- Article 25 – **Funds for New Computer**

Selectmen:
Harold C. Nowill, Chairman
Stephen L. Laskowski
Elizabeth A. Benjamin

In the belief that informed voters are vital to the town meeting form of government, the selectmen of the town of Chesterfield offer this background information on the budget, warrant articles and ballot votes that the voters will be asked to consider at town meeting on Tuesday, Mar. 13, 1990.

When the budget is passed as presented, the amount to be raised by taxes (the appropriated budget less estimated revenues) will be \$701,238, up from last year's amount of \$684,803, a difference of only \$16,435. The 1990 figure has been generated by using EXTREMELY Conservative revenue estimates.

The selectmen are unwilling to make optimistic income projections because of an uncertain economy and the precarious situation of the NH State budget. If revenues exceed our conservative estimates, the actual amount to be raised by taxes could decrease to a level at or below last year's level.

The selectmen are pleased that we have been able to continue the high level of services expected by the town while accomplishing municipal objectives (saving and planning for the future, building and rebuilding municipal buildings, bridges and roads and maintaining our work force at acceptable salary and benefit levels to avoid turnover) with commonsense and reasonable taxation.

ARTICLE 9

The year has finally come to construct the new highway garage. The Budget Committee agrees with the selectmen that the combination of slow times in the building industry and low rates in the bond markets make this the year to get the most for our money.

The selectmen support the withdrawal of the current capital reserve amount, the raising and appropriating of \$50,000 in this year's budget and the two year bonding of the balance to construct the building. The selectmen have gone through an informal request for bids and have determined that approximately \$250,000 will be necessary to construct the building and accomplish the accompanying sitework.

Bonding the balance to construct will remove some of the tax burden from the current residents of the town and place it proportionately upon the new residents who would otherwise

have benefitted from the new building without having paid for it. By spreading the balance out over two years, the new residents in the next two years will bear their fair share of the cost.

Should this fail, the selectmen recommend placing \$50,000 in the previously established capital reserve fund for highway garage construction.

Construction of the garage in 1990 and the bonding are supported by the Capital Improvements Plan (CIP) adopted by the planning board in 1989.

ARTICLE 10

(the operating budget)

The selectmen have again tried to present a responsible town budget to the budget committee for consideration at town meeting. The town operating budget is essentially a level funded budget from the budget presented at town meeting 1989, adjusted for an increase in salaries to either bring employees in certain positions into a competitive salary range with their counterparts in towns of comparable size or to adjust their salaries with a cost of living increase, and adjusted for increased costs to the town for goods and services.

Specific items in the operating budget worthy of note are:

A purchase for \$1,400 for a multiple line telephone system to serve the selectmen's office and the Office of Emergency Management. This is in response to a need to have easier telephone access to the town offices and the OEM requirement for a separate line for emergency responses. This item is also a requirement of the Emergency Management System, and one half of the cost will be covered by state money available to EMS.

No other new items will be purchased for the town offices from the operating budget.

The sum of \$6,500 is included for property appraisal. Only \$1,000 was included in the 1989 budget because the reappraisal was scheduled. The normal line item is for \$5,000 to cover new construction, conversions and pick up appraisal. For our \$6,500, the firm that did our 1989 appraisal will update the whole tax base in 1990 based on the recent sales, and will continue to keep our assessed values at or near the 100% mark, avoiding the need for future full (and expensive) reappraisals and the "tax shock" that accompanies the reappraisal.

An additional \$1,500 is also in this year's budget to accomplish the changes in the official tax maps generated by

mistakes found during the reappraisal.

Election expenses show an increase because three elections must be held this year increasing ballot costs, payroll, advertising and expenses.

Maintenance of the town hall and buildings includes refinishing the floors, repair of the weathervane and general maintenance of the buildings and grounds. Some items were scheduled for repair in 1989, but the poor condition of the roof required that we put off the repairs.

The budget lines for the planning board and the zoning board are now separate items for consideration by the budget committee. The legal expenses assigned to the planning board are sharply increased because the town will be forced to defend at least two actions in 1990 brought against the town. The advice of the town attorney is increasingly important as the planning and zoning boards review applications.

The police department has increased because of the request by Chief Sargent to add a fourth full-time officer to be hired after town meeting. Chief Sargent has proven to the selectmen that the work load, types of criminal activity, time spent in investigations and court, as well as the amount of paperwork generated by a statistical increase in activity has left his three man department no opportunity to increase patrol activity or to discourage criminal activity.

Given the types of crime that are infiltrating the town and the level of police presence that must be maintained on NH Route 9 to assure minimum safety for the residents of the town, Chief Sargent's request is valid and is supported by the selectmen.

The building inspector item shows a modest increase supported by the selectmen. The building inspector deserves to be properly compensated for his time and energy, as well as for the fact that he has become well educated in his role. He also performs the function of code enforcement officer, requiring additional responsibilities, training and interface with the public, the town attorney and the district court system. Our building inspector is a strong asset to the controlled growth of the town.

The forest fire budget shows a sharp increase, supported by the selectmen. Warden Guyette presented a request to

the selectmen for approximately \$4,000 worth of forest fire fighting equipment as a one time purchase to replace damaged and unusable equipment.

Warden Guyette is applying to the state for funds that are available to offset the cost of these purchases. The remaining \$1,500 of the budget reflects the usual estimate for control of forest fires.

The town road maintenance budget shows a sharp increase. The prime contributor is the cost of sand and gravel. The Gesauldi pit on the River Road has been sold and the town is not able to continue to purchase the material at the extremely favorable price granted to us by Mr. Gesauldi. As a result, the sand and gravel line item increases from \$9,000 appropriated in 1989 to an appropriation of \$42,000 in 1990. Cost of the material to the town has risen from 75¢ per yard for all material to a projected 1990 price of \$3.50 per yard for bank run gravel and \$5 per yard for processed (screened) winter sand. As the largest department in the town, the effects of salary increases, merit increases, FICA and unemployment taxes, workman's compensation insurance and the municipal retirement program all have a major impact on this budget.

The solid waste disposal budget projected for 1990 (the second year of recycling) was \$130,734, before revenues. The selectmen are pleased to report that the recycling program is receiving excellent support from the public and that the amount being requested to dispose of our solid waste for 1990 will actually be \$114,859 before revenues, or \$15,875 below our best estimate last year.

The ambulance service budget reflects a rate increase passed on to the town from the city of Keene. The breakdown is approximately \$6,700 to Rescue Inc. and \$16,000 to the city of Keene.

The selectmen have placed \$7,500 in the Interest on Temporary Loans line to pay for the money the town was forced to borrow against taxes in 1989 because the reappraisal did not allow the town time to send out the tax bills and begin to collect tax income in a timely manner. The amount borrowed was repaid in 1990, making that interest payment a 1990 expense that must be in the 1990 appropriations for expenditure.

The town should not have to borrow

in 1990 because semi-annual tax billing and collection should proceed normally without the reappraisal interruption.

The town's insurance budget is up. The selectmen are soliciting bids again to assure the best coverage for the lowest price. Major reasons for the increase are an 8% increase in the town's liability insurance, the addition of a new police cruiser and the full effect of insuring the new building at the recycling center. A \$19,000 refund on our workman's compensation insurance will be reflected as a revenue against this item.

ARTICLE 11

The reconstruction of the Farr Road bridge will exceed its budget by approximately \$12,000. This is due to the state of NH system of accepting bids by cost per unit of material. The contractor used more material than was anticipated due to problems that were discovered only after removal of the deck and excavation of the wing walls and footings. The state should reimburse the town two thirds of the \$12,000 under the repair agreement reached with the state last year, leaving an approximate \$4,000 overage to be paid by the town.

ARTICLE 12

The tarring budget in 1990 will cover the resurfacing of 5.65 miles of roads. The cost of the sand and the asphalt necessary to do the job has skyrocketed in the past year, accounting for the increase in this line item.

Roads to be resurfaced in 1990 are: Sheila Ave. (.15 mi), Welcome Hill Road (.6 mi), Cross Road (.4 mi), Upper Farr Road (.15 mi), Farr Road [Cress to Norcross] (.35 mi), Twin Brook Road (.8 mi), Pond Brook Road (2.10 mi).

ARTICLE 13

The selectmen continue to support the use of capital reserve funds. The \$25,000 amount to be added to the Highway Equipment Capital Reserve Fund is recommended by the CIP.

ARTICLE 14

The selectmen support the purchase of a new power broom. The old broom is in very bad repair and parts are difficult to find. Many man hours have been wasted in field and garage repair trying to limp along with the old broom. The broom is used primarily to clean roads before resurfacing and to remove winter sand accumulations in the spring to keep the dust down. In considering this article, the selectmen investigated

having the roads swept by a private contractor, but a new broom was the cheapest and most workable alternative.

ARTICLE 15

The selectmen support the construction/reconstruction expenditures. A carryover amount of \$13,600, representing work that was not completed because of the severe weather in December of 1989 will be added to the 1990 appropriation and expended.

Projects planned for construction/reconstruction include the straightening of the last curve on the west end of the Gulf Road, the shoring up of Mountain Road where the river is threatening the integrity of the roadbed, the trial use of road construction fabric on the Old Swanzy Road to control mud, and an attempt to solve a recurring problem with the road in front of the Spofford fire station.

ARTICLE 16

The selectmen support this article for repair of the loader and backhoe. The backhoe is a 1985 Massey-Ferguson. It is probably too light a machine for the workout the town gives it. However, the cost of a new heavier machine that would fit the town's needs would be between \$50,000 and \$60,000. In light of the fact that in 1990 the selectmen intend to review the operation of the highway department and prioritize the goals and capital expenditures of the department such an expenditure seems premature.

The selectmen feel that it is better management to spend a much smaller amount to repair the machine for several years' more work before we commit blindly to such a large expense. For \$3,000, the steering can be fixed and the large piston on the backhoe can be replaced, adding several years of service.

The bucket loader is a 1985 Caterpillar. Several thousand dollars were spent two years ago to rebuild the engine and hydraulics. This year the selectmen support the expenditure of \$6,000 to repair the arms and to replace the bucket. The bucket itself is over \$3,000 and is simply too worn from constant use to repair. These expenditures, coupled with the fact that we are no longer using the loader daily in a gravel pit operation, should give us many more years from the loader.

ARTICLE 17

The selectmen support the replacement of the yolk rake with a new unit. This piece of equipment is indispensable in the maintenance of the dirt roads in the town. It is used to

smooth the road surface and fill in any holes left after grading. It is simply worn out. Chesterfield has some of the best kept dirt roads in the area. This is a vital piece of equipment. The cost will be offset by the intended sale or trade of the old rake.

ARTICLE 19

The selectmen support this expenditure to purchase a new police cruiser. The new cruiser will replace either the 1985 or the 1987 cruiser. The police department is doing its best to keep the vehicle in good repair and on the road. The sheer number of miles that the vehicles travel in constant use are taking their toll.

The police chief has convinced the selectmen that going to a more frequent replacement of the cruisers will have two advantages:

1) that the town will be getting a new cruiser just before the historical point where they start to fall apart and cost the town money in major repairs, and

2) that with a used cruiser in better condition the town could hope to trade the cruiser in or to sell it for significantly more than a used up cruiser is worth (historically \$500 or less).

ARTICLE 20

The selectmen support the appropriation of funds to repair the roof of the town hall. The roof is in extremely poor repair and the only solution is to strip the slate, replace the wooden sub-roof, install a waterproof membrane and resurface the roof.

The selectmen support resurfacing the roof with a material that is consistent with the historical character of the building. The town hall also needs interior ceiling repair and floor refinishing, but these cannot be done before the leaky roof is repaired.

ARTICLE 21

The selectmen support the addition of funds to the Fire Truck Capital Reserve Fund. This fund was established to purchase a new vehicle for the West Chesterfield or Chesterfield department based on need and service. This appropriation is recommended by the CIP.

ARTICLE 22

The selectmen support the request of the Water Protection Study Committee to expend funds to identify and protect water sources, waters and wetlands in the town. The \$3,500 request will be used with a carryover amount of

\$1,500 to allow the committee to fulfill a contract for technical services with the Southwest Regional Planning Commission.

ARTICLE 23

The property reappraisal, substantially completed by MMC, Inc. in Dec. of 1989, will cost several thousand dollars more than anticipated due to the fact that the appraisers found a greater number of parcels than the selectmen estimated when we asked for their bid. The actual amount of the overage will be the charge for these additional parcels, less penalties assessed by the selectmen against MMC, Inc. by the contract for failure to meet certain requirements.

ARTICLE 24

The selectmen support the inclusion of \$5,000 as a separate article to allow the planning board to contract with outside experts as necessary to develop a plan for the use of municipal lands for municipal buildings in the town of Chesterfield. Immediate priorities are the siting of new fire stations and the library.

The future needs of the town and the best use of the land currently owned by the town are integral parts of a fiscally responsible municipal land use plan.

ARTICLE 25

The selectmen support the appropriation of \$13,000 to be used to replace the aging and inadequate computer now in use.

The expenditure will provide a system that will allow multiple users of the system to work on the computer at the same time, as well as to increase the storage capacity and utility of the computer system.

The system will provide a central computer with initial work stations for the tax collector, administrative assistant and selectmen's secretary. The town's payroll, accounting and checkwriting functions will be automated. The town will be able to add work stations to this system in the future to avoid regular replacement of inadequate machines and to serve future offices and employees.

The current system is a personal computer that can be used by only one person at a time. This system will be retained by the town and actively used alongside the new system.

ARTICLE 26

The selectmen support the passage of ARTICLES 27 through 32.

BALLOT VOTES

RELATING TO THE REQUESTS BY INDIVIDUAL TO REZONE PROPERTY FROM RESIDENTIAL TO COMMERCIAL

As in the past, the selectmen support the concept that planning for the future of Chesterfield should be handled by the Planning Board and not by individual property owner.

The selectmen urge the voters to reject all requests for rezoning of individual tracts by individual landowners forced to the ballot by petition other than those approved by the Planning Board.

The Planning Board is working very hard to ensure that controlled growth occurs in a manner that will preserve the quality of life and the appearance of the town that the majority desires. Spot zoning of isolated parcels will destroy the planning board's efforts and undermine the Master Plan of the town of Chesterfield.

By their refusal to support the petitions as presented by the landowners, the Planning Board has determined that the locations requested for rezoning from residential to commercial are not acceptable to the needs of the town nor are they appropriate locations for the activities that could be introduced to the parcels once commercial status was voted.

The selectmen wish to draw the voter's attention to the fact that the property of Pasquale and Sylvia Florio, Tax Map #10A-A-02, appears on the ballot twice. One question is through the petitioned request of Mr. and Mrs. Florio to rezone their property from residential to commercial (not recommended by the Planning Board), and the other is by the Planning Board in conjunction with neighboring properties, requesting the voters to decide if the property is suitable for inclusion in the Office/Retail/Services zone. The property can be in only one zone. The voters can, if they so desire, vote on both of the questions. A legal opinion is being sought to determine what zone the property would be placed in if both of the questions pass.

THIS 1989 TOWN REPORT IS DEDICATED TO THE MEMORY OF:

PAUL PENNING - Selectman - Treasurer - Librarian & Trustee,
Fire Chief - Groundskeeper, a Craftsman and
Gentleman

ETHEL MILLS - Postmaster - Assistant Town Clark - Humanitarian -
Artisan

CLIFFORD	&	AGNES CHICKERING
Selectman		Health Officer
Varied Town Positions		School Board

BEATRICE CHICKERING - Chesterfield West Cemetery Treasurer
Ballot Clerk for Town Meeting

AND TO ALL WHO GAVE OF THEIR TIME AND EFFORTS TO THE
GROWTH OF CHESTERFIELD.

SELECTMEN'S REPORT 1989

PEOPLE:

Curt Nowill attended assessing school, taking the IOAA course in appraising as sponsored by the Department of Revenue Administration and the New Hampshire Association of Assessing Officials.

The 3rd annual employees picnic at Ware's Grove was well attended and fun had by all. The Selectmen are the cooks for this event, which includes all those who have given of their time and efforts to the town for the year.

The Emergency Services Committees I & II worked diligently on addressing the community's needs as the title indicates. This will be an on-going project in 1990 with the EMS III Committee.

We would like to thank: Wendy Chamberlin, resigned Parks & Recreation Director for her job well done in organizing the recreational programs, staff and beaches;

Tom Duston for his excellent job in working as Chairman of the Recycling Committee in bringing "Operation L.A.R.R.Y" to fruition.

"Bunny" Peakes and husband David moved to Gorham, Maine and will be missed.

New Employees: Evelyn Nadeau - Selectmen's Secretary
Susan Armstrong- Recycling Facility
Kevin White - Full time/Police Department
WELCOME ABOARD

The Water Protection Study Committee is continuing the Acquirer Study and Wetland Mapping.

PLACES:

"Operation L.A.R.R.Y." - our mandatory recycling facility.

Completion of the Westmoreland Rd. Bridge.

Construction started on the Farr Rd. Bridge.

THINGS:

A 1989 Chevrolet Impala cruiser was purchased for the Police Department. The Police Department received a used PC Computer - confiscated goods - the result of court awarded evidence.

The Recycling Building and the entire operation were opened officially in July with a dedication ceremony. All residents are to be congratulated on their response and participation in the recycling program.

The revaluation has been completed, but lingers on. We thank property owners for their patience through an extremely complicated process.

TOWN OF CHESTERFIELD

WARRANT

You are hereby notified to meet at the CHESTERFIELD SCHOOL in said Chesterfield, on Tuesday, the 13th day of March next at ten of the clock in the forenoon (Polls close at 8:00 p.m.) to ballot for Town officers and other questions required by law to be decided by ballot.

The business meeting will be called to order at 6:30 o'clock in the evening to act upon the following subjects:

ARTICLE 1. To vote an Australian Ballot for all necessary Town officers.

ARTICLE 2. To vote by Ballot on Amendments to the Zoning Ordinance.

ARTICLE 3. To vote by Ballot to see if we shall adopt the provisions of RSA 72:28V VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption for \$100.00, rather than \$50.00.

ARTICLE 4. To vote by Ballot to see if we shall adopt the provisions of RSA 72:35 IV for an optional property tax exemption on residential property for a service-connected total disability for \$1,400.00 rather than \$700.00.

ARTICLE 5. To vote by Ballot to see if we shall adopt the provisions of RSA 72:37 for the exemption for the blind from property tax. This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000

ARTICLE 6. To see if the Town will vote to allow a 2% discount on real estate taxes paid in full up to fourteen (14) days (inclusive) of the postmarked date of the tax bill, or act in any other way related thereto.

ARTICLE 7. To see if the Town will authorize the selectmen to borrow money upon the credit of the Town in anticipation of taxes, or act in any way related thereto.

ARTICLE 8. To hear the report of the Budget Committee and act in any way related thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$250,000.00 for the construction of a Highway Garage the funding to be as follows:

Authorization to withdraw \$109,000.00 from the Highway Garage Capital Reserve Fund set aside for that purpose- \$50,000.00 from this years taxes- \$91,000.00 from long term notes for two (2) years, or act in any way related thereto. (Recommended by the Budget Committee) (This requires a 2/3 vote by ballot) ARTICLE 18 should be voted to be passed over if this is voted in the affirmative.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,051,885.00 for the following purposes or act in any way related thereto. (Recommended by the Budget Committee)

	Selectmen	Budget Committee
1. Town Officers Salaries		78,054.00
2. Town Officers Expenses		28,000.00
3. Election and Registration		1,775.00
4. Cemeteries		15,050.00
5. Town Hall and Bldgs		15,825.00
6. Planning & Zoning		20,900.00
7. Zoning Board of Adjustment		2,350.00
8. Legal Expenses		12,000.00
9. Police Dept.		118,465.00
10. Fire Depts. W Chest.		21,825.00
11. Fire Depts. Chest.		17,950.00
12. Civil Defense		3,250.00
13. Building Insp.		8,365.00
14. Forest Fires		5,500.00
15. Town Road Maintenance		328,804.00
16. Street Lighting		14,000.00
17. Solid Waste Disposal		114,859.00
18. Health Department		3,818.00
19. Ambulance Service		23,000.00
20. Animal Control		200.00
21. General Assistance		23,000.00
22. Library		22,200.00
23. Parks & Recreation	29,595.00	29,995.00
24. Patriotic Purposes		200.00
25. Interest Temporary Loans		7,500.00
26. FICA, Retirement Contributions		35,200.00
27. Unemployment Compensation		1,300.00
28. Health Insurance		28,500.00
29. Insurance		70,000.00
 TOTAL	 \$1,051,485.00	 \$1,051,885.00

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 necessary to complete Farr Road Bridge repairs or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$63,795.00 for tarring Town roads, or to act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be added to the Highway Equipment Capital Reserve Fund, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to purchase a Power Broom for the Highway Department, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$13,400.00 for the Construction and Reconstruction of Roads, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 for repairs to be made to the Highway Department Loader and Backhoe, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to purchase a new York Rake for the Highway Department authorizing the sale of the old York Rake, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to add to the previously established Highway Building Capital Reserve Fund, or act in any way related thereto. (Recommended by the Budget Committee) Intended to be voted on only if ARTICLE 9 is defeated.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to purchase a Police Cruiser authorizing the sale of the 1987, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$45,000.00 to be used for a new Town Hall roof and repairs to the ceiling, or act in any way related thereto. (\$45,000 represents a slate roof- \$22,000 would be the price for Asphalt shingles or Simulated Wood shingles.) (\$45,000 recommended by the Budget Committee)

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the already established Town of Chesterfield Fire Truck Capital Reserve Fund, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$3,500 to be used by the Water Protection Study Committee to further their work in identifying town water resources and developing a Wetland Plan, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be used by the Water Study Committee for Hydrogeological testing to be conducted in the Catsbane Brook area to determine the location of an aquifer(s), or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for the purpose of completing the property reappraisal, authorizing the withdrawal of \$1,976.00 from the Property Reappraisal Capital Reserve Fund established for that purpose, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be used by the Planning Board for a Town Building and Land Study, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$13,000.00 for a new computer and related software for the Town Office, or act in act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 to aid Home Health Care and Community Services and Meals on Wheels, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$2,807.00 to help support the work of the Monadnock Family and Mental Health Service or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 29. To see if the Town will vote to have the work of the Old Home Day Committee, as established in 1985, continue for the 1990 celebration, and to raise and appropriate the sum of \$800.00 for that purpose, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$350.00 to support the work of the Windham Youth Services, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$2,807.00 to remain members of the Southwest Regional Planning Commission, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to become part of the Juvenile Conference Committee system, or act in any way related thereto. (Recommended by the Budget Committee)

ARTICLE 33. To see if the Town will vote to withdraw the amount of \$3,822.99 and accrued interest from the Chesterfield Reel Truck Capital Reserve Fund depleting that Fund and transfer the total amount to the Town of Chesterfield Fire Truck Capital Reserve Fund. This change requires a 2/3 vote.

ARTICLE 34. To see if the Town will vote to establish a Memorial Park on the Town Hall Common with funding to be by private donation.

ARTICLE 35. To see if the Town will vote to accept a road known as Foley Road at such time as all requirements have been met and approved by the Selectmen and the Public Works Director. (By petition)

ARTICLE 36. To see if the Town will adopt a resolution, as it has for the past eight years, urging the Presidents of the United States of America and the Union of Soviet Socialist Republics to use any and all peaceful means to request and encourage those nations to enact an immediate and mutual freeze on the production , testing and deployment of nuclear weapons and nuclear weapons delivery systems; and subsequently for both nations to engage in a mutual reduction of such weapons and delivery systems; provided that such freeze and reduction include such safeguards as are necessary and reasonable to ensure mutual and mutually verifiable compliance on the parts of both nations. (By petition)

ARTICLE 37. To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." (By petition)

ARTICLE 38. To see if the Town will vote to accept the sum of \$4,698.07 from the Chesterfield Citizen's Engine and Hose Co. for repairs done in conjunction with the recertification of the 1961 Maxim, or act in any way related thereto.

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen to apply to the state, federal, or other government unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b, or to act in any way related thereto.

ARTICLE 40. To see if the Town will vote to authorize the Selectmen to convey any real estate acquired by the Town through Tax Collector's deed by Public Auction or advertised sealed bid, and upon such terms and conditions as they deem appropriate, or to act in any way related thereto.

ARTICLE 41. To see if the Town will vote to accept the amount of \$2,500.00 to establish a trust fund to be known as the Chesterfield Scholars Fund, or act in any way related thereto. The interest from this fund is to be awarded annually in scholarship(s) of at least \$500.00 to Chesterfield residents of average ability who are pursuing liberal arts baccalaureate degree(s) in any field of study at an accredited institution of higher education. The Trustees of Trust Funds shall determine the annual amount available for distribution and the Chesterfield School Board shall select the recipient(s) according to the minimal criteria accompanying the original gift. Additions may be made to this fund from time to time.

ARTICLE 42. To see if the Town will vote to accept the following Trust Funds with all income from same to be paid to the Chesterfield West Cemetery Association for perpetual care and upkeep of the following lots:

Beatrice and Robert Smith Lot #68 East - Annex	\$200.00
Theresa and Charles Chase Lot #73 - Annex	\$200.00
Barbara Howe Aldrich Lot #71 East - Annex	\$150.00
Sylvia Fairbanks Robert Phelps Lots #127 and #128- Old Part	\$200.00
Russell C. Johnson Russell C & Katherine Johnson Lot #63- Annex	\$250.00
Doris Bruno Clarence Shippee, Jr. Lot #130 West - Annex	\$150.00
Jeanette and Frank Dean Lot #101 - Annex	\$200.00
Ellen Pearce Korson-Pearce Lot #13 - Annex	\$200.00
Raymond Harris Lot #66 West - Annex	\$150.00
Mrs. Alan H. King Harvey-Goodrich Lot #215 & #216 Main Section	\$250.00
Ann A. David Alzina Amidon Lot #271 & #272 - Main Section	\$200.00
Edith and Richard Slowe, Sr.	\$150.00

Lot #138 West - Annex
Anita A. and Durward R. Kingsbury \$200.00
Lot # 79 - Annex

ARTICLE 43. To see if the Town will vote to accept the following to be added to the Chesterfield Cemetery Maintenance Trust Fund:

Mary Michaud	\$100.00
Friedsam Lots 223 A	
Brian & Helen Connolly	\$400.00
Friedsam Lots 25 A & B	
Frank & Alma VanWormer	\$300.00
Friedsam Lots 232 B & 233 A & B	
Burton E & Gloria H. Riendeau	\$200.00
Friedsam Lots 11 A & B	

ARTICLE 44. To transact any other business that may legally come before this meeting.

Given under our hands this 15th day of February in the year of our Lord Nineteen Hundred and Ninety

Harold C. Nowill,
Chairman

Stephen L. Laskowski

Elizabeth A. Benjamin
Chesterfield Selectmen

TOWN MEETING 1989

Proceedings of the Annual Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School in said Town on Tuesday, March 14, 1989.

At 10 o'clock in the forenoon, the meeting was called to order by the Moderator, Carl A. Johnson, who read the warrant through Articles One and Two and declared the polls opened for voting for Town Officers and amendments to the Zoning Ordinances.

The 222nd town meeting was called to order by the Moderator with Warren Allen and Margaret Johnson as assistant moderator and assistant clerk, respectively.

Local officials and town representatives were introduced by the Moderator.

The Moderator called for a moment of silence for those who passed away during the year, recognizing Shirley Bevis, Clifford Chickering, Paul Penning and Ethel Mills for their past contributions to the town.

Invocation was given by Rev. James Sawtelle, pastor of the Asbury United Methodist Church.

The rules under which the meeting would be run were explained by the Moderator. All amendments in writing, with one amendment at a time, all speakers shall identify themselves and remarks should be addressed to the Chair. Also, any request for a reconsideration of an article would be considered after the Chair had determined that not more than one-third of the group had left the meeting.

A voice vote was in the affirmative on a motion made by Stephen Laskowski and seconded by Russell Johnson to dispense with the reading of the warrant and the Moderator would read each article as it is considered.

ARTICLE 4 A voice vote was in the affirmative on a motion made by Merton Yeaton and seconded by Russell Johnson to allow a 2% discount on real estate taxes paid in full up to fourteen (14) days (inclusive) of the postmarked date of the tax bill, or act in any way relating thereto.

ARTICLE 5 A voice vote was in the affirmative on a motion made by Elizabeth Benjamin and seconded by Robert Gowdy to authorize the Selectmen to borrow money upon the credit of the Town in anticipation of taxes, or act in any way relating thereto.

ARTICLE 6 The report of the Budget Committee was given by the chairman, James Milani.

ARTICLE 7 A voice vote was in the affirmative on a motion made by James Milani and seconded by Susan Newcomer to raise and appropriate the sum of \$944,127.00 for the following purposes:

1.	Town Officers' Salaries	72,450.00
2.	Town Officers' Expenses	26,450.00
3.	Election and Registration	800.00
4.	Cemeteries	16,300.00
5.	Town Hall and Buildings	21,148.00
6.	Planning & Zoning	26,150.00
7.	Legal Expenses	5,000.00
8.	Police Department	102,067.00
9.	Fire Departments	34,200.00
10.	Civil Defense	1,500.00
11.	Building Inspector	6,350.00
12.	Forest Fires	1,500.00
13.	Town Road Maintenance	256,059.00
14.	Street Lighting	14,000.00
15.	Solid Waste Disposal	161,983.00
16.	Health Department	3,920.00
17.	Ambulance Service	15,210.00
18.	Animal Control	200.00
19.	General Assistance	15,000.00
20.	Library	19,275.00
21.	Parks & Recreation	27,665.00
22.	Patriotic Purposes	200.00
23.	Interest Temporary Loans	5,000.00
24.	FICA, Retirement Contributions	33,500.00
25.	Unemployment Compensation	1,200.00
26.	Health Insurance	25,000.00
27.	Insurance	52,000.00
	TOTAL	\$944,127.00

ARTICLE 8 A voice vote was in the affirmative on a motion made by Richard Wolf and seconded by Robert Gowdy to raise and appropriate the sum of \$190,000.00 for all costs necessary for Bridge Repairs, and to authorize the Selectmen to acquire land or easements by such means as they deem to be in the best interest of the Town, or act in any way related thereto.

ARTICLE 9 A voice vote was in the affirmative on a motion made by Richard Paul and seconded by James O'Neil, Jr. to raise and appropriate the sum of \$53,990.00 for Tarring Town Roads, or act in any way related thereto.

ARTICLE 10 A voice vote was in the affirmative on a motion made by Gary Winn and seconded by James Milani to amend the article to raise and appropriate the sum of \$5,000.00 to be added to the Highway Equipment Capital Reserve Fund, or act in any way related thereto.

ARTICLE 11 A voice vote was in the affirmative on a motion made by Merton Yeaton and seconded by Lyle Hoag to pass over this article to purchase a low bed trailer.

ARTICLE 12 A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by Susan Newcomer to raise and appropriate the sum of 18,500.00 for the Construction and Reconstruction of Roads, or act in any way related thereto.

ARTICLE 13 A voice vote was in the affirmative on a motion made by James O'Neil, Jr. and seconded by James Milani to raise and appropriate the sum of \$7,200.00 for repairs to be made to the Highway Dept. Grader, or act in any way related thereto.

ARTICLE 14 A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by James O'Neil, Jr. to raise and appropriate the sum of \$50,000.00 to add to the previously established Highway Building Capital Reserve Fund, or act in any way related thereto.

ARTICLE 15 A voice vote was in the affirmative on a motion made by Elizabeth Benjamin and seconded by Russell Johnson to raise and appropriate the sum of \$18,495.00 to purchase a Police Cruiser, \$8,800.00 to be withdrawn from the Police Cruiser Capital Reserve Fund established for that purpose.

ARTICLE 16 A voice vote was in the affirmative on a motion made by William Vogeley and seconded by Richard Paul to raise and appropriate the sum of \$12,405.00 to be added to the Parks & Recreation Building Capital Reserve Fund, or act in any way related thereto. (Said sum represents a portion of the income over expenses generated by Parks & Recreation in 1988.)

ARTICLE 17 A voice vote was in the affirmative on a motion made by Anthony Souza and seconded by Louis Perham to amend the article to raise and appropriate the sum of \$20,000.00 to establish a Town of Chesterfield Fire Truck Capital Reserve Fund, or act in any way related thereto.

ARTICLE 18 A voice vote was in the affirmative on a motion made by Jeffrey Newcomer and seconded by James O'Neil, Jr. to raise and appropriate the sum of \$3,000.00 to be used by the Water Protection Study Committee to further their work in identifying town water resources, or act in any way related thereto.

ARTICLE 19 A voice vote was in the affirmative on a motion made by Gary Winn and seconded by Joan O'Neil to raise and appropriate the sum of \$83,000.00 for the purpose of conducting a property reappraisal, authorizing the withdrawal of \$31,000.00 from the Property Reappraisal Capital Reserve Fund, established for that purpose, or act in any way related thereto.

ARTICLE 20 A voice vote was in the affirmative on a motion made by Judith Palmer and seconded by Russell Johnson to pass over this article to add to the Property Reappraisal Capital Reserve Fund.

ARTICLE 21 A vote by show of hands was in the affirmative on a motion made by James Milani and seconded by Caroline Wiggin to establish a Town of Chesterfield New Library Construction Capital

Reserve Fund, and to raise and appropriate the sum of \$5,000.00 for that purpose, or act in any way related thereto.

ARTICLE 22 A voice vote was in the affirmative on a motion made by Lorraine Gates and seconded by Susan Newcomer to raise and appropriate the sum of \$6,500.00 to aid Home Health Care and Community Services and Meals-On-Wheels, or act in any way related thereto.

ARTICLE 23 A voice vote was in the affirmative on a motion made by Susan Newcomer and seconded by Joan O'Neil to raise and appropriate the sum of \$2,432.00 to help support the work of the Monadnock Family and Mental Health Service, or act in any way related thereto.

ARTICLE 24 A voice vote was in the affirmative on a motion made by Merton Yeaton and seconded by Lester Chickering to have the work of the Old Home Day Committee, as established in 1985, continue for the 1989 celebration, and to raise and appropriate the sum of \$1,000.00 for that purpose, or act in any way related thereto.

ARTICLE 25 A voice vote was in the affirmative on a motion made by Gary Winn and seconded by Russell Johnson to raise and appropriate the sum of \$280.00 to support the work of the Windham Youth Services, or act in any way related thereto.

ARTICLE 26 A voice vote was in the affirmative on a motion made by Ann Stokes and seconded by James O'Neil, Jr. to raise and appropriate the sum of \$2,698.00 to rejoin the Southwest Regional Planning Commission, or act in any way related thereto.

ARTICLE 27 A vote by show of hands was in the affirmative with one dissenting vote on a motion made by James Milani and seconded by James O'Neil, Jr. to amend the article to change the name of the Library Addition Building Fund and monies deposited including interest to date to a new fund to be known as the Library Design & Development Fund with the Library Trustees to act as agents to carry out its objectives according to RSA 35:15. One of those objectives shall specifically be to investigate and examine the need for and scope of library services to be provided to the Town of Chesterfield as a preliminary step in designing any new library facility.

ARTICLE 28 A voice vote was in the affirmative on a motion made by Patricia Carbonaro and seconded by James O'Neil, Jr. to pass over this article to permit the Trustees of the Chesterfield Library to construct a new library building on the Spaulding property.

ARTICLE 29 A voice vote was in the affirmative on a motion made by James O'Neil, Jr. and seconded by Thomas Woodman to accept a road known as "Deans Landing" at such time as all requirements have been met and approved by the Selectmen, or act in any way related thereto.

ARTICLE 30 A voice vote was in the affirmative on a motion made by Merton Yeaton and seconded by Russell Johnson to accept a road known as "Stow Drive" at such time as all requirements have been met and approved by the Selectmen and the Public Works Director, or act in any way related thereto.

ARTICLE 31 A voice vote was unanimous on a motion made by Ann Stokes and seconded by Terry Wiggin to adopt a resolution, as it has for the past seven years, urging the Presidents of the United States of America and the Union of Soviet Socialist Republics to use any and all peaceful means to request and encourage those nations to enact an immediate and mutual freeze on the production, testing and deployment of nuclear weapons and nuclear weapons delivery systems; and subsequently for both nations to engage in a mutual reduction of such weapons and delivery systems; provided that such freeze and reduction include such safeguards as are necessary and reasonable to ensure mutual and mutually verifiable compliance on the parts of both nations.

ARTICLE 32 A voice vote was in the affirmative on a motion made by Richard Paul and seconded by Louis Perham to authorize the Board of Selectmen to adopt an ordinance establishing a compulsory recycling program at the Transfer Station and set any fees that may be needed to produce income to help offset operating costs for the project.

ARTICLE 33 A voice vote was in the negative and the article defeated on a motion made by Robert Gowdy and seconded by Richard Gerdus to direct the Selectmen to authorize the sale and display of Class "C" fireworks in compliance with State law.

ARTICLE 34 A voice vote was in the affirmative on a motion made by Stephen Laskowski and seconded by Terry Wiggin to waive the reading of this article.

A voice vote was in the affirmative on a motion made by Elizabeth Benjamin and seconded by Terry Wiggin to adopt the following recodified Ordinances to promote a safe and orderly way of life for our inhabitants.

Section I ORDINANCES RELATING TO ALCOHOLIC BEVERAGES:

A. Open Container Possession

1. OPEN CONTAINER: No person shall have in his/her possession, any glass, can or open container, containing any alcoholic beverage while on any way as defined by RSA 259:125.

2. OPEN CONTAINER IN MOTOR VEHICLE: No person shall have in his/her possession an open container, can or glass, containing an alcoholic beverage within or on a motor vehicle, to include motorcycles, while parked or standing on any way as defined by RSA 259:125.

3. PENALTIES: Any person who violates any provision of Chesterfield Town Ordinance Section IA: 1 or 2, shall be guilty of a violation and shall be fined not more than

one hundred (\$100.00) dollars and further shall be subject to the immediate confiscation of all pertinent contraband.

Section I

B. CONSUMPTION OF ALCOHOLIC BEVERAGES

1. SCHOOL PROPERTY: No person or groups of persons shall consume, sell, or offer for consumption, any alcoholic beverage while on property owned, leased or rented by the Chesterfield School District or by the Town of Chesterfield for use by the Chesterfield School District.

2. TOWN PROPERTY: No person shall, either singularly or as part of a group consume, sell, or offer for consumption, any alcoholic beverage while on property owned, leased or rented by the Town of Chesterfield.

3. EXCEPTIONS: A permit to consume alcoholic beverages on property owned by the Town of Chesterfield or the Chesterfield School District by any publicly recognized organization or group or any family group to exempt them from the provisions of this Ordinance. This permit shall be for a length of time not to exceed twelve continuous hours. No permit shall be granted for consumption of alcoholic beverages inside the Chesterfield School Building.

4. PENALTIES: Any person or group that violates the provisions of Chesterfield Town Ordinance Section I-B: 1 or 2 shall be guilty of a violation and shall be fined not more than one hundred (\$100.00) dollars, and further shall be subject to the immediate confiscation of any and all pertinent contraband or evidence.

5. DEFINITIONS: For the purposes of this Ordinance the following words, terms and phrases shall have the meaning given herein. The word shall is to be construed as mandatory and not merely directory.

a. School Property

To include the Chesterfield School Building and area surrounding same. This shall include the area in front of the school bordered by Route 63 and the Old Chesterfield Road and the ballfield area located to the east of the school building.

b. Town Property

To include any and all buildings owned by the Town of Chesterfield whether posted or not. This shall include but is not limited to, Town Hall, Town Library, Town Offices, Town Garage, Police Station, Wares Grove Beach, North Shore Beach, Spaulding Property, Town Office property and the Town Transfer Station area.

Section II

A. YEAR ROUND LEASH ORDINANCE

1. LEASH LAW: All dogs within the Town of Chesterfield must be kept on a leash or under it's owner's direct and

immediate control at all times. This shall include dogs at large as well as noisy or nuisance dogs.

2. PENALTIES: The owner of any dog found in violation of Chesterfield Town Ordinance Section II-A:1 shall be subject to any or all of the following:

a. Immediate pickup and impoundment of the animal at the Cheshire County Humane Shelter. The owner shall be responsible for the \$25.00 pickup fee as well as any boarding fees imposed by the Humane Shelter before the animal is released.

b. Subsequent offenses may result in court action against the owner of the animal in which case the owner would be subject to a fine not to exceed \$100.00.

c. Any animal seen running deer or threatening livestock or other pets may be killed if no other means of apprehension can be determined. The owner of any such animal may be subject to Court action if deemed necessary by any Police Officer or Fish & Game Officer.

3. DEFINITIONS: For the purpose of this Ordinance, the following words, terms and phrases shall have the meaning given within. The word shall is to be construed as mandatory and not merely directory.

a. 'Control' Shall mean that the owner or master of any dog within the Town will be able to bring said dog to his side or in hand immediately upon verbal or hand signal. To include but not limited to a dog's running, jumping or barking.

b. 'Dog at Large' Is any dog found to be outside of it's owner's direct or immediate control.

c. 'Nuisance' Shall mean any or all of the following actions, running, jumping, barking excessively, knocking over garbage cans, damaging or destroying the property of another.

Section III

A. ORDINANCES RELATING TO THE USE OF SKATEBOARDS, ROLLER SKATES, SCOOTERS

1. SKATEBOARDS, ROLLER SKATES, SCOOTERS: The use of skateboards, roller skates or scooters on any way as defined in RSA 259:125.

2. PENALTIES: Any person found to be in violation of Chesterfield Town Ordinance Section III-A:1 shall be guilty of a violation and may face Court action. Any person found to be in violation two or more times shall be subject to impoundment of the skateboard, roller skates or scooter. If the person found to be in violation is a minor, he/she will be transported to the Police Station where his/her parent or legal guardian will be called to pick up the juvenile. If Court action is taken the person shall be fined not more than \$50.00.

3. DEFINITIONS: For the purpose of this Ordinance, the following words, terms or phrases shall have the meaning given herein. The word shall is to be construed as mandatory and not merely directory.

a. 'Skateboard' Any device used solely for the recreational transportation of a single rider containing a flat surface to stand on and mounted on small diameter wheels.

b. 'Scooter' Any device used solely for the recreational transportation of one or more riders, consisting of a flat surface with handlebars and mounted on small diameter wheels.

Section III

B. ORDINANCE RELATING TO PARKING IN THE TOWN OF CHESTERFIELD

1. PARKING REQUIREMENTS: When parking a vehicle on the side of any way in the villages of Chesterfield, Spofford or West Chesterfield, the operator must park his or her vehicle completely off the travel portion of the road. In the event that the way in question is paved, this shall mean the entire paved area of the way.

2. OBEDIENCE TO SIGNS: The operator of any vehicle wishing to park on the side of any way in the Town of Chesterfield must check the area for any posted signs restricting parking. If such a sign is posted the operator will not park his or her vehicle in that area.

3. EXCEPTIONS: Exceptions to the parking requirements listed in Section 1 and 2 are in the event of an emergency or breakdown. If an operator leaves a vehicle in a breakdown area, the vehicle must be removed as soon as possible.

4. PENALTIES: Any vehicle found to be in violation of Chesterfield Town Ordinance Section III-B: 1 or 2 shall be subject to a parking fine in the amount of ten dollars (\$10.00). Any vehicle found to be an obstruction or hazard to traffic will receive the parking fine listed above and at the discretion of the Law Enforcement Officer, may be removed at the owner's expense. Failure to honor a parking violation ticket may subject the person to Court action.

ARTICLE 35 A voice vote was in the affirmative on a motion made by Eric Sargent and seconded by Richard Benjamin to accept two Motorola portable radios donated to the Police Department by Carl Thomas Construction Company, and four (4) squad suits donated by Spofford Hall, or act in any way related thereto.

ARTICLE 36 A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by Devin Starlanyl to amend the Planning Board's site plan review authorization voted at the March 4th, 1975, town meeting to include review of "Change or

Expansion of use" of tracts for non-residential uses or for multi-family dwelling units, as authorized by the amendment to RSA 674:43 which became effective July 17, 1987, or act in any way related thereto.

ARTICLE 37 A voice vote was in the affirmative on a motion made by Stephen Laskowski and seconded by Roger Monsell to continue the Recycling Committee, appointed by the Board of Selectmen to work with the Regional Solid Waste Management District toward further implementation of local recycling programs for additional materials, or to act in any way related thereto.

ARTICLE 38 A voice vote was in the affirmative on a motion made by Lester Chickering and seconded by Merton Yeaton to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or other government unit or private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b, or to act in any way related thereto.

ARTICLE 39 A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by Stephen Laskowski to pass over this article to convey any real estate acquired by the town by tax collector's deed, public auction or sealed bid.

ARTICLE 40 A voice vote was in the affirmative on a motion made by Lester Chickering and seconded by Merton Yeaton to accept the amount of \$2,100.00 from an anonymous donor to establish a trust fund to be known as the Chesterfield Vocational Scholarship Fund or act in any way related thereto. The interest of this fund to be awarded to a Chesterfield resident under the age of 25, who intends to further his or her education in the vocational field. The amount of the reward to be determined by the Trustees of Trust Funds, the student recipient to be selected by the Chesterfield School Board. Additions may be made to this fund from time to time.

ARTICLE 41 A voice vote was in the affirmative on an amendment made by Joan Dittrich and seconded by Stephen Laskowski to accept the following with the income from same to be paid to the Chesterfield West Cemetery Association for perpetual care and upkeep of the following lots and to add Sandra B. & Lyle M. Hoag Trust Fund.

Charles M. Hoag	\$200.00	Lot #92 Annex Sandra B. & Lyle M. Hoag Trust Fund
Richard W. & Shirley Hurd	\$150.00	Lot #137W Annex Richard W. & Shirley Hurd Trust Fund
Marguerite W. & Lawrence W. Hill	\$150.00	Lot # 137E Annex Marguerite W. & Lawrence W. Hill Trust Fund

ARTICLE 42 A voice vote was in the affirmative on a motion made by Cornelia Jenness and seconded by Joan O'Neil to waive the reading of this article.

A voice vote was in the affirmative on an amendment made by Cornelia Jenness and seconded by Jane Allen to accept the following to be added to the Chesterfield Cemetery Maintenance Trust Fund:

Arthur W. & Paula Anne Dyer	\$200.00	Friedsam Lots 291 A&B
Stephen & Edith Hornbeck	\$100.00	Friedsam Lot 46A
Estate of Leonard E. Scott c/o Joanna Nilsson	\$500.00	Spofford 1888 Section Lot #27

and to amend the following to read, to accept the sum of \$200.00 from Richard C. & Robert S. Wood to be added to the Clifford W. Tuttle Trust Fund in the 1888 Section of the Spofford Cemetery. The income from this addition is to furnish Memorial Day flowers on the Richard and Louise Wood graves - Lot #23.

The meeting was adjourned at 9:55 PM to the call of the Moderator.

The Moderator declared the polls closed and ballots cast under Articles One and Two were counted.

ARTICLE 2 The results of the vote by ballot on the adoption of the amendments to the Zoning Ordinances are as follows:

The following amendments to the Zoning Ordinances were by petition and not approved by the Planning Board.

1. The vote was in the negative and was not adopted to change the zoning on the following parcels of land located on Route 9 from Residential to Commercial/Industrial (C/I) District owned by:

Francis & Shirley Wisell, being Tax Map #14B, Block A, Parcel 1, being approximately 1. acre

Grace & Carolyn Wisell, being Tax Map #14B, Block A, Parcel 2, being approximately .75 acre.

Grand River Corporation, being Tax Map #14, Block A, Parcel 11, being approximately 11.83 acres.

Yes	<u>141</u>	No	<u>276</u>
-----	------------	----	------------

2. The vote was in the negative and was not adopted to rezone to Commercial/Light Industrial and eight (8) acre tract of land owned by Hendrickson Partners bounded and described as follows:

On the north by N.H. Route 9; On the east by land of Mary Sullivan; On the west and south by other land of Hendrickson Partners.

Yes 203 No 215

The vote was in the affirmative to adopt the following amendment to the Zoning Ordinances recommended by the Planning Board.

200 TO ADD: "Office, Retail and Services District (O/R/S)"

208

208.1 Purpose:

The purpose of the O/R/S District is to regulate the future use of land in Chesterfield in a manner compatible with the Chesterfield Master Plan's goals for commercial development. Office, retail and service uses are allowed at specific locations along NH Rte. 9.

208.2 Permitted Uses:

In the O/R/S District, only the following uses are permitted:

- A. Offices
- B. Retail Sales
- C. Personal Business Services
- D. Public Utility Buildings
- E. Public or Private Day Care Centers
- F. Banks and Lending Institutions
- G. Clinics, Nursing Homes, and Funeral Homes
- H. Private Clubs and Meeting Halls
- I. Accessory uses customarily incidental to the above uses.

No individual business or establishment may occupy more than 20,000 sq. ft. of gross floor area.

208.3 Uses Permitted by Special Exception:

In the O/R/S District, the following uses only are permitted as Special Exceptions by the Zoning Board of Adjustment pursuant to 601.3:

- A. Restaurants, provided that there be no drive-up service of food.
- B. Distribution, assembly, or repair of goods, provided that no use of combustible fuels, generation of noise or fumes be part of the operation of such business.
- C. Dwelling Units in buildings containing uses permitted by 208.2 provided that dwelling units occupy no more than fifty (50) percent of the floor area of a building and that the gross residential density of the site does not exceed one (1) dwelling unit per two (2) acres.

- 208.4 Area, Frontage and Coverage Requirements:
- A. Lot Size: Minimum of two (2) acres, maximum of five (5) acres.
 - B. Lot Frontage: Minimum of 200 ft.
 - C. Coverage: Building coverage shall not exceed twenty (20) percent of the area of the lot. Total impermeable coverage (including building coverage) shall not exceed fifty (50) percent of the area of the lot.
- 208.5 Setback and Yard Requirements:
- No structure including parking lots, but excluding fences and walls, shall occupy any yard areas established by the setbacks listed below. Driveways may cross the front yard area.
- A. Front Setback: 75ft. for building and/or parking areas.
 - B. Side Setbacks: 30ft., unless abutting a residential zone, then it is 50ft.
 - C. Rear Setback: 30ft., unless abutting a residential zone, then it is 50ft.
- 208.6 Additional Requirements and Restrictions:
- A. No outside storage of goods or materials will be permitted.
 - B. No parking area shall contain more than 20 spaces in a row without separation by a 10ft. landscape barrier.
 - C. No building shall contain more than 20,000 sq. ft.
 - D. No continuous building front, side, or rear wall shall exceed 50ft. of length without a minimum jog or offset of 5ft.

SPECIAL TOWN MEETING

SEPTEMBER 7, 1989

Proceedings of the Special Town Meeting of the Voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School in said Town on Thursday, September 7, 1989 at 7:00 PM.

The meeting was called to order by the Moderator, Carl A. Johnson, and the warrant was read by him.

The Articles of the Warrant were then disposed of as follows:

ARTICLE I Motion made by Harold Nowill and supported by Devin Starlanyl to see if the Town will vote to refuse to own the wastewater treatment facility and refuse to hold or co-hold any discharge permit needed for the wastewater treatment facility which is to be constructed at Spofford Hall for the private use of Spofford Hall with the entire cost to be borne by Spofford Hall, or take any other action thereof.

After considerable discussion with many concerns about odor from the treatment facility, it was voted by show of hands to accept the article as read.

Yes 10 No 4

ARTICLE III A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by Stephen Laskowski to discontinue the Class VI road established as an access from Route 9 to the former Mary Sullivan property now owned by Hendrickson Partners, Inc. off Stow Drive, or take any other action thereof.

The meeting was adjourned by the Moderator at 7:45 PM.

Respectfully submitted,

Betsey C. Chickering
Town Clerk

SPECIAL TOWN MEETING

OCTOBER 17, 1989

Proceedings of the Special Town Meeting of the Voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School in said Town on Tuesday, October 17, 1989, at 7:30 PM.

The meeting was called to order by the Moderator, Carl A. Johnson, and the warrant was read by him.

The Warrant was then disposed of as follows:

1. A motion was made by Harold Nowill and seconded by Beverly Wolf to see if the Town will vote, pursuant to RSA 31:5-b, to cure and legalize any and all procedural defects in connection with the following Article voted upon by the Town at a Special Town Meeting on September 7, 1989, and to render valid the actions of the voters with respect to said Article as if all statutorily required proceedings had been complied with:

ARTICLE 1 "To see if the Town will vote to refuse to own the wastewater treatment facility and refuse to hold or co-hold any discharge permit needed for the wastewater treatment facility which is to be constructed at Spofford Hall for the private use of Spofford Hall with the entire cost to be borne by Spofford Hall, or take any action thereof."

A motion was made by James Milani and seconded by Robert Yacubian to amend the original Article One by adding: if and only if and not until such time as both owners of the properties on which Spofford Hall now stands and the operators of the Spofford Hall facility execute a legally enforceable document, binding on themselves, their heirs, successors and assigns, making the Town of Chesterfield Board of Selectmen the sole determinors of the existence of an offensive odor and/or a failure of the facility's sewage treatment system; said agreement to empower and enable said Board of Selectmen, a representative of said owners and a representative of said operators to either limit the patient load and/or close the facility, as they deem appropriate.

Action on this amendment was denied by the Moderator, who declared the motion out of order.

After considerable discussion, a vote was taken by a show of hands. The vote was in the affirmative to accept Article One as read.

Yes 9

DEPARTMENT OF PUBLIC WORKS REPORT

1989

There were no purchases of new highway equipment for the year 1989. For the year 1990 we plan to replace our power broom and York rake because estimates for needed repairs on both were comparable to replacement costs.

Construction/Reconstruction projects completed in 1989 consisted of:

- Repairing the boat ramp on the Connecticut River at River Rd.
- Lessening the dip and widening the road entering the Recycling Center.
- Securing the river bank along Mountain Road using ledge from some blasting done to straighten a dangerous corner of Gulf Road.

The priority for 1990 Construction/Reconstruction projects will be to further secure the river bank on Mountain Road and several areas on the River Road, using ledge obtained as economically as possible.

The major repairs and realignment of the Westmoreland Road Bridge in Spofford was completed this last year. The major overhaul of the Farr Road Bridge in West Chesterfield is nearing completion and is now open to local traffic only until the finishing touches can be made in the spring when weather is more favorable. Both bridge jobs qualified for two thirds funding from the State.

For the year 1989 there were 39 Driveway Permit applications issued.

Our tarring schedule for 1990 will be High St., Joslin St., Spring St., Twin Brook Rd., Pond Brook Rd., Spaulding Hill Rd., Sheila Ave., Welcome Hill Rd. and Farr Rd. to Norcross Landing for a total of 5.95 miles.

Proper drainage is a major part of obtaining a higher quality of roads and helps keep other maintenance costs down. For 1990 we plan to rent for a month a machine large enough to do some serious reestablishing or establishing of drainage ditches, starting in areas where the need is greatest.

We have high hopes of realizing our new Highway Garage in 1990. The present conditions are cramped and inadequate and hinder the crew from being as efficient as they potentially could be. I encourage anyone that is not familiar with our present Highway Garage to contact me for an appointment to see for yourself our position and its condition.

A new decade has begun and the present Board of Selectmen and myself are exploring any new ways or changes that will increase my

department's cost effectiveness and efficiency and still maintain as high a quality of services as possible while keeping the budget in line.

MARSHALL BILLS

Director of Public Works

SOLID WASTE/RECYCLING CENTER REPORT 1989

L. A. R. R. Y.

The figures included in this report indicate that recycling in the Chesterfield area has been a success.

We have found reasonably stable markets for the majority of our recyclables. The fact that we as a town took action ahead of many others will mean a better chance of our being locked in to these markets in the event they become flooded.

You have seen many changes taking place at the Transfer/Recycling Center and none have taken effect without a lot of thought and consideration, weighing convenience and cost effectiveness.

We appreciate and applaud the area residents who have taken the time to make this effort work. To be fair to those who are participating, a person will be appointed to randomly check for violations of the Recycling Ordinance and offenders will be subject to all fines and penalties that apply. Copies of the ordinance are available at the Town Offices during their normal working hours.

There was a problem with how the trusses were placed in the new recycling building, but the problem has been corrected by the builders.

We are presently looking into including mixed paper and tin to our list of recycled items. This would drastically reduce the amount of materials still being landfilled, further reducing our costs and increasing our revenues. Also, research is being done on including pressure treated wood and exhaust systems as acceptable items. A proper notice and a Public Hearing will precede any changes of this nature.

MARSHALL BILLS

Director of Public Works

RECYCLING COMMITTEE REPORT

Just seven months after Chesterfield inaugurated of its solid waste recovery system, the town can be rightly proud of the program it adopted.

In August Chesterfield dedicated the Local Area Resource Recovery Yard (LARRY), named in honor of the late Larry Taylor, and immediately began recycling operations. In the first month, the town was able to thwart Keene's 240% increase in landfill tipping fees by substantially reducing the amount of our trash that reached the landfill. As the figures below attest, Chesterfield has saved substantial amounts of money each and every month by building the Local Area Resource Recovery Yard and adopting the recycling program.

The development of Chesterfield's solid waste recovery system began with the convening of the all-volunteer Recycling Committee. In the able hands of former Chairman Tom Dustin, the committee worked closely with the Selectmen to develop the project that town citizens voted to adopt and of which we now take advantage.

As planned, the waste recovery system is now administered by the Selectmen, and Public Works Director Marshall Bills has the responsibility for its day-to-day operations. The Recycling Committee continues to research markets and plan for future recycling efforts, such as junk mail and/or tin can recovery.

The system employs two people full time, who see to it that corrugated cardboard, newspapers, magazines, glass, numerous types of plastic, metals, oil and other recycleables is used to offset operating costs.

What is not now recycled is now -- per order of the Selectmen -- compacted at a weight-to-volume ratio more than twice that of our former methods, which also has served to substantially reduce landfilling costs.

Like it or not, Chesterfield is a leader in waste recovery in the New England region. We wish to remain a leader. To do so we need citizen input. Please feel free to contact Recycling Committee members and town officers with your ideas.

KIM ROBERT NILSEN
Chairman

REPORT OF THE POLICE DEPARTMENT

1989

This report is written as a brief overview of Police Department operations in 1989 and of our intentions in 1990. I have included a few comparative statistics to give the reader some sense of our activity levels and to show trends in activity.

There were increases in most of our activity in 1989. Motor Vehicle was up as well as Burglaries, Assaults and Domestic Violence calls. An area of concern is the total Calls For Service. We received approximately 2,800 in 1989 as compared to 2,500 in 1988 and 1,800 in 1987. Hand in hand with this goes the increased Court and Investigation time which means less time spent on Patrol.

In 1990, I am proposing adding a fourth Full Time Officer to the Department. Approximately 60% of our calls and activity occur between the hours of 6:00 AM and 6:00 PM. The State Police assist us with their Patrols of Route 9, but they are short of staff and devote a great deal of time to those Towns not having Full Time Police Departments. By adding a fourth Officer we will be able to handle our Administrative, Court and Investigative responsibilities and still have an Officer available to answer calls for service.

The Selectmen have appointed an ongoing Committee to study the future needs of Chesterfield's Emergency Services. This Committee will be meeting throughout the year and I feel that citizen input will be crucial in determining the services that you expect and want. The dates and times will be posted and I urge you to attend.

The Secretary will be in the Office Monday, Wednesday and Friday from 9:00 AM to 1:00 PM if you need forms or have questions. If anyone spots activity that seems suspicious, please report it. (352-1100) This not only helps us, but it might stop a crime in progress.

RESPECTFULLY SUBMITTED,

ERIC S. SARGENT
Chief of Police

REPORT OF THE EMERGENCY MANAGEMENT DIRECTOR

1989

APPOINTMENTS:

During this year, James VanOudenhove was appointed to serve as Deputy Emergency Management Director, replacing Dean Ericson. Jim brings with him to this position a great deal of experience which would be extremely useful in the event of a major emergency - as a Police Officer, as a Firefighter and in his regular job with Public Service Company of New Hampshire.

ACTIVITY:

In August, we participated in the biannual exercise of emergency plans for handling a disaster at the Vermont Yankee Nuclear Power Station in Vernon, Vermont. This was a full-scale exercise which was graded by FEMA and the NRC. Chesterfield, as well as the exercise in general, rated well. The Office of Emergency Management was also directly involved in three incidents this year: flooding in several parts of town, a minor oil spill in Spofford, and an illegal dumping, also in Spofford.

FEDERAL AND STATE FUNDING:

It is important to note that 50% of the total Emergency Management Budget for Chesterfield is funded through the Federal Emergency Management Agency (FEMA), which means that the actual impact on the town is one-half of the budget amount listed. Additional funds available through the state may offset this remaining amount partially or in total.

WEATHER ALERT RADIOS:

All Chesterfield residents living within the ten (10) mile Emergency Planning Zone should have a weather alert radio in their home. These radios are used to issue a warning in the event of an emergency at the Vermont Yankee Nuclear Power Station in Vernon, Vermont. If you do not have one of these radios, or have one which is malfunctioning, please contact the Selectmen's Office for assistance. Any resident moving out of town should leave this radio in the house for use by the next occupant.

SPECIAL NEEDS:

We encourage anyone who feels that they may need help in evacuating their premises during any type of disaster to contact the Selectmen's Office and fill out a card indicating this. All information of this nature will be considered confidential.

ACCOLADES:

I would like to give special thanks to Dean Ericson, who served as Deputy Emergency Management Director from 1986 until this year. Dean is currently pursuing a career with the Keene Fire Department. I wish him well. I would also like to thank David Deans of the N.H. Office of Emergency Management who retired this year at the end of June. We will miss working with both of them very much.

JEFFREY W. TITUS
Emergency Management Director

ANNUAL REPORT OF PUBLIC HEALTH DEPARTMENT

1989 was a quieter year than usual in Chesterfield. House Bill 240 became effective on January 1, 1989, and prompted more calls from realtors, buyers and sellers concerned with conversion of seasonal homes, and site assessment of lakeside homes. We had a mild, rainy summer, which prompted less swimmers' itch complaints, less lake bacteria, and lots and lots of mosquito problems. Many septic systems were replaced as usual.

Reports from the state and Lake Lay-Monitoring tests indicated a heavy phosphorus level at the bottom of Spofford Lake. This, as well as disruption of aquatic habitats and other environmental concerns, led to a recommendation that Jet skis be banned from our lake. State river monitoring tests show that the Connecticut River as it passes by Chesterfield is not a very healthy place to swim.

Looking forward to Earth Day 1990 in April, it is more important than ever that the townspeople of Chesterfield improve their awareness of their relationship with the environment. We should all try to do our part to keep this little corner of the universe a healthy place to inhabit.

Devin J. Starlanyl

AUDITOR'S REPORT

As of this date, 2/15/90, all audited records are found to be in good and correct order. All errors and omissions discovered to this point in the audit have been adjusted to our satisfaction.

Auditors,

Patricia D. Carbonaro
Edward Cheever

CHESTERFIELD PLANNING BOARD

1989 was a very busy year for the Board. The following applications were approved after hearings and review:

Boundary Line Adjustments	7	
Sub-divisions	9	totalling 54 lots
Multi-family Developments	0	
Commercial/Industrial Site Plans	7	

Several other applications are under review or in some stage of conditional approval.

In addition to processing applications, the Board adopted a Capital Improvements Plan with a great deal of much appreciated input from various town departments and Boards. We continue to work on amendments to our Land Development Regulations, and will begin a study of the use of town owned property in Center Chesterfield.

Several parcels of land have been proposed for the newly approved Office/Retail/Services zone. To be voted on in March, 1990, these are the result of a great deal of work with the assistance of the Southwest Regional Planning Commission and input from the townspeople.

In order to place some of the cost of development on the developers, a new fee schedule was adopted in June.

We continue to meet at least twice a month, our regular meeting being on the first Monday.

Our thanks to Richard Klaver who served as an alternate until his move to Keene. He has been replaced by Glenn Francis. Special thanks also to Shelley Mitchell who has filled the ever-expanding job of Board Secretary with much skill and dedication.

Cornelia Jenness
Chairman

CHESTERFIELD CEMETERY COMMISSION

The Town Cemeteries were well maintained during the 1989 season with the help of an able crew supplied by our Department of Public Works.

This year some effort was made to improve the appearance of several lots in Spofford with the addition of loam. Damage to two monuments in Spofford was repaired with the help of Keene Monument Company.

Next year we plan to concentrate on stone repair and re-establishing water in the Spofford Cemetery with installation of a new line from the well.

Ed Furlone was appointed to the Commission to replace David Hall, who resigned.

PARKS & RECREATION COMMISSION REPORT 1989

The Parks and Recreation Commission whose charge is to oversee town recreation programs and the operation of the two town beaches, met 18 times in 1989.

Wendy Chamberlin, our Recreation Director, continues to supervise our recreation program serving the Commission and Town with initiative, thoroughness and dedication. We are most grateful for the help of her husband, Mike, as well.

In conjunction with the Chesterfield School gym, the adult program for the winter has run from December through April two night and offered a Saturday program for the children. The co-ed volleyball program from 6:30 - 9:00 on Tuesdays averaged 20 participants and the men's basketball on Thursdays (6:30 - 9:00) has a lower average. Townspeople are welcome at anytime. Mr. Larry Seavey has been extremely cooperative and assisted with running programs for the community. Volunteers for the Saturday program; Russ Bergeron, Phil Shaw and Mark Witalis, have been appreciated.

Our Director oversees the eight week Tuesday and Thursday Rec. program at Ware's Grove from late June to mid-August, offering land & water games, arts and crafts, special parties, field trips to town children ages 6 and up. Supervisors for 1989 were Lucy Gillis, Wendi Allen, Kurt Cote and Heather Gillis, working with up to 100 children and lowest number of 35. In addition, 150 local children received free swim lessons at Ware's Grove. Outdoor volleyball for older teens and adults was offered on Tuesday and Thursday nights at the beach. Bernie Novak, operator of Park Concessions, ran Ware's Grove and our Director's staff ran North Shore Beach Concession.

We continue to support two volunteer-run sports programs for town youth, grades K - 5, at the school fields; Chesterfield Youth Baseball in the spring and Chesterfield Pee Wee Soccer in the fall. The baseball program, co-coordinated by Peter Lepple and Val Wright, had 120 participants, 21 volunteer coaches and local business sponsors. The Soccer program, organized by Susan and Phil Shaw, had 160 participants; 21 coaches and/or assistant coaches.

During the summer there were three other special recreational events scheduled at Lake Spofford last summer. The Brattleboro Outing Club's July triathalon and Old Home Day scheduled two concerts. The Jazz concert was held on the beach and the bank played at the school due to the weather.

For the convenience of town residents, we rent portable toilets for the South Shore Boat Landing and for the school ballfield from May through October.

Our application the Department of Resources and Economics Development for matching funds to build a new rest room/ticket concession building at Ware's Grove was turned down last year and we had hoped to have enough to build, but didn't, however, we hope to have enough in our Buildings Capital Reserve Fund to do the project on our own soon.

Prices for the beaches remain the same as last year. There will be a new Director, however. Wendy Chamberlin has resigned and the Commission has been actively pursuing a new Director.

Commission meetings are posted and are open to the public.

Respectfully submitted,

Parks & Recreation Commission

CHESTERFIELD LIBRARY REPORT - 1989

Chesterfield Library celebrated its Fiftieth Anniversary in the present building in August. We wish to extend our thanks to all our townspeople for so many years of continuous support to make it possible. We appreciate the many wonderful donations of books, sale goods, time, and money that was given this past year.

As we begin to automate some of the library functions, we hope to improve our service to our patrons, first in the area of inter-library loans. Our goal is to provide an increase of services with more efficiency.

PLEASE NOTE: Our year-round hours are as follows:

Monday 10 - 3, Tuesday 3 - 8, Thursday 10 - 8,
Saturday 10 - 12 noon

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

REPORT TO THE TOWN OF CHESTERFIELD

JANUARY 1, 1989 - DECEMBER 31, 1989

ANNUAL REPORT

In 1989, Home Health Care and Community Services continued to provide home care and community services to the residents of Chesterfield. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1989. The projection is based on actual services provided from January through September 1989 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN</u>
Nursing	149 Visits	33 Visits
Child Health Nursing	0 Visits	0 Visits
Physical Therapy	11 Visits	7 Visits
Speech Pathology	0 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Homemaker	1,907 Hours	87 Hours
Home Health Aide	67 Visits	67 Visits
Medical Social Worker	1 Visit	1 Visit
Nutritionist	4 Visits	4 Visits
Office Visits	7 Visits	7 Visits
Meals-On-Wheels	404 Meals	404 Meals

Total Unduplicated Residents Served: 38

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1989 with all funding sources is projected to be \$40,477.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1989, town support is projected to be \$5,591.00.

For 1990, we recommend an appropriation of \$6,500.00 to continue home care and \$200.00 for the Meals-On-Wheels Program to continue services at the current level.

Thank you for your consideration.

WARRANT FOR THE SPOFFORD FIRE DISTRICT

FOR THE YEAR 1990

To the inhabitants of the Spofford Fire District qualified to vote on the affairs of the District:

You are hereby notified to meet at the Spofford Village Hall on Tuesday March 20, 1990 at 7:30 PM to vote on the following articles:

- ARTICLE 1: To choose a moderator for the ensuing year.
ARTICLE 2: To choose a clerk/treasurer for the ensuing year.
ARTICLE 3: To choose a Commissioner for three years; 1990-91-92.
ARTICLE 4: To see if the District will vote to accept the budget or act thereon:

OIL	\$ 2,900.00
LIGHTS AND PHONE	1,284.00
FIREMEN'S INSURANCE	275.00
FIRE AND LIABILITY INSURANCE	8,600.00
JANITOR	850.00
TREASURER	650.00
TREASURER'S EXPENSES	100.00
SUPPLIES	250.00
RESCUE SUPPLIES	650.00
GAS AND OIL	400.00
EQUIPMENT REPAIRS & MAINTENANCE	2,000.00
RADIO REPAIRS	350.00
BUILDING REPAIRS & MAINTENANCE	4,300.00
SMALL EQUIPMENT	1,500.00
TRAINING AND DUES	2,000.00
PAYROLL	7,000.00
STATE REPORTING ON FIRE CALLS	100.00
FICA	535.00
	<hr/>
	\$33,694.00

- ARTICLE 5: To see if the District will vote to appropriate the sum of \$1,000.00 to be added to the Waterhole Capital Reserve Fund. (recommended by the Budget Committee)
- ARTICLE 6: To see if the District will vote to appropriate the sum of \$15,000.00 to be added to the Equipment Capital Reserve Fund. (recommended by the Budget Committee)
- ARTICLE 7: To see if the District will vote to appropriate the sum of \$3,500.00 to continue the hose replacement program. (recommended by the Budget Committee)
- ARTICLE 8: To see if the District will vote to authorize the Commissioners to borrow money in anticipation of taxes to pay current costs.

ARTICLE 9: To transact any other business that may legally come before said meeting.

SCOTT RICCI
STEPHEN A. BUCKLEY
GORDON C. FULLER

Commissioners

MINUTES OF THE 1989 SPOFFORD FIRE DISTRICT ANNUAL MEETING 3/21/89:

Moderator Terry Wiggin called the meeting to order at 7:36 PM and dispensed with the reading of the warrant.

- ARTICLE 1: To choose a moderator for the ensuing year. Terry Wiggin was duly elected.
- ARTICLE 2: To choose a clerk/treasurer for the ensuing year. Catherine H. Schlichting was elected.
- ARTICLE 3: To choose a Commissioner for three years; 1989-90-91. Gordon C. Fuller was reelected.
- ARTICLE 4: To see if the District will vote to accept the budget or act thereon. The appropriation for Equipment Repairs was raised by the sum of \$1,000.00 to \$2,500.00. The budget was passed with the change; bringing the total to \$32,950.00.
- ARTICLE 5: To see if the District will vote to appropriate the sum of \$15,000.00 to establish an Equipment Capital Reserve Fund. The Article passed as read.
- ARTICLE 6: To see if the District will vote to appropriate the sum of \$1,000.00 to be added to the Waterhole Capital Reserve Fund. After a brief discussion, the Article passed.
- ARTICLE 7: To see if the District will vote to appropriate the sum of \$5,000.00 to purchase 500 feet of 4" hose and 300 feet of 2½" hose and hardware. Vote was in the affirmative.
- ARTICLE 8: To see if the District will vote to appropriate the sum of \$1,000.00 for body repairs to the 1979 Chevrolet Rescue Van. Motion carried in the affirmative.
- ARTICLE 9: To see if the District will vote to authorize the Commissioners to borrow money in anticipation of taxes to pay current costs. The Article passed without discussion.
- ARTICLE 10: To transact any other business that may legally come before said meeting:

- * Motion was made for the Commissioners to bring forth to the voters some documentation of the need and costs to repair and maintain the water-holes in Spofford Fire District. Motion was voted on and passed.
- * Motion was made for the District to accept all purchases made by the Department in the past year. Motion carried.
- * Motion was made for the Commissioners to have the right to dispose of equipment. Motion was defeated by voice vote.
- * Motion was made for the Commissioners to bring back to the District, on or before the annual meeting, a list of the assets of the District with recommendations for items to be disposed of and to grant the Commissioners permission to dispose of any articles deemed to be of no economic value to the District. Motion was discussed and passed.

As there was no other discussion, the meeting was adjourned at 8:30 PM.

Respectfully submitted,

Catherine H. Schlichting
Clerk/Treasurer

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 10 day of March, 1990, at 10:00 in the forenoon to bring in your votes for the election of school district officers. The polls will open not later than 10:00 a.m., nor close earlier than the termination time of the District Meeting (as a minimum, 10:00 a.m. - 7:00 p.m.).

ARTICLE 1. To choose all necessary school district officers:

- A member of the school board for the ensuing three years
- A member of the school board for the ensuing year
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer for the ensuing year from July 1, 1990

Given under our hands at said Chesterfield, this 5th day of February, 1990.

Judy S. Palmer, Chairman
James C. Milani
Phillip J. Natowich

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 10 day of March, 1990, at 7:30 p.m. to act upon the following articles:

ARTICLE 1. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2. To see if the District will vote to authorize the school board to apply for, accept and expend, without further action by the School District Meeting, money from state, federal, or other governmental unit or a private source which becomes available during the 1990-1991 school year, provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board shall hold a public hearing prior to accepting and spending such money (pursuant to R.S.A. 198:20-b).

ARTICLE 3. To see what sum of money the District will vote to raise and appropriate to fund the anticipated deficit in the 1989-1990 budget, or to take any other action in relation thereto.

ARTICLE 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

ARTICLE 5. (By Petition) To see if the voters of the Chesterfield School District will vote to increase the size of the Chesterfield School Board to five members, in accordance with R.S.A. 671:4. If this article is adopted, at the 1991 Annual District Meeting voters will elect three school board members: one to a three-year term, one to a two-year term, and one to a one-year term. Following the 1991 Annual District Meeting, all school board members' terms shall be three years in length.

ARTICLE 6. We, the residents of the Chesterfield School District, find the State of New Hampshire to be negligent in the funding of public education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.

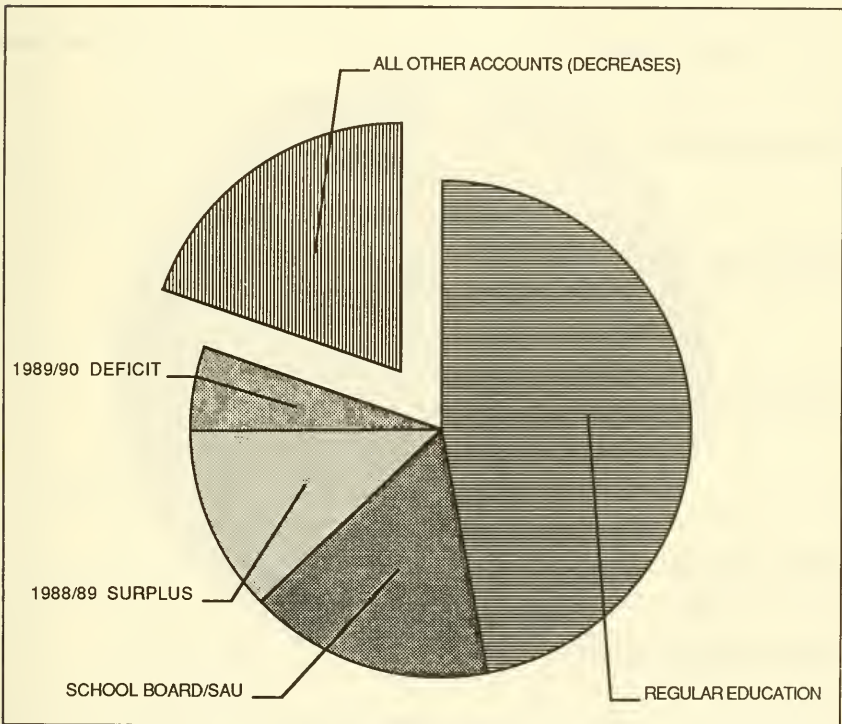

ARTICLE 7. To transact any other business which may legally come before this meeting.

Given under our hands at said Chesterfield, this 5th day of February , 1990.

Judy S. Palmer, Chairman
James C. Milani
Phillip J. Natowich

Joan M. O'Neil
District Treasurer

CHAIRMAN'S REPORT

We present to you for 1990 - 1991 a budget that has been carefully reviewed by our principal, assistant superintendent, and ourselves. It reflects our efforts to keep the quality of our school program commensurate with the high expectations of a supportive Chesterfield community. Salary and benefit figures reflect the second year of our agreement with Chesterfield teachers. New proposals include a second 5th grade teacher and a primary teacher, both to accommodate growing enrollments.

We are pleased to report that the new programs you enabled us to fund with your vote at the 1989 School District Meeting -- kindergarten and Distance Learning -- are going well, as are the new positions, the second 4th grade teacher and the part-time librarian.

Our school board goals for 1989 - 1990 are as follows:

1. To support the formation of a principal's subcommittee comprised of faculty to develop and implement a new program in foreign language, computers or health for the 1990 - 1991 school year.
2. To support the faculty in the development and implementation of a consistent approach to student discipline by the second quarter of the 1989 - 1990 school year.
3. To initiate quarterly staff meetings devoted to such topics (as prioritized by staff): teaching skills, curriculum, cooperative learning or classroom management for implementation in the second quarter of the school year with a review by the school board in the fourth quarter of the school year.
4. To develop a program whereby each student in the school will participate in one program of community service by the end of the 1989 - 1990 school year.
5. To identify reasonable measures of student achievement at Chesterfield School and determine how these will be used for school improvement.
6. To implement means whereby student achievement as well as programs and events at school will be publicized in local newspapers and the school newsletter.
7. To formulate a five-year plan for building maintenance and to budget up to 1% of the total school budget for continuing a preventative maintenance program. (Board's goals in 1986-87, 1987-88, and 1988-89.)

On behalf of the school district, the board has formally accepted the following gifts during the past year:

Chesterfield Lion's Club - ballfield concession building, slide projector
Irene and John Ramsay - keyboard
Russ Bergeron - baseball and softball equipment and uniforms
Bassler Plumbing
Broco
Chesterfield Heights
Forrestview Country Bazaar
Frank's Marina
Howard's Leather Store
Len's Auto Body
Perkins Home Center
Prospect Park Press
Riverside Grocery

Gifts to the district (cont'd.):

San 'N Sno Motel
Spofford Boat Sales
Spofford Hall
Spofford Motor Lodge
Stow Mills
Twin State Trucking
Valley Isuzu

Lynne Borofsky - memorial donation for library books

Carl B. Thomas Construction Corporation - donation for library books

Community donations to the Chesterfield P.T.A. Scholastic Award are welcomed and may be made through the Town Trustee of Trust Funds. Begun in 1985 with funds generated from the sale of a P.T.A. community cookbook, this is a monetary award presented to the Chesterfield senior at Keene High School with the highest academic ranking, who graduated from Chesterfield Elementary School and intends to further his/her education. The award, which has been in the range of \$130, is based on interest generated from this account in the Town Trust Funds. Names of winners are engraved each year on a plaque that remains at Chesterfield School. Previous winners are:

Eric Winchester (1989)
Amy Scanlan (1988)
Christopher Wiggin (1987)
Martin F. Mahoney, II (1986)
Eric Aldrich (1985)

The Mt. Pistareen Grange and the Chesterfield Lion's Club also provide scholarships for Keene High graduates from Chesterfield. In addition, a new award, the Chesterfield Vocational Scholarship Fund, was established last year for a Chesterfield resident under age 25 who intends to further his or her education in the vocational field.

The Chesterfield School Board meets in the school conference room at 7:00 p.m. on the fourth Thursday of each month. Meeting agendas are posted in town post offices several days in advance. Townspeople are always welcome!

Respectfully submitted,
Judith S. Palmer, Chairman
Chesterfield School Board

**REPORT ON
THE UNIT EFFECTIVENESS STUDY COMMITTEE**

The Unit Effectiveness Study Committee, whose charge it has been to develop the optimum operational and cost effective structure for the delivery of services to the individual school districts of New Hampshire School Administrative Unit 29, has been meeting for several months.

The committee has studied and discussed the following five administrative structures: the current S.A.U. 29 structure; Keene as a separate unit; the five towns (Chesterfield, Westmoreland, Marlborough, Harrisville, Nelson) as a separate unit; Keene with a five-town cooperative; the towns as a five-town cooperative totally separate from Keene.

Cost comparisons tend to show the present structure as the second most expensive in total for the six towns (Keene included), but at the same time allowing the most local control. A structure that would include a cooperative of the five towns appears to show the most streamlined administrative structure along with the lowest cost, but at the expense of the towns giving up their own local control.

To date the committee has not made a recommendation for any restructuring of S.A.U. 29. The committee will continue to meet for the next several months.

Phillip J. Natowich, Member
Unit Effectiveness Study Committee

CHESTERFIELD SCHOOL DISTRICT
ASSISTANT SUPERINTENDENT OF SCHOOLS
ANNUAL REPORT

MARK GENOVESI
Assistant Superintendent

The proposed school budget for 1990-91 which will be presented to the voters at the district meeting, reflects increases which can be attributed to the growth that the town is now experiencing. The school board is requesting additional staff in response to the growing number of children who are expected to attend the elementary school next year. It must also provide money for the increasing cost of tuition to Keene High School. The increases in tuition are due mainly to the increasing number of students and the increase in tuition rate, as set by formula by the Keene School District.

The basic instructional program will remain intact next year with the possible additional of a foreign language for students on the junior high level.

The citizens of Chesterfield should be very proud of the new facility which they have provided for the education of their children in the community. However, they must also be cognizant of the fact that the continuing growth in Chesterfield will cause the administration and school board to plan very carefully for the next several years as to how the facility will be utilized. It will be necessary to provide additional classroom space as well as space for storage and special services with the hope that the existing facility will be able to accommodate such needs.

I have come to regard the Chesterfield voters as fair and honest and am confident that you will continue to support the efforts of the school board, budget committee, and administration to provide for the present and future needs of the children of Chesterfield. I look forward to a continuing increase in the quality and breadth of the educational programs for the students and to your continued support. I am sure that with your support these improvements will be realized.

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

H. Charles Larracey, Ed.D
Superintendent of Schools

CHESTERFIELD SCHOOL PRINCIPAL'S REPORT

Support from the voters in the Town of Chesterfield has been greatly appreciated by the students, parents, and staff members during this past year. Your faith in our efforts has allowed us to provide our students with the finest school programs and facilities available in this area. Our students are afforded opportunities to learn that are second to none. In return, we have been able to take pride in the accomplishments of our youngsters as they gain a firm foundation that will allow them to be healthy, happy, responsible, and productive adults in the 21st Century.

At a time when some national reports suggest stagnation in the growth of academic skills of students in this country, we find our achievement test scores rising. Fall, 1989, California Achievement Test results for our students in grades 3-8 show that every grade scored above the national average by a considerable margin.

For the first time ever, public kindergarten was housed in the Chesterfield School during this year. Twenty-five students attended the morning session and 24 students attended the afternoon session. Under the direction of teacher Marilyn Goulas and teacher aide Rainy Kornfield, implementation of the new program has been smooth and successful.

The Principal's Advisory Council was created during this year to provide a representative group of parents, teachers, and elected officials of the district to monitor and shape our school improvement process. That process includes identifying needs, prioritizing goals, drafting a plan for action, overseeing the implementation of the plan and evaluating the results. Last Spring, they surveyed parents and teachers and found a number of areas in our school that needed improvement. As a result of their efforts, improvements have been made during this year in the areas of student discipline, written communications to parents (i.e. handbooks, newsletters), supervision of children on the playground, school telephones, and parking problems at the school.

Present members of the Principal's Advisory Council are: teachers -- Darlene Dunn, Karen LeDuc, and Mark Sonntag; parents -- Kathy Davidson, Susan Newcomer, Steve Fisher, and John Hudachek. Ruth VanHouten represents the community and Judy Palmer represents members of the school board. The council holds evening meetings on the first Wednesday of each month in the school conference room with the public invited to attend.

An essential ingredient in an effective school is the involvement of parents. This year we were fortunate to see the Friends of Chesterfield School formed as an active school parents' group. Led by Susan Newcomer and Linda Thomas, the group has focused on successful activities and projects to make a better school. They have already had several successful fundraisers, including a book fair and a spaghetti supper, initiated a school volunteer program, provided a certification course for babysitters, and started the use of the concession stand at the ballfield. At present, they have plans for a "Sock Hop", a celebration of Earth Day, and a teacher appreciation dinner.

Enrollments continue to rise, as projected when voters approved the addition and renovations to the building. Next year we will need to add another teacher in the primary grades and an additional grade five teacher. Both positions are included in the proposed budget for your approval. We will make full use of every space in our building with special education programs moving out of classroom space and the smoking room, which has been provided for teachers, being used to store supplies which were in a room which we will need for remedial instruction.

ENROLLMENTS

	<u>Official (as of 10/1/89)</u>	<u>Projected, 1990-1991</u>
Kindergarten	47	43
Readiness	20	18
Grade 1	24	49
Grade 2	50	24
Grade 3	41	50
Grade 4	36	41
Grade 5	23	36
Grade 6	30	23
Grade 7	25	30
Grade 8	<u>35</u>	<u>25</u>
	<u>331</u>	<u>339</u>

The above projected figures include only current residents with no allowance for an increase in school-age population prior to the opening of school.

Opportunities for our students to learn have been increased this year with the implementation of a distance learning project with Keene, Marlborough, and Westmoreland. Eligible upper grade students in our school now have the benefit of previously unavailable course opportunities such as Algebra, foreign languages, or Great Books. Our students can actually sit in on a course presented at Keene Junior High School by using a newly-installed, two-way interactive video system and receive advanced instruction and credit prior to moving on to Keene High. At present, seven of our students are taking Algebra I, and next year we plan to add the opportunity for students to also take a first course in Spanish.

This year our students have made efforts to give service to the citizens of the Town of Chesterfield in return for the support and service we have received. The school board has set a goal for each child to participate in at least one program of community service by the end of the school year. As of this writing, food boxes have been donated to local churches, cards have gone to nursing homes, a holiday concert was performed for the Senior Citizens, books were purchased for the town library as a result of a student fundraiser, and shut-ins were treated with holiday baskets. We look forward to extending these efforts during the year as a means of helping our students learn the value of helping others.

Recently the voters of the district confirmed their confidence in our teachers by approving a negotiated agreement that will allow us to recruit and retain strong teachers and be competitive with other districts of our size. Teachers are most important as we strive to provide each child with the best instruction possible. We take pride in our classrooms and invite you to arrange for a visit if you haven't recently seen our school in operation.

It continues to be a special privilege for me to be associated with you in a town that values its children and its school. We look forward to providing a quality education to each of our students with your support.

Lawrence E. Seavey, Principal

CHESTERFIELD SCHOOL LUNCH PROGRAM

1988 - 1989

The first year in our new kitchen encountered many problems. Some of the new equipment had to have parts replaced; some equipment arrived without the essentials to go with it and some of our old equipment was never found and had to be replaced. We did manage to arrange our menus around our problems and serve lunch to over half of the students enrolled.

Free and reduced lunches were offered to students who qualified. Menus were sent to WKBK and WKNE for their morning announcements. Each student was presented with a monthly menu and lunch money collection day remained on Friday for the following week.

Government surplus was very generous and supplied us with fish nuggets, hamburger, turkey, ham, pork, and canned fruits and vegetables, as well as flour and oil.

We ended the year in debt. At today's prices we can no longer pay for food, milk, juice, paper goods, repairs and pay our salaries, on what your children pay us for lunch. We have asked the school board to have our salaries entered into next year's school budget. What happens there remains to be seen.

Respectfully submitted,
Mary Lou Kelly
School Lunch Manager

SCHOOL DISTRICT MEETING
CHESTERFIELD CENTRAL SCHOOL
CHESTERFIELD, NEW HAMPSHIRE
OCTOBER 21, 1989.

The Moderator, Terry Wiggin, called the meeting to order at 6:05 p.m. for the purpose of acting on the articles in the Warrant.

The articles were disposed of as follows:

ARTICLE 1: Judith Palmer moved that the district vote to raise and appropriate the sum of Ninety-One Thousand, Nine Hundred Fifty-Two (91,952.00) Dollars for the purpose of funding the cost aspects of a collective bargaining agreement entered into between the Chesterfield School Board and the Chesterfield Teachers Association pursuant to RSA 273-A. Seconded by James Milani. The Moderator declared the article to carry in the affirmative on a voice vote.

ARTICLE 2: Mr. Westervelt moved, and Mrs. Westervelt seconded, a motion to reconsider Article 1. The Moderator declared the voice vote to be in the negative and the article was defeated.

The meeting was adjourned at 6:25 p.m. by the Moderator.

A true record, Attest:

Diana S. Allen
Clerk, Chesterfield School District

CHESTERFIELD SCHOOL DISTRICT MEETING
MARCH 11, 1989.

The Moderator, Terry L. Wiggin, gave the oath of Assistant Clerk to Robin Holton. The Moderator opened the polls at 10:00 AM for the purpose of voting. The following persons were appointed ballot clerks and took the oath of office from the Moderator: Caroline Wiggin, Thomas Davoli, Claire Cohen, James Milani, and Audrey Ericson.

At 6:04 PM the Moderator called the meeting to order for the purpose of acting on the articles in the warrant. The Moderator asked for a moment of silence in memory of Charles Napoli, Keene High School principal, and for Ethel Mills, Chesterfield postmaster, both of whom passed away recently.

The Moderator introduced officials of SAU #29, the Chesterfield School Board, Mr. Lawrence Seavey, principal of Chesterfield School, and Robin Holton, Acting Clerk.

The Moderator reviewed the rules which will be followed during the meeting. It was requested that speakers be recognized by the Moderator, come forward to use the microphone, and identify themselves. It was stated that first time speakers on an issue will be recognized before those wishing to speak a second time. All motions should be submitted in writing for accuracy. If a motion is made to recess this meeting and reconvene at a later date, the same number of voters will be needed to vote at a reconvened meeting as those that voted to reconvene the original meeting. If a motion is made and accepted to reconvene this meeting, any previous motions voted on tonight cannot be reconsidered and voted upon at a later date.

The Moderator recognized Jeff Newcomer who made a motion to dispense with the reading of the warrant and to read each article as it is taken up. Seconded by James O'Neil. The Moderator declared the voice vote to be carried in the affirmative.

Articles in the Warrant were disposed of as follows:

ARTICLE 1: Elizabeth Benjamin moved that all reports contained in the Chesterfield Annual School District Report be approved as printed. Seconded by James O'Neil. Otto Taber requested that grade enrollments which were not shown in the report be included in future years. The Moderator declared the voice vote on the motion to be in the affirmative.

ARTICLE 2: Merton Yeaton moved and Richard Wolf seconded the motion that the District authorize the School Board to make application for, and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as

now or hereafter be forthcoming from the United States government, the State of New Hampshire, or any department or agency thereof, of any federal, state, or private agency. The voice vote was declared by the Moderator to be in the affirmative.

ARTICLE 3: Beverly Wolf moved that the District authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1989-1990 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money, and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money. Seconded by Susan Newcomer. Voice vote was declared by the Moderator to be in the affirmative.

ARTICLE 4: Merton Yeaton moved that the District vote to make the position of School District auditor an appointed position by the School Board rather than an elective position, to become effective July 1, 1990. Seconded by Wanda McNamara. The Moderator declared the voice vote to be in the affirmative.

ARTICLE 5: Judith Palmer moved that the District authorize the establishment of a public school kindergarten program, as determined by the School Board, effective September, 1989, and to raise and appropriate an amount of money not to exceed \$36,795.00 for the program. Seconded by Richard Benjamin. A slide presentation on the kindergarten program was shown. The Moderator declared the voice vote to be in the affirmative.

ARTICLE 6: James VanOudenhove moved and Richard Wolf seconded the motion to appropriate the excess 1987-1988 Sweepstakes revenues, in the amount of \$16,038.00 for the replacement and/or repair of a heating system in the Chesterfield Elementary School. The Moderator declared the voice vote to be in the affirmative.

ARTICLE 7: Phillip Natowich moved that the District vote to raise and appropriate \$2,333,028.00 for the support of schools, for the salaries of School District Officers and Agents, and for the payment of statutory obligations of the District, including sweepstakes revenue and kindergarten. Seconded by Stephen Fisher.

Stephen Laskowki moved to amend the motion to approve the 1989-1990 school budget in the amount of \$2,095,226.00. This motion further directs the School Board to apportion the approved amount:

First, to fully staff, fund, and equip the basic educational programs that educate and benefit the entire student body, including all special education expenses.

Second, to the proper and timely short and long term maintenance of the physical plant.

And third, to such special programs that the School Board may determine are of value to the school and fit the parameters of this budget.

The Moderator declared the voice vote on the amendment to be in the negative and the motion was defeated.

Kurt Nowell made a motion, which was seconded by Patricia Carbonaro, to postpone any action of Article 7 until such time as the District Meeting reconvenes to vote on a total budget, including teachers' salaries. The Moderator declared the voice vote to be in the negative and the motion was defeated.

Judith Palmer amended the original motion to read as follows: That the District raise and appropriate the sum of \$2,280,195.00 for the support of schools, for the salaries of School District officers and agents, and for the payment of statutory obligations of the district. This would exclude sweepstakes revenue and kindergarten. Mrs. Palmer reported that there will be a \$5,000.00 deficit in the 1988-1989 budget due to unexpected high school tuitions and special education costs. The motion was seconded by Richard Benjamin. The Moderator declared the voice vote on the amendment to be in the affirmative.

ARTICLE 8: A motion was made by Thomas Woodman and seconded by Patricia Carbonaro that the next teachers' contract talks be finalized prior to Budget Committee meetings to consider the school budget, so that a complete budget can be considered. The Moderator declared the voice vote to be in the negative and the motion was defeated.

A motion was made by Ruth VanHouten and seconded by Wanda McNamara that any additional monies received from the State under the category of New Hampshire Building Aid be returned to the taxpayers to offset taxes. Motion and second were withdrawn.

Judith Palmer of the School Board offered four resolutions:

1. Resolved that the Chesterfield School Board offers sincere thanks to those individuals who served this past year on the Building Use Committee, Curriculum Committee, Kindergarten Committee, Library Committee, Playground Committee, and Readiness Committee. The names of committee people are many and we wish to have it posted where everyone can see it as soon as possible. The resolution was accepted in the form of applause.
2. Resolved that the Chesterfield School Board wishes to recognize the faithful and tireless service of District Treasurer, Joan O'Neil, now in her seventh year. Resolution was accepted in the form of applause.

3. Resolved the Chesterfield School Board regretfully recognizes the resignation of SAU #29 Assistant Superintendent of Business, David Hill, who has been an astute financial planner and friend to our District for the past eight and a half years and who played a key role in our school addition planning and construction. A standing ovation followed.

4. Resolved that the Chesterfield School Board offers appreciation to Mary Maxwell who has served this school in many invaluable ways in recent years as School Board Member for three years (1983-1986), as school library volunteer and computer consultant, classroom volunteer, home tutor, and Odyssey of the Mind coach for four years. Resolution was accepted in the form of applause.

Mr. Dustin moved and Phil Shaw seconded a motion that the meeting be adjourned at 7:55 PM. Motion was declared by the Moderator to be carried in the affirmative by a voice vote.

The official town checklist was used for the election of District officials with 201 ballots cast at the ballot box and 2 absentee ballots cast.

School Board Member for 3 years:

Judith Palmer	132
Susan Bloom Newcomer	69

Judith Falmer was declared elected School Board Member for 3 years and took the oath of office from the Moderator.

Moderator for the ensuing year:

Terry L. Wiggin	176
-----------------	-----

Terry L. Wiggin was declared moderator and took the oath of office from the clerk.

Clerk for the ensuing year:

Diana S. Allen	178
----------------	-----

Diana S. Allen was declared clerk and took the oath of office from the Moderator on March 15th.

Treasurer for the year beginning July 1, 1989.

Joan M. O'Neil	23 (write-in)
----------------	---------------

Joan M. O'Neil was declared treasurer and took the oath of office from the Moderator.

Auditor for the ensuing year:

Clifford White	5 (write-in)
----------------	--------------

Clifford White was declared auditor and declined the office. The

School Board will appoint an auditor.

All who took the oath of office also signed the prescribed oath of office.

A True Record, Attest:

Robin C. Holton, Acting Clerk
Chesterfield School District

CHESTERFIELD SCHOOL DISTRICT
ADDITION TO SCHOOL DISTRICT MINUTES
MARCH 11, 1989.

The following was inadvertently omitted from the District Minutes and should be added to the last paragraph under Article 7:

The Moderator then called for a vote on Article 7 as amended. The Moderator declared the voice vote to be in the affirmative.

A true record, Attest:

Robin C. Holton, Acting Clerk

Diana S. Allen, School District Clerk

Terry L. Wiggin, School District Moderator
