Lotte Jacobi

Lotte Jacobi said, "We came here summers for a few years and we liked it so much we decided to live here."

With her came fame. Her photographic portraits of famous people have gained world-wide acclaim. Local institutions have awarded her honorary degrees. Books are written to tell the story of her life, now at 83.

With Lotte came progress in Deering. She helped arrange the Deering Conservation Committee in the 60's "to meet and see what the town needed." Some of the results: a Ford Foundation project to define the town's needs, the establishing of scenic roads to keep the image of the town, a public town beach, Conservation Camp for students, a town map of natural resources, the acquiring and preservation of land for town use, a pollution survey, clean-up days and maples on the town common.

"My positive spirit gives me hope," she says. "Men will always fight? I don't believe a word of it."

She will be remembered for the heat and drive and warmth of her positive spirit, - her mission: "I have to destroy the bad and try to get decent things done instead." - accomplished. And more to come!

## SELECTMEN'S REPORT

After several years with a stable tax rate, rising costs covering a wide range of operations, including the addition to the Hillsboro-Deering Cooperative School, increased our tax rate for 1979 by \$5.60 per thousand of valuation. This adverse development was mitigated somewhat by unusual weather the end of the year, leaving a surplus in our overall budget for highway maintenance. Several budget allotments, however, resulted in slight deficits due to unforeseen operating expenses. Nevertheless, the Selectmen are pleased to report an unexpended balance of over 9,000. for fiscal year 1979.

Renovation work in the Town Hall continued unabated. The ceiling in the assembly hall has been upgraded and painted and the kitchenette to the rear of the hall will soon be in operating condition. A new Town garage has been erected at only a small cost increase above the amount budgeted.

In an effort to minimize Town operating expenses, we subscribed to a computer service during the year under review. Although reduced expenses covering the Town blotter book, tax warrant and tax bills were achieved by this move, much greater savings are expected in 1980. Further savings are anticipated should we decide to use an offset printing service and issue a separate assessment booklet next year, rather than include individual assessment data in the annual Town report. It is proposed that such a booklet, together with the required property inventory, be mailed to each Deering property owner annually. The Town report, on the other hand, would *not* be mailed out as in the past, but copies would be available from the Selectmen and the Town Clerk. Increasing printing costs, as well as rising postage rates, argue persuasively for this approach. We would appreciate your comments regarding these proposals at Town meeting time.

The building of the new Town garage represents another effort on the part of dedicated citizens of the Town of Deering to donate their expertise to a community-based project. A special building committee, chaired by Russ Moline, included contractors Bob Bennett and Frank Langlois, Bob Nugent, Chairman of the Town Planning Board, and Gordon Rich, Town Road Agent. The Selectmen were represented on the committee by their Chairman, Roland Cote. A hearty vote of thanks is extended to these citizens for their contribution.

### SPECIAL NOTE ON WARRANT ARTICLE NO. 18

The need for a complete revaluation of all the property in the Town is urgent, in our view, if we are to retain "local control" over our own affairs. Estimates, made by us in January, 1980 with the assistance of the State Department of Revenue Administration, show that serious inequities exist today, in spite of a State revalu-

ation in 1968 and our own in 1972. The real estate market has "gone wild", as you all know.

We should like to point out that if this article is passed as written the cost will be spread over a five year period, or \$8,000. per year. We anticipate that through investment of these funds to receive more than enough income to offset any interest charges on the borrowing and also to increase the \$40,000. principal amount.

At the Town Meeting we will show how large the variations in taxes actually paid by you and all other taxpayers are based on the 1979 assessments, as well as our plans to keep the costs to a minimum and under our own control. We strongly urge you to vote "yes" on Article 18.

Respectfully submitted,

ROLAND F. COTE  
THOMAS G. ALLEN  
ERNEST E. JOHNSON

# POLICE DEPARTMENT REPORT

At the completion of 1979 the police cruiser has been in service for 17 months. The advantages of having an official cruiser have reached beyond our original expectations. The Police Department has received favorable comments from the public, attorneys, Sstate Police and the court with respect to the cruiser.

This year the police answering service (464-3600) dispatch received approximately 300 calls. Using this number in most cases expedites a response to your call.

As you probably know, a new dispatch center is in the works. This dispatch center is to be located in the Hillsboro Police Station. The new dispatch center will be equipped with the latest communication equipment. With the improved handling of calls everybody in the area will benefit.

Please continue to advise the Police Department when your home is to be vacant. This enables your Police Department to better serve you.

Respectfully submitted,  
WILLARD A. CAMPBELL  
Chief of Police

## CONSERVATION COMMISSION REPORT

In 1963 the New Hampshire Conservation Commission Enabling Act was signed into law entrusting each commission with the protection of its watershed. In the spirit of local control central to the tradition of government in New Hampshire, the duties of Conservation Commissions have been broadened legislatively to include the power of local review over the Wetland dredge and fill projects in their towns. As the first step in making an accurate index of all wetlands in Deering, the Commission's Marguerite Dutton was instrumental in initiating the soils survey currently being undertaken by the Hillsboro County Soils Conservation Service scheduled for completion by the summer of 1980. The Commission feels that the preparation of an accurate map and evaluation of wetlands will be of use in terms of time and money to the individual landowner, developers, and the town agencies entrusted with the protection of the public interest.

Town line markers ordered from the New Hampshire Department of Public Works and Highways have been installed at Union Street and at River Road on the Deering - Hillsboro lines. Bennington, Frankestown, Henniker, and Weare have been contacted prior to the placing of the remaining markers.

The Conservation Commission voted unanimously to cancel their sponsorship of the annual Roadside Clean-up Day in response to the failure of the legislature to approve the Bottle Bill. The local newspapers were apprised of the Commission's stand on this issue as were representatives Eaton, Humphrey, and Bosse.

In November the Commission sponsored a pot luck supper at the Deering Community Church followed by a film, "Land Use in New Hampshire". Approximately 90 people enjoyed the food,

film, and subsequent discussion which centered on the specific problems of land use in Deering.

Members of the Commission attended a number of meetings during the year: A Planning Seminar and an Area Conservation Committee meeting, both at New England College; the annual meeting of the N.H. Association of Conservation Commissions in Plymouth; and the hearings on the revised Rules and Regulations of the Special Board on dredge and fill (Wetlands Board) in Concord. The information gathered from these meetings is of significant value in helping the Commission carry out its responsibilities to the Town of Deering.

We welcomed Rocco Marotta to the Commission as a replacement for Louise Crossman who resigned early this year.

## DEERING VOLUNTEER FIRE DEPARTMENT

The Fire Department responded to 19 calls this past year. 12 were in Town and 7 were stand-bys and assists to Hillsboro.

The Department purchased 5 more new monitors, a mobile radio for the truck and a portable radio. All this new communication equipment has proven to be quite valuable in cutting down on response time in getting to the fires and communicating with other departments responding.

The Department wishes to thank the townspeople for the support that they have given them this past year on their chicken barbecue and their monthly raffle and hope that support will continue this year.

Anyone that is interested in joining the Department can stop by the fire house on Old County Road the second Tuesday of the month from seven until nine in the evening and make out an application or contact the Chief at any time.

Due to the high cost of oil there are more people going back

to burning wood and the department will be more than happy to come out and inspect wood stoves or to answer any questions that anyone might have pertaining to the safe installation and operation of wood stoves.

Respectfully submitted,  
JERRY F. CILLEY, Chief

## PLANNING BOARD REPORT

After nearly a year of hard work the Planning Board approved a new subdivision regulation designed to better protect the best interests of the Town. However, there are still some measures which cannot be controlled by subdivision regulations. These require zoning which needs the backing of a sound Town Plan. The latter has been under study for several years and is nearly ready for adoption and will be completed in 1980.

Regular meetings were held each month plus special committee meetings in between. Fourteen subdivision applications were received this year of which eleven were approved. Two others are still being processed, one apparently has been dropped, and two from 1978 were approved in January of 1979. These thirteen approvals created a total of sixty lots or forty-seven additional lots.

The 1979 Legislature added to the burden on Planning Boards by requiring written notices to abutters prior to discussion of a proposed subdivision as well as similar notices prior to the required hearing. It also made Planning Boards responsible for issuing permits for sand and gravel pits.

Present economic conditions are unfavorable to building, particularly second homes, and as a result our growth, while steady, is not alarming. This situation probably will not last but your Planning Board hopes to meet the challenge and control the growth for the best interests of the Town of Deering.

## N.H. REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects. As a part of the ongoing technical assistance provided, the Commission has been pleased to be able to assist the Planning Board in the following areas: review of subdivision regulation changes, master plan activities, application form preparation, state law interpretation and review of recent court cases.

The Commission, this past year, hosted seminars on capital improvements programming and the fall legal seminar series. Again the Commission was pleased to see representatives from Deering present.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and appreciates the past support of its activities by the Town of Deering.

Respectfully Submitted,

## BICENTENNIAL COMMITTEE AND HISTORIAN'S REPORT

### BICENTENNIAL COMMITTEE REPORT

Having estimated that we might sell 50 copies of "Welcome Home to Deering" in its second year, it was gratifying to have sold 54 copies. After the Hillsboro Bookstore had sold the book for a year at no profit to them they asked for a 10% commission which we granted; however, they are no longer selling the book. It can still be bought from me or at the Town Clerk's Office. We also sold a few trivets and Deering historical maps which are on sale at my home too.

If we can sell 30 books this year, and have no unexpected expenses, we'll probably have the \$4,000 we borrowed from the Town by the end of 1980.

## HISTORIAN'S REPORT

Serving my fortieth year as auditor for the Town of Deering, it is interesting to note the changes 40 years have wrought in total taxes, total expenditures, school costs and county tax.

The 1960 tax income was approximately three times as great as in 1940. In 1979 the tax income was 7 times as great as in 1960 and 23 times greater than in 1940.

The county tax made no appreciable change until 1970 (using figures at the end of each decade) when it became 3 times as large as in 1940. In 1979 the county tax was 3 times as large as in 1970 and nearly 10 times as large as in 1940.

School costs in 1960 were 8 times greater than in 1940; and in 1979 nearly 10 times greater than in 1960 and nearly 80 times greater than in 1940.

Total expenses multiplied  $4\frac{1}{2}$  times from 1940 to 1960; were 6 times greater in 1979 than in 1960 and 27 times as great as in 1940.

Year	Total tax	County	School	Total Exp.
1940	\$ 18,316.33	\$ 3,425.80	\$ 3,505.12	\$ 20,199.00
1950	27,112.26	2,341.31	16,803.00	44,657.59
1960	56,852.83	3,526.00	28,469.00	91,298.68
1970	157,857.13	10,652.95	100,430.65	246,299.68
1979	403,670.01	32,089.00	276,648.75	544,242.70

During this time I have served with four auditors: Carroll Greene - 1 year, Eunice Willgeroth - 32 years, Dorothy Wood - 5 years and Marjorie Campbell - 2 years.

The work of the annual audit of town accounts has increased considerably during the 40 years due to two things; first, the State Division of Municipal Accounting's forms for town audit is nearly twice as large as in 1940 asking for about twice as many items, and second, at the time the town went to semi-annual tax payments they also divided many taxpayers' holdings into several lots each with an individual tax rather than lumping them together as previously had been done with contiguous property.

## HEALTH OFFICER'S REPORT

Once again it is a pleasure to report that no serious health problems confronted the Board of Health this past year.

A few minor problems were investigated by the Health Officer and corrective measures were advised and the situations resolved.

A snowless winter may cause some wells to run dry. When checking the well water level, this is a good time to check the well cover, making sure the cover is safe for people and animals to walk over and that surface waters are unable to drain into the well.

As we embark into the 80's and the town continues to grow, let us all bear in mind the health and well-being of the community, so that those who come after us may enjoy this beautiful country.

The Health Officer invites anyone, resident or not, with a question or problem relating to the health and welfare of the community to feel free to contact him.

May the 1980's be healthy, happy and prosperous for all.

Respectfully submitted,  
Dr. JAMES M. CAREW  
Health Officer

## HISTORICAL COMMITTEE

The Historical Committee empowered by the Selectmen at the Town Meeting of 1979, to establish a Historical Room or Building in a suitable place, presents this progress report.

Two Public Meetings were held in the Town Hall, June 6, and July 18th, respectively. Motions passed - 1. That an Historical Society be organized. 2. To find a suitable old building. 3. To determine suitable projects and programs for Fund Raising.

After much consideration, the obsolete Town Garage appears to be the ideal building to be restored into an attractive multi-purpose building, serving the Historical Society and other needs.

# DEERING HIGHWAY SAFETY COMM. REPORT

1979 was the fourth year for the Deering Highway Safety Committee. This year the Town was not involved with any projects that required funding.

Therefore the Committee discussed issues such as improving sight by trimming brush at intersections, sign location and other safety matters. The Committee then made its recommendations to the Selectmen.

The Committee will entertain any recommendations pertaining to highway safety. Please feel free to contact the Committee.

For the Committee,  
WILLARD A. CAMPBELL  
CHAIRMAN

RSA 31:39 and N.H. RSA 156.

### Town of Deering

#### Building Permit Ordinance

Section 1. The Board of Selectmen shall be the Building Inspector for the Town of Deering.

Section 2. No person, firm or corporation shall erect, construct, enlarge, alter, improve, move or demolish any building or structure within the Town of Deering without first obtaining a separate building permit for each building or structure from the Board of Selectmen. Where the cost or value of the building or structure or the enlargement, alteration, improvement, moving or demolition of same does not exceed Two thousand Five hundred dollars (\$2,500.), no building permit will be required. Also, no building permit will be required for normal repairs and maintenance.

Section 3. Any person, firm or corporation violating the provisions of this ordinance shall be subject to a fine of \$10.00 and each day's neglect to obtain such a permit shall constitute a separate offense.

Section 4. Appeals shall be as provided in N.H. RSA 156:4a, b and c.

Article 22a. A subsidiary motion was passed to authorize Town Counsel to negotiate down from \$2500. to highest figure acceptable to F.I.A.

It was announced by the Board of Selectmen that the fee for a

building permit would be \$1.00.

Article 23. It was voted to authorize the Selectmen to apply for and accept grants of Federal or State Aid, or both, relative to disasters, civic improvement, highway safety, and the detection, deterrence and apprehension of crime or criminals, any or all, as may be available, and to do all things necessary to carry out this Article.

Article 24. It was voted to authorize the Board of Selectmen to accept or purchase on behalf of the Town any Federal or State surplus fire or highway equipment.

Article 25. It was voted to authorize the Selectmen to trade, sell or otherwise dispose of any surplus Town property.

Article 27. It was voted to place Johanna Reiss, a/k/a Lotte Jacobi, picture on the cover of the next annual Town Report.

Article 28. It was moved that it is the sense of the Town Meeting to request the Selectmen to use the surplus as of December 31, 1978 as a receipt against expenditures and to use Tax Anticipation Notes in the most effective way to realize net benefits for the Town. It was moved that the Selectmen be empowered to appoint a committee, who will immediately study and act upon the recommendation of establishing an Historical Room or Building in a suitable place. Whitney S. Yeaple was given a vote of thanks for his service as Selectman. Incoming Selectman, Ernest E. Johnson, was introduced.

It was voted to adjourn without date.
