SCHOOL HEALTH SERVICES REPORT 1960 - 1961

New Hampton Community School

All students were given vision and hearing tests. The hearing tests were made possible through the purchase of a Maico audiometer by the School Board. Heights and weights were recorded at the beginning and end of the school year. Routine examinations were made each week. Parents were notified of 17 defects. 13 of these were corrected. A pre-school clinic in June was attended by 17.

Dr. William Walsh examined 84 pupils. 31 defects were found with referrals to family physicians through the parents. 25 of these defects were corrected.

85 students had a communicable disease. German Measles was the predominant disease, thus did not constitute great time loss from class. Careful observation before children are sent to school would be beneficial in such cases.

8 children attended State Health Clinics, transportation being provided when necessary .

Through continued Parent - Teachers Association support 126 pupils had Sodium Fluoride Prophylaxis for prevention of tooth decay.

50 home visits were made.

The Bristol Rotary Club and Bristol Lion's Club provided examinations and glasses for several youngsters.

Social welfare conferences were held as necessary.

I wish to thank the staff, the School Board and parents for their continued cooperation.

BEVERLY BACON, R. N.

School Nurse - Teacher

SUPERINTENDENT'S REPORT

**To the Board of Education and Citizens of the New
Hampton School District:**

I herewith submit my annual report as Superintendent of Schools.

Personnel

School opened this Fall with two changes in the staff. Mr. Edwards, the principal, accepted a teaching position in Pelham and Miss Helen Anderson took a position in Bedford. Replacing Mr. Edwards is Mr. Frank Finley, a graduate of Keene Teachers College and principal for the past two years at the elementary school in Rindge, N. H. Miss Jeanne Lachance, a graduate of Keene Teachers College in June, has replaced Miss Anderson.

Once again this year as last I believe that our Community School is fortunate in having such an excellent staff attending to the education of the children of New Hampton.

Enrollment

One year ago we had an increase of twenty-three pupils in our school. With that increase our school opened in September of 1960 with an enrollment of 149 pupils. This Fall school opened with 145 pupils, a slight decrease over 1960.

Following are the starting enrollments for the past three years:

1959	-	126
1960	-	149
1961	-	145

Curriculum

We have expanded our use of the education tele-casts from the University of New Hampshire to include the phonics program that is new this year. We are now using New Hampshire History for grade 4, Science programs for grades 3, 5 and 6, French for grades 4, 5 and 6, Music for grades 1 and 2 and phonics for grades 1 and 2.

Since the cost of the television reception equipment at the Community School was small due to the help from the National Defense Education Act and the New Hampton Library this has paid for itself many times over in the past three years in the excellent instruction that we have received to supplement our own program.

We are continuing to emphasize reading instruction to build stronger readers yet without sacrificing any of the necessary foundation in arithmetic or social studies.

Budget

The budget is up \$7,708.44 over last year. Due to one of the largest eighth grades in our history, the major portion of this increase is caused by tuitions, an item in the budget over which we have no control. This item is up \$4,976.00 over last year.

It is felt by the School Board and Superintendent that the recommended budget is necessary for effective operation of the Community School.

At this time, I would like to express my appreciation for your support and cooperation this past year.

HERMAN N. DONEGAN

Auditors' Certificate

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of New Hampton, N. H., of which the above is a true summary for the fiscal year ending June 30, 1961 and find them correct in all respects.
