m. Town Poor	100.00
n. Old Age Assistance	900.00
o. Cemeteries	400.00
	<hr/>
	\$ 5,715.00

Article 3. To see what sum of money, in addition to the amount already appropriated under Article 2 of this Warrant, the Town will raise and appropriate to defray Town Charges.

Article 4. To see what sum of money the Town will raise and appropriate, to be used together with and in addition to the Class-V Allotment, \$2,732.08 (Duncan Money, so-called), for the Summer maintenance of Highways and Bridges.

Article 5. To see what sum of money the Town will raise and appropriate for the Winter maintenance of Highways and Bridges.

Article 6. To see if the Town will raise and appropriate the sum of \$481.47 and apply for Class-V Assistance, TRA so-called. State of New Hampshire to furnish \$3,209.82.

Article 7. To see what sum of money the Town will raise and appropriate to be placed in the Capital Reserve Fund already established for the purchase of fire equipment.

Article 8. To see what sum of money the Town will raise and appropriate to reduce existing long term notes.

Article 9. To see if the Town will vote to amend the existing building regulations, as adopted in 1959, by adopting in place thereof the following regulations:

## 1. General Provisions

A. The Inspector of Buildings shall be appointed by the Selectmen annually and shall be the administrative officer of this ordinance. He shall receive applications and fees for the erection of buildings and electric wiring thereof as provided in this ordinance; shall keep complete records of all applications and his action on the applications; promptly survey and inspect all buildings, or uses proposed, accept and deposit with the town Treasurer all fees collected by him under this ordinance, and may issue permits for erection of all buildings, and the use of the land, if in his opinion the proposal complies with the law of the State, this ordinance, and other town ordinances and by-laws, provided that in any instance where license or permit fees for uses are required his permits shall constitute only an approval on which the proper authority may issue a license on payment of required fees; any other duties prescribed by law, shall act in cooperation with the fire chief in any matter in which their duties as prescribed by law may coincide or conflict; and shall take such action in the enforcement of this ordinance as may be directed by the selectmen.

B. No building construction shall be started; and no building shall be put to any different use than on the day of enactment of this ordinance until a permit there of has been issued under the terms of this ordinance.

C. No application for a permit required by this ordinance shall receive action by the building inspector unless made in writing. All applications for a permit to build, construct or alter the use of any building shall be accompanied by a sketch or plan for the proposed construction, encompassing all aspects of this ordinance, and a statement of its intended use when built or constructed. The applicant will include an estimate of completion date. Completion date is defined as that time when, in the opinion of the building inspector, the provisions of this ordinance have been carried out. Failure to complete construction within 30 days after applicants estimate will be considered a violation of this ordinance. A fee of one dollar shall be paid for all permits issued. A building permit shall become void unless operations are commenced within six months from date of approval.

D. Upon receiving such application the building inspector shall promptly take such action as may be indicated in the way of investigation or public hearings to acquaint himself with the merits of the application. He may, without judging the application on its merits, refer the application to the

board of adjustment. If, however, he finds the proposed building, or use of proposed buildings to conform with the law and this ordinance he may at once issue the permit in writing over his signature. If he finds the proposal in any way conflicts with the law or this ordinance he shall fix whatever restrictions or conditions on the proposed construction or use as may be in his best judgement, right and proper, or, for reasonable cause refuse the permit. Applicant has the right of appeal to the board of adjustment.

## 2. Regulations on dwellings

A. **Lot size.** Minimum lot size upon which a dwelling may be built or constructed shall be one acre. All buildings including attached or detached accessory buildings, shall not occupy more than 25% of the lot.

B. **Building Area.** Every dwelling unit shall have a minimum ground floor area of six hundred square feet.

C. **Foundations.** All structures shall be set on solid foundations of concrete or masonry.

D. **External Siding.** Shall be constructed of a permanent type material commonly used for outside construction.

E. **Roofs.** No roof of any building shall be covered or recovered in whole or in part save with non-combustible or fire resistant roofing materials.

F. **Exits.** No dwelling shall be built or constructed that does not include at least two exits.

G. **Water.** All dwellings will have a supply of potable water, adequate to meet sanitary regulations.

H. **Chimney construction.** Chimneys shall be constructed of bricks, stone masonry or any other materials suitable for chimney construction and accepted by national standards as set forth in Article 10 of the National Building Code of the National Board of Fire Underwriters. Chimneys shall extend at least two feet higher than any portion of the building within ten feet of said chimney. No chimney shall have its base resting upon any floor or beam of combustible material. All chimneys shall be lined with tile flue lining.

I. **Thimbles.** No wall paper or other combustible material shall be laid over any thimble or thimble hole in any chimney.

J. **Smoke Pipes.** No smoke pipes shall be installed or erected so as to be within twelve inches of any combustible

floor, wall or ceiling, unless amply protected with non-combustible material and in no case closer than nine inches. No smoke pipes shall be installed or erected which passes into or through partitions or walls.

**K. Electric Wiring.** All electrical wiring shall conform with approved methods and practices as set forth in the National Electrical Code of most recent publication.

**L. Sewerage.** All dwellings shall have a sewerage disposal system including flush toilet, septic tank, and a drain field.

**M. Fire stops.** No building of wood or other combustible material shall be erected, altered, remodeled, or enlarged without providing fire-stops in every combustible wall or partition, at every floor and between floor joints at every partition.

### 3. Regulations on commercial or public buildings

**A. Walls.** No building intended or designed to be used for industrial, commercial, or other public use shall be erected or used for any purpose which does not provide non-combustible walls and partitions between its component parts.

**B. Exits.** No buildings intended or designed for any public use or congregation of people shall be erected or used for any purpose which does not provide adequate exits as described in the Regulations of the New Hampshire Fire Marshal's Office.

**C.** Section 2 (Regulations on dwellings) C, D, E, G, H, I, J, K, L and M all apply.

### 4. Accessory Buildings

**A.** All attached accessory buildings not used for living purposes will conform to section 2-C, D, E, H, I, J, K.

**B.** Detached accessory buildings not used for living purposes will conform to section 2-D, E, H, I, J, K.

### 5. Trailers and Mobile Homes

**A.** A permit will be required for the placing of an individual trailer or mobile home on a lot.

**B.** A trailer or mobile home intended for use as a dwelling will not be exempt from section 2 A, G, L.

C. Trailers or mobile homes not conforming in their construction to sections 2-G and L will only be allowable when placed on a lot that contains an approved dwelling. A permit must be obtained for such placing and will be of three month duration and be non-renewable. A non-renewable permit of one year duration may be issued for the placing of such trailer while a permanent home is being constructed. Placing will be on the same lot as the permanent building is being erected.

D. Section 4-A also applies to building lots containing a trailer or mobile home.

E. Mobile Home and trailer parts. Sanitary laws and Regulations of the New Hampshire State Department of Health adopted into this ordinance by reference.

## **6. Exceptions**

All buildings existing and in use on the effective date of this ordinance together with minor alterations, repairs and general upkeep to existing buildings shall be exempt from the provisions of this ordinance.

## **7. Board of Adjustment**

The selectmen shall annually appoint a Board of Adjustment consisting of three members, said board to serve without compensation. The Board of Adjustment shall have the authority to hear and decide appeals as to the proper interpretation of this ordinance and to allow minor variances that are not contrary to the public interest and that are within the intention of this ordinance, where a literal enforcement would result in an unnecessary hardship.

## **8. Amendment**

This ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting.

## **9. Enforcement**

Upon any well-founded information that this Ordinance is being violated, the selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this ordinance by seeking an injunction in the Superior Court or by any other appropriate legal action. Whoever violates any of the provisions of the above regulations shall be punished upon conviction by a fine not exceeding ten dollars for each day of violation.

**10. Takes Effect**

This ordinance shall take effect upon its passage.

**11. Conflicting Provisions**

Whenever the regulations made under the authority hereof differ from those described by any statute, ordinance, or other regulations, that provision which imposes the greater restriction or the higher standard shall govern.

**12. Validity**

If any section, clause or provision portion, or phrase of this ordinance shall be held to be invalid or unconstitutional by any court of competent authority such holding shall not affect, impair or invalidate any other section, clause, provision, portion or phrase of this Ordinance.

Article 10. To see if the Town will vote to create a town planning board under the provisions of Chapter 36: 1-15 RSA 1955.

Article 11. To see if the Town will vote to authorize the Selectmen to sell the McDermott Bridge.

Article 12. To see if the Town will raise and appropriate the sum of \$50.00 for the observance of Memorial Day.

Article 13. To see if the Town will raise and appropriate the sum of \$300.00 for the use of the Alstead Town Dump for the ensuing year.

Article 14. To see if the Town will raise and appropriate the sum of \$250.00 for the Town Library.

Article 15. To see if the Town will raise and appropriate the sum of \$25.00, to be matched by the State of New Hampshire, to be used for opening back roads and trails.

Article 16. To see if the Town will vote to accept all Trust Funds for the perpetual care of Cemetery lots.

Article 17. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 18. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed.

Article 19. To transact any other business that may legally come before said meeting.

Article 20. To allow accounts.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and sixty-six.

GEORGE B. PORTER  
WILLIAM O. SHELDON  
GEORGE A. HOLMES

Selectmen of Langdon

**REPORT OF THE FOREST FIRE WARDEN  
AND DISTRICT CHIEF**

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindfull that a spark or flame is a potential fire.

**We must all be careful:**

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely despose of rubbish preferably at the town dump.

If you must burn rubbish or brush:

- a. Always get a permit to burn from the warden.
- b. Start your fire late in the day after 5:00 p.m.

- c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

### REPORT OF THE SPECIAL COMMITTEE ON FIRE PROTECTION

The Town Meeting in 1965 set up a Committee to study the best method of fire control in the Town on a long range basis. The building of a consolidated High School and the rapidly increasing number of dwellings being built in Langdon made this research necessary. Your Committee reports as follows:

The best planning for adequate fire apparatus not only considers the best type to meet a particular need, but also is guided by the requirements of the Insurance Underwriters. The very practical objective of this kind of planning is to obtain a lower rate of insurance premiums and substantial savings in money to the policy holders. One of the minimum requirements is a 500 gallon per minute modern pumper. Our equipment does well enough for the town as we have known it in the past; but with the building that is taking place now, it has several deficiencies. We cannot load much equipment on any one of the trucks. The forestry tanker is slow and has only a small capacity pump. Moreover, it is of an aging design and breakdowns might result in not being able to get parts. A hardhitting first class truck is the answer.

This truck should be heavy enough to carry all the gear necessary for the first attack on a fire. The Committee recommends that an amount of \$2,000.00 be added to the Capital Reserve Fund by the 1966 Town Meeting.

Other minor specifications for the tanker truck recommended by the Committee are:

- (1) At least a 500 gal. booster tank.
- (2) 2 to 2½ ton chassis.
- (3) 6 cylinder engine not a V8.
- (4) 2 battery ignition.
- (5) 200 feet 1 inch booster line and reel.
- (6) Preconnected 1½ line attached to booster tank.
- (7) Bronze pump of 500-750 gal. capacity.

By taking a calculated risk the burden can be spread over three to five years. The Capital Reserve Fund Plan will be more a pay-as-you-go proposition than using a bond issue to hasten the purchase; and is favored by the Committee.

It is further recommended that steps should be taken to see if the Alstead pumper, soon to be turned in for a new one, can be acquired for our use until we can buy a new tanker pumper of our own.

**THE STATE OF NEW HAMPSHIRE  
SCHOOL WARRANT**

To the inhabitants of the School District in the Town of Langdon qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March, 1966, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the remaining term of office, June 30, 1966.
2. To choose a Clerk for the remaining term of office, June 30, 1966.
3. To choose a member of the School Board for the remaining term of office, June 30, 1966.
4. To see if the district will vote to authorize the Treasurer to remain in office until such time as the school accounts for the school year 1965-66 have been audited.
5. To see if the district will authorize payment of the salaries of school board members and other officers and agents on a pro-rated basis.
6. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
7. To see what sum of money the district will vote to raise and appropriate as a deficit appropriation, said amount to be made available prior to June 30, 1966.
8. To transact any other business that may legally come before the meeting.

GIVEN UNDER OUR HANDS at said Langdon this twenty-first day of February, 1966.

A True Copy of Warrant - Attest:  
RUTH KEMP, Chairman  
WILLIAM O. SHELDON

State's Share	5,000.00
	<hr/>
	\$ 8,500.00

## ASSISTANT SUPERINTENDENT'S REPORT

To the School Board and Citizens of the Town of Langdon, I herewith submit my first report as Asst. Superintendent of Schools.

### Staff

The Sarah A. Porter School continues to be blessed with two seasoned teachers. It is unique in the state of New Hampshire to find such good teachers in multiple grade situations.

Mrs. Thelma Whitcher, an experienced teacher of some twenty years, has that understanding of and warmth for the young people of grades 1, 2 and 3.

Mrs. Barbara Putnam, teacher of grades 4, 5, and 6 and principal, displays a firmness and consideration for her pupils, factors that are so important, since the next step for these youngsters will be junior high school.

To both of these teachers I am indebted for their dedication to the teaching profession.

### School Organization 1965-1966

At the writing of this report, it would appear that Langdon has the same problem as that of so many other New Hampshire elementary schools—bulging walls.

In his report of last March, Mr. Stickney mentioned that he anticipated for the 1965-66 year a total of 22 young people in Mrs. Whitcher's room and 24 pupils in Mrs. Putnam's room.

Current figures are as follows:

Mrs. Whitcher (as of 1/14/66)	Grade 1	7 pupils
	Grade 2	10 pupils
	Grade 3	8 pupils
	Total	25 pupils
Mrs. Putnam (as of 1/14/66)	Grade 4	8 pupils
	Grade 5	14 pupils
	Grade 6	7 pupils
	Total	29 pupils

### School Board Meetings

The School Board has met regularly with me since October 1st when Mr. Stickney retired.

With Mrs. Ruth Kemp as chairman, Mr. Ira Huntley as secretary and Mr. Oren Sheldon, you have a responsible and interested group representing you.

Certainly, with their understanding and cooperation the change-over in administration was that much smoother.

### State Reimbursements

From the State of New Hampshire the Langdon School District received the following financial aid:

1. Foundation Grant	\$ 11,420.78
2. Sweepstakes	1,892.53
3. Special Aid (Needy District)	1,721.62

The 1964 Equalized Valuation showed that Langdon was not as needy as the 1962 Equalized Valuation had shown with the result that Langdon received \$652.38 less than the figures of \$2,374.00 that had been included in the budget as an estimated receipt.

In correspondence from the State Tax Commission of October 11, 1965, "...The subject of 'Special School Aid' has been referred to the New Hampshire Supreme Court for review and decision so that the actual amount that you may receive will not be known for some time.

In the event that your entitlement is increased as a result of the decision of the court, any funds received in excess of the estimate should be on hand at the end of the current school year to apply towards reduction of the 1966-67 school tax. If, on the other hand, the actual funds received are less than the estimate and the shortage cannot be absorbed, a supplemental appropriation should be requested at your next annual school district meeting..."

### School Improvement and Maintenance

During the summer the school building was thoroughly cleaned. In Mr. Chaloux you have a custodian who certainly takes pride in his work.

Not only was the building cleaned interior-wise but a new coat of paint was applied to the outside.

In summation, perhaps I should mention what Mr. John S. Peck, Jr., State Department of Health and Welfare, had to say along with other favorable comments, "I wish to congratulate the Langdon school officials on the new lighting in this school."

### Summary

The change-over on October 1, 1965, was especially meaningful for me. In my travels I have met the fullest of cooperation and interest in education. For this I am appreciative. Also, I wish to thank you for your friendliness; this, indeed, adds pleasure to the position.

Respectively submitted,

HENRY L. BREMNER  
Asst. Superintendent of Schools

## PRINCIPAL'S REPORT

This year, perhaps more than any other, will be remembered as a year of changes, adjustments, progress, and doing our bit toward making the transition to next year's major change, a pleasant one.

It was with mixed feelings that Langdon's sixth grade received the news, that due to overcrowded conditions in Alstead, they would be attending seventh grade in North Walpole. Word has been received from North Walpole, however, that they have adjusted well as a group, and that their one year introduction to **The New Math** is a valuable asset.

Our congratulations to Vilas' Class of '65 Valedictorian who came from Langdon.

Those of us who remained in Langdon also had changes to make. After many years of service as our superintendent, Mr. Noyes C. Stickney retired, and with his wife went to their new home in Florida.

In September, we joined Union No. 60 under Mr. Keach and Mr. Bremner, with Mr. Bremner largely responsible for our district. In his busy schedule of meetings and plans for the new schools, he has somehow found time to efficiently attend to our needs.

In June, all said goodbye to Mr. Clark after his many years as accident-free bus driver and friend of the children. Mr. Whipple now drives the original route, and also transports the seventh and eighth graders to North Walpole.

When we returned in September we were proud of the appearance of our school with its fresh coat of paint, and the children were happy with their new swing set and repairs on the old one.

The working conditions in our school were greatly improved by the installation of fluorescent lights. They are appreciated by all, including the state inspector.

Once again, but for the last time, October was Vilas Fair time. As it was a two day fair this year, the school did not attend in a group. Many Langdon children participated in the parade with the scouts, Merry Makers, and 4-H Club. Each child has at least one article of work in the exhibit.

As of this writing we are happy to welcome back our school nurse, Miss Florence MacIver, after her illness. Many of our children were transported by bus to the clinic in Charlestown.

At school, they have been tested for defects in eyesight and hearing and received the Heaf test for tuberculosis.

Our Parents' Club has been very active this year in the interests of our children. We have received additional reference books, and study materials for the classrooms, and new draperies for the primary room. Their latest service is assuming responsibility for the preparation and serving of soup during the winter months. The Community Club has once again thoughtfully contributed to the program. We haven't quite reached the critically crowded stage, but with three grades and twenty-five children in the primary room, and three grades with twenty-nine children in the intermediate room, there is but little space or time for some of our previous activities.

We are continuing with **The New Math** in all grades. In our situation of multiple grades, it is proving to have been a good choice to introduce **The New Math** to everyone in the same year.

Mrs. Christine Holmes gave generously of her time to instruct the children in music, and assisted us with our Memorial program. The children benefited greatly, and we look forward to the time when it will be possible to have group instruction in music become a permanent part of our curriculum.

In November, Mrs. Whitcher attended an Art Course in Bellows Falls and brought back many stimulating ideas for improving our Art classes.

Our thanks to Mrs. Earl Luther, Jr. who gave her time to teach dances which were used in our Christmas program. Teaching children to follow directions, and perform as a team, whether it is in the classroom, dancing or on the playground, is an important part of their training.

Mrs. Whitcher and I wish to thank our superintendents, school board, school nurse, parents, and friends for their cooperation in making this year a strong link in our years of educational progress.

Respectfully submitted,

BARBARA E. PUTNAM, Principal

## SCHOOL NURSE'S REPORT

During this past school year our usual testing programs were carried out. Forty-six vision tests were done and four children were found to need further examination. Four corrections were made.

Forty-seven hearing tests followed by three audiograms (full scale hearing tests) were done. One hearing problem was found and the child was seen by the family physician.

Forty-six children were weighed, measured and checked for noticeable abnormalities. The need for corrective dental care continues to be one of our health problems.

Tuberculin Heaf Testing was done on twenty-one children (first, and fourth grade, children new to the area as well as two adults). No one reacted to the test.

Langdon children (pre-school as well as school children) attended Immunization Clinics in Charlestown in September and October. They will be attending one more Clinic during this winter. These Clinics were well attended and transportation was provided. Sabin Polio Vaccine, Triple Toxoid (Diphtheria and Whooping Cough) and Small Pox Vaccinations were made available. There was a great need for this type of Clinic, particularly for the Pre-School children. The Clinics were sponsored free of charge by the New Hampshire State Department of Health. It has been a good school year with very little illness.

I would like to take this opportunity to thank you all for your fine cooperation and interest in the School Health program.

Respectively submitted,

FLORENCE MacIVER  
School Nurse

## VITAL STATISTICS—1965

### BIRTHS

DATE 1965	NAME	FATHER	MOTHER
Jan. 21	Michael Paul Roentsch	Frederick Paul Roentsch	Patricia Ann Barrett
March 27	Lauri Lee Burnham	Donald Edwin Burnham	Mary Bernadette Whelan
