TOWN MEETING WARRANT

To the Inhabitants of the Town of Easton in the State of New Hampshire, County of Grafton, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 9th day of March, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary officers for the ensuing year.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the town will vote to authorize the selectmen to appoint or designate a qualified person to act as Highway Agent during the current year.

Article 4. To see if the town will vote to accept Town Road Aid: Town's share $43.86; State's share $292.42, and raise money for same.

Article 5. To see if the town will vote to raise and appropriate the sum of $54.87 to the White Mountains Region Association, for the purpose of issuing and distributing printed matter and advertising and otherwise publicizing the advantages of the Town, in cooperation with the other 45 towns of the region.

Article 6. To see if the town will vote to pay the selectmen and other town officers an annual salary during the current year in accordance with the following schedule, and to raise and appropriate money for same:

<table>
<thead>
<tr>
<th>Position</th>
<th>Salary</th>
</tr>

If approved, it is understood that the selectmen and other salaried town officers will receive no fees or any other
compensation or remuneration for their services except the usual and necessary expenses incurred by them in connection with their official duties.

Article 7. To see if the town will designate one Fire Dept. to answer all calls in town limits and pay same Fire Dept. for services rendered as billed.

Article 8. To see if the town will raise and appropriate the sum of $750.00 to cover Fire Protection.

Article 9. To see if the town will vote to raise and appropriate the sum of $150.00 to support the Town Library.

Article 10. To see if the town will vote to raise and appropriate $250.00 for the cemetery, $50.00 of which shall be used for the purchase of trees, shrubs, bushes, etc.

Article 11. To see if the town will vote to authorize the selectmen to hire money for defraying town charges in anticipation of taxes, if necessary.

Article 12. To see if the town will instruct the selectmen to allow a discount for early payment of taxes. What percent, and at what time?

Article 13. To raise and appropriate such sums of money as are stated in the proposed budget for repair to town highways and bridges, general expense of highways, snow removal, maintenance of town buildings, officers' salaries and expenses, and other town charges.

Article 14. To see if the Town will raise and appropriate the sum of $1,000.00 to reappraise all property in town, to comply with State Law stating all property must be assessed at 100% of market value.

Article 15. To transact any other business that may legally come before the meeting.

The above warrant is correct to the following date:

REPORT TO HEALTH OFFICER
TOWN OF EASTON, N. H.
For Year Ending December 31, 1964

Home visits were made by the state public health nurse to infants, preschool children and adults for physical and mental problems and education in sickness prevention.

The infants and preschool children were invited to attend the Franconia Well Child Health Conference and immunization clinics for whooping cough, diphtheria, tetanus, smallpox, polio, and booster shots.

With the cooperation of the school nurse the Heaf Sterneedle T.B. tests were given at Franconia school in grades 1 and 4. These same grades are tested every year.

My sincere thanks for the cooperation received.

Respectfully submitted,

LORETTA B. RUSSELL, R. N.

Annual Report of the Cemetery Committee
1964

Mr. Clyde F. Smith of Spruce Pines, North Carolina and Sugar Hill, N. H., who makes signs for Public Parks, Highways and Clubs is making a sign for our Mt. Kinsman Cemetery which will be put in place next spring.

Now that the road entering the cemetery has been very much improved a small area on the left of the entrance will have an all-over cover of rich loam and grass seed.

The established perennials will be salvaged and replanted on the left side of the road.

It is the hope of the committee that this section which has needed improvement for a very long period of time will be accepted and appreciated.

Treasurer.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Easton, of which the above is a true summary for the fiscal year ending June 30, 1964 and find them correct in all respects.

MARGARET T. WHITCOMB, Auditor
Office of the Principal  
Franconia Elementary School  
Franconia, New Hampshire  

Report of the Principal  

I herewith submit my sixth annual report as Principal of the Franconia Elementary School.  

ADMINISTRATION:  

The present school year began on Wednesday, September 9 with a total registration of 79 pupils. As of this writing, there are 78 pupils enrolled in the school. A breakdown of this figure shows that 12 are in Kindergarten, 17 in Grade 1, 11 in Grade 2, 10 in Grade 3, 10 in Grade 4, 10 in Grade 5, and 8 in Grade 6.  

The opening of school found changes in the teaching staff. Due to the increased number of pupils in Grade One, it was deemed advisable to separate the first two grades. As a result, the very capable Mrs. Evelyn Howe of Lancaster is teaching Grade 2. Mrs. Maxine Aldrich of Sugar Hill replaced Mrs. Sara Weymouth as the Kindergarten teacher. Mrs. Aldrich is conducting the Kindergarten very well in spite of the handicap of not having a separate classroom. Mr. Glenn Stillings of Littleton, also new to our staff, is doing a fine job as instructor of Physical Education. He replaced Mr. John Garneau. The retention of Mrs. Leone Philbrook teaching Grades 3 and 4, and Mrs. Pauline Cole teaching Grades 5 and 6, ensures the same high caliber of learning as witnessed in the past. We are fortunate in having such tried and proven teachers on our staff. In addition to my duties as Principal, I teach Grade 1. Mrs. Marion Callender of Lisbon continues to teach music in all grades as well as in Kindergarten. She creates much interest and enthusiasm in her classes.  

Mr. Richard Sullivan continues to do an outstanding job in carrying out his duties as school custodian. His presence and work in the building are invaluable.  

The former Kindergarten room is being used by Grade 2. After much discussion and planning, it was decided that the Kindergarten children use the stage in the auditorium. In spite of the difficulties involved, as a temporary measure
this has worked out well for the children through the cooperation of the entire teaching staff and Mr. Sullivan. It has necessitated much careful planning and extra work.

The school hours were changed in January. The school day now starts at 8:00 A.M. with the doors being opened at 7:45. All grades are dismissed at 2:30. The Kindergarten begins at 12:45 and also ends at 2:30. This change in hours was necessary because of the long hours that bus pupils had to stay at school, both before and after the regular school hours. Mr. Hamilton Ford was most co-operative in adjusting to this new schedule. It is working out very well.

CURRICULUM:

In the field of mathematics the program from Kindergarten through Grade 6 continues to be updated and modernized. The Greater Cleveland Mathematics Program was incorporated in Grade 4 this year and will be taught in Grade 5 in 1965-66. As soon as the materials are published for Grade 6, that program will be complete. As recommended by Mr. John Economopoulos, Director of N.H. Elementary School Services, the school uses more than one arithmetic series. This works out well.

Although we have no central library, the room libraries are proving very worthwhile. They are constantly being increased and improved. They are very necessary in the development of a well-rounded independent reading program.

The Visual Aids Program continues to be very successful. The school is building up a good library of filmstrips. These filmstrips correlate with every subject. Enrichment materials for all subjects are constantly being employed.

As in previous years, much emphasis is being laid on the teaching of the basic fundamentals in each subject. The reading program is very carefully planned and executed. The needs and abilities of each individual child are considered at all times. Testing is one tool that is employed to help in the improvement of instruction and better guidance of each pupil. Individual folders are maintained for each child.
Orientation Day was again held in the spring of 1964. Mr. Bove, Guidance Director of the Littleton High School, also gave Academic Promise Tests to the sixth graders.

SCHOOL LUNCH:

The school lunch program continues to operate smoothly under the excellent management of Mrs. Peabody, who replaced Mrs. Alma Shores as hot lunch operator. Mrs. Shores resigned because of ill health. The prices per meal remain at 30 cents per pupil, 40 cents for adults, and 3 cents for milk only. Approximately 55 pupils participate daily in the program. Mrs. Peabody serves special dinners at all holidays as well as refreshments at the various parties. During National Hot Lunch Week, parents and friends were invited to have lunch with the children.

SCHOOL HEALTH:

Dr. Ralph Parker and Nurse Louise Clark have given complete physicals to the pupils whose parents so desired. Mrs. Clark has conducted eye and ear examinations. Mrs. Clark visits the school regularly and is on call at any time. Her report will give you further details as to her other activities in this school.

SCHOOL ACTIVITIES:

A Field Day for Grades One through Six was held in June. Open House was held during Education Week in the fall. Parent attendance was good. Assemblies are planned and are being carried out. For instance, as of this writing, Mrs. Philbrook is developing a January assembly concerning one phase of the Language Arts Program. All assemblies are results of actual classroom work. The Visual Aids equipment is most valuable in attaining the desired results. A series of parties was planned and is in the process of being carried out. For instance, a costumed Halloween party proved very successful. The annual Christmas Program, with 100% pupil participation, was presented in the school's auditorium Thursday evening, December 22. It may be of interest to note that this program was rehearsed and given under much difficulty because of the required use of the stage for Kindergarten. However, through the co-operation of all involved, the program was successful.
The Ski Program is being carried out. Mr. Glenn Stillings, Physical Education teacher, is assisting in this program.

SUPERINTENDENT:

Our superintendent, Mr. Ronald A. Perham, is retiring at the end of the year. The staff of the Franconia Elementary School joins me in expressing our deep gratitude and sincere appreciation to Mr. Perham for his unflagging interest and constant help over the years. We consider ourselves fortunate to have been under his tutelage. We will miss his friendship, his courtesy and his educational wisdom. We wish Mr. Perham many years of happiness and leisure.

CONCLUSION:

Once again I wish to express my sincere thanks to the people of Franconia, the Board of Education, Superintendent Ronald Perham, and the staff for their constant co-operation and fine assistance.

Respectfully submitted,

ALICE M. LEAVITT
Principal
REPORT OF SUPERINTENDENT

To the School Board and Citizens of the Easton School District:

I herewith submit my twenty-second annual report as Superintendent of Schools.

There were ten pupils attending school last year: 8 pupils at Franconia, one at Littleton Junior High and one at Littleton High School. The pupils are as follows:

As predicted in last year's report, supervisory union changes have taken place. Easton now becomes a part of the new Supervisory Union #35, comprised of White Mountains Regional (Carroll, Dalton, Jefferson, Lancaster, Whitefield), Bethlehem, Littleton, Easton, Franconia, Landaff, Lisbon Special, Lisbon Town, Lyman and Sugar Hill. As time progresses, the new organization is expected to provide new services and opportunities for the children.

The Union Superintendent for next year is Mr. Leslie S. Cummings of Littleton. Working with him will be Mr. William Grass, Jr., Superintendent of the White Mountains Regional and Mr. Harvey F. Harkness, Jr. who at the present time is a teacher consultant in the Whitefield-Lancaster schools.

The sweepstakes revenue for this year is $181.18. Next year we have estimated the Sweepstakes revenue in the amount of $240.00. We recommend that you use the same motion used last year as an orderly way to include the revenue in your accounts.
In submitting my final school report to the citizens of Easton, I cannot stress too strongly the enjoyment I've found working in your district. The warmth of the people, the cooperation and help of the school board have made this position a most enjoyable part of my life.

I trust that in some small way I have contributed to the better education of your children. Thank you and the members of your school board for the privilege of working and serving with you.

Respectfully submitted,

RONALD A. PERHAM

Superintendent of Schools
SUPERVISORY UNION NO. 34

REPORT OF SUPERINTENDENT’S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #34, during 1964-1965, will receive a salary of $10,500.00 which is made up as follows: $3,250.00 to be paid by the State Department of Education and $7,250.00 prorated among the several school districts. Allowance of $1,300.00 for travel within the Union was also prorated as stated above.

The table below shows the proration of salary and travel charged to each school district.

RONALD A. PERHAM
Superintendent of Schools
Program of the
WHITE MOUNTAINS REGION ASSOCIATION 1964

The White Mountains Region Association this year has published and distributed 136,000 promotional folders and cooperated with the five other Region Associations in publishing 400,000 copies of the New Hampshire Accommodations Booklet.

We received a total of 7,500 individual inquiries about the Region which were answered with a package of folders and with personal letters. Because we are closely associated with the State of New Hampshire promotional effort, we receive in our office inquiries which are generated by the State. The Region Association's address is listed on one and one-half million individual pieces of literature published by the State.

In addition to maintaining an active and effective mailing office, the Association has encouraged and promoted many important developmental projects for the region. Such projects include Northern Ventures, a venture capital corporation to assist people who have ideas for industry; Temple Monorail System at Twin Mountain; the Kilkenny project in Lancaster; Mt. Agassiz Development in Bethlehem and Big Bear Ski area at Bartlett.

Through our Industrial Council we have changed the emphasis of industrial development of the State of New Hampshire so that it includes the northern three counties and also encourages a "do it yourself" attitude with industrial development groups.

Last year we assisted in promoting an appropriation of $65,000 for the construction of the Whitefield Regional Airport and went on record opposing the Livermore Falls Dam in the Pemigewasset Valley.

Presently we are planning to establish an active Historical Sites Committee who will encourage the development of major historical sites in the region, an asset which we have which has not been developed to its full potential.

The work of the Association is continually hampered by a lack of adequate funds. In order to do the work necessary to raise our economy, the full support of all towns in the region is needed.

Respectfully submitted,
John P. Wilson, Executive Sec.
Lancaster, New Hampshire
Report of the Forest Fire Warden
and Your District Chief

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.
