CHESTERFIELD NEW HAMPSHIRE

ANNUAL REPORTS

for the Year Ending
DECEMBER 31, 1995

CHESTERFIELD SCHOOL DISTRICT
for the Year Ending
JUNE 30, 1995

SPOFFORD FIRE DEPARTMENT
DECEMBER 31, 1995

DEDICATION

While it has been customary to dedicate the Town Report to a specific individual of distinction, this year we would like to do something a bit different. Many, many people, past and present, have served Chesterfield in appointed and/or elected positions on Boards, Commissions, Committees and Sub-Committees. In recognition of the vast amounts of time and effort these individuals have given toward making Chesterfield a better community in which to live, and with sincere gratitude and appreciation, we dedicate this Town Report to them:

SELECTMEN'S REPORT - 1995

PEOPLE:

1995 was another year of changes in key personnel for the Town.

Our attempts to fill the Public Works Director's position vacated by Alvin Davis last year have not yet been successful in the long term. Two separate appointments to the position during 1995 both failed and we find ourselves at the close of the year with that position again vacant.

At the end of August Judy Biggar left her position as Administrative Assistant to pursue a career in Maine, closer to her family. In October we promoted our former Selectmen's Secretary, Evelyn Nadeau to Administrative Assistant. Then in December, Penny Cooper joined us, filling the position of Selectmen's Secretary while continuing to serve the community through her volunteer efforts with the Chesterfield Fire Department.

PLACES:

You may have noticed the parking lot at the Town Offices has been paved this year. Additional parking for the school behind the new fire station was added, resulting in a traffic pattern change. Drivers now enter at the southern end of the Fire Station and exit at our former entrance.

THINGS:

Weather, weather, weather! Torrential rains in the fall caused wash-out problems throughout the town. We would like to take this opportunity to publicly thank our road crew for their diligent efforts in the struggle against the forces of nature. Bravo!

WARRANT

You are hereby notified to meet at the CHESTERFIELD SCHOOL in said Chesterfield, on Tuesday, the 12th day of March, next at ten of the clock in the forenoon (Polls close at 8:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot.

The business meeting will be called to order at 6:30 o'clock in the evening to act upon the following subjects:

ARTICLE 1: To vote an Australian Ballot for all necessary Town Officers

ARTICLE 2: To vote by ballot on amendments to the Zoning Ordinance and Building Ordinance.

ARTICLE 3: To see if the Town will vote to allow a 2% discount on real estate taxes paid in full up to fourteen (14) days (inclusive) of the postmarked date of the tax bill, or act in any way related thereto.

ARTICLE 4: To hear the report of the Budget Committee, or act in any way related thereto

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of One Million Four Hundred Thirty Five Thousand Three Hundred Thirty Two Dollars (\$1,435,332) for the following purposes or act in any way related thereto. (\$1,432,832 Recommended by the Budget Committee)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the already established Chesterfield Fire Truck Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 8: To see if the Town will appropriate One Hundred Fifteen Thousand Sixty Nine Dollars (\$115,069) to purchase a Fire Truck and Apparatus for the Chesterfield Fire Department authorizing the withdrawal of this amount from the Chesterfield Fire Truck Capital Reserve Fund, or act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 9: To see if the Town will raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to be added to the already established Revaluation Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Seventy Two Thousand Twenty Eight Dollars (\$72,028) for tarring Town roads, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the already established Highway Heavy Equipment Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Three Thousand Seventy Five Dollars (\$3,075) to purchase an Extendable Boom for the Highway Department, or to act in any way related thereto. (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Nine Hundred Sixty Two Dollars (\$25,962) for the Construction and Reconstruction of Roads, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) for Guard Rails, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to purchase the following items for the Chesterfield Police Department:

Five (5) .40 cal. Smith and Wesson Handguns	\$2,000
Five (5) sets of Handgun Leather Gear	\$1,000

, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Five Hundred (\$17,500) to be placed in the already established Police Cruiser Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 17: To see if the Town will vote to appropriate the sum of Twenty Six Thousand Dollars (\$26,000) for the purchase of a Police Cruiser and to authorize withdrawal of this amount from the Police Cruiser Capital Reserve Fund already established for this purpose, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 18: To see if the Town will vote to appropriate the sum of Two Thousand Six Hundred Dollars (\$2,600) to install sinks in the rest rooms and replace landscaping ties at North Shore and to authorize withdrawal of this amount from the Parks and Recreation Building Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 19: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose a Tennis Court and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in this fund, or to act in any way related thereto. (Recommended by the Selectmen) (Not Recommended by the Budget Committee)

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the already established New Library Construction Capital Reserve Fund, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of Three Thousand Eight Hundred Eighty One Dollars (\$3,881) to fund the correction of accessibility deficiencies at the Town Hall and Town Office buildings, or to act in any way related thereto. Community Development Block Grant monies in the amount of One Thousand Nine Hundred Forty Dollars (\$1,940) will be received to offset this funding in the event that the Cheshire County ADA Project grant application is awarded by the New Hampshire Office of State Planning. [Approval of this article does not affect the community's existing or future CDBG applications] (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to fund painting the exterior of the Town Office Building, or to act in any way related thereto. (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Four Hundred Seventy Five Dollars (\$7,475) to aid Home Health Care and Community Services and Meals on Wheels, or act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of Three Thousand Two Hundred Three (\$3,203) to support the work of the Monadnock Family and Mental Health Service, or to act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of One Hundred Forty Dollars (\$140) to support the work of Windham Youth Services, or act in any way related thereto. (Recommended by the Selectmen)(Recommended by the Budget Committee)

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to support the work of the Keene Community Kitchen, or act in any way related thereto. (Not Recommended by the Selectmen)(Not Recommended by the Budget Committee)

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety Four Dollars (\$194) to support the work of the Keene Senior Center, or act in any way related thereto. (Not Recommended by the Selectmen)(Not Recommended by the Budget Committee)

ARTICLE 28: To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty Dollars (\$250) to The Gathering Place Adult Day Services in Brattleboro (Vt.) and Wilmington (Vt.), or act in any way related thereto. The Gathering Place provides adults who are isolated, frail or disabled with a safe and supportive day center where they can meet peers, participate in enriching activities, receive preventative medical attention, and remain active in their communities. Participants have diverse needs, from those who suffer from Alzheimer's Disease or other forms of dementia to those who have physical or emotional disabilities. The Gathering Place also provides their caregivers with respite, support and education. The center is open in Brattleboro on weekdays and in Wilmington on Wednesdays. [BY PETITION] (Not Recommended by the Selectmen)(Not Recommended by the Budget Committee)

ARTICLE 29: To see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or act in any way related thereto.

ARTICLE: 30: To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e, or act in any way related thereto. The Selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the town to raise , appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

ARTICLE 31: To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19, or act in any way related thereto.

ARTICLE 32: To see if the Town will vote to accept the following to be added to the Chesterfield Cemetery Maintenance Fund:

Peter J. and Ellen C. Gammans Gary and Renee Gammans C. Geoffrey and Lauren Gammans Friedsam - Lots 252 A & B; 253 A & B	\$600.00
Leslie A. and Joanne M. MacLean Friedsam - Lots 82 A & B	\$300.00
James E. Leahy Friedsam Lots 26 A & B; 27 A & B	\$600.00
Norman R. D. and Violet P. Smith Friedsam Lots 54 A & B	\$300.00
Jason Leahy Friedsam Lots 28 A & B	\$ 50.00
Elmer A., Sr. and Helen M. Davis Friedsam Lots 228 A & B; 240 A & B; 241 A & B	\$900.00

ARTICLE 33: To see if the Town will vote to raise and appropriate the amount of One Hundred Nine Thousand Two Hundred Ninety Two Dollars (\$109,292) to fund the following petitioned request: "We the undersigned residents and taxpayers of Pinnacle Springs Chesterfield; respectfully request that the unpaved portion of the roads in the Pinnacle Springs area be graded as necessary and then paved or hard surfaced. These roads are Pinnacle Lane, Split Oak Road, Pinnacle Pond Road and the Old Farm Road, now a part of Foley Road. This Road should be widened enough to let two cars pass conveniently and then paved", or act in any way related thereto. [BY PETITION] (Not Recommended by the Selectmen)(Not Recommended by the Budget Committee)

ARTICLE 34: To see if the Town will vote to designate the Gulf Road a Scenic Road. [BY PETITION]

ARTICLE 35: To see if the Town will vote to increase the number of members of the Parks and Recreation Commission from five to seven members, and to have all members of the Parks & Recreation Commission elected instead of appointed. Election of these commission members to be included on the ballot with the other Town Officers. [BY PETITION]

ARTICLE 36: The Gulf Road is a historic and scenic back road which follows winding brooks and includes several road side waterfalls. The residents chose the dirt road life style. They are concerned about the destruction of beauty, the speed of traffic and the cost of tarring the road. We the undersigned believe the Gulf Road should not be paved. [BY PETITION]

ARTICLE 37: To see if the Town will vote to accept the deed to the Chesterfield West Cemetery including all trust funds established for care of the lots therein and including all bank accounts established by the Chesterfield West Cemetery Association, or act in any way related thereto.

ARTICLE 38: To transact any other business that may legally come before this meeting.

Given under our hands this Fifteenth day of February in the year of our Lord Nineteen Hundred and Ninety-Five.

Board of Selectmen:

Harold C. Nowill, Chairman

James E. Machleid

Warren H. Porter

TOWN MEETING 1995

Proceedings of the Annual Town Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School in said town on Tuesday, March 14, 1994.

Moderator Terry Wiggin called the Town Meeting to order at 10 o'clock in the forenoon. Articles One and Two were read by the Moderator, who declared the polls open for voting.

At 6:30pm the Moderator called the Town Meeting to order with Warren Allen and Sandra Hoag as assistant moderator and clerk, respectively.

Following the salute to the flag, the Moderator called for a moment of silence in honor of those who had passed away during the year.

Chairman Harold Nowill recognized Alvin Davis for his many years of service to the town as road agent/public works director. Alvin was presented a plaque with the following inscription:

In recognition for a life time of service
and contributions to this community, he
has our unending thanks.
Upon his retirement as the Town of Chesterfield
Public Works Director.
December 31, 1994
Town of Chesterfield, New Hampshire

Alvin was also given a replica of a nickle, signifying his ability to spend most all his budget and returning a nickles worth back to the town.

Mr. Davis recieved a standing ovation of appreciation from the townspeople.

David Thomas, Chairman of the School Building Committee, made a brief presentation relative to the building schedule and the need of volunteers for the construction of the addition.

The rules under which the meeting would be run were explained by the moderator. All speakers should identify themselves and all remarks should be addressed to the Chair. All amendments in writing, with one amendment presented at a time. Using the term "pass over" would be honored this meeting. The Moderator stated the motion "to pass over" is a New Hampshire term and that the Municiple Association wants to dispense with this type of motion and substitute the motion "to postpone indefinitely" in its place

ARTICLE 3: A voice vote was in the affirmative to accept the report of the budget committee as presented by the Chairman Charles Paquette. Mr. Paquette recognized Phil Shaw for his seven years of service on the committee and Susan Newcomer for her eleven years of service.

ARTICLE 4: A voice vote was in the affirmative on a motion made by Harold Nowill and seconded by Louis Perham to allow a 2% discount on real estate taxes paid in full up to fourteen (14) days (inclusive) of the date of the bill, or act in any way related thereto. (Recommended by the Selectman and the Budget Committee)

ARTICLE 5: A voice vote was in the affirmative on a motion made by William Vogely and seconded by Richard Cooper to raise and appropriate the sum of Eighty-Eight thousand and Forty -Six Dollars (\$88,046.00) for the purpose of the operation of the Chesterfield/West Chesterfield Fire Departments. (Recommended by the Selectmen and the Budget Committee)

AUDITOR'S REPORT

We have carefully examined the accounts of Tax Collector, Town Clerk, Treasurer, Fire Department, Library, Trustee of Trust Funds including verification of the securities, and cemetery trustees, pursuant to RSA 41:31. We have followed the State of New Hampshire's guidelines in MS-60 report series for auditors. Variances of financial data have been examined and explained by the respective Municipal Officers to the Town Auditors.

AUDITORS,

Kenneth A. Woodward
Diane Celentano

PLANNING BOARD REPORT 1995

This past year for the Planning Board was moderately active. Many meetings were spent working on the Master Plan and a hearing will be held once copies of the final draft have been printed.

I'd like to take this opportunity to thank the many people who have put countless hours into this major project. Also, thanks to those of you who filled out the survey when the Master Plan revision was initiated. Your responses were invaluable, and greatly appreciated.

Besides numerous consultations, the board approved four (4) boundary line adjustments, two (2) site plans, and two (2) subdivisions in 1995. Another major site plan review and a commercial subdivision request have continued into 1996.

In addition to continued site plan/subdivision activity and final approval of the Master Plan, the board expects to complete a revision of the Capital Improvements Plan in 1996.

Susan Lawson-Kelleher
Chairman

HEALTH OFFICER
CHESTERFIELD

A year and nine months have passed and the work of the Health Officer in Chesterfield does not lack of boredom for me.

Again we had many inspections of septic systems, phone calls to and from people concerned with living conditions, failed septic systems, sampling of water, writing letters for different situations and inspecting homes and buildings for three daycare centers and four foster homes.

After continually bad water tests at North Shore Beach, the well casing had to be extended to today's above ground requirements and this has cured the contamination.

We attended a Health Officer Conference, seminars in Concord and Keene and several meetings concerning Health Officer work. The work of the Health Officer is not a full time position, but every year it seems to be more and more involved and to meet the many new and old members of the community has been enlightening.

Respectively submitted,

Betty Ashworth
Health Officer, Chesterfield

DEPARTMENT OF PUBLIC WORKS

REPORT FOR 1995

A 1995 L-9000 Ford dump truck was purchased to replace the 1982 L-8000 dump truck. This was a much needed replacement as the 1982 truck was becoming a repair burden. we also replaced the 1983 loader with a 1995 John Deere.

The 1995 construction/reconstruction funds were expended on the Herrick Road bridge to widen and raise the bridge. This project is to be completed in 1996.

In 1995 there were twenty-nine driveway applications issued.

Road paving was done on Cobleigh Estates Road, Streeter Hill, Winchester Road, Horseshoe Road, Jackson Hill Road, Prospect Hill, Westmoreland Road, Sugar Maple Lane, Glebe Road, Forest Avenue, Pine Tree Circle, Wildwood Road, Welcome Hill and one half of Poor Road. The parking area by the Town Offices and Police Department.

The guard rail appropriation was expended on Pinnacle Springs Road which completed this project.

With the completion of the 911 system, new street signs were ordered and most of them have been installed. We have a few more signs to order and install in 1996.

Respectfully submitted,

Michael Plante
Road Foreman

SOLID WASTE/RECYCLING CENTER
REPORT FOR 1995

There were big improvements to the Transfer Station Building in 1995 with the addition of a ceiling and insulation in the walls. We are now nice and warm from our waste oil furnace added in 1994. The oil is all free from oil brought in from towns people- we also gratefully accepted oil from the town of Swanzey, Marlborough, Fitzwilliam and Troy.

We again participated with the Town of Keene for three household hazardous waste day's saving the town money (one day was a "free-be" from Keene for surrounding communities) and of course saving the Environment by keeping the toxins out of the dumpster and the ground. PLEASE PARTICIPATE - AGAIN IN 1996- it's fast, it's easy- ask your neighbors who've already done it.

Another change this year is in the way we are charged for our trash removal- we are now charged \$50.00 a ton - not by the tip- so please watch what goes in! At this cost the savings through recycling (cost avoidance) was \$19,071.50.

The estimated amounts of recycled material for 1995 are as Follows:

Glass	53.78T	Corrugated Cardboard	33.0T
Aluminum Cans& Scrap	3.5T	Mixed Paper/Magazines	123.75T
Newspaper	76.5T	Tin Cans	13.2T
Brown Bags	4.12T	Metal/Aluminum(bulk)	55.38T
Plastic	18.2T		

(4.2 soda, 6.36T milk, 4.64T colored, 3T misc.)

The revenue for the recycled material was \$27,568.55.

We also save the town by continuing to be able to burn wood and brush. We must stress though that if we are to keep our permit from the state, we must co-operate and keep all the things out of the burn pit that the state says we must keep out. We also prefer not to have out towns air quality degraded. Please no particle board or laminates, etc in the burn pit. If you have questions please ask us.

We all would like to thank the townspeople for another successful year.

The Transfer Station Attendants
Susan Armstrong
Joanne Howard
Brian Krisch
Jesse Parker

CHESTERFIELD POLICE DEPARTMENT
ANNUAL REPORT - 1995

In this Annual Report, I would like to let you know some of the activities of the police department for the year past and what we see as trends or issues facing the Town and the steps we would like to implement to counter them.

In 1995, we increased our full time staff to five officers with the award of the three year COPS FAST grant. By utilizing the full time officers on a staggered scheduling system we were able to provide for twenty four hour patrol coverage through the Summer and Fall and reduce our dependence on part time officers.

Building renovations were started during the year and we expect to complete these by this Spring. Included is an expanded Secretarial/Booking area and a wall separating this area from the Officer's Room. The upstairs will be finished off as an Evidence processing and storage area so we can meet basic legal requirements for evidence retention.

Our other major program for 1995 was to incorporate more Community Policing practices. Officer Campbell was instrumental in coordinating several Community projects, ie., an ice skating rink, neighborhood watch program, Incident follow-ups and an extremely successful Halloween Haunted House. It is our hope that programs such as these and ongoing D.A.R.E. classes will help to offset the steady rise in juvenile issues we are experiencing.

The 1996 budget requests contains no new programs. We are asking for a new vehicle and to retain the Chevrolet as a third vehicle. Presently we have two cruisers and with routine patrol, repairs, special events, training, court etc., officers have had to use their personal vehicles for town business on several occasions. We are also asking for the remaining firearms and leather gear from the program we began last year.

As always, I wish to thank the townspeople for the support you have given to the department over the years. For our part, we will continue to strive to serve you in the most professional and helpful ways that we can. If you have any questions, comments or concerns, I am most willing to sit down and discuss them with you.

Respectfully Presented;

Eric S. Sargent
Chief of Police

CHESTERFIELD FIRE DEPARTMENT
REPORT OF THE FIRE DEPARTMENT
1995

OVERVIEW

We have had a busy year, our total calls were up from 142 calls in 1994, to 163 calls in 1995. This year the Department voted in a new chief, Stephen "Bart" Bevis, he has done a tremendous job with the Department and the Town.

With the leadership of Bart Bevis and Richard Cooper, the Fire Department chartered "The Chesterfield Fire and Rescue Explorer Post 286", in April. This is for young people ages 14 to 20 (they have to be in the 9th grade) and can join the Department when they turn 18. This is open to all the young people in the community, whether you live in Spofford, Chesterfield, or W. Chesterfield.

Also in April the loss of 7M3 was felt deeply by the Fire Department, especially the men in the West Station. Since then we have replaced it with a Ford One Ton Pick-Up, it still needs some work on it to upgrade it so it is complete.

In June we had a rather long call as a mutual aid call to Keene to assist with the tractor-trailer that rolled at the foot of the hill. Then in October we had the bus accident, we are very thankful that no one was injured badly.

FIRE PREVENTION/INSPECTIONS/EDUCATION

On October 9th, we conducted our annual fire prevention week activities with the children from the school. This year had them visit the station and see the equipment. Charlie Konkowski had his bedroom setup for the children to learn how to "get out alive", we also did a practice call with a setup for children to learn what to do and say if they need help. We did the 911 calls and also some basic reminders. We hope the children enjoy coming over as much as we enjoy teaching them how to be safe.

TRAINING

In March a Mass Casualty Class was held in Walpole, this was an all day class, Jim VanOudenhove and Penny Cooper attended. We also had several people attend Meadowood Fire School in May and September. November involved EMT recertification classes and Tests.

SERVICE AWARDS

The following members are commended for their service to the Chesterfield Fire Department:

- 5 Years -
Tim Hanley

- 10 Years -
Jeffrey Chickering
Louis Perham

- 15 Years -
John Herrick
Mike Plante
Terry Winn

The Chesterfield Fire Department also recognized the following people at our annual Christmas Party. These past members are honorary members:

Jeffrey Titus
Frank Dean
Lester Chickering
Wayne Winn
Carl Johnson
Winston Cray

Thank all of you for the many years of service you have given the Town.

Respectfully Submitted,
Steven "Bart" Bevis
Chief
Chesterfield Fire /Rescue

CHESTERFIELD CONSERVATION COMMISSION
1995 ANNUAL REPORT

The Chesterfield Conservation commission, this past year has been working on a number of projects. The Conservation Commission is continuing to improve the Friedsam Town Forest. John Herrick coordinated and built a new bridge about 18 feet in length in Friedsam. Students and parents of Mary Grove's class at the Chesterfield School assisted him with this project. Some future plans for improvements at Friedsam Town Forest include erecting a trail map, improving markings, trail repair, completing of parking area, and perhaps building a new loop trail. Hopefully we'll be addressing the forestry plan for Friedsam, updating it, and possibly harvesting some timber if that is recommended.

The Conservation Commission reviewed many state wetland permit applications and also received numerous complaints which are passed on to the state wetlands board. Any complaints should be in writing to the Conservation Commission for action to be taken. Any work that you are considering near streams or wetlands, please file a wetlands permit application which can be obtained from the Town Clerk.

The Selectmen have offered the Conservation Commission property obtained through tax liens. Some commission members walked the sites and feel that the land has "strong conservation value".

Submitted by

McKim W. Mitchell, Chairman
Chesterfield Conservation Commission

CHESTERFIELD CEMETERY COMMISSION

REPORT 1995

During 1995, Town employees expended 2,099 hours maintaining the cemeteries . Accomplishments during the year included removal of two large trees from the Spofford Cemetery and commencement of the Friedsam Cemetery enlargement.

Nine burials were performed recognizing revenue for 1995 in the amount of \$1,614. Associated expenses were \$1,103.

After eight years of service, it was necessary to replace the riding lawn mower.

Scheduled work for 1996 is to pave the Spofford Cemetery and continuation of the enlarging of Friedsam Cemetery.

Respectfully submitted,

Louis E. Perham
Chairman

REPORT OF THE PARKS AND RECREATION COMMISSION
DECEMBER 31, 1995

The Parks and Recreation Commission's job is to oversee the town recreation programs and the running of the town's beaches. Meetings take place on the first Monday of every month at 7:00 pm at the Town Offices.

We welcomed a new director, Jeff Metivier this year. Jeff did a fine job with our recreation program at Wares Grove, offered from late June to Mid August. An average of 70 children attended the program on Tuesday and Thursdays. Swimming lessons were offered under the direction of Brittan Kilduff which saw 45 certificates recieved.

One Friday a month during the school year we offer a Rec. Night for 7th and 8th grades . There is an open gym, a movie and game room for 2 1/2 hours.

This year our goals are to expand the Rec. Nights and entertain more parent input.

For the convenience of town residents, we rent portable toilets for the South Shore boat landing and for the school ballfields from May through October. We also continue to maintain the tennis court behind the town offices.

We will continue to meet and review our programs and the towns' needs and try to set some long term goals.

Parks and Recreation Commission

CHESTERFIELD LIBRARY REPORT - 1995

During 1995, progress was made in several areas of the library goals and services. In the technical area, a new and bigger on-line system was installed at the State Library in Concord. All our acquisitions from 1990 up to date are loaded into this system. All our back files can be loaded in as time allows us to do so. There is, also, software available that will enable us to down load cataloging records and create our own cards. We intend to make use of this service in 1996. The electronic interlibrary loan (ILL) service and the E-Mail communication between area, and state-wide, libraries sign on. State Library vans deliver 1,000's of books each month between libraries, and received 217 books in. What a revolution in library service!!

The Chesterfield library Building Fund Committee kicked off a major fund drive last fall. There have been many good responses so far, both from businesses and private sources. Some grants and foundations have also contributed to the fund. The fund drive campaign will continue through 1996, with a construction goal for 1997. All donations are gratefully accepted.

The storage unit behind the library now houses the older, but still called for, adult and children's fiction. Some of the large print is also out there. The next project will be to move out some of the non-fiction. The storage of these materials make room on the shelves for newer works, and to make it easier to handle the books on the library shelves. The books in storage are available upon request and retrieved by the library staff.

We welcome all our newest patrons, and extend an invitation to those who have not done so, to come in and register. Cards and services are free to everyone who lives or owns property in Chesterfield, West Chesterfield, and Spofford, and to those who are employed in town. We look forward to serving you in 1996.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.
 REPORT TO THE TOWN OF CHESTERFIELD
 JANUARY 1, 1995 TO DECEMBER 31, 1995

ANNUAL REPORT

In 1995, Home Health Care and Community Services continued to provide home care and community services to the residents of Chesterfield. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1995. The projection is based on actual services provided from January to September 1995 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN</u>
Nursing	761 Visits	29 Visits
Child Health Nursing	3 Visits	1 Visit
Physical Therapy	99 Visits	0 Visit
Speech Pathology	13 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Homemaker Hours	477 Hours	343 Hours
Home Health Aide	840 Visits	81 Visits
Medical Social Worker	11 Visit	0 Visits
Outreach	8 Visits	0 Visits
Nutritionist	1 Visit	1 Visits
Meals-On-Wheels	1,772 Meals	1,772 Meals
Health Promotion Clinics	10 Clinics	10 Clinic

FINANCIAL REPORT

The actual cost of all services provided in 1995 with all finding sources is projected to be \$127,132.67.

The total cost of services provided for a partial fee, or at no charge to residents in Chesterfield is projected to be \$6,132.67 for home care and \$747.00 for meals-on-wheels.

For 1996, we recommend a total appropriation of \$7,475.00; \$6,500.00 to continue home care at the current level and \$975.00 for the Meals-On-Wheels program.

Thank you for your consideration.

YOUTH SERVICES
REPORT TO THE TOWN OF CHESTERFIELD

Youth Services is a community based, non-profit agency, serving children and families in Windham County and nearby New Hampshire since 1972. Our purpose is to promote the healthy development of young people. Our mission is to provide services and programs that help our young people, families and communities work successfully together.

We believe in helping children within the context of their family and their world, and in empowering families to solve their own problems, to grow individually and together, and to have new skills to face the future.

We provide services at our office at 11 Walnut Street in Brattleboro, in area schools, and through specific programs in people's homes. Youth Services takes pride in its commitment and ability to provide services regardless of one's ability to pay.

In fiscal year '95 Youth Services served a total of 2,024 children, youth and family members through our nine currently existing programs. We served 20 Chesterfield residents through these programs. Programs include: Alcohol and Drug Abuse Program, Big Brothers/Big Sisters Program, Family Counseling and Mediation Program, Home-Based Program, Juvenile and Adult Court Diversion Program, Runaway Program, School-Based Prevention Program, Summer Outdoor Program, and the Substance Abuse Family Emergency Program.

We encourage the accessing of our services by residents of Chesterfield and hope that needs and concerns will be brought to our attention as they arise. In addition, we would like to express our gratitude on behalf of the recipients of our services to the volunteers from Chesterfield who help our agency function and to the town itself for its ongoing support of our work.

We request \$140 from the Town of Chesterfield for the upcoming year to help to support Youth Services continued efforts as a resource for area children, youth and families.

Respectfully submitted,

Andrea Livermore
Executive Director

WELFARE DIRECTOR'S REPORT

The local Welfare Office works within guidelines established by the New Hampshire Welfare Administrator's Guide. The Welfare Office is open from 2:00 PM to 4:00 PM on Mondays, Wednesdays and Fridays. This is outside of the normal business hours for the Selectmen's Office for the purpose of providing the confidentiality required by law for those who seek assistance, and I would urge all others to keep this in mind and limit visits to the Selectmen's Office on other business to the regular business hours (Monday - Friday 8:00 AM to 2:00 PM). The assistance provided through local welfare is most often a temporary solution to a situation while further help is sought through other organizations and agencies. The harsh reality is that misfortune may befall anyone at anytime and sometimes all that is needed is a helping hand to get back on ones feet.

I would be remiss if I did not take this opportunity to thank the area churches, Joan's Pantry and Clothing Corner, the Salvation Army, the Lion's Club and all the individuals throughout our community who give so generously of their time and efforts to help those less fortunate. The world is beholden to you!

EVELYN NADEAU
Welfare Director

MINUTES OF THE 1995 ANNUAL MEETING

SPOFFORD FIRE DISTRICT

Commissioner Stephen Buckley called the meeting to order at 7:40pm in the absense of the Moderator Terry Wiggin. There were 15 people in attendace.

Dispensing with the reading of the warrant, the articles were taken up individually.

- Article 1: To choose a moderator for the ensuing year. On a motion by Michael Wiggin and second by Wayne Guyette, James Milani was elected.
- Article 2: To choose a clerk/treasurer for the ensuing year. Catherine Schlichting was elected on a motion by Stephen Buckley and second by Chester Greenwood.
- Article 3: To choose a Commissioner for three years; 1995-96-97. Wayne Guyette nominated and Shaw Wiggin seconded the name Michael Wiggin. Vote was in the affirmative.
- Article 4: To see if the District will vote to accept the budget or act thereon. Wayne Guyette made a motion to amend the line item for radio repairs to \$2,300.00 and the line item for fire and liability insurance to \$10,000.00 to cover the 1970 International truck. This would raise the total to \$57,500.00. The motion was seconded by Michael Wiggin. The motion carried and the article was adopted as amended.
- Article 5: To see if the District will vote to authorize the commissioners to withdraw from the fire equipment capital sum not to exceed \$20,054.60 to pay off the note used to purchase the 1993 International fire truck. This is a non-lapsing, non-transferable fund.(recommended by the budget committee) Ronald T Guyette made the motion to accept the article and Wayne Guyette seconded the motion. The vote was in the affirmative.
- Article 6: To see if the District will vote to appropriate the sum of \$1,500.00 to refurbish the cupola and surrounding roof area. This is a non-lapsing, non-transferable fund.(recommended by the budget committee) The article was passed on a motion by Wayne Guyette and second by Benny Schlichting.
- Article 7: To see if the District will vote to appropriate the sum of \$1,500.00 to install a fire alarm system in the Spofford Village Hall. This is a non-lapsing, non-transferable fund (recommended by the budget committee) Michael Wiggin made the motion to approve and Benny Schlichting the second. The article was passed.
- Article 8: To see if the District will vote to authorize the Commissioners to borrow money in anticipation of taxes to meet current costs. Stephen Buckléy made the motion to

MINUTES OF THE 1995 ANNUAL MEETING

SPOFFORD FIRE DISTRICT

Commissioner Stephen Buckley called the meeting to order at 7:40pm in the absence of the Moderator Terry Wiggin. There were 15 people in attendance.

Dispensing with the reading of the warrant, the articles were taken up individually.

- Article 1: To choose a moderator for the ensuing year. On a motion by Michael Wiggin and second by Wayne Guyette, James Milani was elected.
- Article 2: To choose a clerk/treasurer for the ensuing year. Catherine Schlichting was elected on a motion by Stephen Buckley and second by Chester Greenwood.

This would raise the total to \$57,500.00. The motion was seconded by Michael Wiggin. The motion carried and the article was adopted as amended.
- Article 5: To see if the District will vote to authorize the commissioners to withdraw from the fire equipment capital sum not to exceed \$20,054.60 to pay off the note used to purchase the 1993 International fire truck. This is a non-lapsing, non-transferable fund. (recommended by the budget committee) Ronald T Guyette made the motion to accept the article and Wayne Guyette seconded the motion. The vote was in the affirmative.
- Article 6: To see if the District will vote to appropriate the sum of \$1,500.00 to refurbish the cupola and surrounding roof area. This is a non-lapsing, non-transferable fund. (recommended by the budget committee) The article was passed on a motion by Wayne Guyette and second by Benny Schlichting.
- Article 7: To see if the District will vote to appropriate the sum of \$1,500.00 to install a fire alarm system in the Spofford Village Hall. This is a non-lapsing, non-transferable fund (recommended by the budget committee) Michael Wiggin made the motion to approve and Benny Schlichting the second. The article was passed.
- Article 8: To see if the District will vote to authorize the Commissioners to borrow money in anticipation of taxes to meet current costs. Stephen Buckley made the motion to

accept the article and Ronald T Guyette made the second. Article was carried.

Article 9: To see if the District will vote to accept any purchases made by the Department during the past year. Stephen Buckley moved and Wayne Guyette seconded the motion which passed.

Article 10: To see if the District will vote to authorize the Commissioners to dispense with any goods as they see fit. After a brief explanation of the intent of the article, Stephen Buckley made the motion to approve and Chester Greenwood seconded. The article carried as written.

Article 11: To transact any other business that may legally come before said meeting.

Michael Wiggin made a motion to adopt the following:

To see if the District will vote to authorize the Precinct Commissioners to appoint the Fire Chief who in turn shall appoint the firefighters; all in accordance with RSA 154:1 la.

A second to the motion was offered by Stephen Buckley. After a discussion about the motion, the vote was in the affirmative to adopt the motion.

Michael Wiggin made a motion to adopt the following:

To see if the District will give the Commissioners the authority to sell or retain possession of the 1970 International fire truck and reconfirm it's intent to allow the Commissioners to use the monies from the sale of the 1970 fire truck towards repairs of the rescue van and to carry any surplus monies over for insertion into the Fire Equipment Capital Reserve Fund. This is a non-lapsing, non-transferable fund. The motion was seconded by Chester Greenwood. There was some discussion as to the intent of this motion. Michael Wiggin explained that the Commissioners wanted the District to reaffirm it's original vote concerning the sale of the truck and also to allow the Commissioners the latitude to make the most wise decision for the District and the Department. After a continued debate, Michael Wiggin called for a limit to the debate. Chester Greenwood seconded the motion. Moderator James Milani called for the vote which proved to be in the affirmative.

Pamela Martin moved to adjourn the meeting. Second was by Stephen Buckley. Vote was in the affirmative. Meeting was closed in form by Moderator James Milani.

Respectfully submitted,
Catherine H . Schlichting
clerk/treasurer

SPOFFORD FIRE COMMISSIONERS REPORT 1995

Several significant events occurred during the year in the precinct.

The old 1970 Fire Engine now helps provide protection to the coal mining villages around Pikesville Kentucky. It was delivered to Kentucky in July after a sales agreement was reached thru a national fire truck trade magazine. The monies received are now being invested until it is determined how best to use the proceeds for rescue vehicle repair or replacement. A rescue vehicle committee has been appointed to make a recommendation to the commissioners before the end of 1996.

Upgrading of the base radio system has been completed as planned. The station smoke alarm system is underway.

The repairs to the building cupola have not been completed. Because of the very busy construction season and a lack of qualified steeple jacks in the area, the commissioners were unable to issue a contract for the work until late in the year. The work will be completed next spring as soon as the weather permits.

Because of donations received and fundraising activities, the Fire Department was able to donate over \$6,000.00 worth of equipment to the precinct including new tone alert radio pagers for the firemen, a cellular phone for better emergency communications especially with hospital emergency rooms, and misc. fire equipment. These donations eliminate the need to appropriate similar monies at the district meeting.

The fire department membership is nearly at full complement with 200 active members, 115 Fire and Rescue calls during the year required 1068 manhours of service. Mandatory training requirements accounted for 500 hours while volunteer training had 800 hours of participation. Members are compensated for on call time only.

A new dry hydrant has been installed at the channel, paid for with monies saved in past years in the Water Hole Capital Reserve Fund. This is a crucial installation to maintain the fire protection in the village and for a large portion of the lake properties. Because water sources continue to disappear, this installation is also important for the entire precinct. It remains crucial that the precinct develop water sources and /or dry hydrant water storage capabilities in the areas that continue to develop rapidly. Town planning must include fire protection requirements when approving future residential developments.

Next year we hope to continue the small capital improvement projects at the fire station, and further develop another dry hydrant within the precinct.

Finally, a word about the lake water level. During the long summer drought, all outlets were closed tight, yet the water level dropped because the springs feeding the lake were also drying up. In the fall, 11 inches of rain in two weeks raised the water level so quickly that even with all outlets wide open, the level was higher than ideal for a short time. We have limited control over the lake level with the system of splash boards at the channel outlet. As of January 1, 1996 the lake was at the proper winter level. The summer level is approximately one

foot higher under ideal conditions. A new depth gauge will be installed in the spring at the channel indicating both levels. Please check the gauge before complaining about the water level!

The commissioners meet the third Monday of each month, 7:30p.m. at the Spofford Village Hall. Please feel free to come to the meetings or contact any commissioner at any time with questions or concerns.

Thank you.

Steve Buckley, Chairman
Chet Greenwood
Mike Wiggin
Commissioners Spofford Fire Precinct

WARRANT FOR THE SPOFFORD FIRE DISTRICT
FOR THE YEAR 1996

To the inhabitants of the Spofford Fire District qualified to vote on the affairs of the District:

You are hereby notified to meet at the Spofford Village Hall on Tuesday, March 19, 1996 at 7:30 pm to vote on the following articles:

- ARTICLE 1: To choose a moderator for the ensuing year.
- ARTICLE 2: To choose a clerk/treasurer for the ensuing year.
- ARTICLE 3: To choose a Commissioner for three years; 1996-1997-1998.
- ARTICLE 4: To see if the District will vote to accept the budget or act thereon:

heating oil	\$ 2,500.00
phone and lights	2,500.00
worker's comp	575.00
fire and liability insurance	10,000.00
janitorial expenses	125.00
treasurer's expenses	150.00
rescue supplies	650.00
gas and diesel fuel	450.00
equipment repairs/maintenance	2,500.00
radio repairs	1,500.00
building repairs/maintenance	5,000.00
training and dues	1,500.00
payroll and other expenses	12,450.00
state reporting	100.00
small equipment	2,000.00
hepatitis B inoculations	500.00
heavy equipment capital reserve	15,000.00
breathing apparatus upgrade	3,300.00
defib service contract	800.00
<u>fire prevention program</u>	<u>250.00</u>
TOTAL	\$61,850.00

- ARTICLE 5: To see if the District will vote to accept any purchases made by the Department during the past year.
- ARTICLE 6: To see if the District will vote to authorize the Commissioners to dispense with any goods as they see fit.
- ARTICLE 7: To see if the District will vote to authorize the Commissioners to borrow money in anticipation of taxes to meet current expenses.
- ARTICLE 8: To transact any other business that may legally come before said meeting.

COMMISSIONERS:
STEPHEN BUCKLEY

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Phillip G. McCormack, Ed.D.
Superintendent of Schools

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 9th day of March, 1996, at 10:00 in the forenoon to bring in your votes for the election of school district officers. The polls will open not later than 10:00 a.m., nor close earlier than the termination time of the District Meeting (as a minimum, 10:00 a.m. - 7:00 p.m.).

ARTICLE 1. To choose all necessary school district officers:

Two members of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer for the ensuing year from July 1, 1996

Given under our hands at said Chesterfield, this 1st day of February, 1996.

*Susan T. Sciuto, Chair
Cathryn A. Harvey
Phillip J. Natowich
Fred S. Rowley
Kathryn T. Thatcher*

**** FOR PRINTING PURPOSES ONLY. SUBJECT TO CHANGE PRIOR TO FINAL POSTING. ****

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 9th day of March, 1996, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Chesterfield School Board supports the sum of Four Million Six Hundred Seventy-Nine Thousand Seven Hundred Seventy-Four [\$4,679,774] Dollars. The Chesterfield Budget Committee recommends the sum of Four Million Five Hundred Sixty-One Thousand Two Hundred Twenty-Seven [\$4,561,227] Dollars.)*

ARTICLE 3: To see if the District will raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars to be placed in the Capital Reserve Fund established by the voters of the District at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs, or to take any other action in relation thereto. *(This article is recommended by the Chesterfield School Board. This article is not recommended by the Chesterfield Budget Committee.)*

ARTICLE 4: To see if the District will raise and appropriate the sum of One Hundred Fifty Thousand (\$150,000.00) Dollars for the installation of a sprinkler system at Chesterfield School to meet required fire safety codes, or to take any other action in relation thereto. *(This article is recommended by the Chesterfield School Board. This article is not recommended by the Chesterfield Budget Committee.)*

ARTICLE 5: To transact any other business which may legally come before this meeting.

Given under our hands at said Chesterfield, this 20th day of February, 1996.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Chesterfield School District
Chesterfield, New Hampshire

We have audited the accompanying general-purpose financial statements of the Chesterfield School District as of and for the year ended June 30, 1995. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Chesterfield School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Chesterfield School District, as of June 30, 1995, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Chesterfield School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

*Chesterfield School District
Independent Auditor's Report on Financial Presentation*

In accordance with *Government Auditing Standards*, we have also issued a report dated November 3, 1995 on our consideration of the Chesterfield School District's internal control structure and a report dated November 3, 1995 on its compliance with laws and regulations.

CHESTERFIELD SCHOOL DISTRICT MEETING
March 11, 1995

School District Moderator Gary Winn opened the polls at 10:00 a.m. for voting. The following persons were appointed as ballot clerks and took the oath of office from Diana Allen, School District Clerk: Marcia Esche, Mary Lou Kelly, Beverly Bakke, Marilyn Taylor, Caroline Wiggan, Robert Yacubian, Craig Hood, Elizabeth Yacubian, Marilyn Goulas, and Lorraine Kornfield.

At 7:15 p.m., the moderator called the meeting to order for the purpose of acting on the articles in the warrant. The moderator introduced officials of SAU 29, the Chesterfield School Board, and Martin Mahoney, principal of Chesterfield School.

Articles in the warrant were disposed of as follows:

ARTICLE 1: Kathleen Harvey moved that the District receive the reports of agents, auditors, committees, and officers as printed in the annual report. Seconded by Susan Sciuto. The moderator declared the voice vote to be carried in the affirmative.

ARTICLE 2: David Thomas moved and Terry Wiggan seconded that the District construct, during the 1994-1995 fiscal year, a four classroom addition to the Chesterfield School facility and to appropriate as a deficit appropriation for 1994-1995 the sum of One Hundred Thirty Thousand (\$130,000) Dollars plus such gifts of labor, materials, and money as may be received by the School District to be used for said construction project and, to raise by general taxation said sum of One Hundred Thirty Thousand (\$130,000) Dollars for the payment of said project. And further, to specifically authorize the School District to receive and expend any gifts, however described, donated for this project. A written ballot was used for voting using the official voter checklist. Yes - 198; No - 30. The moderator declared the motion passed in the affirmative on a paper ballot.

ARTICLE 3: Charles Paquette moved that the District raise and appropriate the sum of \$4,106,391 for the purpose of paying for the support of the schools, for the payment of salaries of school district officers and agents, and for the payment of the statutory obligations of the District. Seconded by Phillip Shaw.

Terry Wiggan moved, and Joan M. O'Neil seconded, to amend the motion by decreasing the amount to be raised from \$4,106,391 to \$4,049,945. The moderator declared the voice vote to be carried in the affirmative and the amendment to Article 3 passed.

Susan Newcomer moved to decrease the amount raised and appropriated by \$3,260 by eliminating the salary for a part time assistant principal and adding Spanish instructor for an additional day. After lengthy discussion, Mrs. Newcomer withdrew her motion.

Susan Newcomer moved to decrease the amount raised and appropriated by \$17,696. Seconded by Richard Slater. Charles Paquette moved to limit debate. Seconded by Phillip Shaw. The motion to limit debate passed on a voice vote. A paper ballot was used to vote on the amendment. Yes - 122; No - 97. The moderator declared the amendment passed on a paper ballot.

Susan Newcomer moved to amend Article 3 by adding \$14,436 for 1/5 Spanish instruction. Seconded by James Milani. Richard Slater moved to limit debate. Seconded by Charles Paquette. The moderator declared the voice vote to limit debate passed in the affirmative. A paper ballot was used to vote on the amendment to Article 3. Yes - 56; No - 157. The moderator declared the amendment to Article 3 defeated on a paper ballot.

A paper ballot was used to vote on the main motion which states that the District will raise and appropriate the sum of \$4,032,249. Yes - 132; No - 62. The moderator declared Article 3 passed in the affirmative on a paper ballot.

Terry Wiggan moved to restrict reconsideration on Articles 2 and 3. Seconded by Joan O'Neil. The moderator declared the voice vote to be in the affirmative.

ARTICLE 4: Terry Wiggin moved that the District ratify and agree to be bound by the financial provisions of a proposed collective bargaining agreement between the Chesterfield School Board and the Chesterfield Support Staff, covering the years 1995-1996, 1996-1997, and 1997-1998, wherein the increased cost for salary and benefits for 1995-1996 equals \$13,579; for 1996-1997 equals \$10,757; and for 1997-1998 equals \$14,312; and to raise and appropriate the amount of \$13,579 to fund the costs for the 1995-1996 school year. Seconded by Joan O'Neil. A paper ballot was used. Yes - 94; No - 87. The moderator declared the motion carried in the affirmative on a paper ballot.

Terry Wiggin moved to restrict reconsideration on Article 4. Seconded by Joan O'Neil. The moderator declared the voice vote to be in the affirmative.

ARTICLE 5: James Milani moved that the District raise and appropriate the sum of Five Thousand (\$5,000) Dollars to be placed in the Capital Reserve Fund established by the voters of the District at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs. Seconded by Susan Sciuto. The moderator declared the voice vote to be in the affirmative.

Terry Wiggin moved to restrict reconsideration on Article 5. Seconded by Susan Sciuto. The moderator declared the voice vote to be in the affirmative.

ARTICLE 6: Gail Fleming moved that the District raise and appropriate the sum of Twenty-Eight Thousand, Eight Hundred (\$28,800) Dollars for the purpose of funding an additional school transportation bus. Seconded by Marcia Esche. Louis Perham moved to limit debate. Seconded by Richard Slater. The moderator declared the voice vote to be in the affirmative. A paper ballot was used to vote on Article 6. Yes - 29; No - 139. The moderator declared the motion failed on a paper ballot.

ARTICLE 7: Elizabeth Yacubian moved that the District raise and appropriate the sum of \$17,595 to fund a half time reading specialist for the 1995-1996 academic year. Seconded by Marcia Esche. Richard Slater moved to limit debate. Seconded by Carl Johnson. The moderator declared the voice vote to limit debate passed in the affirmative. A paper ballot was used to vote on Article 7. Yes - 35; No - 107. The moderator declared the motion failed on a paper ballot.

Terry Wiggin moved, and Susan Sciuto seconded, to restrict reconsideration on Articles 6 and 7. The moderator declared the voice vote to be in the affirmative.

ARTICLE 8: Martin Mahoney moved and Joan O'Neil seconded, that the District raise and appropriate the sum of \$20,000 for the improvement of, and/or addition to the parking facilities at Chesterfield School. Richard Slater moved to limit debate. Seconded by Carl Johnson. The moderator declared the voice vote to be in the affirmative. The moderator declared the hand vote on Article 8 to be in the negative and the motion failed.

Terry Wiggin moved and Joan O'Neil seconded, to restrict reconsideration on Article 8. The moderator declared the voice vote to be in the affirmative.

ARTICLE 9: Cornelia Jenness moved that the District appropriate \$27,000 for roof repairs at Chesterfield School, said sum to be comprised of raising and appropriating \$7,000 by taxes and \$20,000 to be withdrawn from the Capital Reserve Fund established by the voters of the District at the March 5, 1994 district meeting for the purpose of major renovation/reconstruction of school buildings and related costs. A paper ballot was used to vote on Article 9. Yes - 116; no - 7. The moderator declared Article 9 passed on a paper ballot.

Terry Wiggin moved to restrict reconsideration on Article 9. Seconded by Caroline Wiggin. The moderator declared the voice vote to be in the affirmative.

Susan Sciuto offered the following resolutions which were accepted with standing ovations:

WHEREAS, Joan (Toni) O'Neil has served the School District of Chesterfield as a School Board Member for four years, one of those years with distinction as Chairman; and,

WHEREAS, Toni O'Neil served the School District of Chesterfield as School District Treasurer for seven years; and,

WHEREAS, Toni O'Neil has worked diligently with the board and employees in the areas of collective bargaining; and,

WHEREAS, Toni O'Neil has faithfully attended the numerous meetings required of those roles; and,

WHEREAS, Toni O'Neil has conducted school board meetings in a gracious, fair, and open manner; always able to transact school business thoroughly, yet quickly; and,

WHEREAS, Toni O'Neil has always conducted her duties in a manner truly reflecting her genuine interest in the community of Chesterfield; and,

WHEREAS, Toni O'Neil's commitment to Chesterfield students has been evident by her interest in the special needs of all students; and,

WHEREAS, Toni O'Neil is experienced, knowledgeable and dedicated; she will be missed; now, therefore, be it

RESOLVED, that the voters of the School District of Chesterfield recognize with gratitude Joan O'Neil's contribution to the children, the school and the community by unanimously adopting this resolution as a lasting tribute to Joan O'Neil, to be entered into the permanent records of the district.

WHEREAS, Terry Wiggin served the School District of Chesterfield as Moderator for six years; and as a School Board Member for three years, one of those years with distinction as Chairman; and,

WHEREAS, Terry Wiggin served as Chair and Vice Chair of the New Hampshire School Administrative Unit 29 School Board for a total of two years; and as Chair of the Advisory Committee for one year; and,

WHEREAS, Terry Wiggin provided invaluable assistance to the Chesterfield School District and the NHSAU 29 School Board as their "Parliamentarian in Residence"; and,

WHEREAS, Terry Wiggin has worked diligently with the Board and employees in the areas of collective bargaining; and,

WHEREAS, Terry Wiggin has faithfully attended the numerous meetings required of those roles; and,

WHEREAS, Terry Wiggin has conducted school board meetings in a gracious, fair, and open manner; and his knowledge of the Chesterfield School District budget has been evident in the thoroughness of the presentations to the public; and,

WHEREAS, Terry Wiggin's commitment to education has been evidenced by his willingness to talk with, and listen to community members to become better informed as to the needs and wants of the community; and,

WHEREAS, Terry Wiggin is experienced, knowledgeable and dedicated; he will be missed; now, therefore, be it

RESOLVED, that the voters of the School District of Chesterfield recognize with gratitude Terry Wiggin's contribution to the children, the school and the community by unanimously adopting this resolution as a lasting tribute to Terry Wiggin, to be entered into the permanent records of the district.

Terry Wiggin moved and James Milani seconded to adjourn the meeting at 12:15 a.m. The moderator declared the voice vote to be in the affirmative.

The official town checklist was used for the elections. One hundred eighty-four ballots were cast with no absentee ballots cast.

School Board Members for 3 years:

Phillip Natowich	42
Fred Rowley	38

Phillip Natowich and Fred Rowley were declared elected school board members for three years and took the oath of office from the clerk.

Moderator for the Ensuing Year:

Gary Winn	60
Terry Wiggin	36

Gary Winn was declared elected moderator and took the oath of office from the clerk.

Clerk for the Ensuing Year:

Diana S. Allen	163
----------------	-----

Diana S. Allen was declared elected clerk and took the oath of office from the moderator.

Treasurer for the Ensuing Year, beginning July 1, 1995:

Sharon Chickering	16
Elizabeth Hinckley	13

Sharon Chickering was declared elected treasurer and took the oath of office from the clerk.

All who took the oath of office also signed the prescribed oath of office.

A True Record, Attest:

*Diana S. Allen, Clerk
Chesterfield School District*

ADMINISTRATIVE REPORT

A review of the accomplishments that occurred at Chesterfield School during the last year brings to mind the story, The Little Engine That Could, by Watty Piper. As many of you may remember from your childhood or from reading to your children, in this story the engine overcame self-doubt and inability to attain certain goals when it adopted an attitude of "I can, I can!". I believe that the Chesterfield School and community have adopted this same attitude resulting in tremendous accomplishments.

Curriculum review and revision continues to be a priority for the staff at the school. This year emphasis has been placed in the areas of math (grades 5 through 8); health, social studies (grades 6 and 7); and spelling. In addition to these specific areas, the staff has continued its efforts to refine implementation of interdisciplinary activities at the school, the effectiveness of inclusion strategies for special needs students, and the assessment of student progress and program effectiveness.

Overall, these revisions in certain curricular areas and teaching strategies have proven beneficial to students. Students continue to experience a developmentally appropriate curriculum that is focused, challenging, and productive. Co-curricular opportunities help round out the experiences students have at the school. Participation in the athletic programs, with emphasis on skill development and good sportsmanship, remains high. The work of the students in the music (vocal and instrumental) program is impressive. This year's accomplishments by students involved in the Olympics of the Mind program are also noteworthy. I am very proud of the students' performance in the regional as well as state finals.

The staff at Chesterfield School have become actively involved in the SAU 29 Mentor Teacher Program. This resulted from the staff's commitment to promote the professional growth of their colleagues and to preserve the quality and continuity of its present programs and service. The mentor program is designed to use the expertise of master teachers at the school to aid the transition of new teachers to Chesterfield School. The successful transition of new staff at the school fosters the establishment of a positive and productive learning environment for students.

The school board, administration, and staff at the school have worked to establish better internal lines of communication. On a Saturday in September, the staff, school board, and representatives from SAU 29 worked with a facilitator to develop a process or mechanism that would lead to a better understanding of issues, identification of goals, and clarification of focus. This was done with the intent of creating a more open, constructive work environment at the school and a collaborative relationship between the board and staff.

I would be very hard pressed to find a better example of the "can do" attitude than the success the community witnessed with the completion of the building addition. Not only were we able to add badly needed classroom space, but equally important was the coming together of the community and the ownership and pride that resulted from this tremendous undertaking. Although I cannot ever remember carrying as much plywood as I did that weekend, I am personally very pleased and proud to say that I was a part (albeit small) of this project. Congratulations to all who were involved!

This community commitment and involvement has become a trademark of the Chesterfield School District. It is not limited to things such as the building project, but includes other things such as parental support of classroom projects, the volunteer efforts of many involved with the OM program, communication with the school, and the continued efforts of the Friends.

The Chesterfield School and community should be very proud of its "can do" approach and accomplishments. However, we cannot rest on accomplishments of the past, but must continue to work together to set new standards and levels of expectation, solve problems, and, above all, ensure quality educational opportunities for all the children of Chesterfield. Please become a part of the process by attending the Annual District Meeting on Saturday, March 9, at 7:00 p.m.

Phillip G. McCormack, Ed.D.
Superintendent of Schools

PRINCIPAL'S REPORT

For the first time in this decade, **we did not experience a sharp increase in the school's student population (K - 8)**. Although we had projected a number of 496 and actually enrolled 34 new students/families, the transfer of an equal number out of the district allowed us to maintain a total almost equal to that of last year at this same time.

Enrollments/Placements - October 1, 1995

Kindergarten	36
Grade 1	37
Grade 2	62
Grade 3	52
Grade 4	58
Grade 5	65
Grade 6	57
Grade 7	40
Grade 8	54
TOTAL	461

However, as you can see, the **large student populations in the elementary and middle school grades** will continue to have an impact through the turn of the century on staffing in certain curriculum areas such as Spanish; music and physical education if we are to maintain the approved level of services, student:pupil ratios, and the number of classes required in those grades; special education; and, of course, high school tuition. The good news is that we have **begun to see declining numbers in the primary populations** over the past two years which, if it continues, will allow us some relief in the years to come if all other factors remain equal.

By far, the district's most remarkable accomplishment this past year involved the **volunteer building project**, which resulted in the new, **four room addition to the school** that presently houses the school's multi-age program. Elsewhere in this booklet is a formal report from Mr. Dave Thomas, Committee Chair, that outlines in detail the scope and magnitude of this effort, which brought together people from throughout our three communities in a common effort that will serve forever as a testament to community spirit. This project was presented to Governor Stephen Merrill by Mrs. Cornelia Jenness and, as a result, was **"... selected to receive the 1995 Governor's Recognition Award for outstanding volunteer efforts in Cheshire County."** In his formal letter to Dave, the Governor also commented that **"Your efforts truly exemplify the spirit of volunteerism that keeps New Hampshire a 'State of Involvement'."** I hope that, during the course of this year's school and town meetings, you have an opportunity to view the display in the connecting hallway that contains the awards and many pictures from the work done in May and June of last year, especially the plaque from the committee that sums it up very well when it says, **"With heartfelt thanks to the hundreds of volunteers from Chesterfield and surrounding communities without whose time and expertise, materials and financial donations this addition would not have been possible."**

As always, we experienced some **changes, temporary and permanent, in both our teaching and support staff** positions over the past year.

* The increased numbers in our fifth and sixth grade student populations required the addition of two, full-time teaching positions: **Mrs. Debra Beaupre in fifth grade and Mr. David Nielsen in sixth.**

Although Debra originally hails from Somerville, Massachusetts, she and her family presently reside in Fitzwilliam, and her husband teaches and coaches in Hinsdale. Debra attended Howard University and New England College before completing her Bachelor of Science degree in Elementary

Education and English at the University of Massachusetts -Boston (1992). Since graduating she has been teaching in the Fitchburg Public School System, with experience involving both middle level reading and self-contained sixth grade.

David comes from Quechee, Vermont. Most recently he has taught at the Warren School, in Warren, Vermont, and prior to that in Wilton, Connecticut. David holds a Bachelor of Arts and Sciences degree from Syracuse University (1990) and a Masters of Arts in Teaching degree from Sacred Heart University (1994), in Fairfield, Connecticut. In addition to his regular teaching duties, David also coached this year's boys' soccer team.

* **Mrs. Abby Salamin took a maternity leave**, and as I go to press with this report, both Abby and young Benjamin are doing fine. She is looking forward to rejoining the staff next year. **Mrs. Patricia Beardsley was selected to fill this one-year position.** Patti, who has been working in the capacity of an **instructional aide**, also filled in for the remainder of the 1993 - 94 school year. **Mrs. Carol Ames** was selected to fill Mrs. Beardsley's position during this same time period.

* **Mrs. Mary Geres, Mrs. Noreen Rushlow and Mr. Michael Carpino** have also been added to our part/full-time staff of **special education tutors**, who are responsible for providing direct, individualized services to special needs students in a broad range of instructional settings throughout the school as required by approved education plans. Within the past few months, this very important and vital group of individuals was added to the rolls of the Chesterfield Support Staff Association. The financial impact of completed negotiations with the School Board will be felt in the proposed budget before you. In addition, **Ms. Traci Boemig** was hired to fill the position of full-time **special education aide** in the resource room vacated by the **resignation of Mrs. Beverly Bakke.**

* Our **School Lunch Program** underwent some major changes this past fall with the **retirement of Mrs. Mary Lou Kelly.** Lou has managed the program for over two decades and has supervised its transition through both major construction and significant increases in our student population. She has given much to this community during this time, most of which can never be measured in time and money, but rather is reflected in the kindness, compassion, concern and love she demonstrates for others, especially children, all done in a very unassuming way. Although retired from her "official duties," we are happy to have her remaining active in the school as a volunteer and with her many grandchildren.

As a result of this change, **Mrs. Carol Riendeau**, who has served as Lou's assistant for most of those years, has been promoted to program manager, and **Mrs. Diana O'Conner** was selected to fill Carol's position.

* Other changes in support staff positions include the transfer of **Danny Orr to a full-time, second shift custodian**, and the addition of **Mrs. Toni Rachanow-Mann as the afternoon receptionist.**

* There are a number of people who also volunteer in the school, without whose efforts many of our programs and activities would cease to exist. There is, however, one individual who has made a major impact this year. **Mrs. Cathryn Harvey**, who is also a member of the school board, volunteered to assist Mrs. Esche on a regular, weekly basis with our music program. Without her time and effort, certain aspects of the school's music program would have been dropped, most notably fourth grade instrumental lessons.

The biggest changes to our school's program involved the **implementation of the "staggered schedule"** and the complete **restructuring of the K - 12 schedule for student transportation.**

* The unanimous endorsement by the school board for a "staggered schedule" has resulted, as we expected it would, in the **overall improvement in the delivery of instructional services for all students in grades K - 8.** With the school day for

students in grades 5 - 8 now scheduled 40 minutes earlier (7:50 a.m. - 2:20 p.m.), we have been able to **concentrate more on teaching and less on supervision**, provide a greater opportunity for individual support and assistance, more effectively utilize the talents and expertise of the unified arts staff, and provide greater opportunities for student participation in special programs and projects. The professional faculty deserves much credit for both the proposal and the effectiveness of its implementation thus far.

* Student transportation has been a major issue for me to deal with all year long. The proposal for an additional bus was rejected at the School District Meeting, prior to the start of the school year we completely reorganized the entire K - 12 schedule, and early in the year we weathered a very traumatic experience involving the children on one of our buses. It should be noted that none of these events can be related to one another in any way. **In my judgment, it would be wrong to assume that the revised schedule and the rejection of an additional bus contributed to the near tragic accident that occurred.** The rejection of the additional bus simply made for cramped and crowded conditions on certain Spofford and feeder runs, as we knew it would, and placed greater responsibility on selected families. I feel that the change in the transportation schedule actually resulted in a general improvement in the total program. However, problems still remain, and the requests in the budget before you will allow us to adequately address them.

I would be remiss if I did not reflect briefly on the **bus accident that happened this past October**, only to discuss the response from both the community and the children. Events such as this illustrate for us all the **importance of our town's emergency response personnel** (fire, rescue, police), many of whom are our friends and neighbors, and the hours they spend volunteering to develop their skills in preparation for such an event, that God forbid should ever happen. Those of us who were at the scene that day witnessed their outstanding performance first hand.

As for the children, I feel the **resolution from the New Hampshire State Senate**, presented to them by our own Senator Clesson Blaisdell, speaks for itself. *"The mature actions taken by the children under such severe circumstances is indeed inspiring."*

In addition to these major changes and events, we have also **replaced the math series used in grades 5 - 8**, improved the scheduling of classes in this same subject area in grades 7 - 8, increased the involvement of the Chesterfield Police Department (most notably Officer Campbell) in working with younger children to develop a **better awareness of personal safety**, and taken a more comprehensive look at the **performance of our students as they transition to Keene High School**.

The school board also approved the proposal from the Keene Family YMCA to initiate a **before and after- school childcare program**, that has run successfully thus far, involving about 20 families. We were able to finally pilot our first, week-long excursion to a residential, science program when our **sixth grade**, under the guidance of Mrs. Starkey and Mrs. Yacubian, traveled to **Nature's Classroom in Bourne, Massachusetts**. Plans are well underway for this year, and the budget proposal before you includes subsidized funding for the program, thus reducing the impact on fund raising.

The new, four room addition wasn't the only maintenance project completed this past year. We also **replaced the roofing on the older portions of the building** and, in a joint venture with the town, provided a **new parking area behind the fire department** that can be used for both town and school functions/services. We also **revamped the school's recycling program**, providing an exclusive area and containers and eliminating the need for assistance from the town highway department, while remaining within budget constraints. All this was done while still emphasizing the importance of recycling for all of us, and keeping it an integral part of our sixth grade program of studies.

The **Stow Mills Fund 1995 Major Award** was presented to **Mrs. Diana Allen** for her proposal entitled, **Connecticut Valley Watershed Study**. The grant allows for the support of the school's K - 8 program of studies that will focus this year on a comprehensive look at the Connecticut River Valley and its importance from a standpoint of history, science and economics. This year-long study will result in a culminating activity this coming May.

These are extremely difficult times for education. We are trying very hard to balance the educational needs of our children with our ability to pay for those services, while both the state and federal governments look to reduce financial support and emphasize "local control". Legislation, both pending and adopted, may change dramatically the way we make those decisions, in addition to the very structure and organization of our school system that has served us for over 100 years. I don't think any of us professes to have all the answers, but it deserves our thought, attention and active involvement, for the impact on our children's education is too great.

SCHOOL LUNCH PROGRAM
1994-95

Again this year we are extremely busy. 33,098 lunches being served. Our new part-time person, Chris Furlone, proved very capable. It was great having a third set of hands and a new slant on ideas.

Menus go home monthly and are announced on WKNE and WKBK. Free and reduced price lunches are available at any time during the school year to those who qualify. Friday is our lunch money day with monies being paid in advance for the following week.

New Hampshire was chosen as one of the states in a pilot program for receiving fresh fruits and vegetables along with the normal Government commodities. We had been already buying many of these items but it was nice to try new varieties, have some of the prep work already done and to get a bargain price.

In keeping with the times, we have added Mexican food more often to our menu. Occasionally we get involved with a class and plan a meal around a theme. The children seem to like both of these ideas and it keeps us challenged.

It was with great sadness that I said good bye to my partner of 23 years. Lou Kelly retired in October of 95, and she will be missed a long time. I have advanced to Lunch Manager and have had high goals set for me to match. Diana O'Connor has been hired to take my place and started her new position over the holidays. Stop by to meet her.

We always welcome ideas or comments from you the parents. You are always welcome to join your child for lunch, just call ahead to get on the count for the day.

Respectfully submitted,

Carol Riendeau

Chesterfield School Building Addition Committee
Report for 1995

The Chesterfield School Building Addition Committee formed in September of 1994 to organize a volunteer effort to construct an addition to the school. An offer from Amos Winter of Winter Panel Co. to donate stress skin panels to build the structure was the stimulus for the idea. It would be the largest volunteer project of this type ever built in the State of New Hampshire. The committee estimated that the cost to the town would be about the same as two portable classrooms. Many hours of preliminary work were done by the committee. Meetings were held with the planning department, building inspector and Fire Marshall. A proposal was made to the School Board, and in December they voted to approve funds to begin the engineering plans. At the March Town Meeting voters overwhelmingly approved the warrant article needed to begin the construction. The committee met weekly from that time on and many hours were spent planning, recruiting, and soliciting materials and donations. The project grew in size from three classrooms, 4000 sq. ft, to four classrooms and two bathrooms 5430 sq. ft.

Excavation started on April 22, 1995. By May 26, the fill was done, foundation, plumbing and slab were completed. On the first two weekends in June, the workers gathered in a true barn raising fashion and the building was 95% completed including brick and landscaping.

Over 400 people were involved in the total project. Over 50 businesses and individuals donated materials and money or sold us materials at a discount.

Engineering Funds Allocated 94-95 Budget	\$ 11,100.00
Town Approved Warrant Article	\$130,000.00
Total Funding Approved	\$141,100.00
Total Project Cost	\$137,238.26
Cash Donations	\$ (9,261.00)
Petty Cash Surplus/ T Shirt Sales	\$ (1,086.23)
Total Cost to Chesterfield	\$126,891.03
Total Funding Not Spent	\$14,108.97
Money to be Returned to School Budget	

The State will reimburse the Town 30% of the money spent on construction (\$42,000.00). The net cost to the town will be \$84,891.00 or \$15.64 per square foot.

The caliber and dedication of the people of Chesterfield is evident in the quality of the building addition and the school that occupies it.

David M. Thomas, Chair

MARRIAGES REGISTERED IN THE TOWN OF CHESTERFIELD, N. H.

FOR THE YEAR ENDING DECEMBER 31, 1995
