Town Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Brookfield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Brookfield on Tuesday the tenth day of March, next, at seven of the clock in the evening to act upon the following subjects:

Polls will be open from 1:00 to 6:00 P.M.

1. To choose all necessary Town Officers for the coming year. (By Ballot)
2. To vote to accept the amendment to reinstate a town established minimum setback for wetlands into the current Zoning Ordinance. (By Ballot)
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the 1998 taxes. (Majority Vote Required)
4. To see if the Town will vote to authorize the Selectmen to contract with the Town of Wakefield for police protection and to raise and appropriate \$67,405.00 for the same. (Majority Vote Required)
5. To see if the Town will vote to raise and appropriate the sum of \$24,091.00 for fire protection and ambulance service provided by the Town of Wakefield. (Majority Vote Required)
6. To see if the Town will vote to raise and appropriate the sum of \$29,417.00 for use of the Sanbornville Landfill, with an additional sum of \$2,500.00 to be raised for the use of the Septage Lagoon. (Majority Vote Required)
7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the completion, production, and printing of the town history. (Majority Vote Required)

8. To see if the Town will vote to raise and appropriate the sum of \$6,500.00 for the Expendable General Fund known as the Town Buildings Maintenance Fund. (Majority Vote Required)
9. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to be placed in an expendable trust fund for the preservation of town records. (Majority Vote Required)
10. To see if the Town will vote to raise and appropriate \$125,000.00 to build a new Town office building and to authorize the Board of Selectmen to build such building, and to further authorize the Board of Selectmen to withdraw all funds from the Town Meeting Building Capitol Reserve Fund to be applied to the amount voted to be raised and appropriated for the new Town office building. (This article is recommended by the Selectmen.) (Majority Vote Required)
11. To see if the Town will vote to authorize the Board of Selectmen to withdraw funds from the Future Land Acquisitions Capitol Reserve Fund and to apply these funds to the amount voted to be raised and appropriated for the new Town Office Building. (This article is recommended by the Selectmen.) (Majority Vote Required)
12. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies, and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19. (Majority Vote Required)
13. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95b. (Majority Vote Required)
14. To see if the Town will vote to raise such additional sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for same, as set forth hereafter. (Majority Vote Required)

Treasurer's Report

January 1, 1997 to December 31, 1997

Once again during 1997 the Town did not need to borrow any money in anticipation of taxes. This results in significant savings in interest payments to say nothing of the paperwork involved!

The Town bought property and yield taxes through the lien process in the amount of \$90,771.19. This amount is not included in the following reports as either revenues or expenditures. A portion of those liens have been redeemed and that portion is reflected in the reports.

Reminder: There will be a \$10.00 fee charged for any check returned by the bank for insufficient funds. Payment of the fee and the check must be made in cash or by certified check or money order.

This will be my final report as Treasurer for the Town. It has been a pleasure to serve and to participate in the workings of Town Government, and I hope to serve in other capacities in the future. Thank you for your support.

The reports that follow are true summaries taken from the books of the Treasurer for the period from January 1, 1997 through December 31, 1997, and are complete to the best of my knowledge and belief.

Harriet K. Wilson
Treasurer

Report of the Planning Board

The Planning Board continued in its endeavor to update the town's ordinances and regulations by presenting the updated Zoning Ordinance, Site Plan Review Regulation, Flood Plain Ordinance, and the Building Code to the voters at the 1997 March Town Meeting. During 1997 we continued working on revisions to the Subdivision Regulations and recommend that the town adopt an amendment to the current Zoning Ordinance to reinstate the wetlands setback requirements into the ordinance at this town meeting. The board also worked with the selectmen to develop a driveway permitting process, similar to the one that applies to state roads in town, and that would protect the condition and maintenance of town roads as well as promote traffic safety.

The Planning Board also received and acted upon requests for subdivisions and lot line adjustments throughout the year.

Respectfully submitted,
Janet Williamson
 Chairman

Wakefield Area Ambulance Corp.

In the fall of 1997, Wakefield Ambulance said good-bye with gratitude and appreciation for their years of dedication to Captain Eleanor Guilmette, Deputy Director Richard Guilmette, and Director Malcom Kurth. During this time, with the agreement of the Board of Selectmen, the Fire Department and the members of the Ambulance Corps, the Ambulance joined the Fire Department. We are now licensed as The Wakefield Fire Department Ambulance.

Chief Todd C. Nason and Assistant Chief Francis (Skip) Wolfe have made this transition a smooth one and, with their support, an even closer working and training relationship has continued to develop between the Fire and EMS sides of the department.

In 1997 the Ambulance logged 10,016.5 miles responding to the following emergencies:

54 Motor Vehicle Accidents - 2 of these in Brookfield
230 illnesses and personal accidents - 22 of these in Brookfield
42 standby at fire calls - 5 of these in Brookfield

Total of 29 calls to Brookfield in 1997

The busiest periods were during the months of March, (40 emergency calls) followed by January and July (35 each). The least busy month was October (19).

The current ambulance officers are Captain Jane Runnels and Lieutenant Richard Wilson.

Remember - the Wakefield Fire Department Ambulance holds a free Blood Pressure Clinic on the first Wednesday of each month at Branch River Commons from 10:00 am to 12:00 noon. All are welcome.

Respectfully submitted,
Patricia D. Brackett
EMS Administrator

Wakefield Police Department

The police department continues to look for opportunities for pro-active interaction with our citizens. We have chartered Police Explorer Post #290, in conjunction with the Daniel Webster Council, Boy Scouts of America. Participation in the Explorer's Post allows our young citizens an opportunity to participate in police functions, training and activities, while allowing department personnel to develop a better understanding of the problems and concerns of our youth. We have presented Drug Awareness and Stranger Danger programs at the Paul School. Officers have been rewarding children for wearing their helmets while riding bicycles, by presenting them with tickets for free ice cream donated by Rockin Ryan's Ice Cream. Citizens are taking advantage of our Good Morning call in program for shut-ins and those living alone. We are participating in Crimeline and are receiving numerous calls with information or comment. We have been able to use some of that information to clear cases and make arrests. For the first time, a Wakefield Police Officer will present the DARE program at the Paul School this year.

I am pleased to announce that Officer Randy Power has been selected as the 1997 Officer of the Year. Officer Power has been instrumental in developing our Good Morning program and has spearheaded our new Police Explorers Post. He is our DARE officer. Officer Power has been a member of the department for about 2 years. He is retired from the United States Air Force where he attained the rank of Captain. Officer Power and his wife are local residents with children in the Paul School. He is a community spirited citizen deeply concerned with the welfare of our youth and elderly.

The department is still losing officers to other departments. Unless and until we can offer truly competitive compensation packages, we will continue to lose officers as fast as we can train them.

 Forest Fire Warden

Visiting Nurse Association

Hospice of Southern Carroll County
 and Vicinity Inc.

The VNA - Hospice of Southern Carroll County and Vicinity, has once again experienced a phenomenal growth rate of approximately 23% during this past year. This means that the agency's staff members made over 51,000 home care and hospice visits, with an additional 900 maternal-child health visits. The agency's budget for 1997 was approximately 2.6 million dollars, with the primary payor continuing to be Medicare. With this continued growth, the agency still has to depend on its fund raising efforts and town appropriations in order to achieve its mission and goals.

The agency made a total of 1,544 visits to Brookfield this year, with 694 being Home Care visits, 820 being Hospice visits and 29 of them being through the Maternal Child Health Program. This reflects an actual 65% increase in Hospice visits which is costly. Thank you for your continued support.

Respectfully submitted,
Marilyn A. Barba, MS, RN, CNA
Executive Director

Report of the Animal Control Officer

Brookfield has had a reasonably quiet year. There have been a total of 113 dogs licensed: an increase of 24 dogs from 1996. All dogs had Rabies Shots for licensing.

Two (2) dog bite cases were settled between the dog owners and victims. Calls on horse abuse complaints were investigated by the Animal Control Officer. The owner complied with all orders and instructions.

Other complaints handled by the Animal Control Officer included: bird, bat, stray cats, stray, running at large, missing and barking dogs, stray cows, and racoons.

All stray or loose found dogs were returned to their owners, with the owners paying the board charges, therefore no board charges to the town.

A RABIES CLINIC is offered for DOGS AND CATS by the Animal Control Officer in April. Please Remember!!! Dogs are (BY LAW) to be licensed yearly by April 30th.

Break down of time:
Office calls - 20 hours 22 minutes
Travel time - 12 hours 10 minutes
Disposals: Dog-0, stray cats-4, other-2
Travel miles - 165.9

Animal Control can be reached by calling 473-2826 or by calling the Wakefield Police Department.

Respectfully submitted,
Henry M. Blanton
Brookfield Animal Control Officer

Annual Audit Report

We have examined the financial statements of the Town of Brookfield for the year ending December 31, 1997, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and includes such tests of the accounting records as we considered necessary in the circumstances.

In our opinion, the financial statements present fairly the financial position of the Town of Brookfield at December 31, 1997, in accordance with generally accepted accounting principles.

Respectfully submitted,

Jean E. Albro

Norman H. Royle

Auditors

Report of the Brookfield Conservation Commission

We have continued our project of creating a geographically balanced array of fire-suppression year round dry hydrants in our community. A "dry" hydrant is a source of water at a pond extracted and filtered below the freezing level. New hydrants, pipes, and filters are purchased by Brookfield from the Strafford County Conservation District and installed with contract and volunteer labor. Our third installation was accomplished late in the year on Garney Road, and our fourth is planned in 1998 on Old Governor's Road. Weather permitting, a fifth project will be undertaken at a location not yet determined. Twenty potential sites have been identified.

Our long term interest in the aesthetics of the community focused on the Town House and extending to the public roadways is expressed each spring in our sponsorship of "Town Clean-up Day". This starts out in the morning at the Town House where goodies are provided, along with plastic gloves and bags, and a dumpster is provided by Jim Murphy. Clean-up Day for 1998 is scheduled for Saturday, May 2.

The commission has a representative at the Lakes Region Conservation Trust in the administration of the Copplecrown Mountain donation and we have a representative at the Trails-Rails Action Committee (TRAC), an effort to convert the Wolfeboro Railroad right-of-way to a recreational resource.

We are involved in the slow process of attempting to clean up the town's 63 graveyards, some of which are in deplorable condition. Our role is to identify the needy areas and encourage appropriate landowners to maintain the grave sites, some of which are currently maintained by trust funds, while others are totally abandoned.

The New Hampshire Department of Environmental Services conducted a public forum which we sponsored at the Town House in November on the subject of the best-method timber harvesting, which was well attended.

"Project Bluebird" was started by two of our members to familiarize the community with the return of the local bluebird population and to provide a source of bluebird houses to those who wish to place one on their property. A comprehensive display was created at the Wolfeboro Public Library and a more permanent display is planned locally. Reading references, some guidance and bird houses are available through the conservation commission.

Respectfully submitted,
Ron Murray
Chairman

Report of the Town Archivist

Several significant manuscripts were donated to the archives this year. Charles Colman, a direct descendant of Dudley Colman, has visited the Brookfield/Wakefield area twice in the last two years, and has been a great source of oral history about life in Brookfield in this century, as well as what he knows from his ancestors. He has been able to help us identify many of the people in some of our early photograph collection, as well. In May, he donated to the town archives a collection of manuscripts, including fifteen letters from the late eighteenth century written between Leon Chappotin, a Brookfield resident and friend to Dudley Colman, and his mother and aunt in France.

Frances Colman Rines, a summer resident of Wakefield, loaned to us for reproduction, some of her extensive collection of photographs and scrapbooks related to specific Colman people and places, as well as Brookfield in general. Several items from her collection made significant new contribution to the town history, including primary resources about Susan Hanson murder, and subsequent trial of Joseph Buzzell.

In memory of Ashton and Hazel Chamberlain, several postcard views of Brookfield were donated to the archives in June.

The first Town Record Book, dating from 1778, has been assessed by the Northeast Document Conservation Center in Andover, Mass, and a contract providing for the conservation of that volume was approved by the selectmen. The conservation work will assure the continued existence of this early volume for many, many years.

The archivist has continued to participate in meetings held by two state-wide

organizations: the New Hampshire Archivist Group and the Committee for the Preservation of New Hampshire Documentary History.

Respectfully submitted,
Craig Evans
Archivist

Report of the Trustees of the Trust Fund

The Scholastic Recognition Award Fund was created at the 1996 annual meeting of the Town of Brookfield with an appropriation of \$500, and \$500 was added at the 1997 town meeting. (The Trustees voted to modify the name from *Scholarship* Recognition Award Fund to more truly reflect the purpose of the fund.) The trustees' goal is to increase the fund through memorial and other tax-deductible donations and additional appropriations until it becomes self-sustaining.

During the year donations were received and are gratefully acknowledged from the following:

Organizations: \$672.91

Brookfield Bloomers \$150.00

Brookfield 1997 Craft Fair 94.21

Judith J. Brenner, Sally Cornwall, Cynthia J. Denver, Ronald J. Fountain, Lida Kaiser, April M. Libby, Joan M. Nelson, Ann B. Pinkham, Christopher C. Pinkham, Nancy Whittemore, and coffee fund.

DeLisle's 4R's Recycling 128.70

Kingswood Lake Association 300.00

Individual Donors: \$600.00

Ronald J. and Mary Ann Fountain

Thomas K. and Judith Meakin in memory of Jennie Cameron

David J. and Lynn Wolfe Newton

Richard L. and Diana J. Peckham

Christopher C. and Ann B. Pinkham in memory of Jennie Cameron

Eleanor P. Young

The award is given to the Brookfield graduating senior with the highest four-year cumulative grade-point average. The senior must be a resident of Brookfield from September 1 of the year preceding graduation through the end of the senior scholastic year. Parents of seniors attending private schools are asked to notify the trustees so that their children can also be considered for this award. Contact Christopher Pinkham at 522-9925 for information. The second recipient of the Town of Brookfield Scholastic Recognition award was Rachel Wilson.

Respectfully submitted,
Martha A. Pike, Christopher C. Pinkham, Ronald J. Fountain
