2	Blasts at 7.30 a. m., no school.
2	Blasts at 7.30 p. m., Fire Dept. meeting.
1	Blast, water to be shut off in thirty minutes.

NOTICE

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12.45. Do not sound alarm unless necessary.

ROBERT W. EASTMAN,

WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Alton, in the County of Belknap, in said state, qualified to vote in town affairs:

You are hereby notified to meet at the town house, in said Alton, on Tuesday, the eighth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To see what sum of money the town will vote raise and appropriate to pay all necessary charges of the town for the ensuing year.

Article 2. To see what sum of money the town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year, in addition to that required by law.

Article 3. To see what sum of money the town will vote to raise and appropriate for the removal of snow from the town's highways.

Article 4. To see what sum of money the town will vote to raise and appropriate for the purchase of tarvia and application of the same.

Article 5. To see if the town will vote to raise and appropriate the sum of \$827.81 provided that the state will contribute \$3,311.22 for Class V roads, so called.

Article 6. To see if the town will vote to authorize the selectmen to borrow necessary monies in anticipation of taxes.

Article 7. To see what sum of money the town will vote to raise and appropriate for the decoration of soldiers' graves.

Article 8. To see what sum of money the town will vote to raise and appropriate for the maintenance of the public library in addition to that required by law.

Article 9. To see if the town will vote to raise and appropriate the sum of \$400.00, to be expended under state supervision for the control of the white pine blister rust. (By request)

Article 10. To see if the town will vote to raise and appropriate the sum of \$281.00 to the Lakes Region Association of New Hampshire, which is one-hundredth of one per cent of the assessed valuation, for

- the purpose of publicizing and promoting the natural advantages and resources of the town together with other towns in the Lakes Region. (By request)
- Article 11. To see what sum of money the town will vote to raise and appropriate for the aid of the Huggins hospital at Wolfeboro. (By request)
- Article 12. To see what sum of money the town will vote to raise and appropriate for the aid of the Laconia hospital at Laconia. (By request)
- Article 13. To see if the town will vote to allow a discount on all property taxes for the 1949 assessment, one per cent to August 31 and one-half of one per cent to September 30, inclusive.
- Article 14. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for a Post-War Project Fund. This fund shall not be expended until post-war period and then only by vote of the town.
- Article 15. To see if the town will vote to raise and appropriate the sum of \$250.00 for spraying trees along our highways.
- Article 16. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for band concerts, summer and winter activities. (By request)
- Article 17. To see if the town will vote to raise and appropriate the sum of \$500.00 for building a public bathing beach at Alton Bay.
- Article 18. To see if the town will vote to sell the pumping station and land located at Alton Bay which was acquired when the town purchased the Alton Water Works. Money received from the sale of same to be used to discharge the water department debt. (By request)
- Article 19. To see if the town will vote to raise and appropriate the sum of \$20,000.00 to purchase a lot and construct a new fire station on long term notes at the discretion of the selectmen.
- Article 20. To see if the town will vote to raise and appropriate a sum not to exceed \$5,000.00 for the rebuilding of the basement of the town hall to provide quarters for the fire equipment.
- Article 21. To see what action the town will take in regard to the following: To require the selectmen to have printed a list of the valuation and taxes of all the property owners in the town of Alton and

include such list in the annual town report. (By petition)

Article 22. To see what action the town will take in regard to the collection and disposal of garbage and trash in the town of Alton and to raise and appropriate money for the same. (By petition)

Article 23. To see what action the town will take in regard to the following: That the selectmen be required to present an allocation of the money to be raised and appropriated for summer work on town roads to the different districts before voting on the article to raise and appropriate the same. (By petition)

Article 24. To see if the town will vote to accept the new road built by John Porter on land deeded to the town by William R. Clough and also continuing from said new road to property now owned by John Porter.

Article 25. To see if the town will vote to accept the new road laid out by the selectmen by petition known as Hutchin's Circle.

Article 26. To see if the town of Alton and the water commissioners will extend the water main to the residence of Murray Buchanan on Oak Hill and along Riverside Drive. (By petition)

Article 27. To hear the reports of agents, auditors, committees or officers heretofore chosen and pass any vote relating thereto.

Article 28. To choose all necessary town officers for the ensuing year, to elect one selectman for three years, one library trustee for three years, one trustee of trust funds for three years and one water commissioner for three years.

Given under our hands and seal this nineteenth day of February, 1949.

FREDERICK M. PERKINS,

CLARENCE P. KILBORN,

HERBERT T. ALDEN,

Selectmen of Alton.

AUDITORS' CERTIFICATE

As your duly elected auditors, we have carefully checked the accounts of the town treasurer, tax collector, precinct treasurer, trustees of trust funds, treasurer of the water commissioners, library trustees and treasurer of the lighting precinct along with the bank statement of the several departments.

According to the best of our knowledge and belief they are properly vouched and correctly cast and are a true account of the business of the town for the year ending December 31, 1918.

RAYMOND DUNCAN,

ROBERT SEDERQUIST,

Auditors.

REPORT OF THE FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

1948 fire record:

Number of fires	5
Acreage burned	7
Number of fire permits issued	59

Respectfully submitted,

HAROLD E. PRIME,

Forest Fire Warden.

ANNUAL REPORT
OF THE
SCHOOL DISTRICT
OF
ALTON, N. H.

THE GOLDEN RULE OF EDUCATION

The first duty of the school is to teach pupils to do better the desirable things that they will do anyway.

Another duty of the school is to reveal higher activities and make them both desired and maximally possible.

Thomas H. Briggs.

(b) Report of the Superintendent

1. Problems and Conditions General to the Union

"It seems almost needless for me to take time and space to impress on you the fact that the greatest crisis to American democracy is the teacher problem, when every paper and magazine is teeming with data confirming this statement". Thus began Frederick T. Johnson's annual report to the several towns in this Union in January, 1920.

For the past two years, my reports have called your attention to a similar situation. This year I am pleased to report that our children and our schools have fared better. Two years ago, twenty new teachers were hired; a year ago, twenty-six, five of whom were additional teachers; and this year, only eleven new teachers were needed, and two of these were additional teachers.

Teachers throughout this Union are receiving salaries equal to the average for the state. Improved housing conditions, cooperative parents, and better school facilities, along with better salaries, have helped to stabilize our faculty situation, thereby improving the continuity of instruction for the students. It is to be hoped that the districts in this Union can continue to hold these gains.

I must remind you, though, that our country faces a tremendous increase in school enrollment in the next five years as a result of our so-called war babies. This increase which will reach a million a year for the next five years will demand more teachers from an already limited supply. While the increased enrollment will not be evident in most of this area, the demand for additional teachers exists in other areas and will be felt here where replacements are necessary. Whether our children will continue to have well-trained teachers will depend upon our ability to hold the gains which have been made in the past two years.

BUILDINGS

All of the districts in this Union have continued to recondition present buildings. Three schools have new heating units. Improved lighting has been added in four schools. Running water has been installed to two schools, so that all schools in this Union now have run-

ning water and drinking fountains. All buildings now have some rooms which have been re-painted in the past two years. Three buildings have had all rooms and corridors painted. New window shades have been installed in several buildings, and others are on order.

SCHOOL LUNCHESES

Hot lunch programs continue to operate in five of the six districts in this Union. Three districts improved their lunch room facilities during the past year. Paid adult workers are now employed in all of these programs. In two schools, these programs gross over a thousand dollars a month.

The Federal Government pays nine cents toward each meal served, if the one-half pint of milk is provided.

Several thousand dollars worth of surplus commodities have been received for use in these programs. The distribution and the handling of this material has been no small task. On one occasion, this Union received one hundred and twenty-five 100-pound sacks of potatoes. Since September, the participating schools have shared, proportionally, the following: 30 cans of orange juice, 14,500 pounds of potatoes, 18 cases or 450 pounds of apricots, 1,680 cans of applesauce, 214 boxes of dried milk, 204 boxes of honey, 17 cases or 510 pounds of dried prunes, 900 cans of tomatoes, 180 5-pound boxes cheese and 15 cases or 480 pounds of dried raisins. It should be noted that, for schools to share in the surplus commodities, the lunch program must meet certain Federal requirements.

INSTRUCTION

All of the worn and out-dated text-books should be replaced by next September. If you have seen any of these new books, you can realize that publishers and authors are giving the children outstanding products today. Committees from all of the schools in the Union have been working on the selection of text-books and subject material.

For two years now, all of the students in grades one through eight, except grade three, have been given standardized tests so that their achievements can be compared with those of other children throughout the nation. Parents have been encouraged to see the results of these tests and to learn where their children stand in comparison with other children in the same grade level.

Your school boards have studied these results also, with view to evaluating the job being done in the several classes. Committees of teachers already selected plan to meet in the coming months to consider the findings of the testing program, to evaluate the subject matter taught in each grade and to recommend revisions where warranted.

As a preliminary step to setting up a guidance program, files are being purchased for all schools and individual folders on each student are being built up.

All teachers in the Union attended an art workshop for three days in December, under the direction of Dr. Mildred Landis, director of art for the State Department of education of New Hampshire. The workshop has done much to stimulate interest and to develop latent abilities in art.

The previous spring, an afternoon and evening workshop in physical education was held in Pittsfield for all of the teachers of the Union. These sessions were under the direction of Miss Grace Felker, supervisor of health and physical education for the State Department.

Modern devices of instruction, such as moving-picture machines, radios, and victrolas are available in all of our schools. Two school districts have tape recorders and one school has radio reception in every room.

Forty-six percent of the teachers in the Union took extension courses either last summer or during the previous term.

Through teacher visitation, bulletins, and meetings, your teachers are being encouraged to constantly improve their instruction. To further encourage this growth, a professional library has been established for their use.

RECOMMENDATION

This is a crucial year in education. Both the state and national legislative bodies are in session, both have many bills before them which can benefit our children. As interested citizens, it is our duty to study the many problems and to make known to our duly elected representatives our opinions on these various issues.

Your continued interest and support of the schools is essential to their success.

2 The Local Situation

Four new teachers have taken their places in your school this year. Two are replacements for teachers who left. One assumes the duties of Miss Thompson who retired in June, after twenty-eight years of service. The fourth is an additional teacher to take care of the added enrollment and the physical education program.

The first and second grades are located in their own buildings and the former lower grade room provides additional space for the Junior High School classes. Indoor physical education activities are being conducted in the old manual training room. Your building, again this year, is being maintained in an efficient manner by your custodian, Mr. Stevens.

To the School Board, parents, interested citizens, the headmaster, teachers and other employees, I should like to express satisfaction with the progress which has been made as a result of your cooperative spirit.

PART II. INSTRUCTION

(a) Teachers

As of February 1, 1949

Teacher	Position	Enrollment

AUDITORS' CERTIFICATE

This is to certify that we have examined the books and other financial records of the school board of Alton, of which this is a true summary for the fiscal year ending June 30, 1948, and find them correctly cast and properly vouched.

ROBERT D. SEDERQUIST,

RAYMOND C. DUNCAN,

August 20, 1948.

Auditors.

(c) District Revenue for the School Year, 1948-49

Support of schools:

School board budget of necessary
expenses of instruction,
operation and special
activities

(High)	\$13,425.00
(Elm.)	23,435.00

	\$36,860.00
--	-------------

Other statutory requirements:

Salary of district officers	\$232.00
-----------------------------	----------

Trauant officer and school census	35.00
-----------------------------------	-------

Local share of superintendent's salary	600.00	
\$2 per capita tax for supervision	346.00	
Other obligations imposed by law or established by district	1,875.00	
		\$3,088.00
Special appropriations:		
New equipment	\$350.00	
		\$350.00
Total amount of school board's budget and special appropriation made by district		\$40,298.00
Deduction for estimated income of district from sources other than current taxation:		
State aid December, 1948, allotment	\$2,034.45	
Dog tax (estimate)	200.00	
Elementary and high school tuition receipts (estimate)	1,200.00	
		\$3,434.45
Amount to be raised by taxation for budget and appropriations		\$36,863.55

CERTIFICATES

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Alton school district held March 13, 1948.

LOIS I. ALDEN,

July 29, 1948.

Clerk of the School District.

To the State Board of Education:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1948-49, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board in accordance with N. H. Revised Laws Chapter 139, Section 19.

LEON T. DODGE,

July 29, 1948.

Chairman of the School Board.

(d) School Board's Estimate for 1949-50

School board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1949.

DETAILED STATEMENT OF EXPENDITURES

	High School	Elem. School
Support of schools:		
Salaries of teachers and principals	\$11,000.00	\$12,000.00
Books and other instructional aids	300.00	400.00
Scholars' supplies	300.00	500.00
Other instructional expenses	300.00	200.00
Salaries of janitors	800.00	1,100.00
Fuel or heat	500.00	1,000.00
Water, light, supplies and expenses	150.00	300.00
Repairs and replacements	400.00	1,000.00
Health supervision	300.00	600.00
Transportation	350.00	7,650.00
Special activities and special funds	500.00	450.00
	<hr/> \$15,000.00	<hr/> \$25,200.00
		\$40,200.00
Other statutory requirements:		
Salaries of district officers		\$309.00
Superintendent's salary (local source)		650.00
Tax for state-wide supervision		398.00
Salaries of other administrative personnel		450.00
Supplies and expenses		400.00
Insurance, treasurer's bonds and expenses		325.00
Retirement		1,380.00
		<hr/> \$3,912.00
Total amount required to meet school board's budget		\$44,112.00

ESTIMATED INCOME OF DISTRICT

State aid for year	\$2,034.45
Elementary and high school tuition	1,500.00
Deduct total estimated income	\$3,534.45
Assessment required to balance school board's budget	\$40,577.55
Special appropriation proposed (article in warrant)	
New equipment	\$350.00
Total assessment required to cover budget and appropriation	\$40,927.55

PART IV. CHILD ACCOUNTING AND STATISTICS

(a) Statistics for the Year Ending June 30, 1947

	High	Elem.	Total
Number of pupils registered	56	154	210
Average number of half-days schools were in session	347	347	347
Average membership	51.98	141.62	193.60
Average attendance	49.34	133.90	183.24
Aggregate half-days attendance	17121	46466	63587
Per cent of attendance	94.92	94.54	
Pupils not absent nor tardy	1	4	5
Cases of tardinesses	31	56	87
Average number of tardinesses per pupil	.104	.224	.328
Non-resident pupils	12	4	16
Pupils transported at at district expense	20	73	93
Visits by superintendent	128	23	151
Average visits by superin- tendent per teacher			16.77
Visits by citizens	518	129	647

(b) Census, September 30, 1948

Ages (as of Sept. 1, 1948)	No. of Children		No. Children Attending Public School	No. Children Attending Private & Parochial Sch.
	Total	Boys	Girls	
Less than 1 yr.	10	4	6	
1	15	7	8

14	17	7	10	17
15	19	7	12	19
Totals	220	109	111	169

PART V. AUXILIARY ACTIVITIES and SPECIAL REPORTS**(a) Report of the Headmaster**

The Alton school opened for regular sessions on Wednesday, September 8, 1948, at 8:30 a. m.

Current enrollment figures are as follows:

Elementary grades	101
Junior high school	41
High school	60

Total	202
-------	-----

Tuition pupils include:

From Barnstead	7
From Gilmanton	10
From New Durham	12

On June 10, 1948, four pupils were graduated and one special certificate was awarded. Present locations of these pupils are as follows:

Advanced education	2
Working	2
United States army	1

The departmentalization of the secondary program of studies has proven to be an educationally efficient way in which to organize grades 7-12. This system affords the benefits of different teachers, each with specialized training in his own field, to all of the pupils in the formerly segregated grades 7-8, as well as to those in the high school.

Because of the addition of the primary annex, we have been able to afford ample room to the beginners in grades 1-2, and have finally found the opportunity to split the large junior high school into two separate grades and rooms.

Dr. Arthur Appleyard, school physician, and Miss Ruth Langille, school nurse, have continued their weekly program of medical supervision and because of this periodic checking, have discovered several individual illnesses which could have caused serious trouble for the pupils involved if not attended to immediately.

The continued emphasis on modern teacher training led several of the staff to take courses at the University of New Hampshire during the summer months and others are planning to continue their training in the

future. A three-day workshop in Pittsfield contributed to the appreciation of art as another educational medium.

Because of the increase in interest in the commercial sciences, it is hoped that a full business course will be established in the school soon.

The physical education course, under Mr. Jones, a graduate of the Springfield College of Physical Education, has become very popular with the students, who for the first time are receiving expert training in scientific calisthenics, as well as in body-building games and activities.

The hot lunch program began on January 4, 1949, and extends until the April vacation. Because of the high cost of food, it was necessary to raise the price per meal to twenty cents. No child, however, who cannot afford this charge is prevented from enjoying his daily hot lunch. All lunches are of the federally supervised class designated "Type A with milk". We have been serving about 100 lunches daily and because of the crowded conditions and extra work, we have been permitted by the school board to retain Mrs. Lois Leighton as cook. Mrs. Eleanor Hayes has again shown commendable skill and efficiency in the organization and supervision of this project.

Although our building is an old one and conditions at times become complicated in the utilization of space, it is to be noted that the entire plant is in a remarkably clean and sanitary condition due in large part to the daily efforts of Mr. Ralph Stevens, our custodian.

The student council has again proved itself, and has activated many inter-scholastic sports, as well as other activities. To date, besides the extremely successful winter carnival, the activity high-light of the year was the winning of the Central New Hampshire cheer-leading trophy by the lively and talented team from Alton High. This victory was especially appreciated since our school had by far the smallest enrollment of all of the competing institutions. Another notable achievement was the selection of an Alton High girl to represent the state of New Hampshire at the Washington, D. C., conclave of Girls' Nation last summer.

I would like to express my appreciation for the splendid cooperation of teachers, school officials, parents, and pupils who have aided immeasurably in the maintenance of the educational policy which we practice in the Alton school—a policy which represents the stability of the past and is quite aware of the needs of the future.

Respectfully submitted,

GEORGE N. HURLEY,

Headmaster.

(b) Report of School Health Work

To the Townspeople, School Board, and Superintendent of Schools:

Alton has been very fortunate in having had very little epidemic sickness during the past year to use much time in the necessary follow-up. What few cases there were happened to be very well isolated, which prevented general spread of sickness.

Dr. Appleyard, the school physician, gave each pupil a careful examination early in the school year, followed up by a check-up later with pupils stripped, looking for possible orthopedic defects, particularly those of feet or posture. All pupils found to have these defects were referred to orthopedic clinics at Wolfeboro or recommended to have special exercises.

The most common defect found among Alton pupils was that of dental decay. Only seven pupils were observed to have had dental work completed during the year. We have great need for dental work and this need should be one of the most pressing to be considered. It should be noted that dental corrections now include painting the teeth with a solution of sodium floride, which prevents about 40% of the cavities from forming, and getting this florine treatment as early as possible. To be most effective, this should be done for the very young child as soon as the baby teeth are in. Four paintings, one week apart, are done at intervals in the child's growth. It is interesting to note that all the dentists are complaining that the increased use of "bubble gum" is partially undoing the beneficial work of the florine treatments and is definitely increasing the rate of decay where no florine has been used.

At the suggestion of Dr. Appleyard, an attempt was made to get corrections on some long standing vision defects noted in school examinations. He was able to get the cooperation of the American Legion to start the ball rolling. In most cases, parents cooperated so that nineteen pairs of glasses were gotten, which, with the twenty-one pairs already worn, largely took care of the vision needs.

The doctor also wished to do Schick tests on a sample of the pupils to determine the actual efficiency of our previous toxoid program. He tested the first and sixth grades and found them all to be Schick negative and, therefore, well protected against a possible diphtheria epidemic with the state's regular toxoid program.

A pre-school summer round-up, in cooperation with the State Board of Health, was done and all known children who were due to enter school in September appeared for enrollment, examination and recommendation.

One pupil was found in routine examination to require emergency treatment and surgery to prevent serious complications. Once again the American Legion Child Welfare Committee rallied to our support so that the pupil received all necessary treatment at Wolfboro and, finally, surgery in a Boston hospital, as recommended by the Lahey Clinic. A complete recovery is predicted, thanks to the generosity of the Legion.

Noon lunches are being carried on by the home economics department as usual this year. These hot meals in the middle of the day are very beneficial to the pupils during the winter months and, especially, shows its benefits in lowered sickness and lack of colds.

As a whole, Alton pupils are in good health and condition. If a dental program could be started, the health conditions of the pupils would be most outstanding.

Following will be found a statistical report of the school health work:

Visits to schools	225
Visits to homes	222
Total visits	447
Days spent	44.2
Days due	38
Hours spent	369.09
Travel time	80.43
Miles driven	30.33—cost @ .056—\$169.85
Examined	203
Defects found	138—.6 per pupil
Defects corrected	42—30% of defects
Without defect	102—50% of pupils

Defects Corrections

Nutritious	4	4
Vision	22	19—Glasses already worn, 21
Cardiac	2	2 (under treatment)
Teeth	57	7
Tonsils	42	8
Adenoids	8	8
Speech	3	

Protection against communicable disease:

Small pox vaccination	202
Unsuccessful vaccination	1

Total	203—100%
Diphtheria immunization	137—67%
Work with pupils:	
Vision tests	248
Hearing tests	211
Weighed	449
Measured	449
Class room inspections	1912
Individual inspections	210

PART VI. SCHOOL CALENDAR FOR 1949-50

1949

September 1—Principals' meeting.

September 2—Registration of new pupils.

September 6—Teachers' meeting.

September 7—School opens.

October 12—School closed—Columbus day.

November 11—School closed—Armistice day.

November 23—School closes at 1 p. m.—Thanksgiving recess.

November 28—School reopens.

December 21—School closes at 1 p. m.—Christmas vacation.

1950

January 2—School reopens.

February 17—School closes at 3 p. m.—midwinter vacation.

February 27—School reopens.

April 14—School closes at 3 p. m.—spring vacation.

April 24—School reopens.

May 30—School closed—Decoration day.

June 16—School closes for summer vacation.

(Days lost on account of bad weather will be made up beginning June 19 if necessary to complete 180 days of school.)

(Teachers may attend state teachers' conventions two days, appropriate county institutes and workshops totaling five days. These days are counted as part of the 180 days of school required by law.)

Month	No. of School Days
September	18
October	20
November	19
December	15
January	22
February	15
March	23
April	15
May	22
June	12
Total	181

(Easter Sunday is on April 9, 1950.)

PART VII. DEFINITION OF OFFICIAL BALLOT

The official ballot of the 1949 school district meeting shall be white paper 1½ by 4 inches in size.

**PART VIII. WARRANT FOR SCHOOL DISTRICT MEETING
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the school district in the town of Alton, N. H., qualified to vote in district affairs:
You are hereby notified to meet at the town hall, in said district on the twelfth day of March, 1949, at 1.30 p. m. o'clock in the afternoon to act upon the following subjects:

- Article 1. To choose a moderator for the coming year.
- Article 2. To choose a clerk for the ensuing year.
- Article 3. To choose a member of the school board for the ensuing three years.
- Article 4. To choose a treasurer for the ensuing year.
- Article 5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers, or agents, of the district.
- Article 6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.

Article 7. To choose agents auditors and committees in relation to any subject embraced in this warrant.

Article 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 9. To see if the district will vote to raise and appropriate the sum of three hundred and fifty dollars (\$350) for the purchase of new equipment.

Article 10. To transact any other business that may legally come before said meeting.

Given under our hand at said Alton, N. H., this twentieth day of February, 1949.

LEON T. DODGE,
OLIVER R. SHATTUCK,
EMILY K. BARNES,
