To The Residents of Auburn:

The year of 1995 was quite an accomplishment in itself. Thanks to many volunteers we were able to experience a grand time for our towns' 150th Anniversary. Not only were there encampments and musters but the climax of it all came later with the burying of the time capsule. Once again this is a testimony of the commitment of Auburn volunteers. As busy as lives are today, many still can make the load lighter. We all need to volunteer, if even for one thing and watch things happen.

1995 brought us Enhanced 911. Although not yet complete as far as street name and number changes, we are now able to dial 911 for emergency needs.

We once again thank all who have paid their taxes on time but are concerned about those who do not meet their obligation. The town budgets every year to pay interest if we need to borrow but we hope to go another year without borrowing.

The selectmen meet every Monday night at 7:00 p.m. Don't be the last one on your block to know what's going on in town. Be in the know so you act instead of react. Join us often as we enjoy the company.

It will be a busy year for all of us with four elections, town and school meetings etc. Make a difference, get out and vote.

(Recommended by the Planning Board) **YES-368 NO-138**

The adjourned business meeting was called to order by the Moderator, Bruce A. Mason, Sr., at 1:10 p.m. on Saturday, March 18, 1995.

This year is our 150th Anniversary and Auburn Scouts opened our business meeting with presentation of 4 American flags from 1845 to present. One for each 50 years. Steven Cobb presented the 1845 flag with 26 stars. Meghan O'Neil presented the 1895 flag with 44 stars. Jason Haas presented the 1945 flag with 48 stars, and Elizabeth Henley presented the 1995 flag with 50 stars. We were then led in the Pledge of Allegiance by announcer Sarah O'Neil. It was a beautiful way to start our meeting!

The Moderator read the results of the ballot voting on Tuesday. Persons elected on Tuesday were sworn in by the Town Clerk. There were 134 registered voters in attendance.

ARTICLE FIVE: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Paula Marzloff moved Article Five as read. Carl Mayland seconded. **Article Five passed.**

ARTICLE SIX: To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

Gabriele Belden moved the Article for the library. Seconded by Janice Marks. **Article Six passed.**

ARTICLE SEVEN: We, the undersigned registered voters of the Town of Auburn, New Hampshire, hereby petition the Town of Auburn to see if the Town will vote to have Budget Committee members at large elected at the Town Meeting rather than appointed by the Town Moderator.

Lynn White, Kathleen A. Babcock, Jill Wallen, Robert M. Schanck, Frank Edelmann, Julie Nadeau, Robert Raymond, Barbara Michaud, Debbie St. Ours, Shirley Monohon, Carol-Jean Harms, Tim Chaput, Ben Monohon, Alison Vallee, Linda J. Chestney, Amelia M. Sullivan, John Karpinski, Frances Ryan Stetson, Stephen Holden, Ron Panzieri, William A. Blake, Jr., Robert N. Belanger, Earle Wingate, Thomas J. McGrath, Sr., Sharon M. Goodrich, Carol C. Howard, David Double, Mike Dann.

Kevin Harms moved the Article as read. Seconded by Earle Wingate. There was much discussion on this Article. Some felt that it would be true democracy to elect a budget committee, while others feared that since it is so difficult to find people to file for office that only those persons with a specific agenda would file and this would severely decrease the effectiveness of the budget committee. Satisfaction was expressed with the job our budget committee has done. Carl Mayland moved the question. A majority of those present were ready to vote on the article. The Moderator read a petition by 6 registered voters requesting a ballot vote on the article. **Ballot Vote: YES-20 NO-107. Article Seven was defeated.**

The Moderator introduced Earl Rinker, Executive Councilor and Auburn resident. Mr. Rinker gave an overview of his job and current projects. He offered his help to anyone having a problem with any state agency, and stated that he was available to the Selectmen for any assistance. As part of the Auburn's 150th Anniversary celebration he has arranged for the Executive Council and Governor to meet on June 23rd at 10:00 a.m. in Auburn. Everyone is welcome to attend to see our state government in action.

ARTICLE EIGHT: To see if the Town will vote to authorize the Board of Selectmen to appoint the fire chief, with fire fighters appointed by the Board of Selectmen, upon recommendation of the fire chief.

Paula Marzloff moved the Article as read. Seconded by Bruce Phillips.

Bruce Phillips, Fire Chief, explained that currently the Firemen's Association votes on fire chief and deputy. Since the fire department is a town organization, the Selectmen should appoint the Chief, Deputy and firemen because of the liability issue. The Firemen's Association will make recommendations to the Board of Selectmen.

Article Eight passed.

ARTICLE NINE: To see if the town will vote to raise and appropriate a sum not to exceed Twenty-Five Thousand Dollars (\$25,000.00) for the Fire Department purchase of an SCBA air compressor, air cascade, and equipment in connection therewith. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)

Bruce Phillips moved the article as read. Earl Rinker seconded. Chief Phillips explained that this equipment is used to fill the air packs the firemen wear and that the present equipment is 14 years old and no longer meets air purification standards. **Article Nine passed.**

ARTICLE TEN: To see if the Town will raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for expenses relative to the 150th Anniversary Celebration for the Town of Auburn, with said celebration on June 23, 24 and 25, 1995. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)

Donald Dollard moved the Article as read. Seconded by Mary Griffin. Don Dollard explained that the 150th Anniversary Committee, consisting of about 40 members, in conjunction with other town organizations, has a goal to preserve our heritage and not let the event of our 150th Anniversary go by without recognition. The committee is under the Auburn Historical Association. Don and Ann Dollard were thanked for their dedication and hard work on this project. The committee has raised approximately \$17,000 selling souvenirs, the Great Massabesic Lake Sucker Brook Duck Race, etc. **Article Ten passed.**

ARTICLE ELEVEN: To see if the Town will vote to authorize the Selectmen to enter into a four (4) year lease/purchase agreement for the purpose of leasing a new skid steer loader for the Town of Auburn for use by the Solid Waste Disposal and Recycling Facility and to raise and appropriate the sum of Four Thousand Four Hundred Sixty-Two and 66/100 Dollars (\$4,462.66) for the fiscal year 1995 lease payment, or to take any other action relative thereto. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)

Wallace Titcomb, Jr. moved Article Eleven as read. Seconded by Susan Shargal. Wally explained that both loaders presently owned are in need of costly repair. The plan would be to trade both in toward the new one. This amount is based on one vendor bid and when put out to bid, the cost may go down. A Case loader has an expected life of 11 to 12 years. **Article Eleven passed.**

ARTICLE TWELVE: To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

Article moved by Paula Marzloff and seconded by Charles Worster. **Article Twelve passed.**

ARTICLE THIRTEEN: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article moved by Wallace Titcomb, Jr., and seconded by Harland Eaton. **Article Thirteen passed.**

ARTICLE FOURTEEN: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.

Paula Marzloff moved article as read and Carl Mayland seconded. **Article Fourteen passed.**

ARTICLE FIFTEEN: To see if the Town will vote to authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.

Article Fifteen moved by Paula Marzloff and seconded by Earl Rinker. **Article Fifteen passed.**

ARTICLE SIXTEEN: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

James Headd, Chairman, Budget Committee moved One Million, Three-Hundred Seventy Five Thousand and Thirty-Four Dollars (\$1,375,034.00) to defray Town charges and legal obligations for the ensuing year. Seconded by Al Samson. Paula Marzloff, Chairman of the Board of Selectmen, stated that because of the reasonable budgets submitted by town departments and an anticipated increase in revenues, that the town portion of the tax rate is expected to decrease 15 cents from last year. In answer to a question about modest estimations of expected revenue, Paula answered that before the tax rate is set in October that these figures are adjusted since 3/4 of the year is over and a truer figure for year-end can be estimated.

A question was raised about line 4411 Health increasing from \$500 to \$11,000. Paula Marzloff felt that this was a typographical error. The Health Officer's salary was increased from \$500 to \$1,000. (The Selectmen's Office later reported that this line should be \$11,000, since it includes a \$10,000 contingency fund for the Health Department).

There being no further discussion, vote was taken and **Article Sixteen passed raising One Million, Three-Hundred Seventy Five Thousand and Thirty-Four Dollars**

(\$1,375,034.00) to defray Town charges and legal obligations for the ensuing year.

ARTICLE SEVENTEEN: To transact any other business that may legally come before the meeting.

Steven Swan moved that we, the people of Auburn, authorize the Board of Selectmen to purchase a standard size POW/MIA flag to be flown on the flagpole at the Town Hall beneath the flags of the United States of America and the State of New Hampshire or on a separate flagpole in a conspicuous location to serve as a reminder to our local, state, and federal officials that we demand a concerted effort for a true and accurate accounting of our missing soldiers and that it shall fly until we feel that a sincere effort has been made. Voters present were unanimously in favor of this. The Moderator explained that any motions under this article are non-binding, but it is a vote to show the Selectmen the desire of the people.

Earl Rinker made a motion to adjourn and Richard Miller seconded. The meeting was adjourned at 2:55 p.m.

Respectfully submitted,

Nancy H. Gagnon
Town Clerk

REPORT OF THE TRUSTEES

1995 saw continued increase in utilization of the library by both adults and children of all ages. Another 107 families received library cards bringing community participation to 788 families.

For the first time ever, the library became habitable in summer with the addition of a new air conditioner.

Our old, third-hand copier finally died. We replaced it with a new one which is even now earning its keep and is available to the community.

At the 150th Anniversary Celebration the Library invited a number of exhibitors including an Old Tyme School, a representative of the Pioneer Farm and several local crafters from the surrounding communities. In addition a time capsule containing items representative of 1995, donated by citizens of Auburn, was buried in front of the town hall. We also had a float in the parade bearing local children in the guise of their favorite literary characters. We want to thank all those who assisted in this project.

The Herb Society very graciously continued to support the purchase of the "Herb Connection." And, we now have books on audio tape for your "reading" pleasure.

The volunteer Income Tax Assistance Program (VITA) had a much improved year. While many of the same residents returned for a third year, we also saw quite a few new faces taking advantage of this free service.

In the interest of safety, we added a banister to the steps in front of the building. And the sole remaining, free standing display case was determined to be a hazard so it was dismantled and removed. This made the back room safe for meetings and other activities such as the programs spon-

sored by the library in association with the Friends of the Library. During 1995 these included the following:

<i>January</i>	Kim Carlton taught children how to make pop-up books
<i>February</i>	Love Your Library Month - Free raffles for both children and adults
<i>March</i>	UNH Prof. Batchelder - Wildflower lecture Cathy Sartorelli - Talk on the past, present and future of the library Cathy Sartorelli - Bird identification and feeding
<i>April</i>	Auburn author, Linda Chestney - Biking through Southern New Hampshire and book signing
<i>May</i>	UNH Prof. Perkins - Forest Diversity lecture and slide presentation
<i>June</i>	American Girl Birthday Party
<i>July</i>	Book Sale and Bake Sale by the Friends Teddy Bear Ice Cream Social
<i>August</i>	Magic Show with BJ Hickman
<i>September</i>	American Library Association Reading Program
<i>October</i>	Open House and Craft Fair
<i>November/ December</i>	Fudge sales for purchase of <i>Eyewitness books</i>

We wish to thank all of those who volunteered their time and labor to make our library better. These include the hands that build to keep us safe, plant to make us beautiful and toil to keep us clean. Based on the number of family library cards issued, it is clear that most of Auburn has now noticed that we have a REAL library providing REAL service to our residents. We invite the rest of you to come and check us out!

Auburn School District Meeting March 17, 1995

The Auburn School District meeting was called to order at 7:10 p.m. on March 17, 1995, by Bruce A. Mason, Sr., acting Moderator.

Mr. Mason explained that the Moderator, Alex Komaridis, was out of town and that he had been asked to act as Moderator. Mr. Mason advised the District that if any voter desired a secret ballot that he would require the signatures of five registered voters.

Article 1: To hear the reports of agents, auditors and committees or officers chosen, and pass any vote relating thereto.

Julie Gage moved Article 1 as written. Second by Earl Rinker.

The School Board gave a summary of ongoing research regarding population of the school. They indicated that by the year 2000 the building will be at capacity. Expanding the present school may be an option as well as other options that are being researched.

There was no discussion on Article 1. Article 1 passed.

Article 2: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Auburn School District and the Auburn Education Association which call for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
1995-96	\$57,735
1996-97	\$58,106
1997-98	\$63,313

and further to raise and appropriate the sum of \$57,735 (fifty-seven thousand seven-hundred thirty-five dollars) for the 1995-96 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year . The School Board and the Budget committee recommend this appropriation. (Majority vote required.)

Ken Rhodes moved Article 2 as written. Second by Susan Shargal.

Ken Rhodes explained the Article and that the District would only be voting on one year of the contract, but that a

three year contract had been negotiated. A discussion followed regarding Article 2.

A vote was called for and a request for a secret ballot was accepted by the Moderator.

Results of the ballot vote on Article 2:

Yes	132
No	62

Article 2 passed.

Wayne Gerlitz moved to restrict reconsideration of Article 2. Second by Nick Komaridis. Motion passed.

Mitch Henley presented David Canedy with a Certificate of Appreciation for his work on the School Board.

The Moderator called on Executive Council member Earl Rinker. Mr. Rinker informed the District that the Executive Council would be holding a meeting in Auburn on Friday, June 23rd, to help the town celebrate its 150th anniversary. He invited all to attend to observe State government in action.

Article 3:

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for School District officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District. (Majority vote required.)

Chairman of the Budget Committee, James Headd, moved to accept the budget figure of \$4,624,134.00. Second by Richard Lafountain.

After a short discussion regarding the budget figure, James Headd motioned to table Article 3 and proceed to Article 5. Second by Susan Shargal. Motion to table was defeated.

Article 3 passed.

Article 4: To see if the District will vote to raise and appropriate the sum of \$1,000.00 (one thousand dollars) for the expenses of the Cooperative Study Committee. The School Board and Budget Committee recommend this appropriation. (Majority vote required.)

Mitch Henley moved Article 4 as written. Second by Susan Shargal.

Mitch Henley explained that the \$1,000 would move the Cooperative Committee to a Cooperative Board joining in with the other towns researching a cooperative high school. He also explained that this Cooperative Board would not be making any decisions. Everything would come before the District for discussion and vote.

After a lengthy discussion, Article 4 passed.

Article 5: To see if the District will vote to raise and appropriate a sum not to exceed \$56,500.00 (fifty-six thousand five-hundred dollars) for the purpose of leasing additional busses to provide for a rescheduled school day (staggered starts). The School Board recommends and the Budget Committee does not recommend this appropriation. (Majority vote required.)

Ken Rhodes moved to accept Article 5 as written. Second by David Canedy.

Ken Rhodes explained the School Board's reasoning behind this Article. Children would arrive at school and immediately go to their classroom and start the educational day. As the schedule is presently, the

educational day does not start until all students have arrived at school. After a lengthy discussion, Gail Christensen moved the question. Motion to move the question passed. The Moderator accepted a request for a secret ballot.

Voting results on Article 5:

Yes	68
No	127

Article 5 defeated.

Article 6: To transact any other business that may legally come before this meeting.

James Headd motioned to adjourn. Second by Walter Carignan.

Meeting adjourned at 9:30 p.m.

Respectfully submitted,

Principal's Report

Graduation exercises were held on June 15, 1995, with 79 students receiving diplomas. The Guest Speaker was Mitchell Henley. Honor Speakers were Jason Wallen, Alison Tompkins, and Elizabeth Lagana. Department Awards went to Jason Wallen, Social Studies; Michael Phillips, Science; Alison Tompkins, English; and Richard Chang, Mathematics. The Honor Student Award was presented to Jason Wallen, the PTA Most Improved Award was presented to Paul Smith, and the Millie Preston Service Award was presented to Lori Pineault. The Auburn School Board Citizenship Award was given to Brad Roberts. The American Legion School Medal Awards were presented to Caitlin Conneally and Adam Roux. The Auburn Education Association Teacher Appreciation Award was given to Susan Charest and Jeremy Nelson. The Millie Preston Memorial Scholarship was presented to Matthew Worster who is attending Cornell University and majoring in Civil Engineering. Two Marion Heald Scholarships were presented. The first award was presented to Joan Bienvenue who is attending Rivier College and plans on majoring in Bio-Medical Chemistry. The second award was presented to Melissa Koufopoulos who is attending Northeastern University and plans on majoring in Physical Therapy. A new award was established in memory of Kenneth Dix. The Kenneth Dix Spirit Award was presented to Nicole Graton.

During this past school year and early summer, the staff at Auburn Village was extremely busy writing curriculum frameworks for social studies, mathematics, and language arts. The Social Studies Committee completed their work and submitted curriculum frameworks to the Auburn School Board in June. The Mathematics and Language Arts Committees took advantage of State Department of

Education workshops held in late June in their discipline and sent teams of teachers to workshops held at Notre Dame College and within the Derry School District. The workshops provided these teams with the resources and information needed to write frameworks that are aligned with the New Hampshire Education Improvement and Assessment Program used to gather assessment data at Grades 3, 6, and 10.

Science curriculum frameworks are in the process of being written by the Project RISE teachers from Auburn, Candia, and Hooksett. Steven Welford, Assistant Superintendent for SAU #15, is coordinating this effort.

The Auburn School District has also embarked on an ambitious Long-Range Educational Planning Program. On November 6, 1995, a Search Conference was held at Auburn Village School. Four committees were formed that focus on curriculum, how school happens, facilities, and community involvement. Their charge is to develop a plan that will focus on specific areas that their committee will work on during the next few years.

I appreciate and am thankful for the many outstanding contributions that the PTA makes to our school. I encourage all parents and teachers to become active members. Special recognition goes to the PTA Officers and committee members for the leadership they have provided to make the events that they have sponsored so successful. I also want to extend my appreciation to the Auburn School Board, members of the community, the school staff, and the school volunteers for their efforts and support during the year.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general-purpose financial statements of the Auburn School District as of and for the year ended June 30, 1995. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

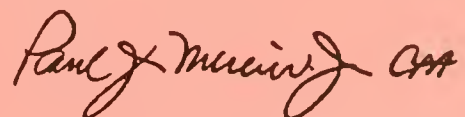

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Auburn School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District, as of June 30, 1995, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 5, 1995 on our consideration of the Auburn School District's internal control structure and a report dated December 5, 1995 on its compliance with laws and regulations.

Superintendent's Report

To the Citizens of Auburn,

The 1994 - 95 school year was marked with activities and accomplishments. Several important initiatives were undertaken resulting in revisions in what is expected of students at Auburn Village School.

First, however, I want to recognize Dick Griffin. The School Board accepted with regret the retirement of Mr. Dick Griffin, at the conclusion of the school year. Dick served the children of Auburn from September of 1971, until his retirement in June of 1995. During those twenty-four years, Dick unselfishly gave of his time and energies for the benefit of the Auburn Village School. We all wish him well in his retirement.

The School Board adopted a plan to reorganize its middle school. The establishment of multigrade teams consisting of five teachers permits increased flexibility and provides a vehicle for instituting a Reading and Study Skills course. The district welcomed four new staff members to the middle school. Jon Wheeler, Elizabeth Bradley, Kim LeClair, and David St. Pierre joined the staff. Each of these teachers brings a wealth of experience and enthusiasm to Auburn. The District also welcomed Nicole Provencher, an experienced teacher, to the Special Education staff.

A large percentage of the faculty was involved in the writing of curriculum frameworks during the past year. New frameworks have been written in Language Arts, Social Studies, and Mathematics. Work continues on revisions, as the staff identifies what Auburn's students should know and be able to do. The Science frameworks are being constructed by a team of teachers representing all three towns in SAU #15. These teachers have all spent the last three years participating in Project Rise, a program designed to improve the instruction of science in our schools.

The long range planning process begun last year continues. Task forces are currently working on facilities, technology and curriculum. They will be suggesting action plans for the School Board's consideration. Once the plan has been approved in Auburn, it will be submitted to the state Department of Education. The time and energy devoted to this process by both staff and community representatives has been quite impressive. We thank them for their interest and energy in planning Auburn's educational future.

The Cooperative High School Planning Board will be reporting to you at the annual District Meeting and presenting Articles of Agreement for your consideration. They have worked steadily for the last year researching Auburn's high school options and authoring a set of agreements that they believe will work well this community. Auburn has been represented on the Cooperative High School Planning Board by Julie Gage, Lou Theos, and Will Drolet.

Finally, I would like to personally thank Mitch Henley for his service and dedication to the children of Auburn. Due to business commitments, Mitch has announced his resignation from the Board, effective at the close of the annual meeting. We will miss Mitch's humor, leadership, and dedication to the children of Auburn and to public education. Mitch Henley's five years on the Board have been a time of great progress and innovation, much of it a direct result of Mitch's insistence on the pursuit of educational excellence. We wish him well and thank him for his years of service.

Respectfully submitted,

Paul A. Fillion, Ed.D.

School Board Chairman's Report

To the Citizens of Auburn:

As Chairman of your School Board, I am called upon to prepare a school report to be included in the Annual Town Report regarding educational activities in Auburn. As you read on, please note that I am trying to maintain a standard of excellence set by previous Chairmen and members of the community who have served on this Board.

The facility and programs we currently have in place are the result of an outstanding team effort by your Board, Administration, and teachers. Although in any setting, improvement is something one constantly strives for, we currently have the good fortune to be able to work on issues of excellence in education rather than merely sufficiency. The people who have carried the Board responsibilities in the past have served this community well, and your current Board can only hope to build upon their legacy. Current Board member, Mitch Henley, has announced that other commitments will prohibit him from continuing his service on the Board. We have had the good fortune to enjoy his leadership, counsel, and wisdom for which we cannot adequately express our gratitude. When you see him, please make a special effort to thank him for his commitment to public education and our children.

The educational program at Auburn Village School continues to be one of quality. Thanks to the outstanding efforts of our teachers and administration, our children continue to benefit from an educational program based on excellence and achievement. Although it is simply a snapshot in New Hampshire's Educational Assessment Program, our third graders did impressively well in last Spring's testing. They placed more students in the Advanced and Proficient categories than in the previous year, and scored well above the state average in both Language Arts and

Mathematics. Modifications to our Middle School team format have provided for extra classes in Reading and Study Skills, and less "free time". Our focus is more intent on instructional programs. By all accounts, it appears that this change in our Middle School concept has worked well. Part of this difference in programming involves providing a total of ten instructors at the Middle School level, four of whom are new members of the staff at Auburn Village School. All members of the Middle School team should be complimented for their efforts and flexibility in making this new organization work well.

At the high school level, the work started a year ago regarding our Town's participation in the Cooperative High School continues. I would ask you to focus carefully on this issue as we approach the next School District Meeting. A decision on the Cooperative High School involves an evaluation by all members of the community on the pros and cons of the education, cost, property impact, and program control of this proposed facility. I encourage your active participation in the process because whatever the community's decision is, it will only be as good as the quality of the discussions and knowledge we have. Please participate!

Another area that the school continues to focus on is long range planning. Meetings have been held and attended by a good cross-section of the community; subcommittees are working on their assigned portions of the projected program. We are committed to having this plan in place prior to the opening of the 1996-97 school year, as required by the State of New Hampshire. This Committee's Report should allow us to have a road map to outline the facilities and programs the Town wishes to have, how to implement them, and what their value should be.

Finally, an area that has been receiving a lot of attention over the past year involves the continued integration of technological resources into our instructional program. The knowledge and skills that our youngsters need to incorporate computers and communication tools into their everyday thinking will continue to be of great importance to their ability to work and live in the future. It is our task as parents, instructors, and citizens to insure the proper resources be given these children in order to prepare them for that future. I look forward to continuing this focus in the Auburn Village School educational program.

I would like to conclude by acknowledging the ongoing leadership efforts of your Principal, Mr. Ray Bourque, and our Superintendent of Schools, Dr. Paul Fillion. The educational programs and initiatives we, as a Town discuss and review, continue under their able leadership and guidance.

On behalf of the Board, I look forward to the opportunities and challenges of the forthcoming years.

Respectfully submitted,

Ken Rhodes
Chairman, Auburn School Board

REPORT OF THE COOPERATIVE STUDY COMMITTEE

In March of 1995 the voters of the towns of Auburn, Deerfield and Hooksett confirmed the research of the Cooperative Study Committee by appropriating funds to continue their work. At the same time, the town of Candia voted to establish a Cooperative Study Committee. The four study committees continued their work of the past year and in May of 1995 decided to join together to form a Cooperative Planning Board. At its organizational meeting the Planning Board elected officers. Four officers were nominated and elected with each one representing one of the four towns.

For the past year the Board has worked on its charge according to RSA 195:18 which states: The Planning Board shall prepare proposed Articles of Agreement for the proposed Cooperative School District which shall be signed by at least a majority of the membership of the Planning Board. RSA 195:18 then sets forth in detail what issues are to be addressed in the Articles of Agreement. We divided the main Articles into three groups. A sub-committee with one person from each town was established. The sub-committees were site, financial, and Board make-up. It was the sub-committee's responsibility to write the Articles and present them to the Board. Research and community input was completed by the committees during the summer and the Planning Board as a whole started discussing the individual Articles in September of 1995. After much discussion, the Articles of Agreement were written and accepted by the Planning Board for presentation at a Public Hearing set in Auburn on November 28, 1995.

After the Planning Board listened to the voters who attended the public meeting, adjustments were made to the operating apportionment formula and the number of board members. The Articles of Agreement were accepted by the majority of the

Cooperative Planning Board. They were then presented to the State Board of Education on January 10, 1996, and approved unanimously.

Currently, Auburn, Candia, and Hooksett's school of record is Manchester, though students do attend other schools when space is available. Deerfield has no school of record and sends its students to seven different high schools. The Cooperative School District concept is very different from current or past arrangements the towns have experienced. If the Articles of Agreement being presented to you at the School District Meeting are ratified, a new separate entity will be created. This new entity, the Chestnut Country Cooperative School District, will be comprised of the residents of all four towns.

The School Board of the Chestnut Country Cooperative School District shall consist of 11 members: Two from the towns of Auburn, Candia and Deerfield, and four from Hooksett. The members shall be elected by the town they represent. There will be one member elected at large who can reside in one of the four towns.

All capital costs shall be apportioned among the four towns based on 50% equalized valuation and 50% on pupils enrolled. All operating costs shall be shared 25% based on equalized valuation and 75% based on pupils enrolled.

The Cooperative School District shall be responsible for grades nine through twelve and shall construct a new high school and related facilities. The Planning Board recommends that the newly-elected School Board construct the new high school on a site no less than 50 buildable acres and that the site criteria list developed by the Site Committee be used to determine the location of the high school. If the voters of the Cooperative School District fail to approve a bond for these

facilities by July 1, 1998, the District will go out of existence.

The Cooperative School District shall be responsible for the transportation of its students.

Amendments to the Articles will require a majority vote. Under current state law no change in the apportionment formula can be made during the first five years.

The Chestnut Country Cooperative Planning Board used the most recent town and student enrollment projections to determine a maximum core capacity (library, cafeteria, gymnasium, auditorium, and office space) of 1,500 students. Classroom space is recommended at 1,100 students. The estimated size of the building is planned to accommodate the projected numbers of students and the courses they are likely to take.

The Planning Board is confident it has negotiated fair Articles of Agreement for the four towns. The Articles of Agreement are the building blocks that will hold the four towns together. We feel the building of a new community as a school district for the high school students of Auburn, Candia, Deerfield and Hooksett will be beneficial for the four towns. We are confident that our model can provide an education for our students which will exceed the level of education they are currently getting. The Planning Board believes the benefits to the town and the students are the main drive for the establishing of the Cooperative School District. The unknowns of tuitioning in our students into different towns creates havoc with the school districts budgets. The lack of the ability to have input into the policies of the high schools our students are attending and the lack of continuity with the education we provide in elementary grades are the driving forces for establishing this Cooperative School District.

I would like to thank every member of the Chestnut Country Cooperative Planning

Board for their time and effort. The members of the Board are listed below. We would also like to thank SAU 15, especially Superintendent Dr. Paul Fillion, for his time and effort in helping us with our research.

Article IX

These Articles of Agreement may be amended by the CCCSD consistent with the provisions of RSA 195:18 (i), except that no amendment shall be effective:

Auburn Village School Lunch Program

The Auburn Village School Food Services is a non-profit organization created solely to provide the students of this town two nutritionally balanced meals a day. Our income consists of the charge of the meals that are purchased on any given day along with some moneys from State and Federal reimbursement for these meals that are purchased by the children that pay full price and those that are eligible for reduced/free meals. These charges are as follows: Breakfast - \$.30 for reduced, \$.75 for paid; Lunch - \$.40 for reduced, \$1.25 for paid. When we are serving 200 to 250 lunches a day, this does not add up to much income so we subsidize the program with an a la carte line, serving anything from morning snack to homemade soups, salads, and sandwiches every day.

The income that is received from the meals and a la carte line pays the salary of the Food Service Director, two five-hour a day employees, one three-hour a day employee and all the food costs and supplies that apply to this program. The program does not receive any moneys from the Auburn School District.

The program can also accommodate most special dietary needs of our students. Any dietary needs based on religious or medical reasons can also be accommodated.

Melissa McCarthy

The Auburn Planning Board

The Auburn Planning Board is made up of volunteer members appointed by the Board of Selectmen. The Planning Board holds membership for seven regular voting members and two of alternate status. During the course of a given year, the Planning Board will meet every Wednesday evening to which they will view agendas that range from revision of Zoning Ordinances, Site Plan, Subdivision, Master Plan Capital Improvement Programs, etc. The Planning Board also considers applications which run from the mild and simple Lot Line Adjustments to the highly charged issues of sludge and/or waste transfer stations.

The Planning Board has representatives which sit on various State and Federal boards, such as the Southern New

Hampshire Planning Commission and the newly formed committee representing the FAA/Manchester Airport Authority in the planning of new runway patterns. This year the Planning Board worked on a Site Plan with the New Hampshire Audubon Society in development of a nature facility located off Battery Point. The Audubon facility will be linked to its sister Silk Farm facility in Concord, New Hampshire. The Audubon project promises a great nature retreat and superb educational tool for area school children.

The Planning Board welcomes all Auburn residents to attend their meetings in the Town Hall on Wednesday evenings at 7:30 p.m.

Independent Auditor's Report on Financial Presentation

To the Members of the Board of Selectmen
Town of Auburn
Auburn, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Auburn as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Auburn has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Auburn, as of December 31, 1995, and the results of its operations and the cash flows of its non-expendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Auburn. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Health Officer's Report 1995

This past year has been another challenging and learning experience as your Health Officer. The issue of "biosolids" surfaced again at the beginning of the year. We are learning more about this as time goes by.

In May, I attended a Health Officers Educational Conference, held in Concord. I also attended a Drinking Water Exposition and Trade Show held in Manchester in September where a variety of seminars on drinking water issues were held.

During the year a total of six (6) failed septic/gray water investigations were initiated which involved a total of fourteen (14) follow-up visits. There were three (3) household well water problems, where water testing was deemed necessary. Garbage left outdoors by persons unknown was also investigated and removal of same was required. Seven (7) residential inspections for various reasons, such as unusual odors from possible septic problems, oil spilled in cellar, etc.

A flea infestation and stray cats problem were referred to the Animal Control Officer.

This year two (2) tenant complaints of consistently leaky ceilings were investigated and the problems corrected by the landlord or building managers. I also responded to two (2) heat problem complaints by tenants which also included

landlord cooperation. These are enforced under NH RSA 48-A:14; Minimum Housing Standards. I also assisted the Building Inspector in notifying a landlord of a dilapidated building that posed a serious health and safety problem. Said building was subsequently torn down.

There were six (6) Child Day Care facilities and two (2) Foster Home inspections.

As you know, Rabies was prevalent throughout the state last year and again this year. We should also protect ourselves from Deer Ticks, which may cause Lyme disease, while venturing into the woods.

I would like to take this opportunity to thank everyone for their cooperation in helping make Auburn a healthy place to live, work and play. Should you have any health related concern or complaint, please contact me through the Selectmen's Office at 483-5052.

Respectfully submitted,

Leo P. Blais, Sr.
Health Officer

Highway Safety Committee

The Highway Safety Committee meets on the third Thursday of each month at 7:30 p.m. in the Town Hall. All meetings are open to the public. Auburn residents with concerns for road safety, streets and road signs, and road hazards may appear before the Committee during any meeting or may make their concerns known in writing.

The State has completed the renumbering of all properties in Town. Due to a shortage of personnel at the State the Town will not have the final information until spring 1996. Street names of historical importance will be maintained. The Ad-Hoc Committee for the Enhanced 9-1-1 System has taken into consideration the input of all citizens with regard to the changes in street names. The Highway Safety Committee has started a survey of the Town where road, street, and replacement street signs are needed.

A number of letters requesting signs such as "No Through Street," "Blind Driveway," and "Slow - Children" has been received and recommendations made to the Board of Selectmen if the signs were warranted.

The possibility for crosswalks around the Auburn Village School was discussed and the Committee is working with the Police Department for locations of the crosswalks.

Striping the through roads in Town was recommended and has been completed.

Some issues are still pending and will be continued for follow-up in 1996.

The Committee is looking forward to a successful and active year in 1996 with many improvements in safety for the residents of Auburn and completion of the survey for road and street signs.

The Committee would like to thank the citizens of Auburn who have brought concerns to the Committee and so made Auburn a safer place for all.

Respectfully submitted,

David Flight
Chair, Highway Safety Committee

Auburn Police Department 1995 Summary

Once again the Auburn Police Department has had a very busy year. Your police department handled a total of 7,480 calls ranging from felony criminal incidents down through motor vehicle accidents to birds in a chimney. This is an increase of 1,729 calls taken care of over what was handled in 1994. This averages out to 20.5 incidents per day and it keeps the department very busy.

During the year our officers charged 25 people with Driving While Intoxicated and all 25 were convicted. We presented a total of 197 cases to the Auburn District Court. The cases covered a wide range of offenses including two incidents of alleged aggravated felonious sexual assault. Both investigations resulted in the speedy arrest of the alleged perpetrators. One has been convicted in Superior Court and is currently serving his sentence. The other is currently awaiting trial. Some other felony cases were sent to the Rockingham County Superior Court and are pending final disposition. On the District Court level 172 of our cases resulted in findings of guilty. 25 cases were disposed of in various ways by the Court, i.e. dismissed if a witness refused to testify, alternative sentencing such as the Challenge Program for youthful offenders etc. We had no not guilty findings.

Another problem faced by the Department in 1995 in the age old problem of minors is possession of alcohol. We had two instances of parties involving alcohol and large numbers of minors. When we become aware of such parties it becomes a time consuming event for us. New Hampshire Law requires that minors in possession of alcohol SHALL be taken into custody and their parents or legal guardians SHALL be notified. We have a zero tolerance policy when it comes to alcohol and minors and our District Court has given us tremendous support in our efforts to separate the two. I'm sure no one needs to be reminded of the tragedies that have occurred in Derry and Londonderry over the past 12 months involving our youth. We vow to make every effort to ensure our kids do not become victims of alcohol related motor vehicle accidents and ask the understanding and support of the community in this effort.

We have had changes within the ranks of the Auburn Police Department this past year. With great regret we lost Officers Jeffrey Harrington and Thomas Gonzales to the Manchester Police Department, and Officer Donna Feenstra to the Burlington, Vermont Police Department.

To bring us back to full strength we welcomed back Mitch Henley as a part time officer and we hired Timothy King, Michael Bernard, and David Patten as part time officers. In addition, a full time department secretary/dispatcher, Paula Page will become a certified part time officer to assist us when there is a need for a female officer. All are scheduled to attend the part time police academy in January of 1996.

Our current roster is as follows:

Chief:	Edward G. Picard	(FT)
Lieutenant:	Donald Eaton	(PT)
Full Time Patrolmen:	David Flight	
	Michael McGillen	
	Gary Bartis	
	Scott Tardiff	
Part Time Patrolmen:	Thomas Wickey	
	Daniel Goonan	
	Mitch Henley	
	Timothy King	
	Michael Bernard	
	David Patten	
Secretary/Dispatchers	Paula Page (also a part-time officer)	
Full Time:	Dona Davis	

A monumental task taken on in 1995 was the planning and development of a step raise proposal. This task was accomplished by various members of the Auburn Police Department, the Auburn Police Commission in cooperation with the Board of Selectmen and the Budget Committee, all of which donated countless hours working on this project. The objective was to create a step raise proposal that would compensate our police officers at a rate that would be competitive with towns in our area. Our objective is to keep Auburn from being a "training ground" for other police departments. We can't blame young officers with families if they leave our town to go where they get paid a substantially higher salary. It should be the goal of the Town to recruit the best available men and women for our police department. These people will be trained as well as any officers in the State and we must do everything we can to keep them. You as citizens deserve nothing less. To do this we must give them a fair living wage.

In 1995, the Auburn Police Department applied for and received a grant from the New Hampshire Highway Safety Agency for the lease of a police motorcycle. The grant paid for the lease of a motorcycle thus giving us an extra vehicle for only operating costs. The motorcycle proved to be a valuable enforcement tool for the Department while saving mileage on the full size cruisers allowing us to go through 1996 without having to buy a new cruiser. The Department also received grant money from Highway Safety for DWI patrols which resulted in a number of arrests and convictions.

In closing, we wish to thank you, the people of Auburn, for your continued support. We are here to serve you and we ask that you not hesitate to call us to report any problems or concerns you may have. The Statewide EMERGENCY telephone number now in effect for police, fire, and ambulance is 911. Our old emergency number, 483-2922, will continue to be manned 24 hours a day. Our non-emergency number, 483-2134, will be answered during normal business hours. We look forward to 1996 as being another great year for the Auburn Police Department and we wish the same for you and your families.

Respectfully submitted,
Edward G. Picard, Chief of Police

Auburn Volunteer Fire Department

The Auburn Volunteer Fire Department has completed yet another successful year of accomplishments. In the 1995 year, the dedication of the membership of the department has again pulled together and shown what true volunteer efforts really can do. The membership as a whole have contributed over 6000 hours of service to the Town of Auburn. The hours not only represent the maintenance of two fire stations and apparatus, but some of the best trained volunteer fire fighters in this area. This organization prides itself with commitment and efficiency in all aspects of the service. In the past few years, the Auburn Volunteer Fire Department has become a well rounded and respected organization. With the department's level of training, the Southern New Hampshire Hazardous Materials Response District chose to place one of two response vehicles in the Town. This vehicle is used for hazardous materials incidents within a 13 town area and is staffed by Auburn fire fighters.

The members of the Auburn Volunteer Fire Department responded to 300 calls for the 1995 year.

Emergency Medical Calls	133

This year the department underwent some major changes. With the issue of span of control, the upper administration was broken down into a more simple method. By adding 3 lieutenants, not only did it make it easier to deal with the duties and responsibilities around the station, but made it easier for the residents to obtain burning permits. To ease that, here are the people you can call:

Ron Geoffroy	483-5821
James Thompson	483-5627
Steve Vanni	483-1325
Scott Hoffacker	622-6152
Bob Selinga	483-2863
Pete Mannarini	669-4838
Pete Boudreau	624-9071
Steve Davis	483-8616

The other change is the downsizing of the Department's fire apparatus. After taking a hard look at the operation of the department, I found it necessary to remove and sell our newest piece of fire apparatus. This overall is a cost savings to the Town. We no longer have to insure or maintain it, and by selling it to the nearby Town of Hooksett, the truck is still at our disposal should we need it. The other large savings is that the revenue received from the sale will offset the purchase of the new tanker/pumper.

With new State of New Hampshire RSA, the Town voted last year to make the fire chief a Town appointed position. By doing this it also recognizes the fire department as part of the Town. It now enables the department to clearly divide and better organize within. The fire department is made up of two bodies, the actual Town of Auburn Fire Department and The Auburn Firemen Association.

The Auburn Firemen Association has been very active this year in fund raising. The fund raising done by the Firemen Association aids in many areas.

This year alone, the Firemen Association purchased, and with the help of some very dedicated fire fighters, built and painted a military surplus 5/4 ton truck. This truck was then turned over to the Town and is presently in service as a brush truck. Other benefits the Association provides to the Town are, partial scholarships for books for Auburn residents entering the medical or fire suppression field, offsetting equipment costs being bought by the Fire Department, and maintaining a mainframe computer system that is used in the day to day operation of the Fire Department.

The Department also conducts a very aggressive fire prevention program. Members have been successful on bringing the "Learn Not To Burn" motto to the students of the Auburn Village School and sponsors an open house every year for Town of Auburn Residents.

So, as you can see, the two groups work very well and very close to see that we can get the most for our dollar and pass the savings onto the taxpayers.

With the upcoming year already proving to be busy, the members of the department look forward to yet another challenging year.

As always, the membership will strive to perform Fast, Clean and Professional Services, at a Reasonable Cost.

Report of Town Forest Fire Warden & State Forest Ranger

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Recreation Commission Report

The Year 1995 In Review

The year 1995 has proven to be an active year for the Recreation Commission. Improvements planned in the previous year for Sandy Acres Recreation Area, Appletree Park, and the Ice Rink progressed or were completed. Programs which have become popular over the years such as the Summer Program, the After-School Ski Program, and the Seniors Trips were continued.

In March the Commission welcomed the new representative of the Board of Selectmen, Paula Marzloff, who replaced Wallace Titcomb. Unfortunately, the Commission still worked without a third Commissioner and this vacancy still exists.

Sandy Acres Recreation Area enjoyed full use by many Auburn teams, Little League, as well as teams from surrounding towns. Another set of bleachers was added. The fields are being improved by a fertilizing-reseeding-loaming maintenance program. The basketball hoops were removed and brought to Appletree Park. With the help of volunteers, the Little League organized two clean-up days in April, donating 200 manhours and \$500.00 in materials. It also generously donated as it does each year, time, volunteers, and materials to improve the fields.

This year the two baseball fields, T-Ball field and soccer field were used by 4 T-Ball teams, 5 Farm teams, 4 Minor League teams, 3 Major League teams, and 2 girls softball teams. An additional field to accommodate these teams and the expected increase, especially in girls softball, was taken up in the long-range planning, as well as upgrading the existing fields.

The fence around the Recreation Area was completed and plans have been made to move the playground inside the fenced-in area.

The signs to be installed on By-Pass 28 have been received and will be installed as soon as possible.

For the students of Auburn, the Recreation Commission again sponsored the soccer instructional program, run by the YMCA for seven weeks in the fall and the programs of the Derry Soccer Club. The Commission also sponsored the basketball programs coached by Dr. Ray Bolduc and the Manchester Suburban League.

Improvements to Appletree Park are continuing. The old tennis court was crack-sealed and converted into a basketball court. The Commission is looking for input from the community, especially the Sun Valley area, in the long range planning.

The Ice Rink was in full use with the help of the Auburn Volunteer Fire Department which fills and maintains the rink. A second light was installed. The Auburn Volunteer Fire Department again has volunteered to fill and maintain the rink for the 1995-1996 winter.

The five week Summer Program, from July 10, 1995 through August 11, 1995, under the volunteer direction of Eileen McDonald, was filled and the six to twelve year old participants enjoyed the arts, crafts, and sports programs the first three days of the week. Every Thursday, the campers took a field trip and the week ended on Fridays with relaxing, playing, and swimming at Calef Lake, made possible by the generosity of Bill Cooper, owner of Calef Lake Camping grounds.

The After-School Ski Program, at Pat's Peak, started on January 4, 1995 and ended on February 1, 1995, under the volunteer direction of Michele Dollard. About sixty students and chaperones enjoyed the skiing and the lessons for five Wednesdays. The 1996 Program got underway in October 1995, under the direction of volunteer Lucy Rhodes, and will run from January 3, 1996 through January 31, 1996.

The Seniors took a spring trip to Kennebunk and the surrounding area. The Seniors visited the Brick Store Museum for an overview of the history of Kennebunk, and the Trolley Museum where a ride on a trolley car was enjoyed by all. After lunch at the Glen-Mor Restaurant, the Salmon Falls Stoneware factory was visited.

In the fall Seniors took a trip to Deerfield in neighboring Massachusetts. The foliage was brilliant and at its peak. The Yankee Candle Company with the world's largest Christmas shop was visited. Lunch was enjoyed at the historic Deerfield Inn and in the afternoon the Seniors enjoyed a guided tour through historic Deerfield for which a tour guide came aboard the bus.

The Recreation Commission sponsored a well-attended all day event in October in cooperation with the Audubon Society of NH. Programs, nature walks, and activities were offered for all ages.

The Recreation Commission looks back on the year 1995 and the amount of volunteer hours, materials, and equipment donated by so many. The Commission wants to thank all those who have given so generously of their time, and is looking forward to this continuous support. The Commission sponsors programs and activities for all residents of Auburn. Please contact any of the Commissioners with your interests and ideas. It always likes new opportunities. Volunteers for the different activities are welcome.

The Recreation Commission enjoys serving the citizens of Auburn.

Respectfully submitted,
Gale Butler-Christensen
