Motion: Robb Thomson

Second: Gayle Thomson

ARTICLE 21: Voted to authorize the Selectmen to convey real estate acquired by the Town for non-payment of taxes and to sell such real estate at Public Auction or by advertised sealed bids. This authority to sell is to continue in effect until rescinded by a subsequent Town Meeting as provided by RSA 80:42.

Motion: David Bischoff

Second: Robert Palifka

ARTICLE 22: Voted to pass over this article since no reports were forthcoming.

Motion: Maurice Roberts

Second: David Bischoff

ARTICLE 23: Elizabeth Bischoff expressed thanks to Gerry Washburn, Juanita Schwarz and Ann Bean for lunch which was available. Also to Roger Noyes for volunteering his services to fill in for Weymouth Pike as janitor for Town Meeting and set up the voting booths as well as heating the building.

After much discussion on the subject of changing the Annual Town Meeting to an evening session or on Saturday, Tom Thomson offered free printing to Selectment for a questionnaire to be sent to all voters to try to make a determination as to when the meeting might have the greater number of voters present.

The business meeting concluded at 3:19 with the polls remaining open until 6:51.

Article 10. To see if the Town will vote to authorize the Tax Collector to accept prepayment in anticipation of taxes as described in RSA 80:52A.

TOWN WARRANT - Page 4

Article 11. (By Petition) To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the State and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects.

Article 12. To see if the Town will vote to authorize the Selectmen to appoint the Highway Agent as provided in RSA 231:62. (Effective March 1990)

Article 13. To hear the reports of Agents, Auditors and Committees heretofore chosen and to pass any vote relating thereto.

Article 14. To transact any other business that may legally come before said meeting.

Given under our hand and seal at Orford this 22nd day of February in the year of our Lord, one thousand, nine hundred and eighty-nine.

ELIZABETH F. BISCHOFF  
PAUL J. GOUNDREY  
Selectmen, Town of Orford

STATE OF NEW HAMPSHIRE  
DEPARTMENT OF REVENUE ADMINISTRATION

October 27, 1988

Board of Selectmen  
Town of Orford

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1988 taxes on the basis of the following figures.

Net Assessed Valuation		\$ 31,439,056
<u>Taxes Committed to Collector:</u>		
Town Property Taxes Assessed	\$	965,493
Precinct Taxes Assessed		
Total Gross Property Taxes	\$	965,493
Less: War Service Tax Credits		5,250
Net Property Tax Commitment	\$	960,243
Tax Rate - Town		\$ 30.71

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation. In accordance with RSA 21-J: 35, II, we also enclose a written explanation of the change.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$	761,692
County Tax Assessment		55,376

In arriving at the above approved rate the Overlay has been set in the amount of \$ 5,211.

Very truly yours,  
  
BARBARA T. REID  
Director

STATE OF NEW HAMPSHIRE  
 DEPARTMENT OF REVENUE ADMINISTRATION  
 SEPARATE TAX RATES TO BE PRINTED ON 1988 TAX BILLS (RSA  
 76:11; 11-a; 13) - TOWN OF ORFORD

Unit of Government	Rate
Municipal	\$ 5.57
County	1.72
School	23.42
Combined Rate (Municipal, County, School)	\$ 30.71

Amount of Taxes to be Committed                    \$ 960,234  
 (per official tax rate letter)

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, as provided in section II, shall also show the assessed valuation of all lands and building for which said person is being taxed. The 1988 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempt by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 12% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and on this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

DEPARTMENT OF REVENUE ADMIN.

BARBARA T. REID  
 Director

## AUDITOR'S REPORT

The Board of Selectmen  
Orford, N.H. 03777

I have audited the record of transactions and accounts of the Tax Collector, the Town Clerk, the Town Treasurer, the Selectmen, the Trustees of the Trust Funds, the Cemetery Trustee, the Library Trustees and the O. C. H. S. The accounts seem to be properly kept. I seemed to have less difficulty in following the trail of receipts and disbursements than I had in the previous year's audit.

My audit of the Tax Collector's accounts includes sending a letter of confirmation to the taxpayers who have unpaid levies for the year 1987 and previous years. I received a reply from one such taxpayer who indicated that he had sold the property in question in 1985 and therefore did not owe any taxes for 1987. The taxpayer was Patten Corporation and the amount of the levy was \$508.10. The tax collector was notified of this situation.

The Town Treasurer borrowed \$400,000 in anticipation of 1988 tax collections. Of this amount \$350,000 was placed in a savings account in a different bank so it would earn interest until needed to pay bills. These amounts are shown in the Treasurer's accounts as receipts although they are really just transfers between bank accounts. I feel that this type of reporting tends to inflate the receipts and disbursements of the Town Treasurer and the Selectmen and is confusing to the taxpayers of the village.

The town has dedicated officials and the taxpayers are fortunate indeed to be served by such a fine group of people.

Very truly yours,

CHARLES A. PETERS  
Town Auditor

February 20, 1989

## SELECTMEN'S REPORT

Orford is no longer the farming community that it has always been. The handful of remaining farms testifies to this fact and it is with regret that we acknowledge this to be so. The population too is changing from one that lives and works in Orford to one that resides here but many of whom work elsewhere, primarily in the Hanover-Lebanon area. In recent years many new lots have been created through subdivision which means new households and, contrary to popular belief, this kind of growth does not necessarily ease the burden of real estate taxes.

The Town is changing but the State government is not. New Hampshire steadfastly adheres to the principal of no new taxes and the concept that real estate taxpayers must bear the burden of "progress". It mandates standards for bridges, solid waste disposal, reappraisals and schools, to mention only a few areas of our concern. The State, however, offers but little financial assistance and turns its back on the financial problems which it has created for the Town.

In the past year the Planning Board has revised the regulations for subdivision in an effort to let growth take place in a more orderly fashion; the requirements for water and septic systems, density, gravel pits and roads, for example, have had a positive effect. Work continues on the Master Plan. The Capital Improvements Program study is almost complete and will give a much-needed appraisal of what continued growth will demand of the Town in the way of roads, equipment, police and fire protection, as well as space for government offices.

The Hydrological Study of the old dump is ongoing. At this time test borings have been completed and the first report has been submitted to the State. This report contains proposed monitoring well sites which must have State approval before well installation and water testing can begin. All of this is in anticipation of the final capping.

Orford is now affiliated with the Upper Valley Lake Sunapee Solid Waste Management District. By October 1989 the State will mandate participation in a recycling program. We are counting on your cooperation in such a project to make it successful.

After the proper publication and hearings the Selectmen have enacted ordinances pertaining to health which are based on State Statute but more clearly define what is important to Orford. The State Statutes have been revised, effective as of January 1, 1989, to include the following: "Prior to expanding any structure, septic system plans must be reviewed by the State". If you are planning an addition or renovation to your home, make sure that the State will approve your present septic system.

Questions about Class VI roads have been raised several times this year and the Selectmen have enacted regulations which include the following: a permit is required for any private construction or maintenance on a Class VI highway, as well as a building permit (RSA 674:41) for the erection of buildings on these roads. Copies of these regulations are available at the Town office.

SELECTMEN'S REPORT - page 2

Our proposed budget reflects the demands of the State and also the desire of the Selectmen to meet the needs of a growing population. We ask the voters to support Article 3 in order to meet the requirements of the State, as well as Article 12 which will allow more professional supervision of the Highway budget.

The volunteers in Orford have a very special meaning to the Selectmen, and just saying "thank you" never seems enough! Who mails out the Town Reports and the inventories? Bill Mckee. Who, year in and year out, answers countless letters asking about the history of the Town and the genealogy of families? Alice Hodgson. The list is a long one and to all of you who have been willing to help just a little or a whole lot, we are indebted.

For many years Lenore Niles lived in Orford. She was a great and gracious lady who resided in the brick house on Route 10 north of Town with the red and white Impatience bordering the walk. She died this last year and left \$50,000.00 to the Town of Orford. The bequest has been invested in an interest-bearing account and the Selectmen, after public hearings, have designated the broad area of recreation for the eventual disbursement of this gift. How best can we perpetuate her memory? She was a musician, one who supported the arts and an interested and concerned citizen of our Town. She championed many causes and was ever mindful of the needs of young people. Her memorial should convey her love of this country and her appreciation of a Town and a way of life which have meant so much to her.

FROM BLOTTER BOOK TO COMPUTER  
A Tribute to Butch

Butch Roberts has served the Town for ten years, perhaps not long when compared to the years of service of past Selectmen, but these years are the ones of transition from hand-written documents to the printouts of the computer. It was the era of the Selectman's Blotter Book when Butch was appointed, in the summer of 1978, to fill the unexpired term of Glen Pease.

Three or four times a week the Selectmen met, each with his own book, and recorded the pertinent facts of property owners: acreage, buildings, live stock, assessments, exemptions, etc. They then computed the taxes and reconciled their results with each other page by page. Their computations were passed on to the Tax Collector who wrote out by hand the tax bills and addressed the envelopes.

By 1980 Butch was aware of what the computer might do to facilitate this kind of tedious work and streamline the office of Selectman. He promoted the hiring of Municipal Computer Services, Inc. in Hudson, N. H. to replace the Blotter Book with printouts which included all the necessary information and provide tax bills as well as labels for inventories and town reports.

The next step was the recent purchase of a computer for the Town office and in a few months the entire accounting system for the Town will be transferred to the computer. The Town will then enjoy the advantages of the computerized age, and the ledger will be a thing of the past.

As a Selectman he recognized the need to anticipate and more adequately provide for the future needs of the Town which would require a large outlay of money, such as: highway equipment, appraisals, solid waste disposal, etc. He successfully advocated a sharp increase in Capital Reserve Funds which will make the eventual expenditures much less painful.

Butch has continued his family tradition of service to the community. His father was a Selectman in Fairlee, and his grandfather, a resident of Orford, represented this district in the New Hampshire legislature. The expertise which Butch brought to town government may be directly related to the semester he spent as a student intern in the State House in Montpelier. He has chosen to conclude his years of service as a Selectman, but we know he will continue to participate in Town affairs as a concerned citizen.

The step from pen to printout is a giant one and we are indebted to Butch for his leadership. Thank you!

## ORFORD COMMUNITY HEALTH SERVICE REPORT

The Orford Community Health Service has continued to provide skilled nursing and home health aide service to the Town of Orford and Piermont. The service has provided Well Child Clinics, Children's Dental Clinics and Blood Pressure Clinics.

Well Child Clinics are held on the second Thursday of each month. Appointments are required and can be made by calling 222-4708. All children under the age of six are eligible to attend these clinics. Blood Pressure Clinics are held at the Senior Citizen Dinners at the Orford Congregational Church on the last Tuesday of each month.

On February 1, 1989 Orford became a member town of Home and Community Health Care, Inc. of the Upper Valley. This is a non-profit visiting nursing agency comprised of thirteen towns in the Upper Valley. The main office of Home and Community Health Care is in Lebanon, N.H. but there is an office in Bradford, Vermont that will be the base for our visiting nurse and home health aide. To contact the visiting nurse call 222-4708.

We will continue to provide all the services we have in the past at no additional cost.

A thank you is in order to all the Board Members and volunteers who have helped the Orford Community Health Service since its beginning in 1972. Without the continued effort of these people Orford Community Health Service could not have existed.

# ORFORD VOLUNTEER FIRE DEPARTMENT REPORT

In 1988 the Orford Volunteer Fire Department responded to 15 calls:

Structural	1
Mutual Aid	2
Car Accident	2
Car Fire	4
Chimney	5
Diesel Spill	1

We had one structural fire this year, but there were no injuries to occupants or firefighters. Chimney fires were down which means that maintenance is being done to minimize this problem.

Most of our firefighters now have the new fire-resistant fire-fighting gear, hats, coats, and bunker pants, which meet state regulations.

The Officers are now meeting once a month. We are trying to come up with training programs to upgrade our firefighters skills and meet state standards. We are also working on a new equipment maintenance schedule which includes weekly checks on most items and quarterly/yearly checks on the rest. We hope this will prolong the life of our equipment and also help spot a small problem before it becomes a major and expensive problem later down the road.

I would like to point out the importance of smoke detectors in your home. This may not only save your home from serious damage or complete loss, but may save your life or the life of a loved one. These smoke alarms are not expensive and can be installed and maintained by you.

Anyone having an oil fired water heater, furnace or other oil fired equipment replaced or installed must, by state law, have a permit to install and a permit to operate such equipment.

In summary, we are recognizing that there are a whole lot of criteria that our firefighters and equipment have to meet within the next few years. We are attempting to prepare ourselves for this occurrence and we need your support.

Respectfully submitted

ROBERT A. ROBINSON  
Chief

ANNUAL REPORT OF  
THE ORFORD FREE LIBRARY  
For the Year Ending December 31, 1988

Two of the three basic T's - typewriter, toilet and telephone - have now been completed to meet State Library Standards. We now have a working gas-fired toilet. The toilet was a gift from the Orford Social Library. The funds for the room which encloses it and the vent for the toilet were provided by the Town of Orford.

The ramp which now makes the library wheelchair accessible was also built by town funds for which we are most appreciative.

In addition to the weekly visits of the 5 grades from the Ville School, we have had bi-monthly visits from the kindergarten under the guidance of their teacher, Sarah Putnam. Each visit includes storytime by the teacher and the selection of books borrowed from the library. In February there were 21 children in this class. They were promoted in June and the class now has 11 children.

We have received gifts of books and magazines for adults and children from the Mark Blanchard family, Marjory Chapin, Doloris Dyke, Ellinor Dyke, Equity Publishing Co., Coreen Maxwell, Shirley Pierson and Ordway Wadsworth. A collection of Robert Louis Stevenson's writings was received from Marie McFadden of Etna. These gifts are welcome and appreciated.

A new 60-volume set of the LIBRARY OF AMERICA SERIES has been made available to the Orford Free and the Orford Social Libraries with funds from the Friends of the Orford Libraries and the award of a challenge grant to the libraries from the Andrew W. Mellon Foundation.

NEEDS: Our one remaining T is the installation of a telephone which is required and would be used to acquire information and arrange for interlibrary loans. Presently this is accomplished from our homes. It could also be a life-saver in an emergency.

The State Fire Marshall has condemned the use of our wood-burning stove because it is vented into the same chimney flue as the gas space heater. This will require the replacement of the wood stove with another gas-fired heater.

Our thanks to the volunteers - Alice Boone, Betty Griffin, Barbara Hall, Julie Peters and Brenda Thomson who hve provided needed assistance many times on short notice.

ANNUAL REPORT OF  
THE ORFORD SOCIAL LIBRARY  
For the Year Ending December 31, 1988

The Orford Social Library has had a very busy year due to our expansion program. Ground was broken in early March for the addition of the Rouhan Room which was dedicated on October 20th. It is a lovely addition to our tiny building. The library was open throughout this construction period. This was accomplished only because of the perseverance and dedication of our Librarian, Sheila Thomson, and her junior helpers. We, the Trustees, are most grateful to all who worked so diligently to complete the project, some by financial contributions, donations of furniture and the many who painted, cleaned, carpentered and just plain helped.

The Friends of the Orford Libraries hosted and provided delicious food for our opening and have recently donated sixty chairs to furnish our meeting room. This gift is most appreciated as it now makes our comfortable Meeting Room available to Orford folks for gatherings.

During the summer months we alternated with Orford Free Library for story hour. These hours are held the third Friday of each month. One trip was taken to the Tullar Farm with 40 children in attendance. Jennifer Hebb, our Jr. Librarian, is in attendance for the Saturday hours. We are very appreciative to all the volunteers who have presented story hour programs over the past year.

The "End of Summer" party was held August 19 with 25 children attending. Certificates were awarded for participating in the summer reading program; art work was displayed. The highlight of the day was the oral book reports from the children.

One special program presented by the Friends of the Orford Libraries was author and illustrator Irene Trivas on December 2. We had 45 children watching and listening as Irene sketched wonderful pictures from their ideas.

## PARKS AND PLAYGROUNDS COMMITTEE REPORT

The Orford Parks and Playgrounds Committee had a very busy year with a lot of mowing and trimming of the Community Field, Common and boat landing. The mowing was done by Keith Brooks who did an excellent job.

As the Town of Orford grows, so does the use of its recreational facilities. This has been most noticeable at the Town Beach at Indian Pond. In the early fall, Parks and Playgrounds held a public meeting at the pond site which 25 - 30 concerned citizens attended. Safety, ecological and aesthetic concerns were discussed and ideas to remedy the problems were shared.

A smaller group gathered at a later meeting to design a site plan that would incorporate some of the previously offered ideas. The plan has taken into consideration the use of as much donated materials and time as possible.

Some work has already begun in preparation for a volunteer work day this spring. If you are interested in helping or obtaining more information, please contact Marty Roberts (353-4672) or Althea Goundrey (353-9813).

Once again we would like to thank Craig Trischman for donating lime for the Community Field, Orford Schools for their help with the athletic fields and special thanks to Bill McKee for his help and valuable advice.

MARTY ROBERTS, Secretary  
ALTHEA GOUNDREY  
GERALD PEASE  
EVERETT BLAKE

## ORFORD PLANNING BOARD REPORT

The Orford Planning Board's regularly scheduled meetings were held on the third Monday of each month at the Town Office. In addition, nearly every month we met in the interim to work on various projects.

A total of 13 applications have been acted upon during this year, as well as 2 lot line adjustments. A total of 18 new lots or house sites have been created. This compares with 12 new lots in '87 and 14 in '86.

In two instances, the subdivision regulations were enforced with the help of town counsel. In both cases, people started building an additional residence on a lot which already had a dwelling on it. It is important to remember that this is a subdivision by State Law and requires Planning Board approval before beginning construction.

Work is continuing on the Capital Improvements Program and the new Master Plan, both of which should be completed in '89.

The Board thanks the 237 residents who completed and returned our questionnaire. The results clearly showed that the people of Orford are concerned about the future of the town and how its growth will affect it.

In general, people like Orford, and like it the way it is. They want growth to be at the same as it has been in the past. They are concerned about taxes, but also about loss of farm land and about land use and the lack of control. A very clear majority believes that building should be discouraged on steep slopes, wetlands, flood plain and agricultural land, and near water. They like the present mix of homes, and they believe that housing for the elderly and rental apartments should be encouraged.

Many people feel that the minimum lot size should be dependent upon location. There was little support for town sponsored recreational facilities, but people were concerned about environmental risks of commercial enterprise. The types of businesses which found the most favor were generally small, individually owned endeavors.

Emily Bryant  
Mike Madigan  
Maurice Roberts, ex-officio  
Virginia Thorndike, Chair

Mark Harris  
Robert Palifka  
Rendell Tullar

Alternates: Katherine Baker, Robin Taylor, Pat Hammond and Ruth Brown for the regular Board Members, and Elizabeth Bischoff for the Selectmen.

## ORFORD POLICE REPORT

The work of the Police Chief has increased to such an extent that it was no longer possible to continue working out of my home. A locked room for the Police Department was constructed in the Town Office building with soundproof walls, telephone, answering machine and space for files. This also gives me a more efficient place to complete the ever-increasing paperwork.

The Selectmen have hired a part-time police officer, Marisela Platt, an Orford resident, to provide back-up for me when necessary. Marisela has completed training at the Police Academy on her own time and is a certified part-time officer.

Because so many homes in Orford are empty during the day, I have increased the number of daylight hours spent patrolling. There have been numerous dog complaints which are referred to the dog constable in Hanover. During the year there have been over eight hundred (800) phone calls to my residence which required some type of police response. The following is a list of my activities during 1988:

Burglaries:	6 (Four solved and subjects arrested)
Crimes of Violence:	3 (Includes Threatening and Assault)
Domestic Violence:	2 (One arrest)
DWI Arrests:	10 (Eight were convicted, one awaiting trial)
Drug Arrests:	5 (Two convicted, three awaiting trial)
Thefts:	6
Stolen Property Recovered	6 snowmobiles (Value \$15,000)
Bad Checks:	7
Possession of Liquor by Minors:	8 (All convicted)
Obscene Phone Calls:	1 (Subject convicted)
Fraudulent Use of Communications:	1 (Subject convicted)
Criminal Mischief:	2 (Two arrests, both convicted)
Arson Investigations:	2 (One arrest)
Felony Arrests:	6
Misdemeanor Arrests:	17
Motor Vehicle Accidents:	9
Violations (Traffic Summons):	117
Phone Calls at My Residence Involving Some Type of Police Department Response:	819
Dog Complaints:	Numerous

This year it was mandated by the Police Standards and Training that all police officers that worked over 1300 hours in the preceding year become full-time certified. Full-time certification requires

POLICE REPORT - 2

ten weeks of training at the Police Academy in New Hampshire but, because of my sixteen and a half years experience in the police field, I was granted an exception and had to attend only two weeks of classes in Concord. These classes have been completed and I am now full-time certified.

Remember, if you should need police assistance, Hanover Dispatch (353-4347) can reach me at any time. If I am unavailable, they will contact the State Police who will help you.

KENNETH MAY  
Police Chief

ROAD AGENT'S REPORT FOR 1988

This year besides the normal road maintenance we did some reconstruction on the Orfordville-Lyme road. That was quite a large project, with the blasting of ledge etc.

The bridge that we put in on the Miller road in 1987, was rated by the State as an E-2 bridge, so that makes it one of the best bridges in town.

I think one of the biggest problems in town right now is the bridges. Something needs to be done about them soon.

HOWARD NOYES  
Road Agent

## ORFORD SENIOR CENTER

Our noon meal and home delivery meals are served every Tuesday at 12 noon at the Congregational Church of Orford, with the exception of the months of July and August when we are closed.

Other services which we provide are: Information and Referral, Good Neighbor Aide, Friendly Visitors, Transportation, Discount Cards, Telephone Reassurance and a Newsletter. These services are available to any person 60 years of age or older.

If you are interested in any of the above programs or if you know of someone that would be, please let us know, either at the meal site or by calling Marcia Willis, 353-4824 or Howard Sommer, 353-4576.

Volunteers are available to transport seniors that have no other means to make medical or dental appointments. We would like to have some advance notice for this service. Please call Marcia Willis, 353-4824 or Howard Sommer, 353-4576.

## SWIMMING PROGRAM REPORT

We had another successful year with the 1988 three-week Swimming Program at Indian Pond. 67 children from Orford and Piermont participated in the program. We were fortunate to have an experienced instructor, Ruth Pushee, WSI, and two swimming aides - Laura Taylor and Judy Knapp.

All the children improved in their swimming skills whether they passed their particular class or not. The intermediate class successfully swam across Indian Pond. Congratulations to all of you. The year ended with extensive testing and then a picnic on the last day with games and certificates of completion being passed out to all of the participants.

We would like to thank all of those who helped with putting the docks up and taking them down again. Also a special thanks to Dale Knapp who built the raft that we had for the first time this year. The cost of the raft and instructors was also helped with the \$366 received from the Piermont students.

Anyone interested in being on the swimming committee, please contact Susan Taylor or Bonnie Madigan.

SUSAN TAYLOR  
BONNIE MADIGAN  
Swimming Committee

## SKI PROGRAM REPORT

1988 was a good year for the Ski Program. Last winter there was plenty of snow and eager skiers, sixty in all. We had a beautiful day for our ski carnival.

On behalf of all the participants, I would like to thank Margaret Wheeler and Jane Hebb for their efforts in running the Ski Program for the past several years.

In 1989 the Ski Program is progressing quite well in spite of the lack of natural snow. The snowmaking crew at the Skiway has done a great job. This year we have 65 children participating and more adult volunteers than before.

I want to thank the voters of the Town of Orford for allowing these 65 children to be exposed to downhill skiing.

FOREST FIRE WARDEN AND STATE  
FOREST RANGER REPORT

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

GRAFTON COUNTY COMMISSIONERS' REPORT  
February 2, 1989

Unlike town and school budgets which are passed by local voters each March, Grafton County budgets are passed by the 28 member Legislative Delegation in late June. The State Department of Revenue Administration determines each town's share of county taxes based on the town's proportion of total assessed valuation in the county. Each town's property tax rate reflects its share of county tax as well as town and school taxes.

In 1988 Grafton County's budget increased from \$8.9 million to \$10.1 million. The amount of the county budget to be raised by property taxes increased by 12.85%, from \$4.5 million to \$5.0 million. (Just under half of the county budget is funded by property taxes. The rest is funded by a combination of state and federal monies and various user fees.)

The 1988 county tax increase resulted from a number of factors. A 5% wage/salary raise for the county's 250 employees increased the budget by \$96,000. Operating expenses for a new 34-bed jail wing added \$114,000; capital expenditures added another \$223,000. The county share of court-ordered placement costs for juveniles increased \$150,000, while the county share of nursing home payments for indigents in county and private homes was up \$338,000. (These two programs, representing almost a quarter of the county budget, are determined by state and/or federal legislation, and are therefore beyond the county's control.) Finally, the county lost \$42,000 in revenue with the elimination of federal Revenue Sharing Funds.

Since 1986 the county has been responsible for several programs formerly paid by the towns. These include paying 25% of court-ordered placement costs for juveniles and 50% of Old Age Assistance and Aid to the Permanently Disabled.

Furthermore, during the state financial crisis of the early 1980's, the state reduced its share of Medicaid for county nursing home patients from 50% to 38.5% of the non-federal contribution. Legislation to restore the state's 50% share passed the New Hampshire House in 1986 and 1987 but was killed in the Senate. Until such legislation passes, counties are forced to make up the difference.

Grafton County operates a 134-bed nursing home, primarily for individuals who are eligible for Medicaid. With the opening of a new wing (expected around April 1, 1989), the county's correctional facility will expand from 64 to 98 beds, housing both men and women awaiting trial or sentenced to a year or less of incarceration. The county farm, which is one of three in the state and continues to be self-supporting, offers work programs for inmates. It also provides fresh meat and vegetables for the nursing home and cooperates with the Extension Service in experimental agricultural programs.

The county maintains the Grafton County Courthouse, renting courtrooms and offices to the state-run Superior and Probate Courts, the state Probation and Parole Agency and the state division of Human Services. The courthouse also houses an efficient Register of Deeds

GRAFTON COUNTY COMMISSIONERS' REPORT - 2

Office, the Grafton County Sheriff's Department, the County Attorney's Office, Cooperative Extension Service, and the Commissioners' Office, which serves as the business office for the entire complex.

The Grafton County Commissioners meet weekly on Wednesdays at the Grafton County Courthouse in North Haverhill. We encourage public attendance and welcome tours of our facilities.

For further information, please call the Commissioners' Office at 787-6941 or contact Commissioner Betty Jo Taffe (Rumney), Everett Grass (Sugar Hill), or Gerard Zeiller (Lebanon).

## UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COLLECTION REPORT

Two hundred and thirty-four households filled forty-one 55 gallon drums at the Upper Valley Household Hazardous Waste Collection on May 7. These numbers have doubled since the first collection in 1983 when the problems of household hazardous wastes were first addressed by a number of concerned organizations, town officials and individuals who banded together to form the Upper Valley Household Hazardous Waste Committee.

The Committee's efforts have been directed at the disposal of left-over paint, anti-freeze, varnish, household cleaners, insecticides and many other products that are toxic, corrosive, flammable or explosive. Before Collection Days were established these materials were mostly stored in barns, taken to landfills or poured down the drain ending up in septic systems or in treatment plants. Now, they can be recycled, incinerated or taken to authorized hazardous waste disposal sites, depending on the type of material.

Funding comes primarily from the three regional landfills and the States of New Hampshire and Vermont. Some private donations have also been received.

The Committee continues to be involved with its successful efforts to protect the environment and to educate the public about these toxic products in the home.

All area residents are invited to participate in the next annual collection this coming May. We look forward to seeing you.

## TRI-COUNTY COMMUNITY ACTION OUTREACH REPORT

Outreach is the field services arm of the agency. The purpose of this program is to assist low-income, elderly and handicapped persons to solve individual problems and meet their needs through individual and/or group self-help efforts. Outreach Coordinators accomplish this purpose by providing information, referrals, guidance, organizational assistance, individual counseling and by effectively linking and utilizing community resources.

Fuel assistance, weatherization, surplus foods and food stamps have all been provided to Orford residents.

## UPPER VALLEY AMBULANCE

The towns of Orford, Bradford, Piermont, Fairlee, West Fairlee, Vershire, Thetford and Strafford have joined in an effort to develop a regional emergency medical service that would replace the service provided by the Town of Hanover. The Ambulance Planning Group is made up of a member of the Board of Selectmen and a member of the FAST Squad from each town.

The members of the new EMS organization have asked for and have been granted an extension of time from Hanover. Hanover has agreed to continue to provide ambulance service until July 1, 1990.

Plans are currently under way to construct, equip and staff a facility. The Town of Orford is committed to this service but the costs of participation have not yet been determined.

## UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Upper Valley - Lake Sunapee Council is a public, non-profit voluntary association of town and cities. It consists of 31 communities in 2 states and 5 counties.

The Council operates through a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two or three representatives to participate on the Board of Directors. The Board elects officers, adopts an annual work program and budget, and develops policies and positions on issues that are important to our communities.

The Upper Valley - Lake Sunapee Council is the official organization that brings towns and cities within our region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of expertise include land use planning, transportation planning, solid waste planning, master planning, environmental planning, capital budgeting, historic preservation, economic and community development, housing, downtown revitalization, fiscal and environmental impact analysis, and site plan review. Communities may also obtain the services of a professional planner on a regular basis through a "circuit rider" program. The Council also serves as a collective voice in dealings with state and federal governments, protecting and furthering the interests of our communities.

Your support enables the Council to undertake comprehensive regional planning and to carry out various projects and programs of regional benefit.

SCHOOL DISTRICT WARRANT  
State of New Hampshire

Grafton, S. S.

School District of Orford

To the inhabitants of the School District of Orford qualified to vote in District affairs:

You are hereby notified to meet at Memorial Hall in said District on Saturday, March 11, 1989, at 4:00 P. M. to act on the following subjects:

Article 1. To choose by non-partisan ballot a Moderator, a Clerk, and a Treasurer, each to serve one year, an Auditor to serve two years, and two members of the School Board, each to serve three years. (Polls will open at 4:00 P. M. and will close no earlier than 9:00 P. M.)

NOTE: ARTICLES 2 through 10 WILL NOT BE CONSIDERED UNTIL 7:00 P. M.

Article 2. To see if the District will vote to appropriate the sum of One Million One Hundred Thousand Dollars (\$1,100,000.00) for the purpose of constructing six elementary classrooms, a multi-purpose room, special education space, locker rooms and an athletic office, all on the main campus: plus renovations to Memorial Hall and the Academy building, to include correction of fire and safety code violations; including costs incidental and related to the foregoing: to authorize the Treasurer with the approval of the School Board to issue bonds or notes of the District under and pursuant to the Municipal Finance Act in order to raise this appropriation; and, further, to authorize the School Board to determine the details of such bonds or notes and to provide for their sale, award, issuance and delivery.

Article 3. To see if the District will vote to appropriate the sum of Five Hundred Seventy-Five Thousand Dollars (\$575,000.00) for the construction of a new gymnasium on the main campus: including costs incidental and related to the foregoing, to authorize the Treasurer with the approval of the School Board to issue bonds or notes of the District under and pursuant to the Municipal Finance Act in order to raise this appropriation: and, further, to authorize the School Board to determine the details of such bonds or notes and to provide for their sale, award, issuance and delivery. NOTE: THIS ARTICLE WILL BE CONSIDERED ONLY IF ARTICLE 2 IS VOTED IN THE AFFIRMATIVE.

Article 4. To see if the District will raise and appropriate, in addition to the sums appropriated under Articles 2 and 3, the sum of Fifteen Thousand Dollars (\$15,000.00) as a deficit appropriation. In addition to the 1988-89 appropriation for the purpose of meeting unanticipated expenses, such sum to be made available to the District prior to June 30, 1989.

SCHOOL DISTRICT WARRANT  
(Continued)

Article 5. To see if the District will raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00), plus accumulated interest, to replace the Memorial Hall roof and to authorize withdrawal of this sum from the Capital Reserve Fund established for that purpose on March 7, 1986.

Article 6. To see if the District will authorize the expenditure of Sixteen Thousand Two Hundred Fifty-Five Dollars (\$16,255.00) received during fiscal year 1988-1989, in excess foundation aid revenue for education program improvement or for other education purposes, pursuant to the provisions of 1988 N.H. Laws, Chapter 278.

Article 7. To see what sum of money the District will raise and appropriate, in addition to the sums appropriated in Articles 2, 3, 4, 5, 6, for the support of schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the District.

Article 8. To hear the report of the Authorized Regional Enrollment Area School Planning Committee established at the School District Meeting of March 4, 1988 and to see what action the District wishes to take with respect to this report.

Article 9. To see if the District will authorize the School Board to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the School Board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other School District funds.

Article 10. To transact any other business that may legally come before this meeting.

Given under our hands and seals at said Orford this fourteenth day of February, 1989.

## ANNUAL REPORT OF THE DISTRICT PRINCIPAL

Five faculty members joined the Orford School District staff this year:

Fran Pierson (art teacher K-12): Fran has exhibited his sculptures and paintings as a juried member of the AVA Gallery in Hanover, New Hampshire. He has worked as a professional artist primarily specializing in stone and wood carving, with central interest in hand building with terra cotta. Fran has also published poetry and fiction in major journals including the Yale Review, Swanee Review, Ohio Review and Poetry Magazine! He has published two collections of poetry, Natives in 1978 and See Rock City in 1979. Between 1976-1978, Fran co-founded and co-edited with Charles L. Hayes, the New River Review, a quarterly publication of poetry, fiction and graphics. His writings are included in five regional and University Anthologies. Fran taught ninth grade English at Xenia High School, Xenia, Ohio in the early '70's. Returning to teaching last year, Fran interned at the Frances C. Richmond School in Hanover and in the Lebanon School District.

Bridget Fariel (math teacher 6-8) has joined the Orford Middle School as a math teacher. She received her B. A. from the University of Vermont with a double major in political science and economics. Her M. A. for economics was earned from the University of Pittsburg. Bridget taught algebra, trigonometry and economics at Williston, North Hampton School, East Hampton, Massachusetts. Since 1983 Bridget served as sports director for the Aloha Foundation. She was also the recipient of an international Fullbright Fellowship.

Marguerite Ames (grade 3 teacher), has a certification in elementary education from Dartmouth College, her M. A. in art history from the University of Delaware, and a B. A. from the University of Vermont.

Leslie Lee (K-12 Music), has his B. S. in music education from Lyndon State College. He has taught in Woodbury, Vermont, Hardwick, Vermont and Thetford, Vermont. Leslie is the organist at the United Church in Strafford, Vermont.

Eric Gray-Richardson (9 - 12 Social Studies) taught last year at Hanover High School, Hanover, New Hampshire. A graduate of Boston University, he interned at Brookline High School, Brookline, Massachusetts. In 1982, he received his B. A. in government from St. Lawrence University.

Shirley Deblois joined our staff as the educational assistant to the guidance and nurse departments. Jody Mace is the educational assistant to the Resource Room in the high school. Bonnie Madigan has joined us and serves breakfast and lunch to the 'Ville students.

The student enrollment at Orfordville is 80, Middle School is 67 and the Orford High School is 124. There are a total of 89 tuition students from the towns of Lyme, Fairlee, Warren, Piermont, Wentworth.

The Orford School Board identified implementation of the District's new English and Math Curriculum K-12 as this year's School District goal.

REPORT OF DISTRICT PRINCIPAL - 2

The Fire Marshal's inspection this past summer, resulted in the identification of a large number of fire code violations. Up to date the following have been corrected: a boiler in the Memorial Hall failed; thus the boiler was replaced. The water air pressure tank for Memorial Hall needed to be replaced in January. The gym roof leaked this winter resulting in replacement of tiles on the gym floor.

The Building Committee has met weekly since last March's School District meeting to study the building and renovation needs of the Orford School District. A new proposal will be presented to the voters at the March 11, School District Meeting.

PATRICIA M. DAVENPORT  
Principal

## AREA STUDY COMMITTEE

Pursuant to warrant articles passed by the School Districts of Orford, Piermont and Warren, an Area Study Committee was formed under the authority of New Hampshire Revised Statutes Annotated Chapter 195-A.

Members of the Area Agreement Study Team consisted of the following:

Orford:	Mrs. Jane Hebb Mrs. Glyneta Thomson Mr. Robb Thomson, Chairman
Piermont:	Mrs. Nancy Cole Mr. Roger Hutchins, Secretary Mrs. Abby Metcalf
Warren:	Reverend Jim Burrows Ms. Sandra Hair Ms. Marlene Wright

The Area Study Committee met officially four times beginning with its first meeting in April and its concluding meeting in October. Among the various matters discussed were:

- possible advantages of an area agreement
- enrollment figures (historical and projected)
- scope of area agreements
- curricular and extra-curricular offerings by the Orford 6-12 program and which grades might be part of an agreement
- district contract versus area agreement
- population trends and effect on the three towns involved
- school expansion needs and possibilities

The Area Study Committee meetings provided an opportunity for the three towns to review their present and future educational needs based upon the materials studied.

Through the discussions it was assumed that Orford would be the receiving district in any area agreement. The Orford members also felt that, if an area agreement could not be successful, the possibility of a contract with either, or with both Piermont and Warren, should be explored.

While the Piermont and Warren members reported that the educational and extra curricular experience of their tuition students at Orford has been favorable, it was unlikely that either of those two towns would approve any kind of long or short-term agreement with Orford. Both Piermont and Warren presently are attempting to resolve certain elementary curriculum and building needs which lessen the likelihood of any kind of contractual arrangement with Orford.

At its final meeting, the Area Study Committee agreed that at this time it was not feasible to recommend an area agreement or any contractual arrangement between Orford and/or Piermont and Warren.

Respectfully submitted

Robb R. Thomson, Chairman

 Balance on Hand June 30, 1988 (Treasurer's Bank Balance)	\$	 45,624.88

Edna J. Adams  
 District Treasurer

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Orford of which the above is a true summary for the fiscal year ending June 30, 1988 and find them correct in all respects.

Charles Peters  
 Robb R. Thomson

The financial statements on the next pages have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. This method of accounting recognizes accounts receivable and accounts payable as revenue and expense in the year in which earned or incurred rather than the year in which received or paid. The School District Treasurer's books of account are maintained on the cash basis in accordance with generally accepted public school practices.
