1947

HONORABLE ALBERT A. PARMENTIER

Mayor, City of Laconia, N. H.

1947 - 1948

Address

by the

HON. ALBERT A. PARMENTIER

Inaugurating the Second Year of His Administration
as Mayor

Members of the Council and Friends:

I wish to take a few minutes of your time in reviewing some of the accomplishments of the past year.

I wish to thank the council for their co-operation for it is only with this co-operation that we are able to accomplish our task.

A Planning Board has been formed in our City and I do hope you will keep on supporting the Board for another year. Many programs have to be launched by this Board that are vitally important to the future growth of Laconia.

New Industries are being introduced to Laconia and it is the duty of the Council and Mayor to see that more and more industries come into our city.

A good example of this need has been shown when in the past few months one of our largest industries has been obliged to lay off many of our family supporters. This my friends is not a healthy condition for a community such as ours. Therefore I advocate the promoting of more industries in Laconia.

The Weirs waterfront is being taken care of at the present time. Future planning here should be considered.

In regards to our Sewerage Disposal Plant no progress has been made in this matter. I strongly recommend to the Council that the question of the Water Company be studied and that it be purchased in the coming year, for all of us know that the Water Company and Sewerage Plant go hand in hand for proper operation. It is also helpful in keeping the taxes down in offsetting payments against the Sewage Disposal Plant itself, by the profits from the Water Works.

In regard to our Streets, Sewers and Engineering Department, Mr. O'Mara should be complimented on the fine job he has done this past

winter. We have started to clean up some of the street, sewer, and sidewalk projects that have been pending for the past ten years and I would recommend to the Council that more of these be completed this coming year.

We have passed new ordinances on Parking and Traffic control. My only desire is that the Chief enforces these to satisfaction of the Council and myself.

As for the coming year I recommend the following:

1. Capable representation of both parties on all boards.
2. Study of our present tax assessment valuations.
3. Revision of our city charter for, knowing the impracticability of committees and boards, we are faced with the future management plans that no doubt will be voted upon at our next annual election. Therefore, I would suggest studying and changing the Laconia charter to fit our times.
4. The Fire Department has been improved considerably but not enough. I recommend appointing a young man under Deputy Chief Shorey as Assistant Deputy. We have purchased a new truck and pleased to say that a new ladder truck is under consideration.

Overcrowding of the City offices will be overcome, I hope, by the building of a new Fire Station this year.

In-so-far as the budgets are concerned it is my hope that they will be scrutinized with utmost care and reduced to a minimum on all expenditures. This will enable us to complete important projects first.

I ask the Tax Assessors to give us some idea of assessment by May 1st.

I also wish to thank City Clerk Charles E. Lord for the fine showing he has made. He has improved the City Clerk's Office, modernized this department, and has all figures up to date at all times for us.

My thanks also to City Solicitor, Robert Tilton, for his fine cooperation.

In closing may I say that your achievements, in the coming year, will have direct bearings upon the decision of the Citizens of Laconia in determining whether or not the City Manager program will pass on next election day.

Let us endeavor to show good results this coming year.

GOVERNMENT

MAYOR

Honorable Albert A. Parmentier

WARD COUNCILMEN

Walter A. Woodward	Ward 1	Frederick A. Tilton	Ward 4
Frank T. Monahan	Ward 2	Forrest A. Bucklin	Ward 5
Charles P. Raymond	Ward 3	Claude W. Foster	Ward 6

(The City Council was elected March 11, 1947)

Standing Committees of City Council

ACCOUNTS AND CLAIMS: Councilmen Monahan, Woodward and Bucklin.
ELECTIONS AND RETURNS: Councilmen Bucklin, Tilton and Foster.
ENGROSSED ORDINANCES: Councilmen Tilton, Raymond and Woodward.

Harry L. Smith
Eva T. Trumbull

Chairman of Supervisors of Check-List:

Joseph T. Guay

IN REVIEW

- Fire alarm boxes installed at all of the schools in the city as a precautionary measure for the protection of school children.

- Public wharves installed at the Weirs at a cost of \$10,000.00.

- Knight property sold with deed restriction permitting a commercial building of at least two stories and the corner rounded off by the Board of Public Works to improve traffic conditions at that corner.

- The property of the Jacob Bond estate purchased for the sum of \$6,000.00 to be used as a bathing beach for Lakeport residents.

- Portable bleachers bought for use at the high school and Pearl Street grounds and flood lights purchased for night baseball games at the Pearl Street grounds.

- Traffic ordinances revised and codified by the City Council on recommendation of the City Solicitor.

- The sum of \$3,500.00 appropriated to match state and federal funds to improve the airport. The total amount is \$14,000.00.

- The City Council authorized the construction of a thirty foot by thirty foot grandstand and bath house at Opechee Park.

- Bowman Street school sold to Veterans of Foreign Wars for a VFW post.

- Stonecrusher lot off Union Avenue sold for \$5,000.00.

- Zoning ordinance to promote the health, safety, general welfare of the community and to secure safety from fire and to avoid undue concentration of population passed by the City Council.

- A bond issue for \$225,000.00 issued by the City to pay for public improvement program.

- Budgetary control system established by City Council upon recommendation of the City Auditor to give the city better control of department expenditures and a monthly check on department finances.

- Rats and other vermin at city dump poisoned to protect public health.

- Scott & Williams, Inc. donates land for enlarging Tardif Park.

- Acquisition by the city of the Chapman property for a sand and gravel bank.

- Board of Public Works purchased land on Messer Street and started construction of new city garage and started construction on a city barn just off Messer Street to centralize its activities for greater efficiency and economy.

- Spanish War Memorial tablet authorized by the City Council.

- City inaugurated the purchase of fuel oil by competitive bidding.

- Two-way radio installed in the Fire Department.

- Police Chief authorized to install a two-way radio in his car.

- Capital budget and capital improvement program recommended by City Planning Board.

- Traffic hazard at the corner of Gilford Avenue and Highland Street eliminated by purchase of property and rounding of corner.

- Planning Board directed by Council to make study and recommendations on the microfilming of city records to preserve copies of records in case of fire and to conserve space.

- Laconia French Dye and Finishing Company induced to locate in city.

- Purchase of addressograph machines for the Assessors and Tax Collectors office to expedite the work of the Assessors and sending out tax bills. The machine is also used by the City Clerk's office in getting out notices.

- City Health Department laboratory set up as emergency source of typhoid fever, anti-venom, smallpox, and other serums.

- Laboratory of City Health Department modernized with new equipment and reconstruction.

The City Council:

The Mayor and Council were in session twenty-three times during the year, thirteen were the regularly scheduled meetings and the remaining ten were special meetings. There were twelve public hearings on subjects ranging from the zoning ordinance to granting building permits.

Some of the outstanding accomplishments of the City Council are given in this report under the title of "In Review".

Until the enactment of the zoning ordinance the Mayor and Council approved sixty-six building petitions for twenty-five new homes, nine private garages, seventeen additions or alterations to present buildings, five summer cabins, five new stores or additions thereto, four factory buildings or changes and one boat-house. After the passage of the zoning ordinance the building inspector issued 103 building permits for twenty-two new homes, twenty private garages, thirty-nine additions or alterations, one sign, twenty cabins, four industrial buildings or additions, and a storage tank installation.

A bond issue of \$225,000.00 was

approved and issued to provide for numerous projects which had been delayed by the past war. This list of these will be found in the resolution allocating the money—see Ordinances and Resolutions.

Vital Statistics:

There were ~~640~~⁷⁰⁰ births and 257 deaths recorded and 237 marriage licenses issued. The bodies of twelve veterans of World War II were brought home from overseas. The vital statistics will be found in the back of this book.

Fiscal Officer:

During the past year the City Council passed an Ordinance, prepared by City Solicitor Robert P. Tilton, Relative to Finances which represented a great deal of work by City Auditor Dana S. Beane, Jr., City Clerk Charles E. Lord, and Fiscal Officer Theodore C. Greene.

The ordinance provides for a Budgetary Control System of Accounting with a central accounting office set up under the direction of the City Clerk, and Theodore C. Greene was designated by the City Clerk as Fiscal Officer in charge of city accounting records.

The change from lump sum appropriations to segregated or item appropriations is not new, it has been adopted by progressive communities all over the country. This gives the chief executive and department heads a closer control over detailed expenditures and a

Mrs. Maude Lemerc, Miss Ethel Aldrich, and City Clerk Charles E. Lord handling one of the many requests that come across the counter each day.

clearer picture of the detailed financial operation.

The ordinance provides for monthly statements of operations of each department to be compiled by the accounting office and submitted to the department heads and Mayor and Council. These reports will be used to insure that a definite program of departmental expenditures will be realized within the budget appropriations allotted.

All bills carrying discount provisions are permitted by this ordinance to be paid by the City Treasurer before the discount period expires.

New cash receipt books, petty cash fund, and procedure on accounting for department receipts in the City Clerk's Office was established during the past year. All receipts of the city, with the exception of the Tax Collector and

the Public Works Department, are received through the office of the City Clerk, segregated according to source and then deposited with the City Treasurer.

During the past year records were set up to account for each item of expense within each department in anticipation of segregated appropriations for next year's budget. For the coming year, budget estimates will be submitted on standards forms and will be segregated according to Capital Outlays, Salaries, and Current Expenses for standardization and efficiency.

Revenues:

The following is an account of the money that the City Clerk has received for the City for the fiscal year February 15, 1948 to February 15, 1949 and the sources from which it was received:

RECEIPTS:

Dog Licenses	\$ 1,917.39

CITY SOLICITOR

+ + +

ROBERT P. TILTON.....*City Solicitor*

+ + +

Two Superior Court actions were settled during the past year. One case which concerned the Welfare Department of the City was settled before a hearing on the matter was had; in the other action preliminary hearings were held following which a settlement was made on terms previously suggested in behalf of the City.

One petition was entered in the Probate Court requesting the appointment of additional trustees in the Gale Trust (of which the Laconia Public Library is a beneficiary) in order to conform more closely with the provisions of the will of the late Napoleon Gale. No hearing has been held on this petition though a date for the hearing has now been set.

As I reported to you a year ago, both the City of Laconia and the Laconia Airport Authority petitioned to intervene in the so-called New England Case relative to air service in the New England area. During the past year dates for a hearing were set but those dates were changed. At the present time a hearing is scheduled for March 28, 1949 at Boston, Massachusetts.

Matters such as the Court actions and the hearings above mentioned have occupied but a relatively small amount of time for your attorney compared with the more routine phases of city legal work with which your solicitor has been concerned. There has been a normal amount of work connected with deeds, contracts and the drawing of other papers; ordinances have been revised and redrawn while other matters have been made the subject of ordinances; consultations have been held with members of the various departments and legal opinions rendered. Considerable time was spent with the Planning Director regarding the legal phases of his work, particularly in connection with new legislation and its enforcement. Additional time was spent with the Health Officer regarding the remedying of some existing conditions and appropriate action taken. Your solicitor also prosecuted transient photographers under the itinerant vendor statute as well as many other minor cases under their appropriate listings.

As requested your solicitor was present at nearly all of the council meetings, both regular and special, and was in attendance at the meetings of the Laconia Airport Authority. I was also present, on request, at a few meetings of the Board of Health and at one hearing of the Zoning Board of Appeal.

The 1947-1948 School Report was printed separately from the City Report and distributed widely throughout the city. However, anyone who failed to receive a copy, or anyone desiring additional copies, may secure them from the office of Mr. Charles E. Lord, City Clerk, or at the Superintendent's office. An annual school report should be interesting and informative; it should acquaint the citizens with some essential service or activity of their school system; it should help them to know better the educational opportunities afforded their sons and daughters. Ordinarily the cost of education to a community is between one-third and one-half of the annual tax income—in Laconia it was approximately 36% for 1947-1948. In view of the importance of public education and in view of its cost the community is entitled to an

annual report that treats its subject thoroughly. Hence the separate School Report for the last school year.

The nature of the Report is to be gained from the foreword: "Members of the Laconia School Board and Citizens of Laconia:

This School Report represents the co-operative effort of the Laconia High School staff and is intended to give you an intimate introduction to your high school. It is in this high school that almost every future citizen of Laconia is to receive his basic educational preparation for life. In this high school the purposes of the public education system are to be finally attempted as far as Laconia's sons and daughters are concerned. In this school, "All the children of all the people," are taught.

We hope that this Report will bring you closer to your high school; we hope that it will awaken a desire to know the teachers better, to understand better what the school is doing and should be doing, to become acquainted with its value as a community asset. There is a heavy responsibility upon all of us entrusted with the education of young people, and in behalf of all the boys and girls of the city, the interest and understanding of all the citizens must supplement our efforts.

It is not too much to say that we could not afford to bring this Report to you without the advice and help of Mr. William Volkman and the pupils of the Printing Department. Our special appreciation goes to him and his classes.

SCHOOL POPULATION FORECAST GRADES VII THROUGH XII

A study of the population in grades seven through twelve (junior-senior high school) indicates the need for greatly increased space and facilities. If the figures, upon which the forecast is made, are at all accurate, the following enrollment is estimated for the next five years:

Year	Gr.	Gr.	J.H.S.	Gr.	Gr.	Gr.	Gr.	S.H.S.	J.H.S. & S.H.S.
	VII	VIII	Total	IX	X	XI	XII	Total	Total
1948-1949	173	127	300	188	147	165	127	627	927
1949-1950	138	173	311	221	188	147	165	721	1,032
1950-1951	157	138	295	257	221	188	147	813	1,108
1951-1952	153	157	310	241	257	221	188	907	1,217
1952-1953	153	153	306	263	241	257	221	982	1,288

Inasmuch as Laconia High School is now using its space and facilities at somewhat more than maximum capacity, the figures above point up the building problem facing the city.

FINANCIAL STATEMENT

Year Ending June 30, 1948

THE SCHOOL LUNCH PROGRAM

1947 - 1948

The School Lunch Program in Laconia is accounted for separately from other accounts for our own purposes. The figures below indicate the scope of this program as a service to the pupils in Laconia. Parochial School pupils may avail themselves of the School Lunch services provided at the High School Cafeteria if they are transportation pupils.

Receipts from lunches	\$24,855.82

PARK COMMISSION

+ + +

Park Commission

DR. ROBINSON W. SMITH, *Chairman*
 MALCOM C. BARNEY
 CHARLES E. LORD
 DR. CLARENCE E. ROWE
 MRS. AMELIA G. HESCOCK.....*Secretary*
 OSCAR L. HOYT.....*Supervisor*

+ + +

THE COMMISSION met at frequent intervals throughout the year, the sessions being well-attended, studying ways and means for improving Laconia's park system with the funds provided.

A brief summary of the more important accomplishments is listed.

Laconia's parks were open under supervision from June 28 until August 21. In addition to the customary playground facilities afforded the younger boys and girls, swimming was enjoyed at Opechee and at Leavitt during the entire summer, while skating was liberally patronized at Wyatt, Leavitt and Normandin Square.

Construction was started for the new bath house at Opechee Park, and much effort was expended trying to teach and maintain neatness and cleanliness in the use of city property.

Three new tennis courts were constructed, two at Opechee, and one at Wyatt. Replacement of

wornout equipment was carried on as usual.

What has been recognized as a distinct addition to the park system, and also to the social life of Laconia is the new Tardiff Park Clubhouse, built under the supervision of the Park Commission. Too much credit cannot be given to the women of Ward 2 for the energetic and unselfish way in which they raised over seven hundred dollars for new equipment in keeping with the needs of their new clubhouse.

Much still remains to do, but each year shows a substantial degree of progress in building up the parks in this City on the Lakes.

BARBARA B. COTTON.....*Librarian*
BERTHA L. FOWLER.....*Assistant Librarian*

The January 1949 issue of the American Library Association Bulletin features an article by the Association president in which he states that "There is no more noble tradition in our society today than the tradition of free sources of information available to all people. American society cannot function without some agency such as the free library. So long as there are free libraries, freedom of speech and freedom of the press, neither fascism nor communism can succeed in America."

"Our work rarely brings headlines, and other professions may be said to possess more glamour. For downright importance and significance, however, what goes on in every library across the country is pretty fundamental to the improvement of our society.

It is here that people study ideas, obtain information, receive better understanding and, in short, equip themselves to be better citizens and better persons. In our libraries, and as a result of our efforts, our people become better citizens and our society becomes a better society."

Due to the interest and foresight of two former leading citizens, Napoleon B. Gale and Dr. Ossian Wilbur Goss, Laconia and Lakeport are fortunate to have a central library and a branch, the Goss Reading Room. Income from the Gale and Goss estates is used toward the maintenance of these buildings and grounds. Other citizens have left bequests to both libraries. The income from these funds is used as stipulated in the wills. During the past year the Goss Reading Room has received on account \$50,000.00 from the legacy of the late Charles H. Perkins.

Gale Park, so conveniently located in the shopping district, continually maintains its beauty from early Spring until Fall. Resplendent with flowers and shrubbery, it is a place of quiet refuge for the working citizens of Laconia during lunch hours. Picnic tables and settees are placed under the trees for their convenience and pleasure. On a pleasant summer's day, little tots come to the pool to paddle in the shallow water and to sail their many colored boats. Gale Park is a necessary requisite

in completing the scenic entrance to our City either by train or automobile. Expenditures for maintenance are recompensed by the pleasure derived from its beauty and the advertising which it gives our City from favorable comments of out-of-town guests.

Any large enterprise requires competent management. The library is no exception. The citizens of Laconia, through the Mayor and Council, appoint two trustees each year to serve without pay for a term of three years. There are seven trustees, including the superintendent of schools, ex-officio, who direct the activities of the library. The trustees appoint the librarian and the staff whose responsibility it is to carry out the policies formulated by the trustees, to maintain the high standard of the library, and to make accessible to the public, not only books for circulation, but material available in reference collections.

Books

A library must have books. It is most important that the book collection be kept active and useable by means of the endless process of careful book selection and the systematic discarding of worn-out or obsolete material.

How many books are purchased each year? As many as are allowed by the budget. For the past three years \$3,000.00 has been granted for this item.

How are the books chosen? The librarian and staff are aided in their selection by publications of the American Library Association and other literary agencies. Suggestions of patrons are encouraged and considered for purchase. Books and periodicals are examined and approved by the Book Committee, consisting of three members of the Board of Trustees.

What kind of books are purchased? Any public library has the responsibility of providing books for the education, information and recreation of the entire community. It must meet the needs of readers of all ages. The reference collection must be adequate and timely. One thousand eight hundred and six books were added during the past year. Of this number 401 were sent to the Goss Reading Room.

Periodicals

Ninety-two periodicals are purchased for the main library and 28 are received as gifts from library friends and organizations. Seven newspapers are available in the reading room. Many state and government publications are checked and filed for future reference. Twenty-four magazines and three newspapers are received at the Goss Reading Room.

Circulation

During 1948, 58,646 volumes and magazines were borrowed by

patrons of the libraries; 42,119 represent the adult circulation, and 16,527 the juvenile. The library has 3,557 registered borrowers.

Children's Work

What does the library do for the children of the City? This past year, 636 new books were added to the juvenile collection. This number includes a wide range from large brightly colored picture books, primers and easy readers to scientific and historical volumes suitable for teen-agers. Biography proves to be by far the most popular group for nonfiction readers. Teachers of the public schools borrow large numbers of books for classroom use. Eleven children's periodicals are received each month and placed on low shelves for reading and circulation.

During the months of July and August, weekly story hours were held at both libraries. In addition to the actual story telling, these hours included nature study and recordings of favorite stories and musical selections.

We believe Laconia was the first library in New Hampshire to avail itself of audio-visual aids. Since the first motion picture program was given in December 1947, great progress has been made to provide educational as well as entertaining films for the children

of the elementary grades. Hundreds of children who have attended the library programs consider this service fully as important as the books which they borrow. Part of the basement has been cleared for this purpose, and numerous alterations have been made to provide a pleasant, safe location where the youngsters of Laconia may attend these instructive programs. The popularity of the Children's Film Hour necessitates two showings to accommodate the number who wish to attend. During the past year approximately 1,150 children attended the 12 showings. The rental cost of the projector and films averaged 10c per child, less than the cost of circulating one book. Laconia High School and Scott & Williams Inc., have co-operated most generously for these programs. The library is obtaining necessary equipment for this work as rapidly as it is financially possible. Seventy-five chairs have recently been purchased, a large wall type screen has been ordered and it is hoped that a projector may be acquired in the near future, thus making more visual-aid programs available to the public. "Films are different from books in form, but not in essence; they expand and enrich the library's contribution to the community; they do not change its nature."

The New City Barn at the City Yards on Messer Street

PUBLIC WORKS

+ + +

BOARD OF PUBLIC WORKS

HARRY L. SMITH, *Chairman*
OSCAR L. HOYT
WILLIS G. WATSON

ARNOLD J. O'MARA, *City Engineer and
Superintendent of Streets and Sewers*

+ + +

Surface Water Drains

Funds were allocated from the 1948 bond issue to construct surface water drains on several streets in the city which are shown on the schedule below. Two and four tenth miles of pipe was laid in sizes from ten inches to twenty four inches.

The existing surface drains on Harvard, Dartmouth, and sections on Pleasant Street and Whipple Avenue which had been inadequate in size causing the flooding of cellars, streets, and adjacent property on occasions of heavy rains were removed and relaid with 1,500 feet of larger diameter pipe which will eliminate the aforementioned nuisance.

It is recommended that the drains on Water Street, Academy, Bowman, and Court Streets be rebuilt and new drains be constructed on Champlin, Garfield, Center, and South Main Streets to drain areas in the vicinity of Wyatt Park.

New Surface Water Drains were built on the following streets:

	Feet
Morrill St.	75
Sanborn St.	740
Sheridan, Jefferson, & Berlerly Sts.	1,940
Gillette St.	910
Dixon St.	200
Oak St.	287
Clarke Ave.	545
Lincoln St.	1,092
Spring St.	266
Charles St.	310
Orchard St.	576
Franklin St.	1,012
Lakeside Ave.	288
Province Road	180
Mass. Ave.	2,246
Cherry St. and Champagne Ave.	434
Leavitt Park	3,200
	<hr/>
Total	14,241

Sanitary Sewers

Extensions to sanitary sewers were made on Fairview, Lafayette, North Main, and Elm Streets and new mains were laid on Champagne Avenue, Crescent, and Cherry Streets. A total of 2,425 feet of six inch vitrified clay pipe was laid on these streets increasing our sanitary sewer system to 33.46 miles.

The section of the city in the vicinity of Jefferson Street and Massachusetts Avenue is developing rapidly, a number of new homes having been built in that locality within the past two years. It is recommended that sewers be built on Massachusetts Avenue, Sheridan, Jefferson, and North Streets to provide proper sanitary facilities.

Plumbing

Fifty house connections were made to the sewer system and 112 permits were issued for plumbing additions. The work was all inspected by the department. Four examinations were held during the year and two applicants who successfully passed the required tests have been granted plumbing licenses to do plumbing in Laconia.

Charles St.	451.50
Champlin St.	134.40
Garfield St.	91.60
Lafayette St.	603.30
Pine St.	297.70
Isabella St.	153.60
Cedar St.	35.30
Gillette St.	73.10
Rowell St.	137.00
Court St. Junc. Main St.	210.00
Highland St.	218.00
High School	131.00
	<hr/>
	5,631.66

Sidewalks

An extensive program of sidewalk construction authorized by the City Council was undertaken. The walks were graded by the department forces and the stone bases and asphalt surface were laid by local asphalt contractors. In addition to the new work about 3,000 square yards of old walks were resurfaced with asphalt. The following table indicates the streets on which walks were built in 1948.

Sidewalks on the following streets were graded and surfaced with asphalt concrete:

	Square	Yards
Mechanic St.	535.33	
Granite St.	102.78	
Cottage St.	186.11	
Lyford St.	160.00	
Elm St.	77.22	
Court St.	310.00	
Walker St.	295.55	
Woodland Ave.	184.44	
School St.	41.67	
Sheridan St.	223.33	
Franklin St.	236.00	
Mass. Ave.	626.23	
Walnut St.	116.50	

A section of the sidewalk on the westerly side of Highland Street from Jewett Brook to Gilford Avenue was built but before completing the job, we considered it advisable to widen and improve the junction at these streets. A strip of land was acquired on the southerly side of Gilford Avenue at its intersection with Highland Street which permits us to remove a tree and set back a hedge that have been obstructions to good visibility at this corner.

Bridges

The steel bridges on Fair and Messer Streets were cleaned and painted.

A woven wire chain link fence was attached to the railings on Elm, Messer, and Main Street bridges to provide a safeguard against the possibility of children falling through the pipe railings.

The two wooden bridges on the Hillard Road were rebuilt. New stringers were set in and the decks were replaced.

A section of the deck and a number of the wooden saddles on the Fair Street foot bridge were found to be decayed and were replaced.

The Mill street bridge is in a poor condition and must be rebuilt this year or replaced with a steel structure.

Street Resurfacing

Approximately 270,000 square yards of streets were resurfaced with a mixture of asphalt and sand using an M.C. #3 asphalt for the bitumen.

The cobble stone gutters on Main Street, Union Avenue, and Mill Street were covered with a plant mixed asphalt.

General

Cement concrete curbs were built on westerly side of South Main Street from Bowman north-erly and on Veterans Square from Pleasant Street to Main Streets with adjacent walks being raised and resurfaced.

The roadway on Union Avenue from Summer Street to Norman-din Square was widened five feet by cutting back the westerly walk and resetting the curb which im-proves traffic conditions at this in-tersection.

Land was obtained from the Boston and Maine Railroad on a lease basis to widen Lakeside Avenue, at the Weirs, from the passenger station southerly 400 feet. A chain link fence was erected and a cement curb to serve

as bumper guard was built parallel and abutting the fence. The wid-ening provides extra parking faci-lities and better flow for traffic during the summer season.

I recommend that funds be pro-vided each year for the construc-tion of street curbs so that grass plots between the curb and walk may be maintained, thereby, add-ing greatly to the appearance of the streets.

A circular drive was built at the high school as an "off the street" loading and discharging station for school buses. The roadway, twenty-eight feet in width be-tween curbs, is surfaced with three inch of plant mixed asphalt on a four inch stone base and provides ample width for two of the largest buses of the Laconia Street Rail-way to meet and pass without dif-ficulty. The Mayor and Council has been highly commended by many of our citizens for appropri-ating funds to make this project possible because of the safety it now affords their children who formerly had to cross the heavy traffic on Union Avenue on their way to school.

Massachusetts Avenue, from Elm Street to Sheridan Street was completely rebuilt. A grade, to provide good sight distance, was established that required lowering the street in places five feet to seven feet. The excavated materi-al was used to grade on other parts of the street. Four sections of retaining walls totaling 275 feet

in length were built on the street line where necessary and the sanitary sewer and sewer connections were lowered. A twelve inch main surface drain with cross drains and catch basins was built the entire length crossing under the railroad and discharging into Lake Opechee at the easterly terminus of the street. The surface of the street was gravelled and surfaced with asphalt and an asphalt sidewalk was laid on the southerly side of the street from Elm to Jefferson street extension.

Sheridan Street, from Massachusetts Avenue to Appleton Street, was also built and the street raised with excess fill taken from Massachusetts Avenue.

Because of an impervious subsoil and absence of drainage, Leavitt Park was not accessible for use many times during the year. Water remained on the surface until evaporated by the wind and sun. To improve this condition an area 350 feet square that included the baseball diamond was underdrained and the excavated material hauled away. Thirty-two hundred feet of four inch and six inch tile pipe was laid in a herring-bone pattern discharging into the Washington Street drain. The trenches were filled with stone and the surface was covered with a coarse gravel. To complete the job six inches of loam will be spread over the gravel, fertilized, and seeded down.

This year we replaced a 1936 truck, a ten-ton road roller, and added to our equipment with the purchase of an Austin-Western Power Grader with plows. This machine incidentally is the most efficient piece of plowing apparatus we own. A Huber road maintainer and a Caterpillar sidewalk tractor and plow were also bought. We now have new and good equipment.

City Garage and Barn

The garage built during the year is a one-story structure of brick masonry and I-beam construction. The main section of the building is 123 feet by 48 feet with an ell 33 feet by 28 feet and provides an office, a rest and waiting room for the men, storage for small tools and supplies, in addition to storage space for our trucks.

With the horse barn, also built this year in close proximity to the garage, the personnel and equipment are centralized in one location, which makes for more efficient and economical operation. This building is of frame construction and accommodates fourteen horses which are used in sidewalk plowing. It replaces the two buildings formerly used, one at Water Street and the second at Pear Street in Lakeport, which we have vacated.

The present sheds at the Water Street yard will be removed from the property in the spring and the

land made available for parking or other use. There is a need for a public rest room in the City. In view of the fact that this location is close to the shopping center I recommend that such a public convenience be provided at this location.

The land and buildings at the Pear Street garage should be sold

as the department will have no further use of them.

PLANNING

ALBERT J. BOUDREAU, *Chairman*
HAVEN E. FLANDERS, *Secretary*
WILLIAM W. KELLER
F. A. NORMANDIN
WILLARD G. MARTIN
NORMAN P. RANDLETT

EX-OFFICIO

ALBERT A. PARMENTIER, *Mayor*
CLAUDE W. FOSTER, *Councilman*
ARNOLD J. O'MARA, *City Engineer*
WILLIAM BLAKEY, *Planning Director*

During the fiscal year, the Planning Board has held 21 meetings, two of which were public hearings on the zoning ordinance. The following is a report of its activities during the last year, and the tentative program for the coming year as required by the city ordinance passed in December 1948.

The Planning Board: Because of the pressure of other duties, Mr. Wm. W. Keller resigned as chairman of the Board and Mr. Albert J. Boudreau was elected chairman. The Board wishes to take this opportunity to express its gratitude to Mr. Keller for his leadership in organizing the Board. Mr. Haven E. Flanders was reappointed for a six year term by Mayor Parmentier.

Zoning Ordinance: The biggest single accomplishment of the past year has been the zoning ordinance. Although work on the zoning plan was started in 1947,

it was not until May of 1948 that the ordinance was completed and public hearings held. With passage of the ordinance by the City Council on July 28, 1948, the Planning Board discharged its duties to recommend an ordinance. The Planning Director now serves as Clerk of the Board of Adjustment without pay.

Capital Budget: The Capital Budget report is now under consideration by the Council. This report recommends that the City adopt a capital budget and capital improvement program, that as much as possible capital improvements be paid out of current income, and that the City request the Legislature for an act permitting capital reserves. The Chairman and the Director attended several meetings in Concord with officials of other cities in drafting such an act.

Traffic and Parking: Much time and study has been given by the Board to the Traffic and Parking problems of the city; the first section being on the downtown shopping center. It has studied the needs for off-street parking lots, the widening of Main and Beacon Streets, and the method of parking on Main Street. It has also studied the possibilities of traffic lights at the corners of Main and Church streets and Main and Court, the dedication of certain areas for bus stops, and the relocation of cross-

walks. This study and report will probably be transmitted to the Council in the near future.

Subdivision Control: At the Board's request, the State Planning and Development Commission has drafted legislation which will remove the requirement for an official map so the city can exercise subdivision control if it wishes. The Planning Director has worked with the State Planning Director on this legislation. If the amendment passes, the Board plans to submit subdivision control regulations to the Council for its consideration.

City Map: The last City map was printed in 1927, and although not up to date was in constant demand until the supply was exhausted last spring. To fill a need of study maps and to fill requests for city maps, the Board had 400 printed at a cost of \$43.00.

The Board is gradually building up a file of maps on different subjects for study purposes. These maps are available for reference.

Drafting Assistance: The budget of the Board provided a certain amount (about \$1250.00) for drafting assistance. This is not enough to hire a full time man. During the summer months we employed Mr. Harry Mang, a student of the Rhode Island School of Design and a graduate of the Brown University of Engineering. The results were most

satisfactory, and the backlog of drafting work he built up is still under study.

Misc. Projects: At the request of Mayor Parmentier, the Planning Board made a study of the cost of a memorial tablet for the Spanish-American War and World War II and on a possible location. The Board found costs of such tablets and made a plan suggesting the location, but also recommended that where a Spanish War tablet was desirable, the Laconia Veterans' Council was unanimously opposed to a tablet as a World War II Memorial. The subject was tabled pending a promised report by the Veterans' Council on what they wanted for a living memorial. To date, no recommendation has been made. The report on a Spanish War tablet has been accepted and its purchase arranged.

At the December meeting of the Council, the Board was asked to make a study on ways and means of completing the Tax Map project, and a study of the possibilities of microfilming valuable city records and the cost of additional vault space. These studies are in progress and it is anticipated they will be completed and transmitted to the Council before March 15.

Time permitting, the Planning Board is working on a Recreation Plan and Land Use Plan as the first two steps in preparation of

a comprehensive plan for the orderly development of the city.

ZONING

The Coming Year

The Board hopes to complete a recreation plan for the development of playground, playfield and park areas in the city. The City owns areas, which, if developed, would give Laconia the best municipal park system in the State. Probably, the only acquisition necessary is in those areas where the City is growing, and would be in anticipation of future growth before acquisition becomes too costly. The need of a playfield in the Highland Street area is an example.

One unknown in the work program for the coming year is whether or not the Council will accept the Board's recommendations for instituting a capital budget system and how much it will be asked to do in the preparation of the budget.

 L. K. PERLEY
 ARCHIE L. TARDIF
 ALLEN G. VEAZEY
 WILLIAM BLAKEY, *Clerk*

+ + +

Upon passage of the Zoning Ordinance, the Zoning Board of Adjustment was appointed by the Mayor to meet the requirements of State Law. It is set up to grant special exceptions as may be specified by the ordinance itself or to grant variances when enforcement of the regulations will work an unnecessary hardship on the owner of a particular parcel of property.

Before the Board can grant these special permits, it is necessary to hold a public hearing with a notice published in the newspaper at least 17 days before the hearing and to notify the owners of abutting property. This is also required by State Law. A ten dollar filing fee is required to help pay the costs of publication and mailing.

Members of the Board are appointed for a five-year term of office and serve without pay. During the year, the Board heard six petitions for variances, and for five petitions requested the building inspector to grant a building permit.

Paid fine and cost	423
Paid cost	5
Discharged without being brought before the court	1

Incidental Services

The Police Department has served the people of Laconia in many ways in addition to law en-

forcement. An indication of these services are listed below, and have increased substantially over the preceding year. For example, the number of telephone duty calls increased from 20,997 last year to 27,125 this year. There were 600 more complaints received and investigated this year than there were last. The number of store doors and windows found open and secured last year numbered 801 in comparison to 1,286 this year.

During the first full year of operation of the parking meters \$2,420.50 was collected for parking violations.

INCIDENTAL SERVICES

Accidents reported	210
Assistance rendered injured person	18
Assistance rendered	109
Assisted out of town officers	43
Bicycles stolen	45
Bicycles recovered	41

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND FORTY-EIGHT

A RESOLUTION ON THE DEATH OF GEORGE N. HUBBARD.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS the Mayor and City Council of the City of Laconia have learned with deep regret of the death of George N. Hubbard; and

WHEREAS George N. Hubbard faithfully and efficiently served the City of Laconia as Chief of Police from 1932 until his death; and

WHEREAS George N. Hubbard, as Chief of Police, did conduct himself in such a manner as to bring credit to both himself and the City of Laconia; and

WHEREAS the Mayor and City Council desire to officially recognize the outstanding service rendered the City of Laconia by the late Chief, George N. Hubbard,

BE IT RESOLVED, that the Mayor and City Council of the City of Laconia extend to the family of George N. Hubbard their deepest sympathy; and express to the family of George N. Hubbard their sincere appreciation for the services rendered both within and beyond the call of duty to the people of Laconia by George N. Hubbard; and

BE IT FURTHER RESOLVED, that this Resolution be engrossed upon the permanent records of the City of Laconia, and that a copy of this Resolution be sent to the family of the late George N. Hubbard.

Passed and approved this 28th day of June, 1948.

Albert A. Parmentier
MAYOR

Achber Studio

GEORGE N. HUBBARD
Chief of Police
Laconia, N. H.
1933-1948

Chief George N. Hubbard was born in Brockton, Massachusetts, July 26, 1894, the son of George N. and Rosanna (Lowery) Hubbard. For the past twenty-seven years he has lived in Laconia. In January 1932 he was appointed a reserve officer of the Laconia Police Department and a year later, on January 1st, 1933 was named police chief to succeed the late Chief Charles A. Harvell and served in this position until his death on June 9, 1948, a period of over fifteen years. He is survived by his wife, Mrs. Elizabeth (Dorgan) Hubbard, two sisters Mrs. Pearl Shoughnessy of New York City and Mrs. Timothy Delaney of Brockton, Massachusetts, an uncle Charles Lowery of Brooklyn, New York and several nieces and nephews.

FIRE PROTECTION

FIRE DEPARTMENT COMMITTEE OF THE CITY COUNCIL

WALTER A. WOODWARD, *Chairman*
FRANK T. MONAHAN
FORREST A. BUCKLIN

ARTHUR W. SPRING.....*Fire Chief*
HENRY H. SHOREY.....*Deputy Fire Chief*
RALPH D. NEAL.....*First Assistant Chief*
EDWARD C. SARGENT.....*Second Asst. Chief*
EDISON H. KENNEDY.....*Third Asst. Chief*

During the past year the Department has lost three members by death:

Engineer Edison H. Kennedy served 48 years in the Fire Department died May 14, 1948
Lewis K. Felker of Ladder #1 served 11 years in the Fire Department died Dec. 14, 1948
Richard T. Andrews of Engine #1 served 2 years in the Fire Department died April 14, 1949

The Fire Department has responded to 311 calls; 28 boxes and 283 stills. Of the 311 calls, 75 were house fires, 71 chimney fires, 30 grass fires, 11 dump fires, 23 autos, 30 oil burners, 23 rubbish fires, 33 brush and woods, 5 out of town fires, 6 false alarms, 1 drowning, 1 broken gas pump, 1 locked out, 1 child in canal.

The Department has 7 fire trucks, 2 portable 150 gallon pumps, 2 Army 500 gallon pumps. The distribution of trucks is as follows:

CENTRAL STATION

Engine No. 5 750 gallon 1947, Maxim Pumper.
Engine No. 4 500 gallon 1941 LaFrance Pumper.
Ladder No. 1, 1925 LaFrance.
Tank No. 1 1000 gallon 1946, Chevrolet.
Trailer pump 150 gallon pm, Marine Type.

LAKEPORT STATION

Engine No. 2 750 gallon 1948, Maxim Pumper.
Ladder No. 2, 1938 Buffalo.

WEIRS STATION

Engine No. 3 500 gallon 1938, Buffalo Pumper.
Portable 150 gallon 1947, Gorman Rupp.
500 gallon on skids stationed on Weirs Wharf.
500 gallon trailer stationed back of Woodwards Garage at Rivers edge.

The Department has 7400 feet of 2½" hose, 3700 feet, of 1½" hose, 900 feet of ¾" booster hose.

The fire alarm system of 66 boxes and approximately 135 miles of wire is kept in good working order by frequent repairs and replacements due to its many years of service.

Laconia has 183 Hydrants; 117 in Laconia, 49 in Lakeport, and 17 at the Weirs. Additional Fire hydrants must be installed to meet the city's growth and provide Fire protection, some serious thought must be given to the construction of a new Fire Station in a more desirable location than the present.

RECEIPTS

Budget Appropriation	\$53,329.50
Bond Issue Allocation	16,000.00
Receipts	373.06
Transfer from E. & D.	25.00
Transfer from Fire Door Acct.	149.45
 Total Receipts	 \$69,877.01

EXPENDITURES

Auto Expense	\$ 1,892.95

 Total Expenditures	 \$69,877.01

The new Fire Department FM radio provides two-way communication between the Lakeport, Weirs, and Central Station, with one fire truck at each station, and with the Chief's car.

WELFARE

+ + +

FRANK R. RICKER, *Overseer of the Poor*

+ + +

Fifteen thousand dollars (\$15,000.00) was the amount appropriated for **Direct Relief** for the fiscal year 1948-9. This amount has been disbursed as follows:—

Direct Aid:

Families	\$ 2,801.09
Single Persons	\$ 1,140.73
Veterans	\$ 1,878.85
Board and Care:	
Adults	\$ 1,978.50
Children	\$ 2,654.93
TOTAL	\$10,454.10
Salary and expenses	\$ 2,441.82
Balance from	

Appropriation \$ 2,104.08

Refunds to the amount of \$1,496.72 have been obtained, making \$3,600.80 available for transfer to Excess and Deficiency Account.

\$3,330.45 has been spent for food, \$530.40 for Rent or Shelter.

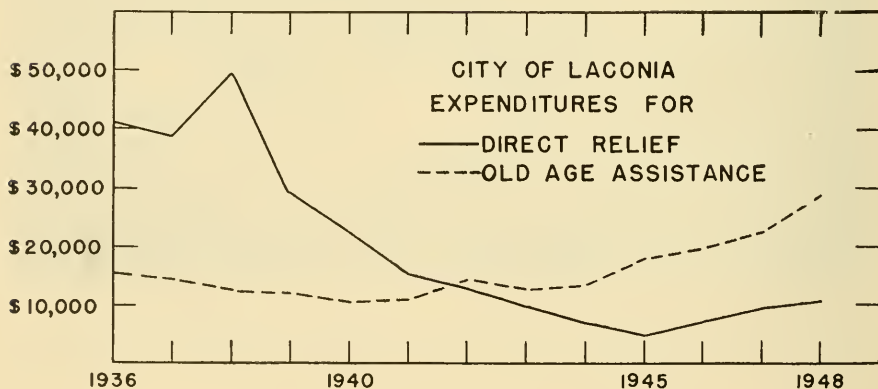

\$968.49 has gone for fuel, \$259.03 for Clothing. Medical needs have amounted to \$733.26, and \$189.25 has been used for Gas, Electricity and other services.

Assistance has been rendered to 34 Families, comprising 152 persons; to 10 single persons; to 22 veterans' families of 90 persons; and 2 single veterans. There have been 6 regular B.&C. Adults cases, and 12 B.&C. of Children cases.

Old Age Assistance

The Aged and Infirm recipients of Old Age Assistance have received a total of \$113,656.87. Of this amount the City pays 25%, or \$28,414.21. The appropriation for this purpose was \$30,000.00 amount unexpended \$1,585.79. Refunds of \$557.09 have been received, making a total of \$2,142.88 available for transfer to Excess and Deficiency account.

A year ago there were 178 cases on the books. There has been a steady climb, till at present there are 207 cases.

HEALTH and SANITATION

BOARD OF HEALTH

CHARLES D. DOCKHAM, *President*
DR. EARL J. GAGE, *Secretary*
DR. ROBINSON W. SMITH

DR. EDWARD S. MORRIS.....*City Physician*
JULIA PERLIARD.....*City Nurse*
C. F. MOWERS.....*City Health Inspector*

CITY NURSE

The City Nurse made 2198 calls for surgical and medical patients during the past year. The following is a summary of these visits.

Medical	1526
Surgical	340
Pre-school Children	76
Crippled Children	69
Pre-natal	3
Post-natal	26
Infant care	88
Home Visits, Instructive	70

All Visits to patients made by the Laconia Visiting Nurse are made in response to the request of a physician in the community, who gives her medical orders and directions as to the care needed and treatment required for his patient. She is responsible to the Public Health Physician for the proper performance of her work.

The Nurse's care to patients consists of:

1. Bedside Nursing
2. Treatment ordered by a Physician in the home.

3. On call for special treatment in convalescent homes.
4. Instructions to members of a patient's family as to invalid or infant care etc.
5. Visits and instruction to families regarding care of crippled children.
6. Work of a semi-social service nature—as contacting agency for aid in cases without means or proper food and clothing.

Patients are of four types:

1. Chronic and Medical patients
 - a. Who require bedside nursing and treatment, often over a period of years.
 - b. Patients who require treatment and nursing care and advice.
2. Surgical Patients
 - a. Visits in the homes for surgical dressings following patients discharge from the hospital.
 - b. More numerous service, establishment of early ambulatory routine for hospital patients.
3. Visits for Prenatal and Post-natal and infant care and instruction.
4. Visits for instruction and the care of crippled children.

HEALTH INSPECTOR

Sanitary Inspection Markets

Inspections have been made this year concerning the seventy-

one markets located in Laconia, Lakeport and the Weirs. Methods of handling meat, vegetables and fruit products have been investigated, the storage of all types of foods, the eradication, as far as possible, of roaches, mice and rats and other vermin has been undertaken. Several markets were unable to meet the sanitary requirements for food handling and were instructed as to correct procedures for complying with requirements. At the present time all markets in town are complying with regulations.

Drug Stores

The seven drug stores located in the Laconia Area have been inspected. Literature has been posted in the Laconia Citizen as to certain drugs that are not to be dispensed without prescriptions from doctors. Several drugs were on the market this year that had to be withdrawn due to certain poisonous constituents. A careful supervision is maintained on such drugs that may be harmful to the health of the public.

Restaurants, Hotel Dining Rooms, Diners, Transient Food Dispensers and Counter Service

A constant check is made in Restaurant and Food Dispensing Establishments. We have at the present time seventy-three such establishments located in the Laconia Area. Sterilization of all eating utensils is of primary importance. Tests are made of dishes, silverware etc. to deter-

mine whether a chemical disinfectant has been employed. Where hot water is used for sterilization, temperature is checked. Automatic washers have been installed in many of the more popular restaurants. Some were required to install boosters to comply with the standard temperature required for these machines. Garbage disposal and waste fats present a problem. Coverage of all garbage is required and removal at frequent intervals is necessary to control fly and rat infestation.

Food storage here is another important item. Fish products such as clams, etc. must meet requirements and be registered with the state before they may be sold. Certain areas are designated for the digging of clams and unless each can is registered it must be condemned.

Dishes, glasses etc. that are cracked or chipped must be destroyed. Storage must be in such manner as to be free of dust, fat or moisture contamination.

Schools

Inspection has been made this year of the School Cafeteria. The handling of food was found to be in very good order. A booster however was required to be installed in the automatic dish washer to comply with the regulations concerning hot water sterilization.

Toilet facilities of schools present a problem. Overcrowding is

the cause of this condition. The only solution to this problem is the installation of more toilets to cope with the ever increasing school population.

Cabin Colonies and Tourist Homes

Inspection was made at sixty-seven cabin colonies and tourist homes. The primary importance of such inspection is the water supply. Many cabin colonies were found to be drawing raw water from the lake and serving it to the public. These problems were soon taken care of by the Public Health Regulation, which requires water to be chlorinated or drawn from a well which will meet water standards. The situation is now under control and the public may enjoy the benefits of a safe water supply.

Sewer problems have been encountered at many cabins and rectified by proper instruction as to size, type of septic tanks and proper drainage from same.

Laundry must be done in such a manner as to prohibit any form of skin irritation from bedding. Roach and bed bug contamination is practically under control.

Convalescent and Foster Homes

Thirty-eight homes have been inspected and must comply with regulations to obtain a license for continued operation. Inspections of this type are much the same as combined Tourist and Eating Establishment Regulations, as discussed in the above. However,

certain types of patients must be located in certain areas for easy removal in case of fire etc. Two of the above homes were unable to meet requirements and were therefore denied a license.

Bakeries

Bakeries of Laconia are nine in number. These are inspected at intervals when deemed necessary. The most important of the above is the proper refrigeration of such products as creamed filled pastries, which if not properly cared for will cause illness to consumers. Proper handling of the various products, storage of flour and various mixing apparatus is essential.

Bottling Plants

Water supply is checked supplying plant. Bottle filling and preparation methods.

Complaints

All complaints made to this department during the past year concerning matters which jeopardized the health of one or more persons, were thoroughly investigated, and action taken in any case on which the Board so ruled. Complaints numbered three hundred and six this year. The most common being septic tank contamination. This situation is becoming more serious each and every year. It directly points to the need of a Sewage Disposal System. Certain locations in town are not adaptable to septic tanks that are so necessary to their health and that of their neighbors.

These situations unless corrected in the very near future may result in a serious epidemic to this town. Garbage disposal is becoming more of a problem. The throwing of garbage in back yards is a direct invitation to rats and flies, the primary factors in transmission of disease. An ordinance covering this type contamination will eliminate this problem.

Slaughter Inspection

Slaughter Inspection involves the inspection of all meat or meat products to be sold in the City of Laconia which have not been previously inspected by the United States Government, or Foreign City Inspectors. Inspection begins with the live animal. Any animal not found to be in good health before slaughter is rejected. Animals to be Slaughtered are killed according to Governmental Procedures. After killing and bleeding, each gland of the lymphatic system is incised and examined for any pathological condition. The organs are then examined, such as the heart, liver, lungs, pancreas, spleen etc. If all parts of the animal are normal and in a healthy condition the animal is stamped with the City of Laconia seal and passed; refrigerated properly, they may then be sold to the public in this city or elsewhere. Condemnations have been made in several cases since the establishment of this inspection service, in cases that

might have caused serious sickness to consumers.

Milk Inspection

Milk and Ice Cream inspection is a very important phase of this departments work. A laboratory technician is now employed who will run the samples as they are submitted by the Inspector. A sample is taken from each herd once each month. In this manner a check is kept for the producer, the plant manager and the public. Any person at any time may inspect these records at the City Hall. A card is sent to the producer after his analysis is made, and if his counts are too high, will, with the aid of the Inspector find the cause and eliminate same. The very factors that make milk such an ideal food for mankind likewise make it an ideal food for most of the miscellaneous types of microorganisms that are bound to get into it, as they are bound to get into or upon all food. All of the other foods that we daily consume are not so ideal for bacterial growth. Because of its physical and chemical nature, milk is the most perishable of all foods and its perishability is very largely determined by bacterial action. Hence, our problem is by means of proper care to keep all bacteria out of milk so far as practically possible. This is important from the point of view of disease and from the point of view of satisfactory keeping quality and desirable flavors. The former

is public health, the latter, economic.

CITY PHYSICIAN

The general health of the City during the year was good. No epidemics were reported. Examination was made of members of the Police Department. The City Physician has attended people who have required medical or surgical care as were recommended by the Overseer of Poor. He has been present at all major fires to care for firemen or others who might be injured. Among his many duties he has examined candidates for the police department. When called upon to do so, he has examined the defendants in municipal court cases involving drunkenness.

REPORT OF CITY AUDITOR Laconia, N. H. 1949

To the Honorable Mayor and Council of the City of Laconia, New Hampshire.

Gentlemen :

In accordance with the provisions of the city ordinances, I have examined the financial accounts of the City of Laconia as of February 15, 1949. I have reviewed the accounting procedures and have examined the accounting records and other evidence in support of all accounts. My examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all auditing procedures considered necessary, which procedures were applied by tests to the extent considered appropriate in view of the system of internal control.

I herewith present my report, based upon my examination, together with the following exhibits :

TABLE OF CONTENTS—EXHIBITS AND SCHEDULES

General Fund

- EXHIBIT A—Balance Sheet as of February 15, 1949.
Schedule A-1 —Comparative Balance Sheet of General Fund.
Schedule A-2 —Analysis of Changes in General Fund Surplus.
Schedule A-2a —Statement of Revenues—Estimated and Actual.
Schedule A-2b—Statement of Budget Operations.
Schedule A-2c—Statement of Charges and Credits Direct to Unappropriated Surplus.

GENERAL BONDED DEBT

- EXHIBIT B—Balance Sheet as of February 15, 1949 and Comments.
Schedule B-1 —Statement of Serial Debt Outstanding as of February 15, 1949.
Schedule B-2 —Reconciliation of General Serial Debt.

SPECIAL FUNDS—TRUST FUNDS

- EXHIBIT C—Statement of Condition—Cemetery Trust Funds.
Schedule C-1 —Statement of Operations and Comments.
EXHIBIT D—Statement of Condition—Leavitt Park Trust Funds.
Schedule D-1 —Statement of Operations and Comments.
Schedule D-2 —Inventory of Trust Funds.
EXHIBIT E—Statement of Condition—Library Trust Funds.
Schedule E-1 —Statement of Operations.
Schedule E-2 —Inventory of Trust Funds and Comments.

OTHER STATEMENTS

- EXHIBIT F—Operations Statement—Laconia Public Library and Comments.
EXHIBIT G—Operations Statement—Gale Park Fund and Comments.

COMMENTS ON EXHIBIT A

General Fund Balance Sheet

The balance sheet following represents the current assets and current liabilities of the City of Laconia at the close of the fiscal year February 15, 1949. No fixed assets nor long term obligations are included in this statement. It is reported on the cash basis with the exception of taxes and certain earmarked funds. Liabilities accrued by the various departments but not paid for on February 15 draft are not included.

Explanation of Current Assets

Cash in Banks \$172,195.43: (See Item 1)

The cash in the Peoples National Bank in the amount of \$71,895.43 on deposit to the credit of the city was verified with the bank statement of the depository and found to be in agreement with the Treasurer's report and the ledger account in the accounting office. \$100,000.00 of city funds on deposit in the Second National Bank of Boston was reconciled with the bank statement of the depository. \$300.00 in the coupon account in Boston represents money on deposit for the paying of bond coupons.

Petty Cash on Hand \$200.00: (See Item 1)

The petty cash amount was ascertained by actual count by the auditor on February 15, 1949. The amount is under the responsibility of the City Clerk and is being handled correctly. Slips are reimbursed by check. Cash from this fund used each day for change in the front office is verified each night and returned to the fund. The Police Department uses \$20.00 of this fund for making change for over-parking violations. Payments made for animal bounties are reimbursed by the State. Personal borrowing from this fund is not permitted.

Accounts Receivable—Taxes \$90,953.47: (See Item 2)

The detail Tax report is submitted by the Tax Collector and has been verified by the City Auditor. The 1948 Tax warrant, prepared by the assessors and committed to the Collector was correctly posted to the tax ledgers. Each page of the ledgers was added to prove to the warrant. Added Taxes for collection were checked against the warrants issued by the Assessors. The total amount of poll taxes abated on the books for 1948 was correctly posted and in agreement with the abatement warrant signed by the assessors. Each property tax abatement was verified against the individual abatement slips issued and signed by the Assessors. The reasons for abatement were test checked and found to be justified.

All cash received was properly posted to the receipts book and to the tax ledger. The receipts were added by the auditor to the extent

deemed necessary. Receipts were deposited in the bank and verified by the bank statement. Cash on hand February 15 was counted and deposited to complete the year.

Certain uncollected tax accounts were sent letters by the auditor requesting confirmation of their unpaid balances. The Tax Department is audited four times during the year at various times unknown to the collector's office.

Unredeemed Taxes \$8,551.09: (See Item 3)

This amount represents those taxes which have been sold to the city for non-payment. If not paid within a three year period they are deeded to the city. The tax sale for 1948 was footed and traced to the unredeemed tax ledger and checked to the Treasurer's account. Receipts were traced to the deposits. The tax item of \$93.54 on the 1944 levy should have been deeded to the city, but on February 15, 1949, the amount was in the process of being paid but was still on the books outstanding.

Due on State N. H. Bonus Taxes \$3,882.60: (See Item 4)

This represents those taxes which the city is collecting for the state on special bonus taxes in payment of veterans' service bonuses. All principal and interest received was checked to the deposits and traced to the disbursement to the State of New Hampshire.

Property Acquired by Tax Title \$241.55: (See Item 5)

The amount consists of taxes and interest on certain property deeded to the city for non-payment of taxes.

Explanation of Current Liabilities

Department Unexpended Balances \$212,728.80: (See Item 6)

Certain contracts and ear-marked funds which the Council has created are presented as liabilities. The School District closes its books on June 30 and therefore shows an appropriation still on the city's books. The balance carried forward for the Public Works represents unexpended funds allocated to certain projects not completed but allowed for.

Unallocated Bond Issue \$4,005.03: (See Item 7)

The 1948 bond issue has remaining the unpaid balance above. The issue was in excess of the public improvements provided for and remains to be expended for permanent improvements.

Motor Vehicle 1949 \$6,935.21: (See Item 8)

This amount represents revenue received during the 1948-49 fiscal year on 1949 motor vehicle licenses applicable to the 1949-50 fiscal year.

Due State N. H. Bonus Taxes \$3,903.60: (See Item 9)

The above amount represents the sum due the State of New Hampshire on veterans' bonuses, and is payable to them when collected.

Bond Coupons Payable \$300.00: (See Item 10)

The City Treasurer deposits money with a Boston bank for the payment of matured bond issue coupons. The amount above represents the sum unexpended in this fund. All bond coupons retired by the city during the fiscal year were checked for date and amount.

EXHIBIT A—BALANCE SHEET—CURRENT ACCOUNTS

General Fund as of Close of Business February 15, 1949

ASSETS

CURRENT ASSETS:

1. Cash:

Unallocated Current Surplus	40,040.46
	<hr/>
Total General Fund Current Surplus	\$ 48,151.50

TOTAL CURRENT LIABILITIES AND SURPLUS	\$276,024.14
	=====

NOTE: CONTINGENT LIABILITY

\$28,000.00 was granted the city by the Federal Government for sewerage disposal plans and specifications. The City of Laconia will become liable for repayment to the government when and if a sewerage disposal utility is established. The utility would likely assume this liability, but it is the opinion of the auditor that it should be mentioned as a contingent liability at this time.

SCHEDULE A-1

Comparative Balance Sheet of General Fund As of Close of Business February 15, 1948 and 1949

This statement is for comparative purposes concerning the changes in current assets and liabilities. It is to be noted that the Current Taxes Receivable are higher on similar dates by \$23,133.10. Also there has been a substantial jump in the amount of taxes sold to the city for non-payment. It is the opinion of the auditor that the amount due the city from Martha Johnson is doubtful of collection and has been charged off against current surplus. The claim against her, awarded by the court, is of course still valid. The Knight property was sold and the notes payable in the amount of \$56,500.00 were paid off.

CURRENT ASSETS:

	Feb. 15, 1948	Feb. 15, 1949	Increase or Decrease*
Cash	\$221,294.21	\$172,395.43	\$48,898.78*

EXHIBIT B

Balance Sheet—General Bonded Debt As of February 15, 1949

ASSETS

This represents the serial indebtedness of the City as of February 15, 1949. The city has no short-term borrowings or notes in anticipation of taxes as of this date. All bonds retired during the year were examined by me and cancelled in my presence. I examined all notes made during the year under review for proper authorization. Schedules B-1 and B-2 are presented for additional information and are self-explanatory.

GENERAL PUBLIC DEBT	\$393,250.00
---------------------------	--------------

LIABILITIES

SERIAL BONDS:

Practical Arts High School Bonds	\$ 26,250.00
Pavement and Sidewalk Bonds	2,500.00
Public Improvement Bonds—1946	48,000.00
Public Improvement Bonds—1947	90,000.00
Public Improvement Bonds—1948	225,000.00

\$391,750.00

Serial Improvement Notes	1,500.00
--------------------------------	----------

Total Liabilities \$393,250.00

Note: These are all general obligation bonds pledged by the full credit of the city and are not payable from any special revenue. No fixed collateral has been given. Provision for payment of each year's principal and interest is included in the annual budget of the city.

SCHEDULE B-1

Statement of Serial Debt and Outstanding As of February 15, 1949

<i>Description</i>	<i>Rate of Interest</i>	<i>Original Amount</i>	<i>Paid Last Year</i>	<i>Bonds Outstanding</i>
Practical Arts School Bonds	3%	\$ 75,000.00	\$ 3,750.00	\$ 26,250.00
Pavement and Sidewalk Bonds	4-3/4%	50,000.00	2,500.00	2,500.00
Public Improvements—1946	1-1/4%	60,000.00	6,000.00	48,000.00
Public Improvements—1947	1-1/2%	100,000.00	10,000.00	90,000.00
Public Improvements—1948	2-1/4%	225,000.00	225,000.00
Serial Notes	2-3/4%	15,000.00	1,500.00	1,500.00
City Bridge and Highways Bonds	4%	80,000.00	4,000.00

Total Paid on Debt Last Year \$27,750.00

Total General Debt, Feb. 15, 1949 \$393,250.00

Plus Interest Received During Year	1,934.87	
Total Interest Available	<u>\$ 5,663.47</u>	
Less Interest Expended During Year	1,531.54	
Unexpended Interest 2-15-49	<u>\$ 4,131.93</u>	
	=====	

PRINCIPAL:

Trust Funds on Hand 2-15-48	\$74,494.06	
Plus Funds Received During Year	13,295.21	
	<u>\$87,789.27</u>	
	=====	

COMMENTS

The principal amount of trust funds comprising savings bank books and water stock were individually examined and found to be correct as stated above. All interest expended and amount on hand February 15, 1949 was verified with the individual passbooks and is properly accounted for. The stock in the Laconia Water Company was examined and is on hand. All trust funds received during the year were deposited by the Secretary-Treasurer and are in agreement with the amounts accepted by the Council and received by the City Treasurer.

It is the opinion of the auditor that the Secretary-Treasurer is amply bonded and the funds are invested according to state requirement for trust funds. None of these funds are held as collateral for any loans.

An inventory listing of bank book numbers and amounts comprising investments in savings banks is contained in the Auditor's working papers. The hundreds of individual passbooks makes it impractical to list in this report.

LEAVITT PARK FUNDS

STATEMENT OF OPERATIONS—FISCAL YEAR 48-49

INTEREST AND DIVIDENDS RECEIVED DURING YEAR	\$294.59
INCOME DEPOSITED TO LEAVITT PARK FUND	\$294.59
COMMENTS	

An inventory was taken of the above funds and found all in order in a safe deposit box at the City Savings Bank.

Receipts of \$294.59 from this fund were turned over to the City Clerk and properly credited to the Park Fund. The receipt was traced to the cash receipts book and to the deposit.

None of these funds are held as collateral for any loans.

7. Jewell Fund:
 - a. Laconia Savings Bank Book No. 20557, \$2,258.48
Interest on hand of \$238.18
- b. War Savings Bond series G M4-268-123, par value at maturity \$1,000
- c. War Savings Bond series G \$1,000 No. M1689658G
- d. War Savings Bond series G \$1,000 No. M1589659G
- e. War Savings Bond series G \$1,000 No. M1589660G
- f. Coupon Bond U.S. Treas. 1965-70, Int. pay't. 3-15 & 9-15 \$1,000 No. 167-119K
- g. Coupon Bond U.S. Treas. 1965-70, Int. pay't. 3-15 & 9-15 \$1,000 No. 176-458J
- h. Stock—Southern California Edison \$1,000 3% M-23782
- i. Stock—Southern California Edison \$1,000 3% M-23770
8. Ladd Fund:
 - a. City Savings Bank Book No. 17514, \$542.75
Interest on hand of \$42.74.
9. Ella A. Morrison Estate:
 - a. Laconia Savings Bank Book No. 50017, \$305.65
Interest on hand of \$35.24.
10. John Parker Smith Fund:
 - a. City Savings Bank Book No. 13778, \$1,085.52
Interest on hand of \$85.52.

All the above securities and bank books are in safety deposit box at the Laconia National Bank, box No. 466. Two keys to this box are in aarked envelope in a safe at the home of the treasurer.
Total interest and dividends received and turned over to the library general fund, \$348.77.
Total interest on hand but unexpended, \$582.51.

Submitted by:
Mrs. R. W. SMITH,
Treasurer

I hereby certify that the securities and passbooks above mentioned are on hand March 30, 1949, and that all coupons cashed and all dividends received by the treasurer have been turned over to the library general fund. The interest on hand is correct and remains on the passbooks as of this date. The Funds have been ably accounted for by the treasurer and no securities have been disposed of since the last inventory of May 5, 1948.
DANA S. BEAN, JR.,
City Auditor
City of Laconia

EXPENDITURES DURING YEAR		\$23,110.37
DEPOSITS RETURNED		140.00
CASH ON HAND AND IN BANK,		
FEBRUARY 15, 1949		290.45
		\$23,540.82

Note: The cash in the bank was verified by the bank statement of the depository and found correct. Cash on hand in the amount of \$10.32 was counted and witnessed by library employees and not the auditor. General receipts were footed and traced to the deposits. Money from the city was checked with the City Treasurer and with the city accounting records. Trust fund interest was verified at the time of the trust fund audit, and the amount received by the Gale Estate was verified by direct correspondence with the executor. The expenditures were test checked with the bills and cancelled checks.

The auditing procedure for verifying the above funds was comparable to Exhibit F.

GENERAL COMMENTS AND RECOMMENDATIONS

It is the opinion of the auditor that fixed Tangible assets of the city be evaluated and a capital items balance sheet be compiled as required by city ordinance. Yearly depreciation should be charged against such items to reflect a clearer picture of the financial status of the city. Land, buildings, and equipment acquired during the year should be added to the list and equipment disposed of be subtracted and the reasons for doing so be stated. At various times an inventory should be taken of all movable property and compared with the master list.

Also an insurance register of all insurance on fixed assets should be kept in the central accounting office listing name of company, policy number, kind, coverage and amount, period and maturity date, pre-ammium paid, and location of policy.

I would recommend that all departments be required, at the end of each fiscal year, to submit to the accounting office a list of all purchase committments which they have made but have not been billed for. This would reflect a truer indication of the city's liabilities at the closing date.

The installation of a budgetary control system of accounting was recommended and has been installed. It will legally function on the 1949-50 appropriation year, and should eliminate over-expenditure of appropriations. I recommend that careful consideration be given to a form of centralized purchasing and believe a saving can be affected along that line.

I appreciate all the help and cooperation extended to me during the audit at the close of the fiscal year and during the running audits throughout the year.

Respectfully submitted,

DANE S. BEANE, JR.
City Auditor

ORDINANCES

*passed during the Year
ending February 15, 1949*

+ + +

AN ORDINANCE REGULATING THE HOLDING OF BOXING AND WRESTLING BOUTS OR EXHIBITIONS WITHIN THE CITY OF LACONIA

Be it ordained by the City Council of the City of Laconia, as follows:

SECTION 1. No person, club or association shall promote, hold or sponsor a boxing or wrestling bout or exhibition within the City of Laconia without first having secured from the Licensing Commission of the City of Laconia a license to so act.

SECTION 2. Such a license shall be valid only on the date and at the place specified in the license, and shall be issued at the discretion of said licensing commission.

SECTION 3. Any person, club or association desiring to secure such a license shall apply in writing to the said licensing committee, setting forth such facts as the commission may prescribe, and shall show that they have complied with the State Laws and the Rules and Regulations of the State Athletic Commission in this regard.

SECTION 4. A license fee of one dollar and fifty cents shall be charged for each license issued. The money so received therefrom shall be paid by the Licensing Commission to the City Treasurer of the City of Laconia.

SECTION 5. The Licensing Commission, upon the granting of such a license, shall immediately notify the Chief of Police who shall appoint not more than four policemen to be present at the said bouts or exhibitions. The cost of the said policemen so appointed shall be upon the person, club or association sponsoring the said bouts or exhibitions and shall be paid to the Chief of Police of Laconia.

SECTION 6. This ordinance shall not apply to schools, colleges or universities.

SECTION 7. This ordinance shall take effect upon its passage.

Passed and approved this 24th day of February, 1948.

Albert A. Parmentier
Mayor

ZONING ORDINANCE OF THE
CITY OF LACONIA 1948

ARTICLE I.

The zoning regulations and districts as herein set forth have been made for the purpose of promoting the health, safety, morals, and the general welfare of the community. They have been designated to lessen congestion in the streets, to secure safety from fire, panic and other dangers, to provide adequate light and air, to prevent overcrowding of land, to avoid undue concentration of population, to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements.

ARTICLE II. General Provisions

SECTION 1. Board of Adjustment.

There shall be a Board of Adjustment, which shall have the power and authority and be subject to all the duties as provided in Chapter 51, of the Revised Laws of New Hampshire, 1942.

Said Board shall also have the power, upon appeal, to grant an exception to the terms of this ordinance where there are conditions especially affecting a parcel of land but not found generally in the zone in which it is located and where a literal enforcement of the provisions of this ordinance as to said parcel would involve practical difficulty or substantial unnecessary hardship and when relief may be granted without substantial detriment to the public good and without substantially derogating from the intent and purpose of this ordinance.

The members of said Board of Adjustment shall be appointed by the Mayor, with the consent of the Council, and shall serve without compensation.

Approval by the City Planning Board—in cases where the approval of the Planning Board is required for a conditional use, the action of said board shall be reported to the Board of Adjustment within two weeks from the submission of the petition to said Planning Board.

SECTION 2. *Definitions.* In this ordinance the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meaning:

1. *Accessory Building* A detached subordinate building located on the same lot, the use of which is customarily incidental to that of the main building or to the use of the land.

2. *Block Frontage.* All the property fronting on one side of a street between a street and right-of-way, waterway, end of dead-end street or city boundary, measured along the street line.

3. *Building.* Any structure having a roof supported by columns, walls, or other structural support for the housing or enclosure of persons, animals, or chattels. When any portion thereof is completely separated from every other portion thereof by a wall without openings then each such portion shall be deemed to be a separate building.

4. *Cabins, Overnight.* A building or buildings having separate outside entrances for each room or suite of rooms and maintained for the purpose of providing accommodations for compensation for transient or seasonal guests who must be registered as required by Chapter 208, Sec. 7, of the Revised Laws of the State of New Hampshire, 1942.

5. *Council.* The City Council of the City of Laconia.

6. *Dwelling.* A building or portion thereof designed exclusively for residential occupancy, including one-family, two-family and multiple dwellings, but not including hotels, lodging or boarding houses, tourist homes, or overnight cabins.

7. *Dwelling Unit.* A dwelling or a portion of a dwelling or of an apartment hotel designed for, or occupied by one family, for living or sleeping purposes, and having cooking facilities.

8. *Family.* One or more persons living as a single, non-profit housekeeping unit. A family shall be deemed to include necessary servants.

9. *Home Occupation.* Any use conducted entirely within a dwelling or a building accessory and incidental to a dwelling, which use is clearly incidental and secondary to the use of the dwelling for dwelling purposes and does not change the character thereof, and in connection with which there is no outside display, nor mechanical equipment of a noxious, vibrating, or other objectional nature.

10. *Lot.* Land occupied or designed to be occupied by a building, and the accessory buildings or uses customarily incident thereto, including such open spaces as are required by this ordinance. A lot may or may not be the land shown as a lot on a recorded plat.

11. *Street.* Public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.

12. *Use, Nonconforming.* A use which lawfully occupied a building or land at the time this ordinance became effective and which does not conform with the

use regulations of the district in which it is located.

13. *Structure, Nonconforming.* A structure which is lawfully maintained at the time this ordinance became effective and which does not conform with the regulations of the district in which it is located.

14. *Setback.* An open space on the same lot with a main building, open, unoccupied and unobstructed by buildings from the ground to the sky, except as otherwise provided in this ordinance.

15. *Setback, Front.* A setback extending across the full width of the lot, the depth of which shall be the least distance between the front lot line and the front of the main building.

16. *Setback, Rear.* A setback extending across the full width of the lot, between the most rear main building and the rear lot line. The depth of the rear setback shall be the least distance between the rear lot line and the rear of the main building.

17. *Setback, Side.* A setback between the main building and the side lot line, extending from the front setback as required, to the rear setback. The width of the required side setback shall be measured horizontally from the nearest point of the side lot line toward the nearest part of the main building.

SECTION 3. *Zoning Affects Every Building and Use.* No building or land shall hereafter be used, and no building or part thereof shall hereafter be erected, moved, or altered, unless in conformity with the regulations herein specified for the zone in which it is located, except as hereafter provided.

SECTION 4. *Continuance of Non-Conforming Uses and Buildings.*

A. A non-conforming structure or use may be maintained as it existed at the time of passage of this ordinance.

B. *Restoration of Damaged Buildings.* A non-conforming structure which is damaged or partially destroyed by fire, flood, wind, earthquake, or other calamity, or act of God, or the public enemy, to the extent of not more than 75% of the then fair market value of the structure may be rebuilt substantially as it existed before such damage or destruction.

C. *Building Permit Granted.* In any case where a building permit has been issued prior to the effective date of this ordinance for a structure which would not conform to the regulations of this ordinance, such structure may be constructed or altered as a non-conforming

structure as permitted by said building permit, providing such construction or alteration is commenced within one year after issuance of said permit and diligently prosecuted to completion.

SECTION 5. *Conditional Uses.* The following uses may be permitted by the Board of Adjustment in any zone where such uses are deemed essential or desirable to the public convenience or welfare:

1. Airports or aircraft landing fields, including seaplane base and helicopter landing.
2. Governmental enterprise.
3. Motor vehicle and rail terminals.
4. Educational institutions.
5. Public utility lines and stations.
6. Telephone exchange building, provided such building is used solely for exchange purposes.

SECTION 6. *Signs.*

A. In a Residential Zone or Agricultural Zone, no nameplate or sign shall be located on or project within three feet of any street.

B. In a Commercial or Industrial Zone no sign shall project over the street unless

1. Such sign is at least 7½ feet above the established grade of the sidewalk, and
2. It is securely attached to the building or other structure in a manner approved by the building inspector.

SECTION 7. *Zone Boundaries*

Unless otherwise indicated the zone boundary lines are the center lines of streets, parkways, the middle of the channel of waterways, railroad rights-of-ways, or such lines extended. Other lines within blocks less than two hundred feet wide are center lines between their sides. Other lines within blocks two hundred feet or more wide, are one hundred feet distant from the less restricted side of the blocks.

ARTICLE III. *Agricultural Zone Regulations.* The following regulations and the regulations contained in Article II shall apply in the Agricultural Zone.

A. *Permitted Uses.*

1. All uses commonly classed as agriculture, horticulture, or forestry, including: crop and tree farming and gardening, dairy farming, stock farming, keeping up to ten swine, domestic pet breeding and raising, and animal hospitals, poultry farming, forestry operations, and the operation of any machinery or vehicles or the use of any structures incidental to the above mentioned uses.

2. Wayside stands for the display, sale, or offering for sale of agricultural or horticultural products produced in the immediate vicinity, when offstreet parking is provided, with means of ingress and egress to the street approved by the Chief of Police, and so located as to avoid dangerous or otherwise objectionable traffic conditions.

3. One-family dwellings.
4. Two-family dwellings.
5. Multiple dwellings.
6. Parks, playgrounds, or community centers of a non-profit nature.
7. Hospitals.
8. Churches.
9. Educational institutions.
10. Boat houses provided that they are not within 20 feet of a side lot line, and landings and docks provided they are not within 5 feet of a side lot line.

11. Hotels, Inns, Tourist Homes, Overnight Cabins, Trailer Camps, Organized Camps, and other similar uses, on condition that:

- (a) No building shall be located within 50 feet of the center-line of any street,
- (b) No building shall be located within 25 feet of the front lot line,
- (c) Except where a lot line is a waterfront, no buildings shall be located within 20 feet of a lot line,
- (d) Where a lot line is a waterfront, no building shall be located within 20 feet of any other lot line,
- (e) An unlighted or lighted (non-animated, non-flashing) sign or signs advertising the use of the premises of a total area of not more than 30 square feet shall be permitted.

12. Home occupation.
13. Accessory buildings.

B. *Conditional Uses*—The following uses shall be permitted if their location is first approved by the Board of Adjustment and the City Planning Board:

1. The keeping of more than ten swine, provided farms for keeping such swine are not located within 1,000 feet of a residential or business zone.
2. Non-profit clubs or lodges.
3. Golf courses, tennis clubs, and similar recreation uses.
4. Removal for sale of sod, loam, sand and gravel, or quarried stone, provided that when such removal is in connection with the construction of a building or the improvement of a premises, no permit from either Board shall be required.
5. Grocery, meat, fruit, vegetable, or variety stores, tea rooms, restaurants, gift shops, filling stations, or garages may

be permitted on condition that such use is first approved by 75% of the property owners within a 250 foot radius of the main entrance of the main building.

6. Cemeteries or other places for the disposal of the human dead.

C. Areas

1. *Lot Area Per Dwelling Unit*—(a) For areas served either by the City Sewer System or the Laconia Water Company or other public water utility, the minimum lot area per dwelling unit shall be 8,000 square feet. For other areas, the minimum lot area per dwelling unit shall be 16,000 square feet.

(b) Provided, however, that where a lot has a width of less than 80 feet or an area of less than 8,000 square feet and was of record at the time this ordinance became effective, such lot may be occupied by any use permitted in this section.

2. *Lot Area*—For areas served either by the City Sewer System or the Laconia Water Company or other public water utility, every lot shall have a minimum width of 80 feet and a minimum area of not less than 8,000 square feet. For other areas, every lot shall have a minimum width of 160 feet and a minimum area of not less than 16,000 square feet.

3. *Setback, Front*—There shall be a front setback of not less than 15 percent of the depth of the lot, except that a setback of more than 30 feet shall not be required.

4. *Setback, Side*—Each lot, except as otherwise specified, shall have two side setbacks, each having a width of not less than eight feet.

5. *Setback, Rear*—There shall be a rear setback of not less than 25 percent of the depth of the lot, but such rear setback need not exceed 25 feet. Accessory buildings may occupy not more than 50% of the area of a required rear setback.

ARTICLE IV. One-Family Zone Regulations.

The following regulations and the regulations contained in Article II shall apply in the One-Family Zone:

A. Permitted Uses

1. One-family dwelling structures.

2. Parks, playgrounds, or community centers of a non-profit nature.

3. Crop and tree farming, including greenhouses, nurseries, and accessory buildings, provided

(a) No storage of manure, or odor or dust producing substance shall be permitted within 100 feet of any adjoining lot line.

(b) No greenhouses or accessory farming structure shall be located within 20 feet of a side or front lot line.

(c) Products raised on the premises may be sold but no retail stand or other commercial structure shall be located thereon.

4. Public parking areas shall be permitted where such parking area adjoins a commercial or industrial zone, provided such parking area does not extend more than 100 feet from the boundary of the commercial or industrial zone, and provided further that any lights used to illuminate such parking area shall be so arranged as to reflect the light away from adjoining premises in the residential zone.

5. Churches, except rescue mission or temporary revival.

6. Home occupation.

7. Accessory buildings. Provided that accessory living quarters, or accessory buildings of more than fifteen feet in height shall be located not nearer than ten feet to any lot line.

8. Name plates and signs—One unlighted or lighted (non-flashing, non-animated) name plate or sign not exceeding 1½ square feet in area for each dwelling unit indicating the name of the occupant or use of the premises; one identification sign not exceeding twelve square feet in area for buildings other than dwellings; church bulletin board; an unlighted sign or signs appertaining to the prospective rental or sale of the property on which said sign or signs are located.

B. *Conditional Uses*. The following uses may also be permitted if their location is first approved by the Board of Adjustment and the City Planning Board:

1. Lodging houses.

2. Schools and hospitals (except animal hospitals and hospitals or sanitarium for mental, or drug or liquor addict cases).

3. Non-profit clubs and lodges.

4. Non-profit golf courses, tennis clubs, and similar recreation uses.

5. Grocery, meat, fruit, or variety stores provided their location is first approved by 75% of the property owners within a 250 foot radius of the numbered entrance of said store.

6. Removal for sale of sod, loam, sand, gravel, or stone, provided that when such removal is incidental to and in connection with the construction of a building for which a building permit has been issued or the improvement of a premises, no permit from the Board shall be required.

C. Areas

1. *Area Per Dwelling Unit.* The minimum lot area per dwelling unit shall be 8,000 square feet.

2. *Lot Area.* Every lot shall have a minimum width of 80 feet and a minimum area of 8,000 square feet, except that

(a) Where a lot has a width of less than 80 feet or an area of less than 8,000 square feet and was of public record at the time this ordinance became effective, such lot may be occupied by any use permitted in this section.

(b) A lot of less than 16,000 square feet and not less than 12,000 square feet and was of public record at the time this ordinance became effective may be divided into two lots containing not less than 6,000 square feet each and each having a width of not less than 60 feet, and one dwelling unit may be erected on each lot.

(c) If a lot contains more than 16,000 square feet and if after division into as many 8,000 square foot lots as practical there remains a lot of 6,000 square feet or more, one dwelling unit may be erected on such remaining lot provided it has a minimum width of 60 feet.

3. *Setback, Front.* There shall be a front setback of not less than 15 percent of the depth of the lot, provided, however, that where lots comprising 50 percent or more of the frontage (excluding corner lots) have been developed, the average of such front setbacks shall establish the minimum front setback for the block frontage, if such setbacks have a variation in depth of less than 15 feet. No front setback shall be less than 10 feet, nor shall a setback of more than 30 feet be required.

4. *Setback, Side.* Each lot shall have two side setbacks, each having a width of not less than 8 feet.

5. *Setback, Rear.* There shall be a rear setback of not less than 25 percent of the depth of the lot, but such rear setback need not exceed 25 feet. Accessory buildings may occupy not more than 50% of the area of a required rear setback.

ARTICLE V. General Residence Zone Regulations.

The following regulations and the regulations contained in Article II shall apply in the General Residence Zone:

A. Permitted Uses

1. Any use permitted in the One-Family zone provided that such uses shall be subject to the same limitations and

controls as specifically set forth in the One-Family Zone, Article IV.

2. Two-Family dwellings.

3. Multiple dwellings.

4. Name plates and signs—same as One-Family Zone, Article IV.

B. *Conditional Uses.* The following uses shall be permitted if their locations are first approved by the Board of Adjustment and the City Planning Board:

(a) Tourist home, inn, tea room, gift shop, and similar uses provided that such use is located on a State or Federal numbered highway, and provided that such use be conducted in a dwelling and carried on by the occupants thereof.

(b) Any conditional use permitted in the One-Family Zone, Article IV.

C. Areas

1. *Lot Area Per Dwelling Unit.* The minimum lot area per dwelling unit shall be 4,000 square feet.

2. *Lot Area.* The lot area requirements shall be the same as for the One-Family Zone, Article IV.

3. *Setback, Front.* The front setback requirements shall be the same as for the One-Family Zone, Article IV.

4. *Setback, Side.* The side setback requirements shall be the same as for the One-Family Zone, Article IV.

5. *Setback, Rear.* The rear setback requirements shall be the same as for the One-Family Zone, Article IV.

ARTICLE VI. Apartment House Zone Regulations.

The following regulations and the regulations contained in Article II shall apply in the Apartment House Zone.

A. Permitted Uses

1. Any use permitted in the General Residence Zone provided that all such uses shall be subject to the same limitations and controls as specifically set forth in the General Residence Zone, Article V.

2. Multiple dwellings.

3. Lodging houses, tourist homes, hotels, inns.

4. Non-profit museums or libraries.

5. Name plates and signs same as permitted in Article IV.

B. *Conditional Uses.* The following uses may also be permitted if their location is first approved by the Board of Adjustment and the City Planning Board:

1. Medical center or clinic provided that at least two parking spaces are provided for each doctor's office.

2. Any conditional use permitted in the General Residence Zone, Article V.

C. *Areas*

1. *Lot Area Per Dwelling Unit.* The minimum lot area per dwelling unit shall be 2,000 square feet.

2. *Lot Area.* Every lot shall have a minimum width of 80 feet and a minimum area of 8,000 square feet.

Provided, that where a lot has a width of less than 80 feet and a minimum area of 8,000 square feet and was of record at the time this ordinance became effective, such lot may be occupied by a one or two-family dwelling.

3. *Setback, Front.* The front setback requirement shall be the same as for the One-Family Zone, Article IV.

4. *Setback, Side.* The side setback requirements shall be the same as for the One-Family Zone, Article IV.

5. *Setback, Rear.* The rear setback requirements shall be the same as for the One-Family Zone, Article IV.

ARTICLE VII. *Limited Commercial Zone Regulations.*

The following regulations and the regulations contained in Article II shall apply in the Limited Commercial Zone:

A. *Permitted Uses*

1. Any use permitted in the Apartment House Zone—provided that all such uses shall be subject to the same limitations and controls as specifically set forth in the Apartment House Zone, Article VI.

2. *The following uses are permitted—* provided that they are conducted within enclosed buildings; except for onsite parking of delivery vehicles which are incidental thereto, and automobile parking.

- (a) Art shops.
- (b) Auditoriums.
- (c) Bakeries.
- (d) Banks.
- (e) Book or Stationery stores.
- (f) Business colleges, or private schools operated as a commercial enterprise.
- (g) Overnight cabins.
- (h) Clothes cleaning agencies or pressing establishments.
- (i) Confectionery stores.
- (j) Department, furniture or radio stores.
- (k) Drug stores.
- (l) Dry Goods or Notions stores.
- (m) Florist shops.
- (n) Gift shops.
- (o) Grocery, Fruit, or Vegetable stores.
- (p) Hardware stores.
- (q) Hotels.

- (r) Jewelry stores.
- (s) Laundry agencies.
- (t) Lodging houses.
- (u) Meat market or Delicatessen stores.
- (v) Medical or Dental clinics.
- (w) Mortuary or Funeral parlors.
- (x) Music stores.
- (y) Business or Professional offices.
- (z) Photographers.
- (aa) Restaurants, Tea rooms, or Cafes.
- (bb) Shoe stores, or Shoe Repair shops.
- (cc) Super markets.
- (dd) Tailors.
- (ee) Theatres.
- (ff) Tourist homes.
- (gg) Wholesale merchandise brokers, excluding wholesale storage.
- (hh) Other uses similar to the above, as determined by the Board of Adjustment.

The above specified stores, shops, or businesses shall be retail establishments selling new merchandise.

3. *Signs*—are permitted provided they shall pertain only to a use conducted within the building and in no case shall a sign project above the roof line.

4. *Uses customarily incident*—to any of the above uses, and accessory buildings when located on the same lot.

Provided, that (a) there shall be no manufacture, compounding, and processing or treatment of products other than that which is clearly incidental and accessory to a retail store or business and where the products are primarily sold at retail on the premises; (b) such uses, operations, or products shall not be objectionable due to odor, dust, smoke, noise, vibration or other similar causes.

5. *Public parking area.*

B. *Conditional Uses*—The following uses are permitted if their location is first approved by the Board of Adjustment and the City Planning Board.

- 1. Antique shops.
- 2. Second hand shops.
- 3. Upholstering shops.

ARTICLE VIII. *Heavy Commercial Zone Regulations.*

The following regulations and the regulations contained in Article II shall apply in the Heavy Commercial Zone.

A. *Permitted Uses*

1. *Any use permitted in the Limited Commercial Zone*—provided that all such uses shall be subject to the same limitations and controls as specifically set forth

in the Limited Commercial Zone, Article VII.

2. Drive-in business where persons are served in automobiles such as refreshment stands, restaurants, and the like.

3. Flower or plant nurseries.

4. Sign painting, tire or upholstery shops.

5. Automobile service stations, filling stations, or storage or repair garages, providing that any petroleum or other inflammable products stored above-ground shall be contained in drums or containers of not more than 110 gallons, except fuel oils to be consumed on the premises may be stored in 275 gallon tanks.

6. Boat repair, sales, or storage.

7. Automobile and trailer sales.

8. Truck terminals or yards, including bus garages.

9. The following uses are permitted provided that they are conducted wholly within an enclosed building except for the on-site parking of delivery vehicles which are incidental thereto, and automobile parking, and provided further, that where such uses are within 50 feet of an abutting Residential Zone, the wall facing such residential zone shall have no openings other than stationary window openings and emergency exits, nor shall signs be permitted thereon.

(a) Amusement enterprises, including a billiard or pool hall, bowling alley, boxing arena, dance hall, games of skill and science, penny arcade, shooting gallery, and the like, if conducted within an enclosed building.

(b) Bottling works.

(c) Creamery and ice cream manufacture.

(d) Feed and fuel store.

(e) Ice manufacture and cold storage.

(f) Laundries.

(g) Warehousing.

(h) Wholesale merchandise storage.

(i) Any use permitted in the Industrial Zone provided that not more than ten percent of the floor area of any floor of a building is devoted to such use. In determining the floor area so used it shall be all the floor area occupied by concerns engaged in such production activities exclusive of that used for offices, display, waiting rooms or clerical work.

10. Carpenter shops or cabinet shops, plumbing, heating or sheet metal shops.

11. Building material sales office and accessory storage of building materials.

ARTICLE IX. *Industrial Zone Regulations.*

The following regulations and the regulations contained in Article II shall apply in the Industrial Zone:

A. *Permitted Uses*

1. Any use permitted in the Heavy Commercial Zone, provided that all such uses shall be subject to the same limitations and controls as specifically set forth in the Heavy Commercial Zone, Article VIII.

2. A building or structure including dwelling units shall be permitted in the Industrial Zone only where it is within 200 feet of an abutting Residential Zone.

3. All uses not otherwise prohibited by law.

B. *Prohibited Uses*

1. All uses commonly classed as agriculture, horticulture, or forestry, including dairy farming, stock farming, keeping of swine, domestic pet breeding and raising, and poultry farming.

2. Acid manufacture—chlorine or hydrochloric, nitric, picric, or sulphuric acid.

3. Cement, lime, gypsum, or plaster of paris manufacture.

4. Distillation of bones.

5. Explosives, manufacture or storage in bulk quantities exceeding 25 pounds.

6. Fat rendering in manufacture of tallow or grease.

7. Fertilizer manufacture.

8. Garbage, offal or dead animal reduction or dumping, excluding municipal incineration plants.

9. Glue manufacture.

10. Hair manufacture.

11. Petroleum refining.

12. Smelting of tin, copper, zinc, or iron ore.

13. Any other use that is noxious or offensive by reason of the emission of odor, dust, smoke, gas, or noise.

C. *Area*

Dwellings—Building hereafter erected and used wholly or partly for dwelling purposes shall comply with the area requirements of the General Residence Zone, Article V.

ARTICLE X. *Zones.*

The zones aforesaid and the boundaries of such zones are hereby established as shown on the two maps entitled Zoning Map of the City of Laconia, dated July 28, 1948, which accompany this ordinance and are on file in the office of the City Clerk. Said maps and all explanatory matter

thereon are hereby adopted and made a part of this ordinance.

ARTICLE XI. *Exceptions and Modifications.*

A. Use

1. *Conversions to multiple use, One-Family Zone*—where a one-family or two-family dwelling structure has a floor area of 1,500 square feet on two full stories in a one-family zone at the time this ordinance became effective such structure may be converted to a multiple dwelling provided:

(a) All other requirements of the district are complied with, except that the number of square feet required for each dwelling unit may be reduced to 4,000 square feet for dwelling units containing one bedroom or containing only one room designed for sleeping purposes.

(b) That there be no structural alterations affecting the exterior appearance of the structure in excess of 1,000 cubic feet, and

(c) That each dwelling unit have a floor area of at least 500 square feet.

2. *Weirs Apartment District*—The following uses shall be permitted in The Weirs apartment house district:

(a) Overnight cabins.

(b) Tea rooms, restaurants, and gift shops when conducted in conjunction with a hotel, inn, tourist home, overnight cabins, or similar use.

B. Area

1. *Square feet per family reduced*—in the General Residence, Apartment House, Limited Commercial, and Heavy Commercial zones, the number of square feet per family for multiple dwelling structures may be reduced to one-half of the area per dwelling unit required for the zone for dwelling units containing only one room designed for sleeping purposes.

2. *Lot area reduced*—where 50% of a block frontage has been developed into lots having a width of 60 feet or less and an area of 6,000 square feet or less, the minimum width of lot shall be 60 feet and minimum area 6,000 square feet.

3. *Waterfront lot, Agricultural district*—in the Agricultural Zone, the minimum width of lots bounded by a public water shall be 80 feet and the minimum area 9,600 square feet.

C. Public Utilities and Public Services

The provisions of this ordinance shall not be so construed as to limit or interfere with the construction, installation, operation, and maintenance for public util-

ity purposes of water and gas pipes, mains and conduits, electric light and electric power transmission and distribution lines, telephone and telegraph lines, oil pipe lines, sewer mains, and incidental appurtenances.

ARTICLE XII. *Administration and Enforcement.*

Section 1—Administration.

The Mayor and Council shall appoint a building inspector, who may be a city official, and whose duty it shall be to enforce this ordinance.

Section 2—Penalties

Any person, firm, or corporation, whether as a principal, agent, employee, or otherwise, who violates any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than ten dollars. Such person, firm, or corporation shall be deemed to be guilty of a separate offense for each and every day during any portion of which any violation of this ordinance is committed, continued or permitted by such person, firm or corporation, and shall be punishable therefor as provided herein.

ARTICLE XIII. *Severance Clause.*

If any section, clause, provision or portion of this ordinance shall be held to be invalid or unconstitutional by any court of competent jurisdiction, such holding shall not affect any other section, clause, provision or portion of this ordinance which is not, in and of itself, invalid or unconstitutional.

ARTICLE XIV. *Convict With Other Ordinances.*

Wherever the provisions of any other ordinance or duly promulgated rules or regulations impose stricter standards than are required by this ordinance such provisions or rules shall govern.

ARTICLE XV. *Effective Date.*

This ordinance shall take effect upon its passage.

Passed and Approved this 28th day of July, 1948.

ALBERT A. PARMENTIER,
Mayor.

AN ORDINANCE RELATIVE TO
BUILDING LIMITS AND REGULATIONS.

Be it ordained by the City Council of the City of Laconia, as follows:

Amend Chapter 25 of the compiled ordinances of the City of Laconia by strik-

ing out the whole of said ordinance and inserting in place thereof, the following:

Chapter 25. *Building Limits and Regulations.*

SECTION 1. This ordinance shall apply within the city limits of the City of Laconia.

SECTION 2. No person, firm, or corporation shall build or construct, enlarge, elevate, alter or otherwise change any building or structure or any part of a building or structure or erect, set up, or cause to be erected or set up any steam boiler, engine, or storage fuel tank within said limits of said city without a permit issued by the Building Inspector granted after filing a petition with the Building Inspector. Said petition shall set forth the location of such building or structure on the lot or the location of any steam boiler, engine, or storage fuel tank which is proposed to be erected or set up, together with the names of the owners of all adjoining lands, and that work to be done shall conform to the requirements of the zoning ordinance, City and State building laws and regulations, and shall not constitute a fire hazard.

SECTION 3. *Appeals.* An appeal to the Board of Adjustment may be taken from the ruling of the building inspector by any party adversely affected by the decision of the said building inspector. The appeal shall be in such form as the Board of Adjustment may prescribe, and said appeal shall be accompanied by a filing fee of \$10.00 to be deposited to the credit of the City of Laconia.

SECTION 4. No person, firm, or corporation, shall cover or recover the roof of any building within the city of Laconia unless fire resisting roof covering is used for that purpose.

SECTION 5. *Display Permit.* The Building Inspector shall issue a printed card when a permit has been issued, which must be conspicuously displayed on the premises for which the permit was granted, which shall state that a permit has been granted, generally state the nature of the work and that the person accepting the permit has agreed to conform to the terms of his permit application.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this chapter shall be punished by a fine of not exceeding twenty dollars. Such person, firm, or corporation shall be deemed to be guilty of a separate offense for each and every day during any por-

tion of which any violation of this ordinance is committed, continued or permitted by such person, firm or corporation, and shall be punishable therefor as provided therein.

SECTION 7. This Ordinance shall take effect upon its passage.

Passed and approved, August 30, 1949.

Frederick A. Tilton
Acting Mayor

AN ORDINANCE RELATING TO SALARIES.

Be it ordained by the City Council of the City of Laconia, as follows:

1. Amend Section 4 of Chapter 20 of the Compiled Ordinances by striking out the entire section and inserting in place thereof the following:

SECTION 4. The moderator of each ward, each of the selectmen of each ward, and the clerk of each ward shall receive in full for his services compensation at the rate of \$6.00 per day for each day's services when attending elections, and at the rate for \$2.00 a job for attending to the posting of warrants, drawing jurors, and revising the jury list, each to be paid after each election at which their services are rendered.

2. Amend Section 5 of said Chapter 20 by striking out the entire section and inserting in place thereof the following:

SECTION 5. Each member of the Board of Supervisors, and each election inspector shall receive in full for his services compensation at the rate of \$6.00 per day for each day's services when attending to their duties, each to be paid after each election at which their services are rendered.

3. This Ordinance shall take effect as of September 1, 1948.

Passed and approved this 27th day of September, 1948.

Albert A. Parmentier
Mayor

AN ORDINANCE RELATING TO ZONING.

Be it ordained by the City Council of the City of Laconia, as follows:

Amend the zoning ordinance of the City of Laconia by adding to Article II, Section 1, the following:

The Board of Adjustment shall also have the power to permit the erection of additional buildings or the enlargement or alteration of existing buildings on the same or on an adjacent parcel of land for

an existing trade, business, industry or other use prohibited in such district.

The Board of Adjustment shall also have the power to authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

Article II, Section 1, as amended, shall read as follows:

SECTION 1. *Board of Adjustment.*

There shall be a Board of Adjustment, which shall have the power and authority and be subject to all the duties as provided in Chapter 51, of the Revised Laws of New Hampshire, 1942.

Said Board shall also have the power, upon appeal, to grant an exception to the terms of this ordinance where there are conditions especially affecting a parcel of land but not found generally in the zone in which it is located and where a literal enforcement of the provisions of this ordinance as to said parcel would involve practical difficulty or substantial unnecessary hardship and when relief may be granted without substantial detriment to the public good and without substantially derogating from the intent and purpose of this ordinance.

The members of said Board of Adjustment shall be appointed by the Mayor, with the consent of the Council, and shall serve without compensation.

The Board of Adjustment shall also have the power to permit the erection of additional buildings or the enlargement or alteration of existing buildings on the same or an adjacent parcel of land for an existing trade, business, industry or other use prohibited in such district.

The Board of Adjustment shall also have the power to authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

This ordinance to take effect upon its passage.

Passed and approved October 25, 1948.

Albert A. Parmentier
Mayor

AN ORDINANCE RELATIVE TO
TRAFFIC RULES AND REGULATIONS.

*Be it ordained by the City Council of
the City of Laconia, as follows:*

Section 1. Amend Chapter 42, Article III, Section VIII of the Compiled Ordinances by adding thereto the following:

(ae) The easterly side of River Street from Church Street to Jewett Street.

(af) The southerly side of Jewett St.

(ag) The southerly side of Arch Street from Union Avenue to the Public Service Company pole numbered 2.

Section II. Amend Chapter 42, Article III, Section X of the Compiled Ordinances by adding thereto the following:

(z) River Street from Arch Street to Jewett Street.

(aa) Arch Street from Public Service Company pole numbered 2 to River Street.

Section III. This ordinance shall take effect upon its passage.

Passed and approved this 29th day of November, 1948.

Albert A. Parmentier
Mayor

AN ORDINANCE RELATIVE TO
THE SALARIES OF CERTAIN CITY
OFFICIALS.

*Be it ordained by the City Council of
the City of Laconia, as follows:*

Section 1. Amend Section 1 of Chapter 18 of the Compiled Ordinances of 1941 as amended by striking out the words "hine hundred" and substituting therefor the words "one thousand", so that said Section as amended shall read as follows:

"SECTION 1. The city treasurer shall receive in full for his services the sum of one thousand dollars per annum, payable in equal quarterly payments."

Section 2. Amend Section 6 of Chapter 6 of the Compiled Ordinances of 1941 as amended by striking out the words "two thousand" thereof and substituting therefor the words "twenty-two hundred," so that said Section as amended shall read as follows:

"SECTION 6. The collector of taxes shall receive in full for his services in the collection of taxes each year the sum of twenty-two hundred dollars, which shall be paid in equal monthly payments."

Section 3. Amend Section 3 of Chapter 5 of the Compiled Ordinances of 1941 as amended by striking out the word "six" and inserting in place thereof the word "nine", so that said Section as amended shall read:

"SECTION 3. The auditor shall receive as compensation or salary for his services the sum of nine hundred dollars per year, payable in equal quarterly payments."

Section 4. Amend Section 2 of Chapter 13 of the Compiled Ordinances of 1941 as amended by striking out the words "eighteen hundred" and substituting in place thereof the words "two thousand" so that said section as amended shall read as follows:

"SECTION 2. The Overseer of the Poor shall perform the same duties and be subject to the same liabilities as are now or may from time to time be prescribed for and incumbent on overseers of poor of towns, and perform such other duties as the city council may prescribe. He shall receive as compensation or salary for his services the sum of two thousand dollars per year, which shall be paid in equal monthly payments."

Section 5. Amend Section 3 of Chapter 10 of the Compiled Ordinance of 1941 as amended by striking out the words "one thousand" and substituting therefor the words "eleven hundred," so that said section as amended shall read as follows:

"SECTION 3. The City Solicitor shall receive in full for his services the sum of eleven hundred dollars per annum, payable in quarterly payments. He shall also receive his reasonable traveling expenses when his attendance is required out of the city."

Section 6. This ordinance shall take effect as of March 29, 1948.

Passed and approved November 29, 1948.

Albert A. Parmentier
Mayor

AN ORDINANCE TO AMEND THE ZONING MAP OF THE CITY OF LA-CONIA.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend the zoning map of the City of Laconia, entitled Zoning Map of the City of Laconia, N. H.—Map 1—Settled areas, by changing the within described area from a Limited Commercial zone to a Heavy Commercial Zone;

Beginning at the corner of Church Street and Howard Street, thence running westerly on Church Street for a distance of 200 feet, then turning at right angles and running northerly to Howard Street, thence running easterly and southerly on Howard Street to the point of beginning.

Section 2. This ordinance shall take effect upon its passage.

Passed on November 29th, 1948.

(Declared void and of no effect by Belknap County Superior Court, Sept. 8, 1949.)

AN ORDINANCE RELATIVE TO FINANCES.

Be it ordained by the City Council of the City of Laconia, as follows:

Amend Chapter 4 of the Compiled Ordinances of 1941 by striking out the whole thereof and inserting in place thereof the following:

CHAPTER 4

Finances

SECTION 1. There shall be appointed at the commencement of each municipal term a standing committee on accounts and claims to consist of three members of the city council, which committee shall meet at least once in each month and carefully examine and audit all claims and accounts against the city which shall be laid before them, approved as provided in the following section, and shall allow and pass the same if found to be correct and justly due.

SECTION 2. No account or claim where the credit of the city has been used shall be allowed unless:

- a. Said account or claim has been incurred by the authority of the city council or
- b. Said account or claim has been approved by the mayor, or
- c. A proper voucher therefor shall be presented by the person incurring the debt to the committee on accounts and claims.

No claim exceeding one hundred dollars in amount shall be allowed and paid unless approved by the city council. A specific appropriation to a department shall be deemed to be council approved under this ordinance.

SECTION 3. No account or claim against the city except judgments of judicial courts shall be received or acted upon by the committee on accounts and claims unless such account or claim shall be accompanied with the approval of the officer, committee or agent authorized in behalf of the city to make the contract or cause the expenditure to be made, the city clerk, and the city auditor. No claim shall be allowed for medical services unless such services were authorized by the department head concerned. In all bills against the city which shall be presented for payment each item shall be specifically set forth.

SECTION 4. The city clerk shall receive all accounts and claims from persons having demands against the city. The city clerk shall then carefully examine such accounts and claims to see that they are correctly cast and to ascertain that there are sufficient funds, duly appropriated, available for the paying of the said accounts and claims. The said accounts and claims shall then be numbered and processed as follows:

- a. All accounts and claims containing a discount provision shall be placed on a board entitled "Discount Bills" and made available for the required endorsements.
- b. All accounts and claims containing no discount provision shall be placed on a board entitled "Monthly Draft Bills" and made available for the required endorsements.
- c. All bills not approved for any reason whatsoever, including insufficiently appropriated funds, shall be placed upon a board entitled "Unapproved Bills."

All accounts and claims containing a discount provision and which have been approved in accordance with Section 2 of this ordinance, shall be paid by the city treasurer before the discount period expires, and presented at the next regular meeting of the mayor and council for approval.

Upon the disapproval of any accounts and claims the city clerk shall immediately notify the heads of the departments concerned and arrange to have the matter brought before the next meeting of the mayor and council.

The city clerk shall keep a book in such manners and form as the accounts and claims committee shall direct wherein he shall enter the date and amount of every account and claim against the city as finally corrected and allowed by said committee, and also the name of the person to whom the same has been allowed, designating the fund or appropriation from which the same shall be paid.

SECTION 5. The city clerk shall also under the direction of the committee on accounts and claims keep a book or ledger in which he shall enter the various appropriations made by the city council, each under its appropriate head, and charge to each the different payments and expenditures which from time to time shall be made therefrom. Whenever any appropriation shall be expended the city clerk shall immediately give notice to the mayor, the city council and said committee on accounts and claims and said committee shall pass no claim or account chargeable to any head or appropriation which has been expended until the city council shall have provided the means of paying the same. The city clerk shall open an account with the city treasurer, charging him with the amount of loans to the city and all sums of money paid to him on behalf of said city by the collector, or other officer, or agent of the city, or by any person in any way indebted to the city, and also with all notes, bonds, mortgages, or other securities in the hands of the treasurer, or which may pass into his hands, belonging to the city, to the end that the amount and value thereof may at any time be seen on the books of the city clerk.

SECTION 6. No money shall be drawn out of the city treasury except upon the written order of the mayor, addressed to the treasurer, and countersigned by the city clerk, and numbered so as to correspond with the account or claim it shall be drawn to pay; and no account or claim against the city, arising from any contract or agreement for labor, or for the purchase or sale of any materials, goods, wares, or merchandise, in which any member of the city council, or any officer or agent appointed by the city council has been directly or indirectly interested in a private capacity, shall be approved by any committee, nor shall any order therefor be drawn upon or paid by the city treasurer, unless such contract or agreement

shall have been authorized or ratified by the city council; but such restriction shall not be construed to prevent the purchase of ordinary supplies from members of the city council who may be engaged in trade, nor the employment of the members of the council in their ordinary vocation, by duly authorized heads of departments.

SECTION 7. The mayor is hereby authorized to draw orders on the treasurer for the payment of all accounts and claims allowed, as provided in this chapter; but he shall not draw an order in payment for any services rendered or any materials furnished for any department beyond the sum specifically appropriated therefor by the city council.

SECTION 8. Any sum of money which shall have been specifically appropriated for the payment of principal or interest due on any note or other security of the city, or for the state and county taxes, may be drawn from the treasury and paid by the order of the mayor, for the purpose for which it was appropriated, without any action on the part of the committee on accounts and claims; and whenever it shall be necessary to pay money in advance on contracts made, or for work begun but not completed, the mayor upon being satisfied of such necessity may draw his order upon the treasurer for a sum not exceeding five hundred dollars at any one time, taking security for the same.

SECTION 9. Whenever any money shall be drawn from the treasury for the purposes specified in the preceding section the city clerk shall report the same and the amount thereof to the committee on accounts and claims at their next meeting, and shall charge the same under the appropriate head of expenditures.

SECTION 10. All city officers who shall in their official capacity receive any money in behalf of the city, shall pay to the treasurer, through the office of the city clerk, the amount in their hands once a month, or oftener if required, except the collector of taxes who shall make payment direct to the city treasurer whenever the sum in his hands shall amount to five hundred dollars.

All other persons who shall at any time have money in their hands belonging to the city shall forthwith pay the same to

the treasurer, through the office of the city clerk.

Duplicate receipts shall be made for all monies paid to the treasurer through the office of the city clerk, the original of which shall be given to the person making the payment and the duplicate shall remain in the office of the city clerk.

SECTION 11. All city officers and agents receiving money in behalf of said city shall deliver to the city clerk, once in three months, a report of the amount received, and what disposition has been made thereof, except in cases otherwise provided.

SECTION 12. The city treasurer shall keep in a book provided for the purpose, an accurate and true account of all his receipts and payments on behalf of the city, making the same conform in mode of entry as near as may be with the accounts kept by the city clerk. He shall not pay any money out of the treasury except upon orders of the mayor, drawn in the form prescribed in the fifth and seventh sections. He shall at the end of each six months certify to the city clerk all amounts by him paid for maturing bonds, interest, state or county taxes, or any other purpose for which he has not received an order countersigned by the city clerk, and the city clerk shall enter each of said amounts in the ledger under its appropriate head as provided in section four. He shall, when required, lay before the city council a statement of the condition of the treasury, and of all moneys received and paid by him on city account. Whenever he is authorized by the city council to borrow money on the credit of the city, all notes and certificates of indebtedness given therefor shall be signed by the mayor and city treasurer and countersigned by the city clerk, and all such notes and certificates shall be registered in books kept for that purpose in the offices of the city treasurer and city clerk respectively. Such registers shall describe such notes, and certificates by number, date and amount, the name of the person to whom payable, when payable, the rate of interest, and the date of the ordinance or resolution authorizing the same, and no such note or certificate shall be valid until such record shall be made; and the same when paid, with the date of the payment, shall be entered on each of said registers.

SECTION 13. There shall be appointed at the commencement of each municipal term a committee on finance, consisting of the mayor and two members of the council, which committee shall negotiate all loans to the city which shall be authorized by the city council, and shall report the same to the city treasurer.

SECTION 14. The committee on finance shall at the close of each financial year prepare and lay before the city council an estimate of the amount of money necessary to be raised for the ensuing financial year. Said estimate shall set forth the detailed appropriation for the departments of the city, and the ways and means of raising the same. The committee on finance shall also at the close of each financial year prepare and lay before the city council a statement of all the receipts and expenditures of the preceding financial year, and in detail the amount of appropriation and expenditure for each department. The said statement shall be accompanied with a schedule of the property, real and personal, belonging to the city and the value thereof and the amount of the city debt.

It shall be the duty of the head of each department, board and commission to present to the mayor and council, through the Finance Committee a detailed account of appropriations and expenditures made by their department, board or commission, together with a written report summarizing the work for the said department, board or commission during the fiscal year. These reports shall be submitted each year prior to the regular February meeting of the mayor and city council.

The head of each department, board and commission shall also submit to the finance committee before February 15th of each year a proposed itemized budget for the ensuing fiscal year with a written explanation of the itemized budget, and an explanation of the proposed program for the ensuing fiscal year.

SECTION 15. Before the mayor and city council shall vote additional appropriations to any department, or before they shall vote monies to other than a city department for appropriations to any department, for a public purpose they shall receive a complete and detailed account from the department, person or organization concerned which account shall be reviewed by the city auditor and city solicitor and their approval or disapproval noted thereon.

SECTION 16. The city treasurer shall make up his accounts to the sixteenth day of February, and the financial year shall begin on the sixteenth day of February in each year.

SECTION 17. *Separability.* It is the intention of the City Council that each separate provision of this ordinance shall be deemed independent of all other provisions herein, and it is further the intention of the City Council that if any provision of this ordinance be declared invalid, all other provisions thereof shall remain valid and enforceable.

SECTION 18. This Ordinance shall take effect upon its passage.

Passed and approved December 27, 1948.

Albert A. Parmentier
Mayor

RESOLUTIONS

ending February 15, 1949

passed during the Year

+ + +

A RESOLUTION AUTHORIZING TEMPORARY LOANS TO AN AMOUNT NOT EXCEEDING THREE HUNDRED THOUSAND DOLLARS IN ANTICIPATION OF TAXES OF THE PRESENT MUNICIPAL YEAR.

Resolved by the City Council of the City of Laconia, as follows:

That for the purpose of meeting current expenses of the City, the City Treasurer be and he hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$300,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loan subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date. Said notes shall be signed by the Mayor and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This Resolution shall take effect upon its passage.

Passed and approved June 1, 1948.

Albert A. Parmentier
Mayor

A RESOLUTION ON THE DEATH OF GEORGE N. HUBBARD.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS the Mayor and City Council of the City of Laconia have learned with deep regret of the death of George N. Hubbard; and

WHEREAS George N. Hubbard faithfully and efficiently served the City of Laconia as Chief of Police from 1932 until his death; and

WHEREAS George N. Hubbard, as Chief of Police, did conduct himself in such a manner as to bring credit to both himself and the City of Laconia; and

WHEREAS the Mayor and City Council desire to officially recognize the outstanding service rendered the City of Laconia by the late Chief George N. Hubbard,

BE IT RESOLVED, that the Mayor and City Council of the City of Laconia extend to the family of George N. Hubbard their deepest sympathy; and express to the family of George N. Hubbard their sincere appreciation for the services rendered both within and beyond the call of duty to the people of Laconia by George N. Hubbard; and

BE IT FURTHER RESOLVED, that this Resolution be engrossed upon the permanent records of the City of Laconia, and that a copy of this Resolution be sent to the family of the late George N. Hubbard.

Passed and approved this 28th day of June, 1948.

Albert A. Parmentier
Mayor

A RESOLUTION AUTHORIZING THE ISSUANCE OF BONDS FOR PERMANENT IMPROVEMENTS AND DEPARTMENTAL EQUIPMENT.

Resolved by the City Council of the City of Laconia, as follows:

That bonds of the City of Laconia are hereby authorized to be issued, to be signed by the Mayor and countersigned by the City Treasurer, and to have the seal of the city affixed thereto, for a sum not exceeding two hundred and twenty-five thousand dollars for the purpose of constructing highways, sidewalks, surface drains, sanitary sewers, and other public improvements of a permanent nature, and for the purpose of purchasing departmental equipment of a lasting character as shall be determined upon by the City Council to be needed; such bonds shall be serial bonds extending for a period of twenty years from the date of their issue, and shall be made payable to bearer with interest coupons attached, and an amount of \$15,000.00 of said bonds shall be taken up annually for the first five years and an amount of \$10,000.00 of said bonds shall be taken up annually for the remaining fifteen years from the date of their issue.

That said bonds shall be payable in accordance with the laws of the State of New Hampshire, and the place of payment and the rate of interest, shall be determined by the Mayor and Council.

That the City Treasurer be instructed to ask for bids for the purchase of said

bonds, such bids to be submitted to the Mayor and Council for action.

This Resolution supersedes the Resolution dated June 1, 1948.

Passed and approved July 12, 1948.

Mayor

A RESOLUTION ON THE DEATH OF CHARLES LEROY SIMPSON.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS the Mayor and City Council of the City of Laconia have learned with deep regret of the death of Charles Leroy Simpson; and

WHEREAS we are desirous of expressing our deep appreciation for the many services he rendered to the people of the City of Laconia; and

WHEREAS we further desire to officially recognize his services as a former member of the City Council of the City of Laconia,

BE IT RESOLVED, that we extend to his bereaved family our deepest sympathy; and express our appreciation for the work done by Charles Leroy Simpson in behalf of the people of the City of Laconia; and

BE IT FURTHER RESOLVED, that this Resolution be engrossed upon the permanent records of the City of Laconia, and that a copy of this Resolution be sent to the family of the late Charles Leroy Simpson.

Passed and approved this 28th day of June, 1948.

Mayor

A RESOLUTION ON THE DEATH OF EDISON H. KENNEDY.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS the Mayor and City Council of the City of Laconia have learned with deep regret of the death of Edison H. Kennedy; and

WHEREAS Edison H. Kennedy was for more than thirty years an engineer in the Laconia Fire Department and did faithfully serve his fellow citizens both as a fireman and a private citizen; and

WHEREAS the Mayor and City Council desire to express their appreciation for the services he rendered the people of Laconia,

BE IT RESOLVED, that the Mayor and City

Council extend their deepest sympathy to his family; and express their appreciation for the services rendered by Edison H. Kennedy; and

BE IT FURTHER RESOLVED, that this Resolution be engrossed upon the permanent records of the City of Laconia, and that a copy of this Resolution be sent to the family of the late Edison H. Kennedy.

Passed and approved this 28th day of June, 1948.
