**PUBLIC HEALTH AND
SCHOOL NURSING SERVICE
LINCOLN-WOODSTOCK AREA
1966**

Total house calls—940. This number consists of the following types of visits: Communicable diseases and suspects—36, medical and injury—175, chronically ill—198, pre-natal cases—12, new mothers—15, infants under one month—24, over one month, and pre-schoolers—29, crippled children's service—15, unclassified, i. e. Social Service, Welfare, visits connected with Clinics—400, pre-schoolers to Diagnostic Clinics—9, under therapy—1.

Conferences with State and County Social Service case workers—20, Professional meetings attended—2, Work shops including Medicare, Cancer, Cardiac and Mental Retardation—7.

This year the Free Chest X-ray Mobile came to Lincoln and No. Woodstock. This was for those from 30 years old and over. However, several under 30 years attended, due to health conditions. Two hundred and seven from the towns attended. The X-ray Mobile was at the Franconia Paper Corp. on separate visits, at which time 310 X-rays were taken. The project is through the Communicable Disease Control Program, N. H. State Department of Health and Welfare.

A new program, Diabetis Screening, conducted through the N. H. Department of Health and Welfare, was conducted for both towns. Approximately 400 were screened. This figure includes the employees of the Franconia Paper Corp. I wish to thank the ladies of both towns who willingly helped on these clinics.

Total visits to the three schools, including home visits, in behalf of pupils—240.

Athletic physicals were done on the students of the Junior and Senior High by Dr. Ralph Parker of Fran-

conia and Dr. Charles Althoff of No. Woodstock. Nurses examinations were carried out in the Elementary grades.

The yearly Tuberculin (Heaf) test was done in grades one and four, in the Elementary schools, grades eight and eleven in High School. Questionable results are followed up by chest X-rays. Several of the school personnel took advantage of this test. These programs are sponsored by the N. H. Tuberculosis Association.

Through the sponsorship of School Health Service, N. H. State Department of Health and Welfare Booster shots for the prevention of Tetanus and Diphtheria were given again this year, to those in grades one, four, eight and twelve.

To the various organizations in the area, the Lodge of Elks and Emblem Club of Littleton, the teachers and pupils of Lin-Wood High School, I extend my sincere thanks for their assistance on the Christmas project.

In order to give Visiting Nurse services to those who come under the Medicare Program, it was necessary to form a health group or an association.

This has been accomplished and is called the Lincoln Public Health Nursing Association.

The officers are as follows:

President, Roger Stewart
Vice-President, Mrs. Robert MacKay
Treasurer, Robert Russell
Secretary, Mrs. Bruce Chase
Director, Nora E. Parent, R. N.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any change which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$13,574.41, from \$9,254.47 to \$22,828.88 in 1966, as shown herewith:

Current Liabilities	36,139.86	2,078,252.35
Current Surplus	\$ 9,254.47	\$ 22,828.88

Surety Bond:
