## *YESTERDAY'S DUBLIN*

Those who remember Dublin in the summer of 1890 may reminisce looking at Henry Allison's photo of Dublin Center.

Those who do not remember will notice with interest that in 1890 the Community Church did not have the only steeple in town, the oval had not yet acquired a piece of the rock, and the Dublin General Store had plenty of competition just across the street.

Motion Carried.

Article 9. Moved that the Town raise and appropriate the sum of twenty-five hundred dollars (\$2,500) for repiping and renovating the heating system in the Town Library. Carried.

Article 10. Moved that the Town discontinue the combined office of Town Clerk-Tax Collector as voted under Article 11 at the annual Town Meeting held March 7, 1972, thereby creating two separate offices, one the Town Clerk, and the other the Tax Collector, to be held by two different individuals with the term of office for each of these two offices to be three years, and the first election for the two separate offices to be at the Town Meeting of March 1978.

Motion amended to strike out the words "to be held by two different individuals".

Motion, as amended, was voted by Yes/No ballot 137 Yes 35 No

Article 11. Moved that the Town establish the office of Deputy Tax Collector. This office to be appointed by the Tax Collector holding office at the time of appointment and approved by the Selectmen. Remuneration to be paid out of the Tax Collector's fees and salary. Carried.

Article 12. Moved that the Town raise and appropriate the sum of five thousand eighty-five dollars and four cents (\$5,085.04) for the purchase of a new police cruiser. And to authorize the Selectmen to withdraw one thousand dollars (\$1,000) from the Police Cruiser account of the Capital Reserve, and withdraw the sum of one thousand eight hundred eighty-five dollars and fourteen cents (\$1,885.14) plus any interest accrued until the time of purchase, from the Police Cruiser Insurance account at the First National Bank of Peterborough, the said amounts to be applied against the purchase price. Carried.

Article 13. Moved that the Town discontinue the present full tax exemption on the assessed value of dormitories, dining rooms and kitchens, voted at Town Meeting of March 1975. This includes all the tax exempt schools and any other tax-free building and/or land, in accordance with the provisions of RSA 72:23:IV. Failed.

Article 14. Moved that the Town raise and appropriate the sum of one hundred dollars (\$100) as a yearly salary of a Site Inspector to be appointed by the Selectmen in accordance with Article VII, paragraph A of the Dublin Zoning Ordinance and Land Use Regulations, and whose duties shall be to review, prior to construction, all sites requiring building permits. Carried.

Article 15. Moved that the Town discontinue the provisions of the Municipal Budget Law, adopted at the Town Meeting of March 4, 1975, in accordance with Chapter 32:1 of the RSA, with the stipulation that the Town keep a seven member Budget Committee as now constituted. Failed.

Article 16. Moved that the Town appropriate thirty-six thousand nine hundred dollars (\$36,900) for a new highway truck, and authorize the Selectmen to withdraw fourteen thousand one hundred dollars (\$14,100) from the Heavy Highway Equipment account of the Capital Reserve for this purpose, and raise the balance of twenty-two thousand eight hundred dollars (\$22,800) through issuance of a five year note, the 1977 principal payment to be four thousand five hundred sixty dollars (\$4,560), and the 1977 estimated interest payment to be approximately one thousand twenty-six dollars (\$1,026). Standing vote: 155 Yes 3 No Motion carried.

Article 17. Moved that the Town authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as setoffs against budget appropriations in the amount indicated, and further authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements and reduced.

Appropriation	Estimated Amount
Renovation of Library heating system, voted under Article 9	\$2,500
1977 Principal Payment on Highway Equipment	
Note voted under Article 16	3,889
	\$6,389

Total Estimated Revenue Sharing  
Motion carried.

Article 18. Moved to indefinitely postpone. Carried.

Article 19. Moved that the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in Capital Reserve; three thousand dollars (\$3,000) for Heavy Highway Equipment; six thousand dollars (\$6,000) for Fire Trucks; and one thousand dollars (\$1,000) for Police Cruiser. Carried.

Article 20. Moved that the Town allow the reopening and the rebuilding of the Dooe Road extension for approximately 826 feet, in addition to the 900 feet voted at the Town Meeting of March 5, 1974. Such rebuilding to be done according to Town specifications at no cost to the Town, but with the agreement that upon acceptance of the rebuilt portion of the road by the Highway Agent, the Town will plow and maintain it as part of the Town roads. Carried.

Article 21. Moved that the Town accept the Town Budget as printed on pages 18 and 19 of the 1976 Annual Reports, and raise and appropriate the necessary sums therefor. Motion to amend the Budget by Selectmen McDonald to read \$259,634, by changing Town Officers Expenses to read \$10,361, thereby adding \$1,200. Selectmen McDonald explained that the Selectmen wish to hire a local assessor to replace the Sewall Company to do the annual reappraisals of properties. A local appraiser would hopefully give us better service, and we would be able to get appraisals much more quickly. Amendment carried.

Motion to amend the Budget by Michael Walker to increase the Town Dump and Garbage Removal by \$4,000, thereby increasing the total budget to \$263,634. Mr. Walker explained that this money is needed to finalize the Solid Waste Disposal System if accepted by the State. Amendment carried.

Article 21, as amended, carried.

After Budget passed, Mr. Trowbridge, having voted with the majority, moved reconsideration of the action whereby we passed Article 21, and further moved that such reconsideration take place at an Adjourned Town Meeting to be held Friday, June 3, 1977 at 7:30 p.m., provided that written notice of items to be reconsidered be mailed to taxpayers at least ten (10) days in advance. Carried.

Meeting adjourned at 10:15 p.m. to be resumed on Friday, June 3, 1977 for reconsideration of Article 21.

Respectfully Submitted  
Anita J. Crowell, Town Clerk

**ABSTRACT OF THE ANNUAL TOWN MEETING**  
held at Dublin Consolidated School  
Dublin, N.H., Friday, June 3, 1977

7:30 p.m. Meeting called to order for the reconsideration of

ARTICLE 21: To see what sum of money the Town will raise and appropriate to defray Town charges and for other purposes mentioned in the town budget. The items in the town budget, Article 21, to be reconsidered and amendments to be presented at the adjourned town meeting are as follows:

1. Moved to amend Town Hall and other Buildings to increase appropriation by the sum of one thousand dollars (\$1,000), from \$4,260 to \$5,260, to cover cost of a new toilet in the Town Hall, replacing one which is no longer operable. Carried.
2. Moved to amend Fire Department to increase appropriation by the sum of four hundred fifty dollars (\$450) from \$6,790 to \$7,240 to cover the unexpected demurrage charge on the fire alarm air tanks. Carried.
3. Moved to amend Insurance to increase appropriation by the sum of two thousand dollars (\$2,000) from \$9,540 to \$11,540 to cover increases in insurance premiums charged, insurance on the new Highway Department truck and liability insurance for the full-time Police Chief and three part-time officers. Carried.
4. Moved to amend the Town Dump and Garbage Removal to increase appropriation by the sum of five thousand dollars (\$5,000) from \$11,797 to \$16,797 to cover additional costs of compliance with State requirements in connection with the approval of the Dublin Sanitary Landfill. Carried.

The above changes in the budget increased it by \$8,450 from \$263,634 to \$272,084.

It was moved that a committee be appointed by the moderator to reconstruct the Town Hall or investigate possible solutions to a meeting place for the Town of Dublin. Carried.

Meeting adjourned at 8:30 P.M.

Respectively Submitted,  
Anita J. Crowell  
Town Clerk

## REPORT OF THE BUDGET COMMITTEE

The 1977 Budget Committee met thirteen times during the course of the year. Three of the meetings were held to review quarterly expenditures of the various departments, since it is part of the Committee's responsibility to oversee the requirement under the Municipal Budget Law that departments must stay within their budgets.

A new reporting system has made compiling the necessary figures easier than in the past, but we must note that bills which are held out and not sent in promptly make it impossible for the Committee to help Department Heads by giving advance warning if spending rates appear to be getting out of line. All bills must be turned in as soon as received, or as expenses are incurred, in order for the Committee and Selectmen to keep a tight rein on budget performance.

Reviews of 1978 budget requests started on November 16, 1977. Expenditures to November 1, 1977 were used as a ballpark guide, and final figures for the year as a check on the amounts requested. We are happy to say that the quality and detail backup of budget requests are improving each year, and it will become increasingly easy and accurate to compare apples with apples in the years ahead. This is not to say that the Committee always agrees with the requests, and you will note in the Town Budget items listed as "Not Recommended", for decision of the voters at Town Meeting. A determined effort has been made to examine costs closely and hold increases to a minimum, bearing in mind the unavoidable effect of increases due to inflation.

In May, Barbara Schaal, one of the original Budget Committee members, had to resign due to change in residence. We were pleased to welcome Anne C. Biklen to take her place.

Again this year our special thanks go to our Secretary, Mary Krogman, who has done her usual magnificent job of compiling figures, writing detailed, accurate Minutes of our meetings, and in general keeping us on an even keel.

Respectfully Submitted,  
Edward F. Whitney, Chairman  
Mary E. Krogman, Secretary  
James A. Haddock  
Fred D. Carter  
Russell F. Eaves

## AUDITORS REPORT

To the Board of Selectmen of the  
Town of Dublin

We have examined the balance sheets of the General Fund and Trust Funds of the Town of Dublin as of December 31, 1977 and 1976, and the related statements of changes in fund balance, revenues, appropriations and expenditures and general long-term debt of the General Fund and changes in fund balance of the Trust Funds for the year(s) indicated. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets and accordingly a statement of general fixed assets as required by generally accepted accounting principles is not included in the financial report.

In our opinion, the aforementioned financial statements present fairly the financial position of the General Fund and Trust Funds of the Town of Dublin as of December 31, 1977 and 1976, and the results of the financial transactions for the year(s) indicated, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

## REPORT OF CONVAL SCHOOL BOARD REPRESENTATIVE

1977 was a typical year for the school committee. We hired teachers, tried to solve bus problems, worked on the budget, listened to many presentations by our employees, agreed to a Basic Competency Program, and negotiated a new one year salary contract with our teachers, administrators, and other personnel. You might be interested in knowing that the meetings averaged at least one each week with a total of more than 52, lasting an average of three and one half hours.

My responsibility for 1977 was to serve as chairman of the Salary Negotiations Committee. We met a number of times with the teachers' and administrators' representatives and were able to come to agreement on a one year salary contract for the 1978-79 school year. Next year the Master Contract as well as the salary portion of the contract will be up for review.

I also attended the New Hampshire State School Boards Convention in Concord as the delegate from Conval. The meeting, besides being informative, was a step toward more cooperation between various school boards on issues of mutual concern.

Mr. Brian Hastings has been appointed as the selectmen's representative on the Budget Committee and also to the Advisory Committee. He has both the interest and the ability to fill these positions well.

You are always welcome to call or write any time if you have suggestions or criticisms. As you may know, a complete set of school board minutes is available for public information at the Superintendent's office. Board meetings are public, and you are welcome to attend. Remember, the schools are yours—make sure you know what is happening with your children.

Respectfully Submitted,  
Robert W. Sweet, Jr.

## REPORT OF DIRECTOR OF CIVIL DEFENSE

1977 has been a relatively quiet year for this agency.

Two CDV 715 Radiological Monitoring units were returned to State Headquarters and were replaced by upgraded and calibrated instruments.

A proposal for the Director to attend a course in radiological monitoring at the Staff College in Battle Creek, Michigan in 1978 has been abandoned. It will be replaced by a correspondence course on the subject.

A formal application for a 6 x 6 truck under the Surplus Property Program was prepared in eight copies and forwarded to the State Deputy Director. Justification for this vehicle includes the transportation of Civil Defense equipment, supplies and personnel in the event of an emergency. Hopefully this vehicle will become available early in 1978.

Another "Basic Emergency Operation Plan" was submitted to State Headquarters and was approved. This has become an annual exercise for the local Director.

Postage, automobile and telephone expenses incurred incident to the operation of this office have been absorbed, without tears, by the family budget.

Maurice W. Hale  
Director of Civil Defense

## REPORT OF DUBLIN FIRE DEPT.

1977

This year has been unusually busy for the Fire Department. We responded to nearly 50 emergency fire calls plus 13 resuscitator calls during the year. This load has placed a heavier load than ever before on men and equipment.

Early in 1977, the engine failed in the 1949 Ford pumper and during the summer, the pump on the 1964 International required some rebuilding. The pump has been repaired satisfactorily but the 1949 Ford had a temporary repair as a new or good engine block could not be located. The age of the truck didn't warrant replacing the engine with a newer one as this involved extensive modification of the chassis and naturally added expense. We are in hopes of replacing this truck during 1978.

With the exception of these major repairs, all other equipment has received its usual maintenance and is serving us well. There are additional pieces of equipment that should be in our department such as more Scott Air Pacs (firemen's breathing apparatus), a deluge gun (large stationary nozzle) and a better method of carrying the breathing gear on the truck body. The best way to solve this problem would be by the purchase of a new truck specially designed for our needs. This is not uncommon as most all departments have trucks built to their specifications.

The firemen have been involved in drills during the past year and have done their jobs very well. I believe these men are as well trained and are as devoted to their work as any call fire department in the area. The extra work required of a fireman has increased 10% each year over the past 5 years due to more training and more emergency calls. This holds true of all departments and not just Dublins.

I would like to thank the officers and men of the Dublin Fire Company for their continued support. I also appreciate the Dublin residents for providing us with the necessary funds for performing our job effectively and safely.

Respectfully Submitted,  
Michael Worcester, Chief

## REPORT OF SITE INSPECTOR

During 1977, 46 building permits have been issued in Dublin. These permits ranged from additions to new homes. According to Town Ordinance, a building permit is required for construction over \$1,000 in value.

The permits issued were as follows:

15 new homes est. cost	\$981,000
6 new garages	\$32,000
2 mobile home	\$24,295
17 additions or alterations	\$279,685
3 new barns	
2 workshops	\$42,940
1 swimming pool

## DUBLIN PLANNING BOARD 1977

The Dublin Planning Board, Sounding Board and Conservation Commission, often aided by the Southwestern N.H. Regional Planning Commission and the Selectmen, worked together on town projects such as: a Wetland Ordinance (passed at the town meeting); a new Post Office site; a Master Plan for Dublin; a Town Census and an Informational Questionnaire.

In addition, public hearings were held on the following six subdivisions:

1. Lydia Lang 5 lots approved; 2. Albert Jamgochian 3 lots approved; 3. Norman Davis 1 lot approved; 4. Christian Academy 3 lots disapproved; 5. Jean Worcester 1 lot approved; 6. Lempi Neimela 1 lot approved.

Respectively submitted,  
Allan Fox, Chairman  
Gordon Knight, Vice Chairman  
Doris Haddock, Secretary-Treasurer  
F.S. VonStade  
Norman Davis  
Carol Peterson  
Robert Krogman,  
Selectman Representative

## REPORT OF THE RECREATION COMMITTEE

The Dublin Recreation Committee sponsored a number of events and programs throughout the year. The first event was the Memorial Day Track & Field Day for school aged children. The next event sponsored by the Dublin Recreation Committee was the Old Home Day Celebration on July 4. Hereafter, this will be held on a non-holiday weekend on the recommendation of a number of residents. Other events sponsored by the committee were Little League Baseball and PeeWee Baseball as well as the Annual Halloween Party.

The most successful program sponsored by the committee has been our Summer Youth Program with Dee Fontaine as program director. Last year we expanded the activities and this corresponded with an increase in attendance over the

previous year. A weekly adult physical activity night was also attempted but dropped after three weeks due to lack of attendance.

We are continuing to pursue the possibility of having tennis courts constructed but have met with little success in finding a suitable location.

We are always looking for suggestions regarding activities and programs and are hoping we will be hearing from the community in this regard.

Signed,  
Walter Snitko, Chairman  
Judy LaFortune  
Ted Dukelow  
Bill Hotin

### DUBLIN BYPASS COMMITTEE REPORT

As directed by the results of the voting on the March 8, 1977 ballot, the Selectmen formed the Dublin Bypass Committee. The Conservation Commission, Planning Board, Relocate 101 Committee and The NoEast-West Highway Committee were contacted and asked to contribute one member each. The NoEast Highway Committee felt it best not to be represented because of the litigation it had instituted. In addition to the above committees, an at-large member was appointed.

At its first meeting the Bypass Committee voted to contact Highway Commissioner, John Clements, and request the Highway Department's participation in the project.

The Highway Department sponsored a public officials meeting in Dublin on June 23, 1977 and a public informational meeting at ConVal on July 14, 1977.

On August 9, 1977 Judge Bownes issued an order indicating he was retaining jurisdiction pursuant to his original opinion and order. A further "memorandum and order" by Judge Bownes dated January 11, 1978 ordered the state to report to the court and the NoEast-West Highway Committee every three months as to any study, planning and work on the Dublin Bypass situation.

Respectfully submitted  
Robert B. Allen

### REPORT OF THE CONSERVATION COMMISSION—1977

The Commission held twenty meetings during the year on the 2nd and 4th Thursday monthly, with the exception of holidays.

Visitors and guests at various meetings included David Weir, of the Monadnock Region Studies, Harrisville Conservation Commission members Cecilia Russell, Jean Harris, Mary Meath, and Henry Shaw, Dublin Planning Board members Richard Hammond, Gordon Knight, Betty Woodward, Selectmen Robert Allen and Robert Krogman, Rev. James Richards, David Roth from the Society for the Protection of New Hampshire Forests, Police Chief Robert McLean, Harry Sloan, Glenna Eaves, Elliott Allison, Stephen Avery of the Board of Adjustment, Beth Walker, and Becky Fortin.

The Commission supported the Planning Board at two public hearings held in February, on the proposed Wetlands Conservation District ordinance. A letter explaining the ordinance and urging voters to approve the measure was sent out by the Commission with the town's Annual Report.

The Commission received a gift of 6 3/4 acres of land at Howe Reservoir from Justine Eaton, Martha Blagden, and Irene Grant. This area is part of Dublin's major western watershed and receives all the run off from Mt. Monadnock via the mountain brooks. The Commission appreciates this gift very much and hopes to encourage other land owners to consider giving land to the Town.

The Dublin Women's Club contributed \$50.00 to the Commission to cover the expenses of a photographic record to supplement the house survey. Further work on this survey is still being carried out.

The third annual town roadside clean-up, sponsored by the Commission, was held on May 7th, involving many volunteers of all ages. Trash was gathered and loaded onto pick-up trucks to be taken to the Dump. The Naylor's served hot dogs for the hungry workers. Prizes were awarded for the best posters submitted in a poster contest at the Dublin Consolidated School.

Two land and site tours of Dublin were held—one in April and one in October, and included members of the Commission and the Sounding Board as well as other interested townspeople. We are grateful to Joseph Wakeman who supplied and drove the bus on both occasions.

Tuition costs were underwritten to send Beth Walker and Becky Fortin to Spruce Pond ecology camp in June. Both girls gained a great deal from the experience and reported to the Commission. Gifts of magazine subscriptions to National Wildlife and Ranger Rick were made to the Dublin Consolidated School, and to the National Audubon Society for the Dublin Public Library.

In May, the Commission wrote a letter to the Selectmen and to the Tenneco Corporation expressing opposition to the proposed gas pipe line route through southern New Hampshire. On July 12, the Commission sponsored an open meeting with Tenneco representatives, members of environmental protection organizations, and other concerned citizens, to provide information about the route.

During the year the Commission also reviewed requests for building permits and requests to the Board of Adjustment for a variance in cases where wetlands were involved; attended Planning Board meetings, attended hearings on the Rte. 101 Bypass, submitted questions for inclusion in the questionnaire sent out by the Planning Board, assisted the Planning Board with an up-to-date census of Dublin, and discussed safety measures on Rte. 101.

The Commission published the 5th and 6th issues of Newsletter, "Dublin Dirt" in February and August.

The resignation of Barbara Schaal was accepted with regret. Mrs. Herbert G. Pratt was appointed to fill out this term. Thomas Miller's recent resignation was also accepted with regret.

### EMERGENCY NUMBER 352-1100

This past year we have had one auto accident fatality within our community. This accident being alcohol related and operator having been indicted for Negligent Manslaughter and Reckless Operation, Death Resulting, Superior Court pending.

We are naturally very concerned about the safety of our community and will not tolerate drunken drivers on our highways endangering our residents and the general motoring public.

41 persons Driving While Under The Influence of Liquor were arrested by this Department during the past year. Without these persons being apprehended, I am sure that a substantial increase in property damage, personal injury, and possibly fatal accidents would have occurred.

We have investigated a total of 63 auto accidents which exceeded \$300.00 damage. 20 persons were injured requiring ambulance and emergency treatment at hospitals.

91 Criminal Cases have been prosecuted. The categories being: Burglary, DWI, Bad Checks, Criminal Trespass, Concealment of Merchandise, Criminal Mischief, Disorderly Conduct, Possession of Alcohol, Possession of Marijuana, Transporting Marijuana, Theft By Unauthorized Taking, Reckless Operation, Operating Under Suspension, Taking Motor Vehicle Without Authority. We also apprehended numerous persons for other Departments and assisted in their investigations. Of our cases above, 20 persons were sentenced to terms at various State and County Institutions.

In the year 1978, your Police Department would like to increase the hours that the cruiser is on the road in order to cut down on traffic violators and to have more visibility in the town. In order to accomplish this we have asked for a budget increase to fund these additional hours. It becomes increasingly harder to operate efficiently and effectively and stay within our prescribed budget especially with inflation and the increase of activity that the Police Department is called upon to do, such as: Assisting Ambulance, Emergency Messages Delivered, Alarms Responded to, Animal Problems, Persons Found or Located, Property Checking, Assisting Motorists, Suspicious Persons and Vehicles, Domestic Problems and numerous other services which would make this report too lengthy.

As far as traffic violations go we have summoned over 150 persons for various offenses including Speeding, Solid Line Violations, Stop Signs and others. There is more to be done in this area especially when you realize that over 5000 vehicles a day travel Route 101 through Dublin. Over 500 a day are trucks and these figures are greatly increased during the summer months.

Again I would like to thank all the persons who have assisted us in making the job easier. We have tried to be honest, fair, impartial, and efficient in enforcement.

Respectfully submitted,  
Robert McLean, Chief

## DUBLIN PUBLIC LIBRARY

The Core Committee for a New Hampshire Governors Conference has engaged Dr. Lowell Martin to update the 1961 Study of Library Services in New Hampshire. The purpose of the study is to prepare suggested goals and guidelines of a tentative plan for development for the 1980's. Dr. Martin visited our library, as one of some fifty, during the year. We look forward to the printed report of this study.

Mrs. Robb Sagendorph presented the library with one of her paintings, a winter scene of the mountain and lake.

Mr. and Mrs. Peter Brooks added to the library's collection with a painting by Gouri Ivanov-Rinov. It hangs in the Gowing room, and is a New England scene.

Kenneth C. Cramer, archivist of the Dartmouth College Library, has given a fiche of the inventory to the papers of Grenville Clark in that library.

Miss Rowena Sanford exhibited over twenty oil paintings in the Gowing room during July and August.

The book character costume party for children was held in August. Forty eight children appeared in costume. After marching about the village on that very rainy day, they returned to the library and were awarded with blue ribbons, yes, everyone of them, by Mr. and Mrs. Eliot Allison, judges. An ice cream festival and picture taking by Judy Black and Jeanne Worcester followed. Mrs. Moore gave a generous check to cover the party costs.

The Recreation program under the leadership of Mrs. Dee Fontaine, and the library staff spent six weeks together viewing films and identifying baby pictures on loan. Beth and I were honored by the gift of a mural drawn by the children, a scene of the village from the library wall. A huge cake in the shape of an open book was enjoyed on that occasion.

The Dublin Women's Community Club and Extension held meetings in the Gowing room, open to the public. The DWCC has always worked for community betterment, and the Extension is a supplement to what libraries are all about. The President of the Homemakers Council has said, "One of the ways you can grow as a person is through learning new things and teaching others what you have learned."

The Mountain Messenger has given us the opportunity to tell the community about events and books during the year.

Our statistics do not begin to tell the library story unless we had first reported other events. Statistics count numbers, not people. How can we count the students in to do research from the surrounding schools and colleges, visitors in to browse, as well as patrons seeking information as well as leisure reading. . . . the handsome young faces of the preschoolers coming in to see a film and pick up some book records.

Extensive repairs and renovations were made to the heating system which should make it far more efficient to heat the building.

We thank the many friends of the library for their gifts which enrich us: Mrs. Robb Sagendorph, Mr. and Mrs. Peter Brooks, Marcia McKenna, Mr. and Mrs.

I thank my trustees for their support.

To the Board of Selectmen of the  
Town of Dublin

We have examined the balance sheets of the Dublin Public Library Building Fund as of December 31, 1977 and 1976, and the related statement of changes in fund balance for the year(s) indicated. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the Dublin Public Library Building Fund as of December 31, 1977 and 1976, and the results of the financial transactions for the year(s) indicated, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

## CEMETERY ANNUAL REPORT

My first year as Superintendent of the Dublin Cemetery has been an education. Dublin should be proud of the planning and care the cemetery has had in the past.

This year we have continued to make improvements. Many of the trees have been pruned or selectively cut down to make the cemetery better groomed and easier to maintain.

Surveying of a new section was completed, giving us an additional 44 new lots. Special numbered lot markers are being placed to eliminate any confusion of lot location.

This summer, stone walls and gates are to be repaired. Fertilizing of the grass and bushes is necessary this year.

Respectfully Submitted,  
Charles S.B. Pillsbury  
Superintendent  
Dublin Cemetery

## HIGHWAY DEPARTMENT

The highway department started the year off very busy plowing sanding, salting, until the last snow storm in May. That storm left much wood and branches to be picked up and hauled to the dump.

In the spring all dirt roads were graded and gravel spread where needed. The tar roads were patched and shimming done where needed before sealing with tar. Several culverts were added or replaced.

There were two culverts and 1280 feet of underdrain placed on the TRA project on Windmill Hill Road, graveled with bank run and approximately 3 inches of crushed gravel added.

The Grade-all was used to clean some wet ditches. I feel that more of this work is needed this year.

The brush was cut along side the roads with a tractor mower.

We crushed and screened approximately 2,500 yards of gravel for winter. At this time I would like to mention that I feel that the selectmen and planning board should be looking into a new source of sand and gravel as the town owned pits are about depleted.

The new Mack has worked out well for the nine months that the department has had it. This winter a snowplow wing was added to the Chev. and has helped make plowing a little faster. The Chev. has had many repairs this year, and feel that a replacement for it should be considered for in the near future.

I wish to thank the residents for their support and patience during this past year. I would especially like to thank the full and part-time help.

Respectfully Submitted,  
Clarence Babneau  
Highway Agent

## DUBLIN SOUNDING BOARD

In June (1976) a Sounding Board was formed to develop a long range goal of planning for the controlled growth of Dublin. Two public opinion surveys (1972 and 1977) produced similar results, namely indicating a desire to preserve the rural character of the town and favoring growth control measures necessary to achieve that goal.

The Sounding Board took inventory of already available information which included a set of resource inventory maps and several studies and reports done by interns from the SWNHRPC.

During subsequent meetings, the Sounding Board compiled a list of long range goals, reviewed and discussed the maps, reports, present Zoning Ordinance, Subdivision Regulations, model ordinances, goals and reports from other communities, etc. Andy Motter or another representative of the SWNHRPC usually attended our meetings, leading some discussions and helping us to evaluate the wealth of information.

Brian Hansen, an intern funded by a grant from the Dublin Community Foundation and matching funds from the New England Consortium on Environmental Protection worked throughout the summer to prepare the Master Plan Reports. This report contains the goals of the town, inventory of maps and reports, graphs, population projections, budget analysis, etc. Also included are alternatives, implementation measures and recommendations.

Briefly: Our summary of natural features map identifies 30% of the yet to be developed land as suitable for development. Our census determined the year round population to be 1140. Population projections were made to the year 2020 using growth rates of 4%, 2%, and 1%. Dublin has been growing at the rate of 4% per year. If we continue at this rate and assuming two acres per building lot (as our zoning stipulates) half of our developable land will be used up by 2020 for residential purposes.

We will also find that the budgets for public works, education, fire and police protection, etc. will increase more and more. A single family dwelling often represents a minus figure to the town especially if there are increased school costs. A cost/benefit analysis for single family housing demonstrates that the demand for services tends to exceed the contribution in tax revenue.

It is impossible not to allow growth in Dublin, however, some measure for providing for orderly, controlled growth would be beneficial and there are alternatives. We can remain residential or become more commercial and industrial. Commercial activity could broaden our tax base but may also attract more people. Limiting growth can lessen the impact on town budgets by limiting the burden on services. However, even if we do remain residential, with an increase in population, it is feasible that supermarkets, banks, and other commercial enterprises may locate in Dublin and should be provided for through proper zoning.

A master plan is a concept or theory from which specific regulations and policy can be developed. The plan can serve as a guide for the Planning Board and other Town Boards as well.

Adele Knight,  
Secretary
