1986
ANNUAL REPORT
of the town of
Canaan, New Hampshire

University of New Hampshire
Library

"....night and day were the same,
when one beckoned, he came ..."

Dr. Israel Dinerman came to Canaan in 1937, and gave us good care for half a century. He retired from his medical practice on December 31, 1986.

From all the babies he delivered, their mothers, fathers, and all he tended - thank you, doctor.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

Grafton, s.s.

Town of Canaan

To the inhabitants of the Town of Canaan, New Hampshire who are qualified to vote in town affairs.

You are hereby notified that the annual town meeting of the Town of Canaan, New Hampshire will be held at the Canaan Elementary School on Tuesday, March 10, 1987 at 10:00 A. M. to act upon the following articles:

ARTICLE 1: To vote by non partissan ballot for the following town officers:

One Selectman to serve for a term of three years.
One treasurer to serve for a term of one year.
One overseer of public welfare to serve for a term of one year.
One cemetery agent to serve for a term of one year.
One road agent to serve for a term of one year.
Two members of the planning board, each to serve for a term of three years.
One member of the planning board to serve for a term of two years.
Three members of the budget committee, each to serve for a term of three-year term of office.
One member of the budget committee to serve for a one year term.
Two library trustees, each to serve for a term of three years.
One trustees, each to serve for a term of three years.
And any other town officers that may be required by law.

Polls will be opened for voting by ballot for the election of town officers at the Canaan Elementary School on Tuesday, March 10, 1987 at 10:00 A. M. and will close at 6:00 P. M. unless the town votes to keep the rolls open to a later hour.

At the close of the polls the meeting will be adjourned until 1:00 P. M. on Saturday, March 14, 1987 at the Canaan Elementary School at which time the following business will be transacted. To vote on Articles two through nineteen.

ARTICLE 2: To hear the reports of agents, auditors, committees, or any other officers and to pass any vote relating thereto.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$300,000 dollars for the purpose of defraying the cost of preliminary and final plans and specifications or other preliminary expenses incidental to or connected with a proposed municipal sewerage system (the "Project"): said sum to be raised through the issuance of bonds and/or notes by the Town in compliance with the Municipal Finance Act, RSA 33, as amended, the Selectmen being authorized to invest the proceeds of such bonds or notes, to appropriate the interest earned thereon for the Project: to issue, negotiate and deliver such bonds and notes and to determine the rate of interest thereon, the maturity and the other terms and provisions thereof as may be in the best interests of the Town: to contract for, accept and appropriate any federal, state or other funds and/or grants for the Project, the Selectmen being authorized to take all steps necessary to

cause the Town to comply with the terms and conditions of such grants and to take any other action or pass any other vote relative thereto.

- ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$11,500.00 for the purpose of purchasing a chipper for the highway department. (Budget Committee - Not Recommended)
- ARTICLE 5: (by petition) To see if the Town will vote to raise and appropriate the sum of \$3,861.00 for the purchase of protective bunker pants for the fire department. (Budget Committee - Recommends)
- ARTICLE 6: To see if the Town will vote to raise and appropriate and authorize the withdrawal of \$24,172.00 and any accrued interest for that use from Federal Revenue Sharing Funds. (Budget Committee - Recommends)
- Police Department \$24,172 and accrued interest.
- ARTICLE 7: To see if the Town will vote to create a Capital Reserve Fund for the purpose of re-evaluation of all property in the Town of Canaan and to raise and appropriate the sum of \$35,000. (Budget Committee - Recommends)
- ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$25,000 for land acquisition. (Budget Committee - Recommends)
- ARTICLE 9: (by petition) Shall we adopt the provision of RSA 72:37 for the exemption for the blind from property tax? This statute be exempt each year from the property tax on a residence to the value of \$15,000.
- ARTICLE 10: To see if the Town will vote to rescind action taken at a previous town meeting not to elect the position of welfare director beginning in the year 1989.
- ARTICLE 11: (by petition) To see if the Town will vote to give the CANAAN F.A.S.T. INC., exclusive use of the old CANAAN FIRE STATION (NEXT TO THE TOWN HALL).
- ARTICLE 12: To see if the Town will vote to have the dump contract, commencing in January of 1989, be a contract to include door to door pickup. (Budget Committee- Recommends)
- ARTICLE 13: To see if the Town will vote to adopt the provision of RSA 72:a-c which authorizes the Town to elect not to assess, levy and collect a resident tax.
- ARTICLE 14: To see if the Town will authorize the Selectmen to dispose of tax deeded property by public auction to the best interest of the Town.
- ARTICLE 15: To see if the Town will authorize the prepayment of resident and property taxes due the Town to the tax collector as provided in P.S.A. 80:1-a and 80:52-a.

ARTICLE 16: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

ARTICLE 17: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town Meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, provided that such expenditure be made for purposes for which a town may appropriate money that such expenditures not require expenditure of other town funds. Further, that the Selectmen hold a public hearing prior to accepting and spending the money. R.S.A. 31:95-b.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$1,244,755 to defray town charges during the ensuing year as submitted by the Budget Committee and that this represents the total amount voted including money raised in preceeding special articles.

ARTICLE 19: To transact any other business that may be legally brought before this town meeting.

A true copy, attest

Mary D. Hathorn, Chairman
Daniel B. Ware
Edward Labrie
BOARD OF SELECTMEN

NOTICE OF PROCESSING ABSENTEE BALLOTS

Absentee ballots will be processed commencing at 3:00 P. M. on March 10, 1987 at the Canaan Elementary School Gymnasium.

Milton Wilson, Moderator

CEMETERY REPORT

The cemetery expenses for 1986 totalled \$8727.75. Salaries \$5707.75; Equipment \$780.00; Supplies and Gasoline \$800.00; contract services \$1440.00. From the sale of cemetery lots we received \$1600.00. Reimbursements from the perpetual care fund was \$7223.52.

A deteriorated maple tree was removed from Wells Cemetery. In Sawyer Hill Cemetery the dead wood was removed from the trees.

There were fifteen burials which is a seperate item from the Cemetery budget.

A total of 801 hours was utilized for regular maintenance of the cemeteries listed below:

- | | |
|-----------------------|-----------------------|
| Wells Cemetery | Canaan St. Cemetery |
| West Canaan Cemetery | St. Mary's Cemetery |
| Sawyer Hill Cemetery | Atwell-Jones Cemetery |
| Birch Corner Cemetery | Cobble Hill Cemetery |
| West Farms Cemetery | *Schofield Cemetery |

*The West Canaan 4-H Club volunteers the maintenance of this cemetery as a project.

Respectfully submitted,
Charles S. Adams, Cemetery Agent

PLANNING BOARD REPORT

The Planning Board has met regularly on the second and fourth Thursdays of each month.

A total of twenty-five subdivisions have been approved in the course of the year.

With the help of the Upper Valley Lake Sunapee Council staff work on the revision of the Master Plan for Canaan has been continuing on the alternate weeks. Progress is being made and it is hoped that by spring that it will be ready for public presentation. Much hard work by members of the Board and interested members of the community have gone into its development and their time and efforts are greatly appreciated.

Respectfully submitted,

Wylie Mitchell
Chairman

FINANCIAL REPORT
For The Fiscal Year Ended December 31, 1986

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

SELECTMEN'S REPORT - 1986

The year 1986 has been very rewarding in many aspects. The Town is beginning to experience growth and will see many changes in the next few years. The projects which are now underway will pave the way for expected growth.

The Canaan Village Water Improvement Project is slowly progressing to the construction phase. We are now in the process of acquiring easements and land for the tank site. The inspected completed date is late next fall.

Another project which is in progress is the Town's Wastewater Feasibility Study which is near completion. The engineers have done site surveying and are quite satisfied with the results. After completion of the study, the next step is a wastewater design. We are aware that this is a burden on the taxpayer, but federal and state funding will not be available much longer. If this project is not done while funding is available the cost to the Town would be astronomical.

The work on the Grange Senior Center building is completed. The directors of the Meals-on-Wheels Program are excitedly making plans to move into the building in the very near future.

Last but not least by any means, the new fire station on Parker Street is nearly completed. Such great effort and team work has been shown by the firemen in constructing this building. We would like to take this opportunity to thank all of the volunteer workers and businesses who have made donations of their time and materials.

In closing, we would like to thank our many citizens for donating their time on the various committees.

Respectfully,

Mary D. Hathorn, Chairman
Daniel B. Ware
Edward Labrie

BOARD OF SELECTMEN

LIBRARY TRUSTEES' REPORT

During 1986 the newly-expanded, six member Board of Trustees of the Canaan Town Library approved a personnel policy. The Trustees gratefully accepted a \$1000 gift from Dr. Dinerman which was used to enlarge and upgrade our reference collection. Jo Moulton and Ann Ford donated many hours of volunteer labor to our library. We had a particularly successful Summer Reading Program this year. The Trustees formally thanked fellow trustee Lepheryn G. Clarke for her many years of service as treasurer.

The Library Trustees look forward to improving and expanding services to our library patrons during the coming year.

Respectfully submitted,

Nancy B. Loomis,
Chairman

ROAD AGENT'S REPORT - 1986

The winter of 1986 kept the highway department very busy with sanding, resanding and salting our highways. Mud season was moderate with only a half dozen real bad trouble spots and passed in about two and a half weeks.

The summer construction season was an extremely wet one. In spite of all the rain we did manage to complete all of our special work projects slated for 1986. These include the dredging of a drainage ditch and the replanking of the River Road bridge. We tore out the Blackwater bridge and assembled and installed a 21'3"X6'10"X40' multi plate aluminum box culvert. With our on going annual maintenance we trimed the turf from the edges of the sidewalks in the Village and prepped the Canaan Street sidewalks. I hope to complete shimming to the North church this year.

On our highways we grader shimmed the entrance to the public beach, Apple Blossom Lane, Roberts Road, Switch Road, River Road and the north bound lane from Pit Road to the Turnpike. I requested additional money to do some much needed shimming on the Turnpike and Jerusalem Road but the request was denied. The rain held off permitting us to complete our summer sealing operation. The roads sealed are Follensbee, Talbert Hill Road, Codfish Hill, and the Switch Road from Route 4 to Pit Road, Goose Pond Road from Route 4 to just beyond the Richard Licence residence and the Turnpike from Brainard Road to the end of the asphalt at King Hill Road.

Our road side mowing program is starting to pay off with increased visability and leaving more space on the side of the road for snow removal. This operation unfortunately in the early stages is unsightly but when followed up with remowing, the trees will turn to mulch and the final result is well groomed manageable road sides. Drainage is the most important factor in building or maintaining any roadway. I am pleased to report that we have made great progress in the past two years and after the 87 summer work season our culvert maintenance program will be just where we want it with less than 10% annually requiring any maintenance or repair.

The highway department purchased two new vehicles last year. One is a G.M.C. one ton dump truck and the other (the pride of the department) is a S series model 1954 International. I would like to take this opportunity to thank the residents on behalf of my department for there support in the purchasing of new equipment. It makes our task of providing fast winter service to you much more possible.

In June of 1986 I attended a road surface management course and I met Charles Goodspeed from the civil engineering department at the University of New Hampshire. I asked Charles how a computer could benefit a small town highway department like mine and he said perhaps we should find out. Charles has made the Canaan highway system a project for his engineering students. In Oct. the ARAN (automatic road Analyzer) came to town to do a road inventory. The data will be compiled and put into a AT&T computer which will be loaned to the town for four months. I will be working with the engineering students and perhaps this fall I will be able to tell you how a computer can benefit a small town highway department like ours.

Sincerely,

Allen Lary
Road Agent

UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Upper Valley Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issue that are important to our communities.

The Upper Valley Lake Sunapee Council is the official organization that brings together towns and cities within our region. By bonding together and pooling their resources, local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

Half of your local dues to the Upper Valley Lake Sunapee Council supports regional planning and regional programs. Over the past year, the Council:

- o prepared the Upper Valley Solid Waste District Management Plan and provided administrative services to the Solid Waste District;
- o sponsored and helped organize the Upper Valley Household Hazardous Waste Collection Program and provided assistance to the New London League of Women Voters to help create a similar collection program in the New London area;
- o worked with several communities in the Lake Sunapee area to develop a solution to their septage disposal problem;
- o maintained our regional data base, including our role as a Regional Data Center for the U.S. Bureau of the Census and updated and published the Economic Profile of the Upper Valley Lake Sunapee Region which is the primary source of economic and demographic data for our region;
- o provided an Economic Development Agent for Sullivan County to help retain and expand employment opportunities in the area;
- o testified on several bills before the legislature, including the Connecticut River Resource Authority Bill, and distributed summaries of new and amend legislation to our communities;
- o testified on Vermont's 5-year highway plan and New Hampshire's 10-year highway plan;
- o sponsored the Municipal Law Lecture Series;
- o sponsored two meetings on groundwater protection and distributed model ordinances to each community in the region;
- o provided administrative services to the Upper Valley Community Land Trust and worked with the Connecticut River Watershed Council, Hanover Conservation Council and Society for the Protection of New Hampshire Forests to negotiate voluntary conservation easements and deed restrictions to protect open space and conservation lands;

- o continued the regional historic preservation program, including historic surveys, national register nominations and historic preservation plans;
- o coordinated efforts to secure state funding for the Upper Valley Transportation Study and the Cheshire Bridge and completed numerous traffic studies for our communities;
- o provided technical assistance to Advance Transit and County Coach;
- o helped over a dozen communities seek state and federal grant funds by providing technical assistance, data and in most cases, preparing the grant applications;
- o conducted a survey of application fees for local land use regulations and distributed the survey results to several communities;
- o met on numerous occasions with state department heads and legislators to discuss the needs and interests of our communities; and
- o updated and amended the Regional Land Use Plan.

As requested by communities, the Council conducted a large number of impact studies concerning proposed developments, prepared amendments to local subdivision, zoning, site plan review, and earth excavation regulations and provided mapping, drafting and other technical assistance.

The UVLSC has also provided a number of specific services to the Town of Canaan over the past year, including assisting the Planning Board in completing the Town Master Plan. In addition to the preparation of eight individual chapters this included updating the Town's Existing Land Use Map. After preparing successful applications last year to secure \$700,000 in Community Development Block Grant and Farmers Home Administration funds and a \$426,000 low interest FmHA loan, the Council provided administrative assistance relating to the Water System Improvement Project as well as for the Grange Hall Senior Center Project. Day-to-day technical assistance included working with the Soil Conservation Service on floodplain mapping and working with the local Historic District Commission.

The Council's staff of professionals stand ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations: however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

ADVANCE TRANSIT REPORT

During 1986, its fifth year of operation, Advance Transit provided approximately 265,000 passenger trips to the Upper Valley. Of these, nearly 20,000 trips were provided to Canaan residents. Currently we make thirty-two stops daily in Canaan, between 5:50 A. M. and 6:05 P. M.

This year saw the development and implementation of a long range plan for increased handicapped accessibility in our public transit system. This program will dramatically increase the mobility of handicapped people in the area. In addition, we are currently exploring various opportunities for the consolidation of transportation services, with the goal of providing maximum service to the transportation disadvantaged.

The first phase of our capital campaign has been completed. We currently have on order a new fleet of larger, more comfortable vehicles. We also have been able to assist local human service agencies in ordering vehicles to meet the transportation needs of their clients.

CRUISER OPERATION

Total Cruiser Mileage 47,004
Gallons of Gasoline Used 3,701

1986 has been the most challenging year to effectively administrate the operations of the Canaan Police Department.

At the Town Meeting in March 1986 the Townspeople voted to maintain the police department staff as it was, regardless of having to comply with overtime pay for the officers. Selectman Charbono and Ware rejected this vote of the people and cut 5 part-time officers from the department.

Compounding this problem of being severely short handed, the department experienced a 62% increase over 1985 in the major crime areas of Theft, Burglary, Assault and Sexual Assault. This huge increase in the amount of investigative work needing to be done was hampered severely by the shortage of police personel.

I am happy to report that with the resignation of Selectman Charbono and the appointment of Edward Labrie as selectman, along with the continuing support of Selectwoman Mary Hathorn, progress is being made in getting the Canaan Police Department back on track. My outlook for the future is certainly hopeful.

With the Canaan Fire Department nearing completion of their new facility, I have requested \$15,000.00 for the renovation of the former Fire Department building into a Police Station. I have received widespread support in this project to date. In the same spirit as has been displayed by those dedicated members of our Fire Department, most of the labor will be volunteered in the construction of the Police Facility.

I wish to thank all the citizens who supported me through this most trying year.

Sincerely,

Jonathan E. Putnam
Chief of Police

REPORT OF THE MEETING HOUSE COMMITTEE - 1986

Attention was concentrated on interior restoration in 1986. The main floor was smoothed and painted. Pine wainscot around the ground floor was repaired or replaced. Plaster of the north wall at the balcony level was redone, and wood trim around the former pulpit area was repaired. A number of used benches from the previous slanting ground floor areas were altered and installed around the perimeter of the ground floor. Deacon's benches which have been in storage were retrieved, cleaned, repaired and replaced in the building. The original south entrance door was opened up for use, with granite outside steps.

Remaining old interior wiring was removed or disconnected and six new circuits of modern construction were installed. These provide for lighting of the main ground floor area including emergency light and service outlets, for the east vestibule and entrance door, the exterior of the belfry, and the interior of the clock tower.

With the completion of the foregoing work it became possible to conduct limited activities in the building which do not require complete service facilities. Accordingly the building was opened to public visit and inspection on the weekends of July 4 and August 2 (Canaan Old Home Day). Events included an open house, a bake sale, a flea market, a display of hooked rugs made by ladies of the area, a historical slide show of scenes on Canaan Street, and an exhibit of historical and informational data on the Meeting House itself. The visitor attendance and interest were gratifying, and the comments on the building and the restoration project were generally favorable. A number of on-the-spot donations were received, and the total proceeds from the sales were significant.

The financial balance for 1986 is as follows:

Funds on hand, January 1, 1986	\$	7,152.30
Gifts received		12,595.00
Proceeds of fund-raising events		1,243.45
Bank interest		<u>415.36</u>
Total funds available	\$	21,406.11
Expended for restoration work	\$	<u>9,780.00</u>
Net funds on hand as of January 13, 1987	\$	11,626.11

In 1987 it is planned to repair the plaster and wood trim around the east, south and west walls of the balcony, restore the balcony railing, plaster the north wall pulpit area at the ground floor area, and begin restoration of the interior of the clock tower. This work will bring the project to the point at which it will be necessary to start planning the proposed new service wing on the west end and to organize and launch a large scale fund raising program to finance it.

CANAAN HISTORIC DISTRICT COMMISSION - 1986

A vote of the Town was taken on March 11, 1986 by ballot to establish the Canaan Historic District and by vote at the Town Meeting on March 15, 1986 to create a Historic District Commission. Both were successfully voted in the affirmative. This was done as some question as to the legality of actions taken by the Town in the 1968 and 1969 Town Meetings with regards to these matters had been raised.

A Public Hearing was held on August 6, 1986 for the revised regulations for the Canaan Historic District at the Canaan Meeting house. The Commission adopted the Regulations as revised after the hearing on that date.

A copy of the Regulations were filed with the Town Clerk on August 29, 1986 and mailed to all property owners in the District September 4, 1986.

The Commission voted in meeting September 6, 1986 to commend Mr. Harold Wyman for his book "The Historic District of Canaan, N.H." in recording the houses and buildings of the District.

Respectfully submitted,

Wylie Mitchell, Chairman
Nancy B. Loomis
Margaret C. Taussig

OLD HOME DAYS REPORT

The 1986 "Old Home Days" weekend was combined with the 225th Birthday Celebration of the Town of Canaan and was very successful. We would like to thank everyone that participated and gave their time to make the weekend a pleasant and successful event.

Friday, August 1st the Policemen's Lobster/Chicken BBQ dinner on the Common opened the festivities. Followed by the Firemen's Auction. On Saturday, August 2, the Crafts Fair and Food Concessions opened at 9:00 A. M. on the Common and at Williams Field. The theme of the parade was "Children's Stories" and there were many interesting floats entered. The parade was led by the Norwich-Hanover Band. Three hours of entertainment at Williams Field followed the parade with a concert by the Norwich-Hanover Band, the Foggy Mountain Cloggers, Clogging Demo, the Mt. Cardigan Square Dance Demo and the Cardigan Mt. Traditional concert. At noon, the birthday cake for Canaan's 225th Birthday was cut and served to all in attendance. The "Flower Show" at the Legion Hall was opened all day, as was the Historic District on Canaan Street, the Old Meeting House - North Church and Museum Building.

There were games for the children and horseshoe pitching at Williams Field. There was also a Rug Hooking demonstration and exhibit at the Old Meeting House. Other events on Saturday were Soap Box Derby on High Street, Fast Squad Lottery Drawing and the Ronald MacDonald Magic Show. At 8:30 P. M. through 12:30 A. M. dancing under the tent with the Rocky Road Band was enjoyed.

Sunday August 3, Morning Church Services and at 1:30 P. M. Raft Races at Canaan Street Lake. At 8:00 P. M. the Old North Church Committee held a Slide Program at the Old Meeting House on the History of Canaan Street. This was well attended and a very pleasant closing for the Old Home Days weekend.

Due to lack of interest and participation in "Pumpkin Day" the committee has decided that it will not hold Pumpkin Day, but will reevaluate the situation for 1988. In November we held a Thanksgiving Dinner Basket raffle.

Funds for the Old Home Days of \$2,323.87 were raised by donations, sale of T-Shirts, sponsorship of the program, a public dinner in the Spring and town funding. Expenses totaled \$2,187.19 for Old Home Days.

The committee holds meetings from February thru December on the first Tuesday of each month to plan the Old Home Days Celebration and activities. Dates for 1987 are July 31st, August 1st and 2nd.

We are always open to suggestions to make the Old Home Days interesting to everyone in the community. If you have any ideas, please let us know.

Respectfully submitted,

The Old Home Days Committee
Georgia M. Tilton
John Ricard
Co-Chairman

MASCOMA HOME HEALTH SERVICES, INC.

The staff and board of Mascoma Home Health Services has been very active this year responding to the many changes that are occurring locally and nationally in the health care field. Cost of health care has become an issue at all levels. The need to operate efficiently and effectively has never been more important than now, with the marked reductions in State and Federal funding for health care and the increase in the numbers of people of all ages in need of community health and support services.

The primary goal of the home care program is and has been to keep individuals out of costly institutions by maintaining them safely and independently in their own homes. This program is staffed by nurses, therapists, home health aides, homemakers and a social worker.

Child health services are primarily for prevention and intervention of problems that may arise in early childhood. This program now includes parent aides to assist families with parenting skills, also a "Mother for Mothers" volunteer network to provide reassurance to new mothers in need of support. The traditional well child clinics held monthly have an enrollment of 130 children. All of these services have reduced the need for acting on crisis situations which are costly and disruptive to family life.

In an effort to reduce the overhead costs of operations, Mascoma Home Health Services has made an arrangement with the Mascoma Pediatric Group in Canaan to share office space and associated expenses including clerical staff. This effort complements the efforts of both groups and strengthens health care services in the community.

We feel that we have been most fortunate to have your support for all of the programs that we provide. The financial assistance that we have received from you has helped to stretch other funding which is passed on in care to patients and individuals in need of help who otherwise might go without.

We look forward to working with you again this year.

Home Health Visits by Discipline for 1986 Canaan:

Janet C. Knight
Executive Director

REPORT OF THE CANAAN CONSERVATION COMMISSION

As the pressure to develop land in Canaan increases, so does the need to assure that such development does not endanger the Town's valuable resources. Wetlands are one of our most important resources, and one which the Conservation Commission is specifically charged by the State to protect.

As local agents for the State Wetlands Board, the Commission continues to review all Dredge and Fill Permit applications. This year, the Commission worked with a State Wetlands Board inspector and a landowner to resolve an inadvertent violation of the Dredge and Fill law. It is very important that all landowners understand that they are required by RSA 483-A to file a Dredge and Fill Permit application before undertaking any dredging or filling in a wetland or adjacent to a body of water. Applications are available from the Town Clerk.

Developing a wetlands map and inventory remains a major goal of the Commission. We hope soon to acquire a new, completed soils map of the Town, which will provide essential base information for the study.

Many thanks all who helped to clean up our roadsides on Green Up Day. It's always a big chore, but improves the Town's appearance immensely.

Respectfully submitted,

Kate Brooks, Chairman

REPORT OF CANAAN HISTORICAL MUSEUM

The first floor has been rebuilt to accommodate the Historical Museum. The wooden floor has been replaced with a cement floor and the old forced air furnace has been removed. On completion of the repainting of the walls and trim, the bookcase will be permanently installed and the entire museum will be moved to the first floor. We have ordered new security blinds for the windows which will be installed in the spring.

It is the goal of this committee to have the museum finished and ready for visitors this coming summer season.

Respectfully submitted,

HEADREST

Headrest, Inc., the Upper Valley's Information Center and 24-Hour Crisis Hotline, thanks the residents of Canaan for their support. In 1986 we served 75 Canaan residence (an increase of 25% over the previous year) in the following ways:

Assault/Abuse Children	2	Family Related	11
Assault/Abuse Women	3	Financial/Material Assist.	14
Alcohol	15	Handicapped	-
Caring Listener	10	Health Related	5
Child Care	1	Housing	10
Consumer	-	Job	2
Counselling Requested	13	Legal	4
Depression/Anxiety	6	Other Information & Referral	10
Drug Related	3	Runaway	1
Energy	3	Suicide	-
Fuel Emergency	2	Transportation	2
Lodging Req., not used	3	Volunteer, Donation	1
Lodged at Headrest	5	Collaboration	1
Lodged Elsewhere	5	TOTAL SITUATIONS	132

Twenty-four hours a day, Headrest staff and volunteers are available to provide the following services:

INFORMATION: Whenever you have a question or problem and are not sure where to turn call Headrest. We have information about local services and agencies, consumers' and tenants' rights, drugs and alcohol, and much more.

REFERRALS: We can guide you to the person or place best able to help you. We make referrals for personal or marriage counseling, legal assistance, support groups, and other emergency services.

SOMEONE TO TALK TO IN CONFIDENCE: Our hotline workers are trained to offer you understanding, respect, and emotional support in a non-judging manner. Call us when you're feeling lonely, anxious, worried, upset, or overwhelmed by something in your life.

HELP IN A CRISIS: If it's an emergency you know that someone at Headrest will be immediately available to give you personal support, and help in getting additional resources. We are a suicide prevention hotline, and have special expertise in handling crises involving the use of alcohol and other drugs.

EMERGENCY LODGING: Temporary emergency shelter is offered to those who need to take a break from a stressful living situation, and those who have nowhere else to go. Supervised overnight lodging for intoxicated persons is funded by the NH and VT Offices of Alcohol and Drug Abuse Prevention.

ALCOHOL & DRUG ABUSE PROGRAMS: We offer information, educational presentations, and individuals and family counselling about substance abuse issues.

We are extremely grateful for continued local support, and proud of our record of fifteen years of continuous service to the Upper Valley. Our thanks to everyone who supports the United Way, who volunteers at Headrest or other services, and who joined the Friends of Headrest for 1986. With your help we can continue to improve and expand our services for the benefit of all.

We welcome your comments, suggestions, and questions about our services so we can be responsive to the needs of the community. Feel free to contact us at 448-4872, the business line: 448-4400, the hotline. Thank you!

Rick Barrows,
Administrative Director

CANAAN F.A.S.T. SQUAD

Total runs for 1986 were 130 with 4827.2 miles, 248.4 ambulance hours, and a total of 1230.8 man hours involved in runs. These figures do not include time spend in training or other administrative tasks.

Income totals 14103.00 with expense running 17705.67.
Deficit 3602.57.

Income as follows:	Donations	177.00
	Run Donations	860.00
	From Towns	12500.00
	Training Income	16.00
	Fund Raising	550.00
	Grants	<u>.00</u>

TOTAL INCOME 14103.00

Expenses:	Supplies	641.06
	Equipment	475.27
	Freight	18.76
	Postage	53.90
	Administration	36.50
	Fuel	1069.01
	Ambulance Payment	4492.89
	Storage	6650.00
	Training	380.95
	Advertizing	43.00
	Maintenance	1507.33
	Communications	515.00
	Insurance	<u>1822.00</u>

TOTAL EXPENSES 17705.67

Plans for 1987 are to provide an advanced cardiac unit for our growing number of calls that require prehospital intervention in less than sixteen minutes. We are to receive a grant for \$3000.00 for this equipment and the state EMS office along with the EMS Region 1 office from Dartmouth Hitchcock is looking for matching funds for this endeavor. The initial training will be provided without cost from Dartmouth Hitchcock Medical Center. From that point on the cost of recertification and continued education would be supported by the squad itself. We hope to expand our services in such a way as to satisfy the greatest need with the least expense to the town. We are always looking for new members to help with squad activities. This may not always include actual hands on ambulance work, but may be involved with the accounting, training, fund raising or what you may think you can be of service. Should you or anyone you know be interested please do not hesitate to contact us.

Respectfully submitted,

Daniel Ware, President
CANAAN F.A.S.T. INC.

GRAFTON COUNTY COMMISSIONERS' REPORT

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents, realizing your concerns and our accountability for a fiscally conservative budget.

We have heard that budget message and continually strive to meet mandated and essential services in the most efficient and effective, yet economical manor possible. This has been reflected in tight county budgets the last two years, resulting in decreased county tax requirements. Some towns may have seen increased county taxes due to evaluation and apportionment formula used by the N.H. Dept. of Revenue Administration. However, public services at the county level still usually reflect more equitable distribution of tax dollars. County tax averages 6.2% of base property taxes.

The county is facing the same problems in the insurance market as the towns. However, we have joined in the N.H. Municipal Association's insurance programs for most coverage needs at reasonable cost. We shall also have to deal with the loss of Revenue Sharing funds in the next budget.

It is too early to make a comprehensive report on the new welfare system under Senate Bill-1. We do know that with the change in program liabilities, county costs will substantially increase, and towns should realize a decrease in welfare assistance payments. County focus under SB-1 is to serve the needs of the children, the elderly and disabled. Because the north country is growing with changing needs, growth in the elderly population, and expanded service requirements, we must look to the future to meet those needs.

The House of Correction occupancy figures have grown dramatically due to week-end sentencing, new DWI laws, and continuous one year sentencing to avoid incarceration at state prison, causing overcrowding at the Correctional facility. One option now under consideration is the construction of a two story dormitory type addition for 30 beds. The result would be a net increase of 18 beds meeting space standards under a plan in line with previous jail study recommendations, and at far less cost than a new facility.

The farm continues to be self-supporting, provides work for inmates, and offers access for experimental projects. The Register of Deeds net profit margin is 3.6% of county revenues. The Sheriff's Dept. provides essential services in transport, superior court, dispatch, and other law enforcement activities, with increased revenue in fees. The Nursing Home is one of the finest in the state.

We are proud of our county; of the dedicated staff, exemplary services and high standard facilities. Commissioners meet weekly, and encourage public attendance. We welcome facility tours.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS:

Dorothy Campion-Corcoran, Chm.
Arthur E. Snell, Clerk
Leonard F. Anderson, Comm.

UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COMMITTEE

When we think of hazardous waste, we probably picture corroding drums or a flaming tanker. It is easy to ignore our own seemingly insignificant contributions to the problem of hazardous waste disposal. Yet most of us use paint, anti-freeze, varnish, household cleaners, and many other products that are toxic, corrosive, flammable, or explosive.

What happens to the left-over varnish, the dirty crankcase oil, the insecticide left in the can, and the household cleaners? In most homes, these wastes are stored in the barn, taken to the dump, or poured down the drain into septic system pipes to treatment plants.

A number of concerned organizations and individuals in the Upper Valley banded together to address this problem. In 1984 they formed the Upper Valley Household Hazardous Waste Committee. Organizations represented on the Committee include the Upper Valley Solid Waste District, the Upper Valley Lake Sunapee Council; Montshire Museum of Science; League of Women Voters, Hanover Co-op; Hanover Conservation Council; the Green-Up Day Committee; and the Sierra Club, as well as a number of private citizens and town officials.

In November 1984 the Committee organized the Household Hazardous Waste Collection Day, the first such program to be carried out in either Vermont or New Hampshire. Held at the Hartford Fire Station, the program was highly successful, with about 110 households participating. A total of 24 fifty-five gallon drums were filled and taken by a licensed hauler to an EPA approved facility in upstate New York.

The second annual Household Hazardous Waste Collection Day was held on May 4, 1985, in conjunction with Green-Up Day. Over 130 households safely disposed of their hazardous wastes with the hauler at the former Pringle's site, now owned by Dartmouth College, on Route 120. The Upper Valley's Household Hazardous Waste Collection Day Program has become a model for other collection recently held in other regions of New Hampshire and Vermont. In comparison to other collection days recently held in other areas our collection program has had the highest rate of participation and the lowest cost of any similar program.

In 1986, over 240 household participated in the May collection, which was also held at the Pringle's site. These collections have proven themselves as not only a safe way to eliminate hazardous materials from the community, but they also serve as a terrific vehicle in educating the public about the proper use, storage, and disposal of hazardous products.

Financial support for the Collection day comes from the states of New Hampshire and Vermont, local communities, non-profit organizations and private businesses. We are very appreciative of this support and concern for our environment.

The fourth annual Household Hazardous Waste Collection Day will be held in the spring of 1987, again in conjunction with Green-Up Day.

We look forward to seeing you there!

Emily J. Heuss
Town Clerk

TOWN MEETING - MARCH 15, 1986

Article 2: To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, purchase, prescription, or gift.

A motion was made by Margo Pinkerton and then seconded by Inez Colby to accept article 2 as read. Article 2 was voted in the affirmative by voice vote.

Article 3: To see if the Town will vote to authorize the prepayment of resident and property taxes due the Town to the tax collector as provided in R.S.A. 80:1-a and 80:52-a.

A motion was made by Inez Colby and then seconded by Charles Adams to accept article 3 as read. Article 3 was voted in the affirmative by voice vote.

Article 4: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town Meeting, money from the State, Federal, or other governmental units or a private source which may become available during the ensuing year, provided that such expenditure be made for purposes for which a town may appropriate money and that such expenditure not require expenditure of other town funds. Further, that the Selectmen hold a public hearing prior to accepting and spending such money. R.S.A. 31:95-b.

A motion was made by Edward Labrie and then seconded by Charles Clifford to accept article 4 as read. Article 4 was voted in the affirmative by voice vote.

Article 5: To see if the Town will vote to authorize the Selectmen to borrow, from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the town.

A motion was made by Charles Clifford and then seconded by Scott Johnston to accept article 5 as read. Article 5 was voted in the affirmative by voice vote.

Article 6: To see if the Town will vote to appropriate and authorize the withdrawal from Federal Revenue Sharing Funds for use as offset against budget appropriations in the amounts indicated below, and further authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action thereon.

(Budget Committee - Recommends)

Town Hall Fireproof Cabinets	\$ 900.00
General Highway Department Expenses	\$41,793.37

A motion was made by Charles Clifford and then seconded by Scott Johnston to accept article 6

as read. Article 6 was voted in the affirmative by voice vote.

At this point in the meeting, with the permission of the moderator, Anthony Plante, on behalf of the Selectmen, presented a plaque to Inez C. Colby in appreciation of her services to the Town as Tax Collector from January 13, 1962 to February 5, 1986 and as Town Clerk from January 1, 1974 to March 16, 1985.

Article 7: To see if the Town will vote to authorize the withdrawal from capital reserve the sum of \$7,500.00 for the purpose of acquiring a 1986 police cruiser. (Budget Committee - Recommends)

A motion was made by Edward Labrie and then seconded by Charles Clifford to accept article 7 as read. A paper ballot was requested by the petition of fifteen legal voters of Canaan. Of 187 ballots cast, 117 were YES and 70 were NO. Article 7 was passed by paper ballot.

Article 8: To see if the Town will vote to authorize the withdrawal of \$2,000.00 from the Historic Museum Fund for the purpose of repairs and renovations to the Historic Museum. (Budget Committee - Recommends)

A motion was made by Margo Pinkerton and then seconded by Charles Clifford to accept article 8 as read. Article 8 was voted in the affirmative by voice vote.

Article 9: To see if the Town will vote to authorize the withdrawal from capital reserve the sum of \$13,000.00 for the purpose of acquiring a dump truck and a one ton truck for the highway department. (Budget Committee - Recommends)

A motion was made by Charles Clifford and then seconded by Leslie Mansur to accept article 9 as read. A paper ballot was requested by the petition of fourteen legal voters of Canaan. Of 182 ballots cast, 128 were YES and 54 were NO. Article 9 was passed by paper ballot.

Article 10: (by petition) To see if the Town will vote to raise and appropriate the sum of \$45,500.00 and to authorize the withdrawal of \$9,500.00 from the Capital Reserve Fund for the construction of a new fire station. (Budget Committee - Not Recommended)

A motion was made by Scott Johnston and then seconded by Douglas Hammond to accept article 10 as read.

Amendment: To see if the Town will raise and appropriate the sum of \$55,000.00 for the construction of a new fire station and to authorize the withdrawal of \$9,500.00 from the capital reserve fund, the balance (\$45,500.00) from taxation. The amendment was made by Tom McDermott and was seconded by Scott Johnston. The amendment was voted in the affirmative by voice vote.

A paper ballot was requested by a petition of fourteen legal voters of Canaan. Of 205 ballots cast, 172 were YES and 30 were NO. Article 10 as amended was passed by paper ballot.

Article 11: To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written guidelines prior to April 1, 1986. (Copies of the full text of the proposed guidelines are on file with the Town Clerk.)

A motion was made by Earl Charbono and then seconded by Charles Clifford to accept article 11 as read. Article 11 was voted in the affirmative by voice vote.

Article 12: To see if the Town will vote to eliminate the positions of Water Commissioners, as established by Article 14 (B) (2) of the 1976 Town Meeting, and vest the management, control, and direction of the Water Department on the Board of Selectmen.

A motion was made by Earl Charbono and then seconded by Charles Clifford to accept article 12 as read.

Amendment: To see if the Town will vote to eliminate the positions of Water Commissioners, as established by question (2) from the Adjourned Town Meeting held on June 21, 1977, and vest the management, control, and direction of the Water Department on the Board of Selectmen. The amendment was made by Anthony Plante and seconded by Gilbert Downing. The amendment was voted in the affirmative by voice vote. Article 12 as amended was passed by hand vote with 97 YES and 50 NO.

Article 13: To see if the Town will vote to establish the position of a third full-time police officer and raise and appropriate the sum of \$12,000.00 to fund said position. (Budget Committee - Not Recommended)

A motion was made by Anthony Plante and then seconded by Earl Charbono to accept article 13 as read. A paper ballot was requested by the petition of fourteen legal voters of Canaan. Of 184 ballots cast, 15 were YES and 169 were NO. Article 13 was rejected.

Article 14: To see if the Town will vote to limit the size of the police department to less than five (5) full or part-time officers.

A motion was made by Earl Charbono and then seconded by Charles Clifford to accept article 14 as read. A paper ballot was requested by the petition of fourteen legal voters of Canaan. Of 192 ballots cast, 88 were YES, 103 were NO, and 1 was spoiled. Article 14 was rejected.

Article 15: To see if the Town, under authority given to Towns by New Hampshire R.S.A. 673:4 and 673:5, will vote to create a Historic District Commission whose five members, one of whom is a Selectmen; one of whom may be a member of the Planning Board; one of whom shall have a one year term, a two year term, and one of whom, a three year term, shall be appointed by the Selectmen; and said Historic District Commission shall have all the powers and duties established by New Hampshire R.S.A. 674:46a for the purpose of preserving a district in the Town of Canaan of architectural history, of conserving property values in such districts, strengthening the local economy, and for other purposes enumerated in New Hampshire R.S.A. 674:45.

A motion was made by Albert Morris and then seconded by Margo Pinkerton to accept article 15 as read.

Amendment: To see if the Town, under authority given to Towns by New Hampshire R.S.A. 673:4 and 673:5, will vote to create a Historic District Commission whose five members, one of whom is a Selectmen; one of whom may be a member of the Planning Board; one of whom shall have a one year term, one of whom a two year term, and one of whom a three year term, shall be appointed by the Selectmen; and said Historic District Commission shall have all the powers and duties established by New Hampshire R.S.A. 674:46a for the purpose of preserving a district in the Town of Canaan of architectural history, of conserving property values in such districts, strengthening the local economy, and for other purposes enumerated in New Hampshire R.S.A. 674:45. The amendment was made by Anthony Plante and seconded by Margo Pinkerton. The amendment was voted in the affirmative by voice vote. Article 15 as amended was passed by voice vote.

Article 16: (by petition) To see if the Town will vote to designate Moose Mountain Road, so called, as a scenic road in accordance with New Hampshire R.S.A. 231:157.

A motion was made by Charles Clifford and then seconded by Edward Labrie to accept article 16 as read. Article 16 was voted in the affirmative by voice vote.

Article 17: (by petition) To see if the Town will vote to oppose the burial, storage, transportation, and production of high level radioactive waste in the Town of Canaan and the State of New Hampshire and to call upon Congress to conduct an independent investigation with full participation into the feasibility and prudence of the U.S. Department of Energy's (D.O.E.) present plan to dispose of radioactive waste, and into the D.O.E.'s competence to carry out such a plan.

A motion was made by Stephen Heath and then seconded by Edwin Miller to accept article 17 as read. Article 17 was voted in the affirmative by voice vote.

Article 18: To see if the Town will vote to raise and appropriate the sum of \$2,075,152.17 to defray town charges during the ensuing year as submitted by the Budget Committee. (Budget Committee - Recommends)

Anthony Plante made a motion to amend article 18 with the addition of \$7,500.00 from article 7, \$13,000.00 from article 9, \$55,000.00 from article 10, and \$30,000.00 for a sewer feasibility study to make the final amount read \$2,180,652.17. Edwin Miller seconded the motion. The amendment was voted in the affirmative by voice vote. Article 18 as amended was passed by voice vote.

Article 19: To hear the reports of agents, auditors, committees, or any other officers and to pass any vote relating thereto.

Anthony Plante made the motion to accept as printed the reports in the 1986 Annual Report; the motion was seconded by Gordon Gagner. Article 19 was voted in the affirmative by voice vote.

Article 20: To transact any other business that may be legally brought before this Town Meeting.

Edward Labrie suggested that the 1987 Annual Report be dedicated to Inez C. Colby.

The 1986 Annual Town Meeting adjourned at 5:30 P. M.

Respectfully submitted,

Emily J. Heuss
Canaan Town Clerk

Action taken at Special Town Meeting of May 24, 1986

The Special Town Meeting was called to order at 10:00 A. M. at the Canaan Elementary School by Moderator Milton Wilson.

Article 1: To see if the Town will vote to raise and appropriate the sum of \$30,000 for the purpose of conducting a sewer feasibility study. The purpose of the sewer feasibility study is to enable the Town to qualify for federal and state grants for the construction of a sewer project in the town. This vote would not obligate the Town to expend any money on sewer construction. Such a vote could only come at a subsequent town meeting. (Budget Committee - Recommends)

A motion was made by Marvin Rocke to accept the article as read; Charles L. Clifford seconded it. Article 1 was voted in the affirmative by voice vote.

Article 2: To see if the Town will amend the vote taken at its special town meeting on November 16, 1985, by increasing the amount of the project cost of the Canaan Village Water System Improvement Project from \$1,000,000 to \$1,113,500, provided that all such increase in the project cost shall come from grants, and that the Town shall not be obligated to borrow more than the amount of \$650,000 as set forth in such original vote of November 16, 1985, so that the vote, as amended, will read as follows:

"2. To see if the Town will vote to raise and appropriate the sum of \$1,113,500 for the purpose of construction of the Canaan Village Water System Improvement Project in compliance with the Safe Water Drinking Act, as amended, and the policies of the Water Supply and Pollution Control Commission of the State of New Hampshire. Such construction shall be in a manner which will qualify for a loan of an amount not to exceed \$650,000. The amount to be borrowed shall be in no event in excess of the amount of the project cost \$1,113,500 less the amounts of all grants of which notices has been received prior to the time of the meeting. The Selectmen are hereby authorized to negotiate such loan under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33:1 et seq., as amended). The Selectmen are further authorized to execute any documents necessary to effectuate such loan in the best interest of the Town. The Selectmen are further authorized to accept and expend any monies received from the United States of America or the State of New Hampshire as grants or reimbursements for such Canaan Village Water System Improvement Project." (Budget Committee - Recommends)

A motion was made by Marvin Rocke to accept the

article as read; Charles L. Clifford seconded it.

Article 2 was voted in the affirmative by voice vote.

The Special Town Meeting was adjourned at 10:17 A. M. by the moderator.

AUDITOR'S REPORT

Members of the Board of Selectmen
Town of Canaan, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Canaan, New Hampshire for the year ended December 31, 1985 and have issued our report thereon, dated February 14, 1986. As part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent for other such auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimate and judgment by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes or judgment, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgments required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with procedure may deteriorate.

The nature of any commentary letter might lead someone to a negative connotation regarding the Town's financial operations and business practices. However, the purpose of a letter of this type is to provide constructive recommendations by a professional independent third party.

We did note many positive aspects of Town management and procedures which we did not mention.

We would like to acknowledge the assistance extended to us by Town personnel during the course of our examination.

February 14, 1986

Carey, Vachon and Clukay
