SANDOWN NEW HAMPSHIRE

ANNUAL REPORTS

FOR THE FISCAL YEAR ENDING DECEMBER 31, 1990

INSERT TO THE 1990 TOWN REPORT:

The following changes should be made:

The 1989 tax rate breakdown should be as follows:

\$4.33	Town
\$13.12	School
\$.81	County
<u> </u>	
\$18.26	Total

The following names should be added to the Sandown
Police Dept:

Timothy D. Vincent
Paul J. Donovan

James and Leslie Rivers should be added to the Sandown
Disposal Area as custodians.

Selectman, Bill Crum, should be included as a member of
the Budget Committee.

Mr. Lloyd Lessard should be deleted from the Volunteer
Fire Dept. Engineers and replaced with Mr. Dennis
Giangregorio.

The cover photos are before and after the new town hall addition. Thanks go to the members of the Municipal Space Needs Committee for their hard work and dedication to this project. Without them, this much-needed addition may never have become a reality.

Thanks go, also, to Mr. Ed Mencis, for his many donations of office furniture and supplies which, subsequently, saved the town a large amount of money.

Barbara Lachance was instrumental in beginning what may become a town tradition - the office shower. Many civic organizations donated supplies, money and gift certificates to the town offices to supplement our need for additional supplies.

AUDITOR'S REPORT

To The Town of Sandown

We have examined the financial statements of the funds and accounts of the Town of Sandown, New Hampshire at December 31, 1990 and for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town prepares its financial statements using accounting principals which are in conformity with the Uniform Municipal Accounting System promulgated by the New Hampshire Department of Revenue. These accounting principals differ in certain respects from generally accepted accounting principles, the effects of which on the accompanying financial statements have not been quantified.

In our opinion, except for the effects on the financial statements of the differences in accounting practices referred to in the preceding paragraph, the financial statements mentioned above present fairly the financial position of the funds and accounts of the Town of Sandown, New Hampshire at December 31, 1990 and the results of operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination has been made primarily for the purpose of expressing an opinion on the financial statements, taken as a whole. The supplementary information is presented for analysis purposes and is not necessary for a fair presentation of the financial information referred to in the preceding paragraph.

AUDITORS COMMENTS AND RECOMMENDATIONS

Questions regarding the safety of town funds held in banks were raised by Auditor Jefferson Cornell at an October meeting of the Budget Committee. At that time, and as of the end of this audit period 12/31/90, the Town of Sandown maintains all its funds, some \$1,100,000 at this time, in a single bank, The Plaistow Bank and Trust Company. All these funds are insured, as a single account, for a total of only \$100,000, the FDIC limit, thus leaving some \$1 million in town funds uninsured and at risk in the event of a bank failure. The Auditors and the Budget Committee have been assured by the Selectmen that all necessary steps would be taken to protect all funds held by the town at all times from loss in the event of bank failure.

The town's new computerized accounting system was utilized only to account for expenditures in 1990. We have urged the Selectmen to expand the system to include revenues as well this year. We have also recommended that the Selectmen implement the numbered accounting system recommended by the Department of Revenue Administration (DRA) because (1) it will better

facilitate communicating reports to the DRA, (2) it will lend uniformity to the town's internal accounting and (3) the numbering system may very well become mandatory in the very near future.

In general, the computerized system has greatly improved the tracking of cash through the town's system and made this year's audit much easier to perform.

HOWEVER, there remain systemic problems -- problems which are by-products of poor town management:

(1) The Tax Collector/Town Clerk, the Treasurer and the Bookkeeper in the Selectmen's office, each use a slightly different system of identification of accounts. This sometimes confusing system makes audit trails difficult to follow. An effective accounting system is one where new personnel could step into the system and operate it immediately. We doubt this could occur with the present system.

(2) The PRE Account (a developer-fee escrow account), Impact Fees (monies collected in reserve to repair certain roads) and Road Bond accounts (monies held in lieu of new road construction), continue to be a problem and must be better identified and accounted for.

Impact Fees are commingled in PRE Accounts. Road Bond monies are given account numbers by the Planning Board, which created the accounts, and account names by the Treasurer, who maintains the accounts. We were forced to track individual transactions, as usual, in an attempt to identify and match up these individual accounts.

The Bookkeeper and Treasurer have agreed to do what they can to rectify these problems, but, again, the Selectmen have the ultimate authority and the ultimate responsibility in these matters and we ask them to take the steps necessary to improve the system of handling town funds as soon as possible.

Respectfully submitted,

Beverly C. Cornell, Auditor

A. Jefferson Cornell, Auditor

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 8:00 P.M.

To the Inhabitants of the Town of SANDOWN in the
[L. s.] County of ROCKINGHAM in said State, qualified to vote
in Town Affairs:

You are hereby notified to meet at SANDOWN TOWN HALL in
said SANDOWN on Tuesday, the TWELFTH day of
March, next at TEN of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. TO CHOOSE ALL NECESSARY TOWN OFFICERS FOR THE ENSUING YEAR.

NOTICE: THE FOLLOWING ARTICLES TO BE VOTED ON AT ADJOURNED MEETING,
SATURDAY, MARCH 16, AT 10:00 AM.

ARTICLE 2. TO RAISE SUCH SUMS OF MONEY AS MAY BE NECESSARY TO DEFRAY TOWN
CHARGES FOR THE ENSUING YEAR AND MAKE APPROPRIATION OF THE SAME.

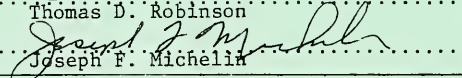

ARTICLE 3. TO SEE IF THE TOWN WILL AUTHORIZE THE SELECTMEN TO BORROW MONEY
IN ANTICIPATION OF TAXES.

ARTICLE 4. TO SEE IF THE TOWN WILL AUTHORIZE THE SELECTMEN TO SELL, AT PUBLIC
AUCTION AND TO CONVEY ANY REAL ESTATE ACQUIRED THROUGH DEEDS FROM THE COLLECTOR
OF TAXES, PROVIDED HOWEVER, THAT THE SELECTMEN PURSUANT TO THE AUTHORITY GRANTED
BY RSA 80:42 (III) (SUPP.) MAY SELL SUCH PROPERTY TO THE FORMER OWNER THEREOF
(OR HIS HEIRS, SUCCESSORS AND ASSIGNS) UPON SAID OWNER PAYING TO THE TOWN (I)
ALL PAST UNPAID TAXES, INCLUDING COSTS AND INTEREST RELATING THERETO, (II) ALL
EXPENSES INCURRED BY THE TOWN IN THE ADMINISTRATION OF SAID PROPERTY AND (III)
ALL TAX REVENUES LOST BY THE TOWN, BY VIRTUE OF THE TOWN'S OWNERSHIP OF SAID
PROPERTY, FROM THE TIME OF ITS ACQUISITION BY THE TOWN TO THE TIME OF ITS
CONVEYANCE TO THE FORMER OWNER.

ARTICLE 5. TO SEE IF THE TOWN WILL AUTHORIZE THE SELECTMEN TO APPLY FOR,
RECEIVE AND EXPEND FEDERAL OR STATE GRANTS, WHICH MAY BECOME AVAILABLE
DURING THE COURSE OF THE YEAR AND ALSO TO ACCEPT AND EXPEND MONEY FROM
ANY OTHER PURPOSES FOR WHICH THE TOWN MAY LEGALLY APPROPRIATE MONEY:
PROVIDED: (1) THAT SUCH GRANTS AND OTHER MONIES DO NOT REQUIRE THE
EXPENDITURE OF OTHER TOWN FUNDS, (2) THAT A PUBLIC HEARING SHALL BE HELD
BY THE SELECTMEN PRIOR TO THE RECEIPT AND EXPENDITURE OF SUCH GRANTS AND
MONIES; AND (3) THAT SUCH ITEMS SHALL BE EXEMPT FROM ALL PROVISIONS OF
RSA 32 RELATIVE TO LIMITATION AND EXPENDITURE OF TOWN MONIES, ALL AS
PROVIDED BY RSA 31:95-B.

.....Sixteenth..... March, 1991

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at SANDOWN TOWN HALL & SANDOWN POST OFFICE being a public place in said Town, on the day of February, 19

.....William H. Crum, Jr., Chairman.....

.....Thomas D. Robinson.....

.....Joseph F. Michelin.....

Selectmen
of
SANDOWN

ARTICLE 6. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$19,300.00 FOR THE PURPOSE OF PURCHASING A POLICE VEHICLE FOR THE SANDOWN POLICE DEPARTMENT. (Recommended by the Budget Committee)

ARTICLE 18. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$1,000.00 FOR THE PURPOSE OF FUNDING THE OPERATING EXPENSES (ELECTRICITY, HEATING OIL AND TELEPHONE) ASSOCIATED WITH THE USE OF THE SANDOWN DEPOT BY THE SANDOWN HISTORICAL SOCIETY. (Recommended by the Budget Committee)

ARTICLE 19. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$350.00 FOR A ONE TIME MONITORING PROGRAM TO ESTABLISH A DATA BASE OF WATER QUALITY FOR THE PONDS AND RIVERS IN THE TOWN OF SANDOWN. (Recommended by the Budget Committee)

ARTICLE 20. TO SEE IF THE TOWN OF SANDOWN WILL VOTE TO ACCEPT BLOCK GRANT REVENUES IN THE AMOUNT OF \$53,481.26 AS SUPPLIED BY THE STATE FOR ROAD IMPROVEMENT PROGRAMS TO BE RECOMMENDED BY THE SANDOWN HIGHWAY DEPARTMENT. (Recommended by the Budget Committee)

ARTICLE 21. TO SEE IF THE TOWN OF SANDOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$25,000 FOR THE DESIGN AND CONSTRUCTION OF IMPROVEMENTS TO TOWN ROADS. SUCH FUNDS TO COME FROM OFF-SITE IMPROVEMENT FEES FROM VARIOUS DEVELOPMENTS. TAX IMPACT = \$0.00. (Continuation of Warrant Article #34 from 1990 Town Warrant) (Not Recommended by the Budget Committee)

ARTICLE 22. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF THIRTY THOUSAND SIX HUNDRED SIXTY-FIVE (\$30,665.00) DOLLARS FOR THE PURPOSE OF THE CONSTRUCTION OF A DOUBLE TENNIS COURT AT THE RECREATION FIELD. COST TO INCLUDE SITE WORK, FENCING, HOT-TOPPING, NETS AND NET POSTS. (By Petition) (Not Recommended by the Budget Committee)

ARTICLE 23. TO SEE IF THE TOWN WILL VOTE TO ADOPT RSA 41:29-a CONCERNING THE APPOINTMENT OF A DEPUTY TREASURER. (A copy of the RSA is attached)

ARTICLE 24. TO SEE IF THE TOWN WILL VOTE TO ADOPT RSA 41:9-a CONCERNING THE ESTABLISHMENT OF FEES. (A copy of the RSA is attached)

ARTICLE 25. TO SEE IF THE TOWN WILL VOTE TO ACCEPT ARUDA ROAD FOR WINTER MAINTENANCE ONLY.

ARTICLE 26. TO SEE IF THE TOWN WILL VOTE TO ACCEPT BUNCE CIRCLE AS A TOWN ROAD, SUBJECT TO THE APPROVAL OF THE BOARD OF SELECTMEN.

ARTICLE 27. TO SEE IF THE TOWN WILL VOTE TO ACCEPT GIORDANI LANE AS A TOWN ROAD, SUBJECT TO THE APPROVAL OF THE BOARD OF SELECTMEN.

ARTICLE 28. TO SEE IF THE TOWN WILL VOTE TO ACCEPT PINWOOD LOOP AS A TOWN ROAD, SUBJECT TO THE APPROVAL OF THE BOARD OF SELECTMEN.

ARTICLE 29. TO SEE IF THE TOWN WILL VOTE TO ACCEPT CORTNEY DRIVE AS A TOWN ROAD, SUBJECT TO THE APPROVAL OF THE BOARD OF SELECTMEN.

ARTICLE 30. TO SEE IF THE TOWN WILL VOTE TO ACCEPT NICOLE DRIVE AS A TOWN ROAD, SUBJECT TO THE APPROVAL OF THE BOARD OF SELECTMEN.

ARTICLE 31. TO SEE IF THE TOWN WILL VOTE TO ACCEPT A DONATION OF ONE ACRE OF LAND FROM MRS. MARTIN VOKEY (Map 7 Lot 12). NO STIPULATIONS ARE INCLUDED WITH THE DONATION.

ARTICLE 32. TO SEE IF THE TOWN WILL VOTE TO INSTRUCT THE MODERATOR TO APPOINT A MUNICIPAL SPACE NEEDS COMMITTEE TO CONTINUE TO REVIEW THE MUNICIPAL SPACE NEEDS OF THE TOWN AND TO OVERSEE THE WARRANT ARTICLE PERTAINING TO THE CONSTRUCTION OF THE HANDICAP BATHROOMS.

ARTICLE 33. TO SEE IF THE TOWN OF SANDOWN WILL AUTHORIZE THE BOARD OF SELECTMEN, ACTING AS ASSESSORS, TO LEVY A 20% ADDITIONAL ASSESSMENT TO ANY BUSINESS OPERATING OUTSIDE THE BUSINESS DISTRICT OF SANDOWN. SUCH ASSESSMENT TO BE APPLIED ONLY TO THE AREA UTILIZED BY SAID BUSINESS. BUSINESS DISTRICT TO MEAN THAT AREA OF SANDOWN IDENTIFIED IN ARTICLE I, PART C OF THE SANDOWN ZONING ORDINANCE. "BUSINESS" TO MEAN THAT WHICH IS IDENTIFIED IN ARTICLE II, PART A, SECTION 15 OF THE SANDOWN ZONING ORDINANCE.

ARTICLE 34. TO SEE IF THE TOWN WILL VOTE FOR THE CREATION OF A RECYCLING TRUST FUND FOR THE PURPOSE OF FUTURE CAPITAL EQUIPMENT PURCHASES FOR THE COLLECTION AND/OR HAULING OF RECYCLABLES. FUNDING OF THE TRUST WOULD COME FROM ALL REVENUES RECEIVED FROM RECYCLING EFFORTS OVER AND ABOVE THE SANITATION BUDGETED REVENUE OF \$2,000.

ARTICLE 35. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: THE VOTERS OF SANDOWN, HEREBY, AUTHORIZE PURSUANT TO THE PROVISIONS OF NEW HAMPSHIRE RSA 106-C:3, THE CHIEF OF THE SANDOWN POLICE DEPARTMENT TO EXTEND ASSISTANCE IN TIME OF EMERGENCY TO ANY OTHER MUNICIPALITY OR THE COUNTY OF ROCKINGHAM SUBJECT TO SUCH RESTRICTIONS AND CONDITIONS AS MAY BE IMPOSED BY LAW.

ARTICLE 36. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: UNNECESSARY OR EXCESSIVE NOISE AFTER REASONABLE HOURS: PURPOSE: TO ENFORCE A SET TIME OF THE DAY TO ELIMINATE LOUD, EXCESSIVE AND UNNECESSARY NOISE TO KEEP THE PEACE IN THE TOWN OF SANDOWN. IT IS THE DECLARED INTENT AND PURPOSE OF THIS ORDINANCE TO ASSURE THAT THERE WILL BE A SET TIME OF THE DAY THAT ALL LOUD, EXCESSIVE OR UNNECESSARY NOISE WILL NOT BE ALLOWED AND IF NOT COMPLIED WITH, WILL RESULT IN VIOLATION OF THIS ORDINANCE. UNNECESSARY, LOUD AND EXCESSIVE NOISE SHALL BE DEFINED AS ANY NOISE THAT DOES INTERRUPT THE PEACE OF THE NIGHTTIME OR DISRUPTS ANY PERSON IN THE TOWN OF SANDOWN BETWEEN THE HOURS OF 11:00 PM AND 7:00 AM. THIS NOISE CAN BE CAUSED BY ANY MOTOR VEHICLE'S RACING ENGINE, REPAIR OR CONSTRUCTION OF ANY VEHICLE OR BUILDING, THE NUISANCE OF A BARKING DOG, ANY MOTORIZED EQUIPMENT OR TOOLS, ANY STEREO OR MUSICAL EQUIPMENT, ANY LARGE SOCIAL GATHERING. ANY VIOLATION OF THIS ORDINANCE SHALL BE PUNISHABLE BY A FINE OF NOT MORE THAN SEVENTY-FIVE DOLLARS (\$75.00).

ARTICLE 37. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: IT IS THE DECLARED INTENT AND PURPOSE OF THE ORDINANCE TO ASSURE THAT WHERE THERE IS TO BE A GATHERING OF THE PUBLIC ON TOWN PROPERTY FOR ALCOHOL-RELATED FUNCTIONS, THERE WILL ALSO BE AN OFFICER OF THE LAW TO OVERSEE THAT ORDER IS MAINTAINED AND THE PROTECTION OF THE PUBLIC IS READILY AVAILABLE ON SCENE. IT IS DECLARED THAT THE FEES INVOLVED WITH THESE SERVICES SHALL BE NO MORE THAN \$19.00 PER HOUR, \$15.00 OF WHICH IS TO BE PAID TO THE OFFICER ON THE DUTY DETAIL AND \$4.00 IS TO BE PAID TO THE TOWN OF SANDOWN FOR THE PURPOSE OF PAYMENT OF LIABILITY INSURANCE.

ARTICLE 38. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: IT IS THE DECLARED INTENT AND PURPOSE OF THIS ORDINANCE TO ASSURE THE SAFETY OF BOTH THE CONSTRUCTION COMPANIES EMPLOYEES AND THE GENERAL PUBLIC WHETHER IT BE UTILITY WORK, HIGHWAY WORK OR ANY TYPE OF WORK THAT WILL TEMPORARILY IMPEDE THE NORMAL FLOW OF TRAFFIC ON ROADWAYS IN THE TOWN OF SANDOWN. THIS WILL MAKE MANDATORY THAT EACH COMPANY, IF THEY DO NOT HAVE THEIR OWN FLAGMAN, MUST EMPLOY THE SERVICES OF THE SANDOWN POLICE. IT IS DECLARED THAT THE FEES INVOLVED WITH THESE SERVICES SHALL BE NO MORE THAN \$19.00 PER HOUR, \$15.00 OF WHICH IS TO BE PAID TO THE OFFICER ON THE DUTY DETAIL AND \$4.00 IS TO BE PAID TO THE TOWN OF SANDOWN FOR THE PURPOSE OF PAYMENT OF LIABILITY INSURANCE.

ARTICLE 39. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: THE CARRYING OF FIREARMS WILL BE PROHIBITED IN THE SANDOWN TOWN HALL OR ANY AREA DESIGNATED AS AN ASSEMBLY POINT FOR TOWN MEETING BY ANYONE OTHER THAN A POLICE OFFICER.

ARTICLE 40. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: IF A BUILDING IS OCCUPIED BEFORE THE OCCUPANCY PERMIT IS SIGNED OFF AND ISSUED BY THE BUILDING INSPECTOR, A \$50.00 PER DAY FINE WILL BE LEVIED TO THE OWNER OF RECORD AS PER THE REGISTRY OF DEEDS AT THE TIME OF THE VIOLATION.

ARTICLE 41. TO SEE IF THE TOWN WILL VOTE TO ACCEPT THE FOLLOWING AS A TOWN ORDINANCE: IT SHALL BE A VIOLATION TO CAUSE SNOW TO BE PLOWED FROM A DRIVEWAY OR WALKWAY INTO A TOWN ACCEPTED OR TOWN MAINTAINED ROAD. SAID VIOLATION SHALL CARRY WITH IT A FINE OF \$100.00 TO BE ASSESSED TO THE PROPERTY OWNER.

ARTICLE Z1. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 1 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

1. Amend Article V, Section 5, Introductory Paragraph by deleting it in its entirety and replacing it with the following:

Conversion of Seasonal Property from Seasonal to Year-Round Occupancy may be permitted as a special exception provided the Board of Adjustment finds, in writing, after a duly noticed Public Meeting of which the abutting landowners have been notified in writing that all requirements as specified in paragraphs 1 and 2 below are met. For the purpose of the Town of Sandown Zoning Ordinance, seasonal property is defined as a dwelling that, as of March 5, 1974, was not suitable for habitation on a year-round basis and has not since that date received a permit from the building official for conversion to year-round habitation.

Amend Article V, Section 5, Sub-Section A, by deleting it in its entirety (Ballot Question).

ARTICLE Z2. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 2 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

2. Add to Article II, Part A, Section 7 the following parts:

F. All septic system plans submitted for review or re-review will be subject to a \$10.00 per dwelling unit plan fee.

G. All commercial establishments (i.e. daycare, kindergartens, restaurants, etc.) requiring State or Town inspections will pay a \$20.00 inspection fee per inspection. (Ballot Question)

ARTICLE Z3. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 3 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

3. Amend Article II, Part A, Section 8 by adding:

All issued permits for a project, both State and Town shall be displayed in a weatherproof covering visible from the access road. (Ballot Question)

ARTICLE Z4. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 4 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

4. Amend Article II, Part A, Section 12 (Page 7) with the following:

Earth Excavation as defined by RSA 155-E shall be permitted provided that it is performed in accordance with applicable State statutes and the "Excavation Regulations, Town of Sandown", adopted by the Planning Board. (Ballot Question)

ARTICLE Z5. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 5 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

5. Amend Article II, Part B, Section 3.c.2 (page 11) by adding new language as follows:

c. The 4,000 square foot receiving layer shall be set back 75 feet from the land in the "Wetlands Conservation District" and 35 feet from any lot line. (Ballot Question)

ARTICLE Z6. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 6 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

6. Amend Article I, Part B, Special Provisions, B (page 3) by changing the definition of qualified soil scientist to "...a person certified by the New Hampshire Board of Natural Scientist." (Ballot Question)

ARTICLE Z7. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 7 AS PROPOSED BY THE SANDOWN PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

7. To see if the Town will vote to amend the present Building Code: Article III, part A, Section 8 by replacing "The National Building Code, recommended by the National Board of Fire Underwriters,"

with the following: "The BOCA Building Code, 11th Edition, 1990 as published by the Building Officials and Code Administrators International, Inc.; The BOCA National Fire Prevention Code, 8th edition, 1990, as published by the Building Officials and Code Administrators International, Inc.; The BOCA National Mechanical Code, 7th edition, 1990, as published by the Building Official and Code Administrators International, Inc.; The National Plumbing Code, 8th edition, 1990, as published by the Building Officials and Code Administrators, Inc.; The National Electrical Code, 1990, as published by the National Fire Protection Association, Inc., and the Life Safety Code, NFPA 101, as adopted by the National Fire Protection Association, Inc. (Ballot Question)

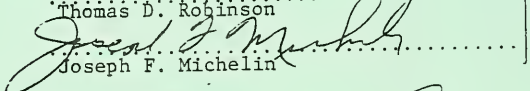

ARTICLE Z8. ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 8 AS PROPOSED BY THE PLANNING BOARD FOR THE SANDOWN ZONING ORDINANCE AS FOLLOWS:

8. Amend Article V, Special Exceptions, Section 2-Commercial Use, (adopted 1984) to read as follows:

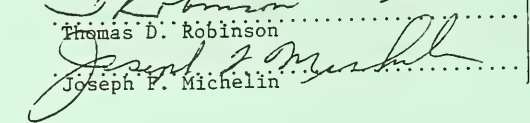

Commercial uses, limited to home businesses (operated within the confines of the existing buildings) and agricultural, forestry and earthen products produced within the Town of Sandown, may be permitted in any zone as special exceptions (a special exception shall be required for each commercial use), provided the Board of Adjustment finds in writing, after a duly noticed Public Hearing, of which the landowners have been notified in writing, that the following conditions have been met: (Amended 3/14/89) (Ballot Question)

ARTICLE 49. TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE THIS MEETING.

GIVEN UNDER OUR HANDS AND SEAL, THIS TWENTY FIRST DAY OF FEBRUARY, IN THE YEAR OF OUR LORD NINETEEN HUNDRED AND NINETY ONE.

 William H. Crum, Jr., Chairman	Selectmen of SANDOWN
 Thomas D. Robinson	
 Joseph F. Michelin	

A true copy of Warrant—Attest:

 William H. Crum, Jr., Chairman	Selectmen of SANDOWN
 Thomas D. Robinson	
 Joseph F. Michelin	

RSA 41:29-a Deputy Treasurer. Any town may, under an article in the warrant for the annual town meeting, vote to authorize the treasurer, with the approval of the selectmen, to appoint a deputy treasurer. Said deputy shall be sworn, shall have the powers of the treasurer, and may be removed at the pleasure of the treasurer.

RSA 41:9-a Establishment of Fees.

I. A town may, by majority vote at any annual or special meeting, authorize the board of selectmen to establish or amend fees, as provided in this section. Such a vote shall continue in effect until rescinded.

II. Following such vote, the Board of selectmen, without further vote of the town, may establish or amend fees or charges for the following purposes:

(a) The issuance of any license or permit which is part of a regulatory program which has been established by vote of the town.

(b) The use or occupancy of any public revenue-producing facility, as defined in RSA 33-B:1, VI, the establishment of which has been authorized by vote of the town.

III. Such fees or charges shall not exceed, in the case of licenses or permits, an amount reasonably calculated to cover the town's regulatory, administrative and enforcement costs.

IV. Prior to the establishment or amendment of any such fees, the selectmen shall hold a public hearing, notice for which shall be given at least 7 days prior to the hearing by posting in 2 public places in the town and by publication in a newspaper of general circulation in the town. The notice shall include the proposed schedule of fees.

V. This section shall not be deemed to prohibit a town from delegating authority over specific fees to another official or official body of the town. This section shall not supersede other provisions of law concerning the establishment or amount of specific types of fees.

ABOUT SELECTMEN

by

John A. Anderson

New England towns had Selectmen before they had paved roads, indoor plumbing or forced hot water heat but somehow or other Selectmen remain one of the most misunderstood, maligned groups of public officials today.

Perhaps it's the influx of "city people" moving out to the suburbs from Boston or the "foreigners" (people from West of the Berkshires) who now make up a great part of the suburban population.

Many people think a Selectman is someone you call when your neighbor's dog bites you, or the garbageman spills his bucket on your front lawn or when the snow plow blocks your driveway after you've just shovelled it out.

Most Selectmen will listen to these gripes and even try to help you out. But their duties lay primarily in other fields. They are the joint executive authority of the corporate body known as a "town" in New England.

To be a Selectman takes a rare combination of qualities. First and foremost, one has to be a little bit crazy to be a Selectman. Why? Probably because you must plan to spend anywhere from \$50 to \$500 to get elected to a job which pays an average of \$10 a week or about 50 cents an hour as some Selectmen have figured it.

If you do get elected, you're entitled to sit with two or four colleagues at Town Hall once a week and listen to the collected gripes of the citizenry. During the course of a year, a Selectman will sit and hear himself called just about every name you can think of and a few more that you can't. He gets calls at all hours of the day and night about lost dogs and children. His weekends are taken up dedicating new buildings, officiating at tree planting ceremonies and checking on requests made during the week.

And through all this, a Selectman must be courteous, kind and cheerful - if he expects to be re-elected by the voters. Because on election day, the voter will remember each affront, minor or major, intended or unintended.

So a Selectman must be something of a diplomat and amateur psychologist. He must be able to call everyone in town by his or her first name, know them well enough not to pass them by on the street without saying "hello" or "good morning."

He must acquire a specialized body of knowledge, necessary for the performance of his duties. He must know how a dump works or doesn't; who collects the garbage and rubbish and when; why such and such a street is paved or isn't and a million and one other such items of information.

Why does anyone bother to be a Selectman? Most people will tell you they get graft, money under the table or kickbacks. That's doubtful. Have you ever seen a rich Selectman who wasn't already wealthy when he took the job? In fact, just the opposite is true in most cases. A Selectman actually loses money while in office. If you figure his time at the minimum wage of \$1.50 an hour, add in the cost of campaigning, the extra gas, the extra telephone calls, it doesn't come anywhere near what most Selectmen receive in payment for their services.

So the next time you feel mad at the town and feel the urge to call your Selectman, wait a minute. Think. Get your story straight and if you still feel the urge to "tell someone", at least be polite to the poor Selectman. If he's a good one, he's a rare bird and you should be nice to him.

If he's a bad one, then maybe you ought to run yourself - that is if you're ready to work for 50 cents an hour, be yelled at, complained to and whispered about. And if you know the workings of town government "like the palm of your hand". And if you're public-spirited enough to sacrifice your time and money to do an almost thankless job.*

SELECTMAN'S REPORT

Friends and Neighbors,

Another year has passed and we find our town, our state, and our nation in the midst of a recession. At the time of this writing our nation is also at war in the Middle East. Hopefully by the time you read this, that war will be over.

Gone are the boom days of the mid 1980s. Now we all find ourselves closely watching our spending habits. To that end, the Board of Selectmen would like to thank all of the departments in town that helped bring the town in under budget for 1990. At the time of writing, we are projecting an estimate of in excess of \$50,000 that could have been spent in 1990 but was not. This money will go to offset the tax rate for 1991.

If you are not already aware of it, the town's portion of the 1990 tax rate actually went down from 1989 as a result of the surplus in the 1989 budget. Only the school and county portions of the tax rate increased which caused the overall rate to increase.

But even in these tough economic times, good things happened in Sandown in 1990. In late summer, the Selectmen and the Town Clerk moved into the new addition that you approved at last years Town Meeting. The additional space allowed other departments such as Building Inspector, Planning Board, and Health Officers to utilize the old Selectmen's Office. The addition is beautiful and if you have not had the opportunity to inspect it, please take the time to do so. After all, it belongs to all the taxpayers of Sandown.

Also during 1990, the town began a recycling effort at the town disposal area. The effort took a great deal of work initially which was done by Joe Berthiaume, the Head Custodian at the town disposal area, and his crew. Joe and his people continue to be an important part of our recycling program.

Also, a recycling Committee was formed and has also done a considerable amount of work getting the town started in recycling. This effort has been well received and we are currently recycling glass, aluminum cans, and newspaper. Every ton of recyclable goods we can take out of the trash compactors saves the town. It saves the tonnage fee we would pay to haul it away, and it also pays the town when money can be received for items such as aluminum cans.

Please give your continuing support to our recycling efforts. If you are interested in serving on the Recycling Committee, you may get information from the Selectmen's office.

In 1990, most streets in town had a street sign installed. This has been an ongoing project for several years, but this year we made some major headway. This benefits us all when emergency vehicles need to find our streets quickly. As new developers finish their projects, they are required to include street signs before having their roads submitted to the town for approval. Those roads in town that have been in service for years, and still do not have signs, will be taken care of as soon as time and money permit.

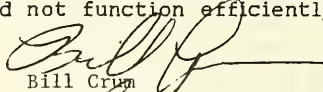

In 1990 we added the third full time police officer to our police department. We also elected our first full time Police Chief, effectively changing the department from a part-time department to full time.

In 1990 we also computerized the town accounting. The program that we are currently using is a simple accounting program, but the reports that can be generated have been both time saving and helpful not only to the Selectmen, but also to the Department Heads, the Budget Committee, and the Auditors. Some fine tuning still needs to be done this coming year, but for the most part the system has operated well.

1991 holds more challenges that need to be addressed. Some of the areas that will need work this year are:

1. A Personnel/Employee Policy and Procedures Manual needs to developed for all town employees.
2. Current economic conditions will continue to impact our town budget in areas such as Town Assistance and Tax Collecting.
3. Continued improvement is needed for the town's computerized accounting system.
4. The town is facing a major decision regarding the building of our new school, and adding on to our Library.

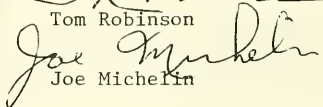

Finally, the Selectmen would like to make an appeal to all the citizens of Sandown to become involved in the operation of your town. Many of the Committees and Boards need regular and alternate members. The town depends heavily on volunteer service on such boards as the Planning and Zoning Boards, the Conservation and Recreation Committees, The Cable TV and Space Needs Committee, and both the Fire and Rescue Departments. To those people currently serving the town in one of these volunteer position, we'd like to say thank you. Without your help, the town could not function efficiently.

Bill Crum

Tom Robinson

Joe Michelin

SANDOWN MUNICIPAL SPACE NEEDS COMMITTEE

Three years of planning and organizing brought to fruition the new addition to the Town Offices during 1990. Through the efforts of this Committee, combined with the donations and assistance of a great number of volunteers, we were able to complete this project \$9,000 under budget.

Projects being considered for 1991 are a fireproof vault to be constructed adjacent to the Town Clerk/Tax Collector's Office and two handicap bathrooms for the Town Hall. Please refer to the sketch on the adjoining page.

The Committee has been continuing to evaluate other space needs for the Town including advise and guidance to the Library Building Committee for a Library addition.

A special appreciation is extended to Bob Johnson and the late Bill Newton for their efforts in the moving and setting up of the Town Offices in the new addition.

Respectfully submitted,

Dottie Batchelder, Chairperson
Christopher True, Vice Chair
Lloyce Robinson, Secretary
Donna Fugere
Laura Jendrick
Rev. Steven Murray

THE FOREGOING IS A TRUE ACCOUNT OF THE VITAL STATISTICS
RECORDED IN THIS OFFICE FOR THE YEAR 1990.

SANDOWN POLICE DEPARTMENT

1990 REPORT

In 1990, the Sandown Police Department experienced many changes. The new leadership being the most prominent and the addition of another full-time officer (making the total number three full-time certified, including myself). We have experienced a very busy year with over 4,000 calls of service. The activity rate of a Police Department is directly affected by the state of the economy. As the economy worsens, so does the crime rate.

The availability of having full-time personnel allows the steady flow of information, routine police business and complete investigations which was very limited prior to this year.

We were strongly affected by our budget constraints. In a joint effort, each officer donated time and effort in order to function under these circumstances and comply with the budget amounts. Many sacrifices were made.

The physical appearance of our police cruisers also was changed to black and white with the emergency numbers and "Sandown Police" written on them. This was done to give a much higher level of patrol visibility to deter crime. We would like to thank Sandown Auto and Michelin and Sons for donating the many hours spent on this project.

In July, we applied for our own radio frequency channel license through the APCO and the Federal Communications Commission. We were given this license with Co-channel Concurrence with the town of Allenstown, New Hampshire. This project was a first for Sandown.

We are constantly trying to improve our service to the community. One example of this was the implementation of an Alarm Box Number System. We requested that residents with alarm systems register with us all the pertinent emergency contact information should their system be activated in their absence. This computerized number is dispatched thus avoiding the name and address to be aired.

The Explorer/Cadet Program was larger this year than any other year in the past. The Explorers Program is a division of the Boy Scouts for ages fourteen to twenty for youths interested in Law Enforcement. This program was profiled on "Sandown Today" via Cable Television.

We also introduced another project to achieve a closer relationship between the community and the Police Department. A Crime Watch Program was begun to educate the public to be able to assist both us and themselves as extra eyes and ears to help stop crime.

All members of the Sandown Police have several goals that they wish to accomplish. The most important one to all is that this department become more and more educated to be more professional and proficient in their ability to Protect and Serve you - the community of Sandown.

We would like to thank Mr. Flemming Grove for his generosity in allowing us the use of his Fax machine at all hours of the day and night. Thank you, also, to all the residents of Sandown and to all my Officers in my first year as Chief of Police.

Chief Leo Beauchamp

SANDOWN FIRE DEPARTMENT

1990 REPORT

The year 1990 was a busy and most interesting one for the Sandown Fire Department. We responded to approximately ninety (90) fire or emergency calls. The number of structure fire calls was down from previous years but chimney fires and brush fires kept the department busy.

The report of two lost teens had the Fire Department heading up overnight search parties. It was very interesting and gratifying to see Sandown Firemen, Rescue Squad members, Sandown Police Officers and New Hampshire Fish and Game Officials working together on this effort. The New Hampshire National Guard sent in a helicopter to aid us in the search.

The new "Jaws of Life" was put into service and, unfortunately, had to be used in the past year. This equipment is vital in helping us to do our job and we thank the townspeople for supporting the purchase of expensive equipment such as this.

As always, the Sandown Fire Department urges all residents to use smoke detectors, house numbers and good safety practices to help us to do a better job. The thirty-five members of the Fire Department are always working to make this a better Department and with the continued support of the residents of Sandown, this will be accomplished.

A personal thank-you to all!

Irving Bassett,
Fire Chief

P.S. Practice Fire Safety!

SANDOWN RESCUE SQUAD

1990 REPORT

In 1990, the Sandown Rescue Squad responded to over 130 rescue and fire calls.

Our membership and training has increased over the years to include two (2) volunteer paramedics, ten (10) E.M.T.s, five (5) of who have taken a defibrillation course and three (3) others who are planning to include this in their training. The squad also includes two (2) first responders.

I would like to thank the town for its past and continuing support.

Respectfully submitted,

Fred Teague
Captain, Sandown Rescue Squad

SANDOWN ANIMAL CONTROL

1990 Annual Report

In 1990, the Animal Control Officers received 605 complaints which were responded to. Feline overpopulation is on the decrease but is still a major concern.

We would like to remind residents that licensing canines over three months of age is mandatory. The cost of licensing an unspayed or unneutered canine is \$7.00 and the cost of licensing a spayed or neutered canine is \$4.50. Spaying and neutering is the most effective way to alleviate the canine overpopulation problem. A reminder that part of the responsibility of being a good pet owner is the licensing and restraint of their pets.

We wish to thank the Greater Derry Humane Society for the placement and training programs that are in use and the Danville Animal Placement Service for the placement of unclaimed animals. We also wish to thank Police Chief, Leo Beauchamp, for the town frequency which enables us to communicate with the duty unit when police assistance is necessary.

Thanks to the residents of Sandown for helping our jobs to be effective.

Timothy Vincent

Catherine Vincent

Denise Laratonda

PLANNING BOARD

TOWN OF SANDOWN

PO BOX 1756, SANDOWN, NH 03873

1990 Sandown Planning Board Annual Report

The past year has been a busy one, though not as busy as the late 80's. We held 17 public meetings for a total of 43 hours. The Board reviewed 14 applications. This was broken down to five preapplication reviews, three lot line adjustments, five subdivisions and one commercial site plan. All applications were approved resulting in 27 new single family lots and one computer test site for an electronics firm. Of these approved plans, only 10 new lots were official created. The remaining plans must meet conditions of approval before the plans will be signed. The growth in 1990 was approximately the same as seen in 1989.

The Board assessed \$17,473.00 from the above plans for improvements to both town and state roads. This year, from monies assessed in previous years, \$7281.05 was spent (as authorized by 1990 warrant article 34) on the projects of improving the Chase Road drainage, completing improvements to the Chase and Tenney Roads intersection, and improving the shoulder along a section of Little Mill Road near Route 121A. Just as in the last two years, the Board is proposing a warrant article for \$25,000.00 to allow the town to continue using these improvement fees. As this amount will be met by monies paid by developers, there will be no cost or tax impact to the taxpayers.

The Board devoted much time this year to the task of getting roads completed in subdivisions where the road bonds had been called by the Board of Selectmen. These roads include Carriage Lane, Allen Street Extension, Highland Avenue, Bingham Circle, Wyman Circle, Snow Lane, Chestnut Hill Road and Windgate Road. The projects were put out for bid and most of the construction was completed by November 1990.

The Board revamped the town's Excavation Regulations so that it complies with the changes in regulations at the state level. The Board is still working on the Capital Improvements Plan.

The construction of the new Selectmen and Town Clerk offices gave the Board the windfall of having for the first time the pleasure of operating out of an office. Many thanks to the Space Needs Committee for doing a great job getting the old Selectmen's office spruced up and furnished for us. Along with the new office the Board has hired an aide, Susan Rice, to help us out approximately sixteen hours a month. Susan has worked for us four months now and is doing a great job.

Lastly, the Board is in need of alternates. This is an appointed, not an elected, position. Anyone interested can contact the Planning Board through the Selectmen's office. To all the Board members, thank you for your time and effort this last year.

Valerie O'Toole
Chair

BOARD OF ADJUSTMENT

TOWN OF SANDOWN

PO BOX 1756, SANDOWN, N.H. 03873

1990 Annual Report

The Zoning Board of Adjustment (ZBA) is delegated the responsibility for granting variances and special exceptions to Sandown's property owners. The ZBA utilizes the Town land use ordinances as a guide in reaching it's decisions with the goal of balancing the rights of the property owner with the needs of the community as a whole. The Board consists of volunteers from the community who meet to hear cases involving uses for property that are not specifically provided for in the ordinances or differ from the Town's requirements.

The current Board consists of five voting members and two alternates: Mark Hamblett-Chairman; Neil Dubois-Vice-chairman; John Paolini-Secretary; Tom Robinson-Selectmen's liaison; Ed Mencis; Ralph Millard; Nancy Browall.

The reduced caseload for the ZBA in 1990 was a reflection of the overall economic climate of the region. The Board heard 24 cases - 16 requests for special exception and 8 requests for variances. The slower pace of building activity should allow the town a chance to "catch its breath" after the rapid growth of the 80's.

A special note of thanks goes out to Tom Robinson who chaired the Board for five years. Tom's leadership and strength of character were important factors in the Board meeting its responsibility to the community. Tom is currently one of Sandown's three Selectmen.

Respectfully submitted,
Mark Hamblett
Chairman, Sandown ZBA

BUILDING INSPECTOR'S REPORT

Calendar 1990 was a surprisingly busy year, although slowing more than usual this fall and winter, for the Building Inspector/ Code Enforcement Officer.

Again special thanks to Assistant Inspector Bill Cashion for filling in.

Updating of the required reference material library and the permit tracking system is continuing.

164 Permits were issued in 1990 vs. 183 in 1989. There were 12 fewer permits for Single Family Dwellings this year than last (30-42).

A close working relationship is being maintained between the Building Department and Selectmen, Board of Adjustment, Planning Board, Health Officer, and the other Inspectors : Electrical, Plumbing, Driveway, Chimney, and Oil Burner.

PERMITS FOR 1990 TOTALED 164

30 Single Family Dwellings
85 Additions
44 Remodels
5 Demolition

Respectfully Submitted,
Kenneth W. Sherwood
Kenneth W. Sherwood
Building Inspector/Code
Enforcement Officer

ELECTRICAL INSPECTOR'S REPORT

1990 was a busy year for the Electrical Inspector, although slowing down more than usual towards the end of the calendar year.

Last year we started working under the current 1990 National Electrical Code and have been working with the contractors and home owners as to its proper interpretation and implementation.

Special thanks to Dean Sotirakopoulos for staying on board. It is always a pleasure working with Dean in any capacity.

Respectfully Submitted,

Kenneth W. Sherwood
Electrical Inspector

SANDOWN HEALTH DEPARTMENT
1990 REPORT

The Sandown Health Department is now comprised of Co-Health Officers. This is as of July when Mr. Cote's position was filled by the Selectmen. Our first six months have been spent getting settled into the duties of the position and working on records that needed to be organized and updated.

There are certain programs that we would like to have in place for the town on an information basis. We presented warrant articles to implement these programs so as to serve the people of Sandown with a more informed Health Department.

The Health Department can be reached by calling the Selectmen's office (887-3646) or call us directly: Vernon Dingman (329-6184) or Chester Orban (432-5113). We will be working harder to service the town of Sandown in the coming year.

Respectfully submitted,

Vernon W. Dingman IV
Health Officer

Chester J. Orban
Health Officer

PROPERTY ASSESSING
REPORT

Approximately 200 requests were received for abatements to taxes on property. This represents 10.5% of the 1,898 properties on the town records. It appears that most, if not all, were filed as a result of the specific filing instructions included in the tax notification and a belief that the values were adversely affected by the present real estate picture.

About half of the 200 requests resulted in abatements (most in the less than \$200 range with a very few exceeding \$500). Where a claim was made citing differences with comparable properties, an attempt was made to physically view the properties. The remaining requests were denied either because the cited properties were not truly comparable or because an appeal based on present real estate values was not considered to have merit.

The following note (published in two local papers) is an attempt to shed some light on the relationship between taxes paid by a property owner in New Hampshire, the valuation placed on the property by a town or city and the real estate market.

By state law, taxes in a community must be apportioned among the property owners according to the market value of the property. This apportionment is considered an owner's "fair share" of the taxes to be raised by the community. The market value is that value (for each various type of property) as determined by a record of sales throughout the community for each property type in the year in which the community valuation is done. Once this has been accomplished, property changes (new structures, additions, etc.) can be valued using the procedures determined during the year of the community-wide valuation. This process attempts to assure that all property owners having comparable properties have an equal share of the taxes.

It is important to understand that, once the community-wide valuation has been made, the market value at any other time has little to do with the manner in which the tax burden is shared. For example, should the market fall (throughout the community) by (say) 15%, if all property values were reduced to reflect this condition, it would be necessary to raise the tax rate by 15%, resulting in the same tax bill. This is so since the amount of money to be raised by taxes is determined by the community's commitment to spend, not by property valuation. Property valuations only determine the "fair share" portion allocated to each property owner. Of course, it is possible that all property types may not uniformly change in value and corrections must be made for this (sharing must be adjusted).

Your tax bill is determined by the community's commitment to spend and your property valuation as determined by procedures resulting from a community-wide valuation. The commitment to spend is determined by the vote of the community or of councilors or aldermen. Input to this commitment can be achieved by attendance at the budget hearings of the school, town or city. Your share of the taxes is determined by your property valuation. You can determine if your share is "fair" by reviewing your property record (usually at the town or city hall) to see if it is listed correctly and to see if comparable properties are similarly valued.

Respectfully submitted,

George E. Romaine
Town Assessing Clerk

BUDGET COMMITTEE

1990

ANNUAL REPORT

This year, the Budget Committee would like to express its appreciation to all town department heads and the Board of Selectmen for the teamwork exhibited in compiling the 1991 Town Budget. Without this cooperation, the budgeting process would have been much longer and more painful for all involved.

Martha J. Darragh, Chair

David Shuker, Vice Chair

William Crum, Selectmen-liaison

Cynthia Ambrogio, Secretary

Matthew Ambrogio

A. Jefferson Cornell

Mary Comerford

LIBRARY BUILDING COMMITTEE REPORT

The Sandown Library Building Committee has been working on the space needs of the town library for over four years. Meeting at least once a month over that period, the Committee has concentrated on developing a plan that will alleviate the critical space problem facing the library while at the same time keeping costs at a minimum. The Committee has also launched a series of fundraising activities to help meet the costs. During 1990, considerable progress has been made towards these goals.

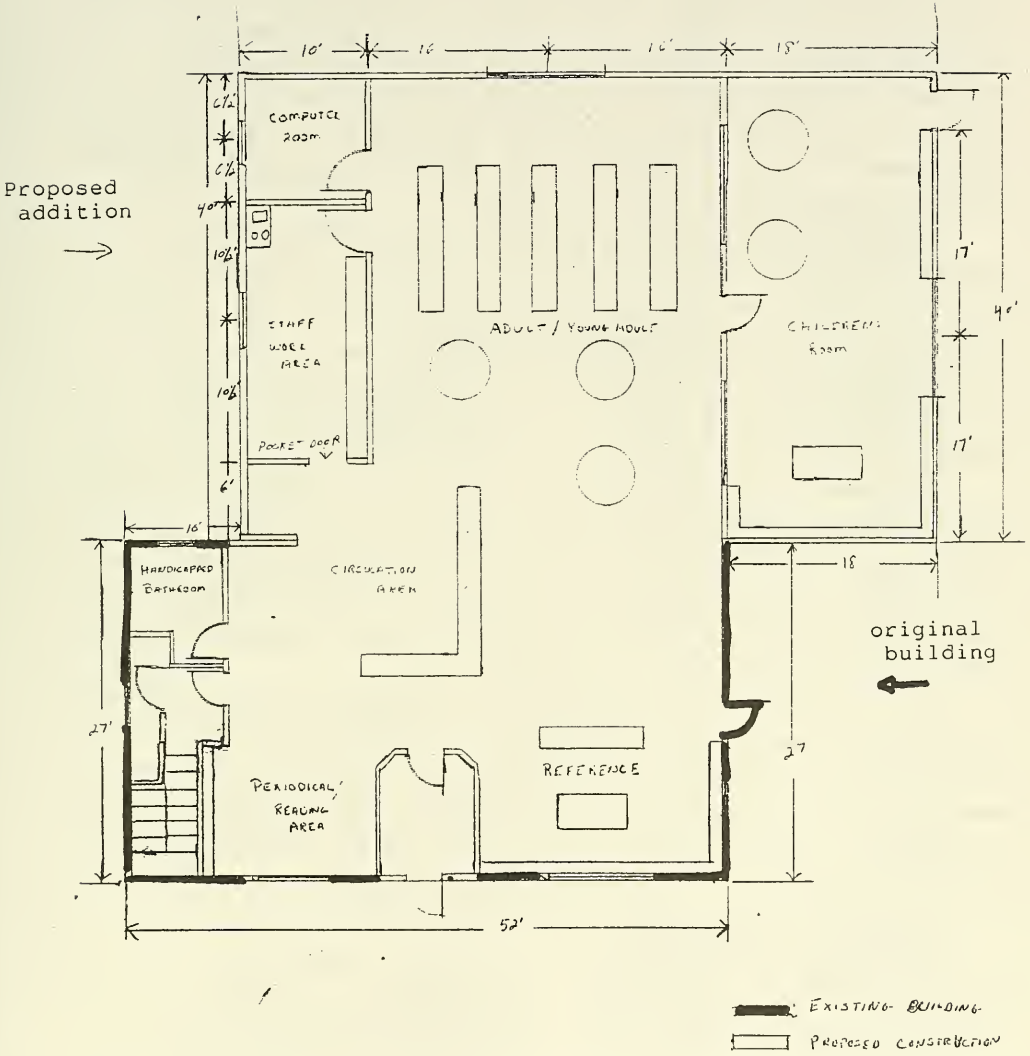

Using the set of drawings prepared by the architect and bearing in mind suggestions by several individuals, including members of the Space Needs Committee, the plans have been modified. The basement has been eliminated and the roofline has been changed. These two changes, along with a few minor modifications, have considerably reduced the costs while at the same time increasing the amount of usable space on the main floor of the Library. (See sketch of proposed addition on adjoining page).

Estimates received based on the revised plan lead us to believe that the proposed expansion can be built for about \$140,000. The Committee's fundraising efforts have raised \$35,000 from private sources. A warrant article has been submitted requesting 1) \$65,000 to be appropriated this year and 2) approval to use \$40,000 already in the Library Capital Reserve account. Approval of this warrant article will provide the finished and, at least minimally furnished, space required to meet the greatly increased demands upon the Library at a cost just under \$40 per square foot.

The Library Building Committee respectfully requests the voters consideration of the proposed expansion of the Library to meet the town's needs now and in the future.

Respectfully submitted,
Sandown Library Building
Committee

PROPOSED LIBRARY ADDITION

LIBRARY REPORT 1990

Instead of the usual report stating the many accomplishments at the Library this past year, I feel it is necessary to address the space needs of the Library if services are to be maintained and improved. One look at the statistics for the past few years will show the dramatic increase in usage of the Library services. We are very pleased to see the Library being used to its full potential but the need for additional space is brought home to us everyday.

Two areas we especially feel the need are collection development and programs. Over 17,000 items were circulated this past year alone and the Library needs to add to the collection to keep it current and useful to the public. There really is no room for new materials to be shelved properly. We have squeezed them into every available space and have weeded extensively.

Programs are strong and have record-high attendance. Participation in the Summer Reading program doubled this year from 85 in 1989 to 156 in 1990 and seventy-three children signed up for one Dinosaur Hunt program. The Library will continue to have these popular programs but the number of participants will have to be limited.

The Library Building Committee has worked hard for over four years to address the space needs of the Library. This past year their efforts have resulted in a plan that will meet the Library needs now and in the future with minimum tax impact on the Town. The Committee should be commended for raising \$35,000 on its own to keep the costs down. This means that much less needs to be raised from Town funds.

I urge all Sandown voters to consider carefully the proposed addition to the Library and support the warrant article requesting funds for the Library expansion.

No library can function without the work of volunteers and I would like to acknowledge two people who have shown continued support for the library through their time and effort. After six years on the Board, Mrs. Hazel Marlow retired as a Library Trustee this past year. We would like to thank Hazel for all her support. I would also like to thank former Trustee, Amelia Leiss, for her generous donation to the Library which allowed us to add 12 volumes of the SIRS series to the reference collection and also to purchase a computer to attain our goal of automating the Library.

On behalf of the Library staff and the Board of Trustees, I look forward to seeing all Sandown residents at the Library in 1991.

The Sandown Conservation Commission respectfully submits the following report for 1990.

The year of 1990 was a year of rebuilding on the Sandown Conservation Commission. The appointments of new members and the establishment of a new committee structure and program for future action and activities topped our agenda.

Programs that have been initiated and will continue into 1991 and beyond are:

1. Enforcement activities related to wetlands use and Dredge and Fill activities
2. Cataloguing and classification of town-owned land and water ways
3. Acquisition of open-space/conservation lands through gift, purchase and/or easement.
4. Research into and possible proposition of aquifer/water resource protection ordinance
5. Sponsorship of Sandown youth participation in the Society for the protection of New Hampshire Forest Conservation Camp.

Respectfully submitted,

Patrick Valentine
Chairman

SANDOWN RECREATION COMMISSION

1990 REPORT

The Sandown Recreation Commission had another very active and productive year. Commission members worked in cooperation with other Town organizations to avoid duplication of effort and expense for needed activities.

The Commission is happy to report that all the following activities were available to Town residents while coming in just under the amount budgeted for 1990 (which was lower than the 1989 budget).

During the year many types of activities were held for residents of all ages. In some cases, budgeted monies were used for the programs and in many other instances, Recreation Commission members volunteered their time and effort to help other organizations present programs.

February 1990: The Enchanted Doll

The Starbird Puppet Theater returned to Sandown to a standing-room-only audience for a delightful treat for vacationing school children and their families.

The Sandown Recreation Commission offered residents an opportunity to attend a performance of the Ice Capades in Portland, Maine in February, 1990. There was no cost to the town since all Commission members are totally volunteers. Twenty-five area residents enjoyed the ice show.

April 1990: King's Puppeteers

Vacationing children and their families once again filled the Town Hall to see the Seritally Circus. The renowned King's Puppeteers delighted everyone.

May and June 1990:

As Prom time came around, the Recreation Commission joined forces to help the Sandown Library present their idea of a "Looking Good" program held at the Sandown Central School. Commission members worked with Library staff members and local merchants to help everyone "look even better" for the 1990 prom. The Timberlane Drug-Free Prom was also supported once again by the Recreation Commission with a monetary contribution.

As the busy summer on Phillips Pond was fast approaching, the Commission worked with the enrichment teacher at Sandown Central School and the Manchester YWCA to present a water safety and awareness class for elementary school children. Suzanne Littleton, Aquatic Director of the Manchester YWCA presented the class which the children enjoyed and learned safety tips from. Ms. Littleton has taught swimming lessons at Seeley Park for the past four years.

The Sandown Police Department worked with the Commission and the New Hampshire Department of Safety to sponsor a safe boating course at the Town Hall. This course had been very well-received in neighboring towns and the Recreation

Commission members felt that it was important for Sandown residents and Police Force members to attend due to the increasing amount of boat traffic and swimmers in and on Phillips Pond.

For the fourth year, youngsters were able to take part in swimming lessons taught by the Manchester YWCA Aquatic Director, Suzanne Littleton. In each four week session, at least 50 children swam two mornings a week. Participants paid for their own lessons and these were held at no cost to the town.

When lessons were not being held at Seeley Park, other residents were enjoying the beach. Hours were arranged to accommodate young families, as well as those who wanted to enjoy a cool dip after work. Lifeguards were on duty during the public hours.

Toward the end of the summer, storyteller, Claudia Altemus, entertained a number of families with tales of the sea and Native Americans on the Town Beach.

Throughout the year, members of the Commission worked closely with the Sandown PTA and Central School staff to help provide our children with wonderful cultural programs including appearances by such authors as Robert Priest and Margaret Mahy. Commission members volunteered many hours toward these programs.

SANDOWN RECREATION COMMISSION MEMBERS FOR 1990:

Renee DiVasta, Chairman
Don Forsyth

Caroline Gainan
Richard Drowne

SANDOWN HISTORICAL SOCIETY & DEPOT MUSEUM

1990 REPORT

The Sandown Historical Society and Depot Museum provided many opportunities for Sandown residents and visitors to enjoy this historical landmark during 1990.

Visitors came from nearly every state in the U.S.A. and from Canada, England, Ireland, Sweden and Denmark. The greatest distance award is shared by Jim Barrett of Sydney, Australia and Margaret Mahy from Christ Church, New Zealand.

A total of 422 visitors came to the Depot Museum of which 103 were from Sandown.

Historical Society members and their guests enjoyed socializing at pot luck suppers followed by song fests and also the annual Hobo Day.

Volunteers worked hard during the year to beautify both the inside of the Museum and the outside grounds. Flowers were planted in the spring and tended by volunteers. A holiday tree was decorated by Society members for all the town residents to enjoy.

Sandown memorabilia was available for purchase and a Sandown Clock was donated to decorate the new Selectmen's office.

The museum is open on Sunday afternoons from 1 to 5 pm from June through October. Groups are welcome. 1990 has seen Scout troops, school children, church groups and two antique care groups tour the museum. Groups are requested to please call ahead for an appointment. Tours can be scheduled during the week.

The Sandown Historical Society members extend their sincere thanks to all those who have contributed wonderful historical items throughout the year. Everything from railroad memorabilia to historical military items and vintage school books are housed in the museum.

Curator, Bertha Deveau, was the subject of the SANDOWN TODAY cable television show. She was previously also a star of NEW HAMPSHIRE CROSSROADS, JUST UP THE ROAD.

Anyone wishing information about the Historical Society or wishing to purchase Sandown memorabilia during the winter months and early spring, should call 887-4621.

Thanks to everyone who helped keep history alive in Sandown through your work and donations throughout 1990. The Society members are looking forward to many more years of historical preservation.

SANDOWN RECYCLING COMMITTEE

1990 REPORT

The Sandown Recycling Committee was reformed late in February with the goal of really getting the recycling effort going in the Town. At that time, newspaper recycling had all ready been started and an attempt at recycling aluminum cans was initiated at the Sandown Central School.

The Committee put together a very rushed effort to position the Town for potential State matching grant funds when Warrant Article #32 was introduced. This article was only to be spent on building a drive up pit for the easy disposal of white and bulky goods, if we were able to achieve 50% matching funds through a State Recycling promotion grant program. The Committee's analysis of the cost and effort associated with developing the grant proposal and weighing the chances of achieving the grant were the factors as to why the Article monies were never spent.

Committee members participated in Earth Day activities in the Town by distributing an educational handout to all users of the Transfer Station that weekend and assisting in some of the roadside rubbish hauling back to the Town Hall.

The Committee made some of the recycling information signs that are visible at the recycling containers along with initiating the recycling of all colors of glass early in July. Efforts by Recycling Committee member and Head Custodian Joe Berthiaume resulted in the Salvation Army placing clothes collection containers at the Transfer Station in the Fall.

The 53-B District offered a grant program for all member towns for the purpose of educating citizens on recycling efforts in their towns. Sandown applied for the grant and received a potential \$1850 to be spent on recycling education in Sandown. The Committee applied this to three mailings to the residents. Two of the mailings were in the form of brochures and the third mailing, just after Christmas, was an educational newsletter.

The Recycling Committee attempted to follow our recycling progress by monitoring the actual tonnage recycled over the course of 1990. Throughout most of the year we ran into problems receiving accurate and timely weigh slips from the hauler and the marketer. We did, however, gain access to most of the recycling data so that we could determine fairly accurately how much we actually recycled over the year. Newspaper costs fluctuated over the year from costing us \$2.50/ton for disposal, to bringing in revenue of \$2.50/ton. This cost is highly effected by the amount of contamination in the delivery. Aluminum cans are known to be the most lucrative recyclable and in this area the Town has received revenue of anywhere from \$307 for a haul to a high of \$1140 for a haul in August. Glass was hauled three times since July with some revenue being returned, but the hauls ended up being contaminated and, therefore, not bringing the best possible revenues.

SANDOWN RECYCLING COMMITTEE

1990 REPORT

The following is a summary of the costs associated with recycling in Sandown in 1990 using the records that actually exist.

Recyclable	Rental	Hauling	Tonnage	Tipping	Cost Avoidance	Revenues
Newspaper(10)	\$600	\$1500	55.64	~\$41.21	\$3060.20	~ \$16.50
Alum. Cans(6)	\$810	\$ 900	4.805	\$ 0	\$ 264.28	\$3089.83
Glass (3)	\$450	\$ 450	13.27	\$ 0	\$ 729.85	\$ 148.67
Approximate Total Cost of Recycling =				~ \$ 4,751.21		
Approximate Total Savings from Recycling =				~\$ <u>7,309.33</u>		
Approximate Difference				~\$(2,558.12)	SAVINGS	

(~) = Areas of inaccurate cost or revenue data.

Thank you for your support in recycling in 1990.

Watch for a new look to recycling in 1991 as more changes will be taking place and additional recyclables will be added to our collection. Please help Sandown meet the State mandated 15% of solid waste in the waste stream by continuing and adding to your recycling efforts that already exist. (Ref. RSA 149-M)

The Recycling Committee membership has fluctuated over our existence and over the last few months of 1990 we were unable to meet due to many members conflicts. However, we intend to stay active and get back on a regular meeting schedule in 1991.

The following are our active members as of the close of 1990:

			
Dave Shuker Chairman	Tom Carr Secretary	Joe Berthiaume Head Custodian	Peggy Crum

Greg Thomas Bill Stewart Julie Ball

We want to thank the Selectmen's Office for their efforts in getting this year's Town Report printed on recycled paper.

**DECEMBER 1989 - DECEMBER 1990
ANNUAL REPORT**

Southeast Regional Refuse Disposal District 53-B

Danville * Brentwood * Fremont * Hampton * Hampton Falls * Kensington * New Castle
North Hampton * Rye * Sandown * South Hampton

This Annual Report covers the period December 1989 to December 1990 in accordance with Section 2.7 of the District Agreement, which states that the District Committee shall hold an Annual Meeting on the first Tuesday of December each year to receive reports, choose officers, and appoint members to the Operating Committee.

The District Agreement states that the District's fiscal year shall commence on April 1 and shall end on March 31 of each year. The District Budget covers this fiscal period.

At the Public Hearing and Annual Meeting on December 5, 1989, the District elected the following Officers to serve from December 1989 to December 1990:

Chairman David Paine,
 Rye, NH
Vice-Chairman Henry Mixter
 North Hampton, NH
Secretary Winthrop Comley,
 Hampton Falls, NH
Treasurer Curt Springer,
 Danville, NH

The Towns of Brentwood, Fremont, Hampton, Hampton Falls, North Hampton, Rye, and South Hampton were selected to serve as the Operating Committee of the District.

Larry Stilwell, Fremont, Chair
Douglas Cowie, Brentwood
Joseph Melville, Hampton Falls
James Hartwell, South Hampton

In January, 1990, the District entered into a lease for office space at 86 Lafayette Road, North Hampton, NH and hired an Administrative Assistant. During the past year:

- * the office was furnished
- * computer hardware and software was purchased
- * a complete and comprehensive filing system was set-up
- * all accounting was transferred to a computerized fund accounting system
- * all necessary insurance coverage was purchased.

At the District's Committee meeting of February 22, 1990, the members voted to enter into a contract for ultimate disposal of municipal solid waste with Waste Management of New Hampshire. The Agreement represented the culmination of a six month process which began with the Districts request for proposals from the solid waste industry, and then finally negotiating with Waste Management of New Hampshire, the lowest qualified bidder. The highlights of the contract include the following:

- * A twenty-five year contract of five five-year agreements of guaranteed disposal capacity;
- * A flexible start date for member communities;
- * A tipping fee of \$47.50 per ton, escalating on an annual basis with the consumer price index;
- * Guaranteed disposal capacity to include expansion for new members of the 53-B District.

The contract was signed on March 7, 1990. Brentwood and Fremont began

shipping to the Turnkey Facility in Rochester, NH in July 1990, New Castle will begin in December and other Member Towns have shipping dates ranging from 1991 to 1993.

The Recycling Committee established a District Grant Program for education and public relations. Brentwood, Fremont, Hampton, Hampton Falls, Kensington, North Hampton, and Sandown applied for, and received, grants which totaled \$11,028.18. Congratulations to the Recycling Committees in all the communities for the excellent educational material they have produced. \$10,000.00 has been budgeted to continue this program in 1991-1992.

The Recycling Committee worked with SEA Consultants, Inc. to study and make recommendations for a Recycling Facility to be located at the Fremont landfill site. On August 17, 1990 RFP's were mailed to prospective vendors and on October 1, 1990 proposals were received at the District Office. After evaluating the proposals, options were presented to the Operating Committee on November 1, 1990. That Committee moved to forward to the District Committee the motion that the District build the facility at the Fremont site and contract with an independent contractor the operation of the facility. If approved by the District Committee, the new year will begin with this scenario moving forward.

Household Hazardous Waste is an ongoing issue for the Recycling Committee. This year a sub-committee was appointed to study the challenges of, and possible solutions to, the household hazardous waste problem. For 1991-1992, funds have been budgeted for education and public awareness. This sub-committee will also be studying the feasibility of District participation, at some future date, in a household hazardous waste disposal program.

After studying all the information which had been generated by consultants for the District in previous years, the Landfill Committee decided that, with the signing of the contract with Waste Management of New Hampshire, no further studies will be conducted regarding a District owned landfill at this time.

The Septage Committee oversaw a comprehensive study of the Hampton Waste Water Treatment Plant conducted by Underwood Engineers, Inc. This study focused on the feasibility of and the ability of the HWWTP to handle septage from the 53-B Member Towns who are members of the Septage portion of the District. When the study was completed, with favorable results, the committee recommended that negotiations for an Agreement with the Town of Hampton begin. At this writing, an Agreement is in the process of being drafted for presentation and discussion with the Town of Hampton.

In September, 1990 the Town of Danville elected to withdraw from the District and Joseph Melville of Hampton Falls was appointed interim Treasurer of the District.

Walter Hill of South Hampton was appointed chairman of the newly formed Liaison Committee. This committee will be organizing and working in the coming year to establish stronger relationships with the Boards of Selectmen in the member municipalities, and improving communications with other 149-M towns.

The District owned brush/wood chipper is used regularly by several member municipalities. The chipper will be delivered and picked up at no charge to the member municipalities. The use of the chipper may be scheduled by calling the District Office or the Hampton Department of Public Works.

The District has an agreement with Waste Not, Inc. for stump grinding and wastewood/wood demolition disposal. This service is located at the Town of Hampton landfill and is available to all member municipalities. It operates three days per week and a fee is charged for the use of the service. Further information may be obtained by calling the District Office.

Respectfully submitted,

Winthrop Comley

SANDOWN CABLE TELEVISION ADVISORY BOARD
1990 ANNUAL REPORT

The Sandown Cable Television Advisory Board (CTAB) had an active year in 1990. The CTAB serves as a liaison between Sandown cable subscribers and Continental Cablevision, produces some local programming and sets guidelines for cablecasting local shows made by independent producers.

The Cable Board resolved problems experienced by Sandown cable subscribers. The CTAB also worked to broaden and improve cable coverage. In May, spurred by public interest, the Board succeeded in getting Continental to add Channel 25 to its list of stations available in Sandown.

The CTAB met with Continental management to review their procedures for handling customer calls. Recently, we have received inquiries about showing some French-language programs on the community channel and we are actively seeking citizen input. In addition, we are working with Continental to insure that high school sports events will continue to be shown in Sandown. The CTAB has also pursued educational programming, inquiring about a series on computer technology produced by a New Hampshire firm.

The Cable Board has worked on community television programming, including a Policy Statement that will clarify rules and procedures for local programming. In addition, several shows were cablecast this year, including Candidates' Night and a public school hearing. The feature program "Sandown Today", made by an independent producer, debuted in April.

The Cable Television Advisory Board believes that community television programming can provide a vital service to Sandown. We encourage anyone with an interest in producing cable television to get involved. Training is available from Continental Cablevision.

Whether you have a problem with cable service that is not resolved by Continental, have an interest in producing community television or would like more information about becoming a member of the Board, you should contact Chairman, Tom Gainan, at 887-2897.

Respectfully submitted,

Tom Gainan, Chairman
