<u>Refuse Disposal</u>	Weekly pick-up Wednesday, in containers at end of driveway (See inside back cover)	Selectmen
<u>Recycling</u>	1st & 3rd Sat. of each month, 9-12 at the Town Lot on Trundle Bed Lane	Selectmen

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

Polls will be open from 10:00 am to 7:30 pm.

You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the eighth day of March, next at 10:00 of the clock in the forenoon, to act upon the following articles:

1. To choose all necessary Town Officials for the year ensuing.
2. Planning Board Article. "Are you in favor of the addition to the existing zoning ordinance as proposed by the Planning Board?"

Proposed addition.

Chapter II - Article 8.3 - Uses Other Than Single Family Dwellings - Section B-1-g

Any change in the nature of the grounds upon which the original approval was granted requires a re-application and a new public hearing as provided.

3. Planning Board Article. "Are you in favor of the addition to the existing zoning ordinance as proposed by the Planning Board?"

Proposed change.

Chapter V - Article 3.1 - Building Permit

"Any person, persons, partnership or corporation intending to construct a new building, move an existing building, or to make structural alterations to existing buildings, said alterations to exceed \$2,000 (changed from \$500), or to locate a mobile home in Kensington shall first make an application for a permit"

4. Shall we adopt the provisions of RSA 31:95-c to restrict the revenues from Recreation to expenditures for the purpose of Recreation/Parks? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Recreation/Parks fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue.

You are hereby notified to meet at the American Legion Hall in said Kensington on Thursday, the tenth day of March, next at 7:30 pm to act upon article 5 and subsequent articles:

5. To see if the town will vote to raise and appropriate the sum of \$523,605 (Five hundred twenty-three thousand six hundred five dollars) which represents the operating budget. Said sum does not include special articles addressed.
6. Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes?
7. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? This authorization to remain in effect until rescinded by a vote of the municipal meeting.
8. To see if the municipality will authorize indefinitely, the Board of Selectmen to dispose of any and all tax deeded property. This authorization to remain in effect until rescinded by a vote of the municipal meeting.
9. To see if the Town will vote to accept Amos Tuck Road as a Town road. Said road has been approved by the Planning Board and the Town Engineer.
10. To see if the Town will vote to delegate to the Selectmen the authority to accept any new highway which has been dedicated by the landowner and approved by the Planning Board.
11. To see whether the Town will vote to authorize the Board of Selectmen to appoint the Fire Chief and further authorize the Fire Chief to appoint any and all members of the Fire Department.
12. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One hundred thousand dollars) to upgrade approximately one quarter of the town roads. This is intended to be the first of four warrant articles which will allow the upgrade of all town roads within a four year period. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the work is completed or in 5 years, whichever is less. The selectmen recommend this appropriation.
13. To see if the Town will vote to raise and appropriate the sum of \$16,273.00, (Sixteen thousand two hundred seventy-three dollars) the amount necessary to purchase and set-up one 1994 police cruiser. This consists of taking part in the bid process with the N.H. State Police, in cooperation with the bureau of purchase and property. This participation will ensure the best acquisition cost, due to the economy of scales and purchasing power of the N.H. State Police, of a new police cruiser for the town. Included in the purchase price is a 100,000 mile "0" deductible warranty. The selectmen recommend this appropriation.
14. By petition of Carol Sargent and others: To see if the Town will vote to raise and appropriate the sum of \$2,461.80 (Two thousand four hundred

sixty-one dollars and eighty cents) to the Rockingham Visiting Nurse Association for providing continued health care services to the residents of the town. The selectmen recommend this appropriation.

15. By petition of Nathalie Potts and others: to see if the Town will vote to raise and appropriate the sum of \$50 (Fifty dollars) to assist Seacoast Hospice, a non-profit organization. The selectmen recommend this appropriation.

16. By petition of Susan Varn and others: To see if the Town will vote to raise and appropriate the sum of \$550 (Five hundred fifty dollars) to the Women's Resource Center to assist in funding the Rape Crisis Intervention Program. Our agency has a 24 hour crisis hotline, advocates for sexual abuse survivors in your town and provides educational prevention programs to your children in your schools. The selectmen recommend this appropriation.

17. By petition of Alicia Crow and others: To see if the Town will vote to raise and appropriate the sum of \$1,364 (One thousand, three hundred and sixty four dollars) to Rockingham County Community Action Program, Inc. a private, non-profit, multi-service, anti-poverty agency. This amount represents 4.5% of \$30,318 (Thirty thousand, three hundred eighteen dollars), the value of services rendered to Kensington residents from July 1, 1992 through June 30, 1993. The selectmen recommend this appropriation.

18. By petition of Margaret Ruggeri and others: To see if the Town will vote to raise and appropriate the sum of \$500 (Five hundred dollars) for the support of the Seacoast Mental Health Center, Inc. The selectmen recommend this appropriation.

19. By petition of Harold Bragg and others: To see if the Town will vote to raise and appropriate \$250 (Two hundred fifty dollars) to the New Hampshire SPCA to support the many services they provide to the Town of Kensington including: Sheltering and adoption of homeless animals, Impoundment facilities, lost and found services, animal cruelty/neglect investigation, assistance to animal control officers, public information services and referrals, educational programs and services, pet therapy and more. The selectmen recommend this appropriation.

20. By petition of June A. Hampe and others: To see if the Town will vote to raise and appropriate the sum of \$100 (One hundred dollars) for A Safe Place, a private, non-profit organization which provides emergency shelter and support services for victims of domestic violence and their children. A Safe Place serves the residents of Kensington. The selectmen recommend this appropriation.

21. By petition of Barbara Greenwood and others: To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand dollars) for the support of The Richie McFarland Children's Center, \$250 for each child served-4 children served. The selectmen recommend this appropriation.

22. By petition of Michael McCarthy and others: To see if the Town will vote to provide health insurance benefits for town employees and to raise and appropriate the sum of \$15,073.32 (Fifteen thousand seventy three

dollars and thirty-two cents) for the 1994 Calendar Year. Benefits will be obtained through the New Hampshire Municipal Association Health Insurance Trust or a provider with equal or better coverage. Employees will receive Family, 2-person or 1-person coverage paid to an amount equal to the percentage of hours worked in the previous year where 40 hours equals 100% not to exceed 100%. To receive benefits employees would have worked a minimum of 20 hours per week in the previous calendar year. New employees must work for the Town for one full year before being eligible for benefits. The selectmen do not recommend this appropriation.

23. To transact any other business that may legally come before the Town Meeting.

John W. Sage
Robert A. Moll
Scott Bull
Selectmen of Kensington

RECORD OF THE MARCH 1993 TOWN MEETING
KENSINGTON, NEW HAMPSHIRE

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The polls will be open from 10:00 am to 7:00 pm.

To the inhabitants of The Town of Kensington in the county of Rockingham in said state, qualified to vote in town affairs;

You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the ninth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

The polls were opened at 10:00 am by John York, acting moderator. It was announced that the absentee ballots would be opened at the close of the polls.

ARTICLE 1. To choose all necessary Town Officials for the year ensuing.

The results are as follows:

Selectmen (3 yrs.)	Scott Lowell	196
	Pat Williams	4
	Robert Sargent	3
	Hal Bodwell	2
Town Clerk (1 yr.)	Linda C. Buxton	239
Auditors (1 yr.)	Richard Prescott	18
Vote for 2	Arabella Tuttle	15
	Joan Kaler	4
	Emmons Sanborn	3
	Robert Batchelder	2
	Les Briggs	2
	Mike Schwotzer	2
Trustee of Trust Funds (3 yrs.)	Carlton Rezendes	4
	Frances DeFreitas	3
	Hele Cohen	2
Library Trustee (2 yrs.)	Lynne Peterson-Fiske	194
Library Trustee (3 yrs.)	Edith Prescott	147
	Kathryn Cook	82
Tax Collector (1 yr)	Carlene Wiggin	245
Treasurer (1 yr.)	Carol Sargent	230

Road Agent (1 yr.)	Lucien Lizotte	211
	Chris Batchelder	3
	Robert Sargent	3
	Rafe Blood	2
Cemetery Trustee (3 yrs.)	Carlton F. Rezendes	225

You are hereby notified to meet at the Leg. Hall in said Kensington on Thurs., the eleventh day of March, next at 7:30 pm to act upon article 2 and subsequent articles:

Article 2. To raise such sums as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen's estimate of expenditures for the ensuing year is \$504,625.

Motion was made by John Sargent, Sr., seconded by John York. Ann Noll made a motion to emend the article to: "Increase the total budget by \$25,000 to \$529,625. The increase to be designated for use by the Highway Department to offset the increase costs of snow removal." The amendment was seconded by John Sargent, Jr.

Voice vote on the amendment was affirmative. After little discussion regarding the computers and consultant costs the voice vote on the amended article was in the affirmative.

Article 3. To see if the Town will grant the selectmen authority to borrow money in anticipation of taxes not to exceed \$1,000,000

Motion was made by Robert Noll to adopt the article, seconded by Gordon Swift. There was no discussion and the voice vote was in the affirmative.

Article 4. To see if the Town will authorize the selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided; (1) that such grants and other moneys do not require the expenditure of town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as by RSA 31:95-b.

A motion was made by Robert Noll to adopt the article, seconded by Karl Singer. There was no discussion and the voice vote was in the affirmative.

Article 5. To see if the Town will vote to raise and appropriate a sum not to exceed \$10,000 (ten thousand dollars) for the purchase of highway equipment and to authorize the withdrawal of this amount from the Capital Reserve Fund established for this purpose.

A motion was made by John Sargent, Sr. to adopt the article, seconded by Buzz Felch. Gordon Swift asked what equipment was needed. J. Sargent, Sr. stated that the sander needs to be replaced and hopes there will be enough money to also buy a pressure washer.

The voice vote was in the affirmative.

Article 6. To see if the town will vote to raise and appropriate the sum of sixteen thousand dollars (\$16,000.00) to do a Basic Value Update with onsite verification and interior inspections of all buildings in the appraisal system in order to bring the 1993 values in line with market values and rectify any inequities in the property cards.

A motion was made by Robert Noll to adopt the article, seconded by Karl Singer. Several residents had questions that were answered by J. Sargent, Sr.

The firm who does the regular evaluations will do the work. It is less expensive to go with them. They will inspect 85% of the homes. The Selectmen have addressed a lot of assessment complaints and we would like to rectify any inequities on the property cards. The list of small abatement is due to a computer error. John York stated that all appraisals should be equal and indicated the selectmen do the inspections and appraisals.

Article did not carry by a hand vote of:

For	16
Against	76
Abstentions	2

Article 7. To see if the municipality will vote to authorize the Board of Selectmen to accept the gift of land on Cottage Road, known as Map 5 Lot 21-1, from Alan A Savinelli to the municipality and authorize the Board of Selectmen to dispose of the said property in the most advantageous way to the town.

A motion was made by John Sargent, Sr. to adopt the article, seconded by Betty Willoughby. John Sargent, Sr. Stated that he feels this gift should be accepted by vote at the town meeting. There is no reason to hold it, so it will be sold. It is a 1 acre piece of land on the north side of the Bisbee property. It does have frontage for a house lot. It will probably be sold at public auction.

The voice vote was in the affirmative.

Article 8. To see if the municipality will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the municipal meeting.

A motion was made by Robert Noll to adopt the article, seconded by James Larson. The voice vote was in the affirmative.

Article 9. To see if the municipality will authorize the Board of Selectmen to dispose of any and all tax deeded property received by the town during 1992.

A motion was made by Robert Noll to adopt the article, seconded by Betty Willoughby. Steve Silvestri asked how the property would be disposed of. John Sargent, Sr. stated it would be sealed bid or public auction. The selectmen will look into the legalities as to whether or not this has to be voted on at town meeting, although, it is good to have town approval. Both

pieces of land are on South Rd. One has 11 acres and little frontage while the other has 1 acre with frontage.

The voice vote was in the affirmative.

Article 10. By petition of Robert Wadleigh and others: To see if the Town will vote to raise and appropriate the sum of \$196 (One hundred ninety-six dollars) to support the Rockingham Nutrition & Meals On Wheels program's meals services for older, homebound older and handicapped Kensington residents.

A motion was made by Buzz Felch to adopt the article, seconded by Doris Swift. The voice vote was in the affirmative.

Article 11. By petition of Robert Upton and others: To see if the Town will vote to authorize the Selectmen to enter into a lease/purchase agreement for a Pumper Fire Truck for the Fire Department, and to raise and appropriate the sum of Twenty Two Thousand dollars (\$22,000) for that purpose. The lease/purchase to be seven one year contracts. The total amount of the 7 yearly contracts to be One Hundred Fifty-Four Thousand dollars (\$154,000). At the end of the seventh contract the vehicle becomes Town property

A motion was made by Robert Upton to adopt the article, seconded by Gordon Swift. Robert Upton spoke to the article describing the new truck. He explained the old truck will go out to bid for sale. It is reliable but old with the original tank, the pipe plugs have blown out of the pump and they are rusty. The price of a used truck is at least \$85,000. They have checked with six manufacturers, this is the cheapest chassis and lowest price.

There was much discussion on the article and points brought out by concerned residents were: we can't afford it, economy is still bad, while on the other hand others were in favor of it. After two years of research, Susan Varn thought the fire department has done a good job finding just the right truck. Robert Upton rebutted by stating this is the best time to buy. The price of the truck has not increased in 2 years and the interest rate will be 5.5%. The old R model truck is hard to buy parts for. The tank in the old truck needs to be replaced and body work should be taken care of.

Betty Willoughby made a motion to change the article to read: "To see if the town will vote to authorize the selectmen to enter into a long term lease/purchase agreement for the purpose of leasing a Pumper Fire Truck and to raise and appropriate the sum of \$22,000 for the first year lease payment. The lease/purchase contract to be for seven years for a total amount of \$154,000. At the end of the seventh year the vehicle to become town property." It was seconded by John Sargent, Jr. there was some discussion on the wording on the amendment and the question was called. The voice vote on the amendment failed.

Harold Bragg made the statement that the selectmen are our town agents to enter into the contract. We should give them the \$22,000 for the 1st year and then it is included in the fire department budget for the next 6 years.

Results of the paper ballot vote passed:

Yes	88
No	24

Article 12. By petition of Carol Sargent and others: To see if the Town will vote to raise and appropriate the sum of \$2,461.80 (Two thousand four hundred sixty-one dollars and eighty cents) to the Rockingham Visiting Nurse Association for providing continued health care services to the residents of the town.

A motion was made by Carol Sargent to adopt the article, seconded by Dolly Jacobs.

The voice vote was in the affirmative.

Article 13. By petition of Margaret Ruggeri and others: To see if the Town will vote to raise and appropriate the sum of \$500 (Five hundred dollars) for the support of the Seacoast Mental Health Center, Inc.

A motion was made by Margaret Ruggeri to adopt the article, seconded by Jill Coffin.

The voice vote was in the affirmative.

Article 14. By petition of Barbara Greenwood and others: To see if the Town will vote to raise and appropriate the sum of \$250 (Two hundred fifty dollars) for the support of The Richie McFarland Children's Center.

A motion was made by Barbara Greenwood to adopt the article, seconded by several.

The voice vote was in the affirmative.

Article 15. By petition of Susan Varn and others: To see if the Town will vote to raise and appropriate the sum of \$550 (Five hundred fifty dollars) to assist in funding the Rape Crisis Intervention Program.

A motion was made by Susan Varn to adopt the article, seconded by Donna Harned.

The voice vote was in the affirmative.

Article 16. By petition of Harold Bragg and others: To see if the Town will vote to raise and appropriate \$200 (Two hundred dollars) to be given to the New Hampshire Society for the Prevention of Cruelty to Animals (NHSPCA).

A motion was made by Harold Bragg to adopt the article, seconded by John York.

The voice vote was in the affirmative.

Article 17. By petition of Alicia Crow and others: To see if the Town will vote to raise and appropriate the sum of \$1,026 (One thousand, twenty-six dollars) to the Greater Raymond Community Action Center, part of Rockingham County Community Action Program, Inc., a private, non-profit, multi-service, anti-poverty agency. This amount represents 4.5% of \$22,798 (twenty-two thousand, seven hundred ninety-eight dollars), the value of services rendered to Kensington residents from July 1, 1991 through June 30, 1992.

A motion was made by Alicia Crow to adopt the article, seconded by Betty Willoughby.

The voice vote was in the affirmative.

Article 18. By petition of Sally Buchanan and others: To see if the Town will vote to raise and appropriate the sum of \$1000 (One thousand dollars) to assist the Rockingham Counseling Center, a private non-profit organization, which offers quality counseling services to our residents.

A motion was made by James Hill to adopt the article, seconded by James Larsen.

The voice vote was in the affirmative.

Article 19. By petition of Johanna Rice and others: to see if the Town will vote to raise and appropriate the sum of \$50 (Fifty dollars) to assist Seacoast Hospice a non-profit organization.

A motion was made by Johanna Rice to adopt the article, seconded by John York.

The voice vote was in the affirmative.

Article 20. To transact any other business that may legally come before the Town Meeting.

Robert Andrews had someone speak about the Emergency Medical Service based at the Exeter Hospital.

Joan Kaler commended the recycling committee and all their volunteers.

Robert Sargent reported on the progress of the Grange Hall renovations.

Donna Harned asked the police department what does "getting rid of a couple shifts" mean. Michael Aquilina replied.

The meeting was adjourned at 9:40 pm.

Respectfully submitted,

Linda C. Buxton
Town Clerk

REPORT OF THE SELECTMEN

1993 saw one of the harshest winters we have seen in may years. In the early part of the year, keeping the roads safe and passable was a major concern. The purchase of a new sander was approved at the 1993 town meeting and is now in service. The old sander was dismantled and all useable parts were saved. Ordinances instituting snow bans and restricting plowing into roadways were adopted to make snow plowing easier.

Job descriptions for town employees and officials were formulated and adopted as was a harassment/discrimination policy.

A decision was made by the Board not to require residents to file a yearly property inventory form as has been required in the past. This change will be effective beginning in 1994.

During the year several disputes between abutters were addressed and a number of ordinance violations were enforced.

Through the continuing efforts of department heads, the School Board and the budget committee in keeping budgets to a minimum, the 1993 budget resulted in a decrease in the 1993 tax rate of \$.14 per thousand.

We would like to extend our sincere gratitude to the many individuals who volunteer their time to serve the community in varied capacities throughout the year. Without them, running the town in an efficient and effective manner would become an insurmountable task. We are continually searching for individuals to serve on boards, committees and to hold elected positions. If you feel you would like to become involved, please call the town offices.

Respectfully submitted,

John W. Sargent, Sr., Chairman
Robert A. Noll, Jr.
Scott Lowell

NOTES ON THE BUDGET

Changes in Chapter 32 of the State RSAs relating to the Municipal Budget Act require a change in the way some budget items are presented this year. Each appropriation must be stipulated on a "gross" basis which means that appropriations must include moneys received as revenue that are then expended. Anticipated changes will be:

Recreation-The town appropriation in past years has been \$1500 and the committee has received approximately \$6500 in fees and therefore spent \$8000. This year the entire \$8000 will need to be appropriated but the cost to the town will remain the same due to an anticipated \$6500 in fees.

Cemetery-The cemetery budget has been increased by \$940 over the initial approved appropriation to allow expenditure of Trust Fund money that is received during the year.

These increases in appropriations will not increase the total cost to the town as they are offset by revenues.

BUDGET FOR THE TOWN OF KENSINGTON

DEPARTMENT REPORTS AND BUDGETS

CEMETERY REPORT FOR 1993

1993 was a good year and a bad year. It was a good year as we were fortunate to have Jackie and Buddy Dunn agree to take over the care of the cemetery. We appreciate the fine job they have done and hope they will see their way clear to continue on in 1994. It was a bad year in that we found it necessary to replace some of our machinery. We now have a hand mower for use in areas of the cemetery where the riding tractor is impractical. We are in hopes that the riding mower will go a few more years. This equipment is also used at the Town Park and Library.

In the past few years there has been an increase in the burial of ashes at the cemetery. There are a few procedures that must be followed:

A trustee must be notified before burial of ashes.

The ashes must be placed in a permanent container (concrete, bronze, synthetic material).

A burial permit must be filed with the Town Clerk.

The cemetery is closed during the winter months to traffic and burials but will be open in the spring as soon as road and frost conditions permit. The metal gates are closed except for Memorial Day week.

BURIAL PROCEDURES: In the event of a death, the family should contact the Town Office or one of the Cemetery Trustees.

LOT SELECTION: In the event that the family does not already have a plot, the Cemetery Trustees will assist the deceased's family in selecting one. There are two graves to a plot.

WINTER BURIALS: Due to weather, road conditions and frozen or muddy ground, the Village Cemetery will no longer be open for winter burials. In the event of a death the vault at the Town Hall is available for storage until spring burial.

Respectfully submitted,
John York
Cemetery Trustee

Proposed 1994 Cemetery Budget

Wages	\$2,000
Fence Repair	250
Supplies	225
Road Upkeep	200
Fuel	175
Equipment Maint.	400
TOTAL	\$3,250
Trust Fund Income	240
TOTAL APPROP.	\$4,190

EMERGENCY MANAGEMENT REPORT FOR 1993

The Emergency Management team had a relatively quiet year with the exception of one major snowstorm early in the year which necessitated the opening of the Emergency Operations Center at the fire station. Volunteers worked tirelessly through the duration of the storm. The EOC was utilized as a rendezvous point for continuing storm updates and instructions as well as a place where meals and sleeping accommodations were provided for the volunteers. This storm gave us an opportunity to put our emergency training to practical use. I would like to thank all those who made the effective handling of this storm possible.

We continue to upgrade our emergency response skills by utilizing available training to enable us to deal with whatever crises our community may face in the future.

Respectfully submitted,

Frank Kinslow
Emergency Management Director

FIRE DEPARTMENT REPORT FOR 1993

The Kensington Fire Department and Rescue Squad has had a very productive and busy year in 1993. I would like to thank all the members for their many hours of commitment to the department this year.

At this time I would like to do something that has been done in the past, but not for a number of years, and that is to list the names of the active members of the Fire Department and Rescue Squad.

Robert Andrews	Gregg Durell	Charles Le Blanc
Mel Armstrong, Jr.	Gary Easson	Angela Lennox
Westley Bailey	James Farley	David Lennox
Brian Batchelder	Alfred Felch	Claire Mattin
Gene Boudreault	Frank Felch	Criss Parsons
Susan Boudreault	Julie Felch	Myron Parsons
Barbara Brewster	Travis Felch	James Simmons
Peter Brucato	Norman Head	Ray Simpson
Cynthia Cole	Gordon Heal	Chris Smith
David Cole	Michael Kilcoyne	Gordon Swift
George Cole	Mark Kimball	Robert Upton
Harley Cole	Frank Kinslow	
Patrick Donnelly	Peter Kuegel	

I would like to highlight some of the accomplishments of these members for 1993.

-The new addition on the front of the Fire Station has been completed.

-The Emergency Operation Center (E.O.C.) has been finished and outfitted to handle any large emergency for the Town.

-The Fire Prevention Program for the Kensington Elementary School and the Kathryn Cook Day Care Center was a big success again this year.

-The Ambulance replacement fund is now in excess of \$20,000.00.
 -The new Engine Pumper, purchased by the Town, has been delivered and put into service. The old Engine has been retired and will be going out to bid.

The Fire Department and Rescue Squad is planning to have an open house and activities day sometime in the spring. Notices will be sent to everyone with time and a schedule of the day's events. Please plan to attend to get a closer look at your Fire Department and Rescue Squad.

I would like to take this opportunity on behalf of the Kensington Fire Department and Rescue Squad to express our gratitude and appreciation to all the residents of Kensington for their generous financial and moral support.

It is my pleasure to serve this community as your Fire Chief.

The Fire Department and Rescue Squad have had a total of 67 Fire calls and 44 Ambulance calls for 1993, with a breakdown as follows:

FIRE DEPT.		RESCUE SQUAD	
Structural Fires	- 0	Medical Emergencies	- 30
Vehicle Fires	- 1	Vehicle Accidents	- 10
Vehicle Accidents	- 10	Bicycle Accidents	- 0
Brush - Grass	- 4	Structural Fires	- 0
Alarm Activations	- 11	Mutual Aid	- 2
Chimney - Stove	- 11	Misc.	- 1
Mutual Aid	- 11	Public Assist	- 1
Illegal Burning	- 4		
Misc.	- 10		
Public Assist	- 5		

1,253 hours were used to respond to the above 67 Fire calls.
 507 hours were used to respond to the above 44 Ambulance calls.
 In all, approximately 12,000 hours were expended keeping the equipment in repair, maintaining the station, administration, planning, education, training and responding to alarms.

In closing, I would like to remind everyone to develop two escape plans from your home in case of fire, especially those with children, and practice them at least twice a year. **PLEASE INSTALL AND CHECK YOUR SMOKE DETECTORS REGULARLY**, they are your first line of defense against fire.

HAVE A SAFE AND HEALTHY NEW YEAR.

THANK YOU!

Burning permits can be obtained from:

Fire Warden Melvin Armstrong, Jr.	772-5467
Fire Chief Robert Upton	772-4681
Asst. Chief Alfred Felch	772-5329
Capt. Mark Kimball	778-0866

Respectfully Submitted,
 Fire Chief Robert N. Upton

I am very pleased to report that the Friends of the Library is up and running, with June Hampe as president. The group helps us with programs, publicity, volunteers and fund raising. For the next two years, their special emphasis will be helping to plan and finance the 100th anniversary celebration of our library building. If you would like to be part of this valuable group, just let us know.

The library is especially lucky to have a wonderful group of parents and grandparents who will pitch in and help at the drop of a hint. These folks have helped with food, crafts and caring all through the year, at programs and parties for children. Thank you all.

We are grateful for the many books donated throughout 1993. If your donations can be used in our library's collection, we will put them proudly on our shelves; those books we can't use go into the book sale to help enrich our book budget.

We have added a public-access computer this year. You can use this machine to write reports and letters, look up facts on the CD-ROM disks, or just to try your hand at a really good machine before buying your own.

Thanks go to our trustees, who are helpful and supportive as ever. They all donate many hours to keep the Kensington Library running smoothly all year.

Sally Head
Librarian

REPORT OF THE KENSINGTON POLICE DEPARTMENT

As your Chief of Police, I am pleased to report to you the activities and progress of the Kensington Police Department for the calendar year 1993.

This past year, your police department has experienced some necessary changes and growth. Firstly, we have employed four new part-time officers; all of whom have been certified by the State of New Hampshire. These additional officers have enabled the department to function at a more comfortable level of availability. We have also hired a new part-time secretary, Elizabeth Herrick. Her contemporary computer and organizational skills are certainly an asset to the department. This year, we have acquired a much needed FAX machine which is shared with other departments within the town. In addition, the department's field training program has been upgraded to provide a more effective degree of training for our officers.

1993 has proven to be a very productive year for the Kensington Police Department. As a result of intense criminal investigations, the department has recovered over \$2,800 in stolen property and confiscated approximately \$3,000 (street value) worth of illegal drugs this year.)

Areas of Interest: Residential burglaries are down 3 in comparison to 1992. However, property theft has increased by 50%. Presently, 49 homes in Kensington are equipped with alarm systems. We investigated 42 motor vehicle accidents, 8 of which involved personal injury. In total, we responded to 435 documented calls for service in 1993. Nineteen of these calls involved domestic disputes ranging from verbal arguments to physical assaults. Nation-wide studies have shown

that domestic related incidents are the most dangerous type of call an officer can respond to. In comparison to the previous year, D>W>I> arrests and prowler calls have remained the same. As always, we will continue to aggressively pursue, apprehend, and prosecute those who choose to commit crimes within the Town of Kensington.

In conclusion, I would like to thank the Board of Selectmen, other departments, and most of all the residents of our community for their sincere support and endorsement this past year. The members of the Kensington Police Department take great pride in serving you and your town. Your continued support will enable us to consistently provide the type of reliable service you have come to expect and deserve!

Respectfully Submitted,
Michael Aquilina

TOTAL	108,406

REPORT OF THE RECREATION COMMITTEE

The Kensington Recreation Committee has been able to continue existing programs as well as maintain the park for the benefit of the community. Many volunteers have made 1993 a successful year.

There were two clean-up days at the park. In April volunteers prepared the ball field for baseball and softball and generally cleaned up the park. In November some townspeople helped remove the debris and fallen trees from the pond to make it available for ice skating. We purchased electrical supplies needed to replace and restore electricity to the park and the pavilion.

Ski trips, girls' softball and aerobics are still very successful programs. The summer program at the park was enjoyed by many children.

In July we sponsored a group of young athletes to compete at the State Hershey Track and Field Meet. Many thanks go to Sue Emilio, the

volunteer coordinator and coach. In December we sponsored a folk art painting workshop for adults.

The committee is most happy to have two new members, Kathy Cook and Dan Provost, who offer enthusiasm and dedication.

Respectfully submitted,
Nancy Roffman

PROPOSED 1994 RECREATION BUDGET

\$8,000

RECYCLING COMMITTEE 1993

It has been five years since the voters at the 1989 Town Meeting requested the Selectmen appoint a five member Recycling Committee. Now after four complete years of operation, the citizens of Kensington are proud to boast one of the most successful totally volunteer recycling programs in the State. In 1993, 20% of the total waste stream was recycled at no cost to the taxpayers. In fact, there was significant income to the Town, as shown in Table I.

This success must be credited to every member of the Community who participated in this all volunteer effort.

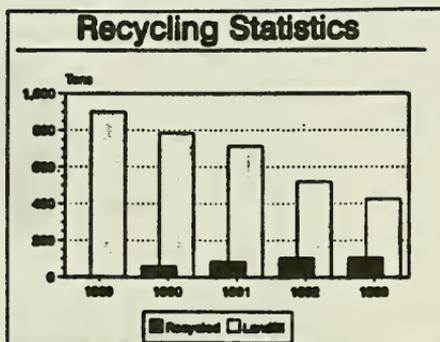

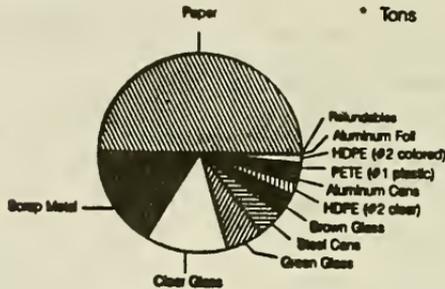

Table I

Year	1989	1990	1991	1992	1993	Total
Tonnage

- 1) Scales installed at the Kensington Landfill in August 1989, estimate based on projected figures.
- 2) "Pay-per-Bag" took effect May 1, 1992. Bag costs and revenues are not included in this table.
- 3) The first collection of recyclables was on December 16, 1989.
- 4) All expenditures, including cost of insurance for Coke Truck, and the cost of recycled paper disposal (now \$25/ton) are included in this figure in order to accurately represent the true costs or savings to the taxpayer.
- 5) Net figure is simple revenue less expenditures. Landfill avoidance costs are not included.
- 6) This is a minimum estimate, calculated by multiplying the landfill cost per ton (\$50) by the recycled tonnage.

Breakdown of 1993 Recyclables *

Recycled Material	Tons
Brown Glass	3.78
Green Glass	6.30
Clear Glass	14.03
PETE (#1 Plastic)	1.63
HDPE (#2 Plastic)	1.48
HDPE (#2 Clear)	2.21
Aluminum Cans	1.85
Steel Cans (includes aerosol and paint cans)	4.62
Aluminum Foil	0.06
Paper (incl. newspaper, cardboard, magazines, office paper)	53.32
Scrap Metal	17.66

Gas	\$ 500
Education	\$ 300
Maintenance/Repair	\$ 1250
Miscellaneous	\$ 200
Total	\$ 2250

OTHER REPORTS

SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53-B 1993 Annual Report

The Recycling Committee planned a Household Hazardous Waste Collection which was held on May 8, 1993. The collection was held at two locations to better serve the population of the District towns. One collection site was held in Hampton and one in Sandown. The collection was very successful with 152 cars being processed in Sandown and 393 cars being processed in Hampton. The total cost of the collections was \$26,923. A grant from the State of New Hampshire, based on the population of the District towns, in the amount of \$8,707 helped to offset the cost. The remainder was paid for out of District funds which had been set aside for this purpose. The per car cost came to \$49.40. The committee felt the collection was a resounding success and have set aside funds in the 1994/1995 budget to hold another collection in the spring of 1994.

The Recycling committee continued the Grant Program for education and public relations. Brentwood, Fremont, North Hampton and Sandown applied for, and received, grants which totaled \$6,561. The Recycling Committee of those towns will be producing educational materials for their communities. \$8,000.00 has been budgeted to continue this program in 1994-1995.

Administrative Assistant, Carol Seta, has served on the Household Hazardous Waste Sub-Committee of New Hampshire Resource Recovery Association. This committee is working to locate permanent household hazardous waste sites in the State.

The landfill portion of the District operations continues with the long-term contract with Waste Management of New Hampshire. Brentwood, Fremont, New Castle, North Hampton, Rye and Sandown are currently shipping to the Turnkey Landfill Facility in Rochester. The tipping fee at Turnkey from July 1, 1993 through June 30, 1994 is \$53.16. We project the tipping fee for 1994-1995 will be \$54.89 depending on the CPI at January 1, 1994.

The Septage Committee and Waste-to Energy portions of the District were inactive and will continue to be so.

Walter Hill of South Hampton, chairman of the Liason Committee met with several key people in towns not currently members of the District.

IN THE UPCOMING YEAR:

The Administrative portion of the District will remain a half-time operation. The present office location will be maintained, and the Administrative Assistant's hours will

remain at twenty hours per week. The District continues to administrate the District Contract with Waste Management of New Hampshire Turnkey Landfill. The participating towns are billed through the District office for the tonnage they send to Turnkey.

The Recycling Committee will continue to study the cost and feasibility of slick paper recycling, used tire recycling and other issues as they come up. The Household Hazardous Waste Collection will be planned for the Spring.

The Liason Committee will continue to work to establish stronger relationships with the Boards of Selectmen in the member municipalities and improving communications with other 149-M towns.

The District will continue to operate its brush/wood chipper. The chipper will be delivered and picked up at no charge to the member municipalities. The use of the chipper may be scheduled by calling the District Office or the Hampton Department of Public Works.

The District continues to have an agreement with Waste Not, Inc. for stump grinding and wastewood/wood demolition disposal. This service is located at the Town of Hampton landfill and is available to all member municipalities. It operates Monday, Wednesday and Saturday from 9:00 am to 4:00 pm. A fee is charged for the use of the service. Further information may be obtained by calling the District Office.

The proposed budget as adopted by the District contains no levy to the Member Municipalities. However, it is possible that economics will dictate assessments in future years depending on the types of projects adopted.

In addition to the above mentioned plans, the District will review other possible methods of refuse disposal in order to arrive at more economical solutions.

Respectfully submitted,
Winthrop Comley
Secretary

KENSINGTON SCHOOL DISTRICT MEETING

MARCH 6, 1993

The meeting was called to order at 7:00 p.m. by Ann Noll, the school district clerk. The moderator, Tom Kerr has moved from town and has resigned from his position. The first order of business was to elect a moderator. Mrs. Noll asked for nominations for the position of moderator.

Dick Drew nominated John York. The nomination was seconded by Linda Blood. No other nominations were made. The voice vote was in the affirmative.

The newly elected moderator, John York, was then sworn in by Mrs. Noll.

Mr. York asked for a moment of silent meditation.

Jim Thompson led the meeting in a salute to the flag.

Mr. York introduced the school district officers as well as John Moody, the Assistant Superintendent of Schools for Kensington; Bob Teel, Principal of the Kensington Elementary School; William Clancy, Superintendent of Schools, and Dr. Kathleen Lynch, Assistant Superintendent of Schools. Mr. York stated that if there were no objections he would allow any of the aforementioned persons, even though they were not residents of the town, to address the Warrant Articles. There were no objections.

ARTICLE 1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District at the same amount as paid in the previous year.

Linda Blood moved to have the salaries of the School Board and Truant Officer and the compensation of all other officers or agents of the school district remain the same. The motion was seconded by John Sargent. The vote was taken and was in the affirmative.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relative thereto.

Linda Blood called upon Lynn Power to give a report from the Kindergarten Committee.

Mrs. Power gave the following report: "During the 1990 School District meeting a Kindergarten Committee was formed to investigate the interest in and feasibility of public kindergarten in the town of Kensington for all

eligible 5 year olds.

The committee established through a townwide poll, that 74% of those who were polled were in favor of a kindergarten. It also established that of those polled, 61% would also be willing to support the program through taxes. Having established the fact that kindergarten is desired in Kensington, the committee was now tasked with cost analysis. Although the cost analysis is not yet complete, preliminary figures indicate that it will be possible to have kindergarten at our home school with only nominal increases to the current budget.

A detailed cost analysis will be presented at the September School Board Meeting using the data gathered through local, state and national agencies.

In conclusion, the committee recommends and will endorse a warrant article for the implementation of public kindergarten for the town of Kensington at the 1994 town meeting.

Anyone wishing to participate in the ongoing research for this project, please feel free to contact a committee member at any time."

Mrs. Brandano expressed concern with regard to the lack of availability of information on the pre-school and kindergarten.

Mr. York recognized Mr. Clancy to respond to Mrs. Brandano. Mr. Clancy said that the RSA that she referred to says that if there is information it is public information. There is no kindergarten in Kensington, therefore there are no figures. If she would like figures from his office on Exeter or Stratham's kindergartens he would be more than happy to provide them for her, because those are the only figures they have. They will not manufacture figures for the purposes of any committee.

Mr. Petzy was recognized and stated that the question at hand was to have a report from the Kindergarten Committee which we have heard. He moved to accept the report. John Sargent seconded the motion.

The question was called for. The vote was taken and was in the affirmative.

ARTICLE 3. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year.

Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds.

Linda Blood moved to pass over the Article. Bob Noll seconded the motion. The vote was taken and was in the affirmative.

ARTICLE 4. To see if the School District will vote to create an expendable general fund trust fund under the provisions of RSA 198:20-C, to be known as the Tuition Fund, for the purpose of paying additional tuition monies owed to Exeter under the debit clause of the AREA agreement. Furthermore, to name the School Board as agents to expend, and to raise and appropriate up to eighteen thousand nine hundred dollars (\$18,900) from surplus, and authorize the use/transfer of up to eighteen thousand nine hundred dollars (\$18,900.00) of the June 30, 1993 fund balance for this purpose.

Dick Drew moved to adopt the Article. Linda Blood seconded the motion. The vote was taken and was in the affirmative.

ARTICLE 5. To choose Agents and/or Committees in relation to any subject embraced by this Warrant.

Linda Blood moved to pass over the Article. John Sargent seconded the motion. The vote was taken and was in the affirmative.

Trish Nicol made a motion to reconsider Article 5. The motion was seconded by Mrs. Bickford. The vote was taken and was in the affirmative.

Mr. York explained that a committee that has been appointed by the moderator at a School District Meeting does not carry over from year to year, so technically there is no Kindergarten Committee.

Jim Thompson made a motion for the School Board to accept the Kindergarten Committee as an official committee of the School Board and assist this Kindergarten Committee in obtaining the information that they are trying to get out of the SAU. Trish Nicol seconded the motion. The vote was taken and was in the affirmative.

ARTICLE 6: To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District officials and agents and for the statutory obligations of

the District.

Linda Blood moved to raise and appropriate the sum of One Million, Eight Hundred Five Thousand, Seven Hundred Thirty Nine Dollars (\$1,805,739.00) for the statutory obligations of the District.

Dick Drew seconded the motion.

Paul St.Jean addressed the meeting to explain how the board arrived at the figure of \$1,805,739.00. This is a .65% or a little more than a half of a percent increase over last year's budget. This year the board was very aware of the mixed signals coming from the community. For example, Doug Mitchell was at one meeting and requested the board really take taxpayers into consideration when we arrive at a budget. At the same meeting were a number of first grade parents who were asking for an additional teacher for grade one. So I think that's a good example of the mixed signals we've been getting from the community this year. We really tried to identify what is needed as opposed to what is wanted and tried to identify what was a good and proper educational experience for the students vs. the conditions that exist for people on a fixed income and for those who are having difficulty in the job market. A number of things were constraints when arriving at our budget. From day one we are looking at figures in Dec. of 1992 that will become effective for real purposes in Sept. through June of 1994 - we're looking at 18 months ahead and trying to identify what the inflationary levels or what actual costs will be incurred at that time. Another constraint we have is that 85% of the budget is predetermined. The teachers' contract increase, transportation contract, debt service, tuition determined by Exeter, etc. The other 15% we look at. We did not automatically add any cost of living increase or inflationary increase across the board, we looked very carefully at our past 3 year history of monies we actually spent and tried to find cuts that would make sense and not interfere with education. One area we cut was projected health benefits of about \$10,800, took some chances - under contractual agreement, we usually set aside \$4500 for educational reimbursement for the teachers but since we usually only expend \$3500 we cut that by \$1000 and set it at \$3500. We took away any buffer zone. In the past we've always put one or two extra students for Jr. and High School tuition but this year we have only budgeted actual students. Originally the budget had been cut by a half a percent but in the last week before the budget was finalized we had a \$50,000 shift in special ed that ended up as a one half percent increase. We have budgeted straight on this year and if one or two more kids come in we'll have to come up with the money.

These are just a few examples of how we went through the entire budget making cuts in areas that didn't affect strict education. If anyone has any questions I'd be happy to answer them.

Trish Nicol had two questions addressed to Mrs. Blood. She wanted to know if the board had any plans to implement any new or abolish any existing programs in the school and if so how does the board plan to promelgate information to that effect?

Mrs. Blood said they have no plans at this time to implement any new or abolish any existing programs.

Mrs. Nicol continued, "If you did so, would you be disseminating information to this effect so that parents who had children at the school would know about it?"

Mrs. Blood replied that they would discuss it in open session at a school board meeting and if there were changes that parents needed to be made aware of she is sure that that information would be disseminated.

Mrs. Nicol's second question was if the school board had any longterm goals for assuring educational success for all children at Kensington and if so could they showcase some of them for us here tonight.

Mrs. Blood replied that this is not appropriate for school district meeting and is a matter that should be discussed at a school board meeting.

Mrs. Nicol felt that this had a lot to do with the budget because how do you know how much money you need if you don't know where it's going even for next year or for five years from now. As a school board you must have some kind of goals that you work for that give you perspective on how to spend the money and where to spend it.

Mrs. Blood replied that is why we have the budget that she should have in front of her. We only do the budget for one year at a time.

Gary Easson stated that he appreciated the board's diligence on only a half a percent increase in the budget. His big concern was that if someone doesn't do a job right, they should be held accountable.

Mr. York stated that this is something that should be taken up with the school board at a regular school board meeting.

Doug Mitchell was recognized and he asked why there was a discrepancy in the total amount of the budget asked for and the total amount printed in the Annual Report. Paul St. Jean replied that the discrepancy of \$1,000 comes from a typo on page 97 under the Subtotal category #2210 should be listed as \$5,000 not \$6,000 and it was subsequently carried down to the bottom line on page 101 which should be \$1,805,739 instead of the \$1,806,739 that is printed.

Mr. Cook asked if there were any grades for next year that will have two grades. Mrs. Blood replied that they have 4 teachers for Grades 1 - 3 for next year, but a decision has not been made yet as to how they will be divided.

John Sargent called for the question. The vote was taken and the vote was in the affirmative.

ARTICLE 7. To transact any other business that may legally come before this meeting.

Linda Blood asked if Principal Teel would speak briefly to the very successful volunteer program that we have at the school.

Principal Teel addressed the meeting by saying that he came on board in November and there was a volunteer program in place instituted by acting Principal Dr. Sinibaldi and chaired by Mary Willis. They have been working on a variety of activities on their own and with the staff and PTD. What's most surprising to him is the number of people in town that are involved with the school. There are over 70 individuals who have given of their time to work with the school children. They will continue to work in this area and feels it is a great program and hopes it continues as successfully as it has.

Tom Smith who has been a teacher for 30 years feels that it is not fair for teachers to be criticized in a general manner when talking of one specific student. The teachers present may not even have taught that specific student but are being criticized for it. Secondly, could this meeting be held on a different night other than Saturday to get more people to attend. Mr. York said they have tried many nights and different times but it doesn't seem to make much of a difference.

John Sargent made a motion to adjourn. It was seconded by many persons. The vote was taken and the vote was in the affirmative.

SCHOOL BOARD OF KENSINGTON, NH

SCHOOL DISTRICT WARRANT
1994
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Kensington School District in the Town of Kensington, County of Rockingham, State of New Hampshire, qualified to vote in District affairs:

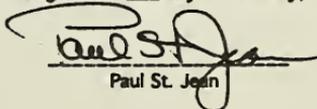

You are hereby notified to meet at the Town Hall in said Kensington on Saturday, the fifth day of March 1994 at seven o'clock in the evening to act upon the following articles.

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District at the same amount as paid in the previous year.
2. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relative thereto.
3. To see if the District will vote to raise and appropriate the sum of thirty one thousand eight hundred fifty one dollars (\$31,851.00) for the purpose of establishing and maintaining public kindergarten and for payment of teacher's salaries and other expenses in connection therewith.
The School Board supports this Article.
4. To see if the District will vote to raise and appropriate the sum of eleven thousand dollars (\$11,000.00) for the purpose of Kindergarten transportation.
The School Board supports this Article.
5. To see if the District will vote to accept the provisions of RSA 198:20-b providing that any School District at an Annual Meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the School Board to apply for, accept and expend, without further action by the School District, money, from a state, federal or other governmental unit or a private source, that becomes available during the fiscal year.
6. To choose Agents and/or Committees in relation to any subject embraced by this Warrant.
7. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District officials and agents and for the statutory obligations of the District.
8. To transact any other business that may legally come before this meeting.

Given under our hands at said Kensington this 3 day of February, 1994.

REPORT OF THE SAU #16 ADMINISTRATION

MARCH 1994

In July 1993, one of our assistant superintendent positions was vacated, and the administration recommended that SAU 16 attempt to function with one fewer administrators in order to save costs to the six communities of SAU 16. As a result of this, Paul Flynn assumed some of the responsibilities of an assistant superintendent in Kensington and Stratham, and Kathleen Lynch assumed Special Education responsibilities in Brentwood, East Kingston, Kensington, Newfields and Stratham.

Also, the Newfields Elementary School welcomed Rose Vetere as its new Principal, and Stratham welcomed Gail Hiltz as Principal of Stratham Memorial School.

The Exeter primary grades are enjoying the new Main Street School facility, and the students from all six communities are utilizing the EAHS Science area to the benefit of our science program.

Significant changes in program delivery systems are planned for 1994-1995 at the Seacoast School of Technology so that more students may receive more and greater advantages from participation in our vocational programs and tech prep activities and classes.

The EAJrHS will utilize an eight period day in 1994-1995, (classes will be shortened by three to four minutes). Therefore, we will not require junior high school students to take classes at the high school at least in 1994-1995.

Kensington Elementary School
122 Amesbury Road
Kensington, New Hampshire 03833

PRINCIPAL'S REPORT

It is with great pleasure and pride that I report to you concerning the status of Kensington Elementary School. During the past year, progress has been made in several areas and a number of new initiatives are underway. An innovative reading program, *Won Way*, has been introduced to students and teachers in grades one, two and three. Children learn to read, spell and write as they hear, say, read and write our language according to a well defined, systematic approach to teaching and learning. In the area of technology, a new interactive video-based science program has been introduced to all grades with much enthusiasm, especially in grades three through six. We continue to electronically enhance our library and increase our telecommunications capabilities. The *Accelerated Reader*, a computer-driven motivational reading program, has been upgraded and expanded to include the primary grades. Worth noting is that many of these changes have been financed by some of the over \$14,000 of grant awards received during the past few months.

For the past ten months, the *Kindergarten Study Committee* has met regularly to explore the possibility of kindergarten in Kensington. Benefits to children and our future are enormous, space is available, and the cost of implementation is surprisingly low. Kensington has an impressive record of supporting its children and school. In that spirit, I encourage voters to carefully consider this issue as you prepare to vote on March 5th.

On January 12, 1994, Kensington began a long range planning process aimed at successfully leading our school into the 21st century. Parents, teachers, town officials, senior citizens and business people are meeting to identify a set of shared values and standards important to the future of our children and town. Over the next few months, a vision will evolve, followed by an action plan designed to help realize our dreams. Many thanks to all the folks who are giving their knowledge, time, and energy as we create the *Kensington Compact, a Plan for the Future*.

Some other significant initiatives, events and awards include the continued growth of our *Enrichment Program* as children participate in a variety of interesting and challenging activities. A *Report Card Committee* is in the process of examining our reporting/conferencing system with recommended changes taking effect next school year. Efforts to support the *Grange Renovation Project* culminated in June with the children raising close to \$2500.00 as part of a community service project. Finally, congratulations to the parents and volunteers of Kensington Elementary School who were selected as recipients of the 1992-1993 *Blue Ribbon School Achievement Award*. This award recognizes the extensive cooperation between school and community resulting in an outstanding school volunteer program benefitting the children of Kensington.

At the center of all the good things happening at KES are the people that make it possible. A committed school board, dedicated PTO/school volunteer leadership, strong SAU administration, hard working support staff and, most important, a faculty of knowledgeable, innovative and tireless teachers are the backbone of Kensington Elementary School - the factors that produce a safe, enjoyable and challenging place for our children to learn.

Respectfully submitted,

Robert Teel, Principal

KENSINGTON SCHOOL DISTRICT EDUCATIONAL TRUST

The Kensington School District Educational Trust is established by the citizens of Kensington for the purpose of enhancing educational processes and learning opportunities for Kensington children of public school age. Funds may be added to the Trust by Individuals and/or Groups at any time by submitting said funds in the name of the Trust to the Kensington Trustee of the Trust Fund. The principal of the Trust will remain intact. This Trust will be reviewed and revised as deemed appropriate by the Kensington School Board every 5 years.

The founders of this Trust envision the following criteria as guidelines for disbursement of the accrued interest of the Trust:

- 1) "Cutting Edge" curriculum - ideas which keep Kensington School District at the forefront of educational advancement.
- 2) Programs which impact Special Needs students.
- 3) Programs which impact "Gifted" students.
- 4) Purchase of computers, computer accessories and other technologically instructional tools.
- 5) Teacher development associated with new and challenging curricular advances.
- 6) Computer skills enhancement for students and/or staff.

A Committee appointed yearly by the Kensington School Board and made up of one member of the School Board, a Kensington Elementary Teacher, the Kensington Elementary Principal, and two (2) Kensington Citizens will meet periodically to review proposals for consideration of use of the Fund.

Teachers and others may make proposals for consideration of the Trust fund. They can seek support for a program or a creative "idea" by filing a proposal giving specific information regarding their request. All proposals for a given year will be due on February 1. Allocation awards will be announced in May of the same year. The recipients are then awarded the grants. Programs are implemented for the following school year unless otherwise decided. In June, the whole process begins again with plans for the next appeal which will begin the following September.

INFORMATION FOR KENSINGTON RESIDENTS

RULES AND REGULATIONS FOR WASTE AND REFUSE DISPOSAL

1. There will be a house to house pickup every Weds. of each week.
2. Waste must be contained in plastic bags or trash containers, not to exceed a capacity of 30 gallons.
3. Solid waste must be placed at the end of the driveway by 6:30 a.m. on Weds.
4. Weight of any container must not exceed 50 pounds.
5. Each household is allowed one bag or barrel filled to the rim at no cost. Additional bags or barrels require a sticker which may be purchased at the Town Offices or Kensington Grocery at a cost of \$1.00 each.
6. No brush or stumps will be picked up and no 55 gallon drums are to be used.
7. Refrigerators, stoves, washing machines, dryers and tires will be picked up at a predetermined date.
8. There will be a container placed at the Elementary School for the use of the school, fire house, library, town hall and church.
9. No petroleum products, car batteries or ashes will be picked up.

LICENSING OF DOGS

Each owner of a dog three months old or over must license the dog with the Town Clerk before May 1st of each year. Each dog over six months old must have received a rabies vaccination. The certificate of vaccination is to be presented to the Town Clerk at the time of licensing. Each dog must wear a collar around its neck; attached to the collar a metal tag distinctly marked with its license number.

License fees are as follows:

Male	9.00	Female	9.00
Neutered Male	6.50	Spayed Female	6.50

Penalties - \$1.00 per month after June 1st

JUNK CAR REGULATIONS

New Hampshire Statute requires anyone with two or more registered vehicles or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a \$10.00 a day fine and a mandatory injunction to end the violation by selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove junk cars from their premises within 160 days.
