ANNUAL REPORT

STILLINGS FARM

TOWN OF BARTLETT NEW HAMPSHIRE 1993

STILLINGS FARM

The cover photo shows the Stillings Farm located up towards the end of the Allen Road.

This property has been a part of Bartlett's history since the Selectmen purchased or traded for the property years ago so the town would not have to transport school children from way up in the forest. Since that time the property has been leased by various parties but in recent years has fallen into a state of disrepair. The Selectmen have been concerned with the condition of the property for a couple of years and last year authorized emergency repairs. This year with the help of the Conservation Commission, a major repair project was undertaken which replaced the roof and sealed up the structure. The Selectmen would like to thank David Shedd who organized and oversaw the project and kept up the interest in the property. The Selectmen hope future work parties will rehabilitate the interior and the property can be used by school and community groups for study and recreation.

DEDICATION

The Selectmen would like to dedicate this year's Town Report to all of the ski clubs located in Bartlett, some of which have been in existence for decades. The ski clubs and their members have long been a financial boon to the Town and more importantly have contributed greatly to many charitable events throughout the Town. Many of Bartlett's citizens have been the direct or indirect beneficiaries of the generosity and support of the local ski clubs over the years and the Selectmen are proud to dedicate this year's Town Report to Bartlett's "part time" good friends and neighbors.

SPECIAL RECOGNITION

- to LILLIAN SANBORN as the holder of the Boston Post Cane, symbolic of being Bartlett's oldest living citizen.
- to DAVID SHEDD for his unselfish donation of time and materials in spearheading the renovations of the Stillings Farm property
- to NORMAN HEAD for his years of service as a Trustee of the Trust Fund and help in reorganizing the funds and reports
- to MICHAEL DEWAR for his service to the town as member of the Planning Board
- to MURIEL TULLY for her years of dedicated service as a Library Trustee
- to JEAN MARK for her many hours of service as a Supervisor of the Checklist
- to the MOUNT WASHINGTON VALLEY ARTS ASSOCIATION for their help in beautifying Town Hall through the Artist of the Month program
- to the RED PARKA PUB and STORYLAND/HERITAGE, NH in donating to the Mount Washington Valley Arts Association and allowing the Town to become the recipient of a beautiful print of the Valley which now graces the Selectmen's Office

1994 TOWN MEETING WARRANT

To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in said State, qualified to vote in the Town affairs:

You are hereby notified to meet in the Town Hall in said Bartlett on Tuesday the eighth day of March 1994 at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 will be by official ballot at the Town Hall and the polls shall open for balloting at nine o'clock in the forenoon and shall not close before seven o'clock in the evening. The following articles in the warrant will be acted upon on Thursday, March 10, 1994 at six thirty o'clock in the evening at the Josiah Bartlett Elementary School in Bartlett Village.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen favor.

ARTICLE 3. To see if the Town will vote to authorize indefinitely, until specific rescission of such authority, the Selectmen and Library Trustees to apply for and accept on behalf of the Town any gifts, legacies, and devises made to the Town in trust for public purposes as permitted in NH RSA 31:19 and accept and expend without further action by Town Meeting, money from State, Federal, and/or other governmental units or private sources in accordance with NH RSA 31:95-b and 202-A:4-c. Selectmen favor.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. Selectmen favor.

ARTICLE 5. To see if the Town will vote to accept the provision of RSA 33:7 which provides that the town at any annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen and Town Treasurer to borrow a sum in anticipation of the collection of taxes (Tax Anticipation Notes) for the current municipal year and to issue in the name of the Town and on the credit of the same, negotiable notes therefore, to be repaid during the current year from taxes collected within the current municipal year. Selectmen favor.

ARTICLE 6. To see if the Town will vote to accept the provisions of RSA 80:42 and 80:80 to authorize indefinitely, until specific rescission of such authority, the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds or by any other means. Subject only to the interest of relatives and heirs, all disposal shall be by public auction. Selectmen favor.

ARTICLE 7. To see if the Town will vote to amend the Floodplain Development Ordinance with the changes, deletions and additions as posted at Town Hall and other public places throughout the Town and printed elsewhere in this Town Report. Selectmen favor.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for town road improvements and reconstruction. Selectmen favor.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 as its share to participate in the Hazardous Waste Collection Day along with the Town of Conway. Selectmen favor.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$6,500.00 for installation of two insulated and electric doors at the Town Garage. Selectmen favor.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the close out of the old Garland Landfill and authorize the removal of the entire balance plus interest of the Dump Capital Reserve Fund for this purpose. Selectmen favor.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$15,200.00 for the purchase of a new Ford Crown Victoria police cruiser. Patch/Chandler favor - Nealley abstains.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for the purchase of a four-wheel drive backhoe and authorize the transfer of up to \$25,000.00 of the December 31, 1993 fund balance for this purpose. Selectmen favor.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to repair various dry hydrants. Selectmen favor.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$37,000.00 for the purchase of a new one ton four-wheel drive diesel truck with plow, wing, sander, and body and authorize the transfer of this amount from the fund balance as of December 31, 1993. Selectmen favor.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 as its share of a glass crusher and building addition at the Transfer Station. Selectmen favor.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$3,902.00 for 1994 membership in the North Country Council, Inc. Agreeable to a petition sponsored by the Bartlett Business Association and signed by George L. Howard and others. Chandler/Patch oppose - Nealley favors.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to defray the operating expenses of the services and programs as carried out by the Mt. Washington Valley Chapter of the American Red Cross. Agreeable to a petition signed by Susan Fox and others. Selectmen oppose - not a proper use of town funds for national organizations - people should have an individual choice concerning donations to charitable organizations.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$2,410.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Vicki Varrichione and others. Selectmen oppose - use of public funds should require salary disclosure.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$431.00 for the Family Support Program of the Center of Hope. Agreeable to a petition signed by Jane Stoutermire and others. Agency request is for 331% increase - Selectmen oppose any appropriation.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$4,345.00 for the Children's Health Center (formerly Children and Youth Project of the Mt. Washington Valley.) Agreeable to a petition signed by Lisa Tateosian and others. Agency is requesting 27% increase - Selectmen favor last year's request of \$3,410.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$875.00 for support of the Community Action Outreach Program. Also to see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Big Brother Big Sister Organization administered also by the Tri-County Community Action Program. Agreeable to a petition signed by Jane Stoutermire and others. Selectmen favor \$875 for CAP/Chandler/Patch oppose BBBSO - Nealley favors.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$1,060.00 to assist the Family Health Centre. Agreeable to a petition signed by Vicki Varrichione and others. Chandler/Patch oppose - Nealley favors last year's request of \$1026.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$1,150.00 for the Early Intervention Program of Children Unlimited, Inc.

(birth to 3 years). Agreeable to a petition signed by Terrie T. Kroger and others. Chandler/Patch oppose - Nealley favors.

ARTICLE 25. To see if the town will vote to raise and appropriate the sum of \$500.00 for support of operating expenses of the Eastern Slope Regional Airport Authority. Agreeable to a petition signed by George L. Howard and others. Agency request is for 66% increase - Selectmen favor last year's request for \$300.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$2,326.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Terrie T. Kroger and others. Selectmen favor.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$589.00 in support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by Lawson Bruce Hill and others. Selectmen favor.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$4,499.00 for the support of the Gibson Center for Senior Services. Agreeable to a petition signed by Ruth Morton and others. Selectmen favor.

ARTICLE 29. To transact any other business that may legally come before said meeting.

Given under our hands and seals this eighteenth day of February in the year 1994.

Board of Selectmen:
KATHLYN G. NEALLEY
GENE G. CHANDLER
RICHARD F. PATCH, SR.

**1994 PROPOSED AMENDMENT TO THE
TOWN OF BARTLETT
FLOODPLAIN DEVELOPMENT ORDINANCE**

Upon the recommendation of FEMA, the following are proposed amendments to the Floodplain Development Ordinance and will be voted on at Town Meeting on Thursday, March 10, 1994 in Article 7:

Change Item I. by adding or changing the following terms:

ADD: HISTORIC STRUCTURE means any structure that is:

- a. listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
- b. certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
- c. individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or
- d. individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either: 1) by an approved state program as determined by the Secretary of the Interior, or 2) directly by the Secretary of the Interior in states without approved programs.

ADD: RECREATIONAL VEHICLE means a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel or seasonal use.

ADD: SUBSTANTIAL DAMAGE means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

CHANGE: SUBSTANTIAL IMPROVEMENT means any combination of repairs, reconstruction, alteration, or improvements to a structure in which the cumulative cost equals or exceeds fifty percent of the market value of the structure. The market value of the structure should be 1) the appraised value of the structure prior to the start of the initial repair or

improvement, or 2) in the case of damage, the value of the structure prior to the damage occurring. For the purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. *[[DELETE - The term does not, however, include any project for improvement of a structure required to comply with existing health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or any alteration of a structure listed on the National Register of Historic Places.]]* *[[INSERT - This term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term does not, however, include either (1) any project for improvement of a structure required to comply with existing health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or (2) any alteration of a "historic structure", provided that the alteration will not prevent the structure's continued designation as a "historic structure".]]*

CHANGE as noted:

ITEM VII

In riverine situation, prior to the alteration or relocation of a watercourse, the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector, *[[INSERT — in addition to the copies required by the RSA 483-A:1-b.]]* Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector, *[[INSERT - including notice of all scheduled hearings before the Wetlands Board.]]*

Within the altered or relocated portion of any watercourse, the applicant shall submit to the Building Inspector, certification provided by a registered professional engineer assuring that the flood carrying capacity of the watercourse has been maintained.

Along watercourses that have designated Regulatory Floodway no encroachments, including fill, new construction, substantial improvements, and other development are allowed within the designated Regulatory Floodway that would result in any increase in flood levels within the community during the base flood discharge. In Zone A the Building Inspector shall obtain, review, and reasonably utilize any floodway data available from a Federal, State, or other source as criteria for requiring that development meet the floodway requirements of this section.

Along watercourses that have not had a regulatory floodway

designated, no new construction, substantial improvements or other development (including fill) shall be permitted within Zones A1-30 and AE on the FIRM, unless it is demonstrated that cumulative effect of the proposed development, when combined with all other existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community.

DELETE entire old Item IX and replace with the following new section:

ITEM IX. [[INSERT ENTIRE NEW SECTION]]

VARIANCES AND APPEALS

A variance is a relaxation or setting aside in a specific case, of certain specified terms of this ordinance. In accordance with RSA 674:33 I(b), the applicant shall have the burden of showing, in addition to the usual variance standards under state law:

- A. That the variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense,
- B. That, if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.
- C. That, a determination that failure to grant the variance would result in exceptional hardship to the applicant.
- D. That the variance is necessary, considering the flood hazard, to afford relief.

The Zoning Board of Adjustment shall notify the applicant in writing that (1) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 for \$100 of insurance coverage and (2) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

The community shall (1) maintain a record of all variance actions, including their justification for their issuance, and (2) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

The Zoning Board of Adjustment may approve, approve with conditions, or deny applications for variances following the procedures in the Ordinance.

BUDGET OF THE TOWN OF BARTLETT

SELECTMEN'S REPORT

The year 1993 has come and gone with little change in our community.

The biggest ongoing project in 1993 was the State-ordered revaluation of all taxable property in Bartlett. Anytime a reval is done there are a number of properties whose tax burden increases, a number that decreases and some that remain about the same. The purpose of a revaluation is to assure as closely as possible that all taxpayers are sharing the tax burden proportionately in conjunction with similar properties throughout the town. The Selectmen are very pleased that with a total of some 4600 taxable parcels in Bartlett, only 114 abatement requests were filed. The Selectmen feel that Patriot Properties did a fine job and despite some corrections that need to be made, the overall result was very satisfactory. A report on the process by Patriot Properties is printed elsewhere in the Town Report.

The condition of the Town roads has been an increasingly popular topic recently and last year the town invoked a plan of raising additional money through a warrant article to complete some road projects. This year in addition to regular road maintenance, substantial work was done on Jericho Road, Glen Ledge Road, a couple of sections of Linderhof, and River Road. A number of different road surface treatments were tried and the results will be viewed this spring to see what method works the best for upcoming years. The North Country Council has viewed all of our roads and entered them into a computer program, Road Surface Management System (RSMS), met with the Selectmen and Road Agent in order to get the system up and running, which should be accomplished during the coming year. We will continue our priority of the worst roads with the most traffic and do some work in each section of town.

The Selectmen are placing another article in the warrant for road work for \$50,000 which represents a \$10,000 increase over last year. Next year we will have paid off the truck and road bond and then may be able to increase the road building article without having any net increase in the tax rate.

Through cooperation with the developer of Eagle Ridge, a section of Washington St. and a street in Alpendorf were paved at the developer's expense. The town and Lower Bartlett Water Precinct also participated in paving a section of Alpendorf, which was an unanticipated expense of \$4,200.00 but was a good deal for the town. Another cooperative project is planned for 1994 on Hillside Ave. and Alpstrasse. The program went well this year and while every road cannot be first, the roads with the worst problems and most traffic are getting the priorities and the results of this year's work readily apparent and noticeable.

The Bartlett Jackson Transfer Station has been working well and the Towns have made a few changes in the recycling program. We had been paying to send our recyclables to Conway and while the cooperation was excellent between the towns, the Selectmen felt they could save some money by looking at other areas. After locating some different outlets for our goods, we contacted North Country Council and they sent down a staff person, Marghi Seymour, to look over our site. Our Transfer Station received a glowing report and further work with Ms. Seymour led to our change in recycling outlets. Our newspapers now are picked up and taken to Bath, NH, our aluminum is hauled away in exchange for free hauling of our white goods/metal, and our glass will be used in our road construction. The Selectmen are also looking at the cardboard issue and possible ways to reduce our costs in that area.

The Selectmen of Bartlett and Jackson signed a new three year agreement with Sanco of Bethlehem to take our unrecyclable trash. This new contract was signed at a rate of \$51.00 per ton which is \$3.00 per ton less than our present rate. Our rate on construction debris dropped from \$68.00 to \$56.00 per ton so the savings from this new contract and the savings in the dump program should be \$6,000-8,000 per year. While the recycling program is going well, stiffer enforcement of the mandatory recycling ordinance will take place during 1994 and we urge everyone's cooperation -it saves money!

The Selectmen are still trying to deal with health insurance in a way which tries to save money or at least prevents increases while at the same time not penalizing the employees. The Selectmen's position has been that since most of our employees are not overpaid, it would be unfair to take away any major benefits that, right or wrong, have been given over the years. Our goal has been to try and stem any major increases and by going to a Blue Cross/Blue Shield Comp 200 plan through the New Hampshire Municipal Association and working with the employees we can meet this goal. The Selectmen have instituted a policy that any new employees will be given two-person coverage with the option of paying additional for a family plan.

The largest percentage increase in any of the budget line items is for legal fees to defend two lawsuits against the Town and Zoning Board of Adjustment. The lawsuits relate to the approval of the campground at Attitash and subsequent dealings with enforcement of the Floodplain Ordinance. If both suits proceed to court, the legal fees will undoubtedly be much higher than we have budgeted.

This year the Selectmen are proposing to purchase a one-ton truck complete with plow, wing, sander and body. This vehicle will replace either the 1984 vehicle presently used in the Village or the 1979 truck presently used as a spare. The new truck will be used in the Village area and due to plowing constraints in the Village, will be able to do a better and faster job. This vehicle will also be able to be utilized to clean up intersections throughout the Town and be used for cold patching during the summer. Also, this year the Selectmen are recommending the purchase of a used four-wheel drive backhoe. This is a long needed piece of equipment and with the ambitious ditching, culvert, and road program, the backhoe will be utilized a great deal and save money on rentals. In 1993 we spent \$800.00 on backhoe rental so we think it is time to own our own unit.

The new waste oil heater has been installed in the town garage and the insulation job has been completed. Initial indications show that both projects would pay for themselves within two years, three at the most. Our next project at the garage will be new insulated doors.

This year in addition to the annual Hellen Hayes Memorial Fourth of July Parade, the Selectmen have added the theme of "Old Home Weekend" to this date. One of the best features of the Bicentennial celebration was the return of many Bartlett natives, young and old, and the class reunions. While much smaller in scale, the Selectmen hope that this advance notice will allow people to make plans and reservations for a return visit to Bartlett to renew acquaintances. Further details on the weekend will follow and it is hoped that families and friends will use this weekend to plan reunions and get-togethers.

The Selectmen's Office has been notified that our application for a \$1,700 treeplanting grant has been approved and the trees will be planted in public areas this spring. We are also trying for another grant this year. The trees that have been planted over the years are really starting to show and while it will be a long time getting some areas back to what they looked like years ago, we are gaining.

Due to the cooperation of all departments, the school district, and low interest rates, the Selectmen were able to keep the interest on our tax anticipation notes at a very manageable level of \$18,500 in 1993. Further management along with favorable interest rates will hopefully keep this figure at this level in 1994.

In trying to piece together the budget and warrant articles, the Selectmen have and will continue to keep the tax rate our primary focus while still providing a reasonable level of town services. Based on our healthy surplus,

a conservative budget and projected increases in tax base for this year, we do not expect the town portion of the tax rate to increase. The majority of the tax bill is comprised of school expenditures and we urge everyone to attend the School Meeting to ensure that the school expenditures represent the will of the majority of the town's voters.

Reports from the various town boards, commissions, and departments are located elsewhere in the Town Report. The Selectmen would like to thank all the town employees for their work and dedication to the town and give special thanks to all the volunteers on various boards and projects who donate their time to keep Bartlett the "Greatest Little Town on Earth".

COMMISSIONER'S LETTER

Town of Bartlett
Board of Selectmen
Town Office
Bartlett, NH

October 27, 1993

Dear Sirs:

Your 1993 Tax Rate has been computed and set. The tax rate, its breakdown, the amount to be committed to the tax collector, and appropriations due other units of government, the amount of overlay and the assessment used to calculate the tax rate are listed below as follows:

			Tax Rates
Appropriations	1,067,629		
Less: Revenues	575,628		
Less: Shared Revenues	5,467		
Add: Overlay	15,000		
War Service Credits	<u>11,900</u>		
Net Town Appropriation		<u>513,434</u>	
Approved Town/City Tax Effort		513,434	
Municipal Tax Rate			1.42
	— School Portion —		
Due to Local School	2,626,901		
Less: Shared Revenues	<u>19,280</u>		
Net School Appropriation		<u>2,607,621</u>	
Approved School(s) Tax Effort		2,607,621	
School(s) Tax Rate			7.24
	—County Portion —		
Due to County	304,153		
Less: Shared Revenues	<u>1,664</u>		
Net County Appropriation		<u>302,489</u>	
Approved County Tax Effort		302,489	
County Tax Rate			0.84
Combined Tax Rate			<u>9.50</u>
Total Property Taxes Assessed		<u>3,423,544</u>	

—Commitment Analysis —

Total Property Taxes Assessed	3,423,544
Less: War Service Credits	(11,900)
Add: Village District Commitment(s)	<u>231,541</u>
Total Property Tax Commitment	<u><u>3,643,185</u></u>

— Proof of Rate —

AUDITOR'S REPORT

Board of Selectmen
Town of Bartlett
RR 1, Box 49
Intervale, NH 03845

Dear Board of Selectmen;

I have examined the books and accounts of all officers entrusted with the receipt, custody or expenditure of town funds on February 25, 1993 for the calendar year 1992.

I have examined these records to determine whether all revenues to which the town is entitled have been collected and remitted to the treasurer or verified as outstanding accounts; to determine whether all expenditures have been properly authorized, conform to law, and are supported by appropriate invoices and payroll; and examined the accounts of all town departments and agencies.

It is my opinion that the accounts are being kept in conformity with generally accepted accounting principles and I have no recommendations at this time.

LINDA BURNS
Auditor

REVALUATION OVERVIEW

Revaluation, reassessment, reappraisal, assessment update, and valuation update are all synonymous terms. The result of these programs is NEW assessed values. The objective is to have new assessed values that are consistent with what properties are worth as of April, 1993. There are a number of broad steps involved in revaluation:

FIRST, is data collection or data verification. In a complete revaluation, all properties are visited, measured, and inspected on the interior.

SECOND, delineating neighborhoods and estimating land values. We try to differentiate all different neighborhoods in the Town by looking at sale prices, age of houses, types of buildings, waterfront, views, size of typical lots, condition of buildings and other items. We naturally consider any land sales that have occurred but also look at sales of improved properties — this is to say, properties with buildings. Through this process, we establish tentative land values.

THE THIRD STEP is to develop tables for building values. We start with tables that represent local current costs.

These tables are applied to the properties which sold and a total value for the property is calculated. This value is compared to the sale price and adjustments are made to the tables and land values and retested against sale prices until the values calculated by the tables are consistent with the sale prices. We call this a market adjusted cost approach. It should be pointed out that only valid, arm's-length sales are used in the analysis. There are hundreds of tables involved and this process is long and involved. We utilize computers to do much of the work, but sound appraisal judgment is the key ingredient. Some of the tables include adjustments for the size of a house (a house twice as big is not worth twice as much all other things being equal), tables for styles of houses, ages and condition, number of bathrooms, type of heat, floors, walls, roof, garages, etc. Each time an adjustment is made to any of these, all sales are analyzed until the very best consistency is achieved.

THE FINAL step is to apply these tables to all properties and review each new value. This process involves selecting comparable sales for comparison and making a final decision on the value of each property.

Every taxpayer is then notified of their new assessed value and has an opportunity to discuss it with a company representative. This occurred in August 1993.

You will note that throughout this process, old values and assessments are ignored. Many people think that a revaluation consists of starting with the old values and adjusting these old values to get new values. As you can see, this is not the case, so comparisons of old to new assessments will not be practical or meaningful.

ELLIS B. WITHINGTON, President
Patriot Properties, Inc.

BARTLETT PUBLIC LIBRARY ANNUAL REPORT 1993

The library book circulation was once again at an all time high with 12,652 books and periodicals circulated in 1993. The library also circulated 118 videos through our cooperative video collection. Seven hundred twenty three books were added to the collection. This included 69 gift books, 8 memorial books, 15 book fair bonus books and a gift of the 1993 Americana Encyclopedia. Eleven children's books were purchased with funds from the Lucille Garland Memorial Fund. The library contributes \$150.00 to the video cooperative which includes eight local libraries. This enables the library to have a circulating collection of approximately 30 videos every two months.

The library conducted a successful summer reading program with forty-two children participating and a total of 789 books read. The library also held morning story hours for six weeks during the summer, focusing on special themes each week: Teddy Bear's picnic; Blueberries for Sal (on top of Mt. Attitash, participants picked blueberries following the story hour); Wizards and wizardry; Miss Rumphius (flowers were planted in the Children's Memorial Park); Creepy Crawlers; and an International Story Hour. These successful story hours were conducted by volunteers Jeanne Forrest, Ruth Malcolm, Jane Duggan, Megan Mallett and our library trustees. The climax of the summer activities was a puppet show performed by the Ha'Penny Theatre. One hundred and fifty attended this program which was co-sponsored by the New Hampshire Council On the Arts.

The library also sponsored three adult programs in 1993. The first was Estate Planning with approximately 30 in attendance. The second and third programs, co-sponsored by the New Hampshire Humanities Council, were "Wild Northern Scenes: The Art of the White Mountains," and "Gender Differences and Moral Choices."

The librarian attended three Forum Meetings, one Five Rivers Users Meeting, one video cooperative meeting, and is now serving as a co-chairperson at the Forum meetings.

We are now in the process of planning to automate the library collection and circulation procedures. We will be purchasing the first phase in the near future. At that time we will be bar-coding books, entering records into a data base and etc. Using volunteers will help keep the cost down and speed up the procedure. Notices will go out when these volunteers are needed. The New Hampshire Library Automated Interlibrary Loan System is in the process of changing and upgrading its state-wide automated system. This will enhance

the services the State Library can provide to our local libraries. It is the goal of our library to meet the needs of our community as we approach the new millenium. Automating the library will be a step in this direction.

Our library hours are listed below. The public is also welcome to use the library during the school day when the school is open. We are continuing the Saturday hours this year, as it is recommended that all libraries in towns of our size have the library open during the weekend.

HOURS:

Monday	2-5	7-9
Tuesday	2-5	
Wednesday	2-5	7-9
Friday	2-5	
Saturday	11-3

THE BARTLETT HISTORY FUND

The Bartlett History Fund was established by the Bartlett Library Trustees following the Town's bicentennial in 1990. The purpose of the History Fund is to further the recording of the history of Bartlett and its vicinity. Profits from the sale of the Bartlett history book, **Bartlett, New Hampshire: In the Valley of the Saco**, and the sale of bicentennial memorabilia were set aside to establish the Bartlett History Fund.

The following guidelines for the Bartlett History Fund have been established:

- All monies received from future sales of the Bartlett history book, bicentennial memorabilia, and any other project undertaken by the Trustees for the History Fund will go into the History Fund.
- This money is put into a separate account under the name "Bartlett History Fund" to be managed by the Treasurer of the Bartlett Library Trustees.
- This fund may not be used for the Library budget. The Library may, however, use this fund to purchase books and materials which relate to the history of the town and region which will then become part of the Bartlett History Collection, which is being maintained in a special fireproof file cabinet.
- The money in the History Fund may be expended for historical projects, pictures, postcards, and other types of historical materials.
- The Bartlett Library Trustees must approve the above expenditures.
- Donations of materials and monetary gifts may be made to the Fund.

Cash on hand as of December 31, 1993 — \$10,378.75

The Bartlett Library Trustees are in the process of publishing a history of the inns and lodges in Bartlett. The proposed publishing date is in the late spring of this year. Anyone interested in working on this project, or any other, is invited to join the Bartlett History Group by calling the Library at 374-2755.

POLICE REPORT 1993

1993 has seen a modest decrease in several monitored areas of police services. The two areas that have an increased activity that impact adversely on us as a community are domestic violence and alcohol related problems. There are several agencies that are available that deal in these specific problem areas. Make every effort to avail yourselves of these services, most are free or very reasonably priced.

The 17 week D.A.R.E. program, with Sgt. Roode, graduated another class in 1993. The culmination was held at Christmas Mountain Resort. Approximately 150 persons were in attendance to see the graduation. A very warm and heartfelt thanks to all those who planned and supported this very important program. Congratulations are also in order to all students who participated so actively in this very worthwhile experience. As an additional reward for a job well done several members of the graduating class travelled to the Kennebec River in northern Maine for a white-water rafting trip. It was really an experience that nobody will soon forget.

This summer, if there is any interest, the Department is going to try to institute a Ride-Along Program. This program will allow young adults and older ones, if they wish, the opportunity to spend a few hours in a police cruiser and see first hand what goes on "behind the scene". All that are interested should contact the Department for further information at 356-5868.

Respectfully submitted,
ROBERT M. SNOW, JR.
Chief of Police

BARTLETT-JACKSON AMBULANCE SERVICE

In 1993 we had 193 calls for service, up slightly from 190 of last year. As of January 1994 we have 21 members, all of whom are nationally registered emergency medical technicians. John Bernardin has gone on to medical school to become a doctor as did Angus Badger three years ago. As you can see, our members continue to be extremely dedicated to the medical field.

Over the past three years, we have been able to keep our taxpayer funding below \$2,000 a year; unfortunately that has come to an end. We were able to do it in the past because we rolled over all unexpended funds into a surplus account. In 1993, those funds were transferred into our operating account. This year's budget is asking for \$8,646.00 from Bartlett and \$5,765.00 from Jackson. If anyone has any questions, please feel free to contact me before Town Meeting Day to give me an opportunity to research the answer.

If all goes well, the new 911 system will be in operation by the end of the year. This will be a great help in locating a residence. In the past, we have had several calls from weekend renters saying they are staying in Linderhof or Birchview by the Saco but without specifics. In the interim, it would be helpful if landlords would put written directions to the residence next to the phone in case of emergency.

As usual, many thanks to the fire and police departments who we work very closely with throughout the year.

JAMES CLEMONS, JR.
Director

BARTLETT FIRE DEPARTMENT REPORT 1993

In 1993 the Fire Department responded to 150 calls for service. This is an increase of 17% over 1992.

The Insurance Survey Office did a survey of the Fire and Water Department's systems in the town. We are still awaiting the results but the possibility is extremely good that Bartlett will go from a Class 7 to a Class 6 rating. This will mean a saving in insurance premiums town wide. I should have the results by Town Meeting.

The fire safety and prevention programs that are conducted at the school each year are well received by the students, all of the students are extremely eager to take part in these programs, and it is very gratifying to see how much the children retain on fire safety from year to year.

Programs like this are available to any and all organizations that are interested. Some of the programs available are evacuation plans, fire safety in the work place and homes, how to identify and use fire extinguishers safely, etc. Anyone interested in such a program should contact the Fire Chief's Office at 383-9555.

Training is an ongoing process within the Department. Every other Tuesday we train on essentials of safe and effective firefighting. This intensive training schedule is paying off. This past year we had 6 structure fires and not one building was lost.

We acquired 15 new members this year. They are a welcome addition though we are in need of more, especially in the Village station. Interested individuals should contact the Fire Chief's Office at 383-9555.

I wish to thank all the elected officials, the Police Department, and the Ambulance crew for their support in 1993.

Respectfully Submitted,
ROGER LABBE

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but **ONLY** with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember . . . Only you can prevent forest fires. Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER . . . SMOKEY HAS FOR FIFTY YEARS!"

BARTLETT ATHLETIC AND RECREATION ASSOCIATION

Two new items that we did this past year included a Girl's Softball Team and a Baseball Farm Team.

This year we did not have any expenditures for the Farm Team as both Little League Teams donated older equipment to them. They do, however, need some equipment for the upcoming year. We have already had a meeting of all the baseball and softball teams to start the planning for this upcoming season.

The summer program was very successful, with approximately 50 children a day. The new director did an excellent job as did the assistants. They went on a few field trips, had theme weeks, and did some exciting activities.

The year before, we encumbered \$1,500.00 for site improvement (future basketball court). We are adding an additional \$500.00 to this fund to bring it up to \$2,000.00. We hope to work on this project in the near future.

BARA is again asking the Town of Bartlett for an appropriation of \$4,000.00, to continue these programs.

Sincerely,

CHARLES HAMLIN
President

PLANNING BOARD REPORT

As this year closes, the Planning Board is only just beginning the arduous task of updating and evaluating the goals and objectives of both the Master Plan and Zoning Ordinance.

A working committee comprised of Planning Board members, volunteers from the business community, precinct representatives and the Conservation Commission has been established and charged with defining the parameters of future growth and identifying the demands on infrastructure and developing a comprehensive plan of development.

Recognizing the potential economic impact the emergence of the Mountain Division Railroad and expansion of Attitash will have on the entire region, the committee is trusted with envisioning the financial and business needs of the community as it adapts to opportunity, balancing the environmental safeguards necessary to preserve the rural character of a unique and charming New England town and implementing sound planning strategies to manage unprecedented commercial growth.

The dialogue initiated with various precincts to embody both zoning ordinances under one administrative procedure is still ongoing and will be addressed within the agenda of the working committee. The efforts and procedures implemented to facilitate the application process within overlapping districts appears to be working successfully.

Statistically, the Planning Board has reviewed 8 subdivisions, 8 boundary line adjustments, 2 revisions to condominium developments and 4 as-builts. The Planning Board meets the first Monday and third Tuesday of each month at the Town Hall at 7:00 PM and the public is always welcome to attend.

DAVID PATCH
Chairman

CONSERVATION COMMISSION REPORT

This year the Conservation Commission's most notable project was the beginning of the rehabilitation of the Stillings Farm. Our work day in September was well received and many townspeople turned out to help in any way that they could. Numerous businesses donated what they could and the whole project turned out to be a true community effort.

A great deal of thanks goes to all who helped and especially to David Shedd who coordinated this effort. We hope that the Farm will become a facility for the townspeople, including the children to use in the years ahead.

More work will be needed on the Stillings Farm and we are sure that another work day will be scheduled for 1994.

The Conservation Commission currently meets on the second Wednesday of the month at 7:00 p.m. at the Town Hall. The public is always welcome to attend.

GLEN CEMETERY ASSOCIATION 1993 SUMMARY

In 1993 the Association has continued to maintain the cemetery and make improvements with loaming, seeding, fertilizing and road repairs, etc. Our goals of stone repairs and ground improvements will continue. Each year a tree, donated by the New Hampshire Electric Co-op, is planted to establish a natural green area between the highway and the cemetery.

This year our plans are to improve the older section along the highway to help the visual appearance and make it easier to mow and maintain that area.

With your support and ongoing help we will achieve our goals.

Respectfully submitted,

LYNN R. ROBERTS, Chairman
Glen Cemetery Association
P.O. Box 241
Glen, NH 03838
(603) 383-6161

TRANSFER STATION RULES AND REGULATIONS

The Transfer Station is located on Rte. 16 just north of the Bartlett/Jackson town line and 1/4 mile south of the Jackson Covered Bridge.

DUMPSTICKERS ARE MANDATORY. They can be obtained at the Selectmen's Office at the town hall Mon. - Thurs. between 8 AM - 12 Noon and they are free! Stickers are to be displayed on the front windshield, passenger side, upper corner on the inside.

HOURS OF OPERATION: Friday Thru Tuesday 12 Noon - 6 PM
Closed Wednesday & Thursday
Closed Christmas Day

Articles which are accepted (other than household refuse) and placed in designated areas (not in the compactor):

Brush up to 5" in diameter

Mattresses \$5.00 per piece

Batteries (all including flashlight)

Furniture

Appliances with condensers/compressors removed

Clean wood (separated from treated or painted wood)

Christmas trees

Tires - Fees= Car & Light Truck \$2.00/Tire

Large Heavy Truck \$5.00/Tire

Loader/Heavy Equipment \$10.00/Tire

PROHIBITED: No commercial dumping of construction debris
No dumping of hazardous materials/waste, oil-based paint, gas tanks, pesticides, explosives, etc.
No stumps, boulders, dirt
No car bodies or parts thereof

RECYCLING

All items brought for recycling must come clean and ready to put into separate bins. The following items are recycled on a **MANDATORY** basis (as of June 1, 1991):

Aluminum Cans - rinsed clean

Newspapers including office/school paper, no glossy paper, bundled or in brown paper shopping bags

Amber Glass - rinsed clean & capless

Green Glass - rinsed clean & capless

Clear Glass - rinsed clean & capless

Leaves/Yard Waste - Backyard composting is encouraged - Disposal can be done at Hill's Florist on Rte. 16/302 in Intervale.

Your cooperation in our recycling efforts is appreciated and will save the town tax dollars. Questions regarding the Transfer Station should be directed to the Selectmen's Office at (603) 356-2950.

Please keep your dump sticker visible and tape to the inside of the window so it will last longer. Please stop at the attendants' building before dumping any materials in order that you may be directed to the proper depository. For insurance and safety reasons, **NO DUMP PICKING** is allowed.

TOWN OF BARTLETT OFFICIALS CLOSELY MONITOR COMPLIANCE WITH THE FOLLOWING ORDINANCES, REGULATIONS, AND BY-LAWS:

BUILDING PERMIT ORDINANCE: required for construction valued at \$1,000 or more and/or construction which would affect the assessed value of the property or to which zoning applies. Violation = fine of up to \$100/day.

WINTER PARKING ORDINANCE: prohibits parking on town streets between Nov. 1 and May 1. Violation = fine of up to \$50.00 plus towing charges.

SNOWPLOWING REGULATION: no snow shall be plowed into or across any Town road.

ILLEGAL DUMPING ORDINANCE: prohibits dumping and littering at other than in authorized area at transfer station. Violation = fine of \$100.00.

ALCOHOLIC BEVERAGE ORDINANCE: prohibits drinking of alcoholic beverages in public places. Violation = fine of \$25.00.

TEST PIT INSPECTION ORDINANCE: requires inspection of pits prior to application for state septic design approval. \$20.00 fee per pit dug.

EXCAVATION PERMIT REGULATION: permit required to excavate in Town road. Permit must be obtained 24 hours prior to commencement. Violation = fine of \$100.00.

DOG LEASH BY-LAW: requires that all dogs be restrained by leash or under direct control of owner. Violation = fine of up to \$100.00+ board reimbursement.

PERMIT TO OCCUPY ORDINANCE: required prior to occupancy of any construction that is intended for habitation or for which a septic system is required. Violation = fine of up to \$100.00 and/or \$10.00 per day/each day of violation.

SPECIAL EVENTS ORDINANCE: regulates the conduct of special events; provides for fines up to \$300.00 for violations.

ZONING ORDINANCE: covers setbacks, density, green areas, frontage, signs, etc. Copies available at Town Hall.

FLOODPLAIN ORDINANCE: governs activity in the floodplain.

GRAVEL PIT ORDINANCE: governs the excavation of gravel pits.

SEPTIC SYSTEM DESIGN AND CONSTRUCTION ORDINANCE: governs the design and construction of septic systems. \$50.00 review fee.

Complete descriptions of any of the above ordinances and regulations may be obtained at the Selectmen's Office.

1993 TOWN MEETING MINUTES

Moderator William Paine opened the Annual Town Meeting by opening the polls at the Town Hall on Tuesday, March 9, 1993 at 9:00 AM by reading the following:

To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in said State, qualified to vote in the Town affairs:

You are hereby notified to meet in the Town Hall in said Bartlett on Tuesday the ninth day of March 1993 at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Articles 1 through 6 will be by official ballot at the Town Hall and the polls shall open for balloting at nine o'clock in the forenoon and shall not close before seven o'clock in the evening. The following articles in the warrant will be acted upon on Thursday, March 11, 1993 at six thirty o'clock in the evening at the Josiah Bartlett Elementary School in Bartlett Village.

We hereby certify that we posted a like copy of said Town Warrant and Budget on February 22, 1993 at the post offices in Glen and Bartlett, at the Town Hall in Intervale (Bartlett) and the Josiah Bartlett Elementary School, the places of meeting, all being public places within the said Town of Bartlett, New Hampshire. Dated March 26, 1993, and signed by Richard F. Patch, Sr., Kathlyn G. Nealley, Gene G. Chandler, Board of Selectmen.

The following Articles were then voted on throughout the day:

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: Change ARTICLE IV - GENERAL PROVISIONS - SECTION O. FIRE PROTECTION - change the word "firefighting" to "fire suppression". (Planning Board favors)

ARTICLE 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: Change ARTICLE VIII - DENSITY to delete "In the TCD, TID, and TRDB" and replace with "In ALL districts". (Planning Board favors)

ARTICLE 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: Change ARTICLE IX - GREEN AREAS to clarify the permitted activity in the designated green areas, clarify the type and area of green area, and the procedures for implementing. (Planning Board favors)

ARTICLE 5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance

as follows: Add to ARTICLE XVIII - BOARD OF ADJUSTMENT -SECTION D. SPECIAL EXCEPTIONS l-r. Agricultural structures used for horticultural purposes exempted from the setback requirements. If the horticultural purpose ceases, the structure must be removed or brought into compliance with the setback requirements. (Planning Board favors)

ARTICLE 6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: in ARTICLE XIX DEFINITIONS - delete definitions for "HOTEL" and "TOURIST HOMES" and change "TOURIST COURT, CABINS, MOTEL" to read "MOTELS, HOTELS, TOURIST COURTS, AND CABINS" with the definition remaining the same. (Planning Board favors)

Motion was made by Gene Chandler, seconded by Gail Paine to adjourn the meeting until Thursday, March 11, 1993 at 6:30 PM at the Bartlett School to continue with Articles 7 through 32. Vote = Meeting adjourned at 7:00 PM.

Moderator Paine reconvened the Annual Town Meeting on Thursday, March 11, 1993 at 6:40 PM at the Bartlett School. Dawn Finness, Miss Bartlett Teen, and Erin Knowlton, Miss Bartlett Pre-Teen, led the Pledge of Allegiance. Moderator Paine then gave special recognition to those who gave service to the Town and observed a minute of silence to Hellen Hayes, longtime Bartlett resident who passed away in 1992.

Moderator Paine then proceeded with Article 7.

ARTICLE 7. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen favor. Motion was made by Gene Chandler and seconded by Richard Patch to accept the article with a budget of \$967,775. Selectman Chandler explained the Board of Selectmen's position regarding the employees' raises and health benefits and reviewed the budget by department. Various clarification questions asked and answered. Motion was made by Leslie Mallett and seconded by Bernardina Howard to amend the article to add \$900.00 to the library budget to allow for continuation of Saturday hours at the library. Vote was taken on the amendment = PASSED. Moderator Paine then recognized Lydia Lansing, Chairman of the Library Trustees, who made a special presentation to Librarian Jean Garland of an engraved crystal flower vase for her 40 years of service to the Bartlett Public Library. A standing ovation was given. Discussion continued on employee raises and health benefits. Motion was made by William Duggan and seconded by Robert Jones to give raises to the highway crew and transfer station employees only and not across the board raises.

Discussion continued. Vote was taken on the amendment = FAILED. Vote was taken on the amended budget figure of \$968,675. Vote = PASSED (\$968,675).

ARTICLE 8. To see if the Town will vote to authorize the Selectmen and Library Trustees to apply for and accept on behalf of the Town any gifts, legacies, and devises made to the Town in trust for public purposes as permitted in NH RSA 31:19 and accept and expend without further action by Town Meeting, money from State, Federal, and/or other governmental units or private sources in accordance with NH RSA 31:95-b and 202-A:4-c. Selectmen favor. Motion was made by Gene Chandler, seconded by Kathlyn Nealley to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 9. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow a sum in anticipation of the collection of taxes for the current municipal year and to issue in the name of the Town and on the credit of the same, negotiable notes therefor, to be repaid during the current year from taxes collected within the current municipal year. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard Patch to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds or by any other means. Subject only to the interest of relatives and heirs, all disposal shall be by public auction. Selectmen favor. Motion was made by Richard Patch, seconded by Gene Chandler, to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 11. To see if the Town will vote to discontinue the Revaluation Capital Reserve Fund created in 1988. Said funds with accumulated interest to date of withdrawal to be transferred to the town general fund (approx. \$31,000). Selectmen favor. Motion was made by Kathlyn Nealley, seconded by Richard Patch to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 12. To see if the Town will vote to amend the "Town of Bartlett Ordinance Governing the Design and Construction of Septic Systems" adopted at the March 14, 1989 Town Meeting as follows:

Section III - Design of Septic Systems - add these as the last three sentences: "However, in any non-residential uses in the Town served by a metered municipal water system, all water usage data provided by one year of readings in accordance with NH Water Supply and Pollution Control Commission guidelines may be used to determine the adequate septic system and use requirements. All water usage must be metered. All other

local, State and Federal regulations remain in effect. Any approvals issued under this system shall be reviewed on a yearly basis to ascertain compliance.” Selectmen favor. Motion was made by Gene Chandler, seconded by Kathlyn Nealley to accept the article as read. Chandler explained the article. Some discussion. Vote = PASSED.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$40,000.00 for town road improvements and reconstruction. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard Patch to accept the article as read. Chandler explained the article by referring to handouts placed on seats in the audience. Some discussion. Robert Jones asked to use the surplus in Article 14 toward this article. Moderator Paine ruled him out of order and suggested pursuing it when we get to Article 14. No further discussion. Vote = PASSED.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$16,000.00 for the purchase and installation of a waste oil heater, installation of an exhaust fan, and insulation for the Town Garage and siding for the salt shed and to authorize the transfer of up to \$16,000.00 of the December 31, 1992 fund balance (surplus) for this purpose. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard Patch to amend the article to add \$1,500 for a diesel pump. Chandler explained the article indicating that the diesel pump recently failed and needed to be replaced. Some discussion. Vote on the article as amended to \$17,500 = PASSED (\$17,500).

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$22,000.00 to repair and refurbish Town Fire Trucks. Selectmen favor. Motion was made by Richard Patch, seconded by Kathlyn Nealley to accept the article as read. Gene Chandler explained the article. Some discussion. Vote = PASSED.

Motion was made by William Fabrizio, seconded by Jim Clemons to reconsider Article 13. Vote = FAILED.

Moderator Paine continued with Article 16.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the purpose of funding the Annual Christmas Tree Lighting Ceremony. Agreeable to a petition signed by Kathlyn Nealley and others. Patch & Nealley favor/Chandler opposes. Motion was made by Kathlyn Nealley, seconded by Geraldine Tilton to accept the article as read. Kathlyn Nealley spoke to the article. Some discussion. Vote = PASSED.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 as its share to participate in the Hazardous Waste Collection

Day along with the Town of Conway. Selectmen favor. Motion was made by Gene Chandler, seconded by Richard Patch to accept the article as read. Gene Chandler spoke to the article explaining that 29 households from Bartlett used the service last year. No discussion. Vote = PASSED.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$3,834.00 for 1993 membership in the North Country Council, Inc. Agreeable to a petition sponsored by the Bartlett Business Association and signed by George L. Howard and others. Selectmen oppose. Motion was made by George Howard, seconded by Kathlyn Nealley to accept the article as read. George Howard spoke to the article. Some questions of clarification were asked and answered with the assistance of Preston Gilbert, Executive Director of North Country Council, who Moderator Paine gave permission to speak as he is not a registered voter of Bartlett. Motion was made by Gene Chandler, seconded by Ruth Casagrande to move the question. Rita Hill objected because she felt Moderator Paine had recognized Brian Hill to be the next person to have the opportunity to speak and he took the motion to move the question before Hill could speak. Gene Chandler withdrew his motion to move the question and Ruth Casagrande withdrew her second to give Brian Hill the opportunity to speak. Hill spoke in favor of the article. Motion was made by Gene Chandler, seconded by Fred Kuppens to move the question. Vote = PASSED to move the question. Vote was then taken on the article = Moderator was unable to determine from a voice vote and asked for a standing vote with voter cards raised = PASSED (visual count taken, no actual count taken).

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$2,326.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Terrie T. Kroger and others. Selectmen favor. Motion was made by Terrie Kroger, seconded by Bernardina Howard to accept the article as read. Kroger spoke to the article. No discussion. Vote = PASSED.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$3,410.00 for the Children and Youth Project of the Mt. Washington Valley. Agreeable to a petition signed by Prudence Plusch and others. Selectmen favor last year's fund level of \$3,350. Motion was made by Dick Tilton, seconded by Terrie Kroger to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$825.00 for support of the Community Action Outreach Program. Also to see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Big Brother Big Sister Organization administered also by

the Tri-County Community Action Program. Agreeable to a petition signed by Charles Gothreau and others. Selectmen favor last year's fund level of \$800 for CAP/Nealley favors/Patch & Chandler oppose \$200 for BBBSO. Motion was made by Charles Gothreau, seconded by Ronald Patch to accept the article as read. Kathy Patch spoke to the article. No discussion. Vote = PASSED.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$589.00 in support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by Karen Libby and others. Selectmen favor last year's fund level of \$406. Motion was made by Susan Fox, seconded by Karen Libby to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$1,026.00 to assist the Family Health Centre. Agreeable to a petition signed by Vicki Varrichione and others. Nealley favors last year's fund level of \$994/Chandler and Patch oppose. Motion was made by Jean Garland, seconded by Nancy Hodgkins to accept the article as read. Some questions. No further discussion. Vote = PASSED.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$1,145.00 for the Early Intervention Program of Children Unlimited, Inc. (birth to 3 years). Agreeable to a petition signed by Terrie T. Kroger and others. Nealley favors/Patch & Chandler oppose. Motion was made by Terrie Kroger, seconded by Kathy Patch to accept the article as read. No discussion. Vote = PASSED.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$2,340.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Vicki Varrichione and others. Selectmen oppose - use of public funds should require salary disclosure. Motion was made by Vicki Varrichione, seconded by Susan Fox to accept the article as read. Vicki Varrichione spoke to the article. Discussion ensued on salary disclosure issue. No further discussion. Vote = FAILED.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Family Support Program of the Center of Hope. Agreeable to a petition signed by Maureen Sparti and others. Selectmen oppose. Motion was made by Maureen Sparti, seconded by Susan Fox to accept the article as read. Fox spoke to the article. No discussion. Vote = PASSED.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$4,499.00 for the support of the Gibson Center for Senior Services. Selectmen favor. Motion was made by Kathlyn Nealley, seconded by Gene

Chandler, to accept the article as read. Rev. David Eldridge spoke to the article. No discussion. Vote = PASSED.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$300.00 for support of operating expenses of the Eastern Slope Regional Airport Authority. Agreeable to a petition signed by Mark Mudgett and others. Selectmen favor. Motion was made by Mark Mudgett, seconded by Kathlyn Nealley to accept the article as read. Gene Chandler and Mudgett spoke to the article. Chandler noted that former Selectman Hodgkins must have thought it was a misprint that the Selectmen favored this article since it was a battle every year when Hodgkins was a Selectman to get funding for this, however, the Selectmen do occasionally change their minds. No further discussion. Vote = PASSED.

ARTICLE 29. To see if the Town will vote to hold or co-hold the discharge permit or to own the wastewater facility proposed at Mt. Attitash. Selectmen oppose and Mt. Attitash oppose - this action needed in order for Mt. Attitash to proceed as a private permit. Motion was made by Gene Chandler, seconded by Richard Patch to accept the article as read. Chandler explained the article. Some discussion including Fred Kuppens requesting that the article be defeated unanimously. Vote = FAILED (unanimously).

Motion was made by Richard Patch, seconded by Kathlyn Nealley to take Articles 30-31 together as a group. Vote = PASSED.

ARTICLE 30. To see if the Town will vote to accept a deed to an additional segment of Stanton Farm Road, running from the old Trecarten farmhouse to the intersection of Table Rock Road (located in the Stillings's Grant development). This roadway is 66 feet in width and approximately 1,800 feet in length. All construction and surfacing shall be completed to current Town of Bartlett standards (prior to final acceptance by the Selectmen). Agreeable to a petition signed by Tony Rocco and others. Selectmen favor.

ARTICLE 31. To see if the Town will vote to accept a deed to Table Rock Road (located in the Stillings's Grant development). This roadway is 66 feet in width and approximately 880 feet in length. All construction and surfacing shall be completed to current Town of Bartlett standards (prior to final acceptance by the Selectmen). Agreeable to a petition signed by Tony Rocco and others. Selectmen favor.

Gene Chandler spoke to Articles 30 and 31. Some questions of clarification asked and answered. No further discussion. Vote = PASSED (both Articles 30 and 31).

ARTICLE 32. To transact any other business which may legally come before said meeting. Moderator Paine cautioned that any items taken under

this article are advisory only and no money items can be voted under this article. Robert Holmes raised the question of the notation on the Trustee of the Trust Funds account on p. 53. Chandler explained that it was money that was part of a CD that matured and consequently deposited in the Town's account, however, since no money had been spent on the article authorizing the withdrawal of this money, it had to be redeposited back into the account. William Fabrizio asked about the Selectmen holding meetings at night again as do all other town and school boards. Nealley responded that the Selectmen have tried this periodically and it has met with little success but they would consider it again.

Motion was made by Terrie Kroger, seconded by Bernardina Howard to adjourn. Vote = ADJOURNED at 10:45 PM.

ADDENDUM TO TOWN MEETING MINUTES: The results of the voting held on Tuesday, March 9, 1993 were as follows:

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.
