Cemetery Trustees Iris Campbell, Chairman - 1998 Donald Mellen - 1999 Ernest Butler - 2000

1997 SELECTMEN'S REPORT

Nineteen Ninety-seven was a very busy and productive year for the Town of Hillsborough. The voters of Hillsborough approved at their March Town Meeting a request to build a new Police/Dispatch Center and undertake extensive renovations to the existing Police/Fire Building. Also, approved was a request to build a new recycling/co-mingling center adjacent to the Hillsborough Transfer Station. The two committees that worked very hard to prepare and present the proposals have also represented the Town of Hillsborough during the construction phase of these projects. In late December both the Police and Dispatch personnel moved to their new home. An open house will be planned for sometime in early 1998, following the completion of renovations to the existing Police/Fire Building located on Central Street.

It was hoped that our new recycling/co-mingling center would be in operation by the fourth quarter of 1997. Site work commenced in early summer and was completed in the Fall. However, the committee was unsuccessful in obtaining bids to build the new facility. The construction industry was very busy this past year and most contractors had work already scheduled through most of the year. New bids are being solicited and it is hoped that construction will commence in early Spring. Rules and regulations governing the new facility were adopted and approved and will be implemented once the facility is on line. The Board is asking all citizens to prepare and work with the Town to see that the new recycling/comingling operation is a success from the beginning. Pamphlets have been prepared and distributed over viewing the new program and how it will be implemented. Additional pamphlets are available at the Transfer Station. The Board reevaluated the job positions and descriptions at the Hillsborough Solid Waste Facility which resulted in personnel changes. The Board wishes to welcome Bill Morris as the Facilities Manager and Bob Lamothe as the Assistant. Bill and Bob will be working together to see that Hillsborough's Solid Waste Facility is run smoothly and efficiently. We encourage those who use the facility to welcome them and work with them to see that this operation is in fact well run and efficient.

The Board would like to not only thank but acknowledge the efforts and tremendous time expended by both the Police/Fire Building and Recycling Committees to see these projects through to a successful completion. Throughout this time they have exhibited patience, understanding and a willingness to work with all who became involved with the development and construction of these facilities. In this year's annual report we have listed the names of all members who participated on these committees.

The Town's road reclamation program continued with Preston Street, the upper section of Dump Road and Beard Road being completed this year. Our Highway Department continues to perform admirably and the Board is deeply appreciative of their efforts.

To all of Hillsborough's Town Employees we say "Thank You" for your dedication and support of the Town. This was certainly sensed and observed on Wednesday, August 27, 1997, when the Town of Hillsborough participated in Jeremy Charron's funeral. Many Town employees assisted in whatever way possible to assure that the thousands of law enforcement personnel present would be welcomed and looked after. The Town of Hillsborough shined on that day and deserved to be very proud of itself.

As we look forward into 1998, we see projects being completed and new ones being undertaken. To be completed are the recycling/co-mingling center, paving at both the new Police/Dispatch Center and the parking lot at the corner of Central and Myrtle Streets, and landscaping at both the new Police/Dispatch and Fire Station Buildings. The Town of Hillsborough begins implementing the first of several steps to meet landfill closure requirements. The State of New Hampshire begins the construction of Hillsborough's bypass. The first of five construction phases includes the establishment of wet land mitigation on the east end of the project and breaking ground for road and bridge construction at the east end as well. Development of this bypass will go from east to west with a completion date of September 2002.

The Board of Selectmen wishes for all citizens of Hillsborough a Happy and Prosperous New Year.

Respectfully submitted,

Robert R. Charron, Chairman Mildred A. Mooney D. Greg Maine Selectmen of Hillsborough

State of New Hampshire

TOWN WARRANT

To the Inhabitants of the Town of Hillsborough, County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet in the Hillsboro-Deering Middle School Auditorium in said Town on Tuesday, the 10th day of March, next, at seven o'clock in the forenoon. Balloting on Article One, election of officers will take place between seven o'clock in the forenoon and seven o'clock in the afternoon. Articles Two through Twenty-three will be taken up at 7:30 P.M.

Article 1. To choose one Selectman for three years, Moderator for two years, Town Treasurer for one year, Trustee of Trust Funds for three years, Trustee of the Fuller Public Library for three years, Water and Sewer Commissioner for three years, two Planning Board members for three years, Cemetery Trustee for three years, Supervisor of the Checklist for six years, and all other necessary Town Officers or agents for the ensuing year. (To Be Voted On By The Official Ballot)

Article 2. To hear the reports of the Town Officers, Auditors, Agents, Committees or other officers heretofore chosen or appointed; or to take any other action in relation thereto.

Article 3. To see if the Town will vote to raise and appropriate the sum of One Hundred and Twenty Thousand Dollars (\$120,000.00) for the reconstruction and resurfacing of Dump Road, River Street, parking areas serving the fire and police stations, and to widen and improve the unpaved portion of Gould Pond Road and its junction with Hummingbird Lane. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3, VI. -- or to take any other action in relation thereto. Majority vote required. Recommended by the Board of Selectmen.

Article 4. To see if the Town will vote to raise and appropriate the sum of Two Million, Six Hundred and eighty-seven Thousand, Five Hundred and sixty-six Dollars (\$2,687,566.00) for the operating expenses of the Town including General Government, Public Safety, Highways, Streets and Bridges, Sanitation, Health, Welfare, Culture and Recreation, Debt Service, Operating Transfers Out and all other

current expenses of the Town; or to take any other action in relation thereto. Majority vote required. Recommended by the Board of Selectmen.

Article 5. To see if the Town will vote to raise and appropriate the sum of Forty-Two Thousand Dollars (\$42,000.00) to be added to the Bridge Capital Reserve Fund, previously established. Majority vote required. Recommended by the Board of Selectmen.

Article 6. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the purpose of conducting groundwater testing at the Hillsborough Landfill as required by the New Hampshire Department of Environmental Services. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3. Majority vote required. Recommended by the Board of Selectmen.

Article 7. To see if the Town will vote to raise and appropriate the sum of Twenty-Six Thousand, One Hundred Dollars (\$26,100.00) for the purpose of beginning the closure engineering for the Hillsborough Landfill as required by the New Hampshire Department of Environmental Services. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3. Majority vote required. Recommended by the Board of Selectmen.

Article 8. To see if the Town will vote to raise and appropriate the sum of Six Thousand, Five Hundred Dollars (\$6,500.00) for the purpose of purchasing a tract of land on Preston Street from the State of New Hampshire, located opposite Grimes Field and identified as Tax Map 24, Lot 122, or take any other action in relation thereto. Majority vote required. Recommended by the Board of Selectmen.

Article 9. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of constructing tennis courts, and to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000.00) to be placed into the fund. Majority vote required. Recommended by the Board of Selectmen.

Article 10. To see if the Town will vote to raise and appropriate the sum of Two Hundred and One Thousand, Two Hundred and ninety-seven Dollars (\$201,297.00) for the purpose of operating the Sewer

Department during 1998; said funds to be offset by the income to the Sewer Department of an equal amount; or to take any other action in relation thereto. Majority vote required. Recommended by the Board of Selectmen and the Water & Sewer Commissioners.

Article 11. To see if the Town will vote to raise and appropriate the sum of Three Hundred and seventy-seven Thousand, Eight Hundred and twenty-one Dollars (\$377,821.00) for the purpose of operating the Water Department during 1998: said funds to be offset by the income to the Water Department of an equal amount; or to take any other action in relation thereto. Majority vote required. Recommended by the Board of Selectmen and the Water & Sewer Commissioners.

Article 12. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Hundred Dollars (\$3,500.00), and to authorize the withdrawal of Thirty-Five Hundred Dollars (\$3,500.00) from the Sewer Reserve Account for the purpose of completing Phase Two of a three-phase program to identify and repair extraneous "clean water infiltration/inflow (I/I)" such as ground water or storm water into the collection system of the Hillsborough Sewer System. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3. Majority vote required. Recommended by the Board of Selectmen and the Water & Sewer Commissioners.

Article 13. To see if the Town will vote to raise and appropriate the sum of Thirty-Nine Thousand, Six Hundred Dollars (\$39,600.00), and to authorize the withdrawal of Thirty-Nine Thousand, Six Hundred Dollars (\$39,600.00) from the Sewer Reserve Account, for the purpose of purchasing land on Norton Drive, identified as Tax Map 12, Lot 34, which abuts the current wastewater treatment facility, to provide protection and expansion possibilities, or to take any other action thereto. Majority vote required. Recommended by the Board of Selectmen and the Water & Sewer Commissioners.

Article 14. To see if the Town will vote to ratify the purchase of land by the Town on May 10, 1994, now incorporated as part of Tax Map 5, Lot 117, used for the Water Filtration Facility approved by 1994 Annual Town meeting, for municipal purposes.

Article 15. To see if the municipality will vote to raise and

appropriate the sum of Thirteen Thousand, Three Hundred Dollars (\$13,300.00) for the purpose of computerizing the Fuller Public Library Card Catalog and to authorize the withdrawal of Nine Thousand, Three Hundred Dollars (\$9,300.00) from the Library Computerization Capital Reserve Fund created for that purpose. The balance of Four Thousand Dollars (\$4,000.00) to come from general taxation. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3. Majority vote required. Recommended by the Board of Selectmen.

Article 16. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand, One Hundred and Twenty-Five Dollars (\$13,125.00) for the purpose of supporting the literacy program at the Fuller Public Library, known as Project Lift. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3, VI. -- or take any other action relating thereto. Majority vote required. Recommended by the Board of Selectmen.

Article 17. To see if the Town will vote to sell tax deeded property, consisting of about 11.79 acres and identified as Tax Map 6, Lot 80 and Tax Map 13, Lots 204,206-209, 223, 227, 231-248, 262-278, to the Emerald Lake Village District for Six Thousand Dollars (\$6,000.00), or take any other action in relation thereto.

Article 18. To see if the Town will vote to authorize the Board of Selectmen to sell the Old Town Barn, identified as Tax Map 23, Lot 117, for Thirty-Five Thousand Dollars (\$35,000.00) for the purpose of being used by the United States Postal Service as part of a new post office facility to be located on Central Street; and to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000) for the construction of a storage building to replace the one being sold, or take any other action in relation thereto. This will be a special nonlapsing appropriation for a period of two years per RSA 32:3 Majority vote required. Recommended by the Board of Selectmen.

Article 19. To see if the Town will vote to accept approximately 2,215 feet of Mary Rowe Drive as a Class V Town Road from Gould Pond Road to the existing Class V portion of Mary Rowe Drive as shown on a plan entitled "Mary Rowe Subdivision," approved by the Hillsborough Planning Board on December 21, 1988, or take any other action in relation thereto. (Submitted by petition)

Article 20. To see if the Town will vote to establish a Heritage Commission, as authorized by RSA 673:4-a and defined by RSA 674:44-a, consisting of five (5) members and two (2) alternates. Three members, and two alternates, to be appointed by the Board of Selectmen, one selectman and one ex-officio member from the Hillsborough Center Historic District Commission, or take any other action in relation thereto.

Article 21. To see if the Town will vote to appropriate the sum of not more then \$3,000.00 to plant a 25-foot barrier of fast-growing trees at the end of Myrtle Street Extension, and the town land fill. Submitted by petition. Majority vote required. Not recommended by the Board of Selectmen.

Article 22. To see if the Town will vote to direct the Board of Selectmen to appoint a committee to:

1. Review, research and issue informed suggestions and opinions concerning the revisions to Chapter 229 as recently approved or rejected by the voters,

2. Gather reports, testimony, time frames and any other information available regarding the potential probability of State mandated closing of open water sources of potable water due to increased levels of airborne mercury and lead polluting open waters,

3. If the situation described in paragraph 2 seems imminent, identify, research and prepare cost analysis' of other options such as deep wells far in advance of such mandate so the Town may be prepared, and

4. Address any other matters deemed appropriate concerning the Town drinking water and/or waste treatment. **Submitted by petition.**

Article 23. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 11 th day of February in the year of our Lord, Nineteen Hundred and Ninety-eight.

Robert R. Charron, Chm. Mildred A. Mooney D. Greg Maine Selectmen of Hillsborough, N.H.

TOWN OF HILLSBOROUGH

OFFICE OF SELECTMEN

We hereby certify that on, or before, February 23, 1998 we have posted a true copy of the within warrant at the Town Clerk's Office, the United States Post Office, Hillsboro-Deering Middle School Auditorium, The Corner Store, Williams Store and the Hillsborough Community Building (Selectmen's Office).

Robert R. Charron, Chm. Mildred A. Mooney D. Greg Maine Selectmen of Hillsborough, N.H.

February 25, 1998

State of New Hampshire Hillsborough County

Then personally appeared Robert R. Charron, Mildred A. Mooney and D. Greg Maine and made oath that the above statement is true.

HILLSBOROUGH FIRE DEPARTMENT REPORT

Fire Station addition at rear of facility and training room.

This past year was a busy one for our Department. With our fire calls rising to 199, several arson fires, numerous other calls for service and a major construction project at the station the Department was kept very busy during 1997. We are happy to say that by the time this report is printed we will be back into our newly renovated complex.

We hope that the public will find the time to stop by and view the complex. An open house will take place on March 7, 1998, from 10:00 a.m. to 2:00 p.m. We invite everyone to come by and look it over. Both Fire and Rescue personnel will be available to give a tour.

We, the officers and members, wish to thank all the taxpayers for their support of the building project, along with the numerous contractors who also donated so much of their time and labor to help give us a beautiful complex.

Respectfully submitted, Richard Ritter Fire Chief

HILLSBORO RESCUE SQUAD

For the calender year of 1997 the Hillsboro Rescue Squad responded to 428 calls, up 40 calls from 1996. Again this year they varied in nature from persons needing assistance to delivering our second baby inside this ambulance. We responded to 46 calls with the Fire Department as well.

There are several memories for all of us over the past year, some happy and some sad. We saw the retirement of our Captain, Wally Houghton, his guidance, coaching and over all help will be deeply missed, but we thank him for his 30 years of dedication to the Town, Fire Department and Rescue Squad.

We need to thank everyone for their generous donations through memorials and our mailing campaign, these allowed us to continue for another year to operate strictly on donations and not burden the tax payers through higher taxes.

Hillsborough Fire Department

1997 POLICE REPORT

In 1997 the Hillsboro Police went through several major changes. We have moved into our new facility that was under construction since last Town meeting. The new police headquarters is a building that our Town can be extremely proud of. The department also changed its main computer filing system. The new system is in use by more than 100 agencies of the State. This system will allow the department to operate with much greater efficiency, accuracy and safety.

In the past year we have installed a Crime Line. This line allows citizens to call the police and anonymously leave information that may aid in preventing or solving crimes that occur in our neighborhoods. The Crime Line telephone number is 464-5508.

Our major goal for 1998 is to sharpen the image of your police department. We will strive to give our community the best possible police service. As in the past, we thank you for your support and look forward to working with the community in the coming year.

Activity Report for 1997

Cases handled	2,460
In-Custody arrests	359
Motor vehicle accidents	183
Thefts	106
Assaults	97
Burglaries	42
Total investigations	236

Respectfully submitted,

Frank P. Cate Chief of Police

CENTRAL EMERGENCY DISPATCH

The Dispatch Center experienced an extremely busy year. It was also a year of many positive changes. Call volumes continued to rise as expected and over the last four years our call volume has increased more than 31%. The dispatchers processed more than 35,000 calls, began using a new computer-aided dispatch system and in December moved into the new Police Station. The Dispatch processed the following number of calls for each town:

	Hillsboro	14,207
	Antrim	3,027
	Bennington	1,413
	Deering	1,244
	Washington	740
	Weare	9,254
Total		35,121

One of our primary objectives for 1998 will be to seek

other towns to subscribe to our service and increase revenues. Due to the increased call volume we are requesting the addition of another full time dispatcher. It has become essential to double up shifts and we currently do not have the staff to accommodate these needs. The additional staffing will also assist us in handling the additional call volume should be acquire contract with more towns.

Thank You for supporting the Public Safety Building Project last year. As mentioned earlier the dispatch center moved into the new facility in December. We appreciate your generosity and invite anyone that has not toured the facilities to come and visit.

Respectfully submitted,

Scott Campbell Communications Supervisor

HILLSBOROUGH SOLID WASTE COMMITTEE REPORT

The Hillsborough Recycling Committee, after many hours of research and visitations, asked the Town of Hillsborough to support a recycling plan for the Hillsborough Landfill. This plan included new construction to enable all of us to recycle and it was designed to expand with the Town when there is new growth. The Town responded with an affirmative vote and we are in the construction stage of the project.

There have been several important developments during the year that have brought about changes in the plans, including the time line of construction. First, the Recycling Committee has been renamed the Hillsborough Solid Waste Committee. Second, the State of New Hampshire has now given the Town a time frame for the closure of the landfill. And third, everyone in the construction industry is busy and we had difficulty getting bids for the project.

Because the landfill has a definite closure date, we have revised and extended the site plans to include moving the metals and demolition piles to an area behind the transfer station that will have containers for removal from our site. This has increased the cost of the site work. To offset this there has been a decrease in the cost of purchasing containers. We will have the same number of containers, but we have received four containers from Waste Management as a settlement from them. We will also receive a grant for 50% of the cost of the three containers that we did purchase.

Near the end of last year there was a wet lands complaint filed and we worked with the Department of Environmental Services regarding this. A representative met with our committee and we responded with the appropriate paperwork.

We are now looking at final construction to be in the Spring of 1998. We realize that recycling will be a change that most of us want, but not everyone will embrace. With that in mind we are trying to make the change as easy as possible and will be including public recycling education as a part of our program as the project nears completion.

Linda Stellato, Chairman Robert Charron, Selectman Representative Brett Cherrington Roger Goode Barbara Goode Robert Lamothe Mary Ann Osterbrink Edward Cobbett Robert Fowle

HILLSBOROUGH PUBLIC SAFETY BUILDING COMMITTEE REPORT

It was recognized at the 1996 Town Meeting that a need existed to study how to better house and equip the Town's public safety agencies: Police, Fire and Rescue and Dispatch. This building committee was authorized to study the situation and make recommendation to the town on how best to resolve building and space problems. At the 1997 Town Meeting, the committee presented its findings and recommended that the town: 1. build a new Police Station/Dispatch Center on Dump Road and 2. enlarge and renovate the existing station on Central Street for the Fire Department and Rescue Squad. The cost of the proposal was \$1.16 million. The Town approved the project at the Town Meeting. The Building Committee was authorized by the Selectmen to oversee the project. By the end of 1997 much of the project was complete.

The committee began work immediately after receiving approval from the town.. North Branch Construction was selected as project construction manager and Bruce Hamilton was retained as architect. Preliminary site work for the new police station was cheerfully and competently completed by the Town's Highway Department. Formal ground breaking for the new station took place on August 13, 1997. Construction of the new building generally moved along smoothly. Renovation of the Fire Department's quarters began in September with the addition of a new training/meeting room.

Problems did occur. However, cooperation between the construction manager and supervisor, building committee, town Highway Department and town Selectmen minimized these and proved beneficial as the project encountered accelerated construction costs and necessary design changes. Difficulties were dealt with in an expedient and efficient manner.

Also contributing to the success of the project were a number of organizations. The Hillsborough Highway Department - Bill Goss and Crew - donated many hours to clear land, haul sand and gravel, and otherwise help in any way possible. Public Service Company donated and

installed poles for the radio antenna and the flag poles. Mamakating Electric offered many recommendations to conserve costs, moved and added fixtures and outlets at no charge. Monadnock Security added a number of upgrades to the security systems without cost. MaineLine Graphics designed and donated the new outdoor sign for the Police Department. Wyman's Chevrolet donated the use of a vehicle for the building committee to use when visiting other facilities.

As of December 31, 1997, the new Police Station on Dump Road was virtually complete. Dispatch began operations there on December 19, and the Police Department soon followed. The project remained on-budget in 1997.

Renovations to the Fire Department Station on Central Street accelerated upon the Police Department's move to the Dump Road Station. Completion of this phase of the project is expected by mid-February 1998. Parking lots, landscaping and some minor exterior work will be completed in the Spring of 1998.

The committee hopes to report to the Town by early 1998 that the project has been completed.

Submitted by,

Gary Sparks, Chairman Building Committee

Report of the Fuller Public Library, 1997

The Library-based literacy program for adults, Project LIFT, entered its 6th year of service. No federal grant monies were available for the year, funding came from several sources, see detail at the end of this report. Project LIFT serviced 98 adult students assisted by 45 volunteer tutors. Two "Connections" book discussion series, funded by the New Hampshire State Library, were held for adult new readers. Three students, two tutors and the program coordinator attended the New Hampshire Literacy Congress at Exeter, NH. The end of the year celebration for students and volunteers was held at Ox Bow Campground. The participants enjoyed good food, games and prizes. Five students spoke about the positive impact that Project LIFT has had on their lives.

The Library held a Spring and Fall adult book discussion series funded by the New Hampshire Humanities Council and one Summer book discussion which the library funded.

The Summer Reading Program, "Take us to your Readers," was a reading program for children in grades 1-6, incorporating reading with games and arts and crafts. The program culminated with a performance by Judy Pancoast of "Kidpop." Funding for the Summer Reading Program was provided by Primary Band and the Bank of New Hampshire. "Kidpop" was funded with a grant from the New Hampshire Council on the Arts. Regular children's programing for September through May provided two story hours per week, a Victorian Tea held during February school vacation, and our "Guest Reader" night during Children's Book Week in November.

Museum passes continue to be well used. The Library has passes to the Museum of Fine Arts in Boston, the Currier Gallery of Art in Manchester, and the Museum of New Hampshire History in Concord, and the Christa McAuliffe Planetarium in Concord. The passes may be borrowed like a book and used as a ticket into the museum and then returned to the library.

NHWORKS is the New Hampshire Employment Security's Electronic Bulletin Board and Information System. This library service is free to everyone. NHWORKS can provide information about job openings, labor market information, education and training information and the ability to enter a job resume.

The Friends of Fuller Public Library sponsored a Spring Quilt Raffle and raised money for computer supplies. Fuller Library participated in the Chamber of Commerce Old Fashioned Christmas with a Silver Tea, tours of the Community Building and a Holiday reading for families.

For the fourth year, Fuller Library in cooperation with Southern New Hampshire Services Supplemental Food Program for Women, Infants and Children (WIC) sponsored "The Gift of Reading." Books were distributed through the Library to children whose parents were enrolled in the WIC program. The project was funded by businesses, banks and private donations.

One staff member completed a Library Science course, Selection of Young Adult Literature. Two staff members attended the New Hampshire State Library Spring Conference in Lebanon.

The Hillsborough History Committee met regularly for the past year. Publication for the new edition of a Hillsborough town history is scheduled for Fall 1999.

Hillsboro Conservation Committee

Your commission accomplished the following this year:

- 1. The plan for the construction of a trail to go under the Hillsboro Bypass has been completed.
- 2. The donation of property on Tax Map 5 Lot 55 has been authorized and recorded with the town.
- 3. The commission continues to give advice and file comments, when necessary, on all dredge and fill applications.
- 4. A committee has been formed to provide research and recommendations for the continued conservation of suitable open space resources.
- 5. There has been the welcome addition of Ann Ford to the commission membership and we still have one vacancy. If anyone is interested in joining the Hillsboro Conservation Committee please inquire at the town office or contact one of the members listed below.

1997 Loon Award

The Hillsboro Conservation Commission has nominated Linda Stellato as the recipient of the 1997 Loon Award in recognition of her tireless efforts in establishing a recycling center in Hillsboro.

Linda Stellato, as chairperson for the Hillsboro recycling committee, has been instrumental in bringing the concept of recycling to a reality. Not only has Linda managed to keep the recycling effort alive through countless meetings and presentations, she has also enriched the community through her involvement with the Hillsboro Chamber of Commerce, Business Education Alliance, Girl Scouts, H-D Robotics, Chair of Hillsboro Solid Waste Committee and Secretary/Treasurer of the Carolyn Fox Fund.

Thank you Linda for your valuable contributions to our community.

James McDonough, Chairperson Robert Fowle Peter Mellen Geoff Browning Laurel Woolner Ann Ford

PARK BOARD REPORT

The Park Board continued to work on providing recreation options to our citizens while maintaining the facilities which allow them.

Manahan Park continues to be a popular attraction during the summer months. Swimming lessons were held during July and August with approximately 200 kids enroled. The addition of a second raft allowed swimming lessons to go on without interrupting citizen's free swim time. We entered our first float in many years in the annual parade. Plans for next year include refurbishing the beach sand, repairs to the boat dock, development of handicapped parking and a new first-aid room in the old bathhouse. Our plans are to extend the swimming lessons to cover 10 weeks next year. We rented a van from John stark high School for a very reasonable price last year. We are exploring transportation options for the 1998 season.

Rob and Fran Beard once again did a fantastic job keeping all our parks looking well-groomed and making necessary repairs. Several dead trees were removed thanks to a generous donation from the Balloon festival Committee. During the spring and early summer our fields were booked with softball and baseball games. This fall there were two soccer fields and several statewide softball tournaments. Ice skating was available thanks to the effort of Rob Beard.

We hired a recreation director who worked closely with Hillsborough's Youth Services Director to provide activities for town youth. We hope to get an earlier start on this program next year and to expand the opportunities.

During the summer we were approached about a skateboard park. Jim Bailey along with several local businesses and a committee of parents

and youth have been working to have this up and running by spring. Youth from town have built many pieces of equipment for the park. Unfortunately we were held up because of the cost of asphalt. The park will be located where the tennis court now stands. We have included a warrant article in this year's budget to replace the existing tennis court with two playable courts in a different location.

One of our long term goals for Grimes Field is to improve the playground. Many of the pieces of equipment are old and not safe. The Lion's Club has also shown interest in this project. We hope to get the ground work started this year. Another goal is to reduce the amount of vandalism at the park. We have begun by changing the lighting. We plan on building another permanent restroom building at the opposite end of Grimes Field to do away with the portable potties.

Beard's Brook saw more use this year and little vandalism. Butler Park is another area of concern. A dead tree was removed and improved lighting was discussed. All other work has been halted until a special committee with plans for Butler Park meets with us to discuss their ideas.

Park Board members at the present time include: Allan Kingsbury, Bethany Edwards, Jim Bailey, Fran Charron, Ernie Butler and Dave Wood, Jr. We all invite your comments and suggestions. Meetings are the first Tuesday of every month at 7:30 p.m. in the courtroom.

Respectfully submitted,

Alan Kingsbury, Chairman James Bailey, III Ernest Butler David Wood, Jr. Fran Charron Bethany Edwards

PLANNING BOARD REPORT

The preceding year brought few major problems to the Planning Board. A few small subdivisions, a few new businesses and a fair number of mergers characterized this year's activities. There were no major subdivisions. A number of sight reviews were held, none of which posed major problems.

The Planning Board enacted "Change of Use Regulations" for commercial properties. These are designed to protect neighbors and others against inconveniences caused by a new type of business.

The Planning Board together with the Sewer and Water Commissioners conducted hearings about new proposed Loon Pond regulations.

Work on the Master Plan continued with the help of many volunteers who helped to prepare the reports which will make up the Master Plan. The Planning Board acknowledges this work with appreciation and thanks. It helps to make sure that the Master Plan will be responding to the priorities expressed by the town's people in the answers of the questionnaire sent to every household in early 1997.

Respectfully submitted,

Robert Goode Chairman

Youth Services Report

The Office of Youth Services is a resource for children and their families in Hillsboro and Deering. There is no cost to residents in these participating communities.

Services Provided:

Individual and Group Support Crisis Intervention Referrals to area agencies and services Court Diversion Local Coordination of the Big Brothers Big Sisters Program Summer activities for local children Challenge Course

In 1997, there were 24 Court Diversion cases and 4 youths completed the newly offered Challenge Course. There are currently 3 Big Brother Big Sister matches, with 1 male volunteer waiting to be matched.

The 1997 summer recreational program was a big success. For the first time, the Office of Youth Services joined with the Hillsboro Parks and Rec Department which allowed a wide variety of activities to be offered. In addition to arts and craft and games, there were trips to the Boston Museum of Science, the Seacoast Science Center, and Fox Forest. A float was created for the Balloon Festival parade and there was a well attended ventriloquism show by Donna Marie and Friends on the lawn of the Community Building.

A \$30 donation was made in honor of the Smith Church school teachers. This greatly appreciated donation was used to provide arts and crafts supplies.

Youth Services is located on the second floor of the Community Building, above the Fuller Public Library. Regular office hours are Monday-Friday 9:00 a.m.- 5:00 p.m. Earlier or later appointments can be arranged. For more information or to make a referral, please call 464-5779.

Respectfully submitted,

Joy Buzzell Youth Services Director

Concord Regional Visiting Nurse Association

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Hillsborough: Home Care, Hospice and Community Health Services.

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

In April of 1994 Hospice expanded its services to provide residential care with the opening of New Hampshire's first Hospice House. To date, this house has provided a home to approximately 248 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, school linked clinics, parent education and support, health education, nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Hillsborough may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to Concord Regional Visiting Nurse Association (224-4093) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call for hospice and home care patients; (224-4093) 4:30pm - 7:30am daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and is a member agency of the United Way of Merrimack County. Total visits made during October 1, 1996 through September 30, 1997:

No of	Clients	Visits

- 2 Hospice Volunteer Training Groups
- 17 Bereavement Sessions

REPORT OF YOUR REPRESENTATIVE TO THE CONTOOCOOK RIVER AND NORTH BRANCH LOCAL ADVISORY COMMITTEE

The Contoocook River was nominated into the Rivers Management and Protection Program in 1992 by Hillsboro along with eleven other towns bordering the river. This legislation was passed to protect both the industries, farmers, as well as fishermen and recreational users of the river. In June, through my role on staff of the Harris Center for Conservation Education, (the same organization that had helped the twelve towns initiate the nomination of the river into the RMPP back in 1992) pulled together a meeting of this dormant committee. With the help of a non point source grant to Harris Center, a part time river coordinator, Chris Denuzzio was hired to help our committee get revived as well as help Harris Center with its ongoing monitoring and cleanup programs with high schools on the river.

The fall was spent bringing in a lot of new members, and reorganizing and brainstorming about all the activities we would like to focus in on in the coming months to help educate the public about the river that passes through us, and to protect it. You are likely to hear a lot about us in the coming months! Feel free to contact me if you have any ideas or questions. We also have a slide show of the river available to be shared with local organizations who would like a local program.

In November, the five schools held a congress for our river to share their data with town and state officials, which was hosted by Hillsboro Deering High School. Five schools, in a total of nine sites, had conducted chemical and biological monitoring of the river as part of the Merrimack River Watershed Education Project in October. Conant High School students had found a potential sewage leak in Jaffrey and after the congress conducted further bacterial testing to help their town pinpoint the source of the leak. If any Hillsboro citizen has concerns about the quality of water in any of the rivers or lakes in the town, let me know.

As we monitor for bacterial and other pollution with the help of science classes at the high school each year.

No annual river cleanup was held this year in Hillsboro, partially due to change in staff at the middle school.

In January, we offered a special program open to town officials and others on the Shoreline Protection Act and to answer the many questions some have about it as well as its connection to the Rivers Protection Program. At present some of our lakes and rivers in our town are protected and some are not! We are in the process of trying to get minimum equal protection to all streams and rivers and then allow towns to pass more protection on certain water bodies as they see fit.

By our February meeting we plan to get fully back into action, planning out our activities for the coming years. Feel free to call on me if you have any questions.

Marian Baker, Hillsboro Rep. 478-5650

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL CONTROL STRUCTURE BASED ON AN AUDIT OF GENERAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Members of the Board of Selectmen Town of Hillsborough Hillsborough, New Hampshire

We have audited the general-purpose financial statements of the Town of Hillsborough, as of and for the year ended December 31, 1996, and have issued our report thereon, which was qualified as indicated therein, dated June 20, 1997.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement.

The management of the Town of Hillsborough is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general-purpose financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general-purpose financial statements of the Town of Hillsborough for the year ended December 31, 1996, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general-purpose financial statements and not to provide assurance on the internal control structure. Accordingly, we do not express such an opinion.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general-purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

We noted the following matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above. These conditions were considered in determining the nature, timing and extent of the procedures to be performed in our audit of the financial statements of the Town of Hillsborough for the year ended December 31, 1996.

TRUST FUND RECORDS

The opinion on the general purpose financial statements is again qualified due to the fact that the Nonexpendable Trust Fund records were not audited. It appears through discussion with the Town Trustees, the State required Form MS-9, was not reconciled with the general accounting records. Also, a reconciliation of the checking account was not performed at December 31, 1996, which could have enabled us to review all transfers from the numerous accounts at year end.

We have met with the Trustees to discuss our concerns and to assist them with the development of an adequate accounting system and appropriate controls to ensure the records are completed in the future in order for us to audit the books. This finding is again similar to previous years.

TAX COLLECTION

As in previous years, a significant amount of time was spent by the auditors and Town personnel in properly reconciling the State Form MS-61 ("Summary of Warrants" and "Summary of Tax Lien Accounts"). Many of the balances on the form given to us for audit did not have supporting documentation to substantiate those amounts, thus additional time was spent in recreating many of the lists and information. In addition to the above, the following problems were noted:

We refer to our prior-year's management letter and detail the significant areas of concern as follows:

1.

The Tax Collector is not refunding overpayments of property taxes, thereby in effect collecting prepayments contrary to RSA 80:52-a, which states in part, "Any Town, by vote of the Town Meeting...or by vote of the Board of Selectmen may authorize the prepayment of taxes." These overpayments are treated as credit memos and applied against the next property tax issue. Accounting treatment for these overpayments has made balancing the warrants difficult, and we are not aware of any formal action taken either by vote of the Town or the Board of Selectmen authorizing this procedure.

Also, a full and accurate accounting of these overpayments does not appear to be provided to the Bookkeeper. This makes significant adjustments to the general ledger necessary to balance these amounts.

No tax deeds were taken by the Tax Collector in accordance with RSA 80:76. By not issuing tax deeds, the Town is prevented from selling the properties and placing them back on the tax rolls as viable property-taxgenerating properties.

We recommend that the following procedures be implemented:

2.

1.	Monthly reconciliation of tax
	warrants to the Town's general
	ledger system.

2. Overpayments should be refunded to the property owner as

soon as they are identified. However, if these overpayments are received before the second property tax issue, they can be applied to that issue.

3.

In addition to the establishment of adequate accounting controls, we recommend that periodic monitoring of these accounts be considered to provide for training and technical assistance, and to assure management that records are being kept up to date and in balance.

- 4. Unredeemed taxes should be reviewed and the Town should be taking deeds on affected properties.
- 5. Since the Town has eliminated the resident tax, all immaterial remaining balances should be abated.

This report is intended for the information of management and the Town. However, this report is a matter of public record, and its distribution is not limited.

June 20, 1997

PLODZIK & SANDERSON Professional Association

1997 TOWN MEETING MINUTES

At a legal meeting of the Town of Hillsborough, County of Hillsborough in said state, qualified to vote in the affairs of said town on the 11th day of March, 1997 at seven o'clock in the forenoon at the Hillsboro-Deering Middle School Auditorium the Moderator called the meeting to order. Articles 1 and 2 and 3 were voted on by official ballot at the polls.

Article 1. Voted that the voters of the Town of Hillsborough proceed to ballot for one Selectman for three years; Town Treasurer for one year; Trustee of Trust Funds for three years; Trustee of Trust Funds for one year, Trustee of the Fuller Public Library for three years; Water and Sewer Commissioner for three years; Two Planning Board members for three years; Cemetery Trustee for three years, and all other necessary Town Officers or agents for the ensuing year.

At 7:58 p.m., Moderator Leigh Bosse brought the meeting to order. Mr. Bosse asked that a moment of silence be observed in memory of Hillsborough's deceased. The American Legion Post 59 posted the colors. Mr. Edward Lappies led the singing of GOD BLESS AMERICA. Introduction of the Town Selectmen and Town Clerk was done by the Moderator. Mr. Bosse proceeded with the rules of the meeting and dispensed with the reading of the warrant, with no objections. Misprints in the town report were given by the Moderator. On page 19 and 20 change 1997 to 1996, page 21 on the closing balances cross out \$35,430.00, on page 24 under Tax Rate History change 1997 to 1996, on page 48 in the second paragraph change Rob and Fran Charron to Rob and Fran Beard.

Article 2: Voted to amend the Floodplain Development Ordinance, as recommended by the Planning Board, to wit:

<u>Amendment 1</u>: Amend Section 138-1 by changing the date of the Flood insurance Rate Maps and Flood Boundary and Floodplain Maps from March 4, 1987 to June 15, 1979.

YES 373 NO 208

Amendment 2: Voted to add a new Section 138-10, Variances and Appeals.

1. Any order, requirement, decision, or determination of the Building Code Enforcer, or the Selectmen, made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

2. If the Applicant, upon appeal, requests a variance as authorized by RSA 674:33, 1(b), the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(a)that the variance will not result in increased flood heights, additional

threats to public safety, or extraordinary public expense.

(b)that if requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

©that the variance is the minimum necessary, considering the flood hazard, to afford relief.

3. The Zoning Board of Adjustment shall notify the applicant in writing that: (I)the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 for \$100 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property, Such notification shall be maintained with a record of all variance actions.

4. The community shall (I) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

YES 342 NO 212

Article 3. Voted we modify the elderly exemptions from property tax in the Town of Hillsborough, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$14,700; for a person 75 years of age up to 80 years, \$22,000; for a person 80 years of age or older \$29,400. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$18,400 or, if married, a combined net income of less than \$26,400; and own net assets not in excess of \$35,000 excluding the value of the person's residence.

YES 506 NO 113

Article 4. Mr. Charron recommended this article, seconded by Mr. Maine. Recognized Mr. Gary Sparks, Chair Person of the Building Committee to give and overall view of the article. Mr. Dick Ritter, Scott Campbell, Dave Roarick and Greg Gillett spoke on each of their departments and there relationships to the new building and for the renovations. There was much discussion and questions on this issue before the polls were opened at 8:48 p.m. Polls were closed at 9:48 p.m. Voted to raise and appropriate the sum of One Million, One Hundred and Sixty Nine Thousand, Nine Hundred and Eighty Dollars (\$1,169,980.00) for the design, engineering, construction, equipping and all other related costs for the purpose of constructing a new police station and to provide additions and renovations to the existing Fire/Police Station, and to authorize the issuance of not more than One Million, One Hundred and Sixty Nine Thousand, Nine Hundred and Eighty Dollars (\$1,169,980.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Selectmen and

Treasurer to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 ballot vote required)

YES 192 NO 86

Mr. Bosse announced at this time that the Hillsborough Conservation Award had been awarded to Marion Baker, for her dedication and effort towards conservation in Hillsborough, the Loon Award is presented annually. Mr. Bosse also announced that Mr. Louis Normandin had been honored by the American Legion for his services.

Article 5. Moved by Mr. Charron and seconded by Mrs. Mooney. Linda Stellato, chair for the Recycling Committee was introduced to present this article and answer the questions concerning this article. Mrs. Stellato said the committee had been given a grant for \$10.000 toward the purchase of the containers for this recycling project. There was much discussion on this article. The polls were open at 10:05 and the polls were closed at 10:18. Voted to raise and appropriate the sum of One Hundred and Fifty-Eight Thousand, Eight Hundred and Fifty-Four Dollars (\$158,854.00) for the construction, equipping and all other related costs for the purpose of constructing a recycling facility to be located adjacent to the existing transfer station, and to authorize the issuance of not more than Ninety-Nine Thousand Dollars (\$99,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Selectmen and Treasurer to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and with the balance of Fifty-Nine Thousand, Eight Hundred and Fifty-four dollars (\$59,854.00) to be raised by general taxation. (2/3 vote required)

YES 162 NO 63

Article 6. Moved and seconded to accept the reports of the Town Officers, Auditors, Agents, Committees or other officers heretofore chosen or appointed; or to take any other action in relation thereto.

Article 7. Recommended by Mrs. Mooney and seconded by Mr. Maine, voted the Town will raise and appropriate the sum of One Hundred and Twenty Thousand Dollars (\$120,000.00) for the reconstruction and /or resurfacing of Preston Street northerly from it's intersection with Route 9 to the end, Clark Road, Dump Road, and to apply the final surfacing to Beard Road, reconstructed in 1996. This will be a special non-lapsing appropriation for a period of two years per RSA 32:3, VI. -- or to take any other action in relation thereto.

Article 8. Mr. Maine moved and Mrs. Mooney seconded. Voted to raise and appropriate the sum of Two Million, Five Hundred and Sixteen Thousand, Nine Hundred and Twenty-Nine Dollars (\$2,516,929.00) for the operating expenses of the Town including General Government, Public Safety, Highways, Streets and Bridges, Sanitation, Health, Welfare, Culture and Recreation, Debt Service, Operating Transfers Out and all other current expenses of the Town; or to take any other action in relation thereto.

Article 9. Moved by Mrs. Mooney and seconded by Mr. Charron. Voted the Town will raise and appropriate the sum of Forty-Five Thousand Dollars (\$45,000.00) to be added to the Bridge Capital Reserve Fund, previously established. The bridge is the Barden Hill Bridge.

Article 10. Mr. Maine moved and Mrs. Mooney seconded. Voted the Town will authorize the Selectmen to enter into a three year non-binding lease agreement for the purpose of leasing a backhoe and to raise and appropriate the sum of Twenty- Five Thousand, Seven Hundred and Thirty- Five Dollars (\$25,735.00) for the first year's payment; or to take any other action in relation thereto. [Explanation: At the conclusion of the three year lease the Town will assume full ownership of the vehicle. Future lease payments will appear as a line item in the Highway Department budget. (Majority vote required and received)

Article 11. Mr. Mellen recommended and Mr. Lamothe seconded. Voted the town will raise and appropriate the sum of Three Hundred and Eighty-Three Thousand, Two Hundred and Thirty Dollars (\$383,230.00) for the purpose of operating the Water Department during 1997; said funds to be offset by the withdrawal of One Hundred and Seventy-Five Thousand Dollars (\$175,000.00) from the Water Reserve Account and Two Hundred and Eight Thousand Two Hundred and Thirty Dollars (\$208,230.00) by the income to the Water Department of an equal amount; or to take any other action in relation thereto.

Article 12. Mr. Mellen moved and Mr. Lamothe seconded. Town voted to raise and appropriate the sum of One Hundred and Eighty-Six Thousand, One Hundred and Thirty-Five Dollars (\$186,135.00) for the purpose of operating the Sewer Department during 1997; said funds to be offset by the income to the Sewer Department of an equal amount; or to take any other action in relation thereto.

Article 13. Mr. Mellen recommended and Mr. Lamothe seconded. Voted the Town will appropriate the amount of Forty Three Thousand Dollars (\$43,000.00) for the purpose of phase two of a three phase program to identify and repair extraneous "clean water infiltration/inflow (I/I) such as groundwater or storm water into the collection system of the Hillsborough Sewer System. Said funds to be appropriated from the Sewer Reserve Account.

Article 14. Mrs. Mooney moved and Mrs. McClure seconded. Voted the municipality will raise and appropriate the sum of Three Thousand, One Hundred Dollars (\$3,100.00) to be added to the Fuller Library Card Catalog Computerization Capital Reserve Fund previously established.

Article 15. Mrs. Mooney recommended and Mrs. McClure seconded. Voted the Town will raise and appropriate the sum of Ten Thousand, Five Hundred Dollars (\$10,500.00) for the purpose of supporting the literacy program at the Fuller Public Library, known as Project Lift. This will be a special non-lapsing

appropriation for a period of two years per RSA 32:3, VI. -- or take any other action relating thereto.

Article 16. Mr. Charron moved and Mrs. Mooney seconded. Voted the Town shall adopt the provisions of RSA 202-A:4-d to authorize the Library Trustees to accept gifts of personal property, other than money, which may be offered to the Library for any purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property and such authorization shall remain in effect until rescinded by a vote of Town Meeting.

Article 17. Voted to amend the Planning Board's site plan review authorization voted at the 1976 Town Meeting and amended at the 1983 and 1986 Town Meetings to include review of "change or expansion of use" as authorized by the amendment to RSA 674:43 which took effect on July 17, 1987.

Article 18. To transact any other business that may legally come before this meeting.

Mr. Charron asked to see if the Town would vote to encourage the Selectmen to call a Special Town Meeting for the purpose of giving the Board of Selectmen the authority to sell, or lease, to the Community Center Board, Town owned land for the purpose of constructing a Community Center. All costs for the center will be from the Community Development Block Grant. Seconded by Mrs. Mooney. There was some discussion and then it passed by voice vote.

Mr. Ray Barker motioned to have Dump Road changed to "Howard Page Road". The motion was seconded and passed by majority on a voice vote.

Motion was made and seconded to adjourn the meeting at 11:00 p.m.

SPECIAL TOWN MEETING May 29, 1997

At a legal meeting of the inhabitants of the Town of Hillsborough, County of Hillsborough in said State, qualified to vote in Town affairs on the twentieth day of May, 1997 at seven o'clock in the afternoon at the Community Hall the Moderator Leigh Bosse called the meeting to order. Dispensed with the reading of the two warrant articles. The general rules of order were discussed to apply to the meeting.

Article 1: Voted to let the Town grant the Board of Selectmen the authority to lease town owned land located on the westerly side of Dump Road, for such a period of time, and under conditions that they deem to be in the best interest of the community, to the Hillsborough Community Center Committee for the purpose of constructing of community center under the currently approved Community Development Block Grant, or take any other action in relation thereto. Mr. Charron moved and was seconded by Mr. Maine. Mr. Loren Belida was recognized to speak on the project by the HCCC for a Community Center. After much discussion, questions and answers, the McClure Amendment was added to strike westerly side of Dump Road and have it read, end of Myrtle Street Extension. This amendment passed. Knapton Amendment to Article 1 amended to read west side of fifty foot right of way that leads to school. This amendment passed. Article 1 as amended by Knapton was voted and passed.

Article 2: Moved by Mr. Maine and seconded by Mrs. Mooney. Voted the Town will grant authority to the Trustees of the Fuller Public Library to accept a gift of land from Kathleen Christian, identified as Tax Map 11F, Lot 233, and to authorize the Library Trustees to sell the land in a manner they deem to be in the best interest of the Fuller Public Library. The proceeds from the sale of the land will be treated as a cash donation to the Fuller Public Library.

Motion was made to adjourn the meeting at 8:17 p.m.
