ANNUAL REPORTS OF THE TOWN OFFICERS

BROOKFIELD NEW HAMPSHIRE 1995

For the fiscal year ending December 31, 1995
Vital Statistics for 1995

Town of Brookfield

Carroll County

New Hampshire

1995 ANNUAL REPORT

Dedication

*This town report is dedicated to
Norman Royle*

As he celebrates his 90th birthday this year, so does Brookfield celebrate his immeasurable service and dedication to the town.

During the last 30 years, Norman has occupied most of the elected positions in town, including Selectman, and he continues to do a considerable amount of volunteer work for the community. Currently, as the Assistant to the Selectmen, he is an invaluable asset to both the selectmen and the town by keeping us all "on track" - all while maintaining that wonderful sense of humor!

Norman, a heartfelt Thank You from all of us!

Town Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Brookfield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Brookfield on Tuesday the twelfth day of March, next, at seven of the clock in the evening to act upon the following subjects:

Polls will be open from 1:00 to 6:00 P.M.

1. To choose all necessary Town Officers for the coming year. (By Ballot)
2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the 1996 taxes. (Majority vote Required)
3. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the Expendable General Fund known as the Town Buildings Maintenance Fund. (Majority vote Required)
4. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund for Town Road Equipment. (Majority Vote Required)
5. To see if the Town will vote to raise and appropriate the sum of \$676.00 for Carroll County Mental Health. (Majority vote Required)
6. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Huggins Hospital. (Majority vote Required)
7. To see if the Town will vote to raise and appropriate the sum of \$1,690.00 for the Visiting Nurse Association - Hospice of Southern Carroll County and Vicinity. (Majority vote Required)
8. To see if the Town will vote to raise and appropriate the sum of \$1,250.00 for the Tri-County Community Action Program. (Majority vote Required)

9. To see if the Town will vote to raise and appropriate the sum of \$450.00 to help finance the Wolfeboro Area Meals on Wheels Service. (Majority vote Required)
10. To see if the Town will vote to raise and appropriate the sum of \$14,080 for the Wakefield Fire Department, and \$500.00 for forest fires. (Majority vote Required)
11. To see if the Town will vote to raise and appropriate the sum of \$29,215 for use of the Sanbornville Landfill, with an additional sum of \$2,500 to be raised for the use of the Seepage Lagoon. (Majority vote Required)
12. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve Fund for Landfill Closure costs. (Majority Vote Required)
13. To see if the Town will vote to raise and appropriate the sum of \$5,000 for Brookfield's share of maintenance of the Wakefield Area Ambulance expenses. (Majority vote Required)
14. To see if the Town will vote to authorize the Selectmen to contract with the Town of Wakefield for police protection at a cost of \$56,199. (Majority vote Required)
15. To see if the Town will vote to raise and appropriate the sum of \$2,800.00 for the Gafney Library Incorporated. (Majority vote Required)
16. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the installation and repair of three dry fire hydrants. (Majority vote Required)
17. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in the Capital Reserve Fund for a Town Meeting Building. (Majority Vote Required)
18. To see if the Town will vote to raise and appropriate the sum of \$3,894.00 for the purpose of updating the Tax Maps to a digital (computer) format. (Majority vote Required)

19. To see if the Town will vote to raise and appropriate the sum of \$250.00 to establish a scholarship fund to be awarded annually to the Brookfield student graduating from high school with the highest grade point average. Said fund shall be administered by the Trustee of the Trust Funds and shall receive donations from fund raising activities that may take place for this purpose. (Majority vote Required)
20. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for the purpose of completing an update to the Town Appraisal performed in 1991 to reflect more current market realities. (Majority vote Required)
21. To see if the Town will vote to approve the replacement of the Sanborn Road Bridge with a "recreational" bridge specifically designed not to accept vehicles larger than a snowmobile. Expenditures shall be funded by and limited to the balance of the "Sanborn Road Fund".
22. To see if the Town will vote to return any remaining balance of the Sanborn Road Bridge Fund to the general fund. (Majority vote Required)
23. To see if the Town will vote to change the classification of Tumble Down Dick Road from the current classification of a Class 6 road to a Class 5 road to summer camps as provided in R.S.A. 231:81 from what is now or formally Mattock's Property to the Camp Road. (Majority vote Required)
24. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies, and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19. (Majority vote Required)
25. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95b. (Majority vote Required)

26. To see if the Town will vote to ban the use of Snow machines on the Tumble Down Dick Road beginning at the entrance of the Mountain Road up to the further side of the Thomas property boundary line. The one exception would be that snow machines would be allowed to crossover the Dick Road. Effective date to be Oct. 1, 1996 (By Petition)

27. To see if the Town will vote to raise such additional sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for same, as set forth hereafter. (Majority vote Required)

Treasurer's Report

January 1, 1995 to December 31, 1995

During 1995, the Town borrowed \$100,000 in May and again in November in order to meet expenses. The loans were repaid before the end of June and December respectively. Total interest costs were \$1,250.00, which is \$334.17 more than last year; our loans had to be taken out slightly earlier in the year to pay the bills from the Town of Wakefield for fire, police, and ambulance protection, and for the landfill and septage access.

The Town bought property and yield taxes in the amount of \$99,936.64. This amount is not included in the following reports as either revenues or expenditures. A portion of those liens have been redeemed, and that portion is reflected in the reports.

Reminder: There will be a \$10.00 fee charged for any check returned by the bank for insufficient funds. Payment of the fee and the check must be made in cash or by certified check or money order.

The reports that follow are true summaries taken from the books of the Treasurer for the period from January 1, 1995 through December 31, 1995, and are complete to the best of my knowledge and belief.

Harriet K. Wilson
Treasurer

James F. Whittemore
 Codes Enforcement Officer

Report of the Planning Board

The Planning Board had one piece of business this year; the subdivision of the Churchill property, in which two eleven acre lots were subdivided from the main property.

The main effort this year was to develop a new comprehensive zoning ordinance to conform with the present enabling legislation that the state has developed in recent years. We also thought it necessary to update the building code to address the changes that have taken place over the years. However, the board decided it needed more time to finalize the changes and will not present them to the town at this time.

Respectfully submitted,
Leonard Chase, Chairman
Planning Board

Wakefield Area Ambulance Corp.

The Wakefield Area Ambulance Corps responded 29 calls in Brookfield in 1995. Of those calls, 20 were for home accidents or illness, 5 were for motor vehicle accidents and 5 were for standby at a fire. Of the 29 calls, 17 were for transportation to area hospitals.

The Corps has 20 members, of which 15 are Emergency Medical Technicians (EMTs) and 4 are licensed as First Responders. Of the 15 EMTs, 8 are qualified for defibrillation, 2 are qualified for intravenous treatment and 1 is qualified for limited drug treatment.

During 1995 the Corps logged over 2,600 hours of voluntary service for calls and training with no compensation other than their personal pride and satisfaction of helping others in need.

Please remember the Corps still holds a free monthly blood pressure clinic the first Wednesday of each month from 10:00am to noon at the Branch River Common in Wakefield.

Respectfully Submitted,
Malcolm H. Kurth
Director

Wakefield Police Department

Brookfield Report 1995

Wakefield and surrounding areas are experiencing a high number of burglaries, mostly occurring in the daytime at private homes and cottages. Citizens are reminded to lock their homes and vehicles and report suspicious activities.

The new 911 system is working well for us. In an emergency, dialing 911 is the quickest way to contact the police, fire department or ambulance. The 911 system is based on the new house numbering system. Posting your house numbers in a location easily seen from the road will enable responders to locate you quickly. For non-emergency calls, officers can still be contacted 24 hours a day through State Police Communications at 1-800-832-2100.

Officer Timothy Bracket has been selected as the Officer of the Year for 1995. Tim is a 5 year member of this department. He is an EMT, a volunteer firefighter, and a member of the Wakefield Ambulance Corp. During the year, Tim's alertness and quick response has resulted in the arrests of theft and burglary suspects at the scenes of their crimes, and as the suspects were making their getaways. Thank you Tim for a job well done.

Visiting Nurse Association

Hospice of Southern Carroll County
and Vicinity Inc.

The VNA - Hospice of Southern Carroll County and Vicinity, Inc. just finished its Fiscal Year at the end of October. This request for appropriation is based on actual unreimbursable care which was provided by this agency for Fiscal Year 1995. The appropriation for Brookfield is \$1,690.00.

<u>Budget Year</u>	<u># of Visits</u>	<u>Appropriation Request for FY</u>
1994	942	\$2,013
1995	341	\$1,560
1996	824	\$1,690

The total number of visits to your community rose by almost 141.6% while the appropriation shows an increase of only 5.89%.

The reasons for this heavy growth in visits vs. a reduction in the appropriation request will be explained at your 1996 budget hearing which we plan to attend.

Services available now include:

Skilled Nursing	24 hours a day
Home Health Aides	24 hours a day
Physical Therapy	Sunday through Monday
Occupational Therapy	Monday through Friday
Speech Therapy	Monday through Friday
Medical Social Services	Monday through Friday
Hospice Care	24 hours a day
Maternal and Child Health	Birth through age 10 years
Immunization Clinics	Birth through age 18 years
Outpatient Clinic Services	By appointment
Community Health Programs	

Please pass along the sincere appreciation of the agency for the continuing support of your community. The funds received from town appropriations are critical to the continuing viability of VNA-Hospice.

We look forward to continuing the high quality care we provide to the residents of Brookfield.

Sincerely,
Marilyn A. Barba, MS, RN, CNA
Executive Director

Report of the Lakes Region Planning Commission

We had a very busy year forging new regional relationships, providing education and technical assistance and completing major projects. Recent examples of our success include: the submittal of the Lakes Region's top transportation projections to the NH Department of Transportation for use in the State Transportation Improvement Program, a tourism profile of the region, publication of an historic churches book, computerization of all local zoning districts in the region, significant data collection for the Route 16 Corridor Study, and two major reports for the Lake Winnepesaukee watershed, to name a few. As an organization serving the needs of 31 municipalities, the LRPC provides a unique range of services that are not found elsewhere.

The Commission works each year to earn your continued trust and support. Clearly, local involvement is essential for regional success and your backing is paramount if we want to ensure that the Lakes Region receives its fair share of attention and funding. To keep costs down, the LRPC will not increase the overall amount to be raised for the fifth straight year. Any change in your enclosed 1996-97 membership appropriation is due to changes in the weighting of the formula, based on regional population and equalized valuation estimates. With your support we are dedicated to providing effective, responsible services at the lowest cost. Below is a sample of services we provided in the last year.

- Initiated extensive data collection efforts for the Route 16 Corridor Protection Study including land use, employment, traffic counts, regulatory, historic and natural resource information.
- Ordered and delivered to the town the 1994-95 Edition of the N.H. Planning and Land Use Regulation Book.
- Coordinated the annual Household Hazardous Waste Collection, the largest single-day, multi-site collection in the state.
- Co-hosted the annual Municipal Law Lecture series where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Convened a legislative night meeting where legislation affecting the region is presented by legislators and discussed with commissioners.
- Presented public workshops for local land use boards on shoreland protection and economic development. Both workshops were held in cooperation with other organizations such as the N.H. Charitable Foundation, the N.H. Rural Economic Development Council and N.H. Department of Environmental Services.
- Produced newsletters focusing on planning topics and issues relevant to the Lakes Region.
- Advocated the opening of Governor's State Park along Lake Winnisquam as a member of the Governor's State Park Advisory Committee.
- Participated as a member of the N.H. Heritage Trail Advisory Committee.
- Completed the Lakes Region Transportation Improvement Program (TIP) and submitted top regional road priorities to the N.H. Department of Transportation. The TIP is part of the legislated process of developing a statewide transportation program.
- Supported the continued use of modern geographic information system technology for regional and local planning applications.
- Continued to support area economic development policy as a board member of the Belknap County Economic Development Council and Newfound Economic Development Corporation Mitigation Fund Advisory Committee. Provided assistance to economic development efforts in Ossipee, Gilford and Alton.

- Retained regional interest in locating a state sponsored conference facility in the Lakes Region.
- Cooperated with the Lakes Region Heritage Roundtable with a grant from the Scenic Byways Program to prepare a database of selected historic sites in the Lakes Region.
- Prepared a technical report on water quality for Lake Winnepesaukee on behalf of the Lake Winnepesaukee Watershed Project.
- Served as the Lakes Region's data clearinghouse for local communities making U.S. Census, demographic and other statistical data available to local residents.
- Completed a tourism profile of the Lakes Region to help identify the effect of tourism activities on the area economy.
- Collected land use and employment data for the Lakes Region in support of a statewide planning study by the N.H. Department of Transportation.
- Completed a comparative analysis of local land use regulations for towns within the Lake Winnepesaukee watershed with LRPC's Model Ordinance Manual.
- Created a regional transportation advisory committee (TAC) to advise the planning commission on technical transportation issues. The TAC was instrumental in achieving consensus on the top transportation priorities in the region.

Report of Gafney Library, Inc.

We continue to operate the library 22 hours per week on the following schedule, and continue to update our services to the public.

Monday, Wednesday, Friday	10:00 - 12:00
Tuesday	1:00 - 7:00
Thursday	1:00 - 5:00
Saturday	10:00 - 4:00

With regard to our budget, our Endowment Fund is still performing well but some levels of contributions have dropped. We feel that we can cover our expenses without adding to the burden of the taxpayers but we request level funding for 1996.

Again, the Friends of the Wakefield Libraries have been very supportive both with time and energy.

Thank you for your continuing support.

Sincerely,
Board of Directors

Titia Bozuwa
Ruth Fogelin

Lois Hall
John Hraba

Peter Lamb
Alden Young

For further information, please call Ruth Fogelin (522-3612).

Report of the Brookfield Conservation Commission

In addition to the responsibilities and functions conferred upon Conservation Commissions by State Law, the members of your Brookfield organization believe that we have a proper interest in promoting the aesthetic character of the community, that is, in "conserving" the assets of the town. Those assets include our Town House and its grounds, the cleanliness of our public byways, and the natural aspects of the environment in which all of us are fortunate enough to reside.

For the past several years, the Conservation Commission has taken special interest in our Town House. Very prominent in that effort, along with the "Brookfield Bloomers", has been Norman "Gib" Sterling, whose work on the grounds and plantings deserves special notice. It became necessary for Gib to resign from the Commission at the end of 1995, and we already miss him.

In 1993 we began a program called "Town Cleanup Day", and this program continues on. For 1995, it was held in May. Its success was and will continue to be due to the many volunteers who turn out each year with their pickups, tools, and energy. Each year Jim Murphy has provided us with a dumpster at the Town House, and each year it has been filled by our volunteer citizens.

Thanks, Jim, and thanks to all of you. By May of 1995, the rear grounds and shed behind the Town House had become littered with scrap iron, dead wood, trash, and debris which had accumulated over a period of many years. So in addition to the crews of citizens who showed up to clean our roadways, another crew spent most of cleanup day and the day after attending to this special problem. Your selectmen and others worked on this project.

In 1995 we assumed stewardship of the dry hydrant project. The long term goal is to develop a number of dry hydrant fire protection sites in town, located so as to provide geographically balanced year-round hydrant protection in Brookfield. Development of this project should reduce some homeowner insurance rates and provide augmented protection for our community assets. This project was conceived years ago and has languished. The few hydrants which have existed near some of our ponds have long been out of service, rusted away and are equipped with non-standard fittings. A study of potential sites was commissioned by your selectmen and turned over to the Conservation Commission. With the leadership of Fire Warden Doug Vanderpool, the Wakefield Fire Department was contacted and we asked Chief Todd Nason to help us get the job started. We received an immediate enthusiastic response from WFD and before long two new hydrants were in operation. Chief Nason and Deputy Chief Skip Wolfe and a crew of other WFD volunteers drained two ponds and installed two hydrants with stainless steel filters and proper plumbing and fittings compatible with the pumpers at WFD. One is at the Belknap Farm and the other is a Ken Goodrich's property on Governor's Road near Mountain Road. Both property owners were very cooperative and helpful. We plan to continue the project in 1996. We would like especially thank the Wakefield Fire Department for its support.

Respectfully submitted,
Ron Murray
Chairman

Annual Audit Report

We have examined the financial statements of the Town of Brookfield for the year ending December 31, 1995, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and include such tests of the accounting records as we considered necessary in the circumstances.

In our opinion, the financial statements present fairly the financial position of the Town of Brookfield at December 31, 1995, in accordance with generally accepted accounting principles.

Jean E. Albro

Norman H. Royle

Report of the Town Archivist

The activities of the town archivist have focused on the completion of the filing and cataloging of the historic papers which represent the town history and government records from the early 1880s to early 1900s. The formation of an archive advisory committee has resulted in the creation of a mission statement to direct the archivist, as well as short-range and long-range goals, along with strategies and measurable objectives. The advisory committee met in the third and fourth quarters of 1995. The members of the committee are: Connie Buckland, Carolyn Chase, Craig Evans and Harriet Wilson. The volunteer hours working on the archives this year total more than 200 hours.

The archivist extends gratitude to the individuals who have donated historic documents related to the town which they had in their possession or which they obtained. We encourage residents to check their attics, trunks and shoe boxes for photos, letters, receipts, day books, family bibles or whatever - and to consider a donation to the archives, or at least allow us to photocopy what you have.

Respectfully Submitted,

Craig F. Evans

Town Archivist
