Newport, New Hampshire  
February 18, 1960  
7:30 P. M.

The Executive Committee of the Sullivan County Delegation met with the Commissioners to go over their proposed budget for the year 1960. Present were Messrs. Nahill, D'Amante, Downing, Davis and Miss Bailey and Mrs. Frizzell, the last two mentioned—members ex-officio, Messrs. Read and Duncan, Commissioners and Helen Bartlett of the Newport office.

Register of Probate, Bernice M. S. MacWilliams, appeared before the group to explain the large increase in her budget was due to the purchase of new forms as prescribed by law.

Stanley Colby of the Extension Service presented a slightly increased budget—the increase mostly for salaries.

Zella A. Eastman, Register of Deeds, presented her budget. The increase due to the ten year index and 1960 is the year it must be done according to law.

Sheriff McCusker presented his budget and was asked to present a breakdown of expenses which were later mailed to the members.

Commissioner Read then explained their budget item by item and a general discussion ensued.

Commissioner Duncan summed up the Commissioners budget by saying the net increase over last year's budget was approximately \$19,000.00.

Elsie C. Bailey, Clerk

The Executive Committee went into Executive Session but only tentative actions were taken. Adjourned at 11:45 P. M. Executive Committee meeting to be continued at Claremont office February 29, 1960, at 2:00 P. M.

Finance Committee—Messrs. Downing, D'Amante and Nahil,

Mrs. Frizzell and Miss Bailey, members ex-officio. Also Mr. Spalding, Mrs. Phillips, Mr. Desnoyer, Mr. and Mrs. Ahern and Mrs. Helen Bartlett.

Mr. Desnoyer inquired about increase in Registers of Probate and Deeds. Answer same as in previous record. Both Desnoyer and Phillips inquired about the thinking of the Executive Committee who had previously heard the budget.

Chairman Nahil replied that only a part of the budget had been screened and only tentative cuts proposed and that such action would be made at a meeting on February 29, 1960, in preparation of the Delegation Meeting on March 5, 1960.

Commissioner Duncan then explained increase and if the Commissioners' budget, as presented, was adopted \$257,000.00 would have to be raised by taxation.

Mr. Bailey of Unity, N. H., appeared for the Extension Service. Mrs. Bonneau explained this budget was a very close budget and endorsed the increase.

In attendance were Chairman Nahil, Messrs. D'Amante, Downing, Davis and Miss Bailey, Clerk of the Delegation, County Commissioners Read, Pierce and Duncan, Mr. Ahern, Superintendent of the County Home.

The purpose of the meeting was the problem of the water supply at the County Home, due to leaky water pipes that provide the water for the home. So serious are the leaks that the present water pressure is inadequate for their requirements. Mr. Ahern reported that various

areas had been dug up and numerous leaks were found. A lengthy discussion of the problem resulted in the following conclusions:

- A. Immediate action was imperative.
- B. Deemed advisable that a Committee from the Delegation be named to work with the Commissioners.
- C. That advice of a competent engineer should be found at earliest possible date to aid the Committee.

In accordance with the above conclusions two motions were made and unanimously adopted.

ON MOTION of Mr. D'Amante seconded by Mr. Downing VOTED that the four members of the Executive Committee be named the Committee to work with the Commissioners on this problem. (Members include Messrs. Nahil, D'Amante, Davis and Downing.)

ON MOTION of Mr. Downing seconded by Mr. Davis VOTED that authority be given the Commissioners to engage a competent consulting engineer to work with the full Committee in solving this problem.

The Public Hearing on the Vertical High Pressure Boiler was held in the County Commissioners' Office in Claremont at 7:30 P. M. after publication of said hearing in the Claremont Eagle as prescribed by law.

Present were Mr. Sam Nahil, Frank D'Amante, Fred Davis, Mrs. Martha Frizzell, County Commissioners, Palmer Read and Alfred Pierce; Supt. and Matron, Mr. and Mrs. Omer Ahern; and Charles Bailey.

Sam Nahil, Chairman of the Executive Committee called the meeting to order and explained that an emergency existed at the County Home and Hospital due to the fact that the Vertical High Pressure Boiler was considered unsafe for further operation and was condemned by the Insurance Company. Mr. Nahil further stated that the purpose of the meeting was to determine whether or not the Executive Committee would authorize the County Commissioners to purchase a boiler to replace the old boiler. Mr. D'Amante asked if the Commissioners intended to buy a larger boiler. Mr. Nahil said that it was most beneficial to purchase the 50 H P High Pressure Boiler even though it would cost \$600 more as it would take care of the increase in growth over a period of years.

Mr. Frank D'Amante made the following motion, seconded by Mr. Fred Davis and adopted: The Vertical High Pressure Boiler at the County Home and Hospital having been condemned, constitutes an emergency. Therefore the Finance Committee of the Delegation authorizes the County Commissioners to purchase a 50 H P Vertical High Pressure Boiler to replace the old boiler.

A motion was made by Mr. Frank D'Amante and seconded by Mr. Fred Davis that the Finance Committee of the Delegation authorize the County Commissioners to authorize the County Treasurer to borrow money not to exceed \$5,500.00 to pay for the 50 H P Vertical High

Pressure Boiler to be purchased for the County Home and Hospital.

On the motion of Mr. Fred Davis and seconded by Mr. Frank D'Amante the meeting adjourned at 8:15.

## GENERAL COMMENTS

### Net Overdraft of Appropriations — Application of Chapter 24, Section 15, of the Revised Statutes Annotated:

It is noted that in the year 1959, there was a net overdraft of appropriations in the amount of \$33,905.39 (Exhibit D). Included in the overdraft, however, was an overdraft on account of Superior Court expenditures amounting to \$4,541.55, leaving a net overdraft of budgetary appropriations over which the County Commissioners have control, of \$29,363.84.

In accordance with the provisions of Chapter 24, Section 15, of the Revised Statutes Annotated, the Executive Committee of the Sullivan County Convention at a meeting held on November 30, 1959, decided that an emergency existed and granted authority to the Board of County Commissioners to make expenditures in excess of budgetary appropriations.

#### Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Sullivan County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

Harold G. Fowler

## COMMISSIONER'S REPORT

To the Citizens of Sullivan County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Sullivan County herewith present the Annual Report of the County Commissioners, County Attorney, Clerk of the Superior Court, Sheriff, Chaplains, Physician, County Agent and the County Auditors for the year ending December 31, 1960.

All of Sullivan County was deeply shocked by the sudden death of Palmer C. Read, Sr., on December 1, 1960. He had ably and conscientiously served his fellow citizens as Commissioner since 1953, the last of which he was Chairman of our Board. Those who knew and served with him will never forget his tireless efforts and deep concern for the problems and welfare of our County. The loss to all of us, County officers and citizens, is great.

After 19 years of distinguished service as Commissioner, Alfred T. Pierce announced his retirement. This was learned with great regret, but we are sure all join in wishing him continued health and happiness in his retirement. Mr. Pierce can look back with pride to these long years of public service. It was during this period that the County indebtedness was greatly reduced and the facilities of our Home greatly increased. Both of these are in no small part due to his zeal, foresight and understanding.

During 1960 the patient load at the County Home has reached capacity and many times a waiting period before admittance was necessary. There would not seem to be a finer testimonial to the services ren-

dered by our staff, Dr. Stearns and Mr. and Mrs. Ahern. For a detailed report of activities at the Home your attention is drawn to the report of the Superintendent and Matron.

Two major projects were undertaken at the Home this year which were of an emergency nature. The high pressure boiler was condemned and a replacement was immediately needed. Authority to purchase a new boiler was given the Commissioners by the Executive Committee under appropriate statutes. Even though authority was given to borrow the purchase price on a short term basis, it was found possible to pay for this from current funds so this item will not appear in our 1961 budget.

The other major project was in connection with the water transmission line from Marshall Pond, the source of water for the Home, to the storage reservoir at the Home. It was noticed that the water consumption was considerably greater than the recovery capacity of the storage reservoir despite ample water at Marshall Pond. Inspection disclosed deterioration of pipes between the Pond and reservoir and expert assistance was sought. Upon authority from the Delegation, the Commissioners hired the consulting firm of Camp, Dresser and McKee of Boston who made a complete survey of the problem. Their report concluded that our present, let alone our future, water needs could never be met due to improper hydraulic engineering and deterioration of the present piping system. Recognizing the seriousness of the problem the Delegation authorized the preparation of plans and specifications for a system designed to meet present and future needs, the awarding of construction contracts and the issuance of County Bonds totaling \$75,000 to pay engineering and construction costs. The contract was awarded to Cannavino and Shea, Inc., of Leominster, Massachusetts for \$68,139.65. Work was started late in the year and the project more than half completed before winter weather forced a temporary halt.

Equipping and maintaining all parts of the Home continues to be a major problem. A surplus remained at the end of 1960 and your Commissioners are asking in their 1961 budget for permission to use these funds to purchase specific needed equipment. These are mainly the much needed electrical equipment to replace the wood burning stove and baker at the Hospital. Replacement of the approximately 40 year old mangle in the laundry is also urgently needed.

Despite experiences elsewhere our welfare expense decreased during 1960. It is felt that this may, in part, be due to stronger insistence of able bodied recipients to report at the farm for work. It is never

intended to deny the truly needy help, but required work is often a deterrent to the malingerer.

We wish to sincerely thank the Delegation and Executive Committee for their cooperation and recognition of the County's needs and problems, the fine staff at the Home and especially Mr. and Mrs. Ahern, whose tireless efforts and great efficiency have contributed so much. Many others have contributed to the welfare of our patients; the Chaplains, the Physician, Auxillary and many organizations and individualism and our sincerest thanks go to all of them.

Our Office Staff prove themselves invaluable time and again and the Commissioners are greatly appreciative of their loyalty and efforts. The County Attorney and Sheriff are ever ready to lend their assistance and their cooperation is sincerely recognized.

Respectfully yours,

Richard C. Duncan

## SUPERINTENDENT'S REPORT

January 1, 1961

To the Commissioners of Sullivan County

Gentlemen:

This past year has been one of much activity and unexpected emergencies. A drop in water line pressure due to low water condition in our reservoir concerned us to the extent that we investigated and found the two inch water copper line leaking in numerous places. As a final result a new water line is being installed which will be completed in the Spring.

Another unexpected emergency faced us when the High Pressure Boiler was condemned by the Insurance Company. This action necessitated the purchase of a new 50 Horse Power High Pressure Boiler which is giving very satisfactory results.

A new parking lot has been constructed for the convenience of the visitors and employees. This will be an improvement over the muddy condition which existed previously.

Among the other activities which have been undertaken has been the addition of a ramp on the Male Floor of the Nursing Home which enables the men to get out of doors in wheel chairs. It also facilitates ambulance service. A geriatric garden has been erected in the back yard which will enable the residents to plant their own flowers. A lawn has been constructed for the convenience of the residents who use wheel chairs.

A second hand drier and an extractor both in good condition have been added to our laundry which will improve the operating facilities and shorten long hours spent working there.

Due to unfavorable weather conditions our vegetable garden was not as fruitful as it has been in previous years. However, many vegetables were stored in the root cellar and deep freeze and are being used this winter.

Nursing Homes are getting away from the old concept of providing just custodial care. We all realize that we have the responsibility of keeping our residents occupied and interested in activities. Older people need recreation and relaxation because it is stimulating both mentally and physically. We were fortunate once again this past year to have had the New Hampshire Social Welfare Council under the Spaulding Trust Fund sponsor our Occupational Therapist. She came to the Home twice a week and directed approximately thirty patients a day. The majority of them have been doing what is considered diversional work. They are doing crafts; using their hands. The primary purpose is to keep them alert and interested. A few patients are getting functional therapy which is muscle re-education and ex-

ercises and crafts specifically designed to aid a certain function. Friendly visiting is also part of her work although our very active County Home Auxiliary takes care of the majority of friendly visiting.

The Auxiliary continues to work closely with the Occupational Therapist and is always ready to help in any activity. The members have given so much of their time and energy that it is difficult to find words of appreciation and praise. Their friendly visiting has been a great source of joy to our residents who look forward to their weekly arrival.

Although a greater number of our residents come to us for terminal care, a few of them have been discharged which we feel is a result of the aid given through physical and occupational therapy. Approximately 75% of our residents are bedridden and require a great deal of nursing care; many of them individual attention.

Our Nursing Home continues to be filled to capacity with a waiting list. A Porto-Lift has been added to our equipment which has been a great help in lifting patients in and out of bed and chairs. A refrigerator in excellent condition was given for the Male Ward kitchen. This was very much needed.

It was with regret that we learned that Mr. Palmer Read and Mr. Alfred Pierce would not seek reelection as County Commissioners. They were both interested in County Government and had given a great deal of themselves. It was even more a shock when we learned of the sudden death of our Chairman of the Board of County Commissioners, Mr. Palmer Read. It is a great loss not only to us who have worked closely with him at the Home but to Sullivan County as well. We had relied on his good judgment and often sought his counsel and advice. We will miss Mr. Pierce whom we had come to know as a friend as well as a Commissioner. His counsel and guidance were always welcome.

Sullivan County is fortunate to have Mr. Charles Bailey and Mr. Vincent Perkins as County Commissioners. They will enjoy working with Mr. Richard Duncan, whose experience as County Commissioner, will prove very helpful.

We continue to receive fine cooperation from our County Attorney and the Sheriff's Department. They are always ready to be of assistance to us.

To our employees for their assistance in helping us meet our responsibilities; to Dr. Carl Stearns for his kind and competent service to our residents; to Fr. Maurice LaCroix for his Spiritual guidance; to Mr. Alvin Barrus for his Spiritual assistance; to all members of the clergy of various faiths; to our county extension service; and to all our friends for their many acts of kindness; we say, "Thank you."

It would be almost impossible to mention the clubs, church groups, organizations, individuals, etc., who have given so generously of their time and who have done so much to bring joy to the residents. Some groups have given gifts of money which enabled us to buy drapery material for the sun porches. Several gifts have been given individually and to the Home. We appreciate all they have done.

In closing we want to express our thanks for the understanding and loyalty extended to us by our County Commissioners. Without their wholehearted cooperation it would have been impossible to accomplish our objectives.

Omer C. Ahern, Supt.

Rosa C. Ahern, Matron

### PHYSICIAN'S REPORT

To The Sullivan County Commissioners:

During the past year of 1960, we had 70 admissions to the Sullivan County Nursing Home. There were 32 deaths.

Our new occupational therapy department, under the direction of Mrs. Spofford, has done a great deal to keep many of our patients busy and therefore happier.

Thanks are due to Mr. and Mrs. Ahern for their fine supervision and great personal interest in each patient. Also to Miss Florence Melendy, Chief Nurse, and the other nurses under her capable direction.

Carl M. Stearns, M. D.

**REPORT OF THE CHAPLAIN**  
**Sullivan County Home, Unity, N. H.**  
**Year ending Dec. 31, 1960**

---

Since my appointment as Chaplain to the Sullivan County Home and Hospital about the 15th of April, I have visited the Home and the residents every week except one, when Rev. Harold Campbell substituted while I was away at summer school.

Services have been held in the chapel each week, and attendance varies from 7 to 30 with an average of 10 to 12. Usually services are held Friday afternoon at 2:30, excepting the summer months of July and August when services were held at 6:00 P.M. Saturdays.

Bibles have been procured from the New Hampshire Bible Society without charge, and given to those residents who had need. In addition, devotional literature has been provided, and is available to all who desire to receive it.

Several Churches assisted in the work of providing religious programs. Choirs have come to sing at Christmas, and at worship services. Christmas cards and gifts, and many "sunshine baskets" have been received.

Perhaps the most satisfying work to the Chaplain has been the personal visitation to residents at the Home. I have rejoiced in the courage and fine spirit of these people, and welcome the fellowship of many new friends.

I wish to thank Mr. and Mrs. Ahern for their assistance and many kindnesses. Also, my appreciation to the staff and nurses for many favors, and to all for their devotion to their work in behalf of the residents at the County Home.

Respectfully submitted,  
ALVAN BARRUS, Chaplain

**CHAPLAIN'S REPORT**

As Catholic Chaplain of the Sullivan County Home, I wish to acknowledge all the progressive achievements accomplished through the laborious efforts of the Directors and employees during this past year 1960.

The goodness of God has certainly pleased the sick and old people and may in the future the same spiritual benefits be to the success of such a great social work.

Sickness and old age can be a cross for mankind to bear but in the light of Faith and love of God it is the key to great Happiness.

I hope that our County keeps alive its great interest in our old and sick people.

Sincerely,  
Rev. M. Lacroix

## REPORT OF COUNTY ATTORNEY

January 31, 1961

The Commissioners of Sullivan County  
Newport, New Hampshire  
Gentlemen:

I herewith submit my report as County Attorney for the year ending December 31, 1960.

In 1960 the Grand Jury for the County returned four indictments and twenty-one persons charged with crime waived indictments in order to have their cases speedily disposed of by the Superior Court on guilty pleas. Many of the cases involved major crimes, such as breaking and entering, obtaining property by false pretenses, statutory rape, enticing a female child, larceny, and reckless driving death resulting.

In six instances it was necessary to invoke the provisions of the so-called Sexual Psychopath Act (RSA 173). In all but one of the cases the respondent was found by the examining board not to be classifiable as a sexual psychopath, and these respondents stood trial for their offenses in the courts. In the other case the individual was committed to the Department of Mental Health until it was determined by doctors that he was no longer dangerous to himself or others.

The non-support cases were again a major problem for your County Attorney. As in years past, hundreds of wives and mothers consulted with me in order to compel support from a husband or father who deserted the family or misspent his earnings. In some cases our efforts were rewarded, and in others the results were disappointing. 1960 saw a sharp rise in cases under the Reciprocal Enforcement of Support Act, the machinery of which is used when a husband or father leaves his wife and/or children and moves to another state. The cases in which New Hampshire was the initiating state about equaled those in which it was the responding state.

The four Municipal Courts in the County once again handled several hundred criminal cases during the year 1960. Your County Attorney conducted the prosecution of the cases wherein the accused entered a plea of not guilty.

I am indebted to our fine Sheriff, James F. McCusker, and his staff of deputies for the excellent cooperation and assistance which was rendered to me in all criminal cases. I am grateful also to the local Police Departments, the State Police, representatives of the Motor Vehicle Department, and to the Probation Officer covering Sullivan County, for their valuable assistance and cooperation. The County Commissioners and the personnel of their offices were most helpful in solving many problems which required my attention.

Respectfully submitted,  
George E. Zopf  
County Attorney
