SELECTMEN'S REPORT

The Town is scheduled for a reappraisal starting in March. The Selectmen will be mailing a short questionnaire along with the inventories. They will appreciate the return of these which will aid the appraiser in making a correct appraisal of property.

The reduction in the amount of Revenue Sharing funds is the result of a correction of data by the Revenue Sharing department.

The Selectmen feel that some work will be necessary in the new section of cemetery. This will help keep the property open. We recommend that a section of gravel road be started and seeding be undertaken.

Several burglaries have occurred during the past year which have caused some alarm among property owners. The Selectmen have been advised by the State Police that any suspicious persons or vehicles be reported. The information should be reported to the Selectmen or directly to the State Police. Any information will provide leads which may solve a case.

The Town has been offered about 650 acres of open land by Mrs. John Bross. It is her wish that this land be kept in its natural state. Under the terms of this transfer the land must be open to the general public. Mrs. Bross will donate one-half of the appraised value of the land and the Bureau of Outdoor Recreation will pay the other half to the Town which will then be turned over to her. The BOR has funded many similar projects from the sale of offshore drilling rights and sales of Federal lands. This acquisition makes possible outdoor recreation land that is publicly owned by a town that has none. The transfer should take place by summer.
