IN MEMORIAM

HARRY B. TUTTLE

Retired Tax Collector, Harry B. Tuttle, was born on Maple Avenue on October 23, 1889, the only son of Fred and Mary Ella (Steele) Tuttle. He attended the local grammar school and in 1907 was graduated from Atkinson Academy. In 1912, he was graduated as a student of horticulture from the University of New Hampshire.

He married the former Charlotte I. Rowland of East Corinth, Vermont, on November 1, 1914 and returned to Atkinson to teach at the Atkinson Academy from 1915 to 1918. He was a member of the Atkinson Grange and held many offices in the order and was honored with his 60-year pin several years ago. Mr. Tuttle was a charter member of the Atkinson Historical Society and served as treasurer of the group.

He also served the town as Health Officer, and at one time was a member of the School Board. He was Civil Defense Director in 1941 and 1942, was elected as Representative to the General Court, and served as Moderator for many years at school and town meetings.

Due to ill health in August, 1969, Mr. Tuttle found it necessary to retire as Tax Collector having served 49 years in that office. He died January 8, but left his mark on the history and development of the Town of Atkinson.

TOWN OFFICERS

 HELEN V. WOODLOCK
 Selectmen

GORDON E. BRENNAN
 Treasurer

THE SELECTMEN'S REPORT

During the past year, we have met several times with the Kimball Library Trustees to discuss the progress of the proposed addition. Even with the various fund-raising activities of the Friends of the Library, it is evident that these monies will never be sufficient to build an addition. The space is desperately needed and we ask our residents to come to Town Meeting and listen to the proposal for an addition before casting your vote. We have the opportunity this year to contribute to our cultural growth as well as add to the pleasure and education of all residents of Atkinson.

With regard to two-acre zoning - this is a form of "snob zoning" or no growth zoning which is under strong attack in the courts and could only result in court litigation for the town. In order to ensure sound and proper planning, so necessary to the future of Atkinson, the Selectmen propose that the Planning Board work in concert with the regional planning commission during the ensuing year and make recommendations at least by next Town Meeting.

The Selectmen would like to thank the Atkinson Historical Society for presenting to the Town a bound set of Atkinson Town Reports dating from 1848 to 1971.

PHILIP V. CONSENTINO

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall on Tuesday, the fifth day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary town officers for the coming year.
2. To see if the Town will vote to adopt the amendments to the zoning ordinances as follows: (By

Ballot)

1. Are you in favor of amending Article V, Part C be amended to read: "Not more than one single residence may be constructed on each two acres. A two family or duplex house shall require four acres, except that these acreages shall not apply to lots of record (of one and two acres respectively) which comply with existing regulations."

Without Recommendation

2. Are you in favor of amending Article V, Part L to read: "Minimum Land Area. No lot shall be less than two acres, except that this shall not apply to a one acre lot of record which complies with existing regulations."

Without Recommendation

3. Are you in favor of amending Article V, part K to read: "Frontage. Each lot shall have a continuous frontage of at least two hundred fifty feet (250') and a two family or duplex house shall have a continuous frontage of at least three hundred feet (300') except that these frontages shall not apply to lots of record which comply with existing regulations."

Without Recommendation

4. Are you in favor of amending Section IV, part H be amended to read: "Areas set aside for parks and playgrounds to be dedicated or to be reserved for the common use of all property owners by covenant in the deed, whether or not required by the Planning Board, shall be approximately seven and one-half percent (7-1/2) of the total acreage, and of suitable character for neighborhood playgrounds or other recreational or town use."

Recommended by Planning Board

5. Are you in favor of amending Road Specifications, No. 5 to read: "The paved surface shall be three (3) inches of bituminous concrete."

Recommended by Planning Board

3. To see if the town will vote to expend the amount of \$50,000 of Federal Revenue Sharing Funds under the U. S. Federal Act of 1972 for construction of an addition to the Kimball Library. (By Petition)

Recommended by Selectmen

Not Recommended by Budget Committee

4. To see if the town will vote to authorize the Selectmen to issue a bond or note in the amount of \$50,000 for construction of an addition to Kimball Library, to be defrayed by Federal Revenue Sharing Funds under the U. S. Federal Act of 1972. (By Petition)

Not Recommended by Budget Committee

5. To see if the town will vote to expend the amount of \$14,000 of Federal Revenue Sharing Funds under the U. S. Federal Act of 1972 for a tractor trailer combination fitted with a 600 gpm pump. (By Petition)

Recommended by Budget Committee

6. To see if the town will vote to authorize the Selectmen to issue a bond or note in the amount of \$14,000 for a tractor trailer combination fitted with a 600 gpm pump. To be defrayed with the Federal Revenue Sharing Funds under the U. S. Federal Act of 1972. (By Petition)

Recommended by Budget Committee

7. To see if the town will raise and appropriate the sum of \$14,000 for a combination tractor trailer fitted with a 600 gpm pump. (By Petition)

Not Recommended by Budget Committee

8. To see if the town will vote to expend the amount of \$17,000 of Federal Revenue Sharing Funds under the U. S. Federal Act of 1972 for the purpose of preparing a tax map for the town.

(Submitted by Selectmen)

Recommended by Budget Committee

9. To see if the town will vote to increase the salary of the Town Treasurer from \$500 to \$800.00.

(Submitted by Selectmen)

Recommended by Budget Committee

10. To see if the town will raise and appropriate the sum of \$1,000.00 for the purpose of repairing the porch and porch roof of the Town Hall.

(Submitted by Selectmen)

Recommended by Budget Committee

11. To see if the town will raise and appropriate the sum of \$1,100.00 for the purpose of repairing the roof of Kimball Library.

(Submitted by Selectmen)

Recommended by Budget Committee

12. To see if the town will raise and appropriate the sum of \$12,000.00 to enclose all waterholes with chain link fencing.

(Submitted by Selectmen)

Recommended by Budget Committee

13. To see if the town will raise and appropriate the sum of \$2,200.00 to purchase one acre of land to enlarge the cemetery.

(Submitted by Selectmen)

Recommended by Budget Committee

14. To see if the town will vote to increase the cost of cemetery lots from \$50 to \$150.00.

(Submitted by Selectmen)

15. To see if the town will vote to appropriate a sum not exceeding \$20,000.00 for the purpose of making improvements to the following Class V roads within the Town: Westside Drive - 1.55 miles; Summit Drive - 0.93 miles, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Atkinson. (Submitted by Selectmen)

16. To see if the town will raise and appropriate the sum of \$1,500.00 to construct an extension of Jericho Road by 450 feet.

(Submitted by Selectmen)

Recommended by Budget Committee

17. To see whether the town will vote to join the Southern Rockingham Regional Planning District Commission and make an appropriation thereto. The objective of this Commission is to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern, assist in the effectuation of projects extending beyond the boundaries of a particular town and to provide the town with local planning services. The Commission has no jurisdiction over any matter of local affairs. Its role is advisory. Two town residents shall be appointed to the Commission by the Selectmen.

(Submitted by Selectmen)

18. To see if the town will raise and appropriate the sum of \$1,718.25 as our share of the budget of Southern Rockingham Regional Planning District Commission.

(Submitted by Selectmen)

Recommended by Budget Committee

19. To see whether the town will vote to join the Strafford-Rockingham Regional Planning Council and authorize the town's representation to the Southern Rockingham Regional Planning District Commission to act as delegates to that Council.

(Submitted by Selectmen)

20. To see if the town will raise and appropriate the sum of \$2,075.00 half of which will be reimbursed by the Federal government, for the purpose of completing the ballfield at the Pope Road Recreation Area.

(Submitted by Atkinson Recreation & Conservation)

Recommended by Budget Committee

21. To see if the Town will raise and appropriate the sum of \$21,500.00 half of which to be reimbursed by the Federal government, for the construction of a picnic area and four tennis courts at the Pope Road Recreation Area, said appropriation and construction contingent upon approval of the project by the Federal government.

(Submitted by Atkinson Recreation & Conservation)

Not Recommended by Budget Committee

22. To see if the town will vote to establish a Recreation Commission under the provisions of RSA 31:44-48, consisting of five members: 2 persons for three years, 2 persons for two years, and the fifth persons for one year. Their successors shall be appointed for three years.

(Submitted by Atkinson Recreation & Conservation)

23. To see if the town will vote to establish a Conservation Commission under provisions of Chapter 36A consisting of seven members for three year terms after the initial appointments of 1, 2 and 3 years, so that one third of the terms expire each year. One shall be a Planning Board member with a one year term (36A:5, 1973:550). Towns may appropriate money into a conservation fund which the commission may use to acquire and protect natural resource areas. (36A:1963:168).

(Submitted by Atkinson Recreation & Conservation)

24. To see if the town will vote to disband the committee serving as the Recreation and Conservation Commission.

(Submitted by Atkinson Recreation & Conservation)

25. To see if the town will vote to return to the general revenue sharing fund any or all of the unexpended and uncommitted funds (of the thirty-five thousand dollars) from the Library Building Fund, Article 15, 1973 town meeting. These funds may then be recommitted in any manner as the town so chooses at this or future town meetings.

(By Petition)

26. To see if the town will vote to expend the amount of fifty thousand dollars of Federal Revenue Sharing Funds under the U. S. Federal Assistance Act of 1972, for the purpose of procuring and maintaining an area to meet with the state's sanitary landfill requirements.

(By Petition)

Recommended by Budget Committee

27. To see if the town will vote to expend the amount of twenty thousand dollars of Federal Revenue Sharing Funds under the U. S. Federal Assistance Act of 1972 for the purpose of preparing a tax map of the town.

(By Petition)

Not Recommended by Budget Committee

28. To see if the town will vote to require the presence of Atkinson's Town Counsel at all town meetings.

(By Petition)

29. To see if the town will vote to authorize the Selectmen to administer or otherwise dispose of any real estate by tax title or otherwise, either by bid or by public auction, providing that if such property is to be sold at public auction, then the same shall be advertised fifteen days in advance of sale with notice thereof posted in three public places.

(Submitted by Selectmen)

30. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

31. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the town will need in anticipation of taxes.

32. To hear the reports of the Town Officers and Committees, act on the same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this eleventh day of February in the year of our Lord, Nineteen Hundred and Seventy-Four.

PHILIP V. CONSENTINO
GEORGE W. WHITE
HELEN V. WOODLOCK
Selectmen of Atkinson

MILTON P. WOOD
ARTHUR H. SAWYER
ELEANOR M. ZAREMBA
Trustees

REPORT OF THE FIRE DEPARTMENT

The 365 days of 1973 have proven most successful and rather busy for the Fire Department. After some five years of work and plans, our training area at the rear of the fire station has started to take shape with the near completion of our training tower. The department was gifted with a 4,000 gallon tank. This tank will not only serve as a water supply for our training area, but is an additional supply for properties around the center of town.

Our Firemen's Association purchased a 5,500 gallon tanker. This tanker, with the support of the townspeople at the 1974 Town Meeting, will be put into service by half year as an important addition to our fire fighting capabilities.

We were fortunate in having fire training instructors in Atkinson for a ten-week course. Normally for such a training course, we would have had to go out-of-town. As for the number of calls answered by the department, the following will show that we were busy:

House Fires (involving structural damage)	3
Miscellaneous House - Electrical Fires	6
Grass and Brush Fires	19
Car Fires	5
Resuscitator Calls	2
Miscellaneous Calls (car accidents, etc.)	11
Burning without Permits	2
Mutual Aid (Plaistow 3, Lawrence, Mass. 1)	4
Additional calls made to protect in case of fire	
Power Failure (Stand-by at Fire Station)	6
TOTAL NUMBER OF CALLS HANDLED BY RED NETWORK	344

Just as our town's population has increased, we have also experienced an increase in number of calls requiring that one or more trucks respond. There has been an increase of 250% in the number of telephone calls handled by the Red Network. We had to request Mutual Aid four times in one such case - our request was for two other departments.

Atkinson's Request for Mutual Aid	4
Plaistow	4
Hampstead	1

In closing, I would like to take this opportunity to thank the men and women of the department and the townspeople for their continued support of their Volunteer Fire Department.

DONALD MURPHY
Fire Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool, but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

<u>Forest Fire Record:</u>	<u>State</u>	<u>District</u>	<u>Town</u>
Fires reported	617	183	30
Acres burned	244	88	2
Acres average size	.395		.033

RALPH STEVENS
District Fire Chief

DANIEL W. STEWART
Forest Fire Warden

REPORT OF THE POLICE DEPARTMENT

1973 was a very productive and, once again, the busiest year in the history of this department.

The faith you showed at Town Meeting in our sincere efforts, your tremendous support in helping us retain our much-needed extra patrol hours, and the generator that enabled us to operate through five major power failures without the frightening thought of who might need help that we could not know about, has been of great value to the town. Our cruisers could be on the road where needed along with the Road Agent, whose radio has been invaluable to all of us. On three of these power failures, because of our communication system, we could direct the Electric Company to the different sections of town where needed without wasting time for them to find wires down, etc.

Since last March, when we had only one four-channel Mobile County Radio, we have acquired two more four-channel Mobile Radios, a four-channel Base Station and one four-channel Portable Radio, at no expense to the Town. This equipment is worth several thousands of dollars. Now the dispatcher is in instant contact with all area departments, Sheriff's department and State Police.

The following facts and figures are submitted to acquaint you with the operation of the Police Department in the year 1973.

Our telephone system handled a total of three thousand, eight hundred and ninety nine (3,899) calls, seven hundred and fifty eight (758) more than last year. The clerk made one thousand, four hundred and forty four (1,444) calls pertaining to police business. Many more were made by radio that, in most cases, saved the town toll charges and are much quicker. Total number of miles traveled - thirty-two thousand, three hundred eighty-six (32,386). Total number of Man hours - three thousand, one hundred forty-five (3,145). Man hours include the Chief and deputy administration, investigations and special patrols, emergency and planned patrols. Court hours for traffic violations and complaints. Most important of these calls are listed as follows:

Police Business	2,225	
Complaints - One-third needing Officer follow-up	354	
Complaints requiring one or more Officers immediately	570	
Residents Away - Checked by Patrol	280	
Fire Calls requiring one or more Officers	54	
Accidents: 22 with cars totalled		
2 Hit & Run - 1 caught		
1 Car & Pedestrian		
23 Minor	Total	48
All needing one or more Cruisers		
11 needing Ambulance		
5 calls from private homes - Officers and Ambulance		
House Breaks:		
Breaking & Entering with articles taken		
Daytime 9 - Nighttime 7	16	
Breaking & Entering - nothing taken		
Daytime 0 - Nighttime 3	3	
Articles taken from private property		
Outside Daytime 1 - Nighttime 10	11	
3 & 5 Speed Bicycles taken outside	7	
Attempts - no entrance gained	9	
Camps closed for Season:		
Articles taken night	5	
Nothing taken night	5	
	Total	56

Police Investigation Results:

Scared away by Patrol or Alarms	4	
Solved but not proven	9	
Items taken - found & returned	2	
Case solved - Court action taken	<u>1</u>	
	Total	21

We stopped and prevented from returning to our town on four different occasions, with intent to commit robberies, vehicles. Getting names of drivers, passengers and registrations, letting them know they are suspicious to us. Checking with their Police Departments and getting confirmation of their intent.

Each year, we ask you as residents to please be more aware of what is going on around you. We can accomplish only what we see without your help. Let us know when your property is unattended, when you see or hear anything that disturbs you. Anytime you see a strange car more than once within a short period of time in your area, call and let us know. Try and notice color of car, registration number, anything that will help us in investigating your complaint. There have been too many malicious damage reports this year. Flags stolen, bicycles stolen, damage done on and to people's property, all in the late evening hours. When you see a group of boys walking or riding around in cars, call and let us check them out. If they have nothing to hide, they or their parents will realize we are only trying to protect all of you.

Because of a resident's alertness when a suspicious car stopped at his house and calling immediately, giving color, registration number, description of a man, this department was instrumental in the capture of two subjects wanted by five area towns, and the recovery of more than (\$130,000) one hundred, thirty thousand dollars worth of merchandise. Also important is if this resident had not called, we probably would have had a house break that day.

We are as near as your telephone. The number is 5536. It is covered twenty-four hours a day. In an emergency, speak slowly, clearly, state your name, where you live and your problem.

This has been a most satisfying year as your official Chief of Police. I wish to stress the helpfulness of your calls to the department. The professional attitude and competence of the office personnel and all officers is most gratefully appreciated.

Respectfully submitted,

ROBERT M. CONLEY
Chief of Police

REPORT OF THE HIGHWAY DEPARTMENT

1973

The year of freezing rains and ice storms and generally wet weather - it was salt, sand and patch, etc. New culverts were installed at Sleepy Hollow Road, Sunset Drive and Sawyer Avenue.

Approximately nine miles of town roads have been resurfaced. Providence Hill Road has been completed under T. R. A. Funding (State Matching Funds).

This year's T. R. A. Funding is allocated for a section of Summit Drive and West Side Drive. With added streets, one (1) truck had to be added to the snow plowing fleet. We now use four (4) trucks and two (2) four-wheel drives.

I wish to express my appreciation to the townspeople for their cooperation during the past year.

Respectfully submitted,

DANIEL W. STEWART
Road Agent

REPORT OF THE KIMBALL PUBLIC LIBRARY

The past year has been a very active one for the Kimball Public Library. It has also been a year filled with anticipation, zeal, and hard work by the Trustees, Librarians, and the Friends of the Library. Perhaps the most outstanding event of the year was the approval given to the Trustees by the townspeople to use \$35,000 of Revenue Sharing Funds toward the construction of an addition.

In view of this, Mr. Alexander Majeski of Bedford, N. H. was engaged to draw up plans for the proposed addition to the present library. A building committee consisting of Mr. John Tateosian, Harvlin Betournay, Jeffrey Kemp, Martin Feuer, Philip Consentino and Mrs. Joanne Krause was formed to help the architect, librarian, and the trustees in every possible way in this project.

Copies of Mr. Majeski's preliminary plans were mailed to residents of the town in hopes that they would study them and vote favorably at town meeting, March, 1974, for the use of an additional \$50,000 in Revenue Sharing Funds to start construction. Atkinson needs more room in the present library. All the reasons for expansion, outside the present building, have been presented before. They have not changed.

Circulation at the library has increased, but additional shelf space has not. The Friends of the Library have worked hard all year to make the needs of the library known to the residents. They have conducted several major fund-raising events, such as the Strawberry Festival and the annual book and bake sale. Public support of these affairs was most gratifying.

The Friends have also started a Mother Goose Hour at the library. The class was quickly filled and there is a waiting list for the next series. Enrollment was limited to fifteen children due to lack of space. With more adequate facilities, more programs of interest could be offered to more people.

The library has been opened one morning each week this year to be of service to students attending double sessions at Timberlane. The Librarians have been most cooperative in assisting patrons of the library and in obtaining materials.

Ten storm windows have been purchased for the remaining windows in the rear of the building to help conserve fuel. An electric typewriter has also been purchased to replace the Librarian's own personal one that finally gave out.

We have subscribed to several more magazines, bringing the total to thirty-three. We hope our patrons will take time to browse through them and find something to meet their pleasure. We have purchased four hundred and ninety new books of every description, also a 30 volume set of the Americana, a Lincoln Library, 35 volume of World Life Books, 12 volume Time-Life Books and 8 volume of How and Why Science Books.

The Bookmobile has supplied us with nearly 1,500 books, coming about every ten weeks. The staff and trustees would be most happy if you could come in and see what we have. If something special is needed, we can get books directly from our State Library in Concord for you.

We need space, the need is truly great. So much can be accomplished with these Revenue Sharing Funds and yet, so little effect on our tax dollars. Our sincerest hope is that you will come to town meeting and vote to use these funds toward a project that will do so much in so many ways for the Town of Atkinson.

Expenditures of Fines

REPORT OF THE PLANNING BOARD

The Planning Board meets regularly on the fourth Thursday of each month. Past years, we have not met during July and August due to vacations, plus the small workload. This year, we've been so busy we have had to hold meetings right through the summer.

It is now mandatory to have a public hearing before any subdivision can be approved. Anyone contemplating a subdivision of land should take into consideration all the necessary steps involved. Please allow a few months' time between the preliminary plan presentation and the final stamp of approval.

We are gathering information on Cluster Zoning and also land use zoning to see if we can improve in any way on our present zoning. No method is foolproof, but we would like to be well acquainted with all types. If we make a change, we want to be sure it is advantageous to the town and also one that is legally defensible.

We have started procedures to procure land from subdividers for recreational and other town uses. Not all of this land will be available right away, but in the long-range plan, we are sure the town will benefit greatly.

We are thankful for the cooperation of Mr. James Grimes, Town Engineer, and Mr. Frank Devlin, Building Inspector, who have attended our meetings faithfully and worked along with us.

Respectfully submitted,

MAURICE COLLINS
Planning Board Chairman

ATKINSON RECREATION AND CONSERVATION COMMISSIONS

The recreation program for the children of Atkinson is growing every year. Sixty boys from this town participated in Little League, and another 80 played on the minor league teams. The football and basketball teams also attracted a record number of boys. Girls' softball had almost 80 players, and the summer Arts and Crafts program involved 275 boys and girls, as well as several teenaged assistants. The Atkinson Days Dance also set a record for attendance.

Much progress has been made on the Pope Road Recreation Area: there is now a good gravelled road and parking lot, and the ballfield will be in use this spring as soon as the backstop is up and the base paths are cut in. Phase II of the project, tennis courts and picnic sites, will make the area even more useful to the people of Atkinson. Tentative plans include tennis coaching sessions and a tournament for junior and senior high students in the summer of 1975.

The New Hampshire Association of Conservation Commissions has kept us informed on the new laws and additional responsibilities pertaining to the local conservation commissions. The six members of your Recreation and Conservation Commission feel that, with the expanding recreation program and the additional conservation duties, they can no longer do justice to both activities. For this reason, we would like to establish two separate commissions and get more townspeople involved in both programs.

REPORT OF THE BUILDING INSPECTOR

There were 129 permits issued in 1973 with the breakdown as follows:

<u>Permits Issued</u>	<u>Builders Est. Cost</u>
63 New Homes	\$1,612,000.00
28 Additions/Alterations	124,000.00
9 Garages	25,600.00
1 Storage Building	5,000.00
4 Barns	5,300.00
<u>24 Pools</u>	<u>54,670.00</u>
129 Total Permits	Total Valuation \$1,826,570.00

Comparison of Previous Years

<u>Year</u>	<u>No. of Permits</u>	<u>Estimated Cost</u>
1972	110	\$1,899,555.00
1971	67	1,165,325.00
1970	49	759,550.00
1969	49	485,600.00
1968	31	185,400.00

All buildings, additions and alterations having a valuation of \$500.00 or more require a building permit.

Respectfully submitted,

FRANK E. DEVLIN
Building Inspector

REPORT OF THE HEALTH OFFICER

This past year has been another reasonably healthy year for Atkinson residents with practically no contagious diseases being reported; the only exception being an outbreak of Chicken Pox in November.

Sanitary permits for new construction have increased in 1973, with 82 new leach systems and 39 reconstructions of existing systems.

With my appointment as Health Officer, it has been an education and experience.

Respectfully submitted,

DANIEL W. STEWART
Health Officer

TOWN ORDINANCES

November 17, 1969

All inground pools are to be completely enclosed by a fence which must be a minimum of four (4) feet high. Above ground pools, when not attended, must have a gate or other protection to prevent accidental access.

June 11, 1973

The above is amended to read: "Above ground pools, 30 inches to 4 feet, must be enclosed with a four foot fence. Pools with a retractable ladder do not need a fence."

June 15, 1970

Horseback riders are hereby notified that riding is restricted to 8 p.m. during daylight saving. The ordinance also states that there is to be no riding on public or private property without authorization of property owner. In event further complaints are received by the Selectmen, more stringent measures will be adopted.

October 2, 1972

As provided for in RSA 41:11 the Selectmen order the restraining of any individual or group of individuals using Dow Common, Town Cemeteries or any other town property as a place to loiter. Any individual or group of individuals who are directed by the proper authority to vacate these premises and refuse to do so, shall be placed under arrest and fined ten dollars for the first offense and twenty dollars for the second such offense.

If you are a registered voter and would like to serve as a member of the following boards or commissions, please fill out the form below, checking your area of interest and submit to the Selectmen's office.
