SELECTMEN'S REPORT

This year's tax rate will probably take a sharp rise from last year's low rate. This will be due to the incorrect assessment received from the Conval School District. The town will have to borrow \$11,400 before April 1 in anticipation of taxes. This was recommended by the State Tax Commission.

We will have to continue to support the ambulance service.

The Selectmen are in the process of obtaining 2 acres of land from Mrs. John Bross for an addition to the McCoy Road cemetery.

The T.R.A. funds, as recommended by the State Highway Engineer pending approval of the voters, should be spent on the Temple Road from Route 123 near the Robert Young residence to the junction of the Nashua Road.

The Selectmen invite any interested taxpayers to attend their meetings which are usually held at the Brick Schoolhouse on the first Monday of each month at 7 P.M.

SUMMARY OF FINDINGS
AND RECOMMENDATIONS

Board of Selectmen
Sharon, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sharon for the fiscal year ended December 31, 1972. The examination was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk to be retained as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets
December 31, 1971 and December 31, 1972
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1971 and December 31, 1972, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town decreased by \$1,093.44 during 1972, from \$2,553.97 to \$1,460.53.

Analysis of Change in Current Financial Condition
(Exhibit A-2)

An analysis of the change in current financial condition of the Town during the fiscal year is made in Exhibit A-2, with the factor which caused the change indicated therein. This was as follows:

Decrease in Current Surplus:

Net Budget Deficit (Exhibit A-4) \$1,093.44

Comparative Statements of Appropriations and Expenditures,
Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1972, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net overdraft of appropriations of \$1,192.81, less a revenue surplus of \$99.37, resulted in a net budget deficit of \$1,093.44.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Net Budget Deficit — \$1,093.44: (Exhibit A-4)

As indicated earlier in this report, there was a net budget deficit of \$1,093.44 during the fiscal year ended December 31, 1972, i.e., budgetary expenditures exceeded actual revenues by this amount.

The significant factor which caused the aforesaid budget deficit was an overdraft of \$2,626.98 in the town maintenance appropriation account. This overdraft was attributable, in part, to the expenditure of Highway Subsidy funds receipts totaling \$3,037.51 which apparently were not budgeted in the 1972 Town Budget.

It should be noted that the expenditure of Highway Subsidy funds not only must receive prior approval of the Town, but also must be properly included in gross appropriations inserted in the Town Budget.

In similar circumstances, Class V Highway Maintenance funds should also be appropriated at the Town Meeting.

Conclusion:

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Sharon for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante, Director
Division of Municipal Accounting
State Tax Commission

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Sharon for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Sharon at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante, Director
Division of Municipal Accounting
State Tax Commission
