TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Fremont on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the report of the Budget Committee and to take such action as the Town deems necessary.
4. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purpose of reconstructing "Bogs Bridge" on the Sandown Road.
5. To see if the Town will vote to raise and appropriate \$200.00 to paint the West side of the Old Meeting House.
6. To see if the Town will vote to raise and appropriate \$200.00 for the repair and maintenance of the Town Hall.
7. To see if the Town will vote to raise and appropriate \$100.00 for insulation and maintenance of the Library.

8. To see if the Town will vote to establish a Capital Reserve Fund for the Town Dump in order to comply with the Revised Statutes Annotated by July 1, 1971, and to raise and appropriate the sum of \$2,000.00 for same.

9. To see what action the Town will take by ballot on the following question: "Shall the assessed values of individual parcels of real estate be published each even numbered year beginning in 1970?"

10. To see if the Town will vote to authorize the Selectmen to sell at private sale or public auction property acquired by Tax Collector's deed.

11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

12. To see what action the Town will take by ballot on the following question: "Shall the provisions of Chapter 171-A of the revised laws relating to Beano be adopted in Town?"

13. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of repairing and replacing the stage scenery in the Town Hall.

14. To see if the Town will vote to raise and appropriate the sum of \$300.00 to increase the Police Department appropriation.

SELECTMEN'S REPORT

The Selectmen, in behalf of the townspeople, want to thank all the civic organizations and others in Fremont who have donated their time in various ways to make our Town a better community.

New equipment has been added to the town offices to facilitate our work. Within the past two years we have added: a new microfilm reader, a large storage cabinet, a microfilm card file, an electric adding machine, a new typewriter for the Town Clerk, and a new fireproof file cabinet. We have also increased the electrical outlets in the town office and added more efficient lighting.

At this time we want to thank everyone for their patience while we were reassessing the real property and setting up the new inventory card system. This system, if kept current, should help equalize our tax burden until such time as we may get relief from some other source.

The Planning Board during the past three years has been actively trying to help preserve our "open space" and regulate the Town's growth for the public welfare.

The Selectmen in cooperation with the Historical Society, attempted to preserve the Old Town Pound but the ruling was not in our favor.

Our new Conservation Commission has been active and we sincerely hope that everyone will support both this Commission and the Planning Board as they work together in guiding the Town's growth. We are in the Seacoast Regional Area which is developing rapidly and will soon be, if not already, caught in the population explosion.

One area of concern which the Town should be thinking

about, while the land is reasonable and available, is the location of a future site for a sewage treatment plant and water facilities. Now is the time to plan for the future.

Respectfully submitted,

EARL F. TURNER,
GEORGE F. ROGERS,
PEARL M. DAVIES,
Selectmen of Fremont

REPORT OF THE AUDITOR

I have examined the accounts of the following Town Officers: Town Clerk, Tax Collector, Treasurer, Selectmen and Trustee of Trust Funds of the Town of Fremont, New Hampshire for the calendar year ending December 31, 1968.

All accounts were found complete except that many supporting vouchers were missing as a result of sending them out to be receipted and vendors failing to return them. Suggestion has been made not to mail vouchers in the future.

Respectfully submitted,

HERMAN OSTENDORF,
Town Auditor

FOREST FIRE REPORT

The year of 1968 has been a splendid one for us in Fremont. We had a few grass and brush fires but they were very small. The largest grass fire we had was over at the Keniston Tree Farm and Herbert Wilbur's. About two and one-half acres were burned over on Friday, December 13th. This fire was set by two hunters.

In 1968, the State Forest Fire Service gave to every Warden and Deputy Warden who had served his Town and State of New Hampshire for 15 years of service or more, a small lapel badge and a certificate of merit. For service of 15 years to 24 years of service a silver badge and for 25 years or more a gold badge was given. Lawrence Pettengill, Curtice Sanborn and Clarence Philbrick each received a gold badge and certificate of merit for 25 years or more.

Please do not do any burning of any kind between the hours of 9 A.M. and 5 P.M. unless it is raining or there is snow on the ground. It is still necessary to get a permit to burn ANYTHING AT ANY TIME.

The following part was taken from The Forest Fire Service Newsletter #3.

"A review of the season's statistics reveals that of the 20 Northeastern Area States, New Hampshire ranked twelfth in prevention and first in suppression. These data were based on the number of fires per area protected and average size per fire."

TAKES LITTLE SENSE

It takes only a little sense to avoid forest fires, but a lot of dollars to put them out.

As Smokey would say, "Be my Guest, but PLEASE, Only YOU can prevent Forest Fires!"

RALPH STEVENS,
District Chief

CLARENCE PHILBRICK,
Fire Warden

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To **never** discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burn-

ing of household rubbish on **grass** by householders between 9:00 A.M. and 5:00 P.M.

- c. Have equipment on hand to control the **fire** before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	Number of Fires	Woodland acres burned
State	593	349
District	119	197
Town of Fremont	3	1

REPORT OF THE FIRE CHIEF

The Association has been very helpful to the Fire Department. They helped to buy the pump that went on Tanker #3; they paid to have the pump installed; they bought a new ventilation fan for house fires and paid for the lights we used on the Fire House over Christmas and New Year's. The Fire Department would like to thank the Association for their help in 1968.

I would like to speak about the money the Fire Department has to spend. I have heard through the "Grapevine" that a number of people like to know what we spend our money on. Well, those people can go to the Selectmen's Office, when they are there and look at the books and they will find just how our money is spent.

The Fire Department would like to thank Mr. and Mrs. Arthur Courteau for the three new folding cots they gave to the Department.

The Fire Department went to a number of parades in 1968 and I hope that we will not go to so many in 1969.

We had a splendid year in 1968, very quiet and that is the way we like it.

I would like to thank everybody for being careful with fires of all kinds.

In the year 1968, we did not have any home fires. What fires we did have, in another building, was under \$100.00 damage.

Respectfully submitted,

CLARENCE PHILBRICK,
Chief of Fire Department

REPORT OF THE POLICE CHIEF

The Fremont Chief of Police would like to report:

1 arrest for narcotics

79 house calls

17 car accidents, one of which was quite serious

3 arrests for assault and battery

Don's Market lost \$2,200. It was recovered by Chief Bolduc.

"Vic's" Barber Shop was found to have lost \$26.00. This amount also was recovered by Chief Bolduc.

I am very proud to announce that three of our men were graduated from the Law Enforcement School in Exeter, New Hampshire.

Chief of Police, Joseph Bolduc, Sr. 1968

Deputy Police, Harold Davies 1968

Deputy Police, Fred O'Brien 1968

Deputy Police, Raymond Thomas was also graduated in 1967.

Again, I would like to commend my deputies for their excellent work and co-operation.

Respectfully submitted,

JOSEPH G. BOLDUC,
Chief of Police

REPORT OF THE HEALTH OFFICER

I have investigated all complaints and have made all the necessary corrections.

I have also inspected all public places in town.

This is my last year of serving the Town of Fremont as Health Officer and I would like to thank my fellow townspeople for their cooperation.

STEWARD CARMICHAEL,
Health Officer

REPORT FROM FREMONT CONSERVATION COMMISSION

A Conservation Commission was formed in Fremont in 1968 with three following appointments made by the Selectmen, William Butler, Elmer Schramm, and John Gieroch. Unofficial meetings were held through the Summer and in the Fall the Commission got underway with elections.

William Butler was elected chairman; Elmer Schramm, Treasurer and John Gieroch, Secretary.

Immediate plans were to acquaint Fremont citizens with conservation by inviting Floyd Baker, Extension Coordinator of Natural Resources, U.N.H., to give a talk and answer questions. Mr. Barker gave a very interesting explanation, illustrated vividly with colored slides. He further explained many of the benefits of keeping our wetlands and open spaces.

As with all non-profit groups, money is needed in order to carry on any of the Commission's projects, such as acquiring acreage along the river for a town park and recreation area. Opening the "tote" roads for hiking, horse-back riding, fire prevention in the warmer months and snow-mobiles, ski and snow-shoe hikes in the winter. Perhaps, a tree farm from which we could draw trees and shrubs to replace dead or dying trees on our streets or in front of our public buildings.

Funds are possible through organizations both private and governmental. These are matched funds. The Spaulding-Potter Charitable Fund will allow \$250.00 to help the commission get started. They will further match town funds with 50% additional funds. Fifty percent of this total amount can be acquired through U.S. Department of Outdoor Recreational Fund. A simple formula would be \$4,000.00 of town funds and 50% Spaulding-Potter equals \$6,000.00 and 50% ORF equals \$9,000.00. Found money!

There will be more action from your commission through-

out the year. You may be asked to participate in a door-to-door survey or a questionnaire through the mail. We hope the people of Fremont will support this worthwhile cause which does no more than benefit every individual in town.

Respectfully submitted,

JOHN GIEROCH,
Secretary

1968 SCHOOL DISTRICT MEETING

FREMONT, NEW HAMPSHIRE

APRIL 8, 1968

At the school district meeting held in the Fremont Town Hall, Fremont, County of Rockingham, State of New Hampshire, on the eighth day of April at eight o'clock in the afternoon, business was transacted as follows:

At 8:00 P.M. Robert H. Horsburgh, School District Moderator, called the meeting to order and read the school district warrant and the certificate of posting.

If there are no objections the school district moderator asked if the articles might be taken up in the following order — Articles 2, 3, 5, 4, 1, 6, 7. There were no objections so Mr. Horsburgh read Article 2.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. Mr. Walter Turner made the motion that we accept this article as read. Mr. O'Connell seconded the motion and the moderator declared the vote to be in the affirmative.

ARTICLE 3. To choose Agents and Committees in relation to any subject embraced in this warrant. Mr. Walter Turner made the motion that we accept this article as read. Mr. O'Connell seconded the motion and the moderator declared the vote to be in the affirmative.

ARTICLE 5. On petition of ten legal voters (and more): We the voters of the school district of Fremont request that the following article be placed in the warrant for the annual school district meeting: To see if the District will raise and appropriate a sum not to exceed \$28,000 for the purpose of constructing a one-room addition and making necessary alterations in connection with this addition; and

to authorize the school board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this addition to the Ellis School. And in order to provide such funds to authorize the school board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and to delegate the school board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

Mr. Pettengill made the motion that the article be accepted as read. Mr. Crommett seconded the motion. After discussion the Moderator explained and read Article 5 again stating it requires a two-thirds vote for passage. Moderator asked if we were ready for the question. Proceeded with paper ballot using the town check list and with Mrs. Vetter, Town Clerk, assisting the school district clerk. Mr. Horsburgh announced the results of the balloting. 127 ballots cast. There were 2 blank, 45 YES votes and 80 NO votes. Mr. Horsburgh declared the motion, Article 5, defeated.

ARTICLE 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

Mrs. Marguerite Sargeant read the motion, "I move that the sum of \$143,977.00 be raised and appropriated for the support of schools, for the payment of school district officials and agents, and for the payment of the statutory obligations of the District." Mrs. Ruth Anderson seconded.

Mr. Pettengill made the motion that this article be amended so that the district might pay off the balance of the principal of debt from the surplus at the end of the year. Mr. Arthur Davies seconded. Discussion followed. It was said that the figure in Article 4 could be changed to the sum of \$140,407.00 to go along with Mr. Pettengill's proposal.

Voice vote on Mr. Pettengill's motion. It was in the affirmative and so declared by the moderator.

Article 4 was again read and Mr. Horsburgh explained that \$140,407.00 was the figure being used to agree with Mr. Pettengill's motion. Mr. Bassett asked if this total will be reduced by state aid. "Yes," replied Mr. O'Connell. Motion was called for. Mrs. Sargeant said she had already moved on Article 4 but would make motion again as amended and rescind former motion. Mrs. Sargeant, "I move that the sum of \$140,407.00 be raised and appropriated for the support of schools, for the payment of school district officials and agents and for the payment of the statutory obligations of the district." Mrs. Ruth Anderson seconded. Voice vote. It was in the affirmative and so declared by the Moderator.

ARTICLE 6. To see if the School District of Fremont will vote to establish a capital reserve fund for school building purposes, those funds to be made available at such time as the district may decide to build, or add to their present facilities; and to see if the district will vote to permit the school board to contribute to this reserve fund any surplus money that might be available at the close of this school year. Mrs. Ruth Anderson moved "that the School District of Fremont establish a capital reserve fund for school building purposes, these funds to be made available at such time as the district may decide to build or add to their present facilities and to permit the school board to contribute to this reserve fund, any surplus money that might be available at the close of this school year."

Mrs. Marguerite Sargeant seconded the motion. Voice vote. It was declared in the affirmative by the Moderator.

ARTICLE 1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district. Mr. Walter Turner moved that this article be by-passed since it was taken up under Article 4. Mr. O'Connell seconded. The vote was declared in the affirmative by the Moderator.

ARTICLE 7. To transact any other business which may legally come before this meeting.

Mr. Young made a motion to adjourn. Mr. O'Connell rose to second, but no vote was taken as Mr. Butler was on the floor. The Moderator recognized Mr. Butler and asked if Mr. Young and Mr. O'Connell would rescind the motion to adjourn so we might hear Mr. Butler. Mr. Young and Mr. O'Connell rescinded the motion to adjourn.

Mr. Butler made motion as follows: "I move that the school district vote to have the Moderator and the School Board appoint four interested citizens to work with the School Board in the study of school building and curriculum and deliver the said report at the next school district meeting."

Mr. Carl Potter seconded. Voice Vote. The ayes have it, and it was so declared by the Moderator.

Mr. William Butler then moved as follows: "I move that the Fremont School District vote to recommend to the Fremont School Board that they reconsider any existing commitments and to issue the 1969-72 school transportation contract to the local transportation company." Motion seconded by Tim Louis. Moderator asked if ready for the question of Mr. Butler's motion. Voice vote. It is in the affirmative and so declared.

Mr. Young made the motion to adjourn. Mr. O'Connell seconded. Voice vote in the affirmative and the Moderator declared the meeting adjourned at 10:20 P.M.

Florence C. Turner, Clerk
Fremont School District

NOTE: The foregoing is a condensation of the minutes of the meeting as held.

SUPERINTENDENT'S REPORT

To the citizens of Fremont:

As our educational system becomes more and more complex it becomes increasingly more difficult to write a comprehensive annual school report. A worthy discussion of any one of its numerous issues would make it much too lengthy and involved. Therefore, I have chosen to comment on only those issues which seem to be of immediate concern to the citizens of Fremont.

A major problem here, as well as throughout the entire State of New Hampshire, is that of teachers' salaries. The traditionally non-militant New Hampshire Education Association and the National Education Association have assumed a new role and are not providing the leadership to any and all local teachers' groups in an attempt to substantially upgrade teachers' salaries, even to the extent of initiating a "Sanctions Alert" in New Hampshire.

Realizing that Fremont cannot afford to keep pace with some of the larger, more wealthy communities in the area, the school board has offered all degree teachers in Fremont a starting salary of \$5,700 next year. To some citizens this may seem astronomical, however, your school board knows that Fremont must begin such an up-dating program if it is to attract and retain competent teachers. The vast majority of communities in New Hampshire will be starting their teachers at approximately \$5,900 to \$6,000 next September.

In the area of Federal Aid programs, Assistant Superintendent Frank Games has informed me that our federally-aided programs may be in for some changes. He states:

"Last year the title programs were mentioned as a permanent part of Federal support to our education. However, we are faced with a dilemma when we are planning our projects in the various districts. The amount depends on the appropriations made by Congress and they do not always consider

local priorities. For example, we received \$5,300 in 1966-67 under Title II for classroom materials and library books. This year we are limited to \$2,069 and yet our needs in this area have expanded in trying to meet the individual differences.

Our Title I program, with remedial reading teachers in all elementary school districts, has been allotted a sum of \$15,812 for the school year 1968-69, which is \$2,700 less than in 1967-68. Yet a paradox is evident in the fact that new title proposals have emerged in bilingual education, special projects for handicapped youngsters, grants for teachers to study in special education, and Title III innovative practices to develop pilot programs.

What a change in administration in Washington will do is yet to be finalized. A flood of new forms and criteria can be expected as a minimum transitional adjustment to the new party in power. At present we have helped to plan a substantial Title III project in pre-school improvement of school readiness. Dr. Earl Goodman in the Department of Home Economics at the University of New Hampshire has drafted the proposal for the state ESEA committee to consider during March of 1969. This could be of vital concern to all our school districts beginning with Newmarket and Epping.

The State Department of Education is making an examination of elementary school standards. The results will establish recommendations for all the towns and cities of New Hampshire. The criteria will take final form in the foreseeable future. It is our hope that we will be among the accredited school districts when the evaluation program is available for our consideration. The principals are making a determined effort to provide the leadership we need for quality instruction in all areas of the curriculum."

In conclusion it might be appropriate to comment upon the tremendous growth we are experiencing in our Supervisory Union No. 14. Our total enrollment is now approximately 2,600 pupils this year. Sanborn Regional (Kingston-Newton)

leads the way with 1,252; Newmarket has 516, Epping 512, Brentwood 145, and Fremont 135. Our transportation system is enormous with school buses transporting 1,900 children and covering well over 1,200 miles per day. School lunch programs are maintained in five of our schools with approximately 850 pupils participating in this program each day.

The operation of such a large and dynamic organization requires the services of more than 150 teachers, in addition to a countless number of non-professionals such as secretaries, custodians, school lunch workers, bus drivers, etc.

The total 1968-69 operational budget for this unit is \$1,963,273 — a sizeable business in any man's language.

Respectfully submitted,

Francis C. Wilson
Superintendent of Schools
