Dear Husband,

I have a severe head-  
ache to night - but must write to you because I  
havnt written this week. I have been to an auction  
to-day for the first time in my life. And bid off  
an all wool blanket for \$1.18, so you see I mean to  
sleep warm this winter. Mr Houtchins has enlisted  
and sold all his things all but his real estate &  
. I tell you darling I am tired. I went to the office  
this ~~forenoon~~<sup>morning</sup> and didnt get back until almost  
noon, then I cooked the beef-steak for dinner  
I always think how ~~you~~ I used to cook it for you when  
I have it) and then went over to the auction  
and staid till almost-dark. I was well paid for  
going to the office, because I got your letter dated  
by 25<sup>th</sup>. I guess you'll think the Dr<sup>is</sup> never coming  
back by this time. I saw Ettie at the store to-day
