# The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 6:30 P.M.

*To the Inhabitants of the Town of Barnstead in the County of Belknap in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Barnstead Town Hall in said Barnstead on Tuesday, the 8th (Eighth) day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.  
The second session for purpose of discussing and voting upon the Articles of the Town Warrant shall be held on Saturday, march 12th, 1988 at 1:00 P.M. at the Barnstead Elementary School, and for all other business to come before the Meeting.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money, provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provision of RSA:32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95b.
5. To see if the Town will vote to use the Revenue Sharing Fund of Twenty-Two Thousand Nine Hundred Fifty-One and no/100 Dollars, (\$22,951.00), to defray part of the Crushed Bank Gravel item of \$37,951.00.
6. To see if the Town will vote to appropriate and raise the sum of Six Thousand and no/100 Dollars, (\$6,000.00), to establish a Capital Reserve Fund to be known as the Police Cruiser Capital Reserve.
7. To see if the Town will vote to change the name of "The New Equipment", trust fund to "The Highway Equipment Fund". This article change was requested by the Attorney General's Office.
8. To see if the Town will vote to accept the sum of Three Hundred and no/100 Dollars, (\$300.00), from Alice LaBrecque with the interest to be used for

perpetual care of the Hiram T. Pitman lot in the Pitman Cemetery in Center Barnstead, N.H.

9. To see if the Town will vote to accept the sum of Seven Hundred and no/ 100 Dollars, (\$700.00), with the interest to be used for perpetual care of the Frank W. Foss and Florence Foss Lot in the Riverview Cemetery, Barnstead, N.H.

10. To see if the Town will vote to accept the 175 Trust Funds, with the interest to be used for perpetual care of lots in the Riverview Cemetery. The total of these funds are \$35,405.00 These funds have been formerly held by the Riverview Cemetery Association.

11. To see if the Town will vote to accept the sum of One Thousand and no/ 100 Dollars, (\$1,000.00), which is designated for the repair, and or construction of the bridge located on the Welch Road, so-called, and to establish a Capital Reserve Fund to be known as the Welch Bridge Capital Reserve.

12. To see if the Town will vote to sell at Public Auction, any and all property acquired by the Town by Tax Collector's Deed, with the right to accept or refuse any or all bids. The proceeds to go into the General Fund. The Conservation Committee has the privilege of going over the parcels of land prior to the sale.

13. To see if the Town will vote on the following:

"Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes." (by petition)

14. To see if the Town will vote, pursuant to RSA 674:5, to authorize the Planning Board to prepare, and from time to time amend a recommended Municipal Capital Improvement Program to aid the Board of Selectmen and Budget Committee in the preparation and consideration of the annual budget.

15. To see if the Town will vote to have the Moderator appoint a committee of five voters to serve as a library space planning committee, to develop a plan to either renovate or add to the existing building, to meet the expanding needs of the Town.

16. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord Nineteen hundred and Eighty-Eight.

A true copy of Warrant—Attest:

Selectmen

PAUL A. GOLDEN

ELEANOR M. SMITH

LEONARD G. TASKER

## REPORT OF OSCAR FOSS MEMORIAL LIBRARY

A library is a place for research, a place for learning, and for reading for enjoyment. The Oscar Foss Memorial Library in Center Barnstead is no exception and the statistics prove it. Again this year, circulation and patron registration increased. Almost 400 volumes were purchased to help keep up with the demand. A number of inter-library loan requests were handled and as always our patrons' needs were the Library's primary concern.

A number of small building maintenance jobs were performed and we continue to add to the Capital Reserve Fund in order to renovate the basement area and make it more serviceable.

As part of the Statewide Development Program of the State Library, we are required to review and revise our Library Policy every five years. This was done this year and we have met the requirements of the Public Library Standards at an Associate Level.

This year the Oscar Foss Memorial Library also proved that the Library is even more than a place for research, learning and reading. Two very successful arts and crafts exhibits were on display at the Library; one in the Spring and one in the Fall. A number of very talented local people brought in their handiwork and we saw everything from Stained Glass to Ukrainian Easter Eggs. We were very pleased to enhance the decor in the Library with all of these beautiful items and hope to continue this idea. Taking the arts and crafts one step further, Sally Cook, Assistant Librarian, organized two classes that were taught at the Library in the Fall. One was Basket-weaving and the other was Pierced and Cut Suncatchers. Again, this was so successful that both classes had to be extended to two classes each.

Last, but not least, in the Library's "extra" activities was a wonderful summer program. Many, many young people participated in either the Reading Program or Story Hours. The last Story Hour had a record crowd attend a performance of the Little Red Wagon's, "Caravan". At the end of the program, those children who participated in the Reading Program received their awards and every child in the crowd received a helium-filled balloon from a very colorful clown.

Our staff at the Library consists of Susan Conrad, Head Librarian; Sally Cook, Assistant Librarian; Mary Thorne, part-time and Barbara Knowles, a very dedicated volunteer.

If you are not a patron of the Library, please stop by and check things out. As you can see, we have books, magazines, records, reference books, copy service and a whole lot more!

Respectfully submitted,

Susan T. Conrad, Librarian

# BARNSTEAD POLICE DEPARTMENT

1987 was another year that tested the resource availability of the Barnstead Police Department.

Crimes Against Property	Up	48%
Crimes Against Persons	Up	38%
Crimes Against the Peace	Up	9%
Community Services	Up	19%
Court Cases	Up	125%

This dramatic increase in service demand is attributable to the population growth through development, economics, crime rate increase, and State Law mandates.

Service demand increases cause a corresponding need for personnel. The present manpower strength of your Police Department provides you with daily officer availability of 17.2 hours. the remaining 6.8 hours of the day are covered on a standby basis where the officer responds to calls for service from his/her home.

The hazards of providing police services were evident to me when on July 2, 1987, I was struck headon by a motorist while investigating another accident. I am grateful to the officers of the Barnstead Police Department, Selectmen, Ambulance and Fire Personnel and the many Townspeople for their concern and help during a very difficult time.

I stand ready to provide you the service you deserve and expect. I wish all the very best in 1988.

Respectfully submitted,

Gene A. Omundsen  
Chief of Police

# REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectment for timber tax forms.

# REPORT OF THE CONSERVATION COMMISSION

Another year has gone by, there is no slow down evident that the building boom and consequent population explosion has even slowed down. So far there are few signs that Barnstead's environment has suffered any permanent damage. But our concern is still the protection of our most valuable resource the water in our lakes, ponds, wetlands and ground water.

We have stated before, the Commission accepts well ordered growth but not at the expense of a polluted environment. There is evidence that population over which we have no local control is having effect on our maples and other trees. So we should back any effort by any agency to do anything to put an end to this calamity.

Plans are made to improve the road in to the Town Beach on Upper Suncook this year and clean up unsightly debris from the lumber operation.

# REPORT OF THE BARNSTEAD PLANNING BOARD

During calendar year 1987, the Barnstead Planning Board approved 19 separate subdivisions of land, which created 66 new building lots.

Because of an increased number of applications the Board now holds regularly scheduled meetings on the first and third Thursdays of every month and a work meeting is usually scheduled on the Wednesday following the third Thursday. All meetings are open to the public, and all meeting minutes are on file in the Selectmen's office. A separate file for "findings" is also posted and maintained according to law.

At the present time the Planning Board is engaged in updating the subdivisions and reflect any State regulations which may apply. The job of reviewing the subdivision regulations has been contracted to a natural resource consulting firm known as IEP, Inc., for the sum of \$2,000.00.

In the up coming months the Planning Board will continue the process of reviewing and updating with regard to the Master Plan, Zoning Regulations, and the Site Plan review process. Updating the Master Plan will be done in cooperation with Lakes Region Planning commission and will require matching funds from the Town.

In 1987 the Board welcomed new members Floyd Carson and Francesca Dupee. Because of Francesca's knowledge and background in the field of State Planning, the Barnstead Planning Board has become much more in tune with State laws and regulations.

David Murley was appointed to fill the vacancy on the Board created when Fred Goodrich resigned. David has a thorough knowledge of fire protection, and has provided a great deal of insight on this subject whenever a new subdivision comes before the Board.

Martin Wilson was appointed as an alternate member, and because he is a Civil Engineer, has been able to aid the Board repeatedly in reviewing subdivision applications.

In summary, the Barnstead Planning Board is strong, determined, and very diversified. With the cooperation and indulgence of the citizens of Barnstead, the Planning Board can insure that the rigors and stress of growth can be dealt with in a legally defensible and professionally appropriate manner.

# BUILDING INSPECTOR'S REPORT 1987

There were 204 Building Permits issued in 1987. 112 of these were for new homes. Out of the 112, twenty of these permits have had no action. Some of these may become active as the permit at the present time is valid for one year.

New homes alone have added approximately 7.75 million dollars to the worth of Barnstead.

There were 3 permits issued for mobile homes which are not included in the above data.

One permit was taken for a commercial business which is complete and operating. A permit taken for a commercial business had no action (taken Feb. 4, 1987). Another was taken for a Church in So. Barnstead which is still under construction.

Respectfully submitted,

Eldon "Bud" Heath  
Building Inspector

# STATE REPRESENTATIVE'S REPORT

Paul A. Golden, State Representative  
Belknap County, District #7 — Town of Barnstead

The 1987 Legislature concluded deliberations on proposed bills of legislation in May of 1987. A complete sigh of relief was of a temporary nature for some Representatives, due to the re-referral of bills to sub committees and to be studied for presentation prior to the 1988 regular session.

Municipal and County Government Committee of which I am a member, received 12 bills for interim study assigned to delegated sub committees assigned to a committee to study 5 of the bills, and as sub committee chairman on 3 of the bills, our work did not terminate until the latter half of October 1988.

This process allows a more in depth study of the proposed legislation, with added input from interested parties, with the option of the sub committees to acquire information from sources generating more conclusive input to the issue.

It was the jubilant experience of my assigned sub committee to have had 1 piece of proposed legislative action under study, resolved in a very amicable manner, with positive satisfaction to all concerned parties. This was accomplished by an extended time frame to the concerned parties, and the consensus of a more common sense approach to be exercised on their behalf because the committee placed paramount emphasis on the legislation at the first hearing.

An unbiased response has been made on my behalf, to address issues presented to me, from many New Hampshire residents. Belknap District 7 is designated as my District of Representation primarily the Town of Barnstead, however it has been determined that every proposed legislative issue becomes a shared responsibility of each and every elected Representative to the General Court.

Attendance in Committee, Sub Committee, and the General Assembly documents 100% on my behalf, and in the striving effort to accomplish this it has been my ultimate goal to document common sense responsive representation of the same value to my constituents of District 7, as well as the State of New Hampshire.

I has been, and will continue to be a pleasure to offer responsive representation to you.

Respectfully submitted,

Rep. Paul A. Golden
