Mrs. Atkins, Vice Chairman was in the chair.

The Chair called for nominations for a Chairman.

Cole of Lebanon nominated Frazer of Monroe, seconded by Gardner of Littleton. Carr of Orford moved that the nominations be closed and that the Clerk pro

tem cast one ballot for Frazer for Chairman. Frazer was then declared elected Chairman.

Bell of Plymouth offered the name of Mrs. Atkins of Hanover as Vice-Chairman, seconded by Clement of Landaff. The Clerk was instructed to cast one ballot for Mrs. Atkins as Vice-Chairman. Mrs. Atkins was then declared elected Vice-Chairman.

Carr of Orford nominated Mrs. Martin of Littleton as Clerk, seconded by Ashley of Lebanon. Chairman was instructed to cast one vote for Mrs. Martin for Clerk. Mrs. Martin was then declared Clerk.

The following members were elected to the Executive Committee: Cole of Lebanon, Carr of Orford and Miss Horner of Thornton.

Ashley of Lebanon moved that the Executive Committee meet at least once in three months or at the call of the Chairman. This was unanimously voted.

Bell of Plymouth reported that the surplus was over \$57,000.00 and of this amount about \$27,500.00 would be paid for microfilming and minor repairs to the Plymouth Court House, leaving a surplus of about \$30,000.00 and that the Commissioners would like the authority to spend not over \$15,000.00 for the building of a large storage vault in the basement of the Woodsville Court House to store the books from the Register of Deeds and Register of Probate offices after they have been microfilmed. This matter was discussed by many of the members. Plumer of Bristol moved that it be tabled until the Executive Committee could meet and move on it. Plumer's motion to table was voted: 14 Yes and 10 No.

Mrs. Atkins asked for a fifteen minute recess for the Executive Committee to meet. This time was granted and they went into Executive Session, reporting through Cole of Lebanon that the Executive Committee had agreed the price was reasonable and that the

Commissioners should go ahead and build the vault and put in the acoustic ceiling.

Plumer of Bristol said that if the Executive Committee recommends the vault be built and the new ceiling be put in, it was agreeable to him. It was only the procedure he questioned. After discussion the question was put to a vote as follows:

Motion was made by Bell of Plymouth, seconded by Gardner of Littleton that the Commissioners be authorized to build a vault in the basement of the Woodsville Court House, and to put an acoustic ceiling in the Woodsville Court Room at a price not to exceed \$15,000.00. Vote was 28 Yes and 3 No. Motion carried.

It was voted to adjourn at the call of the Chairman.

GRAFTON COUNTY EXECUTIVE SESSION

Chairman Frazer asked the delegates to leave as he was informed that the County delegates were not allowed to vote on bills that were to be considered by the

Legislature. Speaker of the House Griffin of Lincoln called the Attorney General's office in Concord and was told they had a vote on all matters to come before the delegation.

This caused the reconsideration of House Bill #17, An Act relative to the salaries for the Grafton County Commissioners, which was moved by Collyer of Lisbon and seconded by Gardner of Littleton and voted with 18 affirmative votes and none opposed during the absence of the delegates. The bill was reconsidered after the delegates returned and then was moved by Cole of Lebanon seconded by Atkins of Hanover that House Bill #17, Ought to Pass. 22 voted in the affirmative and none opposed.

House Bill #245 sponsored by Plumer of Bristol was heard. Mr. Plumer spoke for the bill explaining that the County should be divided into districts and that his bill divides about 16,000 population per district.

Kelley of Littleton and Atkins of Hanover spoke in opposition to the bill.

Jones of Lebanon moved and Gardner of Littleton seconded the motion that House Bill #245 Ought to Pass. 24 voted yes. Perley of Lebanon had to leave early and wished to be recorded in opposition.

House Bill #246. Motion made by Willey of Campton, seconded by Gardner of Littleton, Inexpedient to Legislate; motion carried.

House Bill #247. An Act relative to the salary of the Sheriff of Grafton County.

Collyer of Lisbon moved, Willey of Campton seconded, that House Bill #247 Ought to Pass. There were 21 voting yes and 2 voting no.

June 3, 1955

The Executive Committee of the Grafton County Delegation met with the county Commissioners at the Woodsville Court House, Friday, June 3, 1955 at 10:30 A. M.

The budget was reviewed and explanations were made regarding the increases.

Mrs. Martin of Littleton questioned the commissioners as to why the vault had not been built in the basement of the Woodsville Court House and why the Acoustic ceiling had not been put in the court room. She called to their attention that this was voted by the delegation on January 12th, 1955, with a vote of 28 Yeas and 3 Nos, and that when the Executive Committee met on February 26th, 1955, once again the building of this vault was discussed and agreed by the members of the Executive Committee that it should be built in the basement as soon as possible.

The commissioners asked the members present to look at a room at the jail suitable to house the Register of Deeds books. The room appeared to be satisfactory—but Mrs. Martin of Littleton disapproved of moving the books from the Court House. No decision was reached. Members of the committee looked over the location

for the building of a new storage bulk tank at the County Farm. All agreed the present milk room is not in keeping with the rest of the building at the farm. It was unanimously voted to furnish money for the Extension service until the budget is adopted.

Chairman Frazer asked if a Vice-Chairman should be selected to fill the place left vacant by the death of Edith P. Atkins. The majority felt the office should be filled.

Commissioner Jones called attention to the need of a new room being built on the Plymouth Court House for the use of the Judge at a cost of \$5,000 to \$6,000. He also stated Woodsville Court House roof is in good shape but Plymouth roof is in bad shape. The slates are old and crack easily.

After dinner at the County Farm the meeting adjourned.

Present were: Cole of Lebanon, Carr of Orford, Frazer of Monroe, Mrs. Martin of Littleton.

A letter was read by Chairman Frazer from the Bar Association of New Hampshire in favor of an addition for rooms at the back of the Plymouth Court House for the use of the judges and stenographers.

Mr. Willey offered the following motion and moved its adoption: "I move that the sum of ten thousand dollars (\$10,000) be hereby appropriated for the purpose of making additions, improvements and for equipment to the Plymouth Court House. Said sum appropriated shall be a charge upon any money in the treasury not otherwise appropriated." After being duly seconded it was voted 24 to 1.

Grafton County Executive Meeting

The Grafton County Executive committee met Thursday, Oct. 20th, 1955, in the Commissioners office at the Woodsville Court House at 10:30 A. M.

The three Commissioners: Kenneth Bell, Robert Jones and George Clement were present, and the following members of the Executive Committee: George Frazer—Monroe, Forest Cole—Lebanon, Robert Carr—Orford and Eda Martin—Littleton.

The new acoustic ceiling and light fixtures in the court room, seemed to the members to be a great improvement.

The addition to the Plymouth Court house was discussed, especially the type of roof, (whether pitched or flat). It was decided that a flat roof would be less expensive and would be fully as satisfactory. A motion was made by Forest Cole and seconded by Eda Martin, that bids be submitted on a flat roof for the addition to the Plymouth Court House. It was a unanimous vote in the affirmative.

The new milk room at the County Farm was discussed and it was inspected by the members. The subject of a bulk tank was mentioned but it was left as voted by the delegation.

After a delicious dinner served at the County Farm
the Meeting adjourned at 1:30 P. M.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of the County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and County Extension Service.

On December 31, 1955, the County had a cash balance of \$26,298.27 and bills receivable of \$4,486.52, making total assets of \$30,784.79. During 1955 the County operated within its budget and had a surplus of \$19,738.11 at the end of the year.

There were considerable improvements made to the county buildings during the year. A new milk room was added to the barn, under the capable supervision of Superintendent Aldrich. It is expected that a new bulk tank will be installed in the near future.

In accordance with the vote of the delegation, a new acoustic ceiling was installed in the court room in Woodsville in time for the September Term of Court. The court room was also painted and a new lighting system installed. New swivel jury chairs replaced the old chairs and gave the court room an entirely new look.

The contract was awarded to install new fixtures in the men's lavatory in the basement of the Woodsville Court House, and the lavatory on the main floor will be improved and changed to a ladies lavatory only.

The Delegation appropriated the sum of \$10,000.00 for the purpose of adding a new Judges chamber to the court house in Plymouth. The first bids received exceeded the sum appropriated, so that certain changes were made in the plans and the job was resubmitted for bids. Trumbull-Nelson Company of Hanover submitted

the low bid of \$9,800.00 and was awarded the contract. The new addition is almost completed and will be ready for the April Term of Court. During the construction it was found that the old roof had to be repaired, and this was done, but it may soon become necessary to replace the present roof.

During the first part of the year, a room was finished in the basement of the Plymouth Court House for the use of the Police, the cells were removed from the second floor and a new lavatory for men was installed in that room. These changes made more room available for the use of the Court.

The Remington Rand Company completed the micro-filming of the records in the Registry of Deeds and expect to set up the system in that office some time during the month of February. In the Registry of Probate office, the microfilming has been completed through the year 1900, and that work is being continued at the present time, but it is expected that the total cost of the work will exceed the appropriation and a special meeting of the Delegation will have to be called to determine whether or not the County will proceed to microfilm the records through the year 1928, as was originally decided.

We wish to express our appreciation to our staff of employees, the County Delegation, the various county and town officials and the State Welfare Department for their cooperation with the Commissioners.

Respectfully submitted,

KENNETH G. BELL
ROBERT A. JONES
GEORGE F. CLEMENT
Commissioners

The activities at the farm for 1955 were many as usual. In the past, because of high water at times, we have been unable to get to the island to cut hay. Early in the summer we constructed a dam at the branch of the Connecticut River and were able to get to the island without any difficulty. This was a great help in harvesting the large hay crop in June and the second and third cutting later. Our hay crop was very heavy and of good quality. We had 9,014 bales of first cutting and 8,029 of second and third. We filled two silos with grass and one with corn. The other silo was filled with corn from the previous year.

During the summer we continued the practice of pasture improvements.

The construction of the new milk room located on the north side of the big barn was started about the first of July and was completed in November. The new unit contains a large milk room, a pasteurizing room, an office and lavatory, most of the work being done by the regular county employees. In this construction, it was necessary to replace the steam line from the jail to the

barn. The old milk room was torn out and the space was added to the stable, which made a tieup for 92 milkers as well as improving the looks of the stable.

The herd production average is about the same as last year. 80.8 milkers averaged 11,084 pounds of milk and 428 pounds of fat.

The cattle were shown at both Lancaster and Plymouth Fairs with good results. We consigned to many of the Holstein-Freisian sales, such as Twin State sale at Hartland, Vt., and Strafford County sale at Durham, N. H. One two year old heifer was sold to Mr. Trijillo of the Dominican Republic. We have learned that this heifer won first prize at their annual Livestock Exposition. Other animals have been sold to individuals and institutions.

The policy of doing some inside painting each year has been continued.

We have movies about twice a month during the winter months which are much enjoyed.

The Christmas party with Santa Claus, trees and gifts was enjoyed by all. We especially wish to thank the Ladies Aid of the Campton Baptist Church, the Auxiliary of the White Mountain Grange of Littleton, the W. C. T. U. of Lebanon, the V. F. W. and the Auxiliary of North Haverhill, Mrs. Davison's class for the favors and any others for the gifts and remembrances sent in at this time. The carol singing of the large group from Woodsville and North Haverhill was much enjoyed. Mrs. Blaisdell's class sent Thanksgiving favors again this year, which were greatly appreciated.

Reverend and Mrs. Robbins have held services and made calls on our people. The group of young people from Groton and Lisbon have held services as usual. Father Boulay and Father Bolt have been very helpful.

We wish to thank the commissioners, doctors, chaplains and staff for the help and cooperation given us during the past year.

Respectfully submitted,

ERVILLE H. ALDRICH
Superintendent

CHRISTELE B. ALDRICH
Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ended December 31, 1955 and find them correctly cast and properly vouched.

CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

For another twelve months I have filled the office of Chaplain with the hope that my ministry has proved helpful. With the assistance of Mrs. Robbins, services have been conducted every other Sunday and we have called in the Women's Ward and in the Hospital. Communion was administered during Holy Week and on World-Wide Communion Sunday, and we have shared films which were to be shown at the Methodist Sunday School.

I am grateful for the increase in compensation for my services and appreciate the assistance and generosity of Superintendent and Mrs. Aldrich and members of the Staff.

Respectfully submitted,

BURTON G. ROBBINS
Chaplain

REPORT OF THE COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I hereby submit my report for the year 1955.

Due to illness and other factors, there has been considerable change in hospital personnel. We miss Mrs. Giles very much and are glad to report Mrs. Bigelow an excellent replacement.

The nurse shortage continues to be a severe problem.

The statistical tables that accompany this report show an increased load of over 1,000 patient days.

Although we now have considerable interchange of services with the Cottage Hospital, I believe this could be greatly increased to the mutual advantage of both institutions.

I wish to thank the County officers and employees for their interest and cooperation.

E. C. CAMPBELL, M.D.
Medical Director

**FINANCIAL REPORT FOR GRAFTON COUNTY
COOPERATIVE EXTENSION SERVICE FOR
YEAR ENDING DECEMBER 31, 1955**

County Cooperative Extension Service is made up of four separate fields of educational work which are: Agriculture, Home Economics, 4-H Club Work and Forestry. The County Staff is made up of two Agricultural Agents, one Home Demonstration Agent, two 4-H Club Agents, and one County Forester when all positions are full.

Extension Service is financed by County, State and Federal funds which makes it a cooperative effort as indicated by the name "Cooperative Extension Service."

After the office fire in 1954 the new office was established in the new Odd Fellows Building.

The balance at the beginning of the year was \$1,255.84. County appropriation for '55 was \$16,259.08. Balance on hand at the end of the year was \$4,919.71. Main reasons for expenses being less than was budgeted was that the Assistant 4-H Club Agent's job has been vacant since the first of July, and this has made more state funds available. At the beginning of 1956 the Assistant 4-H Club Agent's position is still vacant, but we hope it can be filled soon.

Beginning in February an Assistant Agricultural Agent, Kevin Kennedy, has been on the job, to make it possible to do more individual farm planning.

Anyone in the county interested in help in the fields of Agriculture, Home Economics, 4-H Club Work, or Forestry should contact the County Cooperative Extension Service office in Woodsville.

Richard R. Rutherford	Agricultural Agent
Kevin B. Kennedy	Assistant Agricultural Agent
