REPORT OF THE GAFNEY LIBRARY, INC.

For the Year 1966

Gafney Library, Inc. is proud to announce an assortment of 6005 books for your reading pleasure, an increase of 610 over last year's total. 356 books were purchased and 254 donated to the library. The book total is supplemented by 2053 Bookmobile books loaned to the library during the year. Circulation for 1966 increased 1109 over 1965 and totaled 5116, Adult Fiction, 3542; Adult non-fiction, 1015; Juvenile fiction, 4133; and Juvenile non-fiction, 426.

The State Library offers the use of its varied resources upon request and even endeavors to borrow the requested book from other libraries in the area if not available at the Central Library. Gafney has taken advantage of this fine service with 53 requests this past year.

We continue our service of furnishing a varied assortment of books to the County Home in Ossipee, delivery being made every two weeks.

Children's Storytime during the summer months continues to be well attended and was again conducted by Miss Eleanor Eastman and Mrs. Hazel MacBrien.

Friends of Wakefield Libraries donated \$200.00 to Gafney Library for children's books, donation being made from money realized from their summer sale of used books. Thru close cooperation with the teaching staff at Paul School, books were selected from the biographies in the various textbooks for supplementary reading.

The Board of Directors of Gafney Library, Inc. for the year 1967 is as follows: Mr. Alfred Humphries, Mr. Arthur Burleigh, Mr. Alden Young, Mrs. Albert Wiggin, Mr. Horace Richter, and Mr. Samuel Paul. Mr. Paul serves on the board as the Town of Wakefield's elected representatives.

The Book Purchasing committee meets once a month and includes Mrs. Luther MacBrien, Librarian, Mrs. Albert Wiggin, Gafney Library Director; Mr. Kenneth Beaupre, Principal of Paul School; Mrs. Mildred Turner, former Librarian; and Mrs. Lauriel Soucy.

During this past year the personnel of the three libraries in Wakefield have met at Gafney Library to discuss selection of Reference books, available thru Federal Funds, and to share ideas and resources.

An added service for High School students is the special section of books available for required reading, accompanied by the various lists compiled by Spaulding, Nute and Wolfeboro Regional school.

Gafney Library is constantly striving to improve its service to the community. Share with us your interests and patronage.

WAKEFIELD PUBLIC LIBRARY, Inc.**Report from January 1, 1966 to January 1, 1967**

The Library has been open each Wednesday afternoon between 2:00 and 5:00 o'clock. Books needed are always available upon request by telephoning the Librarian.

Appreciation for books and magazines donated goes to the following: Misses Florence and Gertrude Agnew; Mr. Arthur Burleigh; Mrs. George A. Doe; Mrs. Robert T. Doe; Gafney Library; Dr. and Mrs. Frank J. Heck; Dr. and Mrs. Theodore LaFayette; Mr. and Mrs. Frank T. Lewis; Nute High School Class of 1966; Mrs. Sam Paul; Mrs. Norman Place; Mr. and Mrs. Carlton W. Spencer; Mrs. Archie Stuart; Mrs. John Trickey; Union Free Library; and Wakefield Woman's Club. Also we were allowed to select \$100.00 worth of reference books from the Federal Government.

For the children's shelves we were grateful for the gift of \$25.00 from the summer sale of used books in the Sanbornville. Station.

Total circulation for the year numbers 1340. This breaks down as follows: adult fiction, 573; adult non-fiction, 414; juvenile fiction, 340; juvenile non-fiction, 13. This figure is less than last year's, probably due to the fact that many regular readers did not read during the summer months. We have had the usual number of worthwhile books available from our own stock as well as from the State Library.

The building received a much-needed interior cleaning which has given us commendation from our district consultant, as well as from our patrons and visitors.

The Librarian has attended most of the book selection meetings and has accepted re-appointment to the Borrowers' Card Committee of the Concord Advisory Council. This affords opportunity for discussion of common problems with other librarians operating in small communities.

The co-operation of the State Library staff and of our summer and regular readers is gratefully acknowledged.

Julia H. Paul, Librarian

UNION FREE LIBRARY**Annual Report '1966**

The Union Free Library is open every Wednesday from 2:30 to 4:30 and from 7:00 to 8:00 P.M.

Our circulation for this year is 2,049, the transfer of fifth and sixth grades to Sanbornville has caused a decrease in circulation of children's books.

Generous friends have donated both books and money. 97 new books have been purchased.

The librarian and one trustee attended the annual meeting of the State Library Association at New London.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres . . . a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the

ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — Instruct your children that matches are not play things.

**REPORT OF SUPERINTENDENT OF SCHOOLS
AND
ASSISTANT SUPERINTENDENT OF SCHOOLS**

To the School Board and Citizens of Wakefield:

In September the schools of Wakefield were organized as follows:

School	Grades								Total
	1	2	3	4	5	6	7	8	
East Wakefield	2	3	1	4	4	4			18
Paul School	15	10	16	18	23	21	18	21	142
Union School	8	7	10	12					37
Total	25	20	27	34	27	25	18	21	197

Tuition students were in attendance at the following schools:

Town & School	Grade				Total
	9	10	11	12	
Milton - Nute High	14	11	12	6	43
Rochester - Spaulding	12	15	8	8	43
Sanford High			1		1
Totals	26	21	21	14	87

This year several staff changes took place throughout the schools of Wakefield. Mr. Kenneth Beaupre became principal of the Paul School. Mr. Beaupre is a person well known in the community having taught here for several years. Mrs. Angeles M. Miller and Mrs. Diane Angel were new teachers at the Union School while Mrs. Ethel Mazza joined the staff at the Paul School.

These are changing times in educational circles, and signs point to growth and innovation in the imme-

diate future. The AREA Concept and Co-operative School Districts will receive much attention in the wake of recent State Board of Education pronouncements concerning secondary school enrollments. There will be a continuance of Federal programs which will affect education in one form or another. We should be watchful and informed so that our decisions, concerning the education of boys and girls, will be based on facts rather than emotions and hearsay.

Throughout these days ahead we will appreciate, as in the past, your continued cooperation in the best interest of boys and girls.

Respectfully submitted,
RAMON MARTINEAU,
Superintendent of Schools
JOHN HOUGHTON, JR.,
Assistant Superintendent
of Schools
