Report of the Planning Board

The Planning Board of Center Harbor is a seven-member board, and at the beginning of 1967 was composed of the following members:

(Mrs.) Gladys Bickford
(Mrs.) Louise de Sousa
Rob Roy Macgregor (chairman)
Aaron C. Smith (Selectman)
Thomas P. Winn
Lewis E. Woodaman, Jr.
Gaylord Woodworth

In November, 1967, the Board regretfully lost two members who had to resign. Mr. Thomas P. Winn resigned due to the time required of him by other commitments, and Mr. Gaylord Woodworth due to his necessary absence from Center Harbor for about six months of the year. In their stead, the Selectmen has appointed two new members, Mr. Charles G. Borrell, and Dr. Carl R. Marshall.

The Year's Activities:

During 1967 the Planning Board held 22 regular meetings and one public hearing. Representatives of the State Department of Resources and Economic Development, Division of Planning and Research, Mr. Randall Raymond and Mr. David Scott met with the Board and its members three times. The Board has been guided by the advice and aid of the State Planning Offices in all of its major activities, particularly in the drawing up of Subdivision Regulations, and more recently in preparing for work on a Comprehensive Plan for the Town. Mr. Ted Kelsey, of the U. S. Soil Conservation Service, has given the Board valuable aid in their search for a suitable site for a Town cemetery. Four field trips were made in this respect. Mr. Leo Kershaw of the Meredith Planning Board has met with the Board to help explain Comprehensive Planning.

The majority of the meetings were concerned with the business of drawing up Subdivision Regulations for the Town. The authority to do this was granted to the Board by vote of the Town at Town Meeting in March 1967. The State Planning Commission assisted in this, and Board members also drew from the regulations of other towns and attended

hearings at New Hampton and Sandwich to gain information. The Center Harbor regulations were drawn up by the Board during the Spring and Summer, and presented at a Public Hearing on the 29th of August. After incorporating changes suggested at the hearing, the Subdivision Regulations were voted in by the Board at their next regular meeting.

Other business has included: 1) the search for a Town cemetery site, 2) assisting the Selectmen in plans for a new municipal building, 3) consideration of an ordinance governing signs in the Town, 4) seeking better regulations for the governing of the Town Beach and bathhouses, and 5) preliminary work on a Comprehensive Plan for the Town of Center Harbor. By far the most important business of the Board at this time is the drawing up of a Comprehensive Plan, and the Board is requesting funds for professional aid in this at the March 1968 Town Meeting. The Board is also seeking approval of the voters for Center Harbor's joining the Lakes Region Planning Commission. A member of your Board has attended every preliminary meeting of this group held so far.

A Look Ahead

In 1968 the Board will be concerned with many problems of importance to the Town. Some of the principal goals are: 1) a Comprehensive Plan for the Town of Center Harbor, 2) a re-study of zoning, and development of a good zoning ordinance for the Town, 3) cooperation in the development of the Lakes Region Planning Commission, 4) final selection of a cemetery site, and 5) replacement of the shade trees killed by blight in the center of Town, and a program for improving the appearance of the Town.

Recent estimates by many authorities forecast a tripling of New Hampshire's population in the next 50 years. In areas of unusual scenic attractiveness, such as ours, the increase may be greater. Careful planning is a "must" if we are to preserve the area's beauty and maintain an orderly growth. It is hoped that more townspeople will take an interest in town planning, and will freely attend meetings of the Board. Meetings are held on the first and third Wednesday of every month, at 7:30 p. m., in the Nichols Library. The Board will be glad to discuss any problems, receive new ideas, and accept aid from any who have acquaintance with planning procedures.

Report of Forest Fire Warden and District Chief

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.
