***TOWN REPORTS***

**FOR THE YEAR ENDING DECEMBER 31, 1957**

## TO THE CITIZENS OF THE TOWN OF DERRY:

The following report and summary of the several departments and their activities are assembled to better acquaint the voters with the operation of their Town.

The budget for the year 1958 will be considerably higher if approved at the Town Meeting in its present form. Some of the major increases are due to:

1. Payment of \$14,633.81 on the principal and interest on the bond issue for construction of the water main from Derry Village to Klev-Bro Shoe.
2. An increase in salaries to Town Employees.
3. An increase under the Spraying item to take care of cutting of dead and diseased trees and control of pine blister.
4. An item under New Equipment in the amount of \$15,000.00 for the purchase of new equipment.

It is our earnest desire to place before the public in as complete and concise a way as possible all the pertinent facts which you, as taxpayers, are interested.

With this thought in mind we respectfully submit the Report of the Town of Derry for the fiscal year 1957.

Respectfully submitted,

Donald C. Bentley  
Frank T. Buckley  
Emile J. Bienvenue

### LIBRARIAN'S REPORT

The 53rd Annual Report is herewith presented:

# 1957 Annual Report

---

---

The death of Mrs. Harriet Low was one of regret and sorrow to the staff of the library. Mrs. Low was a very helpful and faithful trustee for 50 years.

Many gifts of books have been received during the past year. Some of the current fiction were duplicates of books now on the shelves. If a second copy is not needed it is placed on a back shelf; when needed it is put into circulation.

The Derry Reading Club gave us a year's subscription to the American Heritage; a very fine book for the lover of antiques.

The books from the Ballard estate have made a very fine addition to our non-fiction collection. Many of them have already proved popular with our readers.

Book Week was observed as usual. Instead of the Librarian going into the classrooms to speak to the children, the teachers and children were invited to visit the library. Each forenoon during Book Week the library was open and classes had the opportunity to look at the new books, get acquainted with the card catalogue and choose a book to read.

The children of 4-5-6 grades were given a book story to read. The object was for the child to pick out the book titles which made up the story. This was very popular, many children spent most of their time in the library after school hours.

Mrs. French's class led with the highest score. Mrs. Moore's class came in second. Both classes were given a book for their homeroom library shelf. During the week a reading club was discussed and soon put into action.

The following week the Parochial School Sisters brought their classes in to see the new books. This group also took part in the Story book contest.

Many thanks to our thoughtful friends for the fine gifts the library has received during the past year. All gifts are well used and gratefully received.

## IN MEMORIAM

**HARRIET D. LOW**

Library Trustee 1908-1958

The Board of Trustees suffered a grievous loss with the death of Harriet D. Low. Continuously from 1908 to the time of her death she served as Trustee of the Derry Public Library. For many years she also served as Treasurer. As a token of the respect of the community and in grateful appreciation of these many years of service, the Trustees insert this page in memory of her.

## REPORT OF THE TRUSTEES

The continued use of library facilities by the Arts and Crafts groups, and the Sweet Adelines, regularly and other organized community groups occasionally, is a worthwhile use of library facilities. Library facilities are maintained as one means of developing leisure time activities of an intellectual nature. These activities in the arts certainly fall in this category. The trustees encourage such activities gladly.

The community is indeed fortunate to continue to have the services of the current staff. Efficient service, not only in the use of the library's facilities, fiction and reference books, but also in bringing books and other reference from other libraries in the state expand immensely the materials available to the library patrons. This service is one that is always rendered promptly.

The board of trustees and the library suffered a grievous loss with the death of Harriet Low who had served as trustee 50 years many of which she also served as treasurer. Such a period of conscientious, devoted service is quite unusual.

It is the hope of the trustees and staff that greater use of plant and facilities of the library be made by residents of the town.

# 1957 Annual Report

---

To the Trustees of the Taylor Library:

The following report is respectfully submitted:

On December 24th the library was not open for either session and it was also closed on New Year's Eve. It was open 104 days. The circulation at the desk was 4845 volumes, which made a daily average circulation of 46 plus volumes.

Three teachers have taken books on an indefinite time basis for use in the school room, and some 200 or more books have been read by the pupils.

It would seem as if this school reading has inspired the children to keep on reading, for the juvenile reading for the year showed an increase over 1956.

The librarian is pleased with the increased activity of the library and most appreciative of the interest of friends who have given 43 volumes for the shelves. Also the inside painting which you trustees have had done added greatly to the freshness of the library and we thank you.

As usual we have the lovely Christmas wreath, the annual gift of Mrs. Walter Harding and we thank her.

Mabel C. Berry,

Librarian
