Total, $308,711 00

Number of dogs, 46;
Amount of dog tax, $52 00
Rate per cent. per one hundred dollars, $1.85.
SCHOOL MONEY.

Tax raised, 1887, $800 00
Literary fund, 103 68
School fund, 73 68

Order given school board, $976 68

Amount of school money in treasury available for 1888:
Literary fund, $128 02
School fund, 32 86

Total, $160 88

HIGHWAYS.

Appropriation, 1887, $700 00
Expended, 634 12

Balance unexpended, $65 88

The results of raising the highway tax in money, and expending the same in the mode of last year, compels us to recommend that the tax be raised and expended the same way the present year. Deeming it necessary to have the highways properly railed, we have caused railings to be placed at exposed points.

There has been expended for the repairs of bridges the sum of $98.83. The probabilities are that the expense of repairs will exceed that of last year.

The cost of breaking the highways the winter of 1886 and 1887 was $386.92.

TOWN DEBT.

Bonded debt, $15,000 00
Notes, 4,100 00

Total debt, $19,100 00
ASSETS.

Balance in treasury March 1, 1888, $185.31
Taxes outstanding, 415.06
Interest on savings bank deposit (estimated), 26.25

$626.62

Amount of tax assessed on April invoice, $5,712.31
Amount of tax assessed by special invoice, 56.75
Dog tax, 52.00

Committed to collector, $5,821.06

We would recommend to be raised by tax the ensuing year the following sums in addition to State and County taxes:

For the Library, $100.00
Schools, 700.00
Highways, 700.00
Breaking roads, 300.00
Town debt and interest, 1,500.00
Ordinary town charges, 800.00

Respectfully submitted,

AARON SMITH,
GEO. F. TUFTS,
LUTHER P. EATON,
Selectmen of Harrisville.

Your committee would recommend the raising of a moderate sum of money for the purchase of books, believing that no better use can be made in an educational way of a limited amount each year.

Your committee have been fortunate in securing the services of Mrs. Laura M. Tuttle as Librarian (a position not new to her), who has given excellent satisfaction.

REPORT OF SCHOOL BOARD.

NO. 1—GRAMMAR SCHOOL.

First Term.—Mr. John Putnam, teacher.

Mr. Putnam has a firm, quiet way, and is a good instructor. He makes his scholars understand that they must behave, for there is no other way when he is teacher. The right teacher for this school.

Second Term.—Mr. Richard S. Ely, teacher.

At the commencement we had some doubts about the success of this teacher. The school room is no place for a man who is not alive and wide awake. This teacher might be the former; we have serious doubts about the latter, or he would not permit the scholars to pull down the school building over his head, which they came near doing. Only about two-thirds of the scholars were present at the final examination, but those appeared much better than we should have supposed they could by the looks of the surroundings. This school not only needs a first-class teacher, but a little more interest taken by the parents. Children having good instruction at home will not wantonly injure and deface the school building.

NO. 1—PRIMARY SCHOOL.

First Term.—Mrs. Henri Robbins, teacher.

A pretty good school; never saw less communication among scholars. The instruction thorough, but she seems to
lack animation in her work, and fails to impart it to the scholars.

SECOND TERM.—Miss Bertha Seaver, teacher.

Miss Seaver seemed very enthusiastic in her work, gave good instruction, but failed to keep good order at the same time; no doubt would succeed in a smaller school. Miss Seaver has some excellent qualities as a teacher.

SCHOOL NO. 2.

The first term of this school was taught by Miss Ella C. Ware of Hancock. Miss Ware is a teacher thorough and faithful. The progress made was very good. The improvement in reading was the most marked.

SECOND TERM.—Miss Nellie J. Clark of Plymouth, teacher.

Miss Clark is a teacher of excellent qualifications and considerable experience. There was no examination at the close on account of the great storm which took place at that time. As far as we know there was not the slightest dissatisfaction on the part of scholars and parents. The school which has the services of Miss Clark we consider fortunate indeed.

SCHOOL NO. 3.

FIRST TERM.—Miss Bertha Seaver, teacher.

Although Miss Seaver had had but little experience, yet she managed this school with good success. The scholars took a deep interest and made more than average improvement.

SECOND TERM.—Mrs. Henri Robbins, teacher.

At the closing examination the school made a fair appearance. This school has some very bright scholars and is easily governed. Our only criticism would be that there was a lack of life and animation in the recitations; a little too much of a disposition to go to sleep. This will not answer at all in the school room. The parents in this district are alive to the educational welfare of their children. With the material they have it is easy to have a first-class school.
SCHOOL NO. 4.

Both terms were taught by Miss Clara E. Wood. Whole number of scholars for the year, nine. Three were neither absent nor tardy the first term, and four the second. The instruction was good and the scholars studious.

The wood for this school both last year and this was given by Mr. Royce and worked up by Mr. Tarbox without any expense to the town.

SCHOOL NO. 5.

FIRST TERM.—Miss Alice G. Spear of Keene, teacher.

This school closed during the seventh week on account of the measles, without an examination, so we are unable to tell very much about the merits of the school.

The Winter term was taught by Miss F. Mabel Estabrooks of Hancock, a wide-awake, active teacher. The order was good, and the school a very profitable one. Quite a number of parents were in examination day, and all seemed to be well pleased with the appearance of the school.
ROLL OF HONOR.
