Digital Libraries

delivering on the promise of Open Access

Eleta Exline
Digital Collections Librarian

UNIVERSITY *of* NEW HAMPSHIRE

A very basic definition

A digital library is an **organized** collection of information resources stored in **digital formats** that is **selected, managed,** and made **accessible** over a network.

Digitized Library Materials

- Open access
- Protect original
- Preserve content
- Enable new functionality

Hampton Sept 16th /62

Dear Husband,

I have a severe head-
ache to night - but must write to you because I
havnt written this week. I have been to an auction
to-day for the first time in my life. And bid off
an all wool blanket for \$1.18, so you see I mean to
sleep warm this winter. Mr Hutchins has enlisted
and sold all his things all but his real estate &
. I tell you darling I am tired. I went to the office
this ~~forenoon~~^{morning} and didnt get back until almost
noon, then I cooked the beef-steak for dinner
I always think how ~~you~~ I used to cook it for you when
I have it) and then went over to the auction
and staid till almost dark. I was well paid for
going to the office, because I got your letter dated
by 25th. I guess you'll think the Dr^{is} never coming
back by this time. I saw Ettie at the store to-day
