## SUPERINTENDENT'S REPORT

To the School Board and Citizens of the Landaff School District:

I herewith submit my eleventh annual report as Superintendent of Schools.

The total enrollment in Blue School last year was 30. The average membership was 27.5 and the percent of attendance was 93.6. There were 19 pupils attending Lisbon Elementary School and 15 attending Lisbon High School.

The enrollment in Blue School this year is 27. Twenty pupils are attending Lisbon Elementary School and 14 are attending Lisbon High School.

In August Mrs. Maebelle Sylvestre resigned to accept a position near her home in Littleton. It was thought for a time that we would be unable to replace her with a qualified teacher. After a diligent search, however, Mrs. Pearl Sunbury of Lancaster was secured as a teacher. Mrs. Sunbury has some 10 years' experience in rural school work. We are fortunate to secure her services.

Our changing rural school picture is interesting. The 1923 Report lists 709 one-room rural school teachers in New Hampshire. The 1953 Report lists only 39 rural teachers. During the past 30 years 670 one-room schools have been abandoned!

Under the new program State Aid has nearly doubled. This year we received \$4,758.55 from the State.

Lawrence Tewksbury has served as custodian of the building. It is fortunate that an accommodating man like Mr. Tewksbury lives near the building.

The longer I work with School Board Members the more I admire their unselfish efforts to better the ed-

ucation of your children. I hope that every parent feels the same and extends the Board a vote of confidence and a note of appreciation for their services.

A little should be done each year to keep your building in repair and modernize the equipment. A new teacher's desk is needed. Up-to-date furniture is needed for the children. Let's join together to make your school the pride of the community.

Respectfully submitted,  
RONALD A. PERHAM  
Superintendent of Schools
