1914 — THE BI-CENTENNIAL — 1964

This was the year we all looked forward to, the celebration of the Bi-Centennial.

We were fortunate to have the support of our townspeople, everyone was cooperative, without their cooperation we couldn't have had such a successful celebration.

We want to thank each and every one of you who so generously gave of their time.

When we started to organize for our Bi Centennial the following officers were elected, March 20, 1962:

Chairman — Albert Fuller; Historian — Laurence Pettengill; Secretary — Rowena Le Clair; Treasurer— James O'Connell.

We held another meeting in March 1964 when we accepted the resignation of our chairman due to an accident, he felt unable to carry on and George Rogers was elected chairman and Albert Fuller assistant.

We were most fortunate to have the help of George Towle and Mary Felton the whole two years of planning our program, other helpful citizens included:

Rev. and Mrs. Wylie, Earle Turner, Urbain Roy, The Boy Scouts, Nancy Lavigne, Bonnie Danforth, George Baker, Mrs. Blanche Beane, Harold Doucette, Stewart Carmichael, Irving Bragg, Jan Collins, Earle Allen, William Boden, Maurice Robinson, and Roscoe Holmes.

Charles Hutchins and his committee put on a wonderful supper on Saturday night at the town hall.

Richard Heselton furnished us with more fire trucks than Fremont had ever had on the street, they came from many surrounding towns, our thanks go to him for his fine help.

"Bill" Copp was parade marshall and we all are

happy to have memories of the fine parade he furnished for us, we are pleased with his cooperation.

George Towle had a very good program arranged on Saturday for the children and Mary Felton also had the Old Meeting House open to the public on that day, our sincere thanks to them.

Frank Tree furnished us with a speaking system which was much appreciated.

The homes of Mr. and Mrs. Frank Tree, Mr. and Mrs. Earle Allen, Mr. and Mrs. Rudolph Currier, and Miss Mildred Winship were open to the public, many enjoyed that tour of homes.

On Sunday it was with pleasure to have a most unusual speaker at the Old Meeting House, Earl H. Smith, Illustrious Potentate, Jerusalem Temple, A. A. O. N. M. S. from New Orleans, La.

Our lovely queen, Jane Turner, was chosen on Friday and rode in the parade.

Two special features of the affair were the Drum and Bugle Corp from Derry and The Clan McPherson Band which were enjoyed by many who came from far to hear them.

We thank-you all and hope you enjoy the next one as much as we all did this one.

Respectfully submitted,

Rowena T. LeClair,

Secretary

REPORT OF THE FIRE CHIEF

In June 1964, Carroll Heselton turned in his resignation as Chief of your Fire Department. He was Chief of your Department for seventeen years and a very fine one. I hope I can be half as good as he was. He is taking life easy as this report goes to press; he is down in the Southern Tip of Florida.

The Fire Association held its Annual Carnival along with Town's 200th Celebration. It was a successful event. All the hard work that goes into a Carnival is greatly appreciated.

We had a Course on Pumping for eight weeks and about ten Firemen took the course and they got a lot out of it. Our Instructor was Freddie Gallant of Brentwood. If things go well we are going to have another Course on Scott-Air Packs.

After July 1, 1965, the Radios we have in our Trucks and at Garage, we will not be able to get a license to operate them because of old age—by order of F. C. C.

The Association has purchased in October 1964, 2 Walkie-Talkie Hand Units and they work fine.

They are also buying three Mobile Units for the Trucks where the old sets are.

I would like to thank all my Firemen who have helped at our fires in 1964.

THANK YOU,

Your Fire Chief,

CLARENCE PHILBRICK

*REPORT OF THE FOREST FIRE WARDEN
AND YOUR DISTRICT CHIEF*

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

REPORT OF THE POLICE DEPARTMENT

This is my second report to the citizens of the Town of Fremont.

I would like to thank my Deputy Police for the many hours they have given our people in patrolling the roads and for being 'on Call' for any emergency which might arise. The Teen-agers have also given me their co-operation and I would like to show my appreciation with a great big THANK YOU.

We have had nine breaks in Town during 1964 and eight of the persons responsible for these breaks have been apprehended.

Five accidents were also reported and we are very happy that none of these were really serious.

I would like to ask the citizens of Town one favor. If out late at night and a parked car is observed beside the road or any other place which may look suspicious, please get the registration number and report it to one of the Town Police. Many times this information would help in case of breaks or violence.

Thank You.

HEALTH REPORT

I have inspected the School, Restaurant, Bakery and Bessie's Lunch. I have also fumigated two hours.

All complaints have been taken care of and water samples have been taken and found to be all right.

SUPERINTENDENT REPORT

It is with pleasure that I submit this, my third annual report to you.

This past year has certainly been an unsettled one, especially as it relates to co-operative school studies and, in general, supervisory union re-organization.

As you know, the year started with a continuation of the eight-town Southeastern New Hampshire Co-operative School District Planning Board study. The towns involved in this group were Atkinson, Brentwood, Danville, Fremont, Kingston, Plaistow, Newton and Sandown. However, on February 27, 1964, the delegates from Atkinson, Danville, Plaistow, and Sandown surprised everyone by requesting permission to withdraw. Immediately, conflicting stories concerning the probable reasons for the withdrawal began circulating. As is usually the case, most of these were false. There was one, and only one reason — the formation of an eight-town co-op in such a rapidly growing area proved to be simply impractical.

Soon after this separation, two small groups were organized and became known as the Timberlane Regional School District Planning Board and the Sanborn Regional School District Planning Board. Remaining in the Sanborn group were Brentwood, Fremont, Kingston, and Newton.

The Timberlane Planning Board study progressed very rapidly and by June 1964, the completed co-op plans were presented to the voters for approval. By an overwhelming affirmative vote on June 11, the Timberlane Planning Board's proposal was accepted. Thus, the Timberlane Co-operative School District was officially created.

On the other hand, the Sanborn Planning Board

study moved much more slowly. Never-the-less, progress was made and on February 20, 1965 you will also have an opportunity to express your feelings by casting a vote.

Since printing demands require me to write this report in January, to be read in March, any recommendation I might make here relative to the February 20th meeting would obviously be too late. I do hope, however, that you followed my last year's recommendation and voted yes. If you did so, I certainly congratulate you.

The new three-room addition to Ellis School is working out extremely well. The new kitchen with its increased storage and serving area is a great improvement over the old one and the new classrooms are ideal in size and arrangement. On the other hand, more work is required to get our library operating adequately. We are, however, purchasing encyclopedias and reference books as rapidly as possible in order to make this room an important and vital part of our overall program. With these extra facilities we should be able to handle all of our children for the next three or four years, provided that there is not too rapid an increase in our enrollment and provided that we continue to combine two grades in one room.

In closing, I wish once again, to commend you and your fine school board for providing the funds that have been requested in the past, and hope that this willingness to support good education will continue.

I want also to thank Mr. Michitson, his teachers, and all school personnel for helping to make more enjoyable a most difficult job — that of being superintendent of schools in seven different towns.

Francis C. Wilson

SCHOOL NURSE'S REPORT

To the Superintendent, School Board,
and Citizens of Fremont:

The burden of my message this year concerns the physical set-up of the health unit in Ellis School. As population increases, and the attending changes in school housing are being made, very little, if any, thought is going into the provision of space for health needs.

It is conceivable that in the not-too-distant future our elementary school will be staffed with a full-time nurse, besides other personnel on a part-time basis. These may include speech teacher, oral hygienist, doctor, psychologist or guidance director, and others.

Even now, a health suite is a primary need and should include the following:

1. An examining room to be used by the school physician; the oral hygienist for dental screening; the school nurse for individual screening of children; the guidance director for testing when needed; and for such activities as vision screening, measuring heights and weights, etc. It is recommended that this room be soundproofed, and have running water, mirrors, table and chairs, and a cabinet for supplies. The room should be located where natural light is available and a folding door should be provided to close off this space when necessary.
2. First aid and emergency care room.
3. Conference room. This space can be used for individual or group conferences, large enough to accommodate four to eight people. It is recom-

mended that two desks be provided and a folding door in case it is desired to make two separate conference rooms.

4. Other facilities needed in the multi-purpose room are:
 - a. toilet and lavatory
 - b. files
 - c. telephone
 - d. cabinets for supplies

Those who have the responsibility of designing or planning school buildings may consult standard sources in order to allow the physical environment of the school to make its finest contribution to the health of the school child.

Many thanks for your continued co-operation.

Respectfully submitted,

Constance J. Huss, R.N.
