SELECTMEN'S REPORT

Perhaps the best news of the past year lies within the Robert P. Bass Memorial Forest. The Selectmen have been in touch with William Bean of Peterborough who is a registered forester. Mr. Bean has covered part of the Forest in search of marketable timber. His survey has found over 1 million board feet of timber. He has advised the Board that it should be marketed for two reasons. The market is at a high level which insures the Town a satisfactory price. The wood should be put to better utilization than being allowed to fall victim to disease and eventual rot. At the time of this writing the Selectmen are in the process of arranging a timber sale with Mr. Bean as the Town's agent.

The Selectmen wish to hire Mr. Bean to conduct a weeding and thinning operation on 30 acres of the Town Forest under the approval of the County Forester. The total cost of this work will be \$1,200.00 of which the Town will contribute \$300.00 under the Agricultural Stabilization and Conservation Program. This will make possible future growth which will be consistent with good forestry practice.

We would like to ask the taxpayers approval in building a walkway from Route 123 to the Schoolhouse. This will result in easier access during the winter months.

The Selectmen have been in touch with an abuttor of the Schoolhouse property in regard to acquiring no more than one-quarter of an acre to be used for parking. This inquiry is at the preliminary stage but we feel that we should be prepared to acquire the property if possible.

The Selectmen have pondered over the idea of asking the Town Meeting to close South Road subject to gates and bars. It is our intention to keep the road open and at the same maintenance level as at present. This will afford continued passage for motorists and access for fire protection. This proposed closing, if enacted, will relieve the Town of any winter maintenance.

Respectfully submitted,
David A. Blanchette

REPORT OF HIGHWAY AGENT

The major project for the Highway Department in 1976 was the Spring Mill Road. This is a school bus and mail route.

This project was started two years ago by cutting and removing trees and brush. This past year stumps were removed, culverts replaced and borrow brought in to provide width. In 1977 the job will be completed by adding gravel and a new surface. Funds were provided from the Town Road Aid and Class V accounts. Your Highway Agent will continue to supervise this project under the approval of the State of New Hampshire Highway engineers.

Work for 1977 will consist of the following maintenance as needed:

1. Ditching and shoulder work.
2. Stump removal on Cross Road.
3. Brush and tree removal to improve vision on corners.
4. Sealing paved roads.
5. Bridge railing replacement.
6. Gate and surface on lower road of new cemetery.
7. Seeding of lots in new cemetery.

Please note that Jarmany Hill Road and Spring Mill Road are maintained by the State Highway Department. Any problems encountered with either road should be referred to the State Highway Department in Rindge or Keene.
