Burning Regulations

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Auburn Volunteer Fire Department for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 am and after 5:00 pm. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storm

A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 pm and 8:00 am or at any time in such manner as to impede snow removal operations.

B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.

AUBURN, NEW HAMPSHIRE 03032

TEL. 483-5052

The year 1993 was a good one for the town of Auburn. We have tried to accomplish in the past twelve months precisely what we believe all levels of government should strive for; the delivery of services as efficiently and inexpensively as possible. Your paid, unpaid, and elected employees have done their job well.

The tax rate went down, as prognosticated by Frank Edelman at last year's town meeting. This was accomplished by diligent work and masterful control of expenditures. A point of information you might also find interesting is: the Meal and Lodging Tax distribution was amended by a bill proposed by our senator, John King, and voted on by our representative, C. Donald Stritch; dropped an unexpected \$50,000 into the coffer. Some departments have turned back funds in their efforts to be as frugal as possible with your tax dollars. If it was not a necessity, it was not spent. This all occurred even though we held over extra funds to cover the "no-pays" on taxes.

The past year is proof of accelerated activity. The old salt barn was demolished. It's always sad to lose a landmark, but safety must be our first consideration. The interest in cable TV caused by the Federal Act in July of 1993 forced us to create a committee to monitor and advise us. The Local Emergency Planning Committee has entered a "doing" stage from an intense organizational stage. The Highway Safety Committee has developed a take charge interest. The Library Building Committee has introduced a major project into our town. These are all volunteers who work hard to do the things that must be done, and make our town a better place in which to live.

In 1994 we have new projects ahead of us. The Federal Government has mandated, in the form of the Americans with Disabilities Act, that all public buildings be made handicapped accessible. Our 150 year old Town Hall must be brought up to acceptable standards by installing a lift and updating the washroom facilities. It is important to us that all residents have equal access to their public buildings. Additionally, there will be the usual road improvement projects.

In the past year we, as a town, got the job done, held taxes, gave pay raises, improved the benefit package for the employees, and did not reduce services but in fact expanded them through volunteers. We have a right to point to our town with pride and we should be thankful that we live amongst so many good neighbors. We have municipal pride and we have worked hard to deserve it. It is your town, take a bow.

ARTICLE FOUR: Are you in favor of Warrant Article No. 4 as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend the Zoning Map to rezone the parcel of land beginning at the intersection of Raymond Road and Chester Road; proceeding along Chester Road, southeasterly to Bunker Hill Road to a point which is the easterly boundary of Map 7, Lot 12; along the eastern most boundary of said lot, and Map 7, Lot 10 and Map 7, Lot 4 to a point on the south side of Eaton Hill Road; then westerly along Eaton Hill Road to the intersection of Raymond Road; then along Raymond Road to the point of the beginning; changing the current Zoning from a Commercial 2 and Residential 2 District to a Commercial 2 Zone in its entirety. (Recommended by the Planning Board)

YES 307 NO 159

ARTICLE FIVE: Are you in favor of the adoption of Warrant Article No. 5 as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 2, Definitions, Section 2.02 Words and Terms to include a definition of Accessory Dwelling Unit. **ACCESSORY DWELLING UNIT:** One (1) or more rooms attached to a dwelling unit which provide living facilities for a use which is secondary and subordinate to and customarily incidental to the use of a single family detached dwelling. An accessory dwelling unit shall have no more than one (1) bedroom, shall not exceed five hundred (500) square feet in total floor area and shall be attached to a single family detached dwelling. An accessory dwelling unit must have permanent provisions for living and sleeping and may have sanitary and cooking provisions as well as separate electrical and heating systems. An accessory dwelling unit must be accessible from the single family detached dwelling and may have separate exterior exits. The unit shall have a fire wall separating it from the detached dwelling and shall have interconnection smoke and/or fire alarms with exterior audio visual effects. The septic system shall be shown to meet the loading requirements of the detached dwelling unit plus the accessory dwelling unit. An accessory dwelling unit shall meet all zoning setbacks and all applicable building codes. An accessory dwelling unit is meant to include such uses as housing for immediate family members, live-in nurses, nannies, or caretakers and is not intended to be a rental unit.

Amend Article 4, District Regulations and Appendix A Zoning Matrix of Uses and Districts to allow an accessory dwelling unit as a permitted use in the "R" (Rural), "R1" (Residential-1), "R2" (Residential-2), and "C2" (Commercial-2) Zoning Districts. Report of the Trustees Griffin Free Public Library

Circulation: Adult 1,879, Juvenile 4,567, Misc. Other 478

Library Hours: Tuesday & Friday 10:00 to 5:00, Wednesday and Thursday 12:30 to 8:00.

The library has seen significant changes over the last year. Our new Librarian, Edie Cummings deserves a lot of the credit. Her warm, friendly attitude has made the library a nice place to visit and stay a while. As a result, more of our residents have discovered the treasures it contains and our circulation has quadrupled. Changes in the library itself have also made an impact. A great beginning was the addition of a new, clean, energy-efficient heating system. It's warm! We had it cleaned from top to bottom and evicted bats and their odiferous leavings from our belfry. When the generosity of our citizens overwhelmed our shelfspace with donated books, we purchased new shelving which makes better use of the 450 square feet available for library use. Edie then began the formidable task of putting the library in order to make them readily accessible. It soon became clear that our lighting was inadequate so we improved again. In the process we added a ceiling fan to help circulate the air. For the welfare of our librarian and the occasional patron, we contracted for portable sanitary facilities and added a bubbler. No indoor plumbing is still inconvenient, but included in the plans for a new building are provisions to correct that problem. Other new furniture includes a larger work table, a donated desk and expanded carpeted area. Added services include continued access to the Inter-Library Loan system ensuring that our residents have access to books not in our library; enhanced subscription to a book leasing service which means that the newest books are available to our patrons. We have passes to the Christa McAuliffe Planetarium (thanks to the Friends of the Library) and the Currier Museum. Programs for children include continuing children's story hour as well as other reading programs. Other services include free tax return preparation assistance through the IRS VITA program and periodic activities sponsored by the New Hampshire Humanities Council.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment meets on demand at the Town Hall the third Tuesday of each month. Requests for a hearing are made to the Zoning Officer. During 1993 the Board held four hearings, two for Variances and two for recognition of a non-conforming lot. The hearings are open to the public, and are posted and advertised in the Union Leader. Minutes of the hearings are posted at the Town Hall for public review.

I wish to express my appreciation to the Board members for the time and effort expended in the Town's benefit.

Auburn School District State of New Hampshire School Warrant for Election of Officers

To the inhabitants of the School District, in the Town of Auburn, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Auburn Village School in said District, on the eighth day of March, 1994, at seven o'clock in the morning, to act upon the following subject:

1. To choose a member of the School Board for the ensuing three years.

The polls will remain open from seven o'clock in the forenoon until seven o'clock in the afternoon and as much longer thereafter as the voters of the School District, at the beginning of the meeting, may vote.

Given under our hands and seal at said Auburn, New Hampshire, this 12th day of January, 1994.

School Board of Auburn, New Hampshire

Mitchell P. Henley, Chairman

David Canedy

Kenneth Rhodes

(1) To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.

(2) To see if the District will vote pursuant to RSA 195:18 to establish a Cooperative School District Planning Committee of three (3) qualified voters, of whom at least one shall be a member of the school board, and to direct the Moderator to appoint the three (3) members to serve on that Committee, or to take any other action related hereto. (Majority vote required.)

(3) To see if the District will vote to raise and appropriate the sum of thirty-three thousand five hundred dollars (\$33,500) for the purpose of paying for engineering, architectural and associated costs related to studies of potential sites for a new school facility. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the intended purpose of this article is met or in two years, whichever is less. The school board recommends this appropriation. Approved by the Budget Committee. (Majority vote required.)

(4) To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for School District officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District. (Majority vote required.)

(5) To transact any other business that may legally come before this meeting.

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 11th day of March 1994, at seven o'clock in the evening, to act upon the following subjects:

Auburn School District Meeting

March 12, 1993

The Auburn School District Meeting was called to order at 8 PM on March 12, 1993 by Alex Komaridis, Moderator.

Article 1: To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.

Kenneth Rhodes moved Article 1 as printed in the Warrant. Second by David Canedy.

David Canedy expressed thanks to Herbert Tardiff for his service on the School Board and to the many volunteers that had served throughout the past year. Mr. Canedy also reported on the condition of the school and many events that have taken place over the past year.

A vote on Article 1 was not taken due to no discussion on that Article.

Article 2: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Auburn School Board and the Auburn Education Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Amount</u>
1993-94	\$ 5,469
1994-95	\$ 27,387

and further, to raise and appropriate the sum of \$5,469 for the 1993-94 fiscal year, such sum representing the additional costs attributed to the increase in salaries and benefits over those paid in the prior fiscal year.

Mitchell Henley moved that article 2 be adopted as written. Second by David Canedy. Vote was taken and Article 2 was passed.

Article 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for School District Officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

Chairman of the Budget Committee, James Headd, made motion to accept the budget figure of \$4,228,975.00 Second by William Wood. There was no discussion on Article 3. Vote was taken and Article 3 passed.

Bruce Phillips motioned to adjourn. Second by Paul Sanford. A vote was taken and the meeting adjourned at 8:20 PM.

Respectfully submitted,

Principal's Report

Graduation exercises were held on June 22, 1993, with 51 students receiving diplomas. The guest speaker was Laura Milne. Honor speakers were Heather Moher, Monica Clement, and Bobbi Kofler. Department Awards went to Bobbi Kofler, Social Studies, Monica Clement, Science, Heather Moher, English and Mathematics. The Honor Student Award was presented to Heather Moher. The PTA Most Improved was presented to Angela Borun, and the Millie Preston Service Award was presented to Carrie Lopes. The Auburn School Board Citizen Award was given to Monica Clement. The American Legion School Medal Awards were presented to Samantha Belanger and Stephen Tamagna. The Auburn Education Association Teacher Appreciation Award was given to Lindsay Dutton and Matthew Stearns.

The Millie Preston Scholarship Award was presented to John McCarthy who will be attending the University of New Hampshire. Two Marion Heald Memorial Scholarship Awards were presented. The first award was presented to Kim Derepentigny and the second award was given to Jason Lacombe.

A new mathematics curriculum has been adopted and will be implemented during the 1993-94 school year. This new curriculum will attempt to meet the Curriculum and Evaluation Standards for School Mathematics issued by the National Council of Teachers of Mathematics (NCTM). The Standards specify that the mathematics curriculum should emphasize problem solving, communicating about mathematics, and making connections between math topics. It advises the students have hands-on experiences; use manipulatives, calculators, and computers; and working cooperative groups. It also broadens the traditional scope of mathematics topics studied to include more statistics and probability.

We continue to implement our technology plan in appropriate steps to insure that Auburn students have access to appropriate technology that will help give access to the tools of the future.

The card catalog has been computerized completing our goal to computerize the management system in the library.

We have connected five additional computers to the network and added two CD ROM units that give students access to Comptons Multi-media Encyclopedia, the World atlas and the U.S. Atlas for research. We are also ready to interface with the area High School

libraries when the time comes and other outside resources that will be available to us.

A satellite dish and receiver was purchased through a grant that will provide us with another tool to broadened the educational opportunities for Auburn students. I hope to use this tool to bring foreign language instruction to the students in the upper grade levels.

I appreciate and am thankful for the many outstanding contributions that the PTA makes to our school. I encourage all parents and teachers to become an active member. Special recognition goes to PTA Officers and committee members for the leadership they have provided to make events they sponsor so successful.

I also want to extend my appreciation to the Auburn School Board, members of the community, the school staff, and the school volunteers for their efforts and support during the year.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District as of and for the year ended June 30, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District as of June 30, 1993, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Superintendent's Report 1992 - 1993

Mission Statement of the Auburn School District

To inspire all of our students and to develop the potential of each student to be a responsible, knowledgeable, thinking human being by providing a dynamic environment devoted to excellence, the joy of learning, and the worth of the individual.

We believe :

Public education has value.

Education is the responsibility of the entire community.

Each individual has value.

Each individual needs to feel self-worth.

We need to respect and be responsive to individuality.

Individuals with differing backgrounds and talents need to learn to work together.

Each individual needs to develop responsibility for self and community.

High expectations for each individual are necessary for effective schools.

A responsible and knowledgeable citizenry is the basis for our democratic society.

There are joys and rewards in learning.

Learning is a continuous process.

Knowledge, without wisdom, has little value.

I am pleased to have this opportunity to introduce myself to the citizens of Auburn as your new Superintendent. Rather than use this report to look back over the accomplishments of the past year, I would like to look ahead to the long-range planning initiatives we will be undertaking shortly.

I hope you will take a few minutes to consider the ideas contained in our district's Mission Statement. As we stand at the threshold of the 21st century, we have an obligation to see to it that we are preparing our youngsters to flourish in a rapidly changing world. Our young people must acquire and master new skills and competencies if they, as individuals and we, as a society are to continue to be competitive and successful.

If you were to compare the competencies that were considered essential for our students twenty years ago with the competencies needed today, you would see a startling change. Essential skills today include the ability to function as part of a team, the ability to not only acquire information, but interpret, evaluate, and apply it, and the ability to think about information in new ways. In short, our students must be self-directed learners, collaborative workers, complex thinkers, community contributors, and quality producers.

The Auburn School District's Mission Statement was drafted to serve as a focus for our work with children. To insure success, our mission statement must come to life. The first step in meeting this challenge is to agree

as a school community on what we want to be, on what we expect, and to clearly articulate both. It is crucial that we collaborate with business, educational leaders, social agencies, parents, and community members in forming partnerships for the benefit of all of our learners. It is a task that involves everyone. By focusing our time, energy and resources on the fulfillment of our Mission Statement, we will be preparing our learners to be our next generation of successful citizens.

As we begin the process of operationalizing the Auburn School's Mission Statement, it is my hope that this project will be viewed as one of the most inclusive and important tasks that any of us will undertake. We will not be "tinkering around the edges." Rather, we will be undertaking a process of systemic change that will ultimately drive every initiative, curriculum, and activity in our district. As a community it is essential that we all have the opportunity to contribute our ideas and talents to the improvement of our educational system. I look forward to working with you in the months ahead on this most important project.

Respectfully submitted,

Paul A. Fillion, Ed.D.
Superintendent of Schools

School Board Chairman's Report

I realize that traditionally, this report is used to reflect on the the past year, but I am finding it difficult to separate where one year ends and the next one starts. When I look at both our school and our students, it is easy to notice a number of differences from one year to the next. It is a simple task to discuss books and software purchased, carpeting replaced, or that we have a greater representation on high school honor rolls. What is more difficult is seeing a broader overall picture, contrasting our past, present, and hoped-for future conditions. This picture needs to be seen through eyes that are realistic as well as, philosophic.

Philosophically we are taught that public education is free and realistically we know that nothing is free. In 1779, Thomas Jefferson introduced to the Virginia Legislature his "Bill for the More General Diffusion of Knowledge." This legislation expressed Jefferson's philosophy that the primary purpose of education was to create a responsible and informed democratic society. The knowledge and understanding necessary to exercise the responsibilities of citizenship were to be made available to all, at a common expense to all. While public education is hardly free, we must look at it as the single most important long-term investment our community will make. It represents our insurance that our next generation of students will grow to become productive citizens and contributing members of our community. Through our work with Auburn's youngsters today, we are building the communities of the future. We must also realize that like any other investment, we must be patient in assessing our return.

As the education of a child is a process to be measured over time, so is the process of providing a safe, healthy, and educationally efficient school building. A number of initiatives have been undertaken to provide the children of Auburn with a clean, healthy, and up-to-date learning environment. The installation of air exchangers, removal of several areas of vapor barrier, replacement of deteriorating carpet, and replacement of classroom fixtures all served to improve the overall air and health quality within the Auburn Village School. By increasing the computer and media networking capabilities of our school, we have broadened the range of educational opportunities and technology available to our students. While on the surface these items may appear to be little more than routine maintenance items, they all contribute to our long-term goal of providing the best educational facility that we can.

The School Board and administration view the programs and practices in our school to be "works in progress". We strive to look not only at how things are operating today, but how we would like them to function tomorrow. Two years ago, a new discipline program was created and implemented at Village School. Ever mindful of the changing needs of our students, families, and teachers we have convened a new group to analyze how things are working and to see if there may be new areas we need to address. We see this as part of the evolutionary nature of our school, and indicative of it's desire and willingness to constantly seek better ways of doing things. This is also reflected in our Technology program. The acquisition of networking capability, hardware, software, distance learning facilities, and teacher training continue to be priorities for our school in better preparing our students for the future. Even as computer hardware continues to change and improve, so will our efforts to provide our students with the most appropriate and useful educational technology.

In order to bring the whole picture of our educational efforts into sharper focus, we will be undertaking the process of developing a long range plan for the Auburn School District. We hope to embark on a process designed to involve parents, educators, and community members in determining our future course. It is our sincere hope that as we begin this process, you will make a commitment to join us in evaluating where we as an educational community are, and where we hope to go. As Jefferson reminded us so eloquently so many years ago, educating our young requires everyone's efforts if we are to achieve the community of responsible citizens we all hope for.

My fellow members of the Auburn School Board and I would like to express our gratitude to you for your generous personal and financial support of our school. The tradition of educational excellence that is carried on at the Auburn Village School is reflective of a caring community that has consistently shown the high value it places on educating its young. On behalf of the students, parents, staff at Auburn Village, and the School Board, I thank you.

Respectfully submitted,

Mitch Henley

The Auburn Planning Board

The voters of Auburn approved all of the 1993 Warrant Articles proposed by the Auburn Planning Board. The article amendments pertained to changes in the Zoning Ordinances. The 1994 ballot will be void of any proposed changes as the Planning Board has worked diligently throughout the years, maintaining a constant review and update of these critical regulations.

The Planning Board garnered their share of newspaper headlines while considering the following cases. Mr. Arthur McConnachie appeared before the Board proposing to construct and operate a commercial pig farm off Silver Hill Road. The Planning Board has met on numerous occasions with the applicant and has met in a worksession with an agent of the U.S. Soils Conservation Commission/Rockingham County. The Planning Board also met with town engineers, disgruntled residents and the developers of the residential subdivision known as Heatherwoods. Site walks and worksessions were held to resolve drainage problems in this northerly located development.

The New Hampshire Audubon Society met with the Board, area residents and representatives of the Manchester Water Works to discuss the construction and operation of an educational facility off Deerneck Lane. Chip Krause of CMK Architects met with the Planning Board to discuss proposals in the expansion of the Griffin Library.

Finally, the Planning Board accepted with regrets the resignations of two members, Donna Quinn and Deborah Anderson and welcomed Board of Selectmen Representative, Charles Kellett as well as new alternate members Robert Raymond, Linda Flight and Marc Bellerose.

Report of the Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help the dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of your appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local or site-specific projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of your Planning Board, Conservation Commission, Board of Selectmen, and various municipal department heads. The Commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps your officials apprised of changes in planning and land use regulation, and offers training workshops for Planning and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Co-sponsored the Municipal Law Lecture meetings. These meetings were attended by Auburn officials.
2. Conducted a six-hour training workshop for the planning board members. The Auburn Planning and Zoning boards were invited to that workshop.
3. Local assistance was provided in an attempt to find the proper definition of "normal agricultural operation."
4. Conducted traffic counts on several locations in the Town of Auburn.
5. Prepared town wetland maps. The source data for these maps were processed by NH GRANIT from USGS, Landsat thematic coverages and Soil Conservation Service data. The Commission printed the maps and forwarded copies to the town.
6. Provided a set of maps issued in 1986 when the Federal Emergency Management Administration converted Auburn from the emergency to the regular program.
7. Provided a draft copy of the "Capital Improvement Program Handbook" for its use by the Planning Board.

Auburn's Representatives to the Commission are:

C. Stoney Worster
Vacant

Executive Committee Member: C. Stoney Worster

Building Inspector Report 1993

Having been appointed Building Inspector/Zoning Administrator in March 1993, the year has proved interesting, exciting and educational for me in my first ten months of service to you, the citizens of Auburn. It has been a very active year. A total of one hundred-forty six (146) permits were issued. Thirty-one (31) new single family homes were constructed. One (1) fire-destroyed home was rebuilt.

Total revenue generated this year amounted to Fifteen Thousand Three Hundred Forty-Five Dollars and Ninety-Nine Cents. (\$15,345.99).

Health Officer's Report for 1993

This report reflects the town of Auburn Health Officer's activities that have been performed during the year. Eight septic system investigations were initiated as well as four property environmental assessments. The annual inspection of the Auburn School was performed. Your Health Officer also assisted the State Inspector with one restaurant inspection, and numerous follow-up visits.

As of December 13, 1993 the Board of Selectmen has nominated Leo P. Blais as interim Health Officer for the town of Auburn, replacing Bernard "Bernie" Lee who resigned.

The Health Officer may be contacted through the Selectmen's Office at the Town Hall.

Visiting Nurse Association of Manchester & Southern New Hampshire, Inc. and affiliates

The Visiting Nurse Association has been providing the residents of Auburn with a full range of home health services since 1965. The VNA Board of Trustees and staff take this opportunity to reaffirm our commitment to excellence in health care, and to the provision of services designed to ensure that being cared for at home is safe, comfortable, convenient, and cost-effective.

The formal affiliation established in November 1992 between the Visiting Nurse Association of Manchester & Southern New Hampshire, Inc. and Fidelity Health Alliance has strengthened the overall relationship between members involved in this agreement. It has also enabled the various entities to work more cohesively towards our end goal of providing continuity and excellence of care of all of our clients.

In June 1993, employees, members of the Board of Trustees, volunteers, and local vendors pooled resources to organize our first Hospice Wine Tasting fundraiser. The outdoor garden festivities were held at the Bedford home of Dr. & Mrs. David Charlesworth where guests were introduced or reacquainted with the VNA Hospice Program which provides warm, supportive care to terminally ill individuals and their families in the comfort of their own home.

Several open houses held in October marked completion of the construction/renovation of the VNA Child Care Center, 435 South Main Street, Manchester. With the new 7,500 square foot addition, the Center is licensed to serve 229 children, ages six weeks to 13 years. On behalf of the Board of Trustees, staff, and families we serve, we would like to thank all of the individuals and businesses who made our dream of meeting the overwhelming need for affordable, high quality child care a reality.

Home care and community health services are provided through the following VNA affiliates:

VNA Home Health & Hospice Services, Inc. is Medicare and Medicaid certified, providing intravenous and enteral therapies; skilled nursing care; physical, occupational and speech/language therapies; nutritional counseling and medical social services; certified home health aides; hospice care for the terminally ill; long-term care for the elderly and handicapped; and volunteers. A medical loan supply closet is also available for those patients under our care.

VNA Personal Services, Inc. provides private duty nurses, certified home health aides, homemakers, companions, personal care assistants, and child care in the home.

VNA Community Services, Inc. provides free monthly Immunization Clinics for all age groups as well as Free Blood Pressure screenings. Watch your local newspaper for dates and locations. Foot Care Clinics are held monthly at our 1850 Elm Street office by appointment and Blood Pressure Checks are held weekdays from 1:30-4:00 p.m. Occupational Health programs are conducted on site for business and industry. Parent-Child Health Services include the Teenage Pregnancy Program, Parent-Baby (ad)Venture Program for children at risk of abuse and neglect, and the Child Care Connection for child care providers.

VNA Child Care Center provides a full range of state-licensed child care and early education programs tailored to meet each child's needs. Programs include Infant/Toddler (ages 6 weeks to 36 months); Preschool (ages 3-5); and Kindergarten (age 5). The Center also provides before and after school programs for children grades 1 through 6 with special full day programs during holidays or school closings. As needed, the VNA also offers families a continuum of coordinated health and social services, both directly from the VNA and through working arrangements with other community resources.

Town appropriations, grants, United Way allocations, and donations are a vital part of the funds that help to defray the cost of unpaid services. Representative of the town of Auburn serving on the VNA Board of Trustees is Robert N. Lord, MD.

Sincerely,

Sarah C. Hubbard
President

Auburn Police Department

The year 1993, like previous years, has proved to be a busy and productive year for the Auburn Police Department. The first day of 1993, Auburn was the sight of the first fatality in the State with the death of a pedestrian on Route 101. In the spring and early summer this department made four arrests for burglary, four arrests for receiving stolen property and an arrest on three counts of felonious sexual assault. We arrested four for contributing to the delinquency of a minor, with eleven taken into protective custody. All this in an eight week period! The two major cases we had in Superior Court, second degree assault and negligent homicide, both pled guilty and will be serving jail time. This department also brought eleven felony cases to Rockingham Superior Court for indictment before the Grand Jury in 1993.

Our personnel has seen changes in 1993. Full time officer R. Paul Sanford resigned from the department. Michael McGillen and Jeffrey Harrington completed the ten week course for police officers at Police Standards and Training Council in Concord. Harrington completed this course on his own with no cost to the Town. Scott Tardiff completed the part-time school in April of 1993. Dan Goonan joined the department certified by Hillsboro County Sheriffs Department in September and Lloyd Doughty resigned to take a full-time position with the Manchester Police Department. In June, Marie Libby resigned with almost five years of service and was replaced with Dona Davis of Auburn. Our current roster is as follows:

Edward Picard, Chief	(FT)
Donald Eaton, Lieutenant	(PT)
David Flight, Patrolman	(FT)
Michael McGillen, Patrolman	(FT)
Gary Bartis, Patrolman	(FT)
Thomas Wickey, Patrolman	(PT)
Jeffrey Harrington, Patrolman	(PT)
Mitchell Henley, Patrolman	(PT)
Scott Tardiff, Patrolman	(PT)
Daniel Goonan, Patrolman	(PT)
Paula Page, Secretary	(FT)
Dona Davis, Bookkeeper	(FT)

The Auburn Police received two grants totaling \$2,427.14 and collected \$1,171.00 in insurance requests for 1993.

Unfortunately the year ended as tragically as it began with the death of a female juvenile in a horse drawn carriage accident.

In closing, we would like to thank you, the residents of Auburn, for your continued support. It is with your help that this department can continue to provide you with the courteous and professional department you expect and deserve.

Respectfully Submitted,

Edward Picard
Chief of Police

Report of the Highway Safety Committee

The Highway Safety Committee has undergone many changes and has been strengthened during the calendar year 1993. The Committee now meets regularly on the third Thursday of each month at 7:30 p.m. in the Town Hall, with David Flight, Chair. All meetings are open to the public. Auburn residents with concerns for road safety, street and road signs, and road hazards may appear before the Committee during any meeting or may make their concerns known in writing. The Committee has addressed and recommended to the Board of Selectmen concerns with regard to the use of one-way streets, parking, street and road signs, speed limitation signs, striping, barriers and guard rails, and blind driveway signs. Developers have been requested to erect proper street signs when the project is completed. The Committee made recommendations regarding the intersections Raymond Road and Eaton Hill Road, Rattlesnake Hill Road and Pingree Hill Road, and Eaton Hill Road and Coleman Road, and has addressed known road hazards. The State has mandated an enhanced 9-1-1 system to be in place by July 1995. One of the conditions is the elimination of same and confusing street names. The Committee has checked if each street in Auburn is named and is checking on those street names which are the same or similar. When this overview has been completed, a public hearing will be held (in 1994) to request input from the community for renaming these streets.

Location of street and road signs are in process to be put on computer. Road hazards have been categorized and are also in process to be put on computer. The Committee is looking forward to a successful and active year in 1994 with many improvements in road safety for the residents of Auburn.

Respectfully submitted,

David Flight
Chair

Report of the Auburn Volunteer Fire Department

There were 282 emergency calls for 1993.

7 structure fires	3 appliance fires
9 vehicle fires	10 illegal burns
10 chimney fires	2 hazardous material incidents
16 system malfunction	40 motor vehicle accidents
29 mutual aid given	92 in-house rescues
6 electrical problems	9 good intent - rescue
5 power lines down	4 water rescues
4 false alarms	5 public assists
12 good intent - fire	7 miscellaneous
12 brush fires	

This represents an increase of 99 calls over the 1992 totals.

All apparatus and equipment, buildings and grounds are maintained by fire department personnel. Smooth operation of departmental matters and policies are conducted by fire officers and active committees. All members are volunteers, dedicated, well trained and well qualified. As of December 6, 1993, department members have donated the following:

531.1	rescue hours
682.7	rescue training hours
1331.9	fire hours
420.5	fire training hours
100	community service hours
<u>503.7</u>	work detail hours
3569.9	volunteer hours

The above training consisted of a hazardous materials course, self-contained breathing apparatus search and rescue and an Educational Methodology class. Spring training included forcible entry, ventilation and forestry. Pump operation, ladder handling and fire streams were performed in the summer. A Commercial Driver License course was held in the fall with the month-long Career course and chimney fire suppression. Rescue classes and training included the blood borne pathogen class - mandated by the Department of Transportation, water rescue, ice rescue, vehicle extrication, defibrillation class, CPR lessons and the EMT refresher course. Controlled burns were held in town and many members attended training in neighboring towns, operation and awareness programs sponsored by Dupont in Manchester, classes at the National Fire Academy and Meadowood in Keene. During the year, members completed the Firefighter I course and practiced driving and operating the apparatus in Auburn.

Engine 3, the newest addition to the Fire Department, was in service officially and a class was held for the operation of the hose reel. A new rescue boat was purchased and kept at the Yacht Club during the season. A skid unit was installed on the Forestry truck.

Auburn residents generously responded to the annual May Letter and Olde Home Days. Proceeds from these fund-raisers purchased equipment like ice rescue throw bags, market and buoys, safety glasses, hearing protectors and helmet parts. A cellular phone was installed in Rescue 1 to keep the unit in touch with doctors and hospitals. Tools obtained include an air wrench and impact sockets. First aid supplies were replaced in some cases with safer disposable items. A computer battery back up was purchased for the dispatch computer. Haz-Mat containers for dealing with small spills were put on several of the emergency vehicles. Timers were put on the automatic overhead doors in an effort to preserve heat in the buildings. The members of the Fire

Department thank the citizens of Auburn for their continued financial and moral support and confidence in the members.

Public Service awarded a grant to help install the generator at Station One and the Elliot Hospital awarded a scholarship to defray costs of medical training.

Uniforms were obtained for members to wear while performing in official capacity and were very noticeable at Olde Home Days and the Fire Prevention Week Open House.

The Open House was a popular event featuring an essay and coloring contest, kitchen fire and extinguisher demonstrations, a blood pressure clinic, handouts, and video show.

Eleven new members joined the department in response to a "call for new members" campaign. Other events throughout the year were blood drives, flooding the skating rink, filling wells and pools, attending parades and sponsoring a little league team.

Citizens should take advantage of the tot/elder finders program, wood stove and chimney inspections - chimney cleaning brushes are loaned free of charge, and CPR classes. Sunday mornings are the best times to find members at the station.

The Firefighter of the Year for 1993 was Holly Rolfe. This award is presented by the Fire Department to an outstanding member nominated by fellows members.

When reporting an emergency, remain clam, speak clearly, and remain on the telephone until the dispatcher has all the information. Remembering to follow this advice can make the difference for rapid response to your emergency.

Yours in Safety,

Bruce Phillips
Chief, AVFD

Report of the Town Forest Fire Warden

Local fire departments are responsible for fire suppression of forest and brush fires. Early detection from the fire tower lookout system and quick response of trained fire personnel keep forest fires small. It is important that all residents request and obtain written fire permits before kindling a fire.

Summer of 1993 was a very dry time and the fire risk was greater than normal. Caution with fire exercised during this critical time, prevented potential catastrophe. Major causes of wildfire are illegal fires and careless disposal of smoking material.

The NH Division of Forests and Lands assist communities in extinguishing fires by sponsoring grants for fire fighting safety items and suppression equipment. Specialized training keeps the skill level and knowledge of forest fire laws up to date.

Local wardens and deputy wardens are responsible for issuing burning permits in NH communities. Any open burning requires written permit prior to ignition. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor and punished by a fine of \$1,000 and/or one year in jail, and liable for the cost of suppression.

Questions regarding forest fire laws can be directed to local wardens, State Forest Rangers or the Division of Forests and Lands.

For a fire permit or information call: 483-8141.

Recreation Commission Report

THE YEAR 1993 IN REVIEW

In review, 1993 has been an active year for the Recreation Commission. Projects started in the previous year were completed, and programs were sponsored such as the Summer Program, the After-School Ski Program, the Senior Trips, and Olde Home Days. Improvements to the Sandy Acres Recreation Area and Appletree Park were planned and executed. The Commission welcomed three new Commissioners: Linda Flight who replaced Eileen McDonald whose term expired; Ronald Fredette who replaced Bill McCrory who moved out of state; and Linda Breault, replacing Amy Sullivan. Signs for Sandy Acres Recreation Area have been ordered and will be erected in early spring. Electricity was brought to the Recreation Area and is ready for hook-up in the Les Emery Building. A T-ball field, 50 ft. x 50 ft., has been approved and will be ready for spring 1994, as well as additional basketball hoops to be installed for spring 1994.

For the children of Auburn, the Recreation Commission sponsored the soccer instructional program, run by the YMCA in the fall for seven weeks, a basketball league, and a spring 1994 soccer league. The Little League generously donated a set of bleachers which can be used during baseball as well as soccer season. A modest fee schedule for the use of the fields was approved by the Board of Selectmen.

A long-range plan for the improvement of Appletree Park is being developed and opportunities for grants for future development has begun. Off-road parking places were completed. Input from the Community and interested parties is sought in the long-range planning.

The Ice Rink is in full use with the help of the Auburn Volunteer Fire Department which fills and maintains the rink. Three additional granite benches and additional lighting have been approved and will be installed.

The After-School Ski Program started on January 6, 1993, and ended on March 3, 1993. Fifty-two students and chaperones registered and enjoyed the lessons and skiing at Pat's Peak.

The Summer Program ran for five weeks, beginning July 12, 1993 through August 13, 1993. About 250 happy campers, ages 6-12, participated plus four Junior Counselors and fifteen Counselors-in-Training. These programs provide Auburn teens with on-the-job training under the supervision of three experienced directors. The Summer Program ran from Monday through Wednesday in the school involving students in arts, crafts, and sports. Every Thursday the campers participated in a fieldtrip, and on Friday they relaxed at Calef Lake, made possible by the generosity of Bill Cooper, owner of Calef Lake Camping grounds.

"Olde Home Days" on August 14, 1993, was a huge success thanks to the untiring efforts of the Lions Club and especially Dick Vinson who organized, coordinated, and ran this event. We are fortunate that Dick, although not running the event in 1994, has consented to support it.

The Auburn Senior Citizens took a spring trip to the Lake Sunapee Area on May 24, 1993. After walking around and browsing the Sunapee Harbor shops, they took a luncheon cruise of Lake Sunapee. On the way back they visited the Franklin Pierce Homestead. The Fall trip on October 7, 1993, took the senior citizens over country roads with beautiful foliage, to York, Maine. There the senior citizens visited the Nubble Lighthouse and afterwards enjoyed the "Great Downeast Lobster Bake." After some sight-seeing in York, they took the coastal route back to Auburn.

With three new Commissioners, the structure of the Commission was changed slightly. Some projects have become too large to be

handled by one Commissioner. The new set-up was approved during the November meeting and each Commissioner is now heading the following: Commissioner Gale Butler-Christensen, Chair, is in charge of the funds, budget, correspondence, overseeing projects, and incidentals. Commissioner Linda Flight is in charge of the After-School Ski Program and the Summer Program. Commissioner Linda Breault is in charge of Appletree Park and the Ice Rink. Commissioner Ronald Fredette is in charge of Sandy Acres Recreation Area. The Recreation Commission as a whole will take charge of "Olde Home Days" and the long-range planning.

The Recreation Commission is looking forward to sponsor programs and activities for all residents of Auburn. Please contact any of the Commissioners with your interests. The Commission always enjoys new ideas as well as volunteers for the different activities. The Recreation Commission thanks the volunteers for their continued support and it looks forward to serving the citizens of Auburn in the year to come.

Respectfully submitted,

Gale Butler-Christensen

Prepared by the Southern New Hampshire Planning Commission

District boundaries shown with bold case alphabets are described on the back panel.

DISTRICT BOUNDARY LINES

The following descriptions are provided to define the limits of those areas whose boundaries cannot be related to easily recognized features on the map, or could not be defined in terms of specific distances from such features. The codes used (a, b., etc.) relate to the areas similarly labeled on the zoning map.

All references to lots and tax map numbers pertain to the Property Maps of the Town of Auburn prepared by James W. Sewall Co. and dated 1969.

- a. The easternmost boundary of this area is the easterly line of lot 9 (tax map 28).
- b. The westernmost boundary of this area lies along the westerly line of lot 7-1 (tax map 13) and the straight line extension thereof running southeasterly to the northerly side of Depot Road.
- c. The westernmost boundary of this area is described as follows:

Beginning at a point on the easterly side of Rattlesnake Hill Road at the southerly line of lot 18 (tax map 4); then following the southerly line of said lot 18 to the easterly lines of lots 16 and 15 (tax map 4), and a straight line extension thereof, to the southerly side of Spofford Road.

- d. The limits of this area are defined as follows:

One hundred and fifty (150) feet deep from its frontage on Chester Road (Route 121) south towards Lake Massabesic and running from the west bank of the Griffin Brook where it passes under Route 121 to the west sideline of lot 2A (tax map 26).

- e. The limits of this area are defined as follows:

The area of land bounded on the south by Route 101, on the east by Hooksett Road, on the north by a line running 1,800 feet north of and parallel to, Old Candia Road and Wellington Road and on the west by the easterly boundary of the industrial zone.

- f. The limits of this area are defined as follows:

Beginning at a point on the northerly side of Chester Road at the westerly line of lot 26 (tax map 7) then running northerly along the westerly line of said lot 26, crossing through a part of lot 29 (tax map 7); to the westerly line of said lot 29 and continuing northerly along the westerly line of lot 29 to the northwest corner of said lot; then running easterly on a straight line passing through lot 25 (tax map 7); lot 2 (tax map 29) and lot 32 (tax map 7) to a point on the westerly side of Hooksett Road, said point being located approximately 1000 feet north of the intersection of Chester Road; then running southerly along the westerly side of Hooksett Road and westerly along the northern side of Chester Road to beginning

- g. The limits of this area are defined as follows:

Beginning at the intersection of Raymond Road and Chester Road, proceeding along Chester Road, southeasterly to Bunker Hill Road to a point which is the easterly boundary of Map 7, Lot 12; along the eastern most boundary of said lot, and Map 7, Lot 10 and Map 7, Lot 4 to a point on the south side of Eaton Hill Road, then westerly along Eaton Hill Road to the intersection of Raymond Road, then along Raymond Road to the point of the beginning.

- h. The limits of this area are defined as follows:

Beginning at a point on the Auburn-Hooksett town line, said point being located a distance of 3000 feet south of the point where the south side of Hooksett Road crosses the Hooksett line; then running in an easterly direction along a line perpendicular to the Hooksett town line for a distance of 2000 feet, then running southerly along a line parallel to and at a distance of 2000 feet from the Hooksett line to the northerly side of Wellington Road, then running westerly along the north side of Wellington Road to the Manchester City line; then running northerly along said Manchester and Hooksett lines to the point of the beginning.

- i. The limits of this area are defined as follows:

The area of land bounded by Wellington Road on the north and Route 101 on the south, from the Hooksett line to King Street, and the area of land bounded on the south by Route 101, on the east by Hooksett Road, on the north by a line running 1,800 feet north of and parallel to, Old Candia Road and Wellington Road and on the west by the easterly boundary of the industrial zone.
