. During the year twenty children went to their dentist. Three children secured glasses. The nurse made arrangements for two children to attend the orthopedic clinic in Laconia, New Hampshire. Further evidence of school and home cooperation in the health program was marked by conferences held with parents, teachers and children throughout the year.

Nutrition plays an equally important part in the health of the school child. The child who is malnourished or even hungry cannot be expected to do his best work in school. At

the same time malnutrition is fertile ground for possible disease. Hot lunches introduced into the school have done much to remedy this condition. During the year ninety-three children took advantage of the hot lunches served in the Sanbornton Central School.

I wish to take this occasion to express my sincere gratitude to the Sanbornton Parent-Teacher Association, the Tilton American Red Cross Chapter which provided the sum of twenty-five dollars for the hot lunches during the month of February, the Sanbornton School Board, the teachers, parents and pupils for their wholehearted cooperation during the past year.

Respectfully submitted,
MARION MOYNIHAN, R.N.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

August 11, 1952

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Sanbornton School District for the fiscal year ended June 30, 1952 and found them to be correctly cast and properly vouched.

Submitted herewith is the report in the form of Exhibits which, to the best of our knowledge and belief, reflect the financial condition of the Sanbornton School District as of June 30, 1952 and the results of the financial transactions of the District during the period under review.

Respectfully submitted,

HAROLD G. FOWLER

Director, Division of Municipal
Accounting, State Tax Com-
mission

Alan R. Matthews, Auditor

Robert W. Flanders, Accountant

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Sanbornton qualified to vote in District affairs:

You are hereby notified to meet at the Sanbornton Central School in said District on the 5th day of March 1953, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and for the payment of statutory obligation of the District, as determined by the School Board in its annual report.
7. To see if the District will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.
8. To transact any other business that may legally come before said meeting.

Given under our hands at said Sanbornton this 8th day of January 1953.

KNOW YOUR TOWN AND WHAT IT IS DOING
SANBORNTON HISTORICAL SOCIETY

Since its organization on March 5, 1952, the Society has held meetings on the first Wednesday of each month, and has increased its membership to 75 Active and 35 Associate members. The Society is a member of the N.H. Association of Historical Societies at whose meetings it has been represented.

Projects undertaken include the renovation of the first town cemetery and clearance of the Town Pound. A tour of interesting spots was conducted during the summer which led to the decision to erect markers at some historical sites. The float which the Society entered in the parade at Center Harbor secured much favorable publicity for the town. A distinctive sign has been designed that will be erected to mark the entrances to the town.

The Society is open to all who are interested in preserving the historical data of the town, and new members will be cordially welcomed.

THE SANBORNTON BAY WOMEN'S CLUB

Monthly meetings were held at the homes of members with entertainment and refreshments furnished by special committees.

The purchase of chairs for the Bay Vestry was the project for the year. For this purpose, a community cook book was sponsored by the Club. By the end of the year proceeds from sales of this book and from various food sales were sufficient to buy a number of chairs.

Donations were made to March of Dimes, Crippled Children's Fund, Red Cross, Tuberculosis Fund, and the School Athletic Fund.

The Good Cheer Committee sent cards, flowers or gifts to members who were ill.

At some meetings work was done on cancer dressings.

The annual picnic was held in July at Mrs. Lavine's home.

In September, members and their husbands enjoyed a turkey dinner at Lake Shore Manor.

In December, the Club sponsored a children's Christmas Party at the Vestry with gifts, refreshments and entertainment.

Also in December, members and their husbands enjoyed a social evening at Steele Hill Inn as guests of Mr. and Mrs. Dodge. Donations were turned over to the Bay Church.

The unusually fine programs throughout the year included: Almenia Harper's antique button collection, illustrated travelogue by Rev. Thomas Cate, fan collection by Frances Higgins, Accident Prevention and Health Talk by Mrs. Nedeau, flower display by Mrs. Whittemore, hand-made silver and gifts by Carolyn Gove.

In place of formal programs, stork showers were given on two occasions.

VIRGINIA F. HURT
Secty.-1951

**THE WOMEN'S UNION OF THE
CONGREGATIONAL CHURCH
IN SANBORNTON**

The Women's Union of the Congregational Church in Sanbornton was organized in 1946, a merger of the two former organizations, The Ladies' Circle and The Ladies' Missionary Society. Its purpose is to encourage the women of the parish in a fellowship of worship, education, service and giving to support the entire church program; to help them to cultivate the Christian spirit in their own lives, in the home, community and throughout the whole world.

During the past year besides helping with the regular financial obligations of the local church, this organization has met most of the expense of purchasing and installing an oil furnace and purchased a range oil burner for the parsonage. Cartons of clothing have been sent to Fort Berthold Indian Mission and the Delmo Housing Corporation. Contributions have been made to India Talladega College, Tilton College, Northfield Schools, West Virginia Wesleyan College, John Milton Society for the Blind and the Golden Rule Home for Boys. In addition to these gifts, our Friendly Service Committee has been alert to the obligations and opportunities for service in the immediate locality.

CLARIS BODWELL,

Program Committee

P. T. A.

The Sanbornton Parent Teachers Association can trace its founding back to October of 1949, when all interested people were notified to meet at the Central School Auditorium to have the aims and purposes of a Parent Teachers organization explained to them.

Prior to this date, down through the years, several citizens of Sanbornton had agitated for the founding of a Parent Teachers Association, but due to the fact that there were several small schools, scattered in widely separated areas throughout the town, enough community interest could not be aroused to organize on a sound, firm basis.

However, shortly before the above date, the Central School was opened and this fact concentrated the interest of all the parents and other interested parties on one point and one townwide collection of pupils.

In November, following the explanatory meeting in October, another meeting was held at which it was voted to organize as the Sanbornton Parent Teacher Association. Officers were elected and committees appointed. A charter was received shortly thereafter from the New Hampshire Parent Teachers Association and notification received from the National Parent Teachers Association that Sanbornton was a member in good standing.

Due to the high character and public spirit of the members of the Executive Board and to the tremendous zeal and enthusiasm of every member of the organization, Sanbornton can be justly proud of the accomplishments of the Association in the past three years.

To single out any particular project as outstanding is difficult because they have all been large in scope and sound in filling a need of the pupils. To list a few should be of Community interest: the purchase of a 16mm sound picture projector; dishes for the cafeteria; radio and record player

combination; baseball and basketball equipment; indoor games for pupils in rainy weather; trips for the graduating classes; prizes for scholastic ability; weighing and measuring scales for the First Aid Room; swings and teeter boards in the playground; and a slide-film strip projector for use in the classrooms.

For the education of the members, each meeting has seen professional men of high standing, either judges, lawyers, doctors, state officials, world travelers, or other outstanding people as chief speakers of the evening.

Entertainment has been furnished by excellent local and outside choral groups, orchestras, instrumentalists, entertainers and professional groups.

The Sanbornton PTA enjoys both its work and play and in doing so has gained a statewide reputation as one of the most active organizations in the State.

STANLEY SKEATS,
President

BAY GRANGE NO. 295

With a net gain during 1953, Bay Grange now has a membership of 96.

Literary programs during the year included a discussion of the Town Warrant and on the subject, "Should the source of revenue needed to balance our State budget come from a Head tax, Sales tax, or State income tax or combination of the last two?" A vote taken at the close of the discussion showed that the grange was in favor of the Sales tax *IF* it would relieve the Real Estate Tax. Special programs were presented for the March of Dimes, Home and Community Welfare Night, Ladies' Night, Gentlemen's Night, Children's Night, and Farm and Home Safety Night. Other outstanding features were a travelogue with colored slides on their trip to Europe by Florence and Stanley Leonard; a movie on the mining of diamonds and a discussion of diamonds and other gems by Jack C Sawyer, Certified Gemologist; and a report on the National Button Convention in Buffalo, New York, by Almenia Harper, who also had many of her buttons on display.

State Master Charles R. Eastman was present for the Fiftieth Anniversary of Bay Grange, organized March 25, 1902. Included in the program was a history of the grange and remarks by three of the charter members and ten Past Masters.

We are fortunate in having an active Juvenile Grange with a membership of 37.

A successful Grange Fair was held in August with exhibits of fruits, vegetables, fancywork, flowers, and hobbies, and an exhibit by the Rainbow 4-H Club. Many of the articles, along with home-cooked food, were auctioned off later in the evening.

A very active Home and Community Welfare committee sponsored a community supper, assisted with the Juvenile Grange, the Anniversary program, the Grange Home Bank program, paid the dues of members in the service, and made contributions to many charitable organizations and other appeals. They also helped to make layettes for needy families, cancer dressings, and assisted in the remodeling of the kitchen of the grange hall.

HELEN JOSLYN,

Secretary

SANBORNTON CENTRAL SCHOOL
ATHLETIC ASSOCIATION

This Fall the 6th, 7th and 8th grades at Sanbornton Central School started an Athletic Association. Officers were elected from the 7th and 8th grades. Harold Fuller, president; Alan Laughy, vice president; John Collins, secretary, and Gail Knight, treasurer.

With the help of our Principal, Mrs. Katherine French and Mr. Philip Shacklett our basketball coach, the Association is well under way.

Many donations have been solicited and received from various organizations in Sanbornton and surrounding communities.

The purpose of this Association is athletic equipment, the development of good sportsmanship and skill in all sports connected with the school.

Last Spring a very successful baseball team was coached by Bill Harper.

Under the coaching of Mr. Shacklett both girls and boys have basketball teams.

Under the supervision of Bob and Dick Wiggin both girls and boys are receiving skiing instructions. This is the second year they have taught skiing at the School.

WILMA JEAN HARPER,

Publicity

REPORT OF HARMONY GRANGE

During the past year Harmony Grange has held twenty-four regular meetings with a good attendance of officers and members. Our officers were installed at a joint installation ceremony with Winnisquam Grange at Lochmere. During the summer we conferred the four degrees on a class of candidates.

All the required literary work was completed during the scoring period. We observed Home and Community Welfare Night, Ladies Night, Men's Night, Children's Night, Young People's Night, Presiding Master's Night, and Past Master's Night. The Home Bank was presented to Harmony Grange by Winnisquam Grange and we in turn presented it to Lawrence Grange of Belmont. In addition to this we held one open meeting when we adjourned to Currier's camp on Lake Winnisquam for a hot dog roast and outdoor program. At our last meeting of the year we had a Christmas Party in conjunction with the Sunday School.

Harmony Grange participated in the Fall Fair Festival held by Friendship Grange in Northfield and received first prize on the exhibit. This same exhibit received second prize at the Farm Produce Show at Laconia in conjunction with State Grange.

The orchestra played at the reception for the State Officers in Laconia, and also has assisted in the programs at Pomona and Subordinate meetings.

Three members of Harmony Grange participated in the Rose Drill which closed the Sixth Degree at the Annual Session of the State Grange.

At present our Grange is co-operating with the Sanbornton Historical Society and the Women's Union in re-decorating Academy Hall so it will be a suitable meeting place in the future.

ELIZABETH C. COTSIBAS.

Lecturer

THE FRIENDLY CLUB

After attending a 4-H Achievement Program, Miss Rena Gray, then the County Home Demonstration Agent, suggested that the women at the Chapel organize. As a result the Women's Club was started in 1930. It included the Young People's Community Group, the Ladies' Circle of the Baptist Church, and the Home Demonstration group. Later the club was re-named the Friendly Club and was sponsored by the First Baptist church. Membership requirements were a friendly interest in others, a desire to help those in need, and to be a good neighbor.

The purpose of the club is to foster Christian fellowship in the community and throughout the world; and to help support the work of the church.

The club meets every week on Thursday. The business meeting on the second and fourth, the Missionary program on the first. The third Thursday is open for Home Demonstration Projects or sewing meetings. The officers consist of president, vice-president, secretary and treasurer. They are elected at the Annual Meeting on the second Thursday in January. Chairmen of Sunshine Committee, for Missions, Spiritual Life, White Cross and Executive Committee are appointed at this meeting.

Each year the club uses the proceeds of the Harvest Supper to provide a Christmas tree for the Church and Community. Every child under fourteen years old in the parish receives a gift and a bag of pop-corn and candy. The Pastor, his wife, the church janitor, and shut-ins are also remembered.

The Friendly Club, recognizing the value of an active 4-H Club sponsored the Willing Workers and the Chapel Valley clubs, giving much assistance to the local leader and the members.

The Friendly Club has raised funds and given educational programs for the Red Cross, T. B. Association, March of Dimes, Crippled Children work, CARE, Bundles for Britain, Cancer eradication, and others.

The Sunshine Committee extends greetings, congratulations, and condolences with cards, flowers and gifts.

The Service men and women were welcomed home by a turkey banquet through the efforts of the club members. Neighborly aid was given to families whose homes were destroyed by fire.

Funds were raised to help re-decorate the church ten years ago, and the club is raising money for the same project again this year. The parsonage has been done over several times by volunteers in the club. This group has contributed to the church budget as a need arose.

Many homes in this section have more conveniences, beauty, and graciousness as a result of the Extension programs sponsored by the club.

"Country neighbors seem to know your needs — and smiling, show their gifts, — in ways of loving help."

P. H. in Farm Journal

GLADYS WHITCHER

DISTRICT FIRE CHIEF'S REPORT

TEAM WORK WILL DO THE JOB

Team work has won victories from time immemorial—for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate—we must have team work. The remedy is simple—

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!

TEAM WORK WILL DO THE JOB

Number of local fires: 2

Number of acres burned: $2\frac{3}{4}$

Number of permits issued: 53

GEORGE J. CURRIER,
Forest Fire Warden
THOS. J. KING,
District Chief
