LINCOLN PUBLIC HEALTH NURSING ASSOCIATION**1967**

Total house calls—850. This number consists of the following categories: Maternity and infant welfare—56, medical and injury—118, crippled children's services—25, chronically ill—270, non-illness connected visits i. e. Family counseling, etc. Number of pre-schoolers to Orthopedic Clinic—3, Tuberculin—2, to Immunization Clinic—10.

Professional meetings attended—2, conferences with Social Service workers from State and County agencies—15. Inservice education at White Mt. Community Services, Littleton, sessions attended—6. Inservice education, also obtained three workshops on Mental Retardation, Cardiac and Cancer.

Visits to school in the area—230. This number includes visits to homes in behalf of pupils and conferences with teachers.

The students of the Junior and Senior High were given their athletic physicals by Dr. Ralph Parker of Franconia. Nurses examinations were carried out in the Elementary grades.

Number of pupils to Orthopedic Clinics—2, Speech Therapy—2, Tuberculin—4.

Through School Health Services of the Department of Health and Welfare, vaccine for the prevention of Tetanus and Diphtheria was given to the pupils in grades one, four, eight and twelve by Dr. Charles Althoff. Written permission from parents is necessary.

This year we had the services of a Dental Hygienist from the Bureau of Dental Health who talked to the first six grades on care of the teeth. Films were shown to the fifth and sixth graders. The talk was very descriptive and interesting to the children.

The yearly Tuberculin Test, formerly carried out in grades one, four, eight and eleven, is now being

done in grade one only. This new ruling came from N. H. Tuberculin and Health Association with the idea that follow-up work can be carried out more efficiently. However, the tests will be done on any pupil where the Doctor or School Nurse sees the need.

As has been done in recent years, two films on Cancer were shown to the Senior girls and their mothers.

For this Thanksgiving season, through Rev. Harry Flad, the Youth Fellowship group collected canned goods to be distributed to those in need. This was much appreciated.

To the teachers and students of Lin-Wood High School I extend thanks for an extremely fine piece of work done for our Christmas program.

Others who added a great deal to this program were the American Legion, both Unions of the Franconia Paper Corporation, Chamber of Commerce, Rotary Club, Knights of Columbus, Daughters of Isabella and the Littleton Lodge of Elks.

The Lincoln Public Health Nursing Association which was organized last year with the coming of Medicare will now be known as the Lin-Wood Home Health Agency.

The officers are as follows:

President—Mrs. Charles Rossoll
Vice-President—Mrs. Robert MacKay
Treasurer—Mrs. Donald Mulleavey
Secretary—Mrs. Bruce Chase
Director—Nora E. Parent, R. N.

Respectfully submitted,

NORA E. PARENT, R. N.

**REPORT OF FOREST FIRE WARDEN
AND DISTRICT CHIEF**

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A. M. and 5:00 P. M., and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as with entries in the books of records. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements submitted by depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes, as indicated in this report, are therefore subject to any change which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$15,889.64, from \$22,828.88 to \$6,939.24 in 1967 as shown herewith:

Total Assets	Dec. 31, 1966	Dec. 31, 1967
Current Liabilities	\$2,101,081.23	\$1,290,383.66
Current Surplus	2,078,252.35	1,283,444.42
	\$ 22,828.88	\$ 6,939.24

Overdraft of Appropriations and Application of

Municipal Budget Law:

It is noted that there was a net overdraft of appropriations in the amount of \$1,601.30, in other words,

total expenditures exceeded total appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	\$ 5,753.78
Unexpended Balances of Appropriations	4,152.48

Net Overdraft of Appropriations	\$ 1,601.30
---------------------------------	-------------

In case of this sort, the provisions of the Municipal Budget Law (R.S.A.32:10) require that the Board of Selectmen, with the approval of the Budget Committee, petition the State Tax Commission for a certificate of emergency which would authorize the expenditures made in excess of budgetary appropriations. Our records do not indicate that this procedure was followed.

Surety Bonds:

The surety bond of the Town Clerk should be increased from \$2,000.00 to \$4,000.00, in accordance with the recommendations made in our previous report.

Note, Bond & Coupon Register Required

to be Maintained:

Chapter 33, Section 12 of R.S.A. require that the Treasurer maintain a Note, Bond and Coupon Register as prescribed by the State Tax Commission. The Treasurer should bring the existing register up to date and hereafter record currently therein the transactions in notes, bonds and coupons.

Expense Reimbursements:

It is recommended that any expenses incurred in the discharge of town business be substantiated by a detailed voucher.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of

Lincoln for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON, Director
Division of Municipal Accounting
State Tax Division
