## SELECTMEN'S REPORT

Last year we stood at the "crossroads", this year we seem to be more on the threshold - the threshold of substantial improvement. If the budget for 1985 is approved at the Annual Town Meeting, a reduction of \$1.50 per thousand should be realized in the Town's portion of your tax bill. In addition 1985 will bring the retirement of our bonded indebtedness incurred by the property revaluation. Financially we are prospering.

The highway department is becoming more efficient and effective also. The loader and sanders we purchased have enhanced our ability to respond to severe weather occurrences which beset our Town with regularity. New tools and maintenance equipment have been purchased which reduce the maintenance time required and the resultant loss of efficiency due to equipment down time. Looking forward to 1985 we have leased on a lease purchase agreement an Oshkosh all wheel drive truck fitted for snow plowing. This vehicle has already proven invaluable in keeping our roads open.

The fire department has emerged from the traumatic events of summer stronger and better than ever. Over 34 fire fighters are ready to respond to emergency fire and rescue situations. There is an article for consideration to create a permanent Board of Fire Wards. The temporary board we appointed has been effective in providing thoughtful management buffering the sometimes heated relationship that characterized the Selectmen's efforts to manage the department. We expect further growth to continue.

The roadside bay of the old Town Garage has been used for a salt shed. Salt trucks dumping at the front have structurally damaged this end of the building. We propose relocating salt storage to the vicinity of the new town garage and constructing a safe storage area there. This is a low cost item which can be completed from the budgeted highway monies.

The Town Hall needs painting as does the Library. We have included articles to raise and appropriate \$3500. for this purpose.

Replacing the sills under the front of the Town Hall and the dry-rotted beams above still need to be done. The \$10,000. appropriation voted for this purpose has been carried over as an unexpended liability to complete this repair. A request for bids has been published and the work should proceed without delay.

The police department has its new cruiser. With it, and the communications equipment gleaned from Government surplus, Chief Kelley continues to exercise quiet and competent control over his department's activities.

Solid Waste Disposal is a cloud on the horizon. We cannot continue using the Hillsboro landfill facility indefinitely. One proposal is that we create a transfer /compacting station and truck solid waste to the Concord incinerator. This seems a good proposal, and the operating costs should not increase substantially. However, there will be a site acquisition cost, a site preparation cost, and the cost of needed shelters and equipment. Exactly how extensive this will be is not known at this time. We are asking for \$1000. to begin the site acquisition process. An article to join the Concord Cooperative in Solid Waste Disposal is included in the warrant. This seems the direction in which we should proceed.

The Selectmen's office has purchased a computer which handles most of the town records and which will be expanded in the future to include other pertinent information as the needs of our citizens increasingly dictate.

1984 certainly has not been a year without challenge and turmoil, but viewed in retrospect, it has been a good year - a year of positive growth - leaving us on the threshold of continued improvement in our town government.

The Selectmen wish to thank all of the individuals who served on committees, attended meetings, or who privately counseled us. Without the wisdom, advice, practical knowledge, experience and guidance of these dedicated individuals we Selectmen could not have done as well.

Article 14. To see if the Town will vote to adopt an Ordinance for the Town of Deering as follows:

### DEERING FIRE DEPARTMENT ORDINANCE

#### Preamble

Whereas, the Town of Deering is desirous of adopting an Ordinance relative to fire protection in the Town of Deering and establishing guidelines and regulations for the administration of the Town of Deering Fire Department, be it therefore ordained by the Town of Deering duly assembled at its Annual Meeting as follows:

#### Section I. Establishment of Fire Wards

The fire wards of the Town of Deering shall constitute a Board of Fire Wards. There shall be five (5) fire wards, all of whom shall be residents of the Town of Deering, to be appointed as follows:

A. The Board of Selectmen shall appoint one of its own as an ex-officio member for a term of one-year during his term of office.

B. The fire chief, during his term of office.

C. Three members of the general public to be appointed by the Selectmen within thirty (30) days after the Annual Town Meeting who shall serve staggered terms of three (3) years, respectively. At the first appointment one member shall be appointed for a one-year term, one member appointed for a two-year term, and one member appointed for three-year term. No member of the Deering Fire Department other than the fire chief shall be eligible for appointment to serve as a fire ward.

#### Section II. Fire Chief, Appointment, Duties and Powers

A. The fire chief shall be appointed by the Board of Selectmen for a term of one (1) year, and said appointee shall be technically qualified by training, education or experience.

B. The fire chief shall have, unless otherwise directed herein, the organizational and administrative control of the fire department and shall supervise and direct the necessary officers for training, fire prevention and suppression of fires at the scene of any fire or other emergency.

C. The fire chief shall be responsible for the implementation of policies and other directions of the Board of Fire Wards.

D. The fire chief shall have the authority to inspect all buildings, structures, or other places within the Town except the interior of a private dwelling, where any combustible material, including waste paper, rags, shavings, waste, leather, rubber, crates, boxes, barrels, rubbish or other combustible material that is or may become dangerous as a fire menace to such buildings, structures or other places has been allowed to accumulate or where such chief or his designated representative has reason to believe that such material of a combustible nature has accumulated or is likely to accumulate.

E. The fire chief may be removed during his term of office only for just cause and after hearing with reasonable notice in writing of the charges against him.

### Section III. Fire Wards, Duties and Powers

A. The fire wards shall choose from their own membership a Chairman and a Clerk. The Board shall prepare a proposed budget for the fire department each year to be submitted to the Board of Selectmen.

B. The fire wards shall appoint firefighters and officers and shall grant such promotions as may be appropriate.

C. The fire wards shall prepare, adopt and amend from time to time Rules and Regulations of the Fire Department and shall further set the policies of the Fire Department.

D. The fire wards, shall have the authority and control of all fire engines and apparatus designed or used for the extinguishment of fire in the Town.

### Section IV. Adoption of R.S.A. 154

To the extent that the provisions of R.S.A. 154 are not inconsistent with the provisions of this Ordinance, the Town of Deering does hereby adopt the provisions of R.S.A. 154. The provisions of R.S.A. 154:5 are specifically not adopted by the Town of Deering.

To the extent provided by the statutes of the State of New Hampshire, the Town of Deering hereby agrees to indemnify and save harmless the Fire Chief, the Fire Wards and the members of the Deering Fire Department from any claims made against them as a result of their performance of their official duties and while acting within the scope of their authority.

### Section V. Effective Date

This Ordinance shall take effect on April 1, 1985.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$16,000. for the Fire Department, or to take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$16,500. for the Police Department and the sum of \$200. for Civil Defense, or to take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$10,000. for the purchase of Highway Equipment and authorize the withdrawal of \$10,000. for this purpose from the Federal Revenue Sharing Fund, or to take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$17,600. for the improvement of Reservoir Road, or to take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the following sums of money for Highway Purposes:

1. Maintenance and General Expenses of the Highway Department \$ 138,914.
2. Road Sealing 14,000.

(State Share Highway Block Grant Aid \$53,904.61), or to take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$10,000. for the Highway Equipment Capital Reserve Fund, or to take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$250. for the support of the Hillsboro Rescue Squad and the sum of \$250. for the support of the Weare Rescue Squad, or to take any other action relating thereto.

Article 22. To see if the Town will vote to authorize the transfer of the North School House Lot, so called, bordered by land of Peter Soukas, Thelma Copadis, Ann Watson and Thomas Copadis, located on the south-west corner of Peter Woods Hill Road and Glen Road, to said Peter Soukas, Thelma Copadis, Ann Watson and Thomas Copadis upon such terms and conditions as the Selectmen see fit, or to take any other action relating thereto.

Article 23. To see if the Town will vote to appropriate and authorize withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budget appropriations in the amounts indicated, and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or to take any other action relating thereto.

Town Officers Expenses	\$ 4,516.74
Road Maintenance	10,000.00

Article 24. To see if the Town will vote to authorize the Selectmen to discontinue a short portion at the mouth of the Old Deering Road at its intersection with the East Deering Road and relocate the Old Deering Road to lie along side the barn at the C. Spencer Cake property. The petitioner, C. Spencer Cake, et al, shall agree to be responsible for all costs, liability and damages which may be assessed against the Town of Deering or to take any other action relating thereto.

Article 25. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b, or to take any other action relating thereto.

Article 26. To see if the Town will vote to authorize the Selectmen to trade, sell or otherwise dispose of any surplus Town property, or to take any other action relating thereto.

Article 27. To see if the Town will vote to authorize the Board of Selectmen to accept or purchase on behalf of the Town any Federal or State surplus fire, police or highway equipment, or to take any other action relating thereto.

Article 28. To transact any other business that may legally be brought before this meeting.

Given under our hands and seals, the 11th day of February, 1985.

## LIBRARY REPORT

The expanded library program has resulted in increased circulation and interest in the Deering Library. Year round service is now provided with the Library open on Wednesdays from June through October and a Winter Library at the Town Hall on Wednesdays from 10 - 12 for the remaining seven months. In addition there is a Paperback Exchange open at all times at the Town Hall.

The Children's Story Hours were very well attended this summer. Forty-six new childrens books were purchased this year and are available year round. A Soap Sculpture Contest and Open House were held August 25th in conjunction with Deering Days. Sixty interested guests attended.

The Trustees appreciate the increased support and wish to thank those who have contributed time and books.

## ROAD AGENT'S REPORT

Upon completing my first full year working for the Townspeople of Deering I am pleased to report a substantial amount of progress.

First on my list of improvements, the following roads were partially or fully graveled -

Skye Farm Road	Old County Road Extension
Old Henniker Road	Clement Hill Road
Dickie Hill Road	Gove Road
Camp Road	Bartlett Hill Road
Sodam Hill	Second N. H. Turnpike
Fisher Road	Farrell Hill Road

Secondly we installed many new and improved some existing culverts. Many habitual trouble spots have thus been eliminated, and with proper maintenance the expense of installing new culverts will be kept to a minimum.

A two mile section of Old County Road was ditched, shimmed and sealed. Dickie Hill Road was also ditched and due to the effects of winter frost heaving required shimming and sealing.

The winter of 1983-84 was an extremely icy one but due to the vote of the Townspeople, we were able to stay ahead of the storms with the newly acquired equipment.

Our plans for 1985 include the continued gravelling of Class V roads and a special article for the ditching, shimming and sealing of Reservoir Road to the intersection of Old County Road (considered to be the road that most needs repair). In addition to this some of the much needed repairs will be made to the southeasterly end of East Deering Road. (Shimming and sealing).

We are leasing a 1973 all wheel drive plow truck on a trial basis with the option to buy upon taxpayer approval in 1986.

This past summer we acquired the State's status reports on all bridges in Deering together with a list of necessary repairs. Some of the repairs have already been done and by spreading the work over a two year period all bridges on Class V roads will be brought up to a satisfactory state of repair.

We appreciate the support and cooperation from the townspeople this past year and look forward to a productive 1985.

Respectfully,

PETER C. BEARD

Road Agent

## POLICE DEPARTMENT REPORT

I wish to thank the Townspeople on behalf of the Department for the new police cruiser which as proven to be an excellent vehicle both in reliability and economy.

The following is a resume of the Department's activities for the year 1984:

Accidents	17
Complaints	43
Burglary	9
Thefts	7
Vandalism	4
Criminal Mischief	3
Call Backs	226
Dispatch Calls Received	570

The continued cooperation of the townspeople in notifying the Department (464-3600) when homes will be unoccupied enables us to provide better service to you.

Respectfully submitted,  
ALFRED E. KELLEY  
Chief of Police

## PLANNING BOARD REPORT

The sub-division activity of the Planning Board has been rather limited during the past year, consisting of one minor lot line adjustment and two sub-divisions totaling five lots.

The main task of the Planning Board has been adjusting to the changes in land use planning mandated by the State of New Hampshire. This was further complicated by a recodification of the land use statutes. The adoption by the Town of Interim Zoning was encouraged by the Planning Board.

As we look forward to the year 1985, we see a revision of the subdivision regulations, updating of the Town Plan and preparation of a permanent Zoning Ordinance as our goals for the year.

We welcome everyone to all of our meetings at 7:30 P.M. every second Wednesday of every month of the year, in the Town Hall.

Daryl McQuirk, Chairman  
Deering Planning Board

## BUILDING INSPECTOR REPORT

From May 1, 1984 until December 31, 1984 there have been 32 building permits issued. All have been approved, although two of them were granted a variance by the Zoning Board of Adjustment.

Respectfully submitted,  
CLAYTON BUKER, SR.  
Building Inspector

## ZONING BOARD OF ADJUSTMENT REPORT

On April 19, 1984, a special town meeting was held and the voters adopted the provisions of RSA 674:24-29 entitled "Emergency Temporary Zoning and Planning Ordinance", otherwise referred to as Interim Zoning.

The Board of Selectmen shall act as administrative officer charged with enforcement and may issue building or use permits if clearly promoted by law.

This ordinance will remain in effect for two annual meetings.

The general purpose of a zoning ordinance is designed:

- a. To lessen congestion on the streets;
- b. To secure safety from fires;
- c. To promote health and general welfare;
- d. To provide adequate light and air;
- e. To prevent the overcrowding of land;
- f. To avoid undue concentration of population;
- g. To facilitate the adequate provision of transportation, solid waste facilities, water, sewerage, schools, parks; and
- h. To assure proper use of natural resources and other public requirements.

The general power of a zoning ordinance is designed to regulate and restrict:

- a. The heights and size of buildings;
- b. Lot sizes;
- c. The density of population; and
- d. The location and use of buildings.

During 1984, the Zoning Board has reviewed three applications for zoning variances. All were approved by a unanimous vote.

The second year of Interim Zoning will include support to the Planning Board on preparation of a permanent zoning ordinance. Monthly meetings will be held on the third Thursday of each month at 7:00 P.M. We invite anyone with an interest to join us.

JAMES WOLF, CHAIRMAN  
Deering Zoning Board of Adjustment

## HEALTH OFFICER'S REPORT

The Health Officer handled numerous cases during 1984, relating to indoor and outdoor privvies, septic systems both new and existing, wells, and pre-school and foster home licenses. All were resolved with little difficulty.

A list of suggestions called "Protect Your Lake!" by the N. H. Water Supply and Pollution Control Commission will be posted within the community this year. This list contains many excellent points on how we can help protect and maintain the quality of our lakes.

May 1985 be healthy and prosperous for all.

Respectfully submitted,  
DR. JAMES M. CAREW  
Health Officer, Town of Deering

## CONSERVATION COMMISSION REPORT

The Commission sponsored the Deering Clean-Up Day in early May and plans on doing so again in 1985.

The wetlands map was displayed at Deering Days and generated interest and discussion. The boundaries of the Aucoin lot on North Road were walked and marked in late summer. The Gregg-Sleeper lot in the Manselville District will be marked in a joint effort with the Deering Association during the summer.

The Commission did not sponsor a student to the N. H. Youth Conservation Camp again this year, as no one was found who wanted to attend. If any student between the ages of 13 and 18 who has completed grade 8 is interested in attending the camp for a week in June, please notify the Commission.

In November, Bonnie Corey and Bob Lorber attended the state meeting of conservation commissions at N. H. VoTech in Concord.

## REPORT OF THE DEERING FIRE DEPARTMENT 1984

The new Deering Fire Department was brought into being in September when the Board of Selectmen created the Board of Fire Wards and named William Edes to be Fire Chief. The Fire Wards moved quickly to appoint enough members to effectively protect the town and man the necessary equipment; most of the members of the previous fire department have returned to serve again. The Board of Fire Wards has the mission to operate the fire department, with inputs from the firemen, the Board of Selectmen, and the residents of the Town of Deering. To accomplish this, the Board is comprised of the Fire Chief; a member of the Board of Selectmen; and three members representing the general public. The members as of the end of 1984 are William Edes, Fire Chief; Peter Beane, Selectman; and Ray Farrell, Herb Frederick, and John Van der Linde.

The Fire Wards exist to separate political considerations from the operation of the necessary protection service that the fire department is intended to provide. And it seems to be working; fire department morale is high, the department is responding well to calls for fire or rescue service, the fire department equipment has been upgraded, and the 1985 budget submitted in December showed a reduction from the levels of the past several years while providing for the coming year's anticipated needs.

Our Fire Department is a source of pride for the town. We have 34 firefighters. A very good percentage of the members are state certified fire fighters and many more are involved in furthering their training. The Rescue Squad, under the direction of

Gordon Sherman has 18 members, 9 of which are Emergency Medical Technicians. The department responded to 8 in-town fire calls and nine rescue calls from its inception to the end of 1984.

Our town is growing. Looking ahead, we can see that adjustments will have to be made to accomodate this growth. Good planning is essential to the town in the months and years ahead in the fire department as in all other areas of town governmental services. Your inputs are valuable; be sure to communicate them to the Selectmen, the Planning Board, and the Board of Fire Wards.

John Van der Linde, Chairman  
Peter Beane, Selectman  
William Edes, Fire Chief  
Raymond Farrell, Member  
Herbert Frederick, Member  
BOARD OF FIRE WARDS

#### REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.
