BOARD OF SELECTMEN

WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Stewartstown, in the County of Coos, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Stewartstown on Tuesday the 12th day of March next, at seven (7) o'clock in the evening, to act upon the following subjects:

Article:

1. To see if the Town will vote to give the Selectmen authority to appoint all necessary Town Officers not elected by ballot.
2. To see if the Town will vote to accept the budget made up by the Budget Committee and to raise money for the same. If not, to see what sum of money the Town will vote to raise to defray Town charges for the ensuing year as follows:

(a)	Town Officers Salaries	\$12,250.00
(b)	Town Officers Expenses	11,000.00
(c)	Elections & Registrations	900.00
(d)	Cemeteries	3,000.00
(e)	General Government Buildings	2,000.00
(f)	Legal Expenses	15,000.00
(g)	Advertising & Regional Ass.	1,000.00
(h)	Police Department	7,000.00
(i)	Fire Department	10,000.00
(j)	Radio Communication	1,700.00
(k)	Summer Road Maintenance	12,000.00
(l)	Winter Road Maintenance	45,000.00
(m)	Highway Block Grant	63,416.00
(n)	General Highway Dept. Expenses	12,000.00
(o)	Diamond Pond Road	4,275.00
(p)	Street Lighting	8,500.00
(q)	Solid Waste Disposal	53,000.00
(r)	Health Department	200.00
(s)	Northern Coos Community Health	3,500.00
(t)	Upper Conn. Valley Hospital	2,700.00
(u)	Ambulance District A-1	950.00
(v)	Upper Conn Valley Mental Health	750.00
(w)	Vershire Center	250.00
(x)	Vital Statistics	150.00

(y)	General Assistance	2,000.00
(z)	Community Action Program	840.00
(aa)	Library	600.00
(bb)	Parks and Recreation	800.00
(cc)	Patriotic Purposes	350.00
(dd)	Prin. of Long-Term Bonds & Notes	5,740.00
(ee)	Int. Exp. on Long-Term Bonds & Notes	24,976.00
(ff)	Int. Exp. Temporary Loans	2,500.00
(gg)	Canaan Bonds Per IMA	4,300.00
(hh)	Cemetery Improvements	1,500.00
(ii)	Tax Map Revisions	500.00
(jj)	Municipal Sewer Department	52,601.00
(kk)	New Town Office	125,000.00
(ll)	Sewer Line & Muffin Monster	44,000.00
(mm)	Insurance	8,000.00
		<u>8,000.00</u>

Total Budget Recommended by the
Budget Committee \$544,248.00

3. To see if the Town will vote to authorize the Selectmen to appoint the overseer of public welfare beginning the 13th day of March 1991.
4. To see if the Town will vote to authorize for, accept and expend such Federal, State or other governmental unit or private source of funding which becomes available during the year in accordance with RSA 31:95B.
5. To see if the Town will vote to authorize the selectmen to incur debts for temporary loans in anticipation of taxes of the municipal year and pay out of the tax monies when received.
6. To see if the Town will vote to authorize the Selectmen to appoint one (1) or more road agents as permitted by RSA 231:62. Said Road Agents shall be appointed at the expiration of the terms of office of the current elected Road Agents March 11, 1992. (By Written Ballot)
7. To see if the Town will vote to authorize the Selectmen to close down Cross Street as a thru Street.
8. To see if the Town will vote to raise and appropriate the sum of \$125,000.00 one hundred twenty five thousand for the construction and original equipping of a new Town Building and to authorize the withdrawal of (\$57,016.32) Fifty Seven Thousand sixteen dollars and thirty two cents, plus (\$294.58) two hundred ninety four dollars and fifty eight cents interest plus accrued interest to date of withdrawal from the Town Office Capital Reserve Account:

furthermore to authorize the use of December 31, 1990 fund balance in the amount of (61,977.00) sixty one thousand Nine hundred seventy seven dollars plus acrued interest to date of withdrawal. If short of \$125,000.00 the balance is to be raised by taxation.

9. To see if the Town will vote to raise and appropriate the sum of (\$44,000.00) forty four thousand dollars for the construction of a new sewer line across the new bridge and a new commuter (Muffin Monster): furthermore to authorize the withdrawal of \$44,000.00 from the Sewer Capital Reserve and to authorize the Selectmen to expend the monies on these two projects.
10. To see if the Town will vote to rescind the vote heretofore made which adopted the provisions of the Municipal Budget Law. (An affirmative vote on this article would abolish the Budget Committee). Voting on this article must be by written ballot with a majority vote of those present and voting being required for adoption.
11. To transact any other business that may legally be brought before this meeting.

Given under our hands and seals this 15th day of February, in the year of our Lord, Nineteen Hundred and Ninty One.

STEWARTSTOWN SCHOOL DISTRICT
W A R R A N T
The State of New Hampshire

To the Inhabitants of the School District in the Town of Stewartstown qualified to vote in district affairs:

You are hereby notified to meet at the Hollow School in said District on Monday, the 11th day of March, 1991, at 7:30 o'clock in the evening to act upon the following subjects:

1. To determine the salaries of the School Board and fix the compensation of any other officers or agents of the District.
2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
3. To see if the school district will authorize the School Board to make application for, receive and expend in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may be forthcoming from any source in accord with the provisions of RSA 198:20-b.
4. To see if the District will vote to raise and appropriate the sum of \$26,500.00 to purchase a school transportation vehicle and authorize the withdrawal of \$11,000.00 from the Capital Reserve Fund created for that purpose. The balance of \$15,500.00 to come from general taxation; and to designate the School Board as agent to expend. This represents a supplemental appropriation that will be made available prior to June 30, 1991. (Recommended by Budget Committee)
5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries of the School District Officials and Agents, and for the payment of the statutory obligations of the District.
6. To transact any other business that may legally come before this meeting.

Given under our hands at said Stewartstown the 18th day of February, 1991.

IOLA BOIRE, Chairman

PROCEEDINGS OF SCHOOL DISTRICT MEETING
March 12, 1990
The School District of Stewartstown
County of Coos
State of New Hampshire

School Meeting was called to order at 7:30 pm by School Moderator, Dennis Joos, with about 155 voters in attendance.

ARTICLE 1. Larry Ladd moved that the salaries of the school board and any other officers or agents of the district to be fixed as set forth in the annual school report. Iola Boire seconded and the motion carried in the affirmative.

ARTICLE 2. Landon Placey made the motion that the reports of the officers, agents, auditors and committees of the Stewartstown School District, as set forth in the annual report of the district, be accepted and placed on file. Larry Ladd seconded. The motion carried in the affirmative.

ARTICLE 3. John Bouchard made the motion that the residents of the Stewartstown School District find the State of New Hampshire to be negligent by failing to fund Public Education, thus creating an undue burden on the local property taxpayer and that we request that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing state aid to education. This was seconded by Carmen Esposito.

It was explained by Mr. Allen that the result of the vote would have to be reported to the School Boards Association.

It was voted in the affirmative.

ARTICLE 4. Larry Ladd make the motion to authorize the school board to purchase the Colon Chappell site (approximately 8.12 acres) for the sole purpose of a building site for future school buildings and to raise and appropriate the sum of \$35,500 (thirty five thousand, five hundred dollars) for the same. Iola Boire seconded this.

Phillip Caron spoke about the cost of maintaining Bishop Brook Road if the school was built on this property. It was explained that two of the buses are already traveling the road so that there shouldn't be too much that would have to be done to the road.

Marie Clymer asked if the article was not passed, would it be on the warrant again next year. The reply was that it might not be next year, but that something is going to have to be done within the next few years.

Norma Burns asked about buying land from Champion and about other sites checked out. Mr. Allen read a letter from Champion stating that they really don't want to sell any land, but might consider selling one fourth of one acre.

Kelly Bolens also asked about other sites that had been checked out. It was explained that five sites were checked out, but they were either too expensive or, according to the architect, were unsuitable.

Burleigh Placey criticized the location of the lot, stated that water floods over the road in the spring, said it takes two thirds of the voters to bond the town and that St. Albert's isn't about to close. In his opinion, it seems, there are children only on the west side of town because Mr. Placey said the school should be built where the children are just like a barn should be built where the cows are.

Carmen Esposito wanted to know why we should buy the land when it hadn't been voted to build the school. Mr. Allen said that they could vote to sell the land at a later date if they wanted to, for any reason.

An article from the church bulletin was read by John Charest in regard to St. Albert School. At the present time, there are no plans to close St. Albert's but the Stewartstown public school system has to have room for those children if St. Albert's ever does decide to close.

John Bouchard said he did not have any children, but wondered if the Chappell property had good drinking water. A well would have to be driven.

Rick Samson read an article about another New Hampshire School District qualifying for state money for additions and renovations to their school and asked why Stewartstown couldn't receive some state money.

Julie Riffon asked what would happen to our schools in the future if the article was defeated. Mr. Allen said that we needed to do something about our schools because they do not meet state requirements on safety codes and accessibility for handicapped at West Side School to mention a few things.

Carol Alward asked about four grades, with an extra teacher, at each school.

John Owen asked about the flooding in the spring. Landon Placey said they had been watching it. Mr. Owen replied: "I am a lot older than you are and have watched it a lot longer than you have, young man."

Julie Riffon said her property bordered the Chappell property; that she thought the school board had worked hard to come up with a plan and that the people were being too hard with their criticism of the school board.

Discussion ended and voting was done by paper ballot: 151 ballots cast - YES 20; NO 128; SPOILED BALLOTS 3. Motion did not carry.

ARTICLE 5. Larry Ladd moved that the school district appropriate the sum of \$5,000 (five thousand dollars) to pay into the capital reserve fund for the purpose of acquisition of or replacement of the District-owned school buses. Landon Placey seconded the motion.

Vote was in the affirmative.

ARTICLE 6. Carmen Esposito moved that the district vote to adopt the provisions of RSA 198:20-b to authorize the school board to apply for, accept, and expend, without further action by the school district meeting, money from any source which becomes available during the fiscal year; provided further that:

- I. Such money shall be used for legal purposes for which a school district may appropriate money,
- II. The school board shall be required to hold a prior public meeting on any action to be taken regarding expenditures of such money,
- III. Such action shall not require the expenditure of other school district funds, and shall
- IV. Be exempt from all provisions of RSA 32 relative to limitation expenditure of school district moneys.

Hampton Roy seconded the motion. Vote was in the affirmative.

ARTICLE 7. Iola Boire made the motion to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Carol Alward seconded the motion and it carried in the affirmative without discussion.

ARTICLE 8. Larry Ladd moved that the district raise and appropriate the sum of \$849,979.00 (Eight hundred forty nine thousand, nine hundred seventy nine dollars) for the support of schools, for the payment of salaries of the school district officials and agents and for the payment of statutory obligations of the district, said sum is inclusive of article #5. Mildred Roy seconded this motion.

Carmen Esposito made a motion, seconded by Burleigh Placey to amend the motion on the floor to cut the budget by 2% across the board and to have the vote by paper ballot.

Hazen Burns explained that some things are set by law and cannot be lowered; therefore, teachers salaries were about the only thing that could be lowered.

John Bushey compared teachers salaries to salaries of workers in other types of work.

Landon Placey and Mr. Allen explained that Stewartstown teachers' salaries were not compared to other lines of work, but to the teachers' salaries in Colebrook, Canaan, and Pittsburg. Stewartstown teachers are paid less than teachers in the other area towns.

Julie Riffon said she didn't think the teacher's salaries should be beaten down.

Perley Davis explained that most of the budget increase was high school tuition because there will be more children in high school and tuition rates are going to be higher.

The moderator then asked Mr. Esposito if he still wanted a ballot vote on the amended motion. Mr. Esposito rescinded his request for the ballot vote.

The voice vote was not to amend the article to cut the budget by 2%.

Cindy Dionne said she thought the school board had done enough to keep the budget as low as possible.

The voice vote on the original motion was too close to call.

Voting by a show of hands resulted in YES 41, NO 47 with nearly half the people in attendance not voting. Motion did not carry.

Seven people called for a paper ballot. Results were: YES 51, NO 47 with nearly one-third of the people not voting. Motion carried.

Rick Samson wanted a committee of towns-people and school board members formed to investigate other sites and options. Landon Placey replied that the school board had no objections to a committee being formed, but to leave the school board out of it. Mr. Ladd and Mrs. Boire agreed with Mr. Placey.

Motion made by Hampton Roy and seconded by Cindy Dionne at 9:45 pm to adjourn the meeting. Vote was in the affirmative.

On March 14, 1990, polls were opened by the Moderator at 11:00 am. When the polls were closed at 7:00 pm the following votes were tallied:

SUPERINTENDENT'S REPORT - STEWARTSTOWN

During the beginning months of the 1989-90 school year, the Stewartstown School Board; S A U #7 administrators, and architects spent a great deal of time walking through fields and woods checking potential sites for a new school.

Upon the recommendation of the architects and subsequent test results, the Colon Chappell property on Bishop Brook Road was selected as the primary site for a proposed new school. The annual District meeting in March drew a large crowd and after much discussion, the Bishop Brook site was rejected by the voters.

Once again, Stewartstown had very little teacher turn-over. Only Regina Ritscher of the Hollow School left and we were fortunate to hire Kathleen Mainhart to replace her.

Curriculum work continued to be done and through the efforts of Norma Chenevert, a new reading program was established for learning disabled youngsters.

Ms Mainhart's students at the Hollow School had the opportunity to go to New York City and Mystic, Connecticut and visit a school in Connecticut. This was both an entertaining and educational experience for our students.

As the school year came to a close, the Stewartstown School Board decided to restructure the grade assignments at the two schools.

It was apparent that a new school was not in the immediate future, so the Hollow School was assigned Grade 1 in one room and Grades 2-3 in the other. At West Side, Grades 4-5 were in one classroom, Grades 6-7 in another, Grade 8 alone and, as usual, a special needs room. This re-assignment of students allows entry students (Grade 1) to get more individual attention and the same for students in Grade 8 getting ready to enter high school.

The staff and administration looked forward in anticipation to a successful 1990-91 school year and also had a fond farewell retirement party for Betty Raymond who devoted many years of service to the youngsters of Stewartstown.

Respectfully submitted,

Paul F. Allen
Superintendent of Schools

COORDINATOR OF SPECIAL SERVICES

During the 1989-90 school year, the Special Education programs within S A U #7 focused on integrating educationally handicapped students into the regular education classroom. Federal Grant monies were used to hire a consultant to work with regular education teachers in helping them develop effective program strategies. Also, to purchase books for regular education teachers in each of the schools. These books contained methods and techniques of teaching toward various student abilities.

Collaboration between regular educators and special education staff will continue to be a vital component in effective programming for students.

There was continued investigation and application of various alternative means of making education more relevant for some students. Daily Living Skills programs and community-based work study programs were explored to varying degrees in Pittsburg and Colebrook. In the long run, these programs will need strong community support.

We had four staff members pursuing their Special Education certification through an alternative program. These staff members were involved in the Pool Expansion Plan (PEP) program which is fully certified by the State Department of Education. This extensive course of study will provide the necessary skills to enhance the Special Education programs in S A U #7.

We were fortunate in having two exemplary professionals, Polly Joos & Jane Merrithew, provide our students with Speech-Language services and Occupational Therapy services. Their creative and even-mannered approach with students is to be commended. We were also able to provide physical therapy, counseling, and diagnostic services through local and regional agencies.

Finally, we need to continue to work toward ways of providing for all children's educational needs without labeling them, categorizing them, and in the long run, belittling their intelligence as human beings. The respect we show toward children at home and at school will reward us ten-fold in the future. The self-esteem we help foster in children should be the only thing "Special" about educators.

Respectfully submitted,

Thomas Oren
Coordinator of Special Services

SCHOOL HEALTH REPORT

The 1989-90 school year has been a very rewarding one for the School Health Program.

S A U #7 continued to receive grant money from the Drug-Free School and Communities Act of 1986. The money was used to purchase additional drug education units of the "Here's Looking At You, 2,000" program.

Another grant was written and accepted to purchase a comprehensive K-12 health curriculum for the S A U #7 schools. The name of the program was "Health Skills for Life." Each school district was able to obtain its own curriculum. A training session for the teachers was completed in May, 1990. This will fulfill the requirements of the new state law mandating schools to teach health in Grades K - 8.

A program called "Peer Outreach" was begun in February, 1990, at Pittsburg School. Pittsburg was awarded money from a grant from P R A I S E and money from the Pittsburg Panther's Den to start the program. The goals of Peer Outreach, for the thirteen high school students who attended the weekend training session, were as follows: To know yourself better, to learn how to help other people help themselves, and to learn about the effect of chemicals. Peer Outreach will work closely with SADD (Students Against Drunk Driving) to help educate others about the dangers of drugs and alcohol and to provide alternative opportunities for the students. The facilitators of these programs were Kevin Vincent, Joanne Bergeron, and Liz vonDohrmann. One of the goals of this program will be for the students to become involved in a cross-age teaching experience in both the Pittsburg and Stewartstown Schools.

Our usual and customary program of services continued as in the past. All students entering school for the first time must have a copy of their immunization record with them upon entry. Please call your school nurse if you have any questions about our program.

Respectfully submitted,

Elizabeth vonDohrmann, RN, BSN
Pittsburg/Stewartstown School Nurse

CHAPTER I

Each year Chapter I strives to meet the aims and objectives of its program which are to (1) assist all children who have a need to improve their reading and comprehension skills, (2) improve spelling, and (3) motivate outside reading so that students will be better prepared to meet the everyday challenges in the educational field as well as daily life.

Betty Raymond was the Chapter I teacher employed to meet the needs of the pupils enrolled at St. Albert, Hollow and West Side Schools. The program served students in grades two through six.

As usual, test scores as well as teacher observation and a review of pupils daily work were taken into consideration so that pupil needs could be better determined and met.

Mrs. Raymond worked individually with each child who was part of the program. In grades 2 - 4, she concentrated on the basic skills needed in reading including the weekly spelling patterns and vocabulary.

In grades 5 & 6, comprehension skills were definitely stressed to insure successful readers. The Chapter I students also studied specific skills: predicting outcome, main event, sequence, cause and effect, and inference. All are necessary for reasoning and indepth study. The children were introduced to the proper reading of charts, graphs, tables and maps. These skills help them in social studies and science.

My thanks are extended to Mrs. Raymond for her efforts to motivate and create a successful, rewarding learning experience in the classroom. Good luck to her on her retirement after 15 years of working with the Chapter I Program in Stewartstown.

A word of appreciation also to the classroom teachers at St. Albert's, the Hollow and the West Side Schools for their cooperation and suggestions regarding the program and to the school board for their full support in our endeavors. It has been a pleasure working with the Chapter I program as a teacher and director since 1972.

Respectfully submitted,

Addie E. Gray
Chapter I Director

TRANSMITTAL AND COMMENTARY LETTER

The School Board
Stewartstown School District
P.O. Box 68
Colebrook, New Hampshire 03576

Members of the Board:

We have audited the financial statements of the various funds and account groups of the Stewartstown School District for the year ended June 30, 1990, and have issued our report thereon, dated November 1, 1990. As part of our audit, we reviewed and tested the District's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other such auditing procedures that are necessary in order to express an opinion on the financial statements. Such study and evaluation disclosed no material weaknesses.

Our review disclosed certain procedures that we would like to comment upon. Our following remarks are being made in the hope that they will improve existing procedures and are in no way a criticism of District personnel.

1) Student Activity Fund

1. Presently, the individual who is responsible for the recording function also has the responsibility of signing the checks.

Recommendation

An authorized person other than the bookkeeper should sign the checks after examination of supporting documentation.

2. During our audit of the Student Activity Fund, we noted some difficulty in reconciling the cash balance.

Recommendation

Care should be taken in recordkeeping to eliminate clerical errors and a monthly bank reconciliation should be properly prepared.

2) The School District or S.A.U. is not Including a Statement of General Fixed Assets in Its Financial Statements

A computer maintained statement of fixed assets for major non-expendable equipment items would serve the following purposes.

1) Facilitate an annual inventory update of equipment and non-expendable supplies and the reasons for their disposition (traded, junked, stolen, unused, sold or otherwise disposed of).

2) Furnish suitable information for inclusion in the financial statements.

Response

The School District is presently in the process of incorporating General Fixed Assets into the Financial Statements.

We extend our thanks to the officials and employees of the Stewartstown School District for their assistance during the course of our audit.

It is our opinion that the Superintendent, Business Administrator and staff are doing an excellent job administering the Stewartstown School District.

Very truly yours,

Francis J. Dineen, C.P.A.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL PRESENTATION

To the Board of School Directors
and Voters of the Stewartstown
School District:

We have audited the combined financial statements of the Stewartstown School District as of and for the year ended June 30, 1990, as listed in the accompanying table of contents. These financial statements are the responsibility of the management of the Stewartstown School District. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Stewartstown School District at June 30, 1990 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our audit was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Stewartstown School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

Very truly yours,

Francis J. Dineen, C.P.A.
